and the Administrative Agent, or any of them, may deem proper, consistent with the Loan Agreement, or (ii) release, discharge, abandon or otherwise deal with or fail to deal with any guarantor of the Obligations or any security or securities therefor or any part thereof now or hereafter held by the Banks and the Administrative Agent, or any of them, or (iii) consistent with the Loan Agreement, amend, modify, extend, accelerate or waive in any manner any of the provisions, terms, or conditions of the Guaranteed Agreements, all as the Banks and the Administrative Agent, or any of them, may consider expedient or appropriate in their sole discretion. Without limiting the generality of the foregoing, or of Paragraph 5 hereof, it is understood that the Banks and the Administrative Agent, or any of them, may, without exonerating or releasing the Guarantor, give up, or modify or abstain from perfecting or taking advantage of any security for the Obligations and accept or make any compositions or arrangements, and realize upon any security for the Obligations when, and in such manner, as the Banks and the Administrative Agent, or any of them, may deem expedient, consistent with the Loan Agreement, all without notice to the Guarantor, except as required by Applicable Law.

5. Guaranty Unconditional. The Guarantor acknowledges and agrees that no change in the nature or terms of the Obligations or any of the Guaranteed Agreements, or other agreements, instruments or contracts evidencing, related to or attendant with the Obligations (including any novation), nor any determination of lack of enforceability thereof, shall discharge all or any part of the liabilities and obligations of the Guarantor pursuant to this Guaranty; it being the purpose and intent of the Guarantor, the Banks and the Administrative Agent that the covenants, agreements and all liabilities and obligations of the Guarantor hereunder are absolute, unconditional and irrevocable under any and all circumstances. Without limiting the generality of the foregoing, the Guarantor agrees that until each and every one of the covenants and agreements of this Guaranty is fully performed, the Guarantor's undertakings hereunder shall not be released, in whole or in part, by any action or thing which might, but for this paragraph of this Guaranty, be deemed a legal or equitable discharge of a surety or guarantor, or by reason of any waiver, omission of the Banks and the Administrative Agent, or any of them, or their failure to proceed promptly or otherwise, or by reason of any action taken or omitted by the Banks and the Administrative Agent, or any of them, whether or not such action or failure to act varies or increases the risk of, or affects the rights or remedies of, the Guarantor or by reason of any further dealings between the Borrower, the Banks and the Administrative Agent, or any of them, or any other guarantor or surety, and the Guarantor, to the extent permitted by Applicable Law, hereby expressly waives and surrenders any defense to its liability hereunder, or any right of counterclaim or offset of any nature or description which it may have or which may exist based upon, and shall be deemed to have consented to,

any of the foregoing acts, omissions, things, agreements or waivers.

6. Set-off. The Banks and the Administrative Agent, or any of them, may, without demand or notice of any kind upon or to the Guarantor, at any time or from time to time when any amount shall be due and payable hereunder by the Guarantor, if the Borrower shall not have timely paid its Obligations, set off and appropriate any property, balances, credit accounts or moneys of the Guarantor (other than those held in a trust) in the possession of the Banks and the Administrative Agent, or any of them, or under the control of any of them for any purpose, which property, balances, credit accounts or moneys shall thereupon be turned over and remitted to the Administrative Agent, to be held and applied to the Obligations by the Administrative Agent in accordance with the Loan Agreement, and the Guarantor hereby grants to the Banks and the Administrative Agent, a security interest in all such property. The Administrative Agent shall give written notice to the Borrower of the exercise of any of the foregoing rights within one (1) Business Day following the exercise thereof.

7. Maximum Guaranteed Amount. The creation or existence from time to time of Obligations in excess of the amount committed to or outstanding on the date of this Guaranty is hereby authorized by the Guarantor, without notice to the Guarantor, and shall in no way impair or affect this Guaranty or the rights of the Banks and the Administrative Agent, or any of them, herein. Anything in this Guaranty to be contrary notwithstanding, it is the intention of the Guarantor, the Banks and the Administrative Agent, that the Guarantor's obligations hereunder shall be, but not in excess of, the Maximum Guaranteed Amount. The "Maximum Guaranteed Amount" shall mean the greater of (a) the amount of economic benefit received (directly or indirectly) by the Guarantor pursuant to the Loan Agreement and the other Loan Documents, and (b) the maximum amount which could be paid out by the Guarantor without rendering this Guaranty void or voidable under Applicable Law including, without limitation, (i) Title 11 of the United States Code, as amended, and (ii) applicable state law regarding fraudulent conveyances.

8. Bankruptcy. Upon the bankruptcy or winding up or other distribution of assets of the Borrower or any Subsidiary of the Borrower (other than the Guarantor) or of any surety or guarantor for the Obligations, the rights of the Banks and the Administrative Agent, or any of them, against the Guarantor shall not be affected or impaired by the omission of the Banks and the Administrative Agent, or any of them, to prove its or their claim, as appropriate, or to prove its or their full claim, as appropriate, and the Banks and the Administrative Agent may prove such claims as they see fit and may refrain from proving any claim and in their respective discretion they may value as they see fit or refrain from valuing any security held by the Banks

and the Administrative Agent, or any of them, without in any way releasing, reducing or otherwise affecting the liability to the Banks and the Administrative Agent of the Guarantor.

9. Application of Payments. Any amount received by the Banks and the Administrative Agent, or any of them, from whatsoever source and applied toward the payment of the Obligations shall be applied in such order of application as is set forth in the Loan Agreement.

10. Waivers by Guarantor. The Guarantor hereby expressly waives, to the extent permitted by Applicable Law: (a) notice of acceptance of this Guaranty, (b) notice of the existence or creation of all or any of the Obligations, (c) presentment, demand, notice of dishonor, protest, and all other notices whatsoever, (d) all diligence in collection or protection of or realization upon the Obligations or any part thereof, any obligation hereunder, or any security for any of the foregoing and (e) all rights of subrogation, indemnification, contribution and reimbursement against the Borrower, all rights to enforce any remedy the Banks and the Administrative Agent, or any of them, may have against the Borrower and any benefit of, or right to participate in, any collateral or security now or hereinafter held by the Banks and the Administrative Agent, or any of them, in respect of the Obligations, even upon payment in full of the Obligations. Any money received by the Guarantor in violation of this Section shall be held in trust by the Guarantor for the benefit of the Banks and the Administrative Agent. If a claim is ever made upon the Banks and the Administrative Agent, or any of them, for the repayment or recovery of any amount or amounts received by any of them in payment of any of the Obligations and such Person repays all or part of such amount by reason of (a) any judgment, decree, or order of any court or administrative body having jurisdiction over such Person or any of its property, or (b) any good faith settlement or compromise of any such claim effected by such Person with any such claimant, including the Borrower, then in such event the Guarantor agrees that any such judgment, decree, order, settlement, or compromise shall be binding upon the Guarantor, notwithstanding any revocation hereof or the cancellation of any promissory note or other instrument evidencing any of the Obligations, and the Guarantor shall be and remain obligated to such Person hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Person.

11. Assignment by Banks or Administrative Agent. To the extent permitted under the Loan Agreement, the Banks and the Administrative Agent may each, and without notice of any kind, except as otherwise required by the Loan Agreement, sell, assign or transfer all or any of the Obligations, and in such event each and every immediate and successive assignee, transferee, or holder of all or any of the Obligations, shall have the right to enforce this Guaranty, by suit or otherwise, for the benefit of

such assignee, transferee or holder as fully as if such assignee, transferee or holder were herein by name specifically given such rights, powers and benefits.

12. Remedies Cumulative. No delay by the Banks and the Administrative Agent, or any of them, in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the Banks and the Administrative Agent, or any of them, of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy. No action by the Banks and the Administrative Agent, or any of them, permitted hereunder shall in any way impair or affect this Guaranty. For the purpose of this Guaranty, the Obligations shall include, without limitation, all Obligations of the Borrower to the Banks and the Administrative Agent notwithstanding any right or power of any third party, individually or in the name of the Borrower or any other Person, to assert any claim or defense as to the invalidity or unenforceability of any such Obligation, and no such claim or defense shall impair or affect the obligations of the Guarantor hereunder.

13. Successors and Assigns. This Guaranty shall be binding upon the Guarantor, its successors and assigns and inure to the benefit of the successors and assigns of the Guarantor, the Banks and the Administrative Agent. The Guarantor shall not assign its rights or obligations under this Guaranty without the consent of the Administrative Agent and all the Banks, nor shall the Guarantor amend this Guaranty, without the consent of the Administrative Agent and the Majority Banks.

14. Miscellaneous. This is a Guaranty of payment and not of collection. In the event of a demand upon the Guarantor under this Guaranty, the Guarantor shall be held and bound to the Banks and the Administrative Agent directly as debtor in respect of the payment of the amounts hereby guaranteed. All reasonable costs and expenses, including attorneys' fees and expenses, incurred by the Banks and the Administrative Agent, or any of them, in obtaining performance of or collecting payments due under this Guaranty shall be deemed part of the Obligations guaranteed hereby. Any notice or demand which the Banks and the Administrative Agent, or any of them, may wish to give shall be served upon the Guarantor in the fashion prescribed for notices in Section 11.1 of the Loan Agreement in care of the Borrower at the address for the Borrower set forth in or otherwise provided pursuant to Section 11.1 of the Loan Agreement, and the notice so sent shall be deemed to be served as set forth in Section 11.1 of the Loan Agreement.

15. Loans Benefit Guarantor. The Guarantor expressly represents and acknowledges that any financial accommodations by the Banks and the Administrative Agent, or any of them, to the Borrower, including, without limitation the extension of the

Loans, are and will be of direct interest, benefit and advantage to the Guarantor.

16. Solvency. The Guarantor expressly represents and warrants that as of the date hereof and after giving effect to the transactions contemplated by the Loan Documents (i) the property of the Guarantor, at a fair valuation, will exceed its debt; (ii) the capital of the Guarantor will not be unreasonably small to conduct its business; (iii) the Guarantor will not have incurred debts, or have intended to incur debts, beyond its ability to pay such debts as they mature; and (iv) the present fair salable value of the assets of the Guarantor will be materially greater than the amount that will be required to pay its probable liabilities (including debts) as they become absolute and matured. For purposes of this Section 16, "debt" means any liability on a claim, and "claim" means (a) the right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, undisputed, legal, equitable, secured or unsecured, or (b) the right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, undisputed, secured or unsecured.

17. Visits and Inspections. The Guarantor covenants and agrees that so long as any amount is owing on account of Obligations or otherwise pursuant to this Guaranty, the Guarantor shall permit representatives of the Banks and the Administrative Agent, or any of them, to visit and inspect properties of the Guarantor during normal business hours after reasonable notice, inspect the Guarantor's books and records and discuss with the principal officers of the Guarantor its businesses, assets, liabilities, financial positions, results of operations and business prospects.

18. Governing Law. This Guaranty shall be construed in accordance with and governed by the internal laws of the State of New York applicable to contracts made and to be performed in the State of New York.

19. Jurisdiction and Venue. If any action or proceeding shall be brought by the Administrative Agent in order to enforce any right or remedy under this Guaranty, the Guarantor hereby consents to the jurisdiction of any state or federal court of competent jurisdiction sitting within the area comprising the Southern District of New York on the date of this Guaranty. The Guarantor hereby agrees, to the extent permitted by Applicable Law that service of the summons and complaint and all other process which may be served in any such suit, action or proceeding may be effected by mailing by registered mail a copy of such process to the offices of the Borrower, as set forth in or otherwise provided pursuant to Section 11.1 of the Loan Agreement, and that personal service of process shall not be

required. Nothing herein shall be construed to prohibit service of process by any other method permitted by law, or the bringing of any suit, action or proceeding in any other jurisdiction. The Guarantor agrees that final judgment in such suit, action or proceeding shall be conclusive and may be enforced in any other jurisdiction by suit on the judgment or in any other manner provided by Applicable Law.

20. Waiver of Jury Trial. The Guarantor waives any right to a trial by jury in any proceeding arising out of this Guaranty.

21. Time of the Essence. Time is of the essence with regard to the Guarantor's performance of its obligations hereunder.

22. Administrative Agent. Each reference herein to any right granted to, benefit conferred upon or power exercisable by the "Administrative Agent" shall be a reference to the Administrative Agent for the benefit of itself and all the Banks, and each action taken or right exercised hereunder shall be deemed to have been so taken or exercised by the Administrative Agent for the benefit of and on behalf of itself and all the Banks.

23. Ratifications. The Guarantor hereby ratifies and affirms each representation, warranty, covenant and other agreement made on its behalf by the Borrower in the Loan Agreement.

FORM OF SUBSIDIARY PLEDGE AGREEMENT

THIS SUBSIDIARY PLEDGE AGREEMENT (the "Agreement"), entered into as of this ___ day of October, 1996, by and between _____, a _____ (the "Pledgor") and Toronto Dominion (Texas), Inc., as administrative agent (the "Administrative Agent") for itself and on behalf of the Banks.

W I T N E S S E T H:

WHEREAS, American Tower Systems, Inc., a Delaware corporation (the "Borrower"), the Banks and the Administrative Agent are all parties to that certain Loan Agreement dated as of November 22, 1996 (as in effect on the date hereof, the "Loan Agreement"); and

WHEREAS, pursuant to the terms of the Loan Agreement, the Pledgor is required to execute and deliver this Agreement; and

WHEREAS, the Pledgor is a Restricted Subsidiary of the Borrower and is engaged in the business of owning and operating communications tower facilities as an integrated operation with the Borrower and its other Subsidiaries; and

WHEREAS, the Pledgor has determined that its execution, delivery and performance of this Agreement directly benefit, and are within the corporate purposes and in the best interests of, the Pledgor; and

WHEREAS, to secure the payment and performance of, among other things, the obligations of the Pledgor arising from that certain Subsidiary Guaranty of even date herewith (the "Subsidiary Guaranty"), the Pledgor and the Administrative Agent (on behalf of itself and the Banks) have agreed that the shares of capital stock (the "Stock") owned by the Pledgor in each of the Subsidiaries of the Pledgor listed on Schedule 1 attached hereto (the "Subsidiaries") shall be pledged by the Pledgor to the Administrative Agent (on behalf of itself and the Banks) to secure the Obligations (as defined below);

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree that capitalized terms used herein shall have the meanings ascribed to them in the Loan Agreement to the extent not otherwise defined or limited herein, and further agree as follows:

1. Warranty. The Pledgor hereby represents and warrants to the Administrative Agent and the Banks that, except for the security interest created hereby, the Pledgor owns the Stock, which constitutes the percentage of the issued and outstanding stock of the Subsidiaries as set forth on Schedule 1 attached hereto, free and clear of all Liens, that the Stock is duly issued, fully paid and non-assessable, and that the Pledgor has the unencumbered right to pledge the Stock. In addition, Pledgor represents and covenants as follows: (1) the Stock represents all of Pledgor's shares of capital stock in any Subsidiary; (2) upon possession and retention of the Stock by the Administrative Agent, the Administrative Agent shall have a valid and perfected first priority security interest in the Stock, securing the payment of the Obligations; and (3) except as noted on Schedule 2 attached hereto, the Stock represents all the outstanding shares of stock issued by any Subsidiary of the Pledgor.

2. Security Interest. Subject to the provisions of Section 13 hereof, the Pledgor hereby unconditionally grants and assigns to the Administrative Agent, for itself and on behalf of the Banks, and their respective successors and assigns, a continuing security interest in and security title to the Stock and any other shares of capital stock of any Subsidiary of the Pledgor obtained in the future, and in each case, all certificates representing such shares, all rights, options, warrants, stock or other securities or other property which may hereafter be received, receivable or distributed in respect of the Stock, together with all proceeds of the foregoing, including, without limitation, all dividends, cash, notes, securities or other property from time to time acquired, receivable or otherwise distributed in respect of, or in exchange for, the foregoing, all of which shall constitute "Stock" hereunder. The Pledgor has delivered to and deposited with the Administrative Agent herewith all of its right, title and interest in and to the Stock, together with certificates representing the Stock, and undated stock powers endorsed in blank, as security for the payment and performance of all of the obligations of the Pledgor and any other obligor to the Administrative Agent, the Banks, or any of them, under this Agreement and the Subsidiary Guaranty and any extensions, renewals or amendments of any of the foregoing, however created, acquired, arising or evidenced, whether direct or indirect, absolute or contingent, now or hereafter existing, or due or to become due (the "Obligations"); it being the intention of the parties hereto that beneficial ownership of the Stock, including, without limitation, all voting, consensual and dividend rights, shall remain in the Pledgor until the occurrence and during continuance of an Event of Default and until the Administrative Agent shall notify the Pledgor of the Administrative Agent's exercise of voting and dividend rights to the Stock pursuant to Section 9 of this Agreement.

3. Additional Shares. In the event that, during the term of this Agreement:

(a) any stock dividend, stock split, reclassification, readjustment, or other change is declared or made in the capital structure of any Subsidiary, or any new stock is issued by such Subsidiary, all new, substituted, and additional shares shall be issued to the Pledgor and shall be promptly delivered to the Administrative Agent, together with undated stock powers endorsed in blank by the Pledgor, and shall thereupon constitute Stock to be held by the Administrative Agent under the terms of this Agreement; and

(b) any subscriptions, warrants or any other rights or options shall be issued in connection with the Stock, all new stock or other securities acquired through such subscriptions, warrants, rights or options by the Pledgor shall be promptly delivered to the Administrative Agent, together with undated Stock powers endorsed in blank, and shall thereupon constitute Stock to be held by the Administrative Agent under the terms of this Agreement.

4. Default. In the event of the occurrence of an Event of Default and so long as any such Event of Default is continuing, subject, however, to Section 13 hereof, the Administrative Agent may sell or otherwise dispose of the Stock at a public or private sale or make other commercially reasonable disposition of the Stock or any portion thereof after fifteen (15) days' notice to the Pledgor and the Administrative Agent and the Banks, or any of them, may purchase the Stock or any portion thereof at any public sale. The proceeds of the public or private sale or other disposition shall be applied first to the costs of the Administrative Agent incurred in connection with the sale, expressly including, without limitation, any costs under Section 7 hereof, and then as provided in the Loan Agreement. In the event the proceeds of the sale or other disposition of the Stock are insufficient to satisfy the Obligations, the Pledgor shall remain liable for any such deficiency. Pledgor waives, to the extent permitted by Applicable Law, the rights of equity of redemption, appraisal, notice of acceptance, presentment, demand and marshalling, to the extent applicable.

5. Additional Rights of Secured Party. In addition to its rights and privileges under this Agreement, the Administrative Agent, on behalf of itself and the Banks, shall have all the rights, powers and privileges of a secured party under the Uniform Commercial Code as in effect in any applicable jurisdiction and other Applicable Law.

6. Return of Stock to the Pledgor. Upon payment in full of all principal and interest on the Notes, full performance by the Borrower of all covenants, undertakings and obligations under

the Loan Agreement and the other Loan Documents, and satisfaction in full of any other Obligations, other than the Obligations which survive the termination of the Loan Agreement as provided in Section 11.16 of the Loan Agreement, and after such time as the Banks shall have no obligation to make any further Advances to the Borrower, this Agreement shall terminate and the Administrative Agent shall return the remaining Stock and all rights received by the Administrative Agent as a result of its possessory interest in the Stock to the Pledgor.

7. Disposition of Stock by Administrative Agent. The Stock is not registered or qualified under the various Federal or state securities laws of the United States and disposition thereof after an Event of Default may be restricted to one or more private (instead of public) sales in view of the lack of such registration. The Pledgor understands that upon such disposition, the Administrative Agent may approach only a restricted number of potential purchasers and further understands that a sale under such circumstances may yield a lower price for the Stock than if the Stock were registered and qualified pursuant to Federal and state securities laws and sold on the open market. The Pledgor, therefore, agrees that:

(a) if the Administrative Agent shall, pursuant to the terms of this Agreement, sell or cause the Stock or any portion thereof to be sold at a private sale, the Administrative Agent shall have the right to rely upon the advice and opinion of any national brokerage or investment firm having recognized expertise and experience in connection with shares of communications tower companies (but shall not be obligated to seek such advice and the failure to do so shall not be considered in determining the commercial reasonableness of such action) as to the best manner in which to expose the Stock for sale and as to the best price reasonably obtainable at the private sale thereof; and

(b) that such reliance shall be conclusive evidence that the Administrative Agent has handled such disposition in a commercially reasonable manner absent manifest error.

8. Pledgor's Obligations Absolute. The obligations of the Pledgor under this Agreement shall be direct and immediate and not conditional or contingent upon the pursuit of any remedies against the Borrower or any other Person, nor against other security or liens available to the Administrative Agent or any Bank. The Pledgor hereby waives any right to require that an action be brought against any other Person or to require that resort be had to any security or to any balance of any deposit account or credit on the books of the Administrative Agent or any of the Banks in favor of any other Person prior to the exercise of remedies hereunder, or to require action hereunder prior to

resort by the Administrative Agent to any other security or collateral for the Obligations. No amendment, modification, waiver, transfer or renewal, extension, assignment or termination of this Agreement or of the Loan Agreement or of any other Loan Document, or of any instrument or document executed and delivered by the Pledgor or any other obligor with respect to the Obligations to the Banks and the Administrative Agent, or any of them, nor additional advances made by the Banks and the Administrative Agent, or any of them, to the Borrower, nor the taking of further security, nor the retaking or re-delivery or release of the Collateral to the Borrower or any other person or any other collateral or guaranty by the Banks and the Administrative Agent, or any of them, nor any lack of validity or enforceability of any Loan Document or any term thereof, nor any other act of the Banks and the Administrative Agent, or any of them, shall release the Pledgor from any Obligation, except a release or discharge executed in writing by the Administrative Agent in accordance with the Loan Agreement with respect to such Obligation or upon full payment and satisfaction of all Obligations. Neither the Administrative Agent nor any Bank shall, by any act, delay, omission or otherwise, be deemed to have waived any of its or their rights or remedies hereunder, unless such waiver is in writing and signed by the Administrative Agent in accordance with the Loan Agreement and then only to the extent therein set forth. A waiver by the Banks and the Administrative Agent, or any of them, of any right or remedy on any occasion shall not be construed as a bar to the exercise of any such right or remedy which any such Person would otherwise have had on any other occasion.

9. Voting Rights.

(a) For so long as any Obligations remain unpaid, after and during the continuation of an Event of Default, but subject to the provisions of Section 13 hereof, (i) the Administrative Agent may, upon fifteen (15) days' prior written notice to the Pledgor of its intention to do so, exercise all voting rights, and all other ownership or consensual rights of the Stock, but under no circumstances is the Administrative Agent obligated by the terms of this Agreement to exercise such rights, and (ii) the Pledgor hereby appoints the Administrative Agent, which appointment shall be effective on the fifteenth (15th) day following the giving of notice by the Administrative Agent as provided in the foregoing Section 9(a)(i), the Pledgor's true and lawful attorney-in-fact and IRREVOCABLE PROXY to vote the Stock in any manner the Administrative Agent deems advisable for or against all matters submitted or which may be submitted to a vote of shareholders. The power-of-attorney granted hereby is coupled with an interest and shall be irrevocable.

(b) For so long as the Pledgor shall have the right to vote the Stock, the Pledgor covenants and agrees that it will not, without the prior written consent of the Administrative Agent, vote or take any consensual action with respect to the Stock which would constitute an Event of Default.

10. Notices. All notices and other communications required or permitted hereunder shall be in writing, and shall be given in the fashion set forth in Section 11.1 of the Loan Agreement, and with respect to the Pledgor, at the address for the Borrower set forth in or otherwise provided pursuant to Section 11.1 of the Loan Agreement.

11. Binding Agreement. The provisions of this Agreement shall be construed and interpreted, and all rights and obligations of the parties hereto determined, in accordance with the internal laws of the State of New York applicable to contracts made and to be performed in the State of New York. This Agreement, together with all documents referred to herein, constitutes the entire agreement between the parties with respect to the matters addressed herein and may not be modified except by a writing executed by the Administrative Agent and the Pledgor and delivered by the Administrative Agent to the Pledgor.

12. Severability. If any paragraph or part thereof shall for any reason be held or adjudged to be invalid, illegal or unenforceable by any court of competent jurisdiction, such paragraph or part thereof so adjudicated invalid, illegal or unenforceable shall be deemed separate, distinct and independent, and the remainder of this Agreement shall remain in full force and effect and shall not be affected by such holding or adjudication.

13. FCC Compliance. Notwithstanding anything herein which may be construed to the contrary, no action shall be taken by the Administrative Agent which may require the consent or approval of the FCC, and the proxy granted in Section 9(a) hereof shall not become effective, unless and until all requirements of the Communications Act, requiring the consent to or approval of such action by the FCC have been satisfied. The Pledgor covenants that, following and during the continuance of an Event of Default, upon request of the Administrative Agent, it will cause to be filed such applications and take such other action as may be reasonably requested by the Administrative Agent to obtain consent or approval of the FCC to any action contemplated by this Agreement and to give effect to the security interest of the Administrative Agent, including, without limitation, the execution of an application for consent by the FCC to an assignment or transfer involving a change in ownership or control pursuant to the provisions of the Communications Act.

14. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument.

15. Administrative Agent. Each reference herein to any right granted to, benefit conferred upon or power exercisable by the "Administrative Agent" shall be a reference to the Administrative Agent for the benefit of all the Banks, and each action taken or right exercised hereunder shall be deemed to have been so taken or exercised by the Administrative Agent for the benefit of and on behalf of all the Banks.

All goods, chattel paper, documents, instruments, supplies, choses in action, claims, money, deposits, certificates of deposit, stock or share certificates, and licenses and other rights in intellectual property not included above (the "Miscellaneous Items"); and

Proceeds

All proceeds of any of the above, and all proceeds of any loss of, damage to or destruction of the above, whether insured or not insured, and all other proceeds of any sale, lease or other disposition of any property or interest therein referred to above including, without limitation, the proceeds of the sale of any License, together with all proceeds of any policies of insurance covering any or all of the above, the proceeds of any award in condemnation with respect to any of the property of the Subsidiary, any rebates or refunds, whether for taxes or otherwise, together with all proceeds of any such proceeds (the "Proceeds").

The Inventory, Accounts, Equipment, Contracts, Other Contracts, Leases, Intangibles, Licenses, Furniture and Fixtures, Miscellaneous Items, and Proceeds, as described above, are hereinafter collectively referred to as the "Collateral."

This Agreement and the Security Interest secure payment and performance of all obligations of the Subsidiary to the Banks and the Administrative Agent, or any of them, under that certain Subsidiary Guaranty of even date given by the Subsidiary for the benefit of the Banks and the Administrative Agent, and any extensions, renewals or amendments thereto, however created, acquired, arising or evidenced, whether direct or indirect, absolute or contingent, now or hereafter existing, or due or to become due, (all of the foregoing obligations being hereinafter collectively referred to as the "Obligations").

2. Further Assurances. The Subsidiary hereby authorizes the Administrative Agent to file such financing statements and such other documents as the Administrative Agent may reasonably require to protect or perfect the interest of the Banks and the Administrative Agent in the Collateral, and the Subsidiary further irrevocably appoints the Administrative Agent as its attorney-in-fact, with a power of attorney to execute on behalf of the Subsidiary such UCC financing statement forms as the Administrative Agent may from time to time reasonably deem necessary or desirable to protect or perfect such interest in the Collateral. Such power of attorney is coupled with an interest and shall be irrevocable. In addition, the Subsidiary agrees to do, execute and deliver or cause to be done, executed and delivered all such further acts, documents and things as the Administrative Agent may reasonably require for the purpose of perfecting or protecting the rights of the Banks and the Administrative Agent hereunder or otherwise giving effect to this Agreement, all promptly upon request therefor.

3. Representations and Warranties. The Subsidiary represents and warrants to the Banks and the Administrative Agent that:

(a) the execution of this Agreement and the fulfillment of the terms hereof will not result in a breach of any of the terms or provisions of, or constitute a default under, the Subsidiary's Articles of Incorporation or By-Laws as currently in effect, or any order, rule or regulation applicable to the Subsidiary of any court or of any Federal or state regulatory body or administrative agency or other governmental body having jurisdiction over the Subsidiary, or result in the termination or cancellation or breach of any indenture, mortgage, deed of trust, deed to secure debt, lease or other agreement or instrument to which the Subsidiary is a party or by which it is bound or affected;

(b) the Subsidiary has taken all necessary corporate action to authorize the execution and delivery of this Agreement, and this Agreement, when executed and delivered, will be the valid and binding obligation of the Subsidiary enforceable in accordance with its terms, subject only to the following qualifications:

(i) certain equitable remedies are discretionary and, in particular, may not be available where damages are considered an adequate remedy at law,

(ii) enforcement may be limited by bankruptcy, insolvency, liquidation, reorganization, reconstruction and other similar laws affecting enforcement of creditors' rights generally (insofar as any such law

relates to the bankruptcy, insolvency or similar event of the Subsidiary), and

(iii) enforcement as to the Licenses is limited by FCC rules and regulations restricting the transfer of such Licenses.

(c) Exhibit A attached hereto and incorporated herein by this reference sets forth a complete and accurate list of the Contracts in effect on the date hereof which provide for aggregate payments over the life of each such Contract in excess of $100,000 or which are otherwise material to the Subsidiary, and the Subsidiary will furnish copies thereof to the Banks and the Administrative Agent upon the request of the Administrative Agent;

(d) Exhibit B attached hereto and incorporated herein by this reference sets forth a complete and accurate list of all Leases providing for aggregate payments over the life of any single Lease in excess of $250,000, to which the Subsidiary is a party in effect on the date hereof, and the Subsidiary will furnish copies thereof to the Banks and the Administrative Agent upon the request of the Administrative Agent; and

(e) Exhibit C attached hereto and incorporated herein by this reference sets forth a complete and accurate list of the Licenses in effect on the date hereof.

4. Representations and Warranties Concerning Collateral. The Subsidiary further represents and warrants that (a) the Security Interest in the Collateral granted hereunder shall constitute at all times a valid first priority security interest (subject only to Permitted Liens), vested in the Administrative Agent, in and upon the Collateral, free of any Liens except for Permitted Liens, (b) the location of the Inventory and the Equipment is as set forth on Schedule 1 hereto, and (c) none of the Accounts are represented by promissory notes or other instruments. The Subsidiary shall take or cause to be taken such acts and actions as shall be necessary or appropriate to assure that the Security Interest in the Collateral shall not become subordinate or junior to the security interests, liens or claims of any other Person, and that the Collateral shall not otherwise be or become subject to any Lien, except for Permitted Liens.

5. Location of Books and Records. The Subsidiary further represents and warrants that it now keeps all of its records concerning its Accounts, Contracts, Leases, Other Contracts, and Intangibles at its chief executive office, except as listed on Exhibit D hereto. The Subsidiary covenants and agrees that it shall not keep any of such records at any other address, unless written notice thereof is given to the Administrative Agent at least thirty (30) days prior to the creation of any new address

for the keeping of such records. The Subsidiary further agrees that it shall promptly advise the Administrative Agent, in writing making reference to this Section 4 of this Agreement, of the opening of any material new place of business, the closing of any existing material place of business, or any change in the location of the place where it keeps the Collateral or of its chief executive officer.

6. Collateral Not Fixtures. The parties intend that, to the extent permitted by Applicable Law, the Collateral shall remain personal property irrespective of the manner of its attachment or affixation to realty.

7. Covenants Regarding Collateral. Any and all injury to, or loss or destruction of, the Collateral shall be at the Subsidiary's risk, and shall not release the Subsidiary from its obligations hereunder. The Subsidiary agrees not to sell, transfer, assign, dispose of, mortgage, grant a security interest in, or encumber any of the Collateral except as permitted under the Loan Agreement. The Subsidiary agrees to maintain in force such insurance with respect to the Collateral as is required under the Loan Agreement. The Subsidiary agrees to pay all required taxes, liens, and assessments upon the Collateral, its use or operation, as required under the Loan Agreement. The Subsidiary further agrees that the Administrative Agent may, but shall in no event be obligated to, following written notice to the Subsidiary, insure any of the Collateral in such form and amount as the Administrative Agent may deem necessary or desirable if the Subsidiary fails to obtain insurance as required by the Loan Agreement, and that the Administrative Agent may pay or discharge any taxes if the Subsidiary fails to pay such taxes as required by the Loan Agreement or Liens (which are not Permitted Liens) on any of the Collateral, and the Subsidiary agrees to pay any such sum so expended by the Administrative Agent, with interest at the Default Rate, and such amounts shall be deemed to be a part of the Obligations secured by the Collateral under the terms of this Agreement.

8. Covenants Regarding Contracts, Other Contracts and Leases. The Subsidiary shall (a) fulfill, perform and observe each and every material condition and covenant contained in any of the Contracts, the Other Contracts or the Leases, other than those being contested in good faith or unless the other party thereto is in default, (b) give prompt notice to the Administrative Agent of any claim of material default under any Contract, Other Contract or Lease given to the Subsidiary or by the Subsidiary other than those which in the Subsidiary's reasonable business judgment are no longer in the best interest of the Subsidiary to enforce and which have been previously approved by the Administrative Agent, (c) at the sole cost and expense of the Subsidiary, enforce the performance and observance of each and every material covenant and condition of the Contracts, the Other Contracts and the Leases to which it is a

party other than those which in the Subsidiary's reasonable business judgment are no longer in the best interest of the Subsidiary to enforce and which have been previously approved by the Administrative Agent, and (d) appear in and defend any action growing out of or in any manner connected with any Contract, Other Contract or Lease to which it is a party. The rights and interests granted to the Administrative Agent hereunder include all of the Subsidiary's rights and title (i) to modify the Contracts, the Other Contracts and the Leases, (ii) to terminate the Contracts, the Other Contracts and the Leases, and (iii) to waive or release the performance or observance of any obligation or condition of the Contracts, the Other Contracts and the Leases; provided, however, that the Subsidiary shall have the right to exercise these rights in a fashion consistent with this Agreement prior to any Event of Default and that these rights shall not be exercised by the Administrative Agent prior to the occurrence and during the continuation of an Event of Default.

9. Remedies. Upon the occurrence and during the continuation of an Event of Default, the Banks and the Administrative Agent shall have such rights and remedies as are set forth in the Loan Agreement, the other Loan Documents and herein, all the rights, powers and privileges of a secured party under the Uniform Commercial Code of the State of New York and any other applicable jurisdiction, and all other rights and remedies available to the Banks and the Administrative Agent, or any of them, at law or in equity. The Subsidiary covenants and agrees that any notification of intended disposition of any Collateral, if such notice is required by law, shall be deemed reasonably and properly given if given in the manner provided for in Section 20 hereof at least ten (10) days prior to such disposition. Under such circumstances, the Administrative Agent shall have the right to the appointment of a receiver for the properties and assets of the Subsidiary, and the Subsidiary hereby consents to such rights and to such appointment and hereby waives any objection it may have thereto and hereby waives the right to have a bond or other security posted by the Administrative Agent or any other Person in connection therewith. The Subsidiary agrees, after the occurrence of an Event of Default, to take any actions that the Administrative Agent may reasonably request in order to enable the Administrative Agent to obtain and enjoy the full rights and benefits granted to the Administrative Agent under this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, the Subsidiary shall, at the Subsidiary's cost and expense, use its reasonable best efforts to assist in obtaining all approvals of the FCC which are then required by law for or in connection with any action or transaction contemplated by this Agreement or Article 9 of the Uniform Commercial Code as in effect in any applicable jurisdiction, and, at the Administrative Agent's request, prepare, sign and file with the FCC the assignor's or transferor's portion of any application or applications for consent to the assignment of the Licenses or transfer of control

thereof necessary or appropriate under the FCC's rules for approval of any sale or transfer of the Administrative Agent's remedies under this Agreement. The Administrative Agent shall have the right, in connection with the issuance of any order for relief in a bankruptcy proceeding, to petition the bankruptcy court for the transfer of control or assignment of the Licenses to a receiver, trustee, transferee, or similar official or to any purchaser of the Collateral pursuant to any public or private sale, foreclosure or other exercise of remedies available to the Administrative Agent, all as permitted by Applicable Law. All amounts realized or collected through the exercise of remedies hereunder shall be applied to the Obligations as provided in the Loan Agreement.

10. Notification of Account Debtors. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent may notify the account debtors that all payments with respect to Accounts are to be paid directly to the Administrative Agent and any amount thereafter paid to the Subsidiary shall be received in trust by the Subsidiary for the benefit of the Administrative Agent and segregated from other funds of the Subsidiary and paid over to the Administrative Agent in the form received (together with any necessary endorsements).

11. Remedies of Administrative Agent. Upon the occurrence of an Event of Default and during the continuation thereof, the Administrative Agent or its designee may proceed to perform any and all of the obligations of the Subsidiary contained in any of the Contracts, Other Contracts or Leases and exercise any and all rights of the Subsidiary therein contained as fully as the Subsidiary itself could. The Subsidiary hereby appoints the Administrative Agent its attorney-in-fact, with power of substitution, to take such action, execute such documents, and perform such work as the Administrative Agent may deem appropriate in exercise of the rights and remedies granted the Banks and the Administrative Agent, or any of them, herein or in any other Loan Document following written notice to the Subsidiary. The powers herein granted shall include, without limitation, powers to: (a) sue on the Contracts, the Other Contracts or the Leases; (b) seek all governmental approvals (other than FCC approvals) required for the operation of the business of the Subsidiary; (c) modify or terminate the Contracts, the Other Contracts and the Leases; and (d) waive or release the performance or observance of any obligation under any of the Contracts, Other Contracts or Leases. The power of attorney granted herein is coupled with an interest and shall be irrevocable.

12. Additional Remedies. Upon the occurrence of an Event of Default and during the continuation thereof, should the Subsidiary fail to perform or observe any covenant or comply with any condition contained in any of the Contracts, the Other Contracts or the Leases, then following written notice to the

Subsidiary, the Administrative Agent may, but without obligation to do so and without releasing the Subsidiary from its obligation to do so, perform such covenant or condition and, to the extent that the Administrative Agent shall incur any reasonable costs or pay any expenses in connection therewith, including any reasonable costs or expenses of litigation associated therewith, such costs, expenses or payments shall be included in the Obligations secured hereby and shall bear interest from the payment of such costs or expenses by the Administrative Agent at the Default Rate. Neither the Administrative Agent nor any Bank shall be obliged to perform or discharge any obligation of the Subsidiary under any of the Contracts, the Other Contracts or the Leases, and, except as may result from the bad faith, gross negligence or willful misconduct of the Person seeking indemnification, the Subsidiary agrees to indemnify and hold the Administrative Agent and each Bank harmless against any and all liability, loss or damage which any such Person may incur under any of the Contracts, the Other Contracts or the Leases or under or by reason of this Agreement, and any and all claims and demands whatsoever which may be asserted against the Subsidiary by reason of an act of the Administrative Agent or any Bank under any of the terms of this Agreement or under the Contracts, the Other Contracts or the Leases.

13. Administrative Agent May Collect Accounts. The Subsidiary hereby further appoints the Administrative Agent as its attorney-in-fact, with power of substitution, with authority to collect all Accounts, to endorse the name of the Subsidiary on any note, acceptance, check, draft, money order or other evidence of debt or of payment which constitutes a portion of the Collateral and which may come into the possession of the Banks and the Administrative Agent, or any of them, and generally to do such other things and acts in the name of the Subsidiary with respect to the Collateral as are necessary or appropriate to protect or enforce the rights hereunder of the Banks and the Administrative Agent. The Subsidiary further authorizes the Administrative Agent, effective upon the occurrence of an Event of Default and during the continuation thereof, to compromise and settle or to sell, assign or transfer or to ask, collect, receive or issue any and all claims possessed by the Subsidiary which constitute a portion of the Collateral, all in the name of the Subsidiary. After deducting all reasonable expenses and charges (including the Administrative Agent's attorneys' fees) of retaking, keeping, storing and selling the Collateral, the Administrative Agent may apply the proceeds in payment of any of the Obligations in the order of application set forth in the Loan Agreement. The power of attorney granted herein is coupled with an interest and shall be irrevocable. The Subsidiary agrees that a failure to so notify the Administrative Agent shall be a waiver and bar to any subsequent claim for any such property. The Subsidiary agrees that if steps are taken by the Administrative Agent to enforce its rights hereunder, or to realize upon any of the Collateral, the Subsidiary shall pay to the Administrative

Agent the amount of the Administrative Agent's reasonable costs, including attorneys' fees, and the Subsidiary's obligation to pay such amounts shall be deemed to be a part of the Obligations secured hereunder. Upon the occurrence and during the continuation of an Event of Default, the Subsidiary shall segregate all proceeds of any Collateral from other assets of the Subsidiary.

14. Indemnification. The Subsidiary shall indemnify and hold harmless the Administrative Agent, each Bank, and any other Person acting hereunder for all losses, costs, damages, fees and expenses whatsoever associated with the exercise of the powers of attorney granted herein and shall release the Administrative Agent, each Bank, and any other Person acting hereunder from all liability whatsoever for the exercise of the foregoing powers of attorney and all actions taken pursuant thereto, except, in either event, in the case of bad faith, gross negligence or willful misconduct by the Person seeking indemnification.

15. Remedies Cumulative. The Subsidiary agrees that the rights of the Banks and the Administrative Agent, or any of them, under this Agreement, the Loan Agreement, any other Loan Document, or any other contract or agreement now or hereafter in existence among the Banks and the Administrative Agent and the Subsidiary and the other obligors thereunder, or any of them, shall be cumulative, and that the Administrative Agent and each Bank may from time to time exercise such rights and such remedies as such Person or Persons may have thereunder and under the laws of the United States or any state, as applicable, in the manner and at the time that such Person or Persons in its or their sole discretion desire, subject to the terms of such agreements. The Subsidiary further expressly agrees that the Banks and the Administrative Agent shall in no event be under any obligation to resort to any Collateral secured hereby prior to exercising any other rights that the Banks and the Administrative Agent, or any of them, may have against the Subsidiary or its property, nor shall the Banks and the Administrative Agent be obliged to resort to any other collateral or security for the Obligations, other than the Collateral, prior to any exercise of the Administrative Agent's rights against the Subsidiary and its property hereunder.

16. Obligations Commercial in Nature. The Subsidiary hereby acknowledges that the Obligations arose out of a commercial transaction, and agrees that if an Event of Default shall occur and be continuing, the Administrative Agent shall, to the extent permitted by Applicable Law, have the right to immediate possession without notice or a hearing, and hereby knowingly and intelligently waives, to the extent permitted by Applicable Law, any and all rights it may have to any notice and posting of a bond by the Banks and the Administrative Agent, or any of them, prior to seizure by the Administrative Agent or any of its transferees, assigns or successors in interest of the Collateral or any portion thereof.

17. Amendments and Waivers. No amendment, modification, waiver, transfer or renewal, extension, assignment or termination of this Agreement or of the Loan Agreement or of any other Loan Document, or of any instrument or document executed and delivered by the Subsidiary or any other obligor to the Banks and the Administrative Agent, or any of them, nor additional advances made by the Banks and the Administrative Agent, or any of them, to the Borrower, nor the taking of further security, nor the retaking or re-delivery or release of the Collateral to the Subsidiary by the Banks and the Administrative Agent, or any of them, nor any lack of validity or enforceability of any Loan Document or any term thereof, nor any other act of the Banks and the Administrative Agent, or any of them, shall release the Subsidiary from any Obligation, except a release or discharge executed in writing by the Administrative Agent in accordance with the Loan Agreement with respect to such Obligation or upon full payment and satisfaction of all Obligations and termination of the Commitment. Neither the Administrative Agent nor any Bank shall by any act, delay, omission or otherwise, be deemed to have waived any of its or their rights or remedies hereunder, unless such waiver is in writing and signed by the Administrative Agent in accordance with the Loan Agreement and then only to the extent therein set forth. A waiver by the Banks and the Administrative Agent, or any of them, of any right or remedy on any occasion shall not be construed as a bar to the exercise of any such right or remedy which any such Person would otherwise have had on any other occasion.

18. Assignment. The Subsidiary agrees that this Agreement or the rights hereunder may in the discretion of the Banks and the Administrative Agent, or any of them, as applicable, be assigned in whole or in part in connection with any assignment of the Loan Agreement or the Obligations arising thereunder, as permitted thereunder. In the event this Agreement or the rights hereunder are so assigned by any of the Banks and the Administrative Agent, the terms "Banks" or "Administrative Agent" wherever used herein shall be deemed, as applicable, to refer to and include any such assignee.

19. Successors and Assigns. This Agreement shall apply to and bind the respective successors and permitted assigns of the Subsidiary and inure to the benefit of the successors and permitted assigns of the Subsidiary, the Banks and the Administrative Agent.

20. Notices. All notices and other communications required or permitted hereunder shall be in writing and shall be given in a fashion prescribed in Section 11.1 of the Loan Agreement with respect to the Banks and the Administrative Agent, and in the fashion prescribed in Section 11.1 of the Loan Agreement with respect to the Subsidiary to the address of the Borrower set forth in or otherwise provided pursuant to the Loan Agreement.

21. Governing Law. The provisions of this Agreement shall be construed and interpreted, and all rights and obligations of the parties hereto determined, in accordance with the internal laws of the State of New York applicable to contracts made and to be performed in the State of New York. This Agreement, together with all documents referred to herein, constitutes the entire agreement among the Subsidiary and the Banks and the Administrative Agent with respect to the matters addressed herein and may not be modified except by a writing executed by the Administrative Agent and delivered to the Subsidiaries.

22. Severability. If any paragraph or part thereof of this Agreement shall for any reason be held or adjudged to be invalid, illegal or unenforceable by any court of competent jurisdiction, such paragraph or part thereof so adjudicated invalid, illegal or unenforceable shall be deemed separate, distinct and independent, and the remainder of this Agreement shall remain in full force and effect and shall not be affected by such holding or adjudication.

23. FCC Consent. Notwithstanding anything herein which may be construed to the contrary, no action shall be taken by the Administrative Agent with respect to the Licenses issued by the FCC unless and until all requirements of Applicable Law, including, without limitation, any required approval under the Communications Act, including without limitation the provision for ten (10) days notice to the FCC required by 47 C.F.R. ss. 22.917(e), requiring the consent to or approval of such action by the FCC or any governmental or other authority, have been satisfied. The Subsidiary covenants that upon request of the Administrative Agent it will cause to be filed such applications and take such other action as may be reasonably requested by the Administrative Agent to obtain the consent or approval of the FCC or any governmental or other authority which has granted any License to the Subsidiary to any action contemplated by this Agreement and to give effect to the Security Interest of the Administrative Agent, including, without limitation, the execution of an application for consent by the FCC to an assignment or transfer involving a change in ownership or control pursuant to the provisions of the Communications Act.

24. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument.

25. Changes in Applicable Law. The parties acknowledge their intent that, upon the occurrence of an Event of Default and during the continuance thereof, the Administrative Agent shall receive, to the fullest extent permitted by Applicable Law and governmental policy (including, without limitation, the rules, regulations and policies of the FCC), all rights necessary or desirable to obtain, use or sell the Collateral and to exercise

all remedies available to it under this Agreement, the Uniform Commercial Code as in effect in any applicable jurisdiction, or other Applicable Law. The parties further acknowledge and agree that, in the event of changes in law or governmental policy occurring subsequent to the date hereof that affect in any manner the Administrative Agent's rights of access to, or use or sale of, the Collateral, or the procedures necessary to enable the Administrative Agent to obtain such rights of access, use or sale, the Administrative Agent and the Subsidiary shall amend this Agreement in such manner as the Administrative Agent shall reasonably request in order to provide the Administrative Agent such rights to the greatest extent possible consistent with Applicable Law and governmental policy.

26. Administrative Agent. Each reference herein to any right granted to, benefit conferred upon or power exercisable by the "Administrative Agent" shall be a reference to the Administrative Agent for the benefit of all the Banks, and each action taken or right exercised hereunder shall be deemed to have been so taken or exercised by the Administrative Agent for the benefit of and on behalf of all the Banks.

FORM OF ASSIGNMENT AND ASSUMPTION AGREEMENT

This Assignment and Assumption Agreement is made and entered into as of _____ ____, ____, by and between _____ (the "Assignor"), and _____ (the "Assignee").

Recitals

A. American Tower Systems, Inc., a Delaware corporation (the "Borrower"), the Assignor and certain other financial institutions (together with any other person which becomes a 'Bank' under the Loan Agreement, as such term is hereinafter defined, the "Banks"), and Toronto Dominion (Texas), Inc., as administrative agent for the Banks (in such capacity, the "Administrative Agent"), are parties to a certain Loan Agreement dated as of November 22, 1996 (as the same has been amended, modified or supplemented from time to time, the "Loan Agreement"). Pursuant to the Loan Agreement, the Banks have agreed to extend credit to the Borrower under the Commitment, of which the Assignor's portion of the Commitment is the amount specified in Item 1 of Schedule 1 hereto (the "Assignor's Commitment"). The principal amount of outstanding Loans made by the Assignor to the Borrower pursuant to the Assignor's Commitment is specified in Item 2 of Schedule 1 hereto (the "Assignor's Loans"). All capitalized terms not otherwise defined herein are used herein as defined in the Loan Agreement.

B. The Assignor wishes to sell and assign to the Assignee, and the Assignee wishes to purchase and assume from the Assignor, (i) the portion of the Assignor's Commitment specified in Item 3 of Schedule 1 hereto which is equivalent to the percentage of Assignor's Commitment specified in Item 4 of Schedule 1 ("Assigned Commitment"), and (ii) the portion of the Assignor's Loans under the Commitment specified in Item 5 of Schedule 1 hereto (the "Assigned Loans").

The parties agree as follows:

1. Assignment. Subject to the terms and conditions set forth herein, the Assignor hereby sells and assigns to the Assignee, and the Assignee purchases and assumes from the Assignor, without recourse to the Assignor, on the date set forth above (the "Assignment Date") (a) all right, title, and interest of the Assignor to the Assigned Loans and (b) all obligations of the Assignor under the Loan Agreement with respect to the Assigned Commitment. As full consideration for the sale of the

Assigned Loans and the Assigned Commitment, the Assignee shall pay to the Assignor on the Assignment Date such amount as shall have been agreed to between the Assignor and the Assignee (the "Purchase Price").

2. Consents and Undertaking. The Administrative Agent and the Borrower hereby consent to the assignment made herein, and the Borrower undertakes within five (5) Business Days from the Assignment Date to provide new Notes to the Administrative Agent, for the benefit of the Assignee and the Assignor, as appropriate to reflect the portion of the Commitment held by each of the Assignee and the Assignor after giving effect to the assignment contemplated by this Agreement. The Assignor agrees on the Business Day following receipt by the Administrative Agent of the new Note, to return its superseded Note to the Administrative Agent, which shall thereupon transmit the new Notes to the Assignor and the Assignee and the superseded Note to the Borrower for cancellation.

3. Representations and Warranties. Any remaining unpaid principal and interest under the Existing Commitment shall be due and payable in full on the Maturity Date, and the Existing Commitment shall thereupon terminate.

(b) Reduction From Excess Cash Flow. As of the date of cancellation or reduction set forth in such notice, the Existing Commitment shall be permanently reduced to the amount stated in the Borrower's notice for all purposes herein, and the Borrower shall pay to the Administrative Agent for the Banks the amount necessary to reduce the principal amount of the Loans then outstanding under the Existing Commitment to not more than the amount of the Existing Commitment as so reduced, together with accrued interest on the amount so prepaid and commitment fees accrued through the date of the reduction with respect to the amount reduced. Reductions in the Existing Commitment pursuant to this Section shall be applied pro rata to the then remaining reductions set forth in Section 2.5(a) hereof.

(a) Prepayment. The principal amount of any Base Rate Advance may be prepaid in full or ratably in part at any time, without penalty and without regard to the Payment Date for such Advance. LIBOR Advances may be prepaid prior to the applicable Payment Date, upon three (3) Business Days' prior written notice to the Administrative Agent, provided that the Borrower shall reimburse the Banks and the Administrative Agent, on demand by the applicable Bank or the Administrative Agent, for any loss or reasonable out-of-pocket expense incurred by any Bank or the Administrative Agent in connection with such prepayment, as set forth in Section 2.10 hereof. Any prepayment hereunder shall be in amounts of not less than $500,000 and in integral multiples of $100,000.

(b) Repayments.

(i) Loans in Excess of Commitment. If, at any time, the amount of the Loans then outstanding shall exceed the Available Commitment, the Borrower shall, on such date and subject to Sections 2.10 and 2.11 hereof, make a repayment of the principal amount of the Loans in an amount equal to such excess, together with any accrued interest and fees with respect thereto.

(ii) From Excess Cash Flow. On April 15, 2000, and on each April 15 thereafter during the term of this Agreement, the Borrower shall make a repayment of the Loans then outstanding in an amount equal to fifty percent (50%) of the Excess Cash Flow for the fiscal year immediately preceding the calculation date.

(iii) From Permitted Asset Sales. (a) The Loans shall be repayable in accordance with the terms and provisions set forth herein and shall be evidenced by the Notes. One Note shall be payable to the order of each Bank, in accordance with such Bank's respective Commitment Ratio. The Notes shall be issued by the Borrower to the Banks and shall be duly executed and delivered by one or more Authorized Signatories.

(b) Each Bank may open and maintain on its books in the name of the Borrower a loan account with respect to its portion of the Loans and interest thereon. Each Bank which opens such a loan account shall debit such loan account for the principal amount of its portion of each Advance made by it and accrued interest thereon, and shall credit such loan account for each payment on account of principal of or interest on its Loans. The records of a Bank with respect to the loan account maintained by it shall be prima facie evidence of its portion of the Loans and accrued interest thereon absent manifest error, but the failure of any Bank to make any such notations or any error or mistake in such notations shall not affect the Borrower's repayment obligations with respect to such Loans.

Section 2.9 Manner of Payment.

(a) Each payment (including any prepayment) by the Borrower on account of the principal of or interest on the Loans, commitment fees and any other amount owed to the Banks or the Administrative Agent or any of them under this Agreement or the Notes shall be made not later than 1:00 p.m. (New York time) on the date specified for payment under this Agreement to the Administrative Agent at the Administrative Agent's Office, for the account of the Banks or the Administrative Agent, as the case may be, in lawful money of the United States of America in immediately available funds. Any payment received by the Administrative Agent after 1:00 p.m. (New York time) shall be deemed received on the next Business Day. Receipt by the Administrative Agent of any payment intended for any Bank or Banks hereunder prior to 1:00 p.m. (New York time) on any Business Day shall be deemed to constitute receipt by such Bank or Banks on such Business Day. In the case of a payment for the account of a Bank, the Administrative Agent will promptly, but no later than the close of business on the date such payment is deemed received, thereafter distribute the amount so received in like funds to such Bank. If the Administrative Agent shall not have received any payment from the Borrower as and when due, the Administrative Agent will promptly notify the Banks accordingly. In the event that the Administrative Agent shall fail to make distribution to any Bank as required under this Section 2.9, the Administrative Agent agrees to pay such Bank interest from the date such payment was due until paid at the Federal Funds Rate.

(b) The Borrower agrees to pay principal, interest, fees and all other amounts due hereunder or under the Notes without set-off or counterclaim or any deduction whatsoever.

(c) Prior to the declaration of an Event of Default under Section 8.2 hereof, if some but less than all amounts due from the Borrower are received by the Administrative Agent with respect to the Obligations, the Administrative Agent shall distribute such amounts in the following order of priority, all on a pro rata basis to the Banks: (i) to the payment on a pro rata basis of any fees or expenses then due and payable to the Administrative Agent or the Banks, or any of them; (ii) to the payment of interest then due and payable on the Loans; (iii) to the payment of all other amounts not otherwise referred to in this Section 2.9(c) then due and payable to the Administrative Agent or the Banks, or any of them, hereunder or under the Notes or any other Loan Document; and (iv) to the payment of principal then due and payable on the Loans.

(d) Subject to any contrary provisions in the definition of Interest Period, if any payment under this Agreement or any of the other Loan Documents is specified to be made on a day which is not a Business Day, it shall be made on the next Business Day, and such extension of time shall in such case be included in computing interest and fees, if any, in connection with such payment.

Section 2.10 Reimbursement.

(a) Whenever any Bank shall sustain or incur any losses or reasonable out-of-pocket expenses in connection with (i) failure by the Borrower to borrow any LIBOR Advance after having given notice of its intention to borrow in accordance with Section 2.2 hereof (whether by reason of the Borrower's election not to proceed or the non-fulfillment of any of the conditions set forth in Article 3), or (ii) prepayment (or failure to prepay after giving notice thereof) of any LIBOR Advance in whole or in part for any reason, the Borrower agrees to pay to such Bank, upon such Bank's demand, an amount sufficient to compensate such Bank for all such losses and out-of-pocket expenses. Such Bank's good faith determination of the amount of such losses or out-of-pocket expenses, as set forth in writing and accompanied by calculations in reasonable detail demonstrating the basis for its demand, shall be presumptively correct absent manifest error.

(b) Losses subject to reimbursement hereunder shall include, without limiting the generality of the foregoing, lost margins, expenses incurred by any Bank or any participant of such Bank permitted hereunder in connection with the re-employment of funds prepaid, paid, repaid, not borrowed, or not paid, as the case may be, and will be payable whether the Maturity Date is changed by virtue of an amendment hereto (unless such amendment expressly waives such payment) or as a result of acceleration of the Obligations.

Section 2.11 Pro Rata Treatment.

(a) Advances. Each Advance from the Banks hereunder, shall be made pro rata on the basis of the respective Commitment Ratios of the Banks.

(b) Payments. Each payment and prepayment of principal of the Loans, and, except as provided in Section 2.2(e) and Article 10 hereof, each payment of interest on the Loans, shall be made to the Banks pro rata on the basis of their respective unpaid principal amounts outstanding under the Notes immediately prior to such payment or prepayment. If any Bank shall obtain any payment (whether involuntary, through the exercise of any right of set-off, or otherwise) on account of the Loans in excess of its ratable share of the Loans under its Commitment Ratio, such Bank shall forthwith purchase from the other Banks such participations in the portion of the Loans made by them as shall be necessary to cause such purchasing Bank to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Bank, such purchase from each Bank shall be rescinded and such Bank shall repay to the purchasing Bank the purchase price to the extent of such recovery. The Borrower agrees that any Bank so purchasing a participation from another Bank pursuant to this Section 2.11(b) may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Bank were the direct creditor of the Borrower in the amount of such participation.

Section 2.12 Capital Adequacy. If after the date hereof, the adoption of any Applicable Law regarding the capital adequacy of banks or bank holding companies, or any change in Applicable Law (whether adopted before or after the Agreement Date) or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by such Bank (or the bank holding company of such Bank) with any directive regarding capital adequacy (whether or not having the force of law) of any such governmental authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on any Bank's capital as a consequence of its obligations hereunder with respect to the Loans and the Commitment to a level below that which it could have achieved but for such adoption, change or compliance (taking into consideration such Bank's policies with respect to capital adequacy immediately before such adoption, change or compliance and assuming that such Bank's (or the bank holding company of such Bank) capital was fully utilized prior to such adoption, change or compliance) by an amount reasonably deemed by such Bank to be material, then, upon demand by such Bank, the Borrower shall promptly pay to such Bank such additional amounts as shall be sufficient to compensate such Bank for such reduced return, together with interest on such amount from the fourth (4th) Business Day after the date of demand or the Maturity Date, as applicable, until payment in full thereof at the Default Rate. A certificate of such Bank setting forth the amount to be paid to such Bank by the Borrower as a result of any event referred to in this

paragraph and supporting calculations in reasonable detail shall be presumptively correct absent manifest error.

On or prior to the Agreement Date and on or prior to the first Business Day of each calendar year thereafter, each Bank which is organized in a jurisdiction other than the United States shall provide each of the Administrative Agent and the Borrower with a properly executed originals of Forms 4224 or 1001 (or any successor form) prescribed by the Internal Revenue Service or other documents satisfactory to the Borrower and the Administrative Agent, and properly executed Internal Revenue Service Forms W-8 or W-9, as the case may be, certifying (i) as to such Bank's status for purposes of determining exemption from United States withholding taxes with respect to all payments to be made to such Bank hereunder and under the Notes or (ii) that all payments to be made to such Bank hereunder and under the Notes are subject to such taxes at a rate reduced to zero by an applicable tax treaty. Each such Bank agrees to provide the Administrative Agent and the Borrower with new forms prescribed by the Internal Revenue Service upon the expiration or obsolescence of any previously delivered form, or after the occurrence of any event requiring a change in the most recent forms delivered by it to the Administrative Agent and the Borrower.

ARTICLE 4 Representations and Warranties

Section 4.1 Representations and Warranties. The Borrower hereby agrees, represents and warrants, upon the Agreement Date, in favor of the Administrative Agent and each Bank that:

(a) Organization; Ownership; Power; Qualification. The Borrower is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. The Borrower has the corporate power and authority to own its properties and to carry on its business as now being and as proposed hereafter to be conducted. Except as set forth on Schedule 4.l(a) attached hereto, each Restricted Subsidiary of the Borrower is a corporation duly organized, validly existing and in good standing under the laws of the state of its incorporation and has the corporate power and authority to own its properties and to carry on its business as now being and as proposed hereafter to be conducted. The Borrower and each of its Restricted Subsidiaries are duly qualified, in good standing and authorized to do business in each jurisdiction in which the character of their respective properties or the nature of their respective businesses requires such qualification or authorization, except where failure to be so qualified, in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

(b) Authorization; Enforceability. The Borrower has the corporate power and has taken all necessary corporate action to authorize it to borrow hereunder, to execute, deliver and perform this Agreement and each of the other Loan Documents to which it is a party in accordance with their respective terms, and to consummate the transactions contemplated hereby and thereby. This Agreement has been duly executed and delivered by the Borrower and is, and each of the other Loan Documents to which the Borrower is party is, a legal, valid and binding obligation of the Borrower enforceable against the Borrower in accordance with its terms, subject, as to enforcement of remedies, to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity.

(c) Subsidiaries: Authorization; Enforceability. The Borrower's Restricted Subsidiaries and the Borrower's direct and indirect ownership thereof as of the Agreement Date are as set forth on Schedule 4.1(c) attached hereto, and to the extent such Restricted Subsidiaries are corporations, the Borrower has the unrestricted right to vote the issued and outstanding shares of the Restricted Subsidiaries shown thereon and such shares of such Restricted Subsidiaries have been duly authorized and issued and are fully paid and

nonassessable. Each Restricted Subsidiary of the Borrower has the corporate power and has taken all necessary corporate action to authorize it to execute, deliver and perform each of the Loan Documents to which it is a party in accordance with their respective terms and to consummate the transactions contemplated by this Agreement and by such Loan Documents. Each of the Loan Documents to which any Restricted Subsidiary of the Borrower is party is a legal, valid and binding obligation of such Restricted Subsidiary enforceable against such Restricted Subsidiary in accordance with its terms, subject, as to enforcement of remedies, to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity. The Borrower's ownership interest in each of its Restricted Subsidiaries represents a direct or indirect controlling interest of such Restricted Subsidiary for purposes of directing or causing the direction of the management and policies of each Restricted Subsidiary.

(d) Compliance with Other Loan Documents and Contemplated Transactions. The execution, delivery and performance, in accordance with their respective terms, by the Borrower of this Agreement and the Notes, and by the Borrower and its Restricted Subsidiaries of each of the other Loan Documents to which they are respectively party, and the consummation of the transactions contemplated hereby and thereby, do not and will not (i) require any consent or approval, governmental or otherwise, not already obtained, (ii) violate any Applicable Law respecting the Borrower or any Restricted Subsidiary of the Borrower, (iii) conflict with, result in a breach of, or constitute a default under the certificate or articles of incorporation or by-laws or partnership agreements, as the case may be, as amended, of the Borrower or of any Restricted Subsidiary of the Borrower, or under any material indenture, agreement, or other instrument, including without limitation the Licenses, to which the Borrower or any of its Restricted Subsidiaries is a party or by which any of them or their respective properties may be bound, or (iv) result in or require the creation or imposition of any Lien upon or with respect to any property now owned or hereafter acquired by the Borrower or any of its Restricted Subsidiaries, except for Permitted Liens.

(e) Business. The Borrower, together with its Subsidiaries, is engaged in the business of owning, constructing, managing, operating, and investing in communications tower facilities.

(f) Licenses, etc. The Licenses have been duly issued and are in full force and effect. The Borrower and its Restricted Subsidiaries are in compliance in all material respects with all of the provisions thereof. The Borrower and its Restricted Subsidiaries have secured all Necessary Authorizations and all such Necessary Authorizations are in full force and effect. Neither any License nor any Necessary Authorization is the subject of any pending or, to the best of the Borrower's knowledge, threatened revocation.

(g) Compliance with Law. The Borrower and its Restricted Subsidiaries are in compliance with all Applicable Law, except where the failure to be in compliance would not individually or in the aggregate have a Material Adverse Effect.

(h) Title to Assets. As of the Agreement Date, the Borrower and its Restricted Subsidiaries have good, legal and marketable title to, or a valid leasehold interest in, all of its assets. None of the properties or assets of the Borrower or any of its Restricted Subsidiaries is subject to any Liens, except for Permitted Liens. Except for financing statements evidencing Permitted Liens, no financing statement under the Uniform Commercial Code as in effect in any jurisdiction and no other filing which names the Borrower or any of its Restricted Subsidiaries as debtor or which covers or purports to cover any of the assets of the Borrower or any of its Restricted Subsidiaries is currently effective and on file in any state or other jurisdiction, and neither the Borrower nor any of its Restricted Subsidiaries has signed any such financing statement or filing or any security agreement authorizing any secured party thereunder to file any such financing statement or filing.

(i) Litigation. As of the date hereof, there is no action, suit, proceeding or investigation pending against, or, to the knowledge of the Borrower, threatened against or in any other manner relating adversely to, the Borrower or any of its Restricted Subsidiaries or any of their respective properties, including without limitation the Licenses, in any court or before any arbitrator of any kind or before or by any governmental body (including without limitation the FCC) except as set forth on Schedule 4.1(i) attached hereto (as such schedule may be updated from time to time). No such action, suit, proceeding or investigation (i) calls into question the validity of this Agreement or any other Loan Document, or (ii) individually or collectively involves the possibility of any judgment or liability not fully covered by insurance which, if determined adversely to the Borrower or any of its Restricted Subsidiaries, would have a Materially Adverse Effect.

(j) Taxes. All federal, state and other tax returns of the Borrower and each of its Restricted Subsidiaries required by law to be filed have been duly filed and all federal, state and other taxes, including, without limitation, withholding taxes, assessments and other governmental charges or levies required to be paid by the Borrower or any of its Restricted Subsidiaries or imposed upon the Borrower or any of its Restricted Subsidiaries or any of their respective properties, income, profits or assets, which are due and payable, have been paid, except any such taxes (i) (x) the payment of which the Borrower or any of its Restricted Subsidiaries is diligently contesting in good faith by appropriate proceedings, (y) for which adequate reserves have been provided on the books of the Borrower or the Restricted Subsidiary of the Borrower involved, and (z) as to which no Lien other than a Permitted Lien has attached and no foreclosure, distraint, sale or similar proceedings have been commenced, or (ii) which may result from audits not yet conducted. The charges, accruals and reserves

on the books of the Borrower and each of its Restricted Subsidiaries in respect of taxes are, in the judgment of the Borrower, adequate.

(k) Financial Statements. The Borrower has furnished or caused to be furnished to the Administrative Agent and the Banks as of the Agreement Date, the audited financial statements for American Radio Systems and its Subsidiaries on a consolidated basis for the fiscal year ended December 31, 1996, and unaudited financial statements for the Borrower and its Restricted Subsidiaries for the fiscal quarter ended June 30, 1997, all of which have been prepared in accordance with GAAP and present fairly in all material respects the financial position of the Borrower and its Restricted Subsidiaries on a consolidated basis, on and as at such dates and the results of operations for the periods then ended (subject, in the case of unaudited financial statements, to normal year-end and audit adjustments). Neither the Borrower nor any of its Restricted Subsidiaries has any material liabilities, contingent or otherwise, other than as disclosed in the financial statements referred to in the preceding sentence or as set forth or referred to in this Agreement.

(l) No Material Adverse Change. There has occurred no event since December 31, 1996 which has or which could reasonably be expected to have a Materially Adverse Effect.

(m) ERISA. The Borrower and each Subsidiary of the Borrower and each of their respective Plans are in compliance with ERISA and the Code and neither the Borrower nor any of its ERISA Affiliates, including its Subsidiaries, has incurred any accumulated funding deficiency with respect to any such Plan within the meaning of ERISA or the Code. The Borrower, each of its Subsidiaries, and each other ERISA Affiliate have complied in all material respects with all requirements of ERISA. Neither the Borrower nor any of its Subsidiaries has made any promises of retirement or other benefits to employees, except as set forth in the Plans, in written agreements with such employees, or in the Borrower's employee handbook and memoranda to employees. Neither the Borrower nor any of its ERISA Affiliates, including its Subsidiaries, has incurred any material liability to PBGC in connection with any such Plan. The assets of each such Plan which is subject to Title IV of ERISA are sufficient to provide the benefits under such Plan, the payment of which PBGC would guarantee if such Plan were terminated, and such assets are also sufficient to provide all other "benefit liabilities" (within the meaning of Section 4041 of ERISA) due under the Plan upon termination. No Reportable Event has occurred and is continuing with respect to any such Plan. No such Plan or trust created thereunder, or party in interest (as defined in Section 3(14) of ERISA), or any fiduciary (as defined in Section 3(21) of ERISA), has engaged in a "prohibited transaction" (as such term is defined in Section 406 of ERISA or Section 4975 of the Code) which would subject such Plan or any other Plan of the Borrower or any of its Subsidiaries, any trust created thereunder, or any such party in interest or fiduciary, or any party dealing with any such Plan or any such trust, to the tax or penalty on "prohibited transactions" imposed by Section 502 of ERISA or

Section 4975 of the Code. Neither the Borrower nor any of its ERISA Affiliates, including its Subsidiaries, is or has been obligated to make any payment to a Multiemployer Plan.

(n) Compliance with Regulations G, T, U and X. Neither the Borrower nor any of the Borrower's Restricted Subsidiaries is engaged principally or as one of its important activities in the business of extending credit for the purpose of purchasing or carrying, and neither the Borrower nor any of the Borrower's Restricted Subsidiaries owns or presently intends to acquire, any "margin security" or "margin stock" as defined in Regulations G, T, U, and X (12 C.F.R. Parts 207, 220, 221 and 224) of the Board of Governors of the Federal Reserve System (herein called "margin stock"). None of the proceeds of the Loans will be used, directly or indirectly, for the purpose of purchasing or carrying any margin stock or for the purpose of reducing or retiring any Indebtedness which was originally incurred to purchase or carry margin stock or for any other purpose which might constitute this transaction a "purpose credit" within the meaning of said Regulations G, T, U, and X. The Borrower has not taken, caused or authorized to be taken, and will not take any action which might cause this Agreement or the Notes to violate Regulation G, T, U, or X or any other regulation of the Board of Governors of the Federal Reserve System or to violate the Securities Exchange Act of 1934, in each case as now in effect or as the same may hereafter be in effect. If so requested by the Administrative Agent, the Borrower will furnish the Administrative Agent with (i) a statement or statements in conformity with the requirements of Federal Reserve Forms G-3 and/or U-I referred to in Regulations G and U of said Board of Governors and (ii) other documents evidencing its compliance with the margin regulations, reasonably requested by the Administrative Agent. Neither the making of the Loans nor the use of proceeds thereof will violate, or be inconsistent with, the provisions of Regulation G, T, U, or X of said Board of Governors.

(o) Investment Company Act. Neither the Borrower nor any of its Restricted Subsidiaries is required to register under the provisions of the Investment Company Act of 1940, as amended, and neither the entering into or performance by the Borrower and its Restricted Subsidiaries of this Agreement and the Loan Documents nor the issuance of the Notes violates any provision of such Act or requires any consent, approval or authorization of, or registration with, the Securities and Exchange Commission or any other governmental or public body or authority pursuant to any provisions of such Act.

(p) Governmental Regulation. Neither the Borrower nor any of its Restricted Subsidiaries is required to obtain any consent, approval, authorization, permit or license which has not already been obtained from, or effect any filing or registration which has not already been effected with, any federal, state or local regulatory authority in connection with the execution and delivery of this Agreement or any other Loan Document. Neither the Borrower nor any of its Restricted Subsidiaries is required to obtain any consent, approval, authorization, permit or license which has not already been obtained from, or effect any filing or registration which has not already been effected with, any federal, state or local

regulatory authority in connection with the performance, in accordance with their respective terms, of this Agreement or any other Loan Document, other than filing of appropriate UCC financing statements and mortgages.

(q) Absence of Default, Etc. The Borrower and its Restricted Subsidiaries are in compliance in all respects with all of the provisions of their respective partnership agreements, Certificates or Articles of Incorporation and By-Laws, as the case may be, and no event has occurred or failed to occur (including, without limitation, any matter which could create a Default hereunder by cross-default) which has not been remedied or waived, the occurrence or non-occurrence of which constitutes, (i) a Default or (ii) a material default by the Borrower or any of its Restricted Subsidiaries under any indenture, agreement or other instrument relating to Indebtedness of the Borrower or any of its Restricted Subsidiaries in the amount of $1,000,000 or more in the aggregate, any material License, or any judgment, decree or order to which the Borrower or any of its Restricted Subsidiaries is a party or by which the Borrower or any of its Restricted Subsidiaries or any of their respective properties may be bound or affected.

(r) Accuracy and Completeness of Information. All information, reports, prospectuses and other papers and data relating to the Borrower or any of its Restricted Subsidiaries and furnished by or on behalf of the Borrower or any of its Restricted Subsidiaries to the Administrative Agent or the Banks, taken as a whole, were, at the time furnished, true, complete and correct in all material respects to the extent necessary to give the Administrative Agent and the Banks true and accurate knowledge of the subject matter, and all projections, consisting of a consolidated projected cash flow statement, an income statement, and a balance sheet for Borrower and its Restricted Subsidiaries (the "Projections") (i) disclose all assumptions made with respect to costs, general economic conditions, and financial and market conditions formulating the Projections; (ii) are based on reasonable estimates and assumptions; and (iii) reflect, as of the date prepared, and continue to reflect, as of the date hereof, the reasonable estimate of Borrower of the results of operations and other information projected therein for the periods covered thereby.

(s) Agreements with Affiliates. Except for agreements or arrangements with Affiliates wherein the Borrower or one or more of its Restricted Subsidiaries provides services to such Affiliates for fair consideration or which are set forth on Schedule 4.l(s) attached hereto, neither the Borrower nor any of its Restricted Subsidiaries has (i) any written agreements or binding arrangements of any kind with any Affiliate or (ii) any management or consulting agreements of any kind with any Affiliate, other than those between the Borrower and its Restricted Subsidiaries.

(t) Payment of Wages. The Borrower and each of its Restricted Subsidiaries are in compliance with the Fair Labor Standards Act, as amended, in all material respects, and to the knowledge of the Borrower and each of its Subsidiaries, such Persons

have paid all minimum and overtime wages required by law to be paid to their respective employees.

(u) Priority. The Security Interest is a valid and, upon filing of appropriate UCC financing statements and/or mortgages, will be a perfected first priority security interest in the Collateral in favor of the Administrative Agent, for the benefit of itself and the Banks, securing, in accordance with the terms of the Security Documents, the Obligations, and the Collateral is subject to no Liens other than Permitted Liens. The Liens created by the Security Documents are enforceable as security for the Obligations in accordance with their terms with respect to the Collateral subject, as to enforcement of remedies, to the following qualifications: (i) an order of specific performance and an injunction are discretionary remedies and, in particular, may not be available where damages are considered an adequate remedy at law, and (ii) enforcement may be limited by bankruptcy, insolvency, liquidation, reorganization, reconstruction and other similar laws affecting enforcement of creditors' rights generally (insofar as any such law relates to the bankruptcy, insolvency or similar event of the Borrower or any of its Subsidiaries, as the case may be).

(v) Indebtedness. Except as shown on the financial statements of Borrower for the fiscal quarter ended June 30, 1997, or as described on Schedule 4.l(v) attached hereto neither the Borrower nor any of its Restricted Subsidiaries has outstanding, as of the Agreement Date, and after giving effect to the initial Advances hereunder on the Agreement Date, any Indebtedness for Money Borrowed.

(w) Solvency. As of the Agreement Date and after giving effect to the transactions contemplated by the Loan Documents (i) the property of the Borrower, at a fair valuation, will exceed its debt; (ii) the capital of the Borrower will not be unreasonably small to conduct its business; (iii) the Borrower will not have incurred debts, or have intended to incur debts, beyond its ability to pay such debts as they mature; and (iv) the present fair salable value of the assets of the Borrower will be greater than the amount that will be required to pay its probable liabilities (including debts) as they become absolute and matured. For purposes of this Section, "debt" means any liability on a claim, and "claim" means (i) the right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, undisputed, legal, equitable, secured or unsecured, or (ii) the right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, undisputed, secured or unsecured.

Section 4.2 Survival of Representations and Warranties, Etc. All representations and warranties made under this Agreement and any other Loan Document shall be deemed to be made, and shall be true and correct in all material respects, at and as of the Agreement Date and on the date of each Advance except to the extent relating specifically to the Agreement Date. All representations and warranties made under this Agreement and the

other Loan Documents shall survive, and not be waived by, the execution hereof by the Banks and the Administrative Agent, any investigation or inquiry by any Bank or the Administrative Agent, or the making of any Advance under this Agreement.

ARTICLE 5 General Covenants

Section 5.1 Preservation of Existence and Similar Matters. Except as permitted under Section 7.4 hereof, the Borrower will, and will cause each of its Restricted Subsidiaries to:

The Borrower will, and will cause each of its Restricted Subsidiaries to, timely file all information returns required by federal, state or local tax authorities.

Section 5.7 Compliance with ERISA.

(f) The Borrower will not, and will not permit any of its Subsidiaries or any of its ERISA Affiliates, to take any of the following actions or permit any of the following events to occur if such action or event together with all other such actions or events would subject the Borrower, any of its Subsidiaries, or any of its ERISA Affiliates to any tax, penalty, or other liabilities which could have a Materially Adverse Effect:

representatives, shareholders, officers and directors (any of the foregoing shall be an "Indemnitee") from and against any and all claims, liabilities, losses, damages, actions, reasonable attorneys' fees and expenses (as such fees and expenses are incurred) and demands by any party, including the costs of investigating and defending such claims, whether or not the Borrower, any Restricted Subsidiary or the Person seeking indemnification is the prevailing party (a) resulting from any breach or alleged breach by the Borrower or any Restricted Subsidiary of the Borrower of any representation or warranty made hereunder or under any Loan Document; or (b) otherwise arising out of (i) the Commitment or otherwise under this Agreement, any Loan Document or any transaction contemplated hereby or thereby, including, without limitation, the use of the proceeds of Loans hereunder in any fashion by the Borrower or the performance of their respective obligations under the Loan Documents by the Borrower or any of its Restricted Subsidiaries, (ii) allegations of any participation by the Banks, the Administrative Agent, or any of them, in the affairs of the Borrower or any of its Subsidiaries, or allegations that any of them has any joint liability with the Borrower or any of its Restricted Subsidiaries for any reason, (iii) any claims against the Banks, the Administrative Agent, or any of them, by any shareholder or other investor in or lender to the Borrower or any Restricted Subsidiary, by any brokers or finders or investment advisers or investment bankers retained by the Borrower or by any other third party, arising out of the Commitment or otherwise under this Agreement; or (c) in connection with taxes (not including federal or state income or franchise taxes or other taxes based solely upon the revenues or income of such Persons), fees, and other charges payable in connection with the Loans, or the execution, delivery, and enforcement of this Agreement, the Security Documents, the other Loan Documents, and any amendments thereto or waivers of any of the provisions thereof, unless the Person seeking indemnification hereunder is determined in such case to have acted with gross negligence or willful misconduct, in any case, by a final, non-appealable judicial order. The obligations of the Borrower under this Section 5.12 are in addition to, and shall not otherwise limit, any liabilities which the Borrower might otherwise have in connection with any warranties or similar obligations of the Borrower in any other Loan Document.

Such Interest Hedge Agreements shall provide interest rate protection in conformity with International Swap Dealers Association standards and for an average period of at least two (2) years from the date of such Interest Hedge Agreements or, if earlier, until the Maturity Date on terms reasonably acceptable to the Administrative Agent, such terms to include consideration of the creditworthiness of the other party to the proposed Interest Hedge Agreement. All Obligations of the Borrower to either Administrative Agent or any of the Banks pursuant to any Interest Hedge Agreement and all Liens granted to secure such

Obligations shall rank pari passu with all other Obligations and Liens securing such other Obligations; and any Interest Hedge Agreement between the Borrower and any other Person shall be unsecured.

Section 5.14 Covenants Regarding Formation of Restricted Subsidiaries and Acquisitions; Partnership, Subsidiaries. Notwithstanding the foregoing, the Borrower shall not be required to pledge any of the stock or other ownership interests for any Unrestricted Subsidiary which (x) was not formed or created in anticipation of the Borrower's direct or indirect investment therein and (y) at the time such stock or ownership interest was acquired by the Borrower or its Restricted Subsidiaries is subject to a restriction on any such Lien (whether such restriction is in such Person's formation documents or otherwise), but shall be required to grant the Administrative Agent (for the benefit of the Banks) a Lien upon any right to receive distributions from such Unrestricted Subsidiary. Any document, agreement or instrument (other than the Projections) executed or issued pursuant to this Section 5.14 shall be a "Loan Document" for purposes of this Agreement.

Section 5.15 Payment of Wages. The Borrower shall, and shall cause each of its Restricted Subsidiaries to, at all times comply, in all material respects, with the material requirements of the Fair Labor Standards Act, as amended, including, without limitation, the provisions of such Act relating to the payment of minimum and overtime wages as the same may become due from time to time.

Section 5.16 Further Assurances. The Borrower will promptly cure, or cause to be cured, defects in the creation and issuance of any of the Notes and the execution and delivery of the Loan Documents (including this Agreement), resulting from any acts or failure to act by the Borrower or any of the Borrower's Restricted Subsidiaries or any employee or officer thereof. The Borrower at its expense will promptly execute and deliver to the Administrative Agent and the Banks, or cause to be executed and delivered to the Administrative Agent and the Banks, all such other and further documents, agreements, and instruments in compliance with or accomplishment of the covenants and agreements of the Borrower in the Loan Documents, including this Agreement, or to correct any omissions in the Loan Documents, or more fully to state the obligations set out herein or in any of the Loan Documents, or to obtain any consents, all as may be necessary or appropriate in connection therewith and as may be reasonably requested.

(a) If an Event of Default specified in Section 8.1 (other than an Event of Default under Section 8.1(f) or Section 8.1(g) hereof) shall have occurred and shall be continuing, the Administrative Agent, at the request of the Majority Banks subject to Section 9.8(a) hereof, shall (i) terminate the Commitment, and/or (ii) declare the principal of and interest on the Loans and the Notes and all other amounts owed to the Banks and the Administrative Agent under this Agreement, the Notes and any other Loan Documents to be forthwith due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived, anything in this Agreement, the Notes or any other Loan Document to the contrary notwithstanding, and the Commitment shall thereupon forthwith terminate.

(b) Upon the occurrence and continuance of an Event of Default specified in Section 8.1(f) or Section 8.1(g) hereof, all principal, interest and other amounts due

hereunder and under the Notes, and all other Obligations, shall thereupon and concurrently therewith become due and payable and the Commitment shall forthwith terminate and the principal amount of the Loans outstanding hereunder shall bear interest at the Default Rate, all without any action by the Administrative Agent or the Banks or the Majority Banks or any of them and without presentment, demand, protest or other notice of any kind, all of which are expressly waived, anything in this Agreement or in the other Loan Documents to the contrary notwithstanding.

(c) Upon acceleration of the Notes, as provided in subsection (a) or (b) of this Section 8.2, the Administrative Agent and the Banks shall have all of the post-default rights granted to them, or any of them, as applicable under the Loan Documents and under Applicable Law.

(d) Upon acceleration of the Notes, as provided in subsection (a) or (b) of this Section 8.2, the Administrative Agent shall have the right (but not the obligation) upon the request of the Banks to operate the communications tower facilities of the Borrower and its Restricted Subsidiaries in accordance with the terms of the Licenses and pursuant to the terms and subject to any limitations contained in the Security Documents and, within guidelines established by the Majority Banks, to make any and all payments and expenditures necessary or desirable in connection therewith, including, without limitation, payment of wages as required under the Fair Labor Standards Act, as amended, and of any necessary withholding taxes to state or federal authorities. In the event the Majority Banks fail to agree upon the guidelines referred to in the preceding sentence within six (6) Business Days' after the Administrative Agent has begun to operate the communications tower facilities, the Administrative Agent may, after giving three (3) days' prior written notice to the Banks of its intention to do so, make such payments and expenditures as it deems reasonable and advisable in its sole discretion to maintain the normal day-to-day operation of such communications tower facilities. Such payments and expenditures in excess of receipts shall constitute Advances under the Commitment, not in excess of the amount of the Commitment. Advances made pursuant to this Section 8.2(d) shall bear interest as provided in Section 2.3(d) hereof and shall be payable on demand. The making of one or more Advances under this Section 8.2(d) shall not create any obligation on the part of the Banks to make any additional Advances hereunder. No exercise by the Administrative Agent of the rights granted to it under this Section 8.2(d) shall constitute a waiver of any other rights and remedies granted to the Administrative Agent and the Banks, or any of them, under this Agreement or at law. The Borrower hereby irrevocably appoints the Administrative Agent as agent for the Banks, the true and lawful attorney of the Borrower, in its name and stead and on its behalf, to execute, receipt for or otherwise act in connection with any and all contracts, instruments or other documents in connection with the completion and operation of the communications tower facilities in the exercise of the Administrative Agent's and the Banks' rights under this Section 8.2(d). Such power of attorney is coupled with an interest and is irrevocable. The rights of the Administrative Agent under this Section 8.2(d) shall be

subject to its prior compliance with the Communications Act and the FCC rules and policies promulgated thereunder to the extent applicable to the exercise of such rights.

(e) Upon acceleration of the Notes, as provided in subsection (a) or (b) of this Section 8.2, the Administrative Agent, upon request of the Majority Banks, shall have the right to the appointment of a receiver for the properties and assets of the Borrower and its Restricted Subsidiaries, and the Borrower, for itself and on behalf of its Restricted Subsidiaries, hereby consents to such rights and such appointment and hereby waives any objection the Borrower or any Restricted Subsidiary may have thereto or the right to have a bond or other security posted by the Administrative Agent on behalf of the Banks, in connection therewith. The rights of the Administrative Agent under this Section 8.2(e) shall be subject to its prior compliance with the Communications Act and the FCC rules and policies promulgated thereunder to the extent applicable to the exercise of such rights.

(f) The rights and remedies of the Administrative Agent and the Banks hereunder shall be cumulative, and not exclusive.

Section 8.3 Payments Subsequent to Declaration of Event of Default. Subsequent to the acceleration of the Loans under Section 8.2 hereof, payments and prepayments under this Agreement made to the Administrative Agent and the Banks or otherwise received by any of such Persons (from realization on Collateral for the Obligations or otherwise) shall be paid over to the Administrative Agent (if necessary) and distributed by the Administrative Agent as follows: first, to the Administrative Agent's reasonable costs and expenses, if any, incurred in connection with the collection of such payment or prepayment, including, without limitation, any reasonable costs incurred by it in connection with the sale or disposition of any Collateral for the Obligations and all amounts under Section 11.2(b) and (c) hereof; second, to the Banks or the Administrative Agent for any fees hereunder or under any of the other Loan Documents then due and payable; third, to the Banks pro rata on the basis of their respective unpaid principal amounts (except as provided in Section 2.2(e) hereof), to the payment of any unpaid interest which may have accrued on the Obligations; fourth, to the Banks pro rata until all Loans have been paid in full (and, for purposes of this clause, obligations under Interest Hedge Agreements with the Banks or any of them shall be paid on a pro rata basis with the Loans); fifth, to the Banks pro rata on the basis of their respective unpaid amounts, to the payment of any other unpaid Obligations; and sixth, to the Borrower or as otherwise required by law.

ARTICLE 9 The Administrative Agent

Section 9.1 Appointment and Authorization. Each Bank hereby irrevocably appoints and authorizes, and hereby agrees that it will require any transferee of any of its interest in its portion of the Loans and in its Note irrevocably to appoint and authorize, the

Administrative Agent to take such actions as its agent on its behalf and to exercise such powers hereunder and under the other Loan Documents as are delegated by the terms hereof and thereof, together with such powers as are reasonably incidental thereto. Neither the Administrative Agent, nor any of its respective directors, officers, employees or agents, shall be liable for any action taken or omitted to be taken by it or them hereunder or in connection herewith, except for its or their own gross negligence or willful misconduct as determined by a final, non-appealable judicial order of a court of competent jurisdiction.

Section 9.2 Interest Holders. The Administrative Agent may treat each Bank, or the Person designated in the last notice filed with the Administrative Agent, as the holder of all of the interests of such Bank in its portion of the Loans and in its Note until written notice of transfer, signed by such Bank (or the Person designated in the last notice filed with the Administrative Agent) and by the Person designated in such written notice of transfer, in form and substance satisfactory to the Administrative Agent, shall have been filed with the Administrative Agent.

Section 9.3 Consultation with Counsel. The Administrative Agent may consult with Powell, Goldstein, Frazer & Murphy LLP, Atlanta, Georgia, special counsel to the Administrative Agent, or with other legal counsel selected by it and shall not be liable for any action taken or suffered by it in good faith in consultation with the Majority Banks and in reasonable reliance on such consultations.

Section 9.4 Documents. The Administrative Agent shall be under no duty to examine, inquire into, or pass upon the validity, effectiveness or genuineness of this Agreement, any Note, any other Loan Document, or any instrument, document or communication furnished pursuant hereto or in connection herewith, and the Administrative Agent shall be entitled to assume that they are valid, effective and genuine, have been signed or sent by the proper parties and are what they purport to be.

Section 9.5 Administrative Agent and Affiliates. With respect to the Commitment and the Loans, the Administrative Agent shall have the same rights and powers hereunder as any other Bank and the Administrative Agent and Affiliates of the Administrative Agent may accept deposits from, lend money to and generally engage in any kind of business with the Borrower, any of its Subsidiaries or any Affiliates of, or Persons doing business with, the Borrower, as if they were not affiliated with the Administrative Agent and without any obligation to account therefor.

Section 9.6 Responsibility of the Administrative Agent. The duties and obligations of the Administrative Agent under this Agreement are only those expressly set forth in this Agreement. The Administrative Agent shall be entitled to assume that no Default or Event of Default has occurred and is continuing unless it has actual knowledge, or has been notified in writing by the Borrower, of such fact, or has been notified by a Bank in writing that such

Bank considers that a Default or an Event of Default has occurred and is continuing, and such Bank shall specify in detail the nature thereof in writing. The Administrative Agent shall not be liable hereunder for any action taken or omitted to be taken except for its own gross negligence or willful misconduct as determined by a final, non-appealable judicial order of a court of competent jurisdiction. The Administrative Agent shall provide each Bank with copies of such documents received from the Borrower as such Bank may reasonably request.

Section 9.7 Action by the Administrative Agent.

(a) The Administrative Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights which may be vested in it by, and with respect to taking or refraining from taking any action or actions which it may be able to take under or in respect of, this Agreement, unless the Administrative Agent shall have been instructed by the Majority Banks to exercise or refrain from exercising such rights or to take or refrain from taking such action; provided that the Administrative Agent shall not exercise any rights under Section 8.2(a) of this Agreement without the request of the Majority Banks (or, where expressly required, all the Banks), unless time is of the essence, in which case, such action can be taken at the request of the Administrative Agent. The Administrative Agent shall incur no liability under or in respect of this Agreement with respect to anything which it may do or refrain from doing in the reasonable exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its gross negligence or willful misconduct as determined by a final, non-appealable judicial order of a court having jurisdiction over the subject matter.

(b) The Administrative Agent shall not be liable to the Banks or to any Bank or the Borrower or any of the Borrower's Subsidiaries in acting or refraining from acting under this Agreement or any other Loan Document in accordance with the instructions of the Majority Banks (or, where expressly required, all the Banks), and any action taken or failure to act pursuant to such instructions shall be binding on all Banks, except for its gross negligence or willful misconduct as determined by a final, non-appealable judicial order of a court having jurisdiction over the subject matter. The Administrative Agent shall not be obligated to take any action which is contrary to law or which would in its reasonable opinion subject it to liability.

Section 9.8 Notice of Default or Event of Default. In the event that the Administrative Agent or any Bank shall acquire actual knowledge, or shall have been notified, of any Default or Event of Default, the Administrative Agent or such Bank shall promptly notify the Banks (provided failure to give such notice shall not result in any liability on the part of such Bank or Administrative Agent), and the Administrative Agent shall take such action and assert such rights under this Agreement and the other Loan Documents as the Majority Banks shall request in writing, and the Administrative Agent

shall not be subject to any liability by reason of its acting pursuant to any such request. If the Majority Banks shall fail to request the Administrative Agent to take action or to assert rights under this Agreement or any other Loan Documents in respect of any Default or Event of Default within ten (10) days after their receipt of the notice of any Default or Event of Default from the Administrative Agent or any Bank, or shall request inconsistent action with respect to such Default or Event of Default, the Administrative Agent may, but shall not be required to, take such action and assert such rights (other than rights under Article 8 hereof) as it deems in its discretion to be advisable for the protection of the Banks, except that, if the Majority Banks have instructed the Administrative Agent not to take such action or assert such right, in no event shall the Administrative Agent act contrary to such instructions, unless time is of the essence, in which case, the Administrative Agent may act in accordance with its reasonable discretion.

Section 9.9 Responsibility Disclaimed. The Administrative Agent shall not be under any liability or responsibility whatsoever as Administrative Agent:

(a) To the Borrower or any other Person as a consequence of any failure or delay in performance by, or any breach by, any Bank or Banks of any of its or their obligations under this Agreement;

(b) To any Bank or Banks as a consequence of any failure or delay in performance by, or any breach by, (i) the Borrower of any of its obligations under this Agreement or the Notes or any other Loan Document, or (ii) any Restricted Subsidiary of the Borrower or any other obligor under any other Loan Document;

(c) To any Bank or Banks, for any statements, representations or warranties in this Agreement, or any other document contemplated by this Agreement or any information provided pursuant to this Agreement, any other Loan Document, or any other document contemplated by this Agreement, or for the validity, effectiveness, enforceability or sufficiency of this Agreement, the Notes, any other Loan Document, or any other document contemplated by this Agreement; or

(d) To any Person for any act or omission other than that arising from gross negligence or willful misconduct of the Administrative Agent as determined by a final, non-appealable judicial order of a court of competent jurisdiction.

Section 9.10 Indemnification. The Banks agree to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower) pro rata according to their respective Commitment Ratios, from and against any and all liabilities, obligations, losses (other than the loss of principal and interest hereunder in the event of a bankruptcy or out-of-court 'work-out' of the Loans), damages, penalties, actions, judgments, suits, costs, expenses (including fees and expenses of experts, agents, consultants and counsel), or disbursements

of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of this Agreement, any other Loan Document, or any other document contemplated by this Agreement or any other Loan Document or any action taken or omitted by the Administrative Agent under this Agreement, any other Loan Document, or any other document contemplated by this Agreement, except that no Bank shall be liable to the Administrative Agent for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent as determined by a final, non-appealable judicial order of a court having jurisdiction over the subject matter.

Section 9.11 Credit Decision. Each Bank represents and warrants to each other and to the Administrative Agent that:

(a) In making its decision to enter into this Agreement and to make its portion of the Loans it has independently taken whatever steps it considers necessary to evaluate the financial condition and affairs of the Borrower, and that it has made an independent credit judgment, and that it has not relied upon the Administrative Agent or information provided by the Administrative Agent (other than information provided to the Administrative Agent by the Borrower and forwarded by the Administrative Agent to the Banks); and

(b) So long as any portion of the Loans remains outstanding or such Bank has an obligation to make its portion of Advances hereunder, it will continue to make its own independent evaluation of the financial condition and affairs of the Borrower.

Section 9.12 Successor Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided below, the Administrative Agent may resign at any time by giving written notice thereof to the Banks and the Borrower and may be removed at any time for cause by the Majority Banks. Upon any such resignation or removal, the Majority Banks shall have the right to appoint a successor Administrative Agent which appointment shall, prior to a Default, be subject to the consent of the Borrower, acting reasonably. If (a) no successor Administrative Agent shall have been so appointed by the Majority Banks or (b) if appointed, no successor Administrative Agent shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gave notice of resignation or the Majority Banks removed the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Banks, appoint a successor Administrative Agent which shall be any Bank or a commercial bank organized under the laws of the United States of America or any political subdivision thereof which has combined capital and reserves in excess of $250,000,000 and which shall be reasonably acceptable to the Borrower. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent

shall thereupon succeed to and become vested with all the rights, powers, privileges, duties and obligations of the retiring Administrative Agent and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent the provisions of this Article shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent. In the event that the Administrative Agent or any of its respective affiliates ceases to be a Bank hereunder, such Person shall resign its agency hereunder.

Section 9.13 Delegation of Duties. The Administrative Agent may execute any of its duties under the Loan Documents by or through agents or attorneys selected by it using reasonable care, and shall be entitled to advice of counsel concerning all matters pertaining to such duties.

ARTICLE 10 Changes in Circumstances Affecting LIBOR Advances

Section 10.1 LIBOR Basis Determination Inadequate or Unfair. If with respect to any proposed LIBOR Advance for any Interest Period, the Administrative Agent determines after consultation with the Banks that deposits in dollars (in the applicable amount) are not being offered to each of the Banks in the relevant market for such Interest Period, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Banks, whereupon until the Administrative Agent notifies the Borrower that the circumstances giving rise to such situation no longer exist, the obligations of any affected Bank to make its portion of such LIBOR Advances shall be suspended.

Section 10.2 Illegality. If after the date hereof, the adoption of any Applicable Law, or any change in any Applicable Law (whether adopted before or after the Agreement Date), or any change in interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Bank with any directive (whether or not having the force of law) of any such authority, central bank or comparable agency, shall make it unlawful or impossible for any Bank to make, maintain or fund its portion of LIBOR Advances, such Bank shall so notify the Administrative Agent, and the Administrative Agent shall forthwith give notice thereof to the other Banks and the Borrower. Before giving any notice to the Administrative Agent pursuant to this Section 10.2, such Bank shall designate a different lending office if such designation will avoid the need for giving such notice and will not, in the sole reasonable judgment of such Bank, be otherwise materially disadvantageous to such Bank. Upon receipt of such notice, notwithstanding anything contained in Article 2 hereof, the Borrower shall repay in full the then outstanding principal amount of such Bank's portion of each affected LIBOR Advance, together with accrued interest thereon, on either (a) the last

day of the then current Interest Period applicable to such affected LIBOR Advances if such Bank may lawfully continue to maintain and fund its portion of such LIBOR Advance to such day or (b) immediately if such Bank may not lawfully continue to fund and maintain its portion of such affected LIBOR Advances to such day. Concurrently with repaying such portion of each affected LIBOR Advance, the Borrower may borrow a Base Rate Advance from such Bank, whether or not it would have been entitled to effect such borrowing and such Bank shall make such Advance, if so requested, in an amount such that the outstanding principal amount of the affected Note held by such Bank shall equal the outstanding principal amount of such Note or Notes immediately prior to such repayment.

Section 10.3 Increased Costs.

(a) If after the date hereof, the adoption of any Applicable Law, or any change in any Applicable Law (whether adopted before or after the Agreement Date), or any interpretation or change in interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof or compliance by any Bank with any directive (whether or not having the force of law) of any such authority, central bank or comparable agency:

(1) shall subject any Bank to any tax, duty or other charge with respect to its obligation to make its portion of LIBOR Advances, or its portion of existing Advances, or shall change the basis of taxation of payments to any Bank of the principal of or interest on its portion of LIBOR Advances or in respect of any other amounts due under this Agreement, in respect of its portion of LIBOR Advances or its obligation to make its portion of LIBOR Advances (except for changes in the rate or method of calculation of tax on the revenues or net income of such Bank); or

(2) shall impose, modify or deem applicable any reserve (including, without limitation, any imposed by the Board of Governors of the Federal Reserve System, but excluding any included in an applicable Eurodollar Reserve Percentage), special deposit, capital adequacy, assessment or other requirement or condition against assets of, deposits with or for the account of, or commitments or credit extended by, any Bank or shall impose on any Bank or the London interbank borrowing market any other condition affecting its obligation to make its portion of such LIBOR Advances or its portion of existing Advances;

and the result of any of the foregoing is to increase the cost to such Bank of making or maintaining any of its portion of LIBOR Advances, or to reduce the amount of any sum received or receivable by such Bank under this Agreement or under its Note with respect thereto, then, within ten (10) days after demand by such Bank, the Borrower agrees to pay to such Bank such additional amount or amounts as will compensate such Bank for such

increased costs. Each Bank will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the date hereof, which will entitle such Bank to compensation pursuant to this Section 10.3 and will designate a different lending office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the sole reasonable judgment of such Bank made in good faith, be otherwise disadvantageous to such Bank.

(b) Any Bank claiming compensation under this Section 10.3 shall provide the Borrower with a written certificate setting forth the additional amount or amounts to be paid to it hereunder and calculations therefor in reasonable detail. Such certificate shall be presumptively correct absent manifest error. In determining such amount, such Bank may use any reasonable averaging and attribution methods. If any Bank demands compensation under this Section 10.3, the Borrower may at any time, upon at least five (5) Business Days' prior notice to such Bank, prepay in full such Bank's portion of the then outstanding LIBOR Advances, together with accrued interest and fees thereon to the date of prepayment, along with any reimbursement required under Section 2.10 hereof and this Section 10.3. Concurrently with prepaying such portion of LIBOR Advances the Borrower may, whether or not then entitled to make such borrowing, borrow a Base Rate Advance, or a LIBOR Advance not so affected, from such Bank, and such Bank shall, if so requested, make such Advance in an amount such that the outstanding principal amount of the affected Note or Notes held by such Bank shall equal the outstanding principal amount of such Note or Notes immediately prior to such prepayment.

Section 10.4 Effect On Other Advances. If notice has been given pursuant to Section 10.1, 10.2 or 10.3 hereof suspending the obligation of any Bank to make its portion of any type of LIBOR Advance, or requiring such Bank's portion of LIBOR Advances to be repaid or prepaid, then, unless and until such Bank notifies the Borrower that the circumstances giving rise to such repayment no longer apply, all amounts which would otherwise be made by such Bank as its portion of LIBOR Advances shall, unless otherwise notified by the Borrower, be made instead as Base Rate Advances.

(b) Any party hereto may change the address to which notices shall be directed under this Section 11.1 by giving ten (10) days' written notice of such change to the other parties.

Section 11.2 Expenses. The Borrower will promptly pay, or reimburse:

(a) all reasonable out-of-pocket expenses of the Administrative Agent in connection with the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents, and the transactions contemplated hereunder and thereunder and the making of the initial Advance hereunder (whether or not such Advance is made), including, but not limited to, the reasonable fees and disbursements of Powell, Goldstein, Frazer & Murphy LLP, special counsel for the Administrative Agent; and

(b) all reasonable out-of-pocket costs and expenses of the Administrative Agent and the Banks of enforcement under this Agreement or the other Loan Documents and all reasonable out-of-pocket costs and expenses of collection if an Event of Default occurs in the payment of the Notes, which in each case shall include reasonable fees and out-of-pocket expenses of counsel for the Administrative Agent and the Banks.

Section 11.3 Waivers. The rights and remedies of the Administrative Agent and the Banks under this Agreement and the other Loan Documents shall be cumulative and not exclusive of any rights or remedies which they would otherwise have. No failure or delay by the Administrative Agent, the Majority Banks, or the Banks, or any of them, in exercising any right, shall operate as a waiver of such right. The Administrative Agent and the Banks expressly reserve the right to require strict compliance with the terms of this Agreement in connection with any future funding of a Request for Advance. In the event the Banks decide to fund a Request for Advance at a time when the Borrower is not in strict compliance with the terms of this Agreement, such decision by the Banks shall not be deemed to constitute an undertaking by the Banks to fund any further Request for Advance or preclude the Banks or the Administrative Agent from exercising any rights available under the Loan Documents or at law or equity. Any waiver or indulgence granted by the Administrative Agent, the Banks, or the Majority Banks, shall not constitute a modification of this Agreement or any other Loan Document, except to the extent expressly provided in such waiver or indulgence, or constitute a course of dealing at variance with the terms of this Agreement or any other Loan

Document such as to require further notice of their intent to require strict adherence to the terms of this Agreement or any other Loan Document in the future.

Section 11.4 Set-Off. In addition to any rights now or hereafter granted under Applicable Law and not by way of limitation of any such rights, upon the occurrence of an Event of Default and during the continuation thereof, the Administrative Agent and each of the Banks are hereby authorized by the Borrower at any time or from time to time, without notice to the Borrower or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, time or demand, including, but not limited to, Indebtedness evidenced by certificates of deposit, in each case whether matured or unmatured) and any other Indebtedness at any time held or owing by any Bank or Administrative Agent, to or for the credit or the account of the Borrower or any of its Restricted Subsidiaries, against and on account of the obligations and liabilities of the Borrower to the Banks and the Administrative Agent, including, but not limited to, all Obligations and any other claims of any nature or description arising out of or connected with this Agreement, the Notes or any other Loan Document, irrespective of whether (a) any Bank or Administrative Agent shall have made any demand hereunder or (b) any Bank or Administrative Agent shall have declared the principal of and interest on the Loans and other amounts due hereunder to be due and payable as permitted by Section 8.2 hereof and although such obligations and liabilities or any of them shall be contingent or unmatured. Upon direction by the Administrative Agent with the consent of all of the Banks each Bank holding deposits of the Borrower or any of its Restricted Subsidiaries shall exercise its set-off rights as so directed; and, within one (1) Business Day following any such setoff, the Administrative Agent shall give notice thereof to the Borrower. Notwithstanding anything to the contrary contained in this Section 11.4, no Bank shall exercise any right of offset without the prior consent of the Majority Banks so long as the Obligations shall be secured by any real property or real property interest including leaseholds located in the State of California, it being understood and agreed that the provisions of this sentence are for the exclusive benefit of the Banks, may be amended, modified or waived by the Majority Banks without notice to or consent of the Borrower or any Subsidiary of the Borrower and shall not constitute a waiver of any rights against the Borrower or any Subsidiary or against any Collateral.

Section 11.5 Assignment.

(a) The Borrower may not assign or transfer any of its rights or obligations hereunder, under the Notes or under any other Loan Document without the prior written consent of each Bank.

(b) Each Bank may sell (i) assignments of any amount of its interest hereunder to any Bank, or (ii) assignments or participations of one hundred percent (100%) (or, with the consent of the Borrower, a smaller percentage) of its interest hereunder to (A)

one (1) or more wholly-owned Affiliates of such Bank (provided that, if such Affiliate is not a financial institution, such Bank shall be obligated to repurchase such assignment if such Affiliate is unable to honor its obligations hereunder), or (B) any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank (no assignment shall relieve such Bank from its obligations hereunder).

(c) Each of the Banks may at any time enter into assignment agreements or participations with one or more other banks or other Persons pursuant to which each Bank may assign or participate its interest under this Agreement and the other Loan Documents, including, its interest in any particular Advance or portion thereof; provided, that (1) all assignments (other than assignments described in clause (b) hereof) shall be in minimum principal amounts of the lesser of (X) $5,000,000, and (Y) the amount of such Bank's Commitment (in a single assignment only), and (2) all assignments (other than assignments described in clause (b) hereof) and participations hereunder shall be subject to the following additional terms and conditions:

(i) No assignment (except assignments permitted in Section 11.5(b) hereof) shall be sold without the prior consent of the Administrative Agent and prior to the occurrence and continuation of an Event of Default, the consent of the Borrower, which consents shall not be unreasonably withheld;

(ii) Any Person purchasing a participation or an assignment of any portion of the Loans from any Bank shall be required to represent and warrant that its purchase shall not constitute a "prohibited transaction" (as defined in Section 4.1(m) hereof);

(iii) The Borrower, the Banks, and the Administrative Agent agree that assignments permitted hereunder (including the assignment of any Advance or portion thereof) may be made with all voting rights, and shall be made pursuant to an Assignment and Assumption Agreement substantially in the form of Exhibit O attached hereto. An administrative fee of $3,500 shall be payable to the Administrative Agent by the assigning Bank at the time of any assignment under this Section 11.5(c);

(iv) No participation agreement shall confer any rights under this Agreement or any other Loan Document to any purchaser thereof, or relieve any issuing Bank from any of its obligations under this Agreement, and all actions hereunder shall be conducted as if no such participation had been granted; provided, however, that any participation agreement may confer on the participant the right to approve or disapprove decreases in the interest rate, increases in the principal amount of the Loans participated in by such participant, decreases in fees, extensions of the

Maturity Date or other principal payment date for the Loans or of the scheduled reduction of the Commitment and releases of Collateral;

(v) Each Bank agrees to provide the Administrative Agent and the Borrower with prompt written notice of any issuance of participations in or assignments of its interests hereunder;

(vi) No assignment, participation or other transfer of any rights hereunder or under the Notes shall be effected that would result in any interest requiring registration under the Securities Act of 1933, as amended, or qualification under any state securities law;

(vii) No such assignment may be made to any bank or other financial institution (x) with respect to which a receiver or conservator (including, without limitation, the Federal Deposit Insurance Corporation, the Resolution Trust Company or the Office of Thrift Supervision) has been appointed or (y) that is not "adequately capitalized" (as such term is defined in Section 131(b)(1)(B) of the Federal Deposit Insurance Corporation Improvement Act as in effect on the Agreement Date); and

(viii) If applicable, each Bank shall, and shall cause each of its assignees to, provide to the Administrative Agent on or prior to the effective date of any assignment an appropriate Internal Revenue Service form as required by Applicable Law supporting such Bank's or assignee's position that no withholding by the Borrower or the Administrative Agent for U.S. income tax payable by such Bank or assignee in respect of amounts received by it hereunder is required. For purposes of this Agreement, an appropriate Internal Revenue Service form shall mean Form 1001 (Ownership Exemption or Reduced Rate Certificate of the U.S. Department of Treasury), or Form 4224 (Exemption from Withholding of Tax on Income Effectively Connected with the Conduct of a Trade or Business in the United States), or any successor or related forms adopted by the relevant U.S. taxing authorities.

(d) Except as specifically set forth in Section 11.5(b) or (c) hereof, nothing in this Agreement or the Notes, expressed or implied, is intended to or shall confer on any Person other than the respective parties hereto and thereto and their successors and assignees permitted hereunder and thereunder any benefit or any legal or equitable right, remedy or other claim under this Agreement or the Notes.

(e) In the case of any participation, all amounts payable by the Borrower under the Loan Documents shall be calculated and made in the manner and to the parties hereto as if no such participation had been sold.

(f) The provisions of this Section 11.5 shall not apply to any purchase of participations among the Banks pursuant to Section 2.11 hereof.

Section 11.6 Accounting Principles. All references in this Agreement to GAAP shall be to such principles as in effect from time to time. All accounting terms used herein without definition shall be used as defined under GAAP. All references to the financial statements of the Borrower and to its Operating Cash Flow, Total Debt, Fixed Charges, Pro Forma Debt Service, and other such terms shall be deemed to refer to such items of the Borrower and its Restricted Subsidiaries, on a fully consolidated basis. The Borrower shall deliver to the Banks at the same time as the delivery of any quarterly or annual financial statements required pursuant to Section 6.1 or 6.2 hereof, as applicable, (a) a description in reasonable detail of any material variation between the application of GAAP employed in the preparation of such statements and the application of GAAP employed in the preparation of the next preceding quarterly or annual financial statements, as applicable, and (b) reasonable estimates of the differences between such statements arising as a consequence thereof. If, within thirty (30) days after the delivery of the quarterly or annual financial statements referred to in the immediately preceding sentence, the Majority Banks shall object in writing to the Borrower's determining compliance hereunder on such basis, (1) calculations for the purposes of determining compliance hereunder shall be made on a basis consistent with those used in the preparation of the latest financial statements as to which such objection shall not have been made, or (2) if requested by the Borrower, the Majority Banks will negotiate in good faith to amend the covenants herein to give effect to the changes in GAAP in a manner consistent with this Agreement (and so long as the Borrower complies in good faith with the provisions of this Section 11.6, no Default or Event of Default shall occur hereunder solely as a result of such changes in GAAP).

Section 11.7 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument.

Section 11.8 Governing Law. This Agreement and the Notes shall be construed in accordance with and governed by the internal laws of the State of New York applicable to agreements made and to be performed in New York. If any action or proceeding shall be brought by the Administrative Agent or any Bank hereunder or under any other Loan Document in order to enforce any right or remedy under this Agreement or under any Note or any other Loan Document, the Borrower hereby consents and will, and the Borrower will cause each Restricted Subsidiary to, submit to the jurisdiction of any state or federal court of competent jurisdiction sitting within the area comprising the Southern District of New York on the date of this Agreement. The Borrower, for itself and on behalf of its Restricted Subsidiaries, hereby agrees that, to the extent permitted by Applicable Law, service of the summons and complaint and all other process which may be served in any such suit, action or proceeding may be effected by mailing by registered mail a copy of such process to the

offices of the Borrower at the address given in Section 11.1 hereof and that personal service of process shall not be required. Nothing herein shall be construed to prohibit service of process by any other method permitted by law, or the bringing of any suit, action or proceeding in any other jurisdiction. The Borrower agrees that final judgment in such suit, action or proceeding shall be conclusive and may be enforced in any other jurisdiction by suit on the judgment or in any other manner provided by Applicable Law.

Section 11.9 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 11.10 Interest.

(a) In no event shall the amount of interest due or payable hereunder or under the Notes exceed the maximum rate of interest allowed by Applicable Law, and in the event any such payment is inadvertently made by the Borrower or inadvertently received by the Administrative Agent or any Bank, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify the Administrative Agent or such Bank, in writing, that it elects to have such excess sum returned forthwith. It is the express intent hereof that the Borrower not pay and the Administrative Agent and the Banks not receive, directly or indirectly in any manner whatsoever, interest in excess of that which may legally be paid by the Borrower under Applicable Law.

(b) Notwithstanding the use by the Banks of the Base Rate and the LIBOR as reference rates for the determination of interest on the Loans, the Banks shall be under no obligation to obtain funds from any particular source in order to charge interest to the Borrower at interest rates related to such reference rates.

Section 11.11 Table of Contents and Headings. The Table of Contents and the headings of the various subdivisions used in this Agreement are for convenience only and shall not in any way modify or amend any of the terms or provisions hereof, nor be used in connection with the interpretation of any provision hereof.

Section 11.12 Amendment and Waiver. Neither this Agreement nor any Loan Document nor any term hereof or thereof may be amended orally, nor may any provision hereof or thereof be waived orally but only by an instrument in writing signed by or at the direction of the Majority Banks and, in the case of an amendment, by the Borrower, except that in the event of (a) any increase in the amount of any Bank's portion of the Commitment, (b) any delay or extension in the terms of repayment of the Loans provided in Section 2.5 or 2.7 hereof, (c) any reduction in principal, interest or fees due hereunder or postponement of the payment thereof without a corresponding payment of such principal, interest or fee

amount by the Borrower, (d) any release of any portion of the Collateral for the Loans, except under Section 7.4 hereof, (e) any waiver of any Default due to the failure by the Borrower to pay any sum due to any of the Banks hereunder, (f) any release of any Guaranty of all or any portion of the Obligations, except in connection with a merger, sale or other disposition otherwise permitted hereunder (in which case, such release shall require no further approval by the Banks), (g) any amendment to the pro rata treatment of the Banks set forth in Section 2.11 hereof, or (h) any amendment of this Section 11.12, of the definition of Majority Banks, or of any Section herein to the extent that such Section requires action by all Banks, any amendment or waiver or consent may be made only by an instrument in writing signed by each of the Banks and, in the case of an amendment, by the Borrower. Any amendment to any provision hereunder governing the rights, obligations, or liabilities of the Administrative Agent in its capacity as such, may be made only by an instrument in writing signed by such affected Person and by each of the Banks.

Section 11.13 Entire Agreement. Except as otherwise expressly provided herein, this Agreement and the other documents described or contemplated herein will embody the entire agreement and understanding among the parties hereto and thereto and supersede all prior agreements and understandings relating to the subject matter hereof and thereof.

Section 11.14 Other Relationships. No relationship created hereunder or under any other Loan Document shall in any way affect the ability of the Administrative Agent and each Bank to enter into or maintain business relationships with the Borrower or any of its Affiliates beyond the relationships specifically contemplated by this Agreement and the other Loan Documents.

Section 11.15 Directly or Indirectly. If any provision in this Agreement refers to any action taken or to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person, whether or not expressly specified in such provision.

Section 11.16 Reliance on and Survival of Various Provisions. All covenants, agreements, statements, representations and warranties made herein or in any certificate delivered pursuant hereto (a) shall be deemed to have been relied upon by the Administrative Agent and each of the Banks notwithstanding any investigation heretofore or hereafter made by them, and (b) shall survive the execution and delivery of the Notes and shall continue in full force and effect so long as any Note is outstanding and unpaid. Any right to indemnification hereunder, including, without limitation, rights pursuant to Sections 2.10, 2.12, 5.12, 10.3 and 11.2 hereof, shall survive the termination of this Agreement and the payment and performance of all Obligations.

Section 11.17 Senior Debt. The Obligations are secured by the Security Documents and are intended by the parties hereto to be in parity with the Interest Hedge Agreements and senior in right of payment to all other Indebtedness of the Borrower.

Section 11.18 Obligations. The obligations of the Administrative Agent and each of the Banks hereunder are several, not joint.

Section 11.19 Confidentiality. The Banks shall hold all non-public, proprietary or confidential information (which has been identified as such by the Borrower) obtained pursuant to the requirements of this Agreement in accordance with their customary procedures for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, however, the Banks may make disclosure of any such information to their examiners, Affiliates, outside auditors, counsel, consultants, appraisers and other professional advisors in connection with this Agreement or as reasonably required by any proposed syndicate member or any proposed transferee or participant in connection with the contemplated transfer of any Note or participation therein or as required or requested by any governmental authority or representative thereof or in connection with the enforcement hereof or of any Loan Document or related document or pursuant to legal process or with respect to any litigation between or among the Borrower and any of the Banks, so long as the person (other than any examiners) receiving such information is advised of the provisions of this Section 11.19 and agrees to be bound thereby. In no event shall any Bank be obligated or required to return any materials furnished to it by the Borrower. The foregoing provisions shall not apply to a Bank with respect to information that (i) is or becomes generally available to the public (other than through such Bank), (ii) is already in the possession of such Bank on a nonconfidential basis, or (iii) comes into the possession of such Bank in a manner not known to such Bank to involve a breach of a duty of confidentiality owing to the Borrower.

ARTICLE 12 Waiver of Jury Trial

Section 12.1 Waiver of Jury Trial. THE BORROWER, FOR ITSELF AND ON BEHALF OF ITS RESTRICTED SUBSIDIARIES, AND THE ADMINISTRATIVE AGENT AND THE BANKS, HEREBY AGREE, TO THE EXTENT PERMITTED BY LAW, TO WAIVE AND HEREBY WAIVE THE RIGHT TO A TRIAL BY JURY IN ANY COURT AND IN ANY ACTION OR PROCEEDING OF ANY TYPE IN WHICH THE BORROWER, ANY OF THE BORROWER'S RESTRICTED SUBSIDIARIES, ANY OF THE BANKS, THE ADMINISTRATIVE AGENT OR ANY OF THEIR RESPECTIVE SUCCESSORS OR ASSIGNS IS A PARTY, AS TO ALL MATTERS AND THINGS ARISING DIRECTLY OR INDIRECTLY OUT OF THIS AGREEMENT, ANY OF THE NOTES OR THE OTHER LOAN DOCUMENTS AND THE RELATIONS AMONG THE PARTIES LISTED IN THIS SECTION 12.1. EXCEPT AS PROHIBITED BY LAW, EACH

PARTY TO THIS AGREEMENT WAIVES ANY RIGHTS IT MAY HAVE TO CLAIM OR RECOVER IN ANY LITIGATION REFERRED TO IN THIS SECTION, ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES OR ANY DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES. EACH PARTY TO THIS AGREEMENT (A) CERTIFIES THAT NEITHER ANY REPRESENTATIVE, AGENT OR ATTORNEY OF THE ADMINISTRATIVE AGENT OR ANY BANK HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE ADMINISTRATIVE AGENT OR ANY BANK WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVERS AND (B) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. THE PROVISIONS OF THIS SECTION HAVE BEEN FULLY DISCLOSED BY AND TO THE PARTIES AND THE PROVISIONS SHALL BE SUBJECT TO NO EXCEPTIONS. NO PARTY HAS IN ANY WAY AGREED WITH OR REPRESENTED TO ANY OTHER PARTY THAT THE PROVISIONS OF THIS SECTION WILL NOT BE FULLY ENFORCED IN ALL INSTANCES.

EXHIBIT 10.3

FIRST AMENDMENT
TO
AMENDED AND RESTATED LOAN AGREEMENT

THIS FIRST AMENDMENT TO AMENDED AND RESTATED LOAN AGREEMENT (this "Amendment"), dated as of the 31st day of December, 1997 (the "Amendment Date"), by and among AMERICAN TOWER SYSTEMS, INC., a Delaware corporation (the "Borrower"); the FINANCIAL INSTITUTIONS SIGNATORY HERETO and TORONTO DOMINION (TEXAS), INC., as administrative agent (the "Administrative Agent") for the Banks (as defined in the Loan Agreement defined below);

W I T N E S S E T H:

WHEREAS, the Borrower, the Banks and the Administrative Agent are parties to that certain Amended and Restated Loan Agreement dated as of October 15, 1997 (as hereafter amended, modified, supplemented and restated from time to time, the "Loan Agreement"); and

WHEREAS, the Borrower has requested that the Banks consent to the Gearon Acquisition (as defined below) and the Restructure Transaction (as defined below); and

WHEREAS, the Borrower and the Banks have agreed to amend certain provisions of the Loan Agreement on the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of the premises set forth above, the covenants and agreements hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree that all capitalized terms used herein shall have the meanings ascribed thereto in the Loan Agreement, and further agree as follows:

1. Consents.

(a) Gearon Acquisition. The Borrower has requested that the Banks consent to the Acquisition by the Borrower of all of the stock of Gearon & Co., Inc. ("Gearon") through a merger by the Borrower (or any successor to the Borrower permitted herein) with Gearon, with the Borrower (or such successor) being the surviving entity as more fully described in that certain Agreement and Plan of Merger, dated as of November 21, 1997, by and among Gearon, J. Michael Gearon, Jr., the Borrower and the Parent (the "Gearon Acquisition"). Notwithstanding anything to the contrary in Section 7.6(b)(A) of the Loan Agreement, the Banks hereby consent, subject to compliance by the Borrower with Sections 5.14 and 7.4(b) of the Loan Agreement, to the Gearon Acquisition, provided, however, that (a) the total amount of consideration (which may include stock in the Parent) paid for the Gearon Acquisition does not exceed $85,000,000 and (b) the total cash consideration paid by the Borrower shall not exceed $35,000,000.

(b) Restructure Transaction. The Borrower has requested that the Banks consent to the transfer by the Borrower of substantially all of its assets to, and the assumption of all of the Obligations by, a to be formed Subsidiary ("Newco") of the Borrower (the "Restructure Transaction") with a resulting organizational structure as set forth on Schedule 1 attached hereto. Following the assumption, the Borrower will remain as a co-borrower under the Loan Agreement, and will retain the assets to be acquired in the Gearon Acquisition and the acquisition of American Tower Corporation. Notwithstanding anything in the Loan Agreement to the contrary, subject to the execution and delivery by the Borrower, Newco, the Administrative Agent and the Banks of an Assumption Agreement in form and substance substantially similar to Exhibit A attached hereto (the "Assumption Agreement") and satisfaction of all of the conditions set forth therein, the Banks hereby consent to the Restructure Transaction.

2. Amendments.

(a) Amendments to Article 1.

(i) Article 1 of the Loan Agreement is hereby amended by deleting the definitions of "Annualized Operating Cash Flow" and "Leverage Ratio" in their entireties and by substituting in lieu thereof the following:

"'Annualized Operating Cash Flow' shall mean (a) for any calculation date up to and including September 30, 1998, the sum of (i) the product of (A) Operating Cash Flow (Towers) for the calendar month-end being tested or the most recently completed calendar month immediately preceding such calculation date, as the case may be, times (B) twelve (12) and (ii) Operating Cash Flow (Other Business) for the twelve calendar month period ending on the calendar month end being tested or the most recently completed calendar month immediately preceding such calculation date; and (b) for any calculation date after September 30, 1998, the sum of (i) the product of (A) Operating Cash Flow (Towers) for the fiscal quarter-end being tested or the most recently completed fiscal quarter immediately preceding such calculation date, as the case may be, times (B) four (4) and (ii) Operating Cash Flow (Other Business) for the twelve calendar month period ending on the calendar month end being tested or the most recently completed calendar month immediately preceding such calculation date."

"'Leverage Ratio' shall mean, as of any date, the ratio of (a)(i) the Total Debt on such date minus (ii) the then outstanding principal amount of all Investor Notes (not to exceed $60,000,000), to (b) Annualized Operating Cash Flow."

(ii) Article 1 of the Loan Agreement is hereby amended by inserting the following new definitions in appropriate alphabetical order:

"'Gearon' shall mean Gearon & Co., Inc., a Georgia corporation."

"'Investor Notes' shall mean those certain notes received by the Parent in connection with a private placement by the Parent, which notes are secured by common stock of American Radio Systems Corporation having a market value of not less than one hundred seventy-five percent (175%) of the principal amount of such notes, which are payable in full contemporaneously with the merger of the Parent with R Acquisition Corp., a wholly-owned Subsidiary of CBS Corporation and which notes have been assigned (on terms and conditions satisfactory to the Banks) to the Administrative Agent as Collateral for the Obligations; provided, however, that none of the foregoing notes shall qualify as, or continue to qualify as, "Investor Notes" hereunder if such notes are, on the date of determination, in default in any respect."

"'Significant Default' shall mean an Event of Default under Sections 8.1(b), 8.1(c) or 8.1(h) hereof."

(b) Amendment to Article 2. Article 2 of the Loan Agreement, Loans, is hereby amended by deleting Section 2.7(b)(v) in its entirety and by substituting the following in lieu thereof:

"(v) Reduction from Payment of Investor Notes. On the Business Day following receipt by the Borrower of any payment with respect to any Investor Note, the Borrower shall make a repayment of the Loan by an amount equal to the amount of such payment.

(vi) Maturity Date. In addition to the foregoing, a final payment of all Obligations then outstanding shall be due and payable on the Maturity Date."

(c) Amendment to Article 5. Article 5 of the Loan Agreement, General Covenants, is hereby amended by deleting Section 5.11 thereof, Real Estate, in its entirety and by substituting the following in lieu thereof:

"Section 5.11 Real Estate. The Borrower shall, and shall cause its Restricted Subsidiaries to on or prior to June 30, 1998, and, thereafter, within thirty (30) days of the acquisition of any real estate permitted under Section 7.13 hereof provide an executed mortgage to the Administrative Agent in favor of the Administrative Agent securing the Obligations (or such amount thereof as is equal to the fair market value of such real estate if the Majority Banks so permit), in form and substance reasonably satisfactory to the Administrative Agent, covering the parcels of real estate owned by the Borrower or any of its Restricted Subsidiaries; provided, however, that the Administrative Agent shall not record any of such mortgages unless and until a Significant Default shall have occurred and shall be continuing. The Administrative Agent is hereby authorized by the Borrower to cause any or all of the foregoing mortgages to be recorded upon the occurrence and during the continuance of a Significant Default."

(d) Amendment to Article 6. Article 6 of the Loan Agreement, Information Covenants, is hereby amended by deleting Section 6.6 thereof, Real Estate, in its entirety.

(e) Amendments to Article 7. Article 7 of the Loan Agreement, Negative Covenants, is hereby amended by adding the following new subsections to Section 7.6, Investments and Acquisitions, thereof:

"(c) loans or advances to Gearon, as contemplated by that certain Agreement and Plan of Merger, dated as of November 21, 1997, by and among Gearon, J. Michael Gearon, Jr., the Borrower and the Parent, not to exceed $10,000,000 (so long as such loans and advances are evidenced by a promissory note); and

(d) the Borrower may own the Investor Notes."

3. No Other Amendment or Waiver. Except for the amendment set forth above, the text of the Loan Agreement and all other Loan Documents shall remain unchanged and in full force and effect. No waiver by the Administrative Agent or the Banks under the Loan Agreement or any other Loan Document

is granted or intended except as expressly set forth herein, and the Administrative Agent and the Banks expressly reserve the right to require strict compliance in all other respects (whether or not in connection with any Requests for Advance). Except as set forth herein, the amendment agreed to herein shall not constitute a modification of the Loan Agreement or any of the other Loan Documents, or a course of dealing with the Administrative Agent and the Banks at variance with the Loan Agreement or any of the other Loan Documents, such as to require further notice by the Administrative Agent, the Banks or the Majority Banks to require strict compliance with the terms of the Loan Agreement and the other Loan Documents in the future.

4. Loan Documents. This document shall be deemed to be a Loan Document for all purposes under the Loan Agreement and the other Loan Documents.

5. Counterparts. This Amendment may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument.

6. Governing Law. This Amendment shall be construed in accordance with and governed by the laws of the State of New York.

7. Severability. Any provision of this Amendment which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

WHEREAS, American Tower, the Administrative Agent and the Banks are parties to that certain Amended and Restated Loan Agreement dated as of October 15, 1997 (as heretofore and hereafter amended, modified, supplemented or restated from time to time, the "Loan Agreement"), whereby the Banks agreed to extend loans to American Tower; and

WHEREAS, the Parent has heretofore executed and delivered to the Administrative Agent and the Banks that certain Amended and Restated Parent Pledge Agreement dated as of October 15, 1997 (the "Parent Pledge Agreement"); and

WHEREAS, American Tower has requested that the Banks consent to an assumption by Newco of all of the Obligations and all of the other obligations under the Loan Agreement, the Notes (as defined in the Loan Agreement) and the other Loan Documents (as defined in the Loan Agreement) and the creation of a co-borrower arrangement with Newco and American Tower as borrowers under the Loan Agreement; and

WHEREAS, the Administrative Agent and the Banks have agreed to such assumption only on the terms and conditions set forth herein;

NOW, THEREFORE, for and in consideration of the foregoing premises, and the mutual agreements and covenants herein contained, the parties hereto agree that capitalized terms used herein shall, unless otherwise defined herein, have the meaning ascribed thereto in the Loan Agreement and further agree as follows:

1. Consent and Release. With respect to any Nonassignable Contract for which the applicable consent of the third party is not obtained prior to the Termination Date and for which ATS does not timely deliver an Acceptance Notice as described in the preceding sentence, the rights and obligations of the parties shall be as follows unless otherwise agreed by Meridian and ATS in writing: (1) if obtaining such approval or consent was a condition to ATS's obligations at the Closing pursuant to the provisions of Section 6.1(a), 6.2(d) or 6.2(m), this Agreement shall terminate in the manner described in Section 7.2(a); and (2) if obtaining such approval or consent was not such a condition to ATS's obligations, the purchase and sale contemplated hereunder shall proceed in accordance with all the terms of this Agreement, except that the Nonassignable Contract shall no longer constitute part of the "Meridian Assets" and Meridian shall retain all benefits and liabilities thereunder.

(b) Except for the Meridian Assumed Obligations or as expressly provided in this Agreement, ATS shall not assume or become obligated to perform any debt, liability or obligation of Meridian or relating to the ownership or operation of any of the Meridian Assets or the conduct of the Meridian Business whatsoever, including without limitation the following:

Meridian (including without limitation any obligation to any Meridian Employee for severance benefits, vacations time or sick leave), and any of the following to the extent same arise from Events occurring prior to or existing on the Closing Date: products liability, Legal Actions or other Claims, and obligations and liabilities relating to Environmental Law;

(ii) any obligations or liabilities under the ATS Assumable Agreements relating to the period prior to the Closing;

(v) any liability or obligation from or relating to breach of any warranty or any misrepresentation by Meridian under this Agreement or any Collateral Document;

(vi) any liability or obligation from or relating to breach or violation of, or failure to perform, any of Meridian's obligations, covenants, agreements or undertakings set forth in this Agreement or any Collateral Document, including without limitation Article 5 of this Agreement;

(vii) any obligation or liability relating to any Excluded Asset;

The term "ATS Assumable Agreements" shall mean all obligations and liabilities of Meridian under all Contractual Obligations, Governmental Authorizations and Private Authorizations relating to the ownership or operation of any of the Meridian Assets or the conduct of the Meridian Business, other than any Meridian Nonassumed Obligation.

(c) Notwithstanding anything contained in this Agreement to the contrary, except as set forth in Article 8 or Section 2.2(c) of the Meridian Disclosure Schedule, all items of income and expense (including without limitation with respect to rent, utility charges, Pro Ratable Taxes and wages, salaries and accrued but unused vacation of Meridian employees) arising from the ownership or operation of the Meridian Assets or the conduct of the Meridian Business shall be prorated as of 12:01 a.m., Eastern time, on the Closing Date, with Meridian entitled to and responsible for any such items on or prior to the Closing Date and ATS entitled to and responsible for any such items relating to any subsequent period. For these purposes, Pro Ratable Taxes attributable to a period that begins

before and ends after the Closing Date shall be treated on a "closing of the books" basis as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the Meridian Disclosure Schedule, with sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, Meridian and ATS shall, within the following ten (10) days, jointly designate a nationally known independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by Meridian and ATS. Such firm shall report its conclusions as to such items and other adjustments pursuant to this Section and such report shall be conclusive on all parties to this Agreement and not subject to dispute or review. Upon such agreement or determination by such independent accounting firm, Meridian or ATS, as the case may be, shall promptly reimburse the other party for any income received or expenses paid by the other party and not previously reimbursed or any other adjustment required by this Section. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, ATS shall be solely responsible for the payment of, and shall defend, indemnify and hold harmless Meridian, its officers, directors and shareholders from, any and all supplemental or additional real property or personal property taxes assessed on or in connection with the Meridian Assets or any part thereof, which arise from the transactions contemplated by this Agreement, except as otherwise provided in Section 9.3 with respect to California or other sales and/or use taxes, and documentary or governmental transfer or stamp taxes arising from the purchase and sale of the Meridian Assets and the Meridian Business contemplated hereby.

Nothing contained in this Section 2.2(c) is intended or shall be deemed to amend or modify the indemnification provisions of Article 8 nor to reallocate responsibility for the matters set forth therein.

2.3 Closing; Purchase Price. The closing of the Transactions (the "Closing") shall take place at Levinson, Miller, Jacobs & Phillips, 1875 Century Park East, Los Angeles, California 90067, at 10:00 a.m., local time, on the date on or prior to June 30, 1997 which is five (5) business days after all of the conditions specified in Article 6 (other than those which are to be satisfied at the Closing) have been satisfied or waived in writing or such other date, prior to the Termination Date, as the parties may agree (the "Closing Date"). At the Closing, each of the parties shall deliver such bills of sale, assignments, assumptions of liabilities and other instruments and documents as are described in this Agreement or as may be otherwise reasonably requested by the parties and their respective counsel. The purchase price for the Meridian Assets and the Meridian Business (the "Purchase Price") shall be an amount equal to $4,811,000, plus an amount equal to the Construction Adjustment. The term "Construction Adjustment" shall mean an amount equal to the aggregate amount actually paid by Meridian after June 13, 1996 and prior to the Closing Date with respect to the costs and expenses incurred in the acquisition and construction of those certain projects (collectively, the "New Sites") (a) described in Section 2.3 of the Meridian Disclosure Schedule or (b) acquired after the date of this Agreement with the prior written consent of ATS, which consent

shall not be unreasonably withheld, other than, in all cases, those costs and expenses which are unreasonable or to which ATS shall have objected in writing prior to their incurrence or commitment by Meridian. The Purchase Price shall be payable by wire transfer of immediately available funds (a) to the Indemnity Escrow Agent (or as it may designate) pursuant to the provisions of the Indemnity Escrow Agreement in the amount of $481,000 minus an amount equal to
-----
the amount, if any, expended by Meridian subsequent to the date of this Agreement pursuant to a mutually agreed upon designation of Meridian and ATS entitled an "Indemnity Escrow Fund Reducing Expense" to remedy any misrepresentation, breach of warranty or other breach or defect (the "Indemnity Escrow Fund") and (b) to Meridian for the balance of the purchase price to such account as is designated by Meridian in written instructions to ATS delivered not later than two (2) business days prior to the Closing.

The parties hereto have heretofore agreed upon an allocation schedule (the "Tax Allocation Schedule") pursuant to which the Purchase Price shall be allocated among the Meridian Assets. Each of Meridian and ATS shall report the purchase and sale of the Meridian Assets and the Meridian Business and the other Transactions in accordance with the Tax Allocation Schedule (as adjusted for Events between the date hereof and the Closing Date) for purposes of all federal, state and local Tax Returns and shall not take, and shall cause their respective Affiliates, representatives, successors and assigns not to take, any position on any federal, state or local Tax Return or report, inconsistent with such reporting position. Each of Meridian and ATS shall promptly give the other notice of any disallowance of or challenge to such reporting by any Taxing Authority. Notwithstanding the provisions of this Section, the parties to this Agreement will rely solely on their own advisors in determining the tax consequences of the transactions contemplated by this Agreement and each party is not relying, and will not rely, on any representations or assurances of any other party regarding such consequences other than the representations, warranties, covenants and agreements set forth in writing in this Agreement or furnished pursuant to the provisions hereof.

2.4 Accounts Receivable. At the closing, Meridian shall appoint ATS its
---
agent for the purpose of collecting all Accounts Receivable relating to the Meridian Business. Meridian shall deliver to ATS on or as soon as practicable after the Closing Date a complete and detailed statement showing the name, amount and age of each Accounts Receivable of the Meridian Business. Subject to and limited by the following, revenues relating to the Accounts Receivable relating to the Meridian Business will be for the account of Meridian. ATS shall use its reasonable business efforts to collect the Accounts Receivable with respect to the Meridian Business for a period of ninety (90) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is an Accounts Receivable with respect to the Meridian Business shall first be applied in reduction of the Accounts Receivable, unless the customer contests in writing the validity of such application. During the Collection Period, ATS shall furnish Meridian with a list of, and pay over to Meridian, the amounts collected with respect to the Accounts Receivable with respect to the Meridian Business on a bi-weekly basis and forward to Meridian, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to Accounts Receivable. ATS shall provide Meridian with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually and in good faith analyze any uncollected Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Accounts Receivable. As to each such Accounts

Receivable, the parties shall negotiate a good faith value of such Accounts Receivable, which ATS shall pay to Meridian if ATS, in its sole discretion, chooses to retain such Accounts Receivable. Meridian shall retain the right to collect any of its Accounts Receivable as to which the parties are unable to reach agreement as to a good faith value, and ATS agrees to turn over to Meridian any payments received against any such Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Accounts Receivable assigned to it for collection hereunder or to refer any of such Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Accounts Receivable, except with the approval of Meridian. ATS shall not incur any liability to Meridian for any uncollected account unless ATS shall have engaged in willful misconduct or gross negligence in the performance of its obligations set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither Meridian nor its agents shall make any direct solicitation of the Accounts Receivable for collection purposes, except for Accounts Receivable retained by Meridian after the Collection Period. The provisions of this Section shall not apply to those certain Accounts Receivable set forth in Section 2.4 of the Meridian Disclosure Schedule or to any other Accounts Receivable which Meridian, in its sole business judgment, determines will require extraordinary collection efforts or referrals to a collection agency or attorney for collection (collectively, the "Retained Accounts Receivable"), provided the Retained Accounts Receivable are set forth in a written notice delivered to ATS by Meridian on or prior to the Closing Date. As to all Retained Accounts Receivable, Meridian shall retain the sole and exclusive right to collect same as Meridian in its sole discretion may determine.

(c) Except as set forth in Section 3.1(c) of the Meridian Disclosure Schedule, and except for matters which would have no Material Adverse Effect on ATS, neither the execution and delivery by Meridian of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by Meridian of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by Meridian:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of Meridian or any Applicable Law (which, for purposes of this Section 3.1(c)(i), relates only to the sale of the Meridian Assets and the Meridian Business generally and not to local Applicable Law) on the part of Meridian, or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of Meridian, other than those constituting Meridian Nonassumed Obligations; or

(ii) will require Meridian to make or obtain any Governmental Authorization or Filings (which, for purposes of this Section 3.1(c)(ii), relates only to the sale of the Meridian Assets and the Meridian Business generally and not to "site-specific" authorizations or those required by local Applicable Law) or Private Authorization including without limitation under the FCA, except for filings under the Hart-Scott-Rodino Act.

The representations, warranties, covenants and agreements of the parties contained in or made pursuant to this Agreement or any Collateral Document (including without limitation the indemnification obligations set forth in this Article) shall, except as provided in Section 8.3(e), survive the Closing and shall remain operative and in full force and effect, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto, for a period of two (2) years after the Closing Date (the "Indemnity Period"); provided, however, that notwithstanding the foregoing (a) the representations and warranties referred to in (i) Section 3.21 shall survive for a period of four (4) years after the Closing Date, and (ii) Sections 3.1 (to the extent they relate to valid existence of Meridian, partnership power and partnership authority of Meridian, the due execution, delivery and performance by Meridian of this Agreement and each Collateral Document, and the legal, valid, binding and enforceable nature of this Agreement and each Collateral Document on Meridian), 3.12, and 4.1 (to the extent they related to due organization, valid existence and good standing of ATS, corporate power and corporate authority of ATS, the due execution, delivery and performance by ATS of this Agreement and each Collateral Document, and the legal, valid, binding and enforceable nature of this Agreement and each Collateral Document of ATS) shall survive for the applicable statute of limitations, (b) those covenants and agreements set forth in Sections 5.1, 5.2(b) and 5.2(c) and Article 9 shall survive for the statute of limitations applicable to contracts, (c) the indemnification obligations of ATS set forth in Section 8.2(c), to the extent same relate to New Site Assumed Obligations or to obligations and liabilities under ATS Assumable Agreements applicable to periods from and after the Closing Date, shall survive until all liabilities and obligations which are the subject thereof have been paid or discharged in full, and (d) the indemnification obligations of ATS referred to in Section 8.2(e) shall survive until all liabilities and obligations which are the subject thereof have been paid or discharged in full. No claim for indemnification, other than with respect to fraud, may be asserted after the expiration of the Indemnity Period, except as provided in this Section and Section 8.3(d). Notwithstanding anything herein to the contrary, any representation, warranty, covenant and agreement which arises and is the subject of a Claim which is asserted in writing prior to the expiration of the Indemnity Period shall

survive with respect to such Claim or any dispute with respect thereto until the final resolution thereof.

8.2 Indemnification.

(a) Each of Meridian and ATS (the "indemnifying party") agrees that on and after the Closing it shall indemnify and hold harmless the other (the "indemnified party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document (collectively, "Loss and Expense"), suffered, directly or indirectly, by the indemnified party by reason of, or arising out of:

(i) any breach of representation or warranty made by the indemnifying party pursuant to this Agreement or any Collateral Document or any failure by the indemnifying party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document (including without limitation any Legal Action or other Claim by any third party which Claim is based upon a breach or alleged breach of representation or warranty by the indemnifying party pursuant to this Agreement or any Collateral Document); or

(ii) in the case of Meridian as the indemnifying party, the failure of Meridian to comply with Bulk Sales law of the State of California.

(b) Meridian agrees that from and after the Closing it shall indemnify and hold harmless ATS and each of its officers, directors, stockholders, and any of their respective heirs, executors, representatives, successors and assigns, from and against any and all Loss and Expense suffered, directly or indirectly, by any of them by reason of, or arising out of, including without limitation any Legal Action or other Claim that relates to Meridian Nonassumed Obligations or the ownership and operation of the Meridian Assets and the Meridian Business prior to the Closing Date; provided, that the foregoing obligation shall not extend to any Claim, Legal Action, Loss or Expense from or relating to (i) the condition of physical assets which, pursuant to the provisions of Section 4.5, are being sold hereunder on an "AS IS" basis, (ii) Events, Contracts, transactions, acts, omissions, agreements, matters or things the existence or nonexistence of which is disclosed with reasonable specificity in the Meridian Disclosure Schedule or in the documents reference therein (to the extent copies thereof have been furnished to ATS), except to the extent, if at all, Section 8.2(b) of the Meridian Disclosure Schedule specifically indicates to the contrary, (iii) Environmental Law or environmental matters, except to the extent Meridian is in breach of the representations and warranties set forth in Section 3.21 with respect thereto, or (iv) matters of a type described in Section 8.2(d).

(c) ATS agrees that from and after the Closing it shall indemnify and hold harmless Meridian and each of its partners and each officer, director, stockholder and beneficiary of any of Meridian's partners and any of the respective heirs, executors, trustees, beneficiaries, representatives, successors and assigns of any of the foregoing (collectively, the "Meridian Indemnified Parties") from and against any and all Loss and Expense suffered, directly of indirectly,

by any of them by reason of, or arising out of, including without limitation any Legal Action or other Claim that relates to, (i) Meridian Assumed Obligations or (ii) the ownership and operation of the Meridian Assets and the Meridian Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the Meridian Assumed Obligations or are within the provisions of Section 8.2(d).

(d) Notwithstanding any provision of this Agreement to the contrary, ATS agrees that from and after the Closing it shall indemnify and hold harmless Meridian and each of the other Meridian Indemnified Parties from and against any Legal Action or other Claim arising from damage or injury to person or property (including wrongful death) based upon, involving or arising out of the ownership or operation (whether prior to or after the Closing Date) of the Meridian Assets and the Meridian Business; provided, however, that nothing contained in this Section is intended to relieve Meridian of its obligations set forth in Section 8.2(a).

(e) ATS agrees that from and after the Closing, it shall indemnify and hold harmless Meridian and each of the other Meridian Indemnified Parties from and against the following:

(i) Such matters as are the subject of ATS's indemnification obligations under the Nonassignable Contracts Agreement described in Section 6.2(o); and

(ii) All Loss and Expense suffered, directly or indirectly, by any of them by reason of, or arising out of, the use by ATS of audited financial statements relating to the Meridian Business as described in Section 5.2(c); provided, however, that notwithstanding the foregoing, to the extent (A) such Loss and Expense is attributable to a breach of warranty and a misrepresentation from those contained in Section 3.2 of this Agreement and (B) at the time ATS is obligated to make indemnification under this subparagraph (ii) or any ATS Affiliate is so obligated pursuant to the provision of any agreement executed pursuant to the provisions of Section 5.2(c) there are Escrow Indemnity Funds to cover all or part of such obligation, then ATS may utilize such Escrow Indemnity Funds to discharge that portion of its or such Affiliate's obligation as is commensurate with the amount of Escrow Indemnity Funds so available.

8.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 8.2, after the Closing, except as otherwise provided in Section 8.6, each indemnifying party's rights to indemnification shall be subject to the following limitations: (i) the indemnified party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $25,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $25,000), and (ii) in no event shall the aggregate amount required to be paid pursuant to the provisions of this Article exceed the Escrow Indemnity Fund in the case of Meridian or $481,100 in the case of ATS' obligations under Sections 8.2(a) and 8.2(c); provided, that ATS's obligation to indemnify Meridian or other Persons from (x) New Site Assumed Obligations, (y) liabilities or obligations arising after the Closing Date pursuant to ATS Assumable Agreements, or (z) liabilities or obligations referred to in Section 8.2(e), shall be subject to no maximum dollar limitation.

(b) Anything in this Agreement, including without limitation the provisions of Sections 8.2 or 8.3(a), to the contrary notwithstanding, except as provided in Sections 8.3(d) and 8.6, (i) the exclusive recourse of ATS with respect to the liability of Meridian pursuant to Section 8.2 or any other provision of this Agreement or Applicable Law which requires Meridian to defend, indemnify or hold harmless ATS from or against any Claim, Loss or Expense shall be the Escrow Indemnity Fund; and (ii) ATS's remedies for any such liability of Meridian, or for any Claim or Loss or Expense arising under this Agreement, shall be limited to its right to recover from the Escrow Indemnity Funds in accordance with the provisions of the Escrow Indemnity Agreement, and neither ATS nor any of its officers, directors, shareholders, agents or Affiliated Entities shall have any right of recovery against Meridian or any other Meridian Indemnified Party or against the assets of any of them for any such liability.

(c) In the event there shall be no Claims pursuant to the provisions of this Agreement with respect to the Escrow Indemnity Funds, if any, existing at the expiration of the Indemnity Period, the Escrow Indemnity Funds then remaining (together with any then existing interest or earnings) shall be distributed to the Persons entitled thereto. In the event one or more such Claims with respect to the Escrow Indemnity Funds, if any, shall exist upon the expiration of the Indemnity Period, funds in an amount equal to the sum of (i) the aggregate amount of such Claims and (ii) the amount reasonably necessary to cover the fees, expense and other costs (including reasonable counsel fees and expenses) which will be required to resolve such Claims shall be retained as part of the Escrow Indemnity Funds and the balance thereof, if any, shall be distributed to the Persons entitled thereto. Upon the resolution of all such Claims and the payment of all such fees, expenses and costs out of the Escrow Indemnity Funds, the remainder of the Escrow Indemnity Funds, if any, shall be distributed to the Persons entitled thereto.

(d) If, following the expiration of the Indemnity Period and the distribution to Meridian or any other Person claiming by, through or in the name of Meridian of any remaining Escrow Indemnity Funds, ATS becomes entitled to indemnification for Loss and Expense suffered by ATS arising from (i) any misrepresentation or breach of warranty with respect to the matters referred to in clause (a) of the proviso or (ii) any breach of the covenants and agreements referred to in clause (b) of the proviso, in each case in the first sentence of Section 8.1, then, subject to the limitation periods stated in such proviso, ATS may pursue its Claim for such indemnification directly against Meridian, its partners, and their successors and assigns; provided, however, that the maximum amount of liability in the aggregate of Meridian (its partners and their successors and assigns) for any and all such Claims shall be the amount of Escrow Indemnity Funds that were distributed to Meridian or any other Person (other than a claimant whose Claim is alleged by ATS to be subject to satisfaction from the Indemnity Escrow Fund) claiming by, through or in the name of Meridian (including without limitation Meridian's, its partners or their successors, assigns, trustees, beneficiaries, representatives, heirs or executors) upon the expiration of the Indemnity Period or thereafter.

(e) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto. No indemnifying party shall be liable under this Article for a loss resulting from any

event relating to a misrepresentation or breach of warranty if the indemnifying party can establish that the indemnified party had actual knowledge on or before the Closing Date of such event and did not, on or before the Closing Date, reserve its rights with respect thereto.

8.4 Notice of Claims. If an indemnified party believes that it has suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 8.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify prejudices such indemnifying party's ability to defend against such Claim.

8.5 Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party; provided, however, that if the indemnified party fails or refuses to consent in writing to any compromise of settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") within ten (10) business days after receipt of written notice of all of the material terms and conditions of the Settlement Proposal, and such terms and conditions (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement Proposal and (b) if the indemnified party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership and operations of the Meridian Assets and the conduct of the Meridian Business in substantially the manner theretofore owned, operated and conducted by Meridian, then, unless the indemnifying party forthwith withdraws the Settlement Proposal, the indemnified party (i) shall have the right but not the obligation to undertake the conduct of the defense of such Legal Action or other Claim, and (ii) whether or not it shall so undertake the defense of such Legal Action or other Claim, shall bear, and shall indemnify and hold the indemnifying party harmless from, all Loss and Expense arising from such Legal Action or other Claim (to the extent not theretofore (x) accrued with respect to the costs and expenses of the defense of such Legal Action or other Claim or (y) paid with respect to such Legal Action or other Claim) in excess of the amount contained in the Settlement Proposal, it being understood, in such event, that the indemnifying party shall bear all Loss and Expense, including subsequently incurred Loss and Expense (including without limitation those attributable to legal fees and expenses) up to the amount

contained in the Settlement Proposal, even if the ultimate disposition of such Legal Action or other Claim results in payments to the claimant of less than those contained in the Settlement Proposal.

8.6 Exclusive Remedy. Except for fraud or willful or intentional breach of representation or warranty or as otherwise provided in Section 9.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 9

GENERAL PROVISIONS

9.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time prior to the Closing Date but only by an instrument in writing signed by the parties hereto.

9.2 Waiver. At any time prior to the Closing Date, except to the extent not permitted by Applicable Law, ATS or Meridian may extend the time for the performance of any of the obligations or other acts of the other, subject, however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

9.3 Fees, Expenses and Other Payments. All California and other sales and/or use Taxes, documentary or governmental transfer Taxes, recording fees, or other comparable charges levied by any Authority in connection with the purchase and sale of the Meridian Assets and the Meridian Business contemplated hereby, and all Hart-Scott-Rodino filing fees, shall be borne equally by Meridian and ATS. All title insurance costs and expenses shall be borne by Meridian and all Environmental Report costs and expenses shall be borne by ATS, except that in the event this Agreement is terminated pursuant to the provisions of Section 5.8, all such Environmental Report costs and expenses shall be borne by Meridian. All other costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, and in compliance with Applicable Law and Contractual Obligations as a consequence hereof and thereof, including without limitation fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto shall be borne solely and entirely by the party which has incurred such costs and expenses (with respect to such party, its "Expenses").

9.4 Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express mail, or by recognized courier service, postage prepaid, (b) sent by telex, telegram, telecopy or other form of rapid transmission, confirmed by mailing (by first class or express mail, or by recognized courier service, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which

if other than an individual shall be an officer or other responsible party of the receiving party). All such notices and communications shall be mailed, sent or delivered as follows:

9.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach. Notwithstanding the foregoing or any provision of this Agreement to the contrary, ATS shall not be entitled to specific performance or any other remedy to the extent that the aggregate costs and expenses required to be paid by Meridian arising from the enforcement or exercise of such remedy (inclusive of reasonable attorneys fees) would exceed an amount equal to the amount of the Escrow Indemnity Fund, and after the Closing Meridian shall not be required to expend any of its funds (other than payments by the Indemnity Escrow Agent out of the Escrow Indemnity Fund (as reduced in accordance with the provisions of Section 2.3) or except as provided in Section 8.3(d)) for such purpose.

9.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to Affect Materially and Adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

9.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

9.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

9.9 Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of New York applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 8, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action.

9.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

9.11 Entire Agreement; Separate Agreements. This Agreement (together with the Meridian Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated July 24, 1996, between the parties. ATS acknowledges that (i) Meridian, MSSC and MCN are separate parties with differing ownership, (ii) this Agreement and the Other Agreements are separate agreements, and (iii) Meridian (and its partners, in their capacity as such) shall have no obligation or liability with respect to the Other Agreements or any claims made thereunder.

9.12 Assignment. This Agreement shall not be assignable by any party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

9.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to or shall

confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 9.12.

9.14 Mutual Drafting. This Agreement is the result of the joint efforts of Meridian and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

9.15 Venue. In the event of any Legal Action between the parties arising out of this Agreement, the parties agree to submit the matter to the appropriate municipal, state or federal court sitting in Los Angeles County, California, and the parties agree to submit to the jurisdiction of such courts.

9.16 Meridian Disclosure Schedule. Meridian will deliver to ATS, on or before February 21, 1997, the Meridian Disclosure Schedule and all other documents (including the interim financial statements constituting a part of the Meridian Financial Statements) required to be delivered by Meridian pursuant to Article 3 of this Agreement. Without limiting the generality of the foregoing, the Meridian Disclosure Schedule shall set forth Meridian's proposal with respect to which (a) authorizations, consents, waivers, orders or approvals are proposed to be a condition of Closing pursuant to the provisions of Section 6.1(a), (ii) which Private Authorizations, Leases and Material Agreements and which modifications, if any, of Leases and other Contractual Obligations are proposed to be a condition to Closing pursuant to the provisions of Section 6.2(d), and (iii) which permits, consents or other Governmental Authorizations of the United States Forest Service are proposed to be a condition to Closing pursuant to the provisions of Section 6.2(m).

ATS shall have the right, for a period commencing upon its receipt of the Meridian Disclosure Schedule and each other document (other than such interim financial statements) together with a letter from Meridian indicating that such delivery constitutes a "final and complete" delivery pursuant to this Section and terminating at 11:59 p.m. on the fifteenth (15th) day following such receipt, (a) to terminate this Agreement, if the Meridian Disclosure Schedule reveals any Event of which it was unaware as of the date of this Agreement, which unknown Events, individually or in the aggregate, would have a Material Adverse Effect on Meridian, and (b) to propose to Meridian alternatives as to which (i) authorizations, consents, waivers, orders or approvals are to be a condition of Closing pursuant to the provisions of Section 6.1(a), (ii) which Private Authorizations, Leases and Material Agreements and which modifications, if any, of Leases and other Contractual Obligations are to be a condition to Closing pursuant to the provisions of Section 6.2(d), and (iii) which permits, consents or other Governmental Authorizations of the United States Forest Service are to be a condition to Closing pursuant to the provisions of Section 6.2(m). ATS shall have a further right to terminate this Agreement for a period of five (5) business days following receipt of such interim financial statements marked "final and complete" if such interim financial statements indicate that a Material Adverse Change in Meridian has occurred of which ATS was unaware of the date of this Agreement.

Anything in this Section 9.16 or elsewhere in this Agreement to the contrary notwithstanding, Meridian shall not be obligated to agree to any proposal of ATS pursuant to clause (b) of the first sentence of the preceding paragraph and neither Meridian nor ATS shall be obligated

to negotiate in good faith with respect to resolving such matters and each may make a determination to terminate in its sole and absolute discretion. In the event ATS and Meridian do not agree in writing on the resolution of matters raised by any proposal made by ATS pursuant to such clause (b) on or prior to ten (10) business days of receipt by Meridian of any such proposal of ATS (the "Interim Period") either party may, on or prior to ten (10) business days (the "Termination Period"), following the expiration of the Interim Period, terminate this Agreement. In the event neither party shall have so terminated this Agreement on or prior to the expiration of the Termination Period, or, in the event ATS makes no proposal pursuant to clause (b) of the preceding paragraph, this Agreement shall continue in full force and effect and the original proposal of Meridian (as set forth in the Meridian Disclosure Schedule) shall control for purposes of determining the conditions of Closing set forth in Section 6.1(a), 6.2(d) and 6.2(m).

IN WITNESS WHEREOF, ATS and Meridian have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

Adverse, Adversely, when used alone or in conjunction with other terms (including without limitation "Affect," "Change" and "Effect") shall mean any Event which is reasonably likely, in the reasonable business judgment of ATS, to be expected to (a) adversely affect the validity or enforceability of this Agreement or the likelihood of consummation of the Transactions, or (b) adversely affect the business, operations, management, properties or prospects, or the condition, financial or other, or results of operation of the Meridian Business, or (c) impair Meridian's ability to fulfill its obligations under the terms of this Agreement, or (d) adversely affect the aggregate rights and remedies of ATS under this Agreement. Notwithstanding the foregoing, and anything in this Agreement to the contrary notwithstanding, any Event generally affecting the economy or any identifiable segment thereof, including without limitation the industries in which Meridian does business and in which it competes, shall not be deemed to constitute an Adverse Change, have an Adverse Effect or to Adversely Affect or Effect.

NOW, THEREFORE, in consideration of the above premises and the covenants and agreements contained herein, the parties, intending to be legally bound, do hereby covenant and agree as follows:

ARTICLE 1

DEFINED TERMS

As used herein, unless the context otherwise requires, the terms defined in Appendix A shall have the respective meanings set forth therein. Terms defined in the singular shall have a comparable meaning when used in the plural, and vice versa, and the reference to any gender shall be deemed to include all genders. Unless otherwise defined or the context otherwise clearly requires, terms for which meanings are provided in this Agreement shall have such meanings when used in the Meridian Disclosure Schedule and each Collateral Document executed or required to be executed pursuant hereto or thereto or otherwise delivered, from time to time, pursuant hereto or thereto. The term "either party" shall, unless the context otherwise requires, refer to Meridian and ATS.

ARTICLE 2

Subject to the terms and conditions set forth in this Agreement, Meridian hereby agrees to sell, assign, transfer and deliver to ATS at the Closing, and ATS agrees to purchase at the Closing, the Meridian Assets and the Meridian Business, free and clear of any Liens of any nature whatsoever except for Permitted Liens. For purposes of this Agreement, the term "Meridian Assets" shall mean all of the Assets of Meridian, including without limitation the right to use the name "Meridian" and all variations thereof, other than the Excluded Assets. For purposes of this Agreement, the term "Excluded Assets" shall mean the following Assets:

(i) all cash and cash equivalents;

(ii) all Accounts Receivable;

(iii) all FCC Licenses and equipment and other assets relating to the specialized mobile radio business of Meridian as more specifically described in Section 2(iii) of the Meridian Disclosure Schedule;

(v) all books and records (including without limitation, if retained by Meridian, any financial records necessary or desirable to enable the condition specified in Section 6.2(g) to be satisfied) which Meridian is required by Applicable Law to retain, subject to the right of ATS to have access and to copy for a period of five (5) years from the Closing Date; the records described herein shall further include without limitation all corporate seals, certificates of incorporation, minute books, stock books, Tax Returns or other records having to do with the corporate organization of Meridian;

(vi) any pension, profit-sharing or employee benefit plans, including any assets in any related trusts;

2.2 Assumption of Liabilities and Obligations.

(a) At the Closing, ATS shall assume and agree to pay, discharge and perform the following obligations and liabilities of Meridian (collectively, the "Meridian Assumed Obligations"): (i) all of the obligations and liabilities of Meridian under the ATS Assumable Agreements, (ii) all obligations and liabilities of Meridian with respect to the ownership and operation of the Meridian Assets and the conduct of the Meridian Business, on and after the Closing Date, and (iii) all obligations and liabilities of Meridian arising from or relating to the acquisition, ownership or operation of the New Sites, whether arising prior to or after the Closing Date (the "New Site Assumed Obligations"), except for such obligations and liabilities (A) that arise from grossly negligent or willful misconduct of Meridian prior to the Closing Date or (B) the existence of which is in contravention of (I) representations or warranties made by Meridian pursuant to the provisions of Article 3, (II) covenants or agreements made by Meridian pursuant to the provisions of Section 5.6, or (III) provisions of this Agreement requiring the approval of ATS; provided, however, that notwithstanding the foregoing, ATS shall not assume and agree to pay, and shall not be obligated with respect to, the Meridian obligation and liabilities referred to in Section 2.2(b) (the "Meridian Nonassumed Obligations"); provided further, however, that, notwithstanding the preceding proviso or Section 2.2(b), the term "Meridian Nonassumed Obligations" shall not include, and the term "Meridian Assumed Obligations" shall include, any liability arising out of the transfer or assignment to ATS of, or the use or enjoyment of the benefits by ATS under, any Contract, Governmental Authorization or Private Authorization the transfer or assignment of which (according to Section 2.2(a) of the Meridian Disclosure Schedule) requires or may require the consent of any Authority or other third party (collectively, the "Nonassignable Contracts"), if ATS has, on or prior to the Closing Date, notified Meridian in writing (an "Acceptance Notice") that ATS consents to the transfer or assignment of such Nonassignable Contract despite the failure or inability of ATS and Meridian to obtain the approval or consent of an Authority or a third party whose approval or consent is required pursuant to the terms of such Nonassignable Contract, or elects to receive the benefits of such Nonassumable Contract, in either of which events, if the approval or consent of an Authority or a third party applicable to transfer of such Nonassignable Contract is required to be obtained as a condition to ATS's obligations at Closing pursuant to the provisions of Section 6.1(a), 6.2(d) or 6.2(m), ATS shall be deemed to have waived such condition with respect to such Nonassignable Contract. With respect to any Nonassignable Contract for which the applicable consent of the third party is not obtained prior to the Termination Date and for which ATS does not timely deliver an Acceptance Notice as described in the preceding sentence, the rights and obligations of the parties shall be as follows unless otherwise agreed by Meridian and ATS in writing: (1) if obtaining such approval or consent was a condition to ATS's obligations at the Closing pursuant to the provisions of Section 6.1(a), 6.2(d) or 6.2(m), this Agreement shall terminate in the manner described in Section 7.2(a); and (2) if obtaining such approval or consent was not such a condition to ATS's obligations, the purchase and sale contemplated hereunder shall proceed in accordance with all the terms of this Agreement, except that the Nonassignable Contract shall no longer constitute part of the "Meridian Assets" and Meridian shall retain all benefits and liabilities thereunder.

(b) Except for the Meridian Assumed Obligations or as expressly provided in this Agreement, ATS shall not assume or become obligated to perform any debt, liability or obligation

of Meridian or relating to the ownership or operation of any of the Meridian Assets or the conduct of the Meridian Business whatsoever, including without limitation the following:

(i) subject to the provisions of Article 8, the ownership and operation of the Meridian Assets or the conduct of the Meridian Business prior to the Closing Date, including without limitation Taxes, unfunded pension costs, any Employment Arrangement of Meridian (including without limitation any obligation to any Meridian Employee for severance benefits, vacations time or sick leave), and any of the following to the extent same arise from Events occurring prior to or existing on the Closing Date: products liability, Legal Actions or other Claims, and obligations and liabilities relating to Environmental Law;

(ii) any obligations or liabilities under the ATS Assumable Agreements relating to the period prior to the Closing;

(iii) any insurance policies of Meridian;

(iv) those required to be disclosed in the Meridian Disclosure Schedule which are not so disclosed or which, if disclosed, Section 8.2(b)(ii) of the Meridian Disclosure Schedule indicates that such obligation or liability will not be assumed;

(v) any liability or obligation from or relating to breach of any warranty or any misrepresentation by Meridian under this Agreement or any Collateral Document;

(vi) any liability or obligation from or relating to breach or violation of, or failure to perform, any of Meridian's obligations, covenants, agreements or undertakings set forth in this Agreement or any Collateral Document, including without limitation Article 5 of this Agreement;

(vii) any obligation or liability relating to any Excluded Asset;

(viii) any obligation or liability with respect to capitalized lease obligations or Indebtedness for Money Borrowed;

(ix) any taxes, fees, expenses or other amounts required to be paid by Meridian pursuant to the provisions of this Agreement or any Collateral Document; and

(x) any Contract with any Affiliate of Meridian, other than those set forth in Section 2(b)(x) of the Meridian Disclosure Schedule.

The term "ATS Assumable Agreements" shall mean all obligations and liabilities of Meridian under all Contractual Obligations, Governmental Authorizations and Private Authorizations relating to the ownership or operation of any of the Meridian Assets or the conduct of the Meridian Business, other than any Meridian Nonassumed Obligation.

(c) Notwithstanding anything contained in this Agreement to the contrary, except as set forth in Article 8 or Section 2.2(c) of the Meridian Disclosure Schedule, all items of income and

expense (including without limitation with respect to rent, utility charges, Pro Ratable Taxes and wages, salaries and accrued but unused vacation of Meridian employees) arising from the ownership or operation of the Meridian Assets or the conduct of the Meridian Business shall be prorated as of 12:01 a.m., Eastern time, on the Closing Date, with Meridian entitled to and responsible for any such items on or prior to the Closing Date and ATS entitled to and responsible for any such items relating to any subsequent period. For these purposes, Pro Ratable Taxes attributable to a period that begins before and ends after the Closing Date shall be treated on a "closing of the books" basis as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the Meridian Disclosure Schedule, with sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, Meridian and ATS shall, within the following ten (10) days, jointly designate a nationally known independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by Meridian and ATS. Such firm shall report its conclusions as to such items and other adjustments pursuant to this Section and such report shall be conclusive on all parties to this Agreement and not subject to dispute or review. Upon such agreement or determination by such independent accounting firm, Meridian or ATS, as the case may be, shall promptly reimburse the other party for any income received or expenses paid by the other party and not previously reimbursed or any other adjustment required by this Section. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, ATS shall be solely responsible for the payment of, and shall defend, indemnify and hold harmless Meridian, its officers, directors and shareholders from, any and all supplemental or additional real property or personal property taxes assessed on or in connection with the Meridian Assets or any part thereof, which arise from the transactions contemplated by this Agreement, except as otherwise provided in Section 9.3 with respect to California or other sales and/or use taxes, and documentary or governmental transfer or stamp taxes arising from the purchase and sale of the Meridian Assets and the Meridian Business contemplated hereby.

Nothing contained in this Section 2.2(c) is intended or shall be deemed to amend or modify the indemnification provisions of Article 8 nor to reallocate responsibility for the matters set forth therein.

2.3 Closing; Purchase Price. The closing of the Transactions (the "Closing") shall take place at Levinson, Miller, Jacobs & Phillips, 1875 Century Park East, Los Angeles, California 90067, at 10:00 a.m., local time, on the date on or prior to June 30, 1997 which is five (5) business days after all of the conditions specified in Article 6 (other than those which are to be satisfied at the Closing) have been satisfied or waived in writing or such other date, prior to the Termination Date, as the parties may agree (the "Closing Date"). At the Closing, each of the parties shall deliver such bills of sale, assignments, assumptions of liabilities and other instruments and documents as are described in this Agreement or as may be otherwise reasonably requested by the parties and their respective counsel. The purchase price for the Meridian Assets and the Meridian Business (the

"Purchase Price") shall be an amount equal to $21,559,456, plus an amount equal to the Construction Adjustment. The term "Construction Adjustment" shall mean an amount equal to the aggregate amount actually paid by Meridian after June 13, 1996 and prior to the Closing Date with respect to the costs and expenses incurred in the acquisition and construction of those certain projects (collectively, the "New Sites") (a) described in Section 2.3 of the Meridian Disclosure Schedule or (b) acquired after the date of this Agreement with the prior written consent of ATS, which consent shall not be unreasonably withheld, other than, in all cases, those costs and expenses which are unreasonable or to which ATS shall have objected in writing prior to their incurrence or commitment by Meridian. The Purchase Price shall be payable by wire transfer of immediately available funds (a) to the Indemnity Escrow Agent (or as it may designate) pursuant to the provisions of the Indemnity Escrow Agreement in the amount of $2,155,946 minus an amount equal to the amount, if any, expended by Meridian subsequent to the date of this Agreement pursuant to a mutually agreed upon designation of Meridian and ATS entitled an "Indemnity Escrow Fund Reducing Expense" to remedy any misrepresentation, breach of warranty or other breach or defect (the "Indemnity Escrow Fund") and (b) to Meridian for the balance of the purchase price to such account as is designated by Meridian in written instructions to ATS delivered not later than two (2) business days prior to the Closing.

The parties hereto have heretofore agreed upon an allocation schedule (the "Tax Allocation Schedule") pursuant to which the Purchase Price shall be allocated among the Meridian Assets. Each of Meridian and ATS shall report the purchase and sale of the Meridian Assets and the Meridian Business and the other Transactions in accordance with the Tax Allocation Schedule (as adjusted for Events between the date hereof and the Closing Date) for purposes of all federal, state and local Tax Returns and shall not take, and shall cause their respective Affiliates, representatives, successors and assigns not to take, any position on any federal, state or local Tax Return or report, inconsistent with such reporting position. Each of Meridian and ATS shall promptly give the other notice of any disallowance of or challenge to such reporting by any Taxing Authority. Notwithstanding the provisions of this Section, the parties to this Agreement will rely solely on their own advisors in determining the tax consequences of the transactions contemplated by this Agreement and each party is not relying, and will not rely, on any representations or assurances of any other party regarding such consequences other than the representations, warranties, covenants and agreements set forth in writing in this Agreement or furnished pursuant to the provisions hereof.

2.4 Accounts Receivable. At the closing, Meridian shall appoint ATS its agent for the purpose of collecting all Accounts Receivable relating to the Meridian Business. Meridian shall deliver to ATS on or as soon as practicable after the Closing Date a complete and detailed statement showing the name, amount and age of each Accounts Receivable of the Meridian Business. Subject to and limited by the following, revenues relating to the Accounts Receivable relating to the Meridian Business will be for the account of Meridian. ATS shall use its reasonable business efforts to collect the Accounts Receivable with respect to the Meridian Business for a period of ninety (90) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is an Accounts Receivable with respect to the Meridian Business shall first be applied in reduction of the Accounts Receivable, unless the customer contests in writing the validity of such application. During the Collection Period, ATS shall furnish Meridian with a list of, and pay over to Meridian, the amounts collected with respect to the Accounts Receivable with respect to the Meridian Business on a bi-weekly basis and forward

to Meridian, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to Accounts Receivable. ATS shall provide Meridian with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually and in good faith analyze any uncollected Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Accounts Receivable. As to each such Accounts Receivable, the parties shall negotiate a good faith value of such Accounts Receivable, which ATS shall pay to Meridian if ATS, in its sole discretion, chooses to retain such Accounts Receivable. Meridian shall retain the right to collect any of its Accounts Receivable as to which the parties are unable to reach agreement as to a good faith value, and ATS agrees to turn over to Meridian any payments received against any such Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Accounts Receivable assigned to it for collection hereunder or to refer any of such Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Accounts Receivable, except with the approval of Meridian. ATS shall not incur any liability to Meridian for any uncollected account unless ATS shall have engaged in willful misconduct or gross negligence in the performance of its obligations set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither Meridian nor its agents shall make any direct solicitation of the Accounts Receivable for collection purposes, except for Accounts Receivable retained by Meridian after the Collection Period. The provisions of this Section shall not apply to those certain Accounts Receivable set forth in Section 2.4 of the Meridian Disclosure Schedule or to any other Accounts Receivable which Meridian, in its sole business judgment, determines will require extraordinary collection efforts or referrals to a collection agency or attorney for collection (collectively, the "Retained Accounts Receivable"), provided the Retained Accounts Receivable are set forth in a written notice delivered to ATS by Meridian on or prior to the Closing Date. As to all Retained Accounts Receivable, Meridian shall retain the sole and exclusive right to collect same as Meridian in its sole discretion may determine.

those the failure of which to obtain do not and will not have, individually or in the aggregate, any Material Adverse Effect on ATS, necessary to enable it to execute and deliver, and to perform its obligations under, this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions; and the execution, delivery and performance of this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto have been duly authorized by all requisite corporate action on the part of Meridian. This Agreement has been duly executed and delivered by Meridian and constitutes, and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions when executed and delivered by Meridian will constitute, legal, valid and binding obligations of Meridian, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity.

(c) Except as set forth in Section 3.1(c) of the Meridian Disclosure Schedule, and except for matters which would have no Material Adverse Effect on ATS, neither the execution and delivery by Meridian of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by Meridian of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by Meridian:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of Meridian or any Applicable Law (which, for purposes of this Section 3.1(c)(i), relates only to the sale of the Meridian Assets and the Meridian Business generally and not to local Applicable Law) on the part of Meridian, or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of Meridian, other than those constituting Meridian Nonassumed Obligations; or

(ii) will require Meridian to make or obtain any Governmental Authorization or Filings (which, for purposes of this Section 3.1(c)(ii), relates only to the sale of the Meridian Assets and the Meridian Business generally and not to "site-specific" authorizations or those required by local Applicable Law) or Private Authorization including without limitation under the FCA, except for filings under the Hart-Scott-Rodino Act.

3.2 Financial and Other Information. Meridian has heretofore furnished to ATS copies of the financial statements of the Meridian Business listed in Section 3.2 of the Meridian Disclosure Schedule (the "Meridian Financial Statements"). The Meridian Financial Statements, including in each case the notes thereto, have been prepared in accordance with Applicable Principles applied on a consistent basis throughout the periods covered thereby, except as otherwise noted therein or as set forth in Section 3.2 of the Meridian Disclosure Schedule, are true, accurate and complete in all Material respects, do not contain any untrue statement of a material fact or omit to state a material

3.3 Changes in Condition. Since November 30, 1996, except to the extent specifically described in Section 3.3 of the Meridian Disclosure Schedule and except for the effect, if any, of the New Sites, there has been, to Meridian's knowledge, no Material Adverse Change in Meridian. There is no Event (other than Events which generally affect the economy or any identifiable segment thereof including without limitation the industries in which Meridian does business and in which it competes) known to Meridian which Materially Adversely Affects, or (so far as Meridian can now reasonably foresee) is likely to Materially Adversely Affect, Meridian, except to the extent specifically described in Section 3.3 of the Meridian Disclosure Schedule and except for the effect, if any, of the New Sites.

3.4 Materiality. The representations and warranties set forth in this Article would in the aggregate be true and correct even without the materiality exceptions or materiality qualifications contained therein or set forth in the Meridian Disclosure Schedule, except for such exceptions and qualifications (other than those set forth in the Meridian Disclosure Schedule) which, in the aggregate for all such representations and warranties, are not and could not reasonably be expected to be Materially Adverse to Meridian.

3.5 Title to Properties; Leases.

(a) Section 3.5(a) of the Meridian Disclosure Schedule contains a true, accurate and complete list of all real property owned or leased by Meridian that is part of the Meridian Assets. Subject to any exceptions set forth with reasonable specificity on Section 3.5(a) of the Meridian Disclosure Schedule, Meridian has good and marketable title to all real property (other than leasehold Real Property and Insured Real Property) and good and merchantable title to all other assets (other than real property), tangible and intangible, constituting a part of the Meridian Assets, in each case free and clear of all Liens, except (i) Permitted Liens, (ii) Liens set forth on Section 3.5(a) of the Meridian Disclosure Schedule and (iii) Approved Title Conditions. Except for financing statements evidencing Liens referred to in the preceding sentence (a true, accurate and complete list and description of which is set forth in Section 3.5(a) of the Meridian Disclosure Schedule), no financing statements under the Uniform Commercial Code and no other filing which names Meridian as debtor or which covers or purports to cover any of the Meridian Assets is on file in any state or other jurisdiction, and Meridian has not signed or agreed to sign any such financing statement or filing or any agreement authorizing any secured party thereunder to file any such financing statement or filing. Except as otherwise set forth in Schedule 3.5(a) of the Meridian Disclosure Schedule, each Lease or other occupancy or other agreement under which Meridian holds real or personal property constituting a part of the Meridian Assets has been duly authorized, executed and delivered by Meridian and, to Meridian's knowledge, each of the other parties thereto, and is a legal, valid and binding obligation of Meridian, and, to Meridian's knowledge, each of the other parties thereto, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies

of creditors and obligations of debtors generally and by general principles of equity. Except as otherwise set forth in Section 3.5(a) of the Meridian Disclosure Schedule, Meridian has, to Meridian's knowledge, a valid leasehold interest in and enjoys peaceful and undisturbed possession under all Leases pursuant to which it holds any such real property or tangible personal property. Except as otherwise set forth in Section 3.5(a) of the Meridian Disclosure Schedule, all of such Leases are, to Meridian's knowledge, valid and subsisting and in full force and effect; neither Meridian nor, to Meridian's knowledge, any other party thereto, is in Material default in the performance, observance or fulfillment of any obligation, covenant or condition contained in any such Lease.

Except as disclosed in Section 3.5(a) of the Meridian Disclosure Schedule, to Meridian's current actual knowledge, all improvements on the real property owned or leased by Meridian are in compliance with applicable zoning and land use laws, ordinances and regulations in all respects necessary to conduct the operations as presently conducted, except for any instances of non-compliance which do not and will not in the aggregate have a Material Adverse Effect on the owner or lessee, as the case may be, of such real property. Except as disclosed in Section 3.5(a) of the Meridian Disclosure Statement, all such improvements, to Meridian's current actual knowledge, comply in all Material aspects with all Applicable Laws, Governmental Authorizations and Private Authorizations. Except as disclosed in Section 3.5(a) of the Meridian Disclosure Statement, to Meridian's current actual knowledge, all of the transmitting towers, ground radials, guy anchors, transmitting buildings and related improvements located on the real property owned or leased by Meridian are located entirely on such real property. Meridian has no knowledge of any pending, threatened or contemplated action to take by eminent domain or otherwise to condemn any part of any real property owned or leased by Meridian. The representations and warranties set forth in this paragraph shall not apply to the New Sites.

(b) Section 3.5(b) of the Meridian Disclosure Schedule contains a true, accurate and complete description of all Leases under which any real property used in the Meridian Business is leased. None of the fixed assets or equipment comprising a part of the Meridian Assets is subject to contracts of sale, and none is held by Meridian as lessee or as conditional sales vendee under any Lease or conditional sales contract and none is subject to any title retention agreement, except as set forth in Section 3.5(b) of the Meridian Disclosure Schedule. Except for the New Sites, such real property (other than land), fixtures, fixed assets and other material items of personal property, including equipment, have, between November 30, 1996 and the date of this Agreement, been maintained in all Material respects in a manner consistent with past practice.

(c) Except as set forth in Section 3.5(c) of the Meridian Disclosure Schedule, since January 1, 1993, Meridian has not received any written notice that any such real property owned or leased by Meridian and reflected in Section 3.5(b) of the Meridian Disclosure Schedule or the use thereof, violates any applicable title covenant, condition, restriction or reservation or any applicable zoning, wetlands, land use or other Applicable Law.

3.6 Compliance with Private Authorizations. Section 3.6 of the Meridian Disclosure Schedule sets forth a true, accurate and complete list and description of each Private Authorization (other than those with respect to the New Sites) which individually is Material to the Meridian Assets or the Meridian Business, all of which are, to Meridian's current actual knowledge, in full

force and effect. To Meridian's knowledge, Meridian has obtained all Private Authorizations (other than those with respect to the New Sites) with respect to the ownership or operation of the Meridian Assets or the conduct of the Meridian Business as currently conducted which, if not obtained and maintained, could, individually or in the aggregate, Materially Adversely Affect Meridian. Meridian is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any Material Adverse Effect on Meridian. No such Private Authorization is the subject of any pending or, to Meridian's knowledge, threatened attack, revocation or termination.

3.7 Compliance with Governmental Authorizations and Applicable Law.

(a) Section 3.7(a) of the Meridian Disclosure Schedule contains a description of:

(i) all Legal Actions pending or, to Meridian's knowledge, at any time since January 1, 1993 was pending or is currently threatened against Meridian with respect to the operation or ownership of the Meridian Assets or conduct of the Meridian Business;

(ii) all Legal Actions pending or, to Meridian's knowledge, threatened with respect to the operation or ownership of the Meridian Assets or the conduct of the Meridian Business which, individually or in the aggregate, are reasonably likely to result in the revocation or termination of any Governmental Authorization or the imposition of any restriction of such a nature as would Adversely Affect the ownership or operations of the Meridian Business; in particular, but without limiting the generality of the foregoing, there are no applications, complaints or Legal Actions pending or, to Meridian's knowledge, threatened before or by any Authority (x) relating to the ownership or operation of the Meridian Assets or the conduct of the Meridian Business, (y) involving charges of illegal discrimination by Meridian under any federal or state employment Laws, or (z) involving Environmental Laws or zoning laws; and

(iii) to Meridian's current actual knowledge, each Governmental Authorization required by a conditional use permit or special use permit that is necessary to permit Meridian to execute and deliver this Agreement and to perform its obligations hereunder.

(a) Subject to the provisions of Section 9.16, each of the parties hereto shall use reasonable business efforts promptly (x) to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under Applicable Law to consummate the Transactions, and (y) to refrain from taking, or cause to be taken, any action and to refrain from doing or causing to be done, any thing which could impede or impair the consummation of the Transactions, including, in all cases, without limitation using its reasonable business efforts (i) to prepare and file with the applicable Authorities as promptly as practicable after the execution of this Agreement all requisite applications and amendments thereto, together with related information, data and exhibits, necessary to request issuance of orders approving the Transactions by all such applicable Authorities, each of which must be obtained or become final to the extent provided in Section 6.1(a), (ii) to obtain all necessary or appropriate waivers, consents and approvals, including without limitation those referred to in Section 6.2(d), without payment of consideration to the other party, (iii) to effect all necessary registrations, filings and submissions (including without limitation filings under the Hart-Scott-Rodino Act and all filings necessary for ATS to own and operate the Meridian Assets and conduct the Meridian Business), (iv) to lift any injunction or other legal bar to the Transactions (and, in such case, to proceed with the Transactions as expeditiously as possible), and (v) to obtain the satisfaction of the conditions specified in Article 6, including without limitation the truth and correctness as of the Closing Date as if made on and as of the Closing Date of the representations and warranties of such party and the performance and satisfaction as of the Closing Date of all agreements and conditions to be performed or satisfied by such party, without the payment of any amounts, except to the extent otherwise required by the provisions of this Agreement.

(b) The parties shall cooperate with one another in the preparation, execution and filing of all Tax Returns, questionnaires, applications, or other documents regarding any real property transfer or gains, sales, use, transfer, value added, stock transfer and stamp Taxes, any transfer, recording, registration and other fees, and any similar Taxes which become payable in connection with the Transactions that are required or permitted to be filed on or before the Closing Date.

(c) Meridian shall cooperate and use its reasonable business efforts to (i) prepare balance sheets and statements of income (loss) and cash flow for eleven month period ended November 30, 1996 and thereafter on a monthly basis until the month preceding the Closing in accordance with GAAP subject only to such exceptions for periods ending on or before December 31, 1996 as are set forth in Section 3.2 of the Meridian Disclosure Schedule, and (ii) cause its independent accountants to reasonably cooperate with ATS, and at ATS's expense, in order to enable ATS to have its independent accountants prepare audited financial statements for the Meridian Business described in Section 6.2(g). Without limiting the generality of the foregoing, Meridian agrees that after the Closing Date it will (x) consent to the use of such audited financial statements in any registration statement or other document filed by ATS or any Affiliate of ATS under the Securities Act or the Exchange Act to the extent required by Applicable Law or any underwriter in an

underwritten public offering, and (y) execute and deliver, and cause its directors and officers to execute and deliver, such "representation" letters as are customarily delivered in connection with audits and as ATS's independent accountants may reasonably request under the circumstances; provided, however, that as a condition precedent to the use of such audited financial statements by any Affiliate of ATS, such Affiliate shall execute an indemnification agreement, in form and content reasonably acceptable to Meridian's counsel, pursuant to which such Affiliate agrees to indemnify Meridian and related parties from liability arising from the use of such statements on the same terms and subject to the same conditions as ATS so agrees in Section 8.2(e)(ii) of this Agreement.

5.3 Public Announcements. Until the Closing, or in the event of termination of this Agreement, Meridian and ATS shall consult with the other before issuing any press release or otherwise making any public statements with respect to this Agreement or the Transactions and shall not issue any such press release or make any such public statement without the prior consent of the other. Notwithstanding the foregoing, each party acknowledges and agrees that Meridian and ATS may, without its prior consent, issue such press releases or make such public statements as may be required by Applicable Law, in which case, to the extent practicable, the party proposing to make such press release or public statement will consult with the other regarding the nature, extent and form of such press release or public statement.

5.4 Notification of Certain Matters. Meridian and ATS shall give prompt notice to the other, of the occurrence or non-occurrence of any Event the occurrence or non-occurrence of which would be likely to cause (i) any representation or warranty made by it contained in this Agreement to be untrue or inaccurate in any respect such that one or more of the conditions of Closing might not be satisfied, or (ii) any covenant, condition or agreement made by it contained in this Agreement not to be complied with or satisfied, or (iii) any change to be made in the Meridian Disclosure Schedule in any respect such that one or more of the conditions of Closing might not be satisfied, and any failure made by it to comply with or satisfy, or be able to comply with or satisfy, any covenant, condition or agreement to be complied with or satisfied by it hereunder in any respect such that one or more of the conditions of Closing might not be satisfied; provided, however, that the delivery of any notice pursuant to this Section shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

5.5 No Solicitation. Meridian shall not, nor shall it knowingly permit any of its Representatives (including, without limitation, any investment banker, broker, finder, attorney or accountant retained by it) to, initiate, solicit or facilitate, directly or indirectly, any inquiries or the making of any proposal with respect to any Alternative Transaction, engage in any discussions or negotiations concerning, or provide to any other Person any information or data relating to, it or any Subsidiary for the purposes of, or otherwise cooperate in any way with or assist or participate in, or facilitate any inquiries or the making of any proposal which constitutes, or may reasonably be expected to lead to, a proposal to seek or effect any Alternative Transaction, or agree to or endorse any Alternative Transaction. "Alternative Transaction" means a transaction or series of related transactions (other than the Transactions) resulting in (i) any merger or consolidation, regardless of whether Meridian is the surviving Entity unless the surviving Entity remains obligated under this Agreement to the same extent as it was, or (ii) any sale or other disposition of all or any substantial part of the Meridian Assets or the Meridian Business. If Meridian or any of its Representatives receives any inquiry with respect to an Alternative Transaction while this Agreement is in effect,

ATS acknowledges that prior to the date of this Agreement, Meridian engaged in discussion with certain other parties relating to the possibility of acquiring the Meridian Assets and the Meridian Business.

5.6 Conduct of Business by Meridian Pending the Closing. Except as otherwise contemplated by this Agreement, after the date hereof and prior to the Closing Date or earlier termination of this Agreement, unless ATS shall otherwise agree in writing, Meridian shall, to the extent relating to the Meridian Business or the Meridian Assets:

With respect to any transaction or act proposed to be entered into or performed by Meridian which, pursuant to Sections 5.1(a) through (g), requires the prior approval of ATS, ATS shall be deemed to have approved same unless written notice of disapproval is received by Meridian within five (5) business days after receipt by Meridian of a written request for approval made by Meridian.

5.7 Preliminary Title Reports. Prior to the execution of this Agreement, Meridian has, at its sole cost and expense, delivered or caused to be delivered to ATS a standard preliminary title report dated as of a recent date issued by one or more title companies authorized to do business in the State of California (the "Title Company") with respect to those Meridian Assets comprised of the parcels of real property described in Section 5.7 of the Meridian Disclosure Schedule (the "Insured Real Property"). Such reports, as same may be amended or supplemented from time to time to reflect additional title matters, are referred to herein as the "Title Reports". Section 5.7 of the Meridian Disclosure Schedule sets forth a description of those matters, if any, shown in the Title Reports as to which ATS has objected and which Meridian has agreed to remedy prior to or, with the written approval of ATS, subsequent to the Closing Date (the "Disapproved Title Matters", which term shall include any matters added thereto pursuant to the provisions of the last sentence of this Section). All matters disclosed by the Title Reports (as of the date hereof) which are not reflected on Section 5.7 of the Meridian Disclosure Schedule have heretofore been approved by ATS. If, at any time following the date hereof, Meridian or the Title Company notifies ATS of any additional matter affecting title to the Insured Real Property, the parties shall negotiate in good faith in an effort to resolve such matters and, in the event that are not able to reach such agreement within thirty (30) days of the date ATS has received written notification thereof, either party may terminate this Agreement with the effect set forth in Section 7.2.

Section 5.8 of the Meridian Disclosure Schedule sets forth a description of those matters, if any, shown in the Environmental Reports as to which ATS has objected and which Meridian has agreed to remedy prior to or, with the written approval of ATS, subsequent to the Closing Date (the "Disapproved Environmental Matters" which term shall include any matters added thereto pursuant to the provisions of the last sentence of this Section). All matters disclosed by the Environmental Reports (as of the date hereof) which are not reflected on Section 5.8 of the Meridian Disclosure Schedule have heretofore been approved by ATS. If, at any time following the date hereof, Meridian or the Environmental Company notifies ATS of any additional matter affecting the environmental status of the Environmental Real Property, the parties shall negotiate in good faith in an effort to resolve such matters and, in the event that are not able to reach such agreement within thirty (30) days of the date ATS has received written notification thereof, either party may terminate this Agreement with the effect set forth in Section 7.2.

operation of the Meridian Assets and the Meridian Business prior to the Closing Date; provided, that the foregoing obligation shall not extend to any Claim, Legal Action, Loss or Expense from or relating to (i) the condition of physical assets which, pursuant to the provisions of Section 4.5, are being sold hereunder on an "AS IS" basis, (ii) Events, Contracts, transactions, acts, omissions, agreements, matters or things the existence or nonexistence of which is disclosed with reasonable specificity in the Meridian Disclosure Schedule or in the documents reference therein (to the extent copies thereof have been furnished to ATS), except to the extent, if at all, Section 8.2(b) of the Meridian Disclosure Schedule specifically indicates to the contrary, (iii) Environmental Law or environmental matters, except to the extent Meridian is in breach of the representations and warranties set forth in Section 3.21 with respect thereto, or (iv) matters of a type described in Section 8.2(d).

(c) ATS agrees that from and after the Closing it shall indemnify and hold harmless Meridian and each of its officers, directors, stockholders, and any of their respective heirs, executors, trustees, beneficiaries, representatives, successors and assigns (collectively, the "Meridian Indemnified Parties"), from and against any and all Loss and Expense suffered, directly of indirectly, by any of them by reason of, or arising out of, including without limitation any Legal Action or other Claim that relates to, (i) Meridian Assumed Obligations or (ii) the ownership and operation of the Meridian Assets and the Meridian Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the Meridian Assumed Obligations or are within the provisions of Section 8.2(d).

(d) Notwithstanding any provision of this Agreement to the contrary, ATS agrees that from and after the Closing it shall indemnify and hold harmless Meridian and each of the other Meridian Indemnified Parties, from and against any Legal Action or other Claim arising from damage or injury to person or property (including wrongful death) based upon, involving or arising out of the ownership or operation (whether prior to or after the Closing Date) of the Meridian Assets and the Meridian Business; provided, however, that nothing contained in this Section is intended to relieve Meridian of its obligations set forth in Section 8.2(a).

(e) ATS agrees that from and after the Closing, it shall indemnify and hold harmless Meridian and each of the other Meridian Indemnified Parties, from and against the following:

(i) Such matters as are the subject of ATS's indemnification obligations under the Nonassignable Contracts Agreement described in Section 6.2(o); and

(ii) All Loss and Expense suffered, directly or indirectly, by any of them by reason of, or arising out of, the use by ATS of audited financial statements relating to the Meridian Business as described in Section 5.2(c); provided, however, that notwithstanding the foregoing, to the extent (A) such Loss and Expense is attributable to a breach of warranty and a misrepresentation from those contained in Section 3.2 of this Agreement and (B) at the time ATS is obligated to make indemnification under this subparagraph (ii) or any ATS Affiliate is so obligated pursuant to the provision of any agreement executed pursuant to the provisions of Section 5.2(c) there are Escrow Indemnity Funds to cover all or part of such obligation, then ATS may utilize such Escrow Indemnity Funds to discharge that portion of

its or such Affiliate's obligation as is commensurate with the amount of Escrow Indemnity Funds so available.

8.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 8.2, after the Closing, except as otherwise provided in Section 8.6, each indemnifying party's rights to indemnification shall be subject to the following limitations: (i) the indemnified party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $100,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $100,000), and (ii) in no event shall the aggregate amount required to be paid pursuant to the provisions of this Article exceed the Escrow Indemnity Fund in the case of Meridian or $2,155,946 in the case of ATS' obligations under Sections 8.2(a) and 8.2(c); provided, that ATS's obligation to indemnify Meridian or other Persons from (x) New Site Assumed Obligations, (y) liabilities or obligations arising after the Closing Date pursuant to ATS Assumable Agreements, or (z) liabilities or obligations referred to in Section 8.2(e), shall be subject to no maximum dollar limitation.

(b) Anything in this Agreement, including without limitation the provisions of Sections 8.2 or 8.3(a), to the contrary notwithstanding, except as provided in Sections 8.3(d) and 8.6, (i) the exclusive recourse of ATS with respect to the liability of Meridian pursuant to Section 8.2 or any other provision of this Agreement or Applicable Law which requires Meridian to defend, indemnify or hold harmless ATS from or against any Claim, Loss or Expense shall be the Escrow Indemnity Fund; and (ii) ATS's remedies for any such liability of Meridian, or for any Claim or Loss or Expense arising under this Agreement, shall be limited to its right to recover from the Escrow Indemnity Funds in accordance with the provisions of the Escrow Indemnity Agreement, and neither ATS nor any of its officers, directors, shareholders, agents or Affiliated Entities shall have any right of recovery against Meridian or any other Meridian Indemnified Party or against the assets of any of them for any such liability.

(c) In the event there shall be no Claims pursuant to the provisions of this Agreement with respect to the Escrow Indemnity Funds, if any, existing at the expiration of the Indemnity Period, the Escrow Indemnity Funds then remaining (together with any then existing interest or earnings) shall be distributed to the Persons entitled thereto. In the event one or more such Claims with respect to the Escrow Indemnity Funds, if any, shall exist upon the expiration of the Indemnity Period, funds in an amount equal to the sum of (i) the aggregate amount of such Claims and (ii) the amount reasonably necessary to cover the fees, expense and other costs (including reasonable counsel fees and expenses) which will be required to resolve such Claims shall be retained as part of the Escrow Indemnity Funds and the balance thereof, if any, shall be distributed to the Persons entitled thereto. Upon the resolution of all such Claims and the payment of all such fees, expenses and costs out of the Escrow Indemnity Funds, the remainder of the Escrow Indemnity Funds, if any, shall be distributed to the Persons entitled thereto.

(d) If, following the expiration of the Indemnity Period and the distribution to Meridian or any other Person claiming by, through or in the name of Meridian of any remaining Escrow Indemnity Funds, ATS becomes entitled to indemnification for Loss and Expense suffered by ATS

arising from (i) any misrepresentation or breach of warranty with respect to the matters referred to in clause (a) of the proviso or (ii) any breach of the covenants and agreements referred to in clause (b) of the proviso, in each case in the first sentence of Section 8.1, then, subject to the limitation periods stated in such proviso, ATS may pursue its Claim for such indemnification directly against Meridian, its successors and assigns and Reichler; provided, however, that the maximum amount of liability in the aggregate of Meridian (and such successors and assigns and Reichler) for any and all such Claims shall be the amount of Escrow Indemnity Funds that were distributed to Meridian or any other Person (other than a claimant whose Claim is alleged by ATS to be subject to satisfaction from the Indemnity Escrow Fund) claiming by, through or in the name of Meridian (including without limitation Reichler or Meridian's or his successors, assigns, trustees, beneficiaries, representatives, heirs or executors) upon the expiration of the Indemnity Period or thereafter.

(e) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto. No indemnifying party shall be liable under this Article for a loss resulting from any event relating to a misrepresentation or breach of warranty if the indemnifying party can establish that the indemnified party had actual knowledge on or before the Closing Date of such event and did not, on or before the Closing Date, reserve its rights with respect thereto.

8.4 Notice of Claims. If an indemnified party believes that it has
---
suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 8.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify prejudices such indemnifying party's ability to defend against such Claim.

8.5 Defense of Third Party Claims. The indemnifying party shall have the
---
right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party; provided, however, that if the indemnified party fails or refuses to consent in writing to any compromise of settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") within ten

(10) business days after receipt of written notice of all of the material terms and conditions of the Settlement Proposal, and such terms and conditions (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement Proposal and (b) if the indemnified party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership and operations of the Meridian Assets and the conduct of the Meridian Business in substantially the manner theretofore owned, operated and conducted by Meridian, then, unless the indemnifying party forthwith withdraws the Settlement Proposal, the indemnified party (i) shall have the right but not the obligation to undertake the conduct of the defense of such Legal Action or other Claim, and (ii) whether or not it shall so undertake the defense of such Legal Action or other Claim, shall bear, and shall indemnify and hold the indemnifying party harmless from, all Loss and Expense arising from such Legal Action or other Claim (to the extent not theretofore (x) accrued with respect to the costs and expenses of the defense of such Legal Action or other Claim or (y) paid with respect to such Legal Action or other Claim) in excess of the amount contained in the Settlement Proposal, it being understood, in such event, that the indemnifying party shall bear all Loss and Expense, including subsequently incurred Loss and Expense (including without limitation those attributable to legal fees and expenses) up to the amount contained in the Settlement Proposal, even if the ultimate disposition of such Legal Action or other Claim results in payments to the claimant of less than those contained in the Settlement Proposal.

8.6 Exclusive Remedy. Except for fraud or willful or intentional breach of representation or warranty or as otherwise provided in Section 9.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 9

GENERAL PROVISIONS

9.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time prior to the Closing Date but only by an instrument in writing signed by the parties hereto.

9.2 Waiver. At any time prior to the Closing Date, except to the extent not permitted by Applicable Law, ATS or Meridian may extend the time for the performance of any of the obligations or other acts of the other, subject, however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

9.3 Fees, Expenses and Other Payments. All California and other sales and/or use Taxes, documentary or governmental transfer Taxes, recording fees, or other comparable charges levied by any Authority in connection with the purchase and sale of the Meridian Assets and the Meridian Business contemplated hereby, and all Hart-Scott-Rodino filing fees, shall be borne equally by

Meridian and ATS. All title insurance costs and expenses shall be borne by Meridian and all Environmental Report costs and expenses shall be borne by ATS, except that in the event this Agreement is terminated pursuant to the provisions of Section 5.8, all such Environmental Report costs and expenses shall be borne by Meridian. All other costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, and in compliance with Applicable Law and Contractual Obligations as a consequence hereof and thereof, including without limitation fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto shall be borne solely and entirely by the party which has incurred such costs and expenses (with respect to such party, its "Expenses").

9.4 Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express mail, or by recognized courier service, postage prepaid, (b) sent by telex, telegram, telecopy or other form of rapid transmission, confirmed by mailing (by first class or express mail, or by recognized courier service, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which if other than an individual shall be an officer or other responsible party of the receiving party). 9.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach. Notwithstanding the foregoing or any provision of this Agreement to the contrary, ATS shall not be entitled to specific performance or any other remedy to the extent that the aggregate costs and expenses required to be paid by Meridian arising from the enforcement or exercise of such remedy (inclusive of reasonable attorneys fees) would exceed an amount equal to the amount of the Escrow Indemnity Fund, and after the Closing Meridian shall not be required to expend any of its funds (other than payments by the Indemnity Escrow Agent out of the Escrow Indemnity Fund (as reduced in accordance with the provisions of Section 2.3) or except as provided in Section 8.3(d)) for such purpose.

9.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and

construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to Affect Materially and Adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

9.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

9.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

9.9 Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of New York applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 8, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action.

9.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

9.11 Entire Agreement; Separate Agreements. This Agreement (together with the Meridian Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated July 24, 1996, between the parties. ATS acknowledges that (i) Meridian, MRS and MCN are separate parties with differing ownership, (ii) this Agreement and the Other Agreements are separate agreements, and (iii) Meridian shall have no obligation or liability with respect to the Other Agreements or any claims made thereunder.

9.12 Assignment. This Agreement shall not be assignable by any party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

9.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 9.12.

9.14 Mutual Drafting. This Agreement is the result of the joint efforts of Meridian and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

9.15 Venue. In the event of any Legal Action between the parties arising out of this Agreement, the parties agree to submit the matter to the appropriate municipal, state or federal court sitting in Los Angeles County, California, and the parties agree to submit to the jurisdiction of such courts.

9.16 Meridian Disclosure Schedule. Meridian will deliver to ATS, on or before February 21, 1997, the Meridian Disclosure Schedule and all other documents (including the interim financial statements constituting a part of the Meridian Financial Statements) required to be delivered by Meridian pursuant to Article 3 of this Agreement. Without limiting the generality of the foregoing, the Meridian Disclosure Schedule shall set forth Meridian's proposal with respect to which (a) authorizations, consents, waivers, orders or approvals are proposed to be a condition of Closing pursuant to the provisions of Section 6.1(a), (ii) which Private Authorizations, Leases and Material Agreements and which modifications, if any, of Leases and other Contractual Obligations are proposed to be a condition to Closing pursuant to the provisions of Section 6.2(d), and (iii) which permits, consents or other Governmental Authorizations of the United States Forest Service are proposed to be a condition to Closing pursuant to the provisions of Section 6.2(m).

ATS shall have the right, for a period commencing upon its receipt of the Meridian Disclosure Schedule and each other document (other than such interim financial statements) together with a letter from Meridian indicating that such delivery constitutes a "final and complete" delivery pursuant to this Section and terminating at 11:59 p.m. on the fifteenth (15th) day following such receipt, (a) to terminate this Agreement, if the Meridian Disclosure Schedule reveals any Event of which it was unaware as of the date of this Agreement, which unknown Events, individually or in the aggregate, would have a Material Adverse Effect on Meridian, and (b) to propose to Meridian alternatives as to which (i) authorizations, consents, waivers, orders or approvals are to be a condition of Closing pursuant to the provisions of Section 6.1(a), (ii) which Private Authorizations, Leases and Material Agreements and which modifications, if any, of Leases and other Contractual Obligations are to be a condition to Closing pursuant to the provisions of Section 6.2(d), and (iii) which permits, consents or other Governmental Authorizations of the United States Forest Service are to be a condition to Closing pursuant to the provisions of Section 6.2(m). ATS shall have a

further right to terminate this Agreement for a period of five (5) business days following receipt of such interim financial statements marked "final and complete" if such interim financial statements indicate that a Material Adverse Change in Meridian has occurred of which ATS was unaware of the date of this Agreement.

Anything in this Section 9.16 or elsewhere in this Agreement to the contrary notwithstanding, Meridian shall not be obligated to agree to any proposal of ATS pursuant to clause (b) of the first sentence of the preceding paragraph and neither Meridian nor ATS shall be obligated to negotiate in good faith with respect to resolving such matters and each may make a determination to terminate in its sole and absolute discretion. In the event ATS and Meridian do not agree in writing on the resolution of matters raised by any proposal made by ATS pursuant to such clause (b) on or prior to ten (10) business days of receipt by Meridian of any such proposal of ATS (the "Interim Period") either party may, on or prior to ten (10) business days (the "Termination Period"), following the expiration of the Interim Period, terminate this Agreement. In the event neither party shall have so terminated this Agreement on or prior to the expiration of the Termination Period, or, in the event ATS makes no proposal pursuant to clause (b) of the preceding paragraph, this Agreement shall continue in full force and effect and the original proposal of Meridian (as set forth in the Meridian Disclosure Schedule) shall control for purposes of determining the conditions of Closing set forth in Section 6.1(a), 6.2(d) and 6.2(m).

IN WITNESS WHEREOF, ATS and Meridian have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

With respect to any Nonassignable Contract for which the applicable consent of the third party is not obtained prior to the Termination Date and for which ATS does not timely deliver an Acceptance Notice as described in the preceding sentence, the rights and obligations of the parties shall be as follows unless otherwise agreed by Meridian and ATS in writing: (1) if obtaining such approval or consent was a condition to ATS's obligations at the Closing pursuant to the provisions of Section 6.1(a), 6.2(d) or 6.2(m), this Agreement shall terminate in the manner described in Section 7.2(a); and (2) if obtaining such approval or consent was not such a condition to ATS's obligations, the purchase and sale contemplated hereunder shall proceed in accordance with all the terms of this Agreement, except that the Nonassignable Contract shall no longer constitute part of the "Meridian Assets" and Meridian shall retain all benefits and liabilities thereunder.

(b) Except for the Meridian Assumed Obligations or as expressly provided in this Agreement, ATS shall not assume or become obligated to perform any debt, liability or obligation

of Meridian or relating to the ownership or operation of any of the Meridian Assets or the conduct of the Meridian Business whatsoever, including without limitation the following:

(ii) any obligations or liabilities under the ATS Assumable Agreements relating to the period prior to the Closing;

(v) any liability or obligation from or relating to breach of any warranty or any misrepresentation by Meridian under this Agreement or any Collateral Document;

(vi) any liability or obligation from or relating to breach or violation of, or failure to perform, any of Meridian's obligations, covenants, agreements or undertakings set forth in this Agreement or any Collateral Document, including without limitation Article 5 of this Agreement;

(vii) any obligation or liability relating to any Excluded Asset;

(viii) any obligation or liability with respect to capitalized lease obligations or Indebtedness for Money Borrowed;

(ix) any taxes, fees, expenses or other amounts required to be paid by Meridian pursuant to the provisions of this Agreement or any Collateral Document; and

The term "ATS Assumable Agreements" shall mean all obligations and liabilities of Meridian under all Contractual Obligations, Governmental Authorizations and Private Authorizations relating to the ownership or operation of any of the Meridian Assets or the conduct of the Meridian Business, other than any Meridian Nonassumed Obligation.

(c) Notwithstanding anything contained in this Agreement to the contrary, except as set forth in Article 8 or Section 2.2(c) of the Meridian Disclosure Schedule, all items of income and

expense (including without limitation with respect to rent, utility charges, Pro Ratable Taxes and wages, salaries and accrued but unused vacation of Meridian employees) arising from the ownership or operation of the Meridian Assets or the conduct of the Meridian Business shall be prorated as of 12:01 a.m., Eastern time, on the Closing Date, with Meridian entitled to and responsible for any such items on or prior to the Closing Date and ATS entitled to and responsible for any such items relating to any subsequent period. For these purposes, Pro Ratable Taxes attributable to a period that begins before and ends after the Closing Date shall be treated on a "closing of the books" basis as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the Meridian Disclosure Schedule, with sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, Meridian and ATS shall, within the following ten (10) days, jointly designate a nationally known independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by Meridian and ATS. Such firm shall report its conclusions as to such items and other adjustments pursuant to this Section and such report shall be conclusive on all parties to this Agreement and not subject to dispute or review. Upon such agreement or determination by such independent accounting firm, Meridian or ATS, as the case may be, shall promptly reimburse the other party for any income received or expenses paid by the other party and not previously reimbursed or any other adjustment required by this Section. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, ATS shall be solely responsible for the payment of, and shall defend, indemnify and hold harmless Meridian, its officers, directors and shareholders from, any and all supplemental or additional real property or personal property taxes assessed on or in connection with the Meridian Assets or any part thereof, which arise from the transactions contemplated by this Agreement, except as otherwise provided in Section 9.3 with respect to California or other sales and/or use taxes, and documentary or governmental transfer or stamp taxes arising from the purchase and sale of the Meridian Assets and the Meridian Business contemplated hereby.

Nothing contained in this Section 2.2(c) is intended or shall be deemed to amend or modify the indemnification provisions of Article 8 nor to reallocate responsibility for the matters set forth therein.

2.3 Closing; Purchase Price. The closing of the Transactions (the "Closing") shall take place at Levinson, Miller, Jacobs & Phillips, 1875 Century Park East, Los Angeles, California 90067, at 10:00 a.m., local time, on the date on or prior to June 30, 1997 which is five (5) business days after all of the conditions specified in Article 6 (other than those which are to be satisfied at the Closing) have been satisfied or waived in writing or such other date, prior to the Termination Date, as the parties may agree (the "Closing Date"). At the Closing, each of the parties shall deliver such bills of sale, assignments, assumptions of liabilities and other instruments and documents as are described in this Agreement or as may be otherwise reasonably requested by the parties and their respective counsel. The purchase price for the Meridian Assets and the Meridian Business (the

"Purchase Price") shall be an amount equal to $5,751,182, plus an amount equal to the Construction Adjustment. The term "Construction Adjustment" shall mean an amount equal to the aggregate amount actually paid by Meridian after June 13, 1996 and prior to the Closing Date with respect to the costs and expenses incurred in the acquisition and construction of those certain projects (collectively, the "New Sites") (a) described in Section 2.3 of the Meridian Disclosure Schedule or (b) acquired after the date of this Agreement with the prior written consent of ATS, which consent shall not be unreasonably withheld, other than, in all cases, those costs and expenses which are unreasonable or to which ATS shall have objected in writing prior to their incurrence or commitment by Meridian. The Purchase Price shall be payable by wire transfer of immediately available funds (a) to the Indemnity Escrow Agent (or as it may designate) pursuant to the provisions of the Indemnity Escrow Agreement in the amount of $575,118 minus an amount equal to the amount, if any, expended by Meridian subsequent to the date of this Agreement pursuant to a mutually agreed upon designation of Meridian and ATS entitled an "Indemnity Escrow Fund Reducing Expense" to remedy any misrepresentation, breach of warranty or other breach or defect (the "Indemnity Escrow Fund") and (b) to Meridian for the balance of the purchase price to such account as is designated by Meridian in written instructions to ATS delivered not later than two (2) business days prior to the Closing.

The parties hereto have heretofore agreed upon an allocation schedule (the "Tax Allocation Schedule") pursuant to which the Purchase Price shall be allocated among the Meridian Assets. Each of Meridian and ATS shall report the purchase and sale of the Meridian Assets and the Meridian Business and the other Transactions in accordance with the Tax Allocation Schedule (as adjusted for Events between the date hereof and the Closing Date) for purposes of all federal, state and local Tax Returns and shall not take, and shall cause their respective Affiliates, representatives, successors and assigns not to take, any position on any federal, state or local Tax Return or report, inconsistent with such reporting position. Each of Meridian and ATS shall promptly give the other notice of any disallowance of or challenge to such reporting by any Taxing Authority. Notwithstanding the provisions of this Section, the parties to this Agreement will rely solely on their own advisors in determining the tax consequences of the transactions contemplated by this Agreement and each party is not relying, and will not rely, on any representations or assurances of any other party regarding such consequences other than the representations, warranties, covenants and agreements set forth in writing in this Agreement or furnished pursuant to the provisions hereof.

2.4 Accounts Receivable. At the closing, Meridian shall appoint ATS its agent for the purpose of collecting all Accounts Receivable relating to the Meridian Business. Meridian shall deliver to ATS on or as soon as practicable after the Closing Date a complete and detailed statement showing the name, amount and age of each Accounts Receivable of the Meridian Business. Subject to and limited by the following, revenues relating to the Accounts Receivable relating to the Meridian Business will be for the account of Meridian. ATS shall use its reasonable business efforts to collect the Accounts Receivable with respect to the Meridian Business for a period of ninety (90) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is an Accounts Receivable with respect to the Meridian Business shall first be applied in reduction of the Accounts Receivable, unless the customer contests in writing the validity of such application. During the Collection Period, ATS shall furnish Meridian with a list of, and pay over to Meridian, the amounts collected with respect to the Accounts Receivable with respect to the Meridian Business on a bi-weekly basis and forward

to Meridian, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to Accounts Receivable. ATS shall provide Meridian with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually and in good faith analyze any uncollected Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Accounts Receivable. As to each such Accounts Receivable, the parties shall negotiate a good faith value of such Accounts Receivable, which ATS shall pay to Meridian if ATS, in its sole discretion, chooses to retain such Accounts Receivable. Meridian shall retain the right to collect any of its Accounts Receivable as to which the parties are unable to reach agreement as to a good faith value, and ATS agrees to turn over to Meridian any payments received against any such Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Accounts Receivable assigned to it for collection hereunder or to refer any of such Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Accounts Receivable, except with the approval of Meridian. ATS shall not incur any liability to Meridian for any uncollected account unless ATS shall have engaged in willful misconduct or gross negligence in the performance of its obligations set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither Meridian nor its agents shall make any direct solicitation of the Accounts Receivable for collection purposes, except for Accounts Receivable retained by Meridian after the Collection Period. The provisions of this Section shall not apply to those certain Accounts Receivable set forth in Section 2.4 of the Meridian Disclosure Schedule or to any other Accounts Receivable which Meridian, in its sole business judgment, determines will require extraordinary collection efforts or referrals to a collection agency or attorney for collection (collectively, the "Retained Accounts Receivable"), provided the Retained Accounts Receivable are set forth in a written notice delivered to ATS by Meridian on or prior to the Closing Date. As to all Retained Accounts Receivable, Meridian shall retain the sole and exclusive right to collect same as Meridian in its sole discretion may determine.

of creditors and obligations of debtors generally and by general principles of equity. Except as otherwise set forth in Section 3.5(a) of the Meridian Disclosure Schedule, Meridian has, to Meridian's knowledge, a valid leasehold interest in and enjoys peaceful and undisturbed possession under all Leases pursuant to which it holds any such real property or tangible personal property. Except as disclosed in Section 3.5(a) of the Meridian Disclosure Statement, all such improvements, to Meridian's current actual knowledge, comply in all Material aspects with all Applicable Laws, Governmental Authorizations and Private Authorizations. The representations and warranties set forth in this paragraph shall not apply to the New Sites.

(b) Section 3.5(b) of the Meridian Disclosure Schedule contains a true, accurate and complete description of all Leases under which any real property used in the Meridian Business is leased. Meridian is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any Material Adverse Effect on Meridian. (e) use reasonable business efforts to (i) operate the Meridian Business in conformity in all Material respects with all Governmental and Private Authorizations, Leases and Material Agreements on a basis consistent with past practice and Applicable Law and the rules and regulations of any Authority with jurisdiction over the Meridian Assets or the Meridian Business, and (ii) maintain in full force and effect all such Governmental and Private Authorizations, Leases and Material Agreements relating to the Meridian Business;

(f) not (i) dispose of any of the Meridian Assets owned by Meridian or used in the operation of the Meridian Business (other than for the disposition in the ordinary course of business of immaterial assets that are of no further use to the Meridian Business) or (ii) modify or change in any Material respect, or enter into, any Material Agreement relating to the Meridian Business (other than site user agreements); and

(g) not voluntarily take any action which if taken between the end of its most recent fiscal quarter and prior to the date of this Agreement would have been required to be noted as an exception on Section 3.17 of the Meridian Disclosure Schedule.

With respect to any transaction or act proposed to be entered into or performed by Meridian which, pursuant to Sections 5.1(a) through (g), requires the prior approval of ATS, ATS shall be deemed to have approved same unless written notice of disapproval is received by Meridian within five (5) business days after receipt by Meridian of a written request for approval made by Meridian.

5.7 Preliminary Title Reports. Prior to the execution of this Agreement, Meridian has, at its sole cost and expense, delivered or caused to be delivered to ATS a standard preliminary title report dated as of a recent date issued by one or more title companies authorized to do business in the State of California (the "Title Company") with respect to those Meridian Assets comprised of the parcels of real property described in Section 5.7 of the Meridian Disclosure Schedule (the "Insured Real Property"). Such reports, as same may be amended or supplemented from time to time to reflect additional title matters, are referred to herein as the "Title Reports". Section 5.7 of the Meridian Disclosure Schedule sets forth a description of those matters, if any, shown in the Title Reports as to which ATS has objected and which Meridian has agreed to remedy prior to or, with the written approval of ATS, subsequent to the Closing Date (the "Disapproved Title Matters", which term shall include any matters added thereto pursuant to the provisions of the last sentence of this Section). All matters disclosed by the Title Reports (as of the date hereof) which are not reflected on Section 5.7 of the Meridian Disclosure Schedule have heretofore been approved by ATS. If, at any time following the date hereof, Meridian or the Title Company notifies ATS of any additional matter affecting title to the Insured Real Property, the parties shall negotiate in good faith in an effort to resolve such matters and, in the event that are not able to reach such agreement within thirty (30) days of the date ATS has received written notification thereof, either party may terminate this Agreement with the effect set forth in Section 7.2.

5.8 Environmental Site Assessments. Such reports, as same may be amended or supplemented from time to time to reflect additional environmental matters, are referred to herein as the "Environmental Reports". Section 5.8 of the Meridian Disclosure Schedule sets forth a description of those matters, if any, shown in the Environmental Reports as to which ATS has objected and which Meridian has agreed to remedy prior to or, with the written approval of ATS, subsequent to the Closing Date (the "Disapproved Environmental Matters" which term shall include any matters added thereto pursuant to the provisions of the last sentence of this Section). All matters disclosed by the Environmental Reports (as of the date hereof) which are not reflected on Section 5.8 of the Meridian Disclosure Schedule have heretofore been approved by ATS. If, at any time following the date hereof, Meridian or the Environmental Company notifies ATS of any additional matter affecting the environmental status of the Environmental Real Property, the parties shall negotiate in good faith in an effort to resolve such matters and, in the event that are not able to reach such agreement within thirty (30) days of the date ATS has received written notification thereof, either party may terminate this Agreement with the effect set forth in Section 7.2.

The respective obligations of each party to effect the Transactions shall, except as hereinafter provided in this Section, be subject to the satisfaction at or prior to the Closing Date of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) All authorizations, consents, waivers, orders or approvals required to be obtained from all Authorities, and all filings, submissions, registrations, notices or declarations required to be made by ATS and Meridian with any Authority, prior to the consummation of the Transactions, shall have been obtained from, and made with, all such Authorities, except for such authorizations, consents, waivers, orders, approvals, filings, registrations, notices or declarations as are set forth in Section 6.1(a) of the Meridian Disclosure Schedule or the failure to obtain or make would not, in the reasonable business judgment of each of the parties, have a Material Adverse Effect on the Meridian Assets and the Meridian Business; and

(b) The transactions contemplated by the Other Agreements shall have been consummated prior to or simultaneously with the consummation of the Transactions.

6.2 Conditions to Obligations of ATS. The obligation of ATS to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(b) Meridian shall have furnished ATS and, at ATS's request, any bank or other financial institution providing credit to ATS, with an opinion, dated the Closing Date of Levinson, Miller, Jacobs & Phillips, counsel for Meridian, reasonably acceptable to ATS, with respect to the matters set forth in Sections 3.1(a), (b) and (c), 3.7(a)(i) and (ii), and 3.14 and with respect to such other matters arising after the date of this Agreement and incident to the Transactions, as ATS or its counsel or its counsel may reasonably request or which may be reasonably requested by any such bank or financial institution or their respective counsel;

(c) The representations, warranties, covenants and agreements of Meridian contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto or otherwise made in connection with the Transactions shall be true and correct in all Material respects at and as of the Closing Date with the same force and effect as though

made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all Material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of Meridian or ATS, except as otherwise specifically provided herein); each and all of the agreements and conditions to be performed or satisfied by Meridian hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all Material respects; and Meridian shall have furnished ATS with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as ATS or its counsel shall have reasonably requested;

(d) Except to the extent, if any, specifically set forth in Section 6.2(d) of the Meridian Disclosure Schedule, all authorizations, consents, waivers, orders or approvals required by the provisions of this Agreement to be obtained from all Persons (other than Authorities) prior to the consummation of the Transactions, including without limitation those required by the provisions of this Agreement in order to vest fully in ATS all right, title and interest in and to all of the Meridian Assets and the Meridian Business (including without limitation all Private Authorizations, Leases and Material Agreements of Meridian and, at the cost and expense of Meridian, all modifications of Leases and other Contractual Obligations heretofore requested by ATS and set forth in Section 6.2(d) of the Meridian Disclosure Schedule) and the full enjoyment thereof shall have been obtained, without the imposition, individually or in the aggregate, of any condition or requirement which could Adversely Affect ATS;

any Materially Adverse conditions in connection with, the consummation of the Transactions, or which might, in the reasonable business judgment of ATS, based upon the advice of counsel, have a Material Adverse Effect on the Meridian Assets and the Meridian Business, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not be deemed to be a threat of any such Legal Action;

(i) All Disapproved Environmental Matters shall have been cured or arrangement shall have been made to cure, in each case, in a manner reasonably satisfactory to ATS;

(j) Norman Kramer shall have executed and delivered to ATS an agreement substantially in the form of Exhibit A attached hereto and made a part hereof (the "Kramer Noncompetition Agreement");

(p) To the extent that the representations and warranties of Meridian specifically exclude a reference to the New Sites, ATS shall have determined, in its reasonable business judgment, that representations and warranties to the extent not so made would be true and correct in all Material respects at and as of the Closing Date with the same force and effect as though made with respect to the New Sites as of the Closing Date.

6.3 Conditions to Obligations of Meridian. The obligation of Meridian to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(c) The representations, warranties, covenants and agreements of ATS contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto or otherwise made in connection with the Transactions shall be true and correct in all Material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all Material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of Meridian or ATS, except as otherwise specifically provided herein); each and all of the agreements and conditions to be performed or satisfied by ATS hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all Material respects; and ATS shall have furnished Meridian with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as Meridian or its counsel shall have reasonably requested;

ARTICLE 7

7.1 Termination. This Agreement shall terminate if the Closing does not occur on or prior to the Termination Date and may be terminated at any time prior to the Closing Date:

(a) by mutual consent of Meridian and ATS;

(b) by either ATS or Meridian if any permanent injunction, decree or judgment by any Authority preventing the consummation of the Transactions shall have become final and nonappealable; or

(c) by Meridian in the event (i) Meridian is not in Material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any Material respect, and (ii) either (A) the Transactions have not been consummated prior to the Termination Date and ATS is in Material breach of this Agreement or any of its representations or warranties

shall have become and continue to be untrue in any Material respect, or (B) such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(d) by ATS in the event (i) ATS is not in Material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any Material respect, and (ii) either (A) the Transactions have not been consummated prior to the Termination Date and Meridian is in Material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any Material respect, or (B) such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

The term "Termination Date" shall mean June 30, 1997 or such other date as the parties may, from time to time, mutually agree.

The right of ATS or Meridian to terminate this Agreement pursuant to this Section shall remain operative and in full force and effect regardless of any investigation made by or on behalf of either party, any Person controlling any such party or any of their respective Representatives whether prior to or after the execution of this Agreement.

(b) In the event this Agreement is terminated by Meridian pursuant to the provisions of Section 7.1(c) or by ATS pursuant to the provisions of Section 7.1(d), the terminating party shall be entitled to damages as follows and in no other circumstances other than fraud:

(i) in the event that any misrepresentation that was made was not a willful misrepresentation at the time it was made, or any breach of any warranty, covenant or agreement set forth in this Agreement was not a willful breach, on the part of the non-terminating party, then the terminating party shall be entitled to recover only its reasonable out-of-pocket fees and expenses not to exceed in the aggregate $45,000; and

(ii) in the event that any misrepresentations that was made was a willful misrepresentation at the time it was made, or the breach of any warranty, covenant or agreement was a willful breach, on the part of the non-terminating party, then the terminating party shall be entitled to recover the actual amount of its damages, including without limitation consequential damages and reasonable out-of-pocket fees and expenses, in an amount not to exceed the amount of the Indemnity Escrow Fund.

Notwithstanding the foregoing, each party shall have the right to seek specific performance pursuant to the provisions of Section 9.5.

(c) In the event this Agreement is terminated pursuant to the provisions of Sections 5.7, 5.8, 7.1(a), 7.1(b), 7.1(e) or 7.1(f), except as provided in Section 7.2(a), neither of the parties shall have any further rights or remedies.

ARTICLE 8

INDEMNIFICATION

8.1 Survival. The representations, warranties, covenants and agreements of the parties contained in or made pursuant to this Agreement or any Collateral Document (including without limitation the indemnification obligations set forth in this Article) shall, except as provided in Section 8.3(e), survive the Closing and shall remain operative and in full force and effect, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto, for a period of two (2) years after the Closing Date (the "Indemnity Period"); provided, however, that notwithstanding the foregoing (a) the representations and warranties referred to in (i) Section 3.21 shall survive for a period of four (4) years after the Closing Date, and (ii) Sections 3.1 (to the extent they relate to valid existence of Meridian, partnership power and partnership authority of Meridian, the due execution, delivery and performance by Meridian of this Agreement and each Collateral Document, and the legal, valid, binding and enforceable nature of this Agreement and each Collateral Document on Meridian), 3.12, and 4.1 (to the extent they related to due organization, valid existence and good standing of ATS, corporate power and corporate authority of ATS, the due execution, delivery and performance by ATS of this Agreement and each Collateral Document, and the legal, valid, binding and enforceable nature of this Agreement and each Collateral Document of ATS) shall survive for the applicable statute of limitations, (b) those covenants and agreements set forth in Sections 5.1, 5.2(b) and 5.2(c) and Article 9 shall survive for the statute of limitations applicable to contracts, (c) the indemnification obligations of ATS set forth in Section 8.2(c), to the extent same relate to New Site Assumed Obligations or to obligations and liabilities under ATS Assumable Agreements applicable to periods from and after the Closing Date, shall survive until all liabilities and obligations which are the subject thereof have been paid or discharged in full, and (d) the indemnification obligations of ATS referred to in Section 8.2(e) shall survive until all liabilities and obligations which are the subject thereof have been paid or discharged in full. No claim for indemnification, other than with respect to fraud, may be asserted after the expiration of the Indemnity Period, except as provided in this Section and Section 8.3(d). Notwithstanding anything herein to the contrary, any representation, warranty, covenant and agreement which arises and is the subject of a Claim which is asserted in writing prior to the expiration of the Indemnity Period shall

survive with respect to such Claim or any dispute with respect thereto until the final resolution thereof.

8.2 Indemnification.

(a) Each of Meridian and ATS (the "indemnifying party") agrees that on and after the Closing it shall indemnify and hold harmless the other (the "indemnified party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document (collectively, "Loss and Expense"), suffered, directly or indirectly, by the indemnified party by reason of, or arising out of:

(i) any breach of representation or warranty made by the indemnifying party pursuant to this Agreement or any Collateral Document or any failure by the indemnifying party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document (including without limitation any Legal Action or other Claim by any third party which Claim is based upon a breach or alleged breach of representation or warranty by the indemnifying party pursuant to this Agreement or any Collateral Document); or

(ii) in the case of Meridian as the indemnifying party, the failure of Meridian to comply with Bulk Sales law of the State of California.

(b) Meridian agrees that from and after the Closing it shall indemnify and hold harmless ATS and each of its officers, directors, stockholders, and any of their respective heirs, executors, representatives, successors and assigns, from and against any and all Loss and Expense suffered, directly or indirectly, by any of them by reason of, or arising out of, including without limitation any Legal Action or other Claim that relates to Meridian Nonassumed Obligations or the ownership and operation of the Meridian Assets and the Meridian Business prior to the Closing Date; provided, that the foregoing obligation shall not extend to any Claim, Legal Action, Loss or Expense from or relating to (i) the condition of physical assets which, pursuant to the provisions of Section 4.5, are being sold hereunder on an "AS IS" basis, (ii) Events, Contracts, transactions, acts, omissions, agreements, matters or things the existence or nonexistence of which is disclosed with reasonable specificity in the Meridian Disclosure Schedule or in the documents reference therein (to the extent copies thereof have been furnished to ATS), except to the extent, if at all, Section 8.2(b) of the Meridian Disclosure Schedule specifically indicates to the contrary, (iii) Environmental Law or environmental matters, except to the extent Meridian is in breach of the representations and warranties set forth in Section 3.21 with respect thereto, or (iv) matters of a type described in Section 8.2(d).

(c) ATS agrees that from and after the Closing it shall indemnify and hold harmless Meridian and each of its partners and each officer, director, stockholder and beneficiary of any Meridian's partners, and any of the respective heirs, executors, trustees, beneficiaries, representatives, successors and assigns of any of its foregoing (collectively, the "Meridian Indemnified Parties"), from and against any and all Loss and Expense suffered, directly of indirectly,

by any of them by reason of, or arising out of, including without limitation any Legal Action or other Claim that relates to, (i) Meridian Assumed Obligations or (ii) the ownership and operation of the Meridian Assets and the Meridian Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the Meridian Assumed Obligations or are within the provisions of Section 8.2(d).

(d) Notwithstanding any provision of this Agreement to the contrary, ATS agrees that from and after the Closing it shall indemnify and hold harmless Meridian and each of the other Meridian Indemnified Parties, from and against any Legal Action or other Claim arising from damage or injury to person or property (including wrongful death) based upon, involving or arising out of the ownership or operation (whether prior to or after the Closing Date) of the Meridian Assets and the Meridian Business; provided, however, that nothing contained in this Section is intended to relieve Meridian of its obligations set forth in Section 8.2(a).

(e) ATS agrees that from and after the Closing, it shall indemnify and hold harmless Meridian and each of the other Meridian Indemnified Parties from and against the following:

(i) Such matters as are the subject of ATS's indemnification obligations under the Nonassignable Contracts Agreement described in Section 6.2(o); and

(ii) All Loss and Expense suffered, directly or indirectly, by any of them by reason of, or arising out of, the use by ATS of audited financial statements relating to the Meridian Business as described in Section 5.2(c); provided, however, that notwithstanding the foregoing, to the extent (A) such Loss and Expense is attributable to a breach of warranty and a misrepresentation from those contained in Section 3.2 of this Agreement and (B) at the time ATS is obligated to make indemnification under this subparagraph (ii) or any ATS Affiliate is so obligated pursuant to the provision of any agreement executed pursuant to the provisions of Section 5.2(c) there are Escrow Indemnity Funds to cover all or part of such obligation, then ATS may utilize such Escrow Indemnity Funds to discharge that portion of its or such Affiliate's obligation as is commensurate with the amount of Escrow Indemnity Funds so available.

8.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 8.2, after the Closing, except as otherwise provided in Section 8.6, each indemnifying party's rights to indemnification shall be subject to the following limitations: (i) the indemnified party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $25,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $25,000), and (ii) in no event shall the aggregate amount required to be paid pursuant to the provisions of this Article exceed the Escrow Indemnity Fund in the case of Meridian or $575,118 in the case of ATS' obligations under Sections 8.2(a) and 8.2(c); provided, that ATS's obligation to indemnify Meridian or other Persons from (x) New Site Assumed Obligations, (y) liabilities or obligations arising after the Closing Date pursuant to ATS Assumable Agreements, or (z) liabilities or obligations referred to in Section 8.2(e), shall be subject to no maximum dollar limitation.

(b) Anything in this Agreement, including without limitation the provisions of Sections 8.2 or 8.3(a), to the contrary notwithstanding, except as provided in Sections 8.3(d) and 8.6, (i) the exclusive recourse of ATS with respect to the liability of Meridian pursuant to Section 8.2 or any other provision of this Agreement or Applicable Law which requires Meridian to defend, indemnify or hold harmless ATS from or against any Claim, Loss or Expense shall be the Escrow Indemnity Fund; and (ii) ATS's remedies for any such liability of Meridian, or for any Claim or Loss or Expense arising under this Agreement, shall be limited to its right to recover from the Escrow Indemnity Funds in accordance with the provisions of the Escrow Indemnity Agreement, and neither ATS nor any of its officers, directors, shareholders, agents or Affiliated Entities shall have any right of recovery against Meridian or any other Meridian Indemnified Party or against the assets of any of them for any such liability.

(c) In the event there shall be no Claims pursuant to the provisions of this Agreement with respect to the Escrow Indemnity Funds, if any, existing at the expiration of the Indemnity Period, the Escrow Indemnity Funds then remaining (together with any then existing interest or earnings) shall be distributed to the Persons entitled thereto. In the event one or more such Claims with respect to the Escrow Indemnity Funds, if any, shall exist upon the expiration of the Indemnity Period, funds in an amount equal to the sum of (i) the aggregate amount of such Claims and (ii) the amount reasonably necessary to cover the fees, expense and other costs (including reasonable counsel fees and expenses) which will be required to resolve such Claims shall be retained as part of the Escrow Indemnity Funds and the balance thereof, if any, shall be distributed to the Persons entitled thereto. Upon the resolution of all such Claims and the payment of all such fees, expenses and costs out of the Escrow Indemnity Funds, the remainder of the Escrow Indemnity Funds, if any, shall be distributed to the Persons entitled thereto.

(d) If, following the expiration of the Indemnity Period and the distribution to Meridian or any other Person claiming by, through or in the name of Meridian of any remaining Escrow Indemnity Funds, ATS becomes entitled to indemnification for Loss and Expense suffered by ATS arising from (i) any misrepresentation or breach of warranty with respect to the matters referred to in clause (a) of the proviso or (ii) any breach of the covenants and agreements referred to in clause (b) of the proviso, in each case in the first sentence of Section 8.1, then, subject to the limitation periods stated in such proviso, ATS may pursue its Claim for such indemnification directly against Meridian, its partners and their successors and assigns; provided, however, that the maximum amount of liability in the aggregate of Meridian (its partners and their successors and assigns) for any and all such Claims shall be the amount of Escrow Indemnity Funds that were distributed to Meridian or any other Person (other than a claimant whose Claim is alleged by ATS to be subject to satisfaction from the Indemnity Escrow Fund) claiming by, through or in the name of Meridian (including without limitation Meridian's, its partners' or their successors, assigns, trustees, beneficiaries, representatives, heirs or executors) upon the expiration of the Indemnity Period or thereafter.

(e) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto. No indemnifying party shall be liable under this Article for a loss resulting from any

event relating to a misrepresentation or breach of warranty if the indemnifying party can establish that the indemnified party had actual knowledge on or before the Closing Date of such event and did not, on or before the Closing Date, reserve its rights with respect thereto.

8.4 Notice of Claims. If an indemnified party believes that it has suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 8.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify prejudices such indemnifying party's ability to defend against such Claim.

8.5 Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party; provided, however, that if the indemnified party fails or refuses to consent in writing to any compromise of settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") within ten (10) business days after receipt of written notice of all of the material terms and conditions of the Settlement Proposal, and such terms and conditions (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement Proposal and (b) if the indemnified party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership and operations of the Meridian Assets and the conduct of the Meridian Business in substantially the manner theretofore owned, operated and conducted by Meridian, then, unless the indemnifying party forthwith withdraws the Settlement Proposal, the indemnified party (i) shall have the right but not the obligation to undertake the conduct of the defense of such Legal Action or other Claim, and (ii) whether or not it shall so undertake the defense of such Legal Action or other Claim, shall bear, and shall indemnify and hold the indemnifying party harmless from, all Loss and Expense arising from such Legal Action or other Claim (to the extent not theretofore (x) accrued with respect to the costs and expenses of the defense of such Legal Action or other Claim or (y) paid with respect to such Legal Action or other Claim) in excess of the amount contained in the Settlement Proposal, it being understood, in such event, that the indemnifying party shall bear all Loss and Expense, including subsequently incurred Loss and Expense (including without limitation those attributable to legal fees and expenses) up to the amount

contained in the Settlement Proposal, even if the ultimate disposition of such Legal Action or other Claim results in payments to the claimant of less than those contained in the Settlement Proposal.

8.6 Exclusive Remedy. Except for fraud or willful or intentional breach of representation or warranty or as otherwise provided in Section 9.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 9

GENERAL PROVISIONS

9.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time prior to the Closing Date but only by an instrument in writing signed by the parties hereto.

9.2 Waiver. At any time prior to the Closing Date, except to the extent not permitted by Applicable Law, ATS or Meridian may extend the time for the performance of any of the obligations or other acts of the other, subject, however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

9.3 Fees, Expenses and Other Payments. All California and other sales and/or use Taxes, documentary or governmental transfer Taxes, recording fees, or other comparable charges levied by any Authority in connection with the purchase and sale of the Meridian Assets and the Meridian Business contemplated hereby, and all Hart-Scott-Rodino filing fees, shall be borne equally by Meridian and ATS. All title insurance costs and expenses shall be borne by Meridian and all Environmental Report costs and expenses shall be borne by ATS, except that in the event this Agreement is terminated pursuant to the provisions of Section 5.8, all such Environmental Report costs and expenses shall be borne by Meridian. All other costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, and in compliance with Applicable Law and Contractual Obligations as a consequence hereof and thereof, including without limitation fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto shall be borne solely and entirely by the party which has incurred such costs and expenses (with respect to such party, its "Expenses").

9.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach. Notwithstanding the foregoing or any provision of this Agreement to the contrary, ATS shall not be entitled to specific performance or any other remedy to the extent that the aggregate costs and expenses required to be paid by Meridian arising from the enforcement or exercise of such remedy (inclusive of reasonable attorneys fees) would exceed an amount equal to the amount of the Escrow Indemnity Fund, and after the Closing Meridian shall not be required to expend any of its funds (other than payments by the Indemnity Escrow Agent out of the Escrow Indemnity Fund (as reduced in accordance with the provisions of Section 2.3) or except as provided in Section 8.3(d)) for such purpose.

9.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to Affect Materially and Adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

9.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

9.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

9.9 Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of New York applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 8, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action.

9.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

9.11 Entire Agreement; Separate Agreements. This Agreement (together with the Meridian Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated July 24, 1996, between the parties. ATS acknowledges that (i) Meridian, MSSC and MRS are separate parties with differing ownership, (ii) this Agreement and the Other Agreements are separate agreements, and (iii) Meridian (and its partners, in their capacity as such) shall have no obligation or liability with respect to the Other Agreements or any claims made thereunder.

9.12 Assignment. This Agreement shall not be assignable by any party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

9.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 9.12.

9.14 Mutual Drafting. This Agreement is the result of the joint efforts of Meridian and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

9.15 Venue. In the event of any Legal Action between the parties arising out of this Agreement, the parties agree to submit the matter to the appropriate municipal, state or federal court

sitting in Los Angeles County, California, and the parties agree to submit to the jurisdiction of such courts.

9.16 Meridian Disclosure Schedule. Meridian will deliver to ATS, on or before February 21, 1997, the Meridian Disclosure Schedule and all other documents (including the interim financial statements constituting a part of the Meridian Financial Statements) required to be delivered by Meridian pursuant to Article 3 of this Agreement. Without limiting the generality of the foregoing, the Meridian Disclosure Schedule shall set forth Meridian's proposal with respect to which (a) authorizations, consents, waivers, orders or approvals are proposed to be a condition of Closing pursuant to the provisions of Section 6.1(a), (ii) which Private Authorizations, Leases and Material Agreements and which modifications, if any, of Leases and other Contractual Obligations are proposed to be a condition to Closing pursuant to the provisions of Section 6.2(d), and (iii) which permits, consents or other Governmental Authorizations of the United States Forest Service are proposed to be a condition to Closing pursuant to the provisions of Section 6.2(m).

ATS shall have the right, for a period commencing upon its receipt of the Meridian Disclosure Schedule and each other document (other than such interim financial statements) together with a letter from Meridian indicating that such delivery constitutes a "final and complete" delivery pursuant to this Section and terminating at 11:59 p.m. on the fifteenth (15th) day following such receipt, (a) to terminate this Agreement, if the Meridian Disclosure Schedule reveals any Event of which it was unaware as of the date of this Agreement, which unknown Events, individually or in the aggregate, would have a Material Adverse Effect on Meridian, and (b) to propose to Meridian alternatives as to which (i) authorizations, consents, waivers, orders or approvals are to be a condition of Closing pursuant to the provisions of Section 6.1(a), (ii) which Private Authorizations, Leases and Material Agreements and which modifications, if any, of Leases and other Contractual Obligations are to be a condition to Closing pursuant to the provisions of Section 6.2(d), and (iii) which permits, consents or other Governmental Authorizations of the United States Forest Service are to be a condition to Closing pursuant to the provisions of Section 6.2(m). ATS shall have a further right to terminate this Agreement for a period of five (5) business days following receipt of such interim financial statements marked "final and complete" if such interim financial statements indicate that a Material Adverse Change in Meridian has occurred of which ATS was unaware of the date of this Agreement.

Anything in this Section 9.16 or elsewhere in this Agreement to the contrary notwithstanding, Meridian shall not be obligated to agree to any proposal of ATS pursuant to clause (b) of the first sentence of the preceding paragraph and neither Meridian nor ATS shall be obligated to negotiate in good faith with respect to resolving such matters and each may make a determination to terminate in its sole and absolute discretion. In the event ATS and Meridian do not agree in writing on the resolution of matters raised by any proposal made by ATS pursuant to such clause (b) on or prior to ten (10) business days of receipt by Meridian of any such proposal of ATS (the "Interim Period") either party may, on or prior to ten (10) business days (the "Termination Period"), following the expiration of the Interim Period, terminate this Agreement. In the event neither party shall have so terminated this Agreement on or prior to the expiration of the Termination Period, or, in the event ATS makes no proposal pursuant to clause (b) of the preceding paragraph, this Agreement shall continue in full force and effect and the original proposal of Meridian (as set forth

in the Meridian Disclosure Schedule) shall control for purposes of determining the conditions of Closing set forth in Section 6.1(a), 6.2(d) and 6.2(m).

IN WITNESS WHEREOF, ATS and Meridian have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the Seller Disclosure Schedule, within

The Purchase Price shall be payable (a) by ATS instructing the Escrow Agent to deliver the Escrow Deposit (together with interest and other increments thereto) to Seller and, (b) by wire transfer of immediately available funds to Seller for the balance of the Purchase Price to such account (or accounts) as Seller shall designate in written instructions to ATS delivered not later than two (2) business days prior to the Closing.

(b) In the event that as of the Closing Seller has completed negotiations (the "Negotiations") for ATS to acquire from The South Carolina Public Service Authority ("Santee Cooper") (or from Seller as the Direct transferee from Santee Cooper) certain tower assets (the "Utility Assets"), and Santee Cooper is ready, willing and able to consummate the transactions required to transfer the Utility Assets, at a price and upon the terms and conditions reasonably satisfactory to ATS, then in consideration of the opportunity to acquire the Utility Assets, the Purchase Price shall be the Purchase Price as calculated pursuant to Section 2.3(a) plus the Utility Assets Price.

(c) In the event that as of the Closing Seller is unable to acquire or enter into an agreement to acquire (or to enable ATS to do either of the foregoing) the Utility Assets but instead enters into contracts, assignable to ATS upon terms and conditions reasonably satisfactory to, ATS to manage the Utility Assets (the "Santee Cooper Contract"), then, upon satisfaction of the condition specified in Section 2.3(d), the Purchase Price shall be the Purchase Price as calculated pursuant to Section 2.3(a) plus the Utility Management Price.

(d) In the event that Seller, on behalf of ATS, completes the Negotiations or presents to ATS for its execution and delivery the Santee Cooper Contract pursuant to Sections 2.3(b) or 2.3(c), respectively, at any time between the Closing and the one (1) year anniversary of the Closing, Buyer shall be entitled to the Utility Assets Price or the Utility Management Price, as the case may be. ATS shall wire the Utility Asset

Price or the Utility Management Price, as the case maybe, to the Seller's account(s) as designated by Seller pursuant to written instructions within ten (10) business days of receipt of such instructions.

(e) For purposes of this Section 2.3 "Utility Asset Price" shall mean cash in an amount calculated as follows:

(i) First calculate the purchase price for which Seller would be acquiring the Utility Assets from Santee Cooper and divide that number by the annualized running rate of cash flow from the Utility Assets as of the date that Seller would acquire the Utility Assets or as of the first full month that Santee Cooper makes full payment under the sale-leaseback arrangement. For example, if the purchase price of the Utility Assets were $3,250,000 and the annualized running rate of cash flow were $480,000, the cash flow multiple for which the Seller would be acquiring the Utility Assets would be 6.77 (the "Utility Cash Flow Multiple").

(ii) ATS will then compensate Seller by taking the difference between (x) the Utility Cash Flow Multiple and (y) the cash flow multiple which ATS is paying Seller for the Seller Assets, based upon Seller's estimated 1997 year end running rate of cash flow (which the parties have heretofore agreed will be $45,000 for December 1997, or $540,000 on an annualized basis), and adding that number to the Utility Cash Flow Multiple. By way of example, ATS would be paying Seller approximately 9.87 times year end 1997 running rate of cash flow ($5,330,000 divided by $540,000) and the difference would be 9.87 less 6.77, or 3.10.

(iii) This differential of 3.10 would then be multiplied by the percentage of Utility Assets being acquired by Seller (currently expected to be 19) which can be utilized as lease towers, as determined by good faith negotiations of Seller and ATS at the time of purchase of the Utility Assets. Thus, for example, if 15 of the Utility Assets are useable, ATS would pay Seller a cash flow multiple of 6.77 plus 3.10 multiplied by fifteen-nineteenths (15/19), or 6.77 plus 2.45, or 9.22.

(iv) Therefore, ATS would pay 9.22 times the cash flow of the Utility Assets (9.22 times $480,000, or $4,424,337) for the Utility Assets. Seller would have a gain of $1,174,337 (over and above its $3,250,000) purchase price) for the Utility Assets opportunity.

(f) For purposes of this Section 2.3 "Utility Management Price" shall mean cash in an amount calculated as follows:

The number of tower sites being managed (estimated currently at 64 in number), multiplied by the estimated annual revenue per site (estimated currently at $12,000), multiplied by the percentage of sites actually useable as lease sites (currently estimated at between 65% to 75%) and multiplied by the management fee percentage negotiated by Seller with Santee Cooper (estimated at between 25% to 30%). ATS and Seller would then negotiate in good faith to determine (i) a reasonable multiple of this estimated cash flow and, (ii) since there is presently no cash flow from these towers, the schedule of payments to be paid by ATS to Seller for the management opportunity, based in part on payments from Santee Cooper under the Santee Cooper Contract.

(g) Except as set forth in this Section 2.3 with respect to the adjustment of the Purchase Price, all efforts of Seller with respect to the Negotiations whether prior or subsequent to the Closing, including without limitation, the acquisition of the Utility Assets or execution and delivery of the Santee Cooper Contract, as the case may be, shall, be for the sole and exclusive benefit of ATS. If executed and delivered prior to the Closing the Santee Cooper Contract shall be considered part of Seller's Assets. If acquired by Seller prior to the Closing the Utility Assets shall be considered part of Seller's Assets.

(h) In the event that Seller acquires the Utility Assets or enters into the Santee Cooper Contract, but the terms and conditions thereof are not reasonably satisfactory to ATS, Seller shall, within ten (10) business days from ATS' rejection of the acquisition of the Utility Assets or refusal to enter into the Santee Cooper Contract, as the case may be, notify ATS of its election either (i) to offer the Utility Assets or the Santee Cooper Contract to a third party which is not Affiliated with Kenneth E. Hall, or (ii) submit to binding arbitration in accordance with the Commercial Rules of the American Arbitration Association the issue of ATS' reasonableness in rejecting the purchase of the Utility Assets or the execution and delivery of the Santee Cooper Contract.

(i) Notwithstanding anything in this Agreement to the contrary, the parties acknowledge that the employees, including the President, of Seller will be employed by ATS following the Closing. These persons will continue to be involved in the Negotiations and/or procurement of the Santee Cooper Contract. ATS agrees to allow these persons to pursue the Negotiations and the Santee Cooper Contract, for the benefit of ATS or, upon its rejection of the purchase of the Utility Assets or refusal to enter into the Santee Copper Contract, Seller, during normal business hours while these persons are employees of ATS.

2.4 Accounts Receivable. At the closing, Seller shall appoint ATS its agent for the purpose of collecting all Accounts Receivable relating to the Seller Business. Seller shall deliver to ATS on or as soon as practicable after the Closing Date a complete and detailed statement showing the name, amount and age of each Accounts Receivable of the Seller Business. Subject to and limited by the following, revenues relating to the Accounts Receivable relating to the Seller Business will be for the account of Seller. ATS shall use the same procedures and efforts which it uses with respect to its own accounts receivable to collect the Accounts Receivable with respect to the Seller Business for a period of ninety (90) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is an Accounts Receivable with respect to the Seller Business shall first be applied in reduction of the Accounts Receivable, unless the customer contests the validity of such application. During the Collection Period, ATS shall furnish Seller with a list of, and pay over to Seller, the amounts collected with respect to the Accounts Receivable with respect to the Seller Business on a monthly basis and forward to Seller, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to Accounts Receivable. ATS shall provide Seller with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually and in good faith analyze any uncollected Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Accounts Receivable. As to each such Accounts Receivable, the parties shall negotiate a good faith value of such Accounts Receivable, which ATS shall pay to Seller if ATS, in its sole discretion, chooses to retain such Accounts Receivable. Seller shall retain the right to collect any of its Accounts Receivable as to which the parties are unable to reach agreement as to a good faith value, and ATS agrees to turn over to Seller any payments received against any such Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Accounts Receivable assigned to it for collection hereunder or to refer any of such Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Accounts Receivable, except with the approval of Seller. ATS shall not incur any liability to Seller for any uncollected account unless ATS shall have engaged in willful misconduct or gross negligence in the performance of its obligations

set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither Seller nor its agents shall make any direct solicitation of the Accounts Receivable for collection purposes, except for Accounts Receivable retained by Seller after the Collection Period.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF SELLER

Seller hereby represents, warrants and covenants to, and agrees with, ATS as follows:

(b) Seller has all requisite limited liability company power and authority and has in full force and effect all Governmental Authorizations (which, for purposes of this Section 3.1(b), relate only to the sale of the Seller Assets and the Seller Business generally and not to "site-specific" Governmental Authorizations or those required by local Applicable Law) and Private Authorizations, except for those set forth in Section 3.1(b) of the Seller Disclosure Schedule or those the failure of which to obtain do not and will not have, individually or in the aggregate, any material adverse effect on Seller, necessary to enable it to execute and deliver, and to perform its obligations under, this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions; and the execution, delivery and performance of this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto have been duly authorized by all requisite corporate or other action on the part of Seller. This Agreement has been duly executed and delivered by Seller and constitutes, and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions when executed and delivered by Seller will constitute, legal, valid and binding obligations of Seller, enforceable in accordance with their respective terms.

(c) Except as set forth in Section 3.1(c) of the Seller Disclosure Schedule, and except for matters which would have no material adverse effect on Seller, neither the execution and delivery by Seller of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by Seller of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by Seller:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of Seller or any Applicable Law (which, for purposes of this Section 3.1(c)(i), relates only to the sale of the Seller Assets and the Seller Business generally and not to local Applicable Law), or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of Seller, other than those constituting Seller Nonassumed Obligations; or

(ii) will require Seller to make or obtain any Governmental Authorization (which, for purposes of this Section 3.1(c)(ii)), relate only to the sale of the Seller Assets and Seller Business

generally and not to "site-specific" Governmental Authorizations or those required by local Applicable Law), or Private Authorization including without limitation under the FCA.

(d) Seller does not have any Subsidiaries.

3.2 Financial and Other Information. Seller has heretofore furnished to ATS copies of the financial statements of the Seller Business listed in Section 3.2 of the Seller Disclosure Schedule (the "Seller Financial Statements"). To the best of Seller's knowledge, the Seller Financial Statements, including in each case the notes thereto, have been prepared in accordance with GAAP applied on a consistent basis throughout the periods covered thereby, except as otherwise noted therein or as set forth in Section 3.2 of the Seller Disclosure Schedule, are true, accurate and complete in all material respects, do not contain any untrue statement of a material fact or omit to state a material fact required by GAAP to be stated therein or necessary in order to make the statements contained therein not misleading, and fairly present the financial condition and the results of operations and cash flow of the Seller Business, on the bases therein stated, as of the respective dates thereof, and for the respective periods covered thereby subject, in the case of unaudited financial statements, to normal nonmaterial year-end audit adjustments and accruals.

The parties recognize that Seller was issued a qualified opinion with respect to its 1996 financial statements. A copy of these statements has been provided to ATS.

3.3 Changes in Condition. Since the date of the most recent financial statements constituting a part of the Seller Financial Statements, except to the extent specifically described in Section 3.3 of the Seller Disclosure Schedule, there has been no material adverse change in Seller. There is no Event known to Seller which materially adversely affects, or is likely to materially adversely affect, Seller, except to the extent specifically described in Section 3.3 of the Seller Disclosure Schedule.

3.4 Materiality. The representations and warranties set forth in this Article would in the aggregate be true and correct even without the materiality exceptions or qualifications contained therein or set forth in the Seller Disclosure Schedule, except for such exceptions and qualifications including without limitation those set forth in the Seller Disclosure Schedule which, in the aggregate for all such representations and warranties, are not and could not reasonably be expected to be materially adverse to Seller.

3.5 Title to Properties; Leases.

(a) Section 3.5(a) of the Seller Disclosure Schedule contains a true, accurate and complete description of all real property owned by Seller that is part of the Seller Assets. Seller has good indefeasible, marketable and insurable title to all real property (other than leasehold real property) and good indefeasible and merchantable title to all other assets (other than real property), tangible and intangible, constituting a part of the Seller Assets, in each case free and clear of all Liens, except (i) Permitted Liens, (ii) Liens set forth on Section 3.5(a) of the Seller Disclosure Schedule and (iii) Approved Title Conditions. Except for financing statements evidencing Liens referred to in the preceding sentence (a true, accurate and complete list and description of which is set forth in Section 3.5(a) of the Seller Disclosure Schedule), no financing statements under the Uniform Commercial Code and no other filing which names Seller as debtor or which covers or purports to cover any of the Seller Assets is on file in any state or other jurisdiction, and Seller has not signed or agreed to sign any such financing statement or filing or any agreement authorizing any secured party thereunder to file any such financing statement or filing. To the best of Seller's knowledge, except as disclosed in Section 3.5(a) of the Seller Disclosure Schedule, all improvements on the real property owned or leased by Seller are in compliance with applicable zoning, wetlands and land use laws, ordinances and regulations and applicable title covenants, conditions, restrictions and reservations in all respects necessary to conduct the operations as presently conducted, except for any instances of non-compliance which do not

and will not in the aggregate have a material adverse effect on the owner or lessee, as the case may be, of such real property. To the best of Seller's knowledge, except as disclosed in Section 3.5(a) of the Seller Disclosure Statement, all such improvements comply in all material aspects with all Applicable Laws, Governmental Authorizations and Private Authorizations. Except as disclosed in Section 3.5(a) of the Seller Disclosure Statement, all of the transmitting towers, ground radials, guy anchors, transmitting buildings and related improvements located on the real property owned or leased by Seller are located entirely on such real property. There is no pending and, to Seller's knowledge, threatened or contemplated action to take by eminent domain or otherwise to condemn any part of any real property owned or leased by Seller. Except as set forth in Section 3.5(a) of the Seller Disclosure Schedule, such real property (other than land), fixtures, fixed assets and other material items of personal property, including equipment, have, in Seller's reasonable business judgment, been maintained in a manner consistent with generally accepted standards of sound engineering practice and, to the best of Seller's knowledge, currently permit the Seller Business to be operated in all material respects in accordance with the terms and conditions of all Applicable Laws, Governmental Authorizations and Private Authorizations.

(b) Section 3.5(b) of the Seller Disclosure Schedule contains a true, accurate and complete description of all Leases under which any real property used in the Seller Business is leased. Except as otherwise set forth in Schedule 3.5(b) of the Seller Disclosure Schedule, each Lease or other occupancy or other agreement under which Seller holds real or personal property constituting a part of the Seller Assets has been duly authorized, executed and delivered by Seller and, to Seller's knowledge, each of the other parties thereto, and is a legal, valid and binding obligation of Seller, and, to Seller's knowledge, each of the other parties thereto, enforceable in accordance with its terms. Seller has a valid leasehold interest in and enjoys peaceful and undisturbed possession under all Leases pursuant to which it holds any such real property or tangible personal property. To the best of Seller's knowledge, all of such Leases are valid and subsisting and in full force and effect; neither Seller nor, to Seller's knowledge, any other party thereto, is in material default in the performance, observance or fulfillment of any obligation, covenant or condition contained in any such Lease. None of the fixed assets or equipment comprising a part of the Seller Assets is subject to contracts of sale, and none is held by Seller as lessee or as conditional sales vendee under any Lease or conditional sales contract and none is subject to any title retention agreement, except as set forth in Section 3.5(b) of the Seller Disclosure Schedule.

(c) Section 3.5(c) of the Seller Disclosure Schedule contains a true, accurate and complete description of all material items of Sellers Personal Property. Seller owns and has good and merchantable title to all of the Sellers Personal Property relating to the Sellers Business (the "Sellers Personal Property"), in each case, free and clear of all Liens, except (i) Permitted Liens and (ii) Liens set forth on Section 3.5(c) of the Seller Disclosure Schedule (which Liens shall be released prior to Closing). Except as set forth in Section 3.5(c) of the Seller Disclosure Schedule, all of the Seller Personal Property is in a state of good repair and maintenance and is in good operating condition, normal wear and tear excepted, has been maintained in a manner consistent with generally accepted standards of good engineering practice and currently permits the Seller Business to be operated in accordance with the terms and conditions of all Applicable Laws.

3.6 Compliance with Private Authorizations. Section 3.6 of the Seller Disclosure Schedule sets forth a true, accurate and complete list and description of each Private Authorization which Seller currently holds. To the best of Seller's knowledge, Seller has obtained all Private Authorizations which are necessary for the ownership or operation of the Seller Assets or the conduct of the Seller Business which, if not obtained and maintained, could, individually or in the aggregate, materially adversely affect Seller. All of such Private Authorizations, to Seller's knowledge, are valid and in good standing and are in full force and effect. To the best of Seller's knowledge, Seller is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and, to the best of Seller's knowledge, no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both

would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any material adverse effect on Seller. No such Private Authorization is the subject of any pending or, to Seller's knowledge, threatened attack, revocation or termination.

3.7 Compliance with Governmental Authorizations and Applicable Law.

(a) Section 3.7(a) of the Seller Disclosure Schedule contains a true, complete and accurate description of each Governmental Authorization which Seller currently holds. To the best of Seller's knowledge, these are the only Governmental Authorizations (i) required under Applicable Laws to own and operate the Seller Business, as currently conducted or proposed to be conducted on or prior to the Closing Date, or (ii) necessary to permit Seller to execute and deliver this Agreement and to perform its obligations hereunder. To the best of Seller's knowledge, Seller has obtained all Governmental Authorizations which are necessary for the ownership or operation of the Seller Assets or the conduct of the Seller Business as now conducted and which, if not obtained and maintained, would, individually or in the aggregate, have any material adverse effect on Seller. None of the Governmental Authorizations listed in Section 3.7(a) of the Seller Disclosure Schedule, to Seller's knowledge, is subject to any restriction or condition which would limit in any material respect the ownership or operations of the Seller Assets or the conduct of the Seller Business as currently conducted, except for restrictions and conditions generally applicable to Governmental Authorizations of such type. The Governmental Authorizations listed in Section 3.7(a) of the Seller Disclosure Schedule are, to Seller's knowledge, valid and in good standing, are in full force and effect and are not impaired in any material respect by any act or omission of Seller or its officers, directors, employees or agents, and, to the best of Seller's knowledge, the ownership or operation of the Seller Assets or the conduct of the Seller Business are in accordance in all material respects with the Governmental Authorizations. All material reports, forms and statements required to be filed by Seller with all Authorities with respect to the Seller Business have, to Seller's knowledge, been filed and are true, complete and accurate in all material respects. No such Governmental Authorization is the subject of any pending or, to Seller's knowledge, threatened challenge or proceeding to revoke or terminate any such Governmental Authorization. Seller does not believe that any such Governmental Authorization will not be renewed in the name of Seller by the granting Authority in the ordinary course.

(b) Except as otherwise specifically described in Section 3.7(b) of the Seller Disclosure Schedule, neither Seller nor any director or officer thereof (in connection with ownership or operation of the Seller Assets or the conduct of the Seller Business) is in or is charged by any Authority with or, to Seller's knowledge, at any time since January 1, 1993 has been in or has been charged by any Authority with, or, to Seller's knowledge, is threatened or under investigation by any Authority with respect to, breach or violation of, or default in the performance, observance or fulfillment of, any Governmental Authorization or any Applicable Law relating to the ownership and operation of the Seller Assets or the conduct of the Seller Business. In particular, but without limiting the generality of the foregoing, there are no applications, complaints or Legal Actions pending or, to Seller's knowledge, threatened before or by any Authority (x) relating to the ownership or operation of the Seller Assets or the conduct of the Seller Business which, individually or in the aggregate, are reasonably likely to result in the revocation or termination of any Governmental Authorization or the imposition of any restriction of such a nature as would adversely affect the ownership or operation of the Seller Assets or the conduct of the Seller Business; (y) involving charges of illegal discrimination by Seller under any federal or state employment Laws, or (z) involving Environmental Laws or zoning laws, except as otherwise specifically described in Section 3.7(b) of the Seller Disclosure Schedule.

(c) Except as otherwise specifically described in Section 3.7(c) of the Seller Disclosure Schedule, no Event exists or has occurred, which, to Seller's knowledge, constitutes, or but for any requirement of

giving of notice or passage of time or both would constitute, such a breach, violation or default, under (i) any Governmental Authorization or any Applicable Law, except for such breaches, violations or defaults as do not and will not have, individually or in the aggregate, any material adverse effect on Seller or (ii) any material requirement of any insurance carrier, applicable to the ownership or operations of the Seller Assets or the conduct of the Seller Business.

(d) With respect to matters, if any, of a nature referred to in Section 3.7(a), 3.7(b) or 3.7(c) of the Seller Disclosure Schedule, except as otherwise specifically described in Section 3.7(d) of the Seller Disclosure Schedule, all such information and matters set forth in the Seller Disclosure Schedule, if adversely determined against Seller, will not, individually or in the aggregate, have a materially adversely effect on Seller.

3.8 Intangible Assets. Section 3.8 of the Seller Disclosure Schedule sets forth a true, accurate and complete description of all Intangible Assets (other than Governmental Authorizations and Private Authorizations) relating to the ownership and operation of the Seller Assets or the conduct of the Seller Business held or used by Seller, including without limitation the nature of Seller's interest in each and the extent to which the same have been duly registered in the offices as indicated therein. To the best of Seller's knowledge, except as set forth in Section 3.8 of the Seller Disclosure Schedule, no Intangible Assets (except Governmental Authorizations, Private Authorizations, and the Intangible Assets so set forth) are required for the ownership or operation of the Seller Assets or the conduct of the Seller Business as currently owned, operated and conducted or proposed to be owned, operated and conducted on or prior to the Closing Date. Seller does not, to its knowledge, wrongfully infringe upon or unlawfully use any Intangible Assets owned or claimed by another, and Seller has not received any notice of any claim or infringement relating to any such Intangible Asset.

3.9 Related Transactions. Seller is not a party or subject to any Contractual Obligation relating to the ownership or operation of the Seller Assets or the conduct of the Seller Business between Seller and any of its officers, directors, shareholders, employees or, to the knowledge of Seller, any Affiliate of any thereof, including without limitation any Contractual Obligation providing for the furnishing of services to or by, providing for rental of property, real, personal or mixed, to or from, or providing for the lending or borrowing of money to or from or otherwise requiring payments to or from, any such Person, other than (i) Employment Arrangements listed or described in Section 3.15 of the Seller Disclosure Schedule, (ii) Contractual Obligations between Seller and any of its directors, shareholders, officers, employees or Affiliates of Seller or any of the foregoing, which constitute Excluded Assets or Seller Nonassumed Obligations, or (iii) as specifically set forth in Section 3.9 of the Seller Disclosure Schedule.

3.10 Insurance. Seller maintains, with respect to the Seller Assets and the Seller Business, policies of fire and extended coverage and casualty, liability and other forms of insurance in such amounts and against such risks and losses as are set forth in Section 3.10 of the Seller Disclosure Schedule.

3.11 Tax Matters.

(a) Seller has in accordance with all Applicable Laws filed all federal and state and, to the best of Seller's knowledge, local Tax Returns which are required to be filed, and has paid, or made adequate provision for the payment of, all Taxes which have or may become due and payable pursuant to said Tax Returns and all other governmental charges and assessments received to date other than those Taxes being contested in good faith for which adequate provision has been made on the most recent balance sheet forming part of Seller Financial Statements. To the best of Seller's knowledge, the Tax Returns of Seller have been prepared in all material respects in accordance with all Applicable Laws and generally accepted principles applicable to taxation consistently applied. All Taxes which Seller is required by law to withhold and collect

have been duly withheld and collected, and have been paid over, in a timely manner, to the proper Authorities to the extent due and payable. Seller has not executed any waiver to extend, or otherwise taken or failed to take any action that would have the effect of extending, the applicable statute of limitations in respect of any Tax liabilities of Seller for the fiscal years prior to and including the most recent fiscal year. Adequate provision has, to Seller's knowledge, been made on the most recent balance sheet forming part of Seller Financial Statements for all Taxes accrued through the date of such balance sheet of any kind, including interest and penalties in respect thereof, whether disputed or not, and whether past, current or deferred, accrued or unaccrued, fixed, contingent, absolute or other, and there are, to Seller's knowledge, no past transactions or matters which could result in additional Taxes of a material nature to Seller for which an adequate reserve has not been provided on such balance sheet. Seller is not a "consenting corporation" within the meaning of Section 341(f) of the Code.

(b) Seller is not a party to any tax sharing agreement or arrangement.

3.12 Employee Retirement Income Security Act of 1974.

(a) Seller (which for purposes of this Section shall include any ERISA Affiliate) is not making any contribution to or sponsoring, and has not at any time since its organization made any contribution to or sponsored, any Plan or Benefit Arrangement.

3.13 Absence of Sensitive Payments. Neither Seller nor, to Seller's knowledge, any of its officers, directors, employees, agents or other representatives, has with respect to the Seller Assets or the Seller Business (a) made any contributions, payments or gifts to or for the private use of any governmental official, employee or agent where either the payment or the purpose of such contribution, payment or gift is illegal under the laws of the United States or the jurisdiction in which made or (b) established or maintained any unrecorded fund or asset for any purpose or made any false or artificial entries on its books.

3.14 Inapplicability of Specified Statutes. Seller is not a "holding company", or a "subsidiary company" or an "affiliate" of a "holding company", as such terms are defined in the Public Utility Holding Company Act of 1935, as amended, or an "investment company" or a company "controlled" by or acting on behalf of an "investment company", as defined in the Investment Company Act of 1940, as amended, or a "carrier" or a person which is in control of a "carrier", as defined in section 11301 of Title 49, U.S.C.

3.15 Employment Arrangements. Section 3.15 of the Seller Disclosure Schedule contains a true, accurate and complete list of all Seller employees involved in the ownership or operation of the Seller Assets or the conduct of the Seller Business (the "Seller Employees"), together with each such employee's title or the capacity in which he or she is employed and the basis for each such employee's compensation. Seller has no obligation or liability, contingent or other, under any Employment Arrangement with any Seller Employee, other than those listed or described in Section 3.15 of the Seller Disclosure Schedule. Except as described in Section 3.15 of the Seller Disclosure Schedule, (a) none of the Seller Employees is now, or since January 1, 1993 has been, represented by any labor union or other employee collective bargaining organization, and Seller is not, and never has been, a party to any labor or other collective bargaining agreement with respect to any of the Seller Employees, (b) there are no pending grievances, disputes or controversies with any union or any other employee or collective bargaining organization of such employees, or threats of strikes, work stoppages or slowdowns or any pending demands for collective bargaining by any such union or other organization, (c) neither Seller nor any of such employees is now, or has since January 1, 1993 been, subject to or involved in or, to Seller's knowledge, threatened with, any union elections, petitions therefore or other organizational or recruiting activities, in each case with respect to the Seller Employees, and (d) none of the Seller Employees has notified Seller that he or she does not intend to continue employment with Seller until the Closing or with ATS following the Closing. Seller has performed in all material respects all obligations

required to be performed under all Employment Arrangements and is not in material breach or violation of or in material default or arrears under any of the terms, provisions or conditions thereof.

3.16 Material Agreements. Listed on Section 3.16 of the Seller Disclosure Schedule are all Material Agreements relating to the ownership or operation of the Seller Assets or the conduct of the business of the Seller Business or to which Seller is a party or to which it is bound or which any of the Seller Assets is subject. True, accurate and complete copies of each of such Material Agreements have been made available by Seller to ATS and Seller has provided ATS with photocopies of all such Material Agreements requested by ATS. All of such Material Agreements are valid, binding and legally enforceable obligations of Seller and, to Seller's knowledge, all other parties thereto, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity. To Seller's knowledge Seller has duly complied with all of the material terms and conditions of each such Material Agreement and has not done or performed, or failed to do or perform (and there is no pending or, to the knowledge of Seller, Claim threatened in writing that Seller has not so complied, done and performed or failed to do and perform) any act which would invalidate or provide grounds for the other party thereto to terminate (with or without notice, passage of time or both) such Material Agreement or impair the rights or benefits, or increase the costs, of Seller under any of such Material Agreements in any material respect.

3.17 Ordinary Course of Business. Seller, from the end of its most recent fiscal quarter to the date hereof, except (i) as may be described on Section 3.17 of the Seller Disclosure Schedule, or (ii) as may be required or expressly contemplated by the terms of this Agreement, with respect to the Seller Assets and the Seller Business:

(a) has operated its business in all material respects in the normal, usual and customary manner in the ordinary and regular course of business, consistent with prior practice;

(b) except in each case in the ordinary course of business, consistent with prior practice:

(i) has not incurred any obligation or liability (fixed, contingent or other) individually having a value in excess of $25,000;

(ii) has not sold or otherwise disposed of or contracted to sell or otherwise dispose of any of its properties or assets having a value in excess of $25,000;

(iii) has not entered into any individual commitment having a value in excess of $25,000; and

(iv) has not canceled any debts or claims;

The term "Termination Date" shall mean May 31, 1997 or such other date as the parties may, from time to time, mutually agree.

In addition, in the event this Agreement is terminated by ATS pursuant to the provisions of Section 7.1(d), then ATS shall be entitled to a return of the Escrow Deposit, together with interest and other earnings thereon, together with without prejudice to ATS' right to pursue specific performance hereunder. The term "Indemnity Period" shall mean the applicable period with respect to which a representation, warranty, covenant or agreement survives the Closing as provided in this Section. No claim for indemnification, other than with respect to fraud or intentional and willful breach or misrepresentation, may be asserted after the expiration of the Indemnity Period. Notwithstanding anything herein to the contrary, any representation, warranty, covenant and agreement which arises and is the subject of a Claim which is asserted in writing prior to the expiration of the applicable Indemnity Period shall survive with respect to such Claim or any dispute with respect thereto until the final resolution thereof.

8.2 Indemnification. Each of Seller and ATS (the "indemnifying party") agrees that on and after the Closing it shall indemnify and hold harmless the other (the "indemnified party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document executed by it (collectively, "Loss and Expense"), suffered, directly or indirectly, by the indemnified party by reason of, or arising out of:

(a) any breach of representation or warranty made by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it or any failure by the indemnifying party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document executed by it; or

(b) any Legal Action or other Claim by any third party relating to the indemnifying party or, in the case of ATS, the ownership or operations of the Seller Assets or the conduct of the business of the Seller Business to the extent such Legal Action or other Claim has also resulted in a breach of representation or warranty by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it; or

(c) in the case of Seller as the indemnifying party, the failure of Seller to comply with Bulk Sales law of the South Carolina; or

(d) in the case of Seller as the indemnifying party, by reason of, or arising out of, (i) Seller Nonassumed Obligations or (ii) the ownership and operation of the Seller Assets and the Seller Business prior to the Closing Date; or

(e) in the case of ATS as the indemnifying party, by reason of, or arising out of, (i) Seller Assumed Obligations or (ii) the ownership and operation of the Seller Assets and the Seller Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the Seller Assumed Obligations.

8.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 8.2, after the Closing, except as otherwise provided in Section 8.6, each indemnified party's rights to indemnification shall be subject to the following limitations: (i) the indemnified party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $25,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $25,000), and (ii) in no event shall the aggregate amount required to be paid by each indemnifying party pursuant to the provisions of this Article exceed the sum of (x) $100,000 plus (y) in the event ATS acquires the Utility Assets or enters into the Santee Cooper Contract, an amount equal to the lesser of (I) $200,000 or (II) the Utility Asset Price or the Utility Management Price, as the case may be, except for any Loss or Expense arising out of matters of a nature referred to in Sections 3.1(b), 3.1(c) and 4.1 as to which the limitations set forth in this clause (ii) shall not apply.

(b) Anything in this Agreement, including without limitation the provisions of Sections 8.2 or 8.3(a), to the contrary notwithstanding, except as provided in Section 8.6, (i) the exclusive recourse of ATS after the Closing with respect to the liability of Seller pursuant to Section 8.2 or any other provision of this Agreement or Applicable Law which requires Seller to defend, indemnify or hold harmless ATS from or against any Claim, Loss or Expense shall be (x) the Escrow Indemnity Funds (including interest or other

earnings thereon) and (y) in the event ATS acquires the Utility Assets or enters into the Santee Cooper Contract, the Utility Asset Price or the Utility Management Price, as the case may be, to the extent provided in clause (y) of Section 8.3(a); and (ii) ATS' remedies for any such liability of Seller, or for any Claim arising under this Agreement, shall be limited to its right to recover from (x) the Escrow Indemnity Funds in accordance with the provisions of the Escrow Indemnity Agreement and (y) the Utility Asset Price or the Utility Management Price, as the case may be, to the extent provided in clause (y) of Section 8.3(a), and neither ATS nor any of its officers, directors, shareholders, agents or Affiliated Entities shall have any right of recovery against Seller or any of its officers, directors, shareholders, agents or Affiliated Entities or against the assets of any of them for any such liability.

(c) In the event there shall be no Claims pursuant to the provisions of this Agreement with respect to the Escrow Indemnity Funds, if any, existing at the expiration of one (1) year after the Closing, the Escrow Indemnity Funds then remaining (together with any then existing interest or earnings) shall be distributed to the Persons entitled thereto. In the event one or more such Claims with respect to the Escrow Indemnity Funds, if any, shall exist upon the expiration of the Indemnity Period, funds in an amount equal to the sum of (i) the aggregate amount of such Claims and (ii) the amount reasonably determined by ATS to be necessary to cover the fees, expense and other costs which will be required to resolve such Claims shall be retained as part of the Escrow Indemnity Funds and the balance thereof, if any, shall be distributed to the Persons entitled thereto. Upon the resolution of all such Claims and the payment of all such fees, expenses and costs out of the Escrow Indemnity Funds, the remainder of the Escrow Indemnity Funds, if any, shall be distributed to the Persons entitled thereto.

(d) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto.

8.4 Notice of Claims. If an indemnified party believes that it has suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 8.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify prejudices such indemnifying party's ability to defend against such Claim.

8.5 Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party, which consent shall not be unreasonably withheld, delayed or conditioned if the terms and conditions of such compromise or settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement

Proposal, and (b) if the indemnified party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership or operations of the Seller Assets or the conduct of the Seller Business in substantially the manner then being theretofore owned, operated and conducted by ATS.

8.6 Exclusive Remedy. Except for fraud, willful or intentional misrepresentation or willful or intentional breach of warranty, covenant or agreement or as otherwise provided in Section 9.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 9

GENERAL PROVISIONS

9.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time prior to the Closing Date but only by an instrument in writing signed by the parties hereto.

9.2 Waiver. At any time prior to the Closing Date, except to the extent not permitted by Applicable Law, ATS or Seller may extend the time for the performance of any of the obligations or other acts of the other, subject, however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

9.3 Fees, Expenses and Other Payments. All costs and expenses, incurred in connection with any transfer taxes, sales taxes, recording or documentary taxes, stamps or other charges levied by any Authority in connection with this Agreement and the consummation of the Transactions shall be borne by ATS up to an aggregate of $15,000 and, any amount in excess thereof, equally by Seller and ATS. All other costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, including without limitation fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto, shall be borne solely and entirely by the party which has incurred such costs and expenses.

9.4 Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express mail, or by recognized courier service, postage prepaid, (b) sent by telex, telegram, telecopy or other form of rapid transmission, confirmed by mailing (by first class or express mail, or by recognized courier service, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which if other than an individual shall be an officer or other responsible party of the receiving party). 9.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the post ing of any bond or other surety in connection with any temporary or permanent award of injunctive,

mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach. Notwithstanding the foregoing or any provision of this Agreement to the contrary, after the Closing Date ATS shall not be entitled to specific performance or any other remedy to the extent that the cost to Seller arising from the enforcement or exercise of such remedy would exceed the amount of the Escrow Indemnity Funds, in accordance with the provisions of the Escrow Indemnity Agreement, for all costs and expenses incurred in connection with its performance of or compliance with the remedy exercised or enforced.

9.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

9.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

9.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

9.9 Governing Law; Venue. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of South Carolina applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 8, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action. Venue for all actions arising hereunder shall be in the Federal District Court sitting in Columbia, South Carolina, and the parties agree to submit to the jurisdiction of such court.

9.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the

transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

9.11 Entire Agreement. This Agreement (together with the Seller Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated December 19, 1996, between the parties.

9.12 Assignment. This Agreement shall not be assignable by either party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

9.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 9.12.

9.14 WAIVER OF TRIAL BY JURY. SELLER AND ATS HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREIN.

9.15 Mutual Drafting. This Agreement is the result of the joint efforts of Seller and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

IN WITNESS WHEREOF, ATS and Seller have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (this "Agreement") is dated as of May 21, 1997 by and between American Tower Systems, Inc., a Delaware corporation ("ATS"), and B & E Associates, Inc., a Massachusetts corporation ("BEA").

WHEREAS, BEA is engaged in the business of identifying and locating and managing communication sites for third parties (the "BEA Business"); and

WHEREAS, ATS desires to purchase and BEA desires to sell the BEA Assets and the BEA Business on the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the above premises and the covenants and agreements contained herein, the parties, intending to be legally bound, do hereby covenant and agree as follows:

ARTICLE 1

DEFINED TERMS

As used herein, unless the context otherwise requires, the terms defined in Appendix A shall have the respective meanings set forth therein. Terms defined in the singular shall have a comparable meaning when used in the plural, and vice versa, and the reference to any gender shall be deemed to include all genders. Unless otherwise defined or the context otherwise clearly requires, terms for which meanings are provided in this Agreement shall have such meanings when used in the BEA Disclosure Schedule and each Collateral Document executed or required to be executed pursuant hereto or thereto or otherwise delivered, from time to time, pursuant hereto or thereto. References to "hereof", "herein" or similar terms are intended to refer to the Agreement as a whole and not a particular Section, and references to "this Section" are intended to refer to the entire Section and not a particular subsection thereof. The term "either party" shall, unless the context otherwise requires, refer to BEA and ATS.

ARTICLE 2

SALE AND PURCHASE OF ASSETS

2.1 Agreement to Sell and Buy. Subject to the terms and conditions set forth in this Agreement, BEA hereby agrees to sell, assign, transfer and deliver to ATS at the Closing, and ATS agrees to purchase at the Closing, the BEA Assets and the BEA Business, free and clear of any Liens of any nature whatsoever except for Permitted Liens. For purposes of this Agreement, the term "BEA Assets" shall mean all of the Assets of BEA set forth on Schedule 2.1 of the BEA Disclosure Schedule.

2.2 Assumption of Liabilities and Obligations.

(a) At the Closing, ATS shall assume and agree to pay, discharge and perform the following obligations and liabilities of BEA (collectively, the "BEA Assumed Obligations"): (i) all of the obligations and liabilities of BEA under the BEA Assumable Agreements, and (ii) all obligations and liabilities of BEA with respect to the ownership and operation of the BEA Assets and the conduct of the BEA Business, on and

after the Closing Date; provided, however, that notwithstanding the foregoing, ATS shall not assume and agree to pay, and shall not be obligated with respect to, the BEA Nonassumed Obligations.

For these purposes, Pro Ratable Taxes attributable to a period that begins before and ends after the Closing Date shall be treated on a "closing of the books" basis

as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the BEA Disclosure Schedule, within sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, BEA and ATS shall, within the following ten (10) days, jointly designate a nationally known independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by BEA and ATS. Such firm shall report its conclusions as to such items and other adjustments pursuant to this Section and such report shall be conclusive on all parties to this Agreement and not subject to dispute or review. Upon such agreement or determination by such independent accounting firm, BEA or ATS, as the case may be, shall promptly reimburse the other party for any income received or expenses paid by the other party and not previously reimbursed or any other adjustment required by this Section.

Nothing contained in this Section 2.2(c) is intended or shall be deemed to amend or modify the indemnification provisions of Article 8 nor to reallocate responsibility for the matters set forth therein.

2.3 Closing; Purchase Price. The closing of the Transactions (the "Closing") shall take place at Sullivan & Worcester LLP, One Post Office Square, Boston, Massachusetts 02109, at 10:00 a.m., local time, on May 21 , 1997 or such other date, prior to the Termination Date, as the parties may agree (the "Closing Date"). At the Closing, each of the parties shall deliver such bills of sale, assignments, assumptions of liabilities, opinions and other instruments and documents as are described in this Agreement or as may be otherwise reasonably requested by the parties and their respective counsel. The purchase price for the BEA Assets and the BEA Business (the "Purchase Price") shall be an amount equal to $4,333,000, subject to adjustment as provided in Section 2.2(d) plus an amount equal to the Prepaid Expenses and minus an amount equal to the sum of (i) the BEA Nonassumed Obligations, if any, which ATS agrees to assume, and (ii) Prepaid Revenues.

2.4 Accounts Receivable. At the closing, BEA shall appoint ATS its agent for the purpose of collecting all Accounts Receivable relating to the BEA Business. BEA shall deliver to ATS on or as soon as practicable after the Closing Date a complete and detailed statement showing the name, amount and age of each Accounts Receivable of the BEA Business. Subject to and limited by the following, revenues relating to the Accounts Receivable relating to the BEA Business will be for the account of BEA. ATS shall use the same procedures and efforts which it uses with respect to its own accounts receivable to collect the Accounts Receivable with respect to the BEA Business for a period of ninety (90) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is an Accounts Receivable with respect to the BEA Business shall first be applied in reduction of the Accounts Receivable, unless the customer contests the validity of such application. If the customer contests the validity of any payment received by ATS during the Collection Period to be applied in reduction of the Accounts Receivable, then ATS shall promptly notify BEA and any payment with respect to which application is contested as aforesaid shall be placed in an escrow arrangement reasonably satisfactory to ATS and BEA until the validity of the application is determined. During the Collection Period, ATS shall furnish BEA with a list of, and pay over to BEA, the amounts collected with respect to the Accounts Receivable with respect to the BEA Business on a monthly basis and forward to BEA, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to Accounts Receivable. ATS shall provide BEA with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually

and in good faith analyze any uncollected Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Accounts Receivable. As to each such Accounts Receivable, the parties shall negotiate a good faith value of such Accounts Receivable, which ATS shall pay to BEA if ATS, in its sole discretion, chooses to retain such Accounts Receivable. BEA shall retain the right to collect any of its Accounts Receivable as to which the parties are unable to reach agreement as to a good faith value, and ATS agrees to turn over to BEA any payments received against any such Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Accounts Receivable assigned to it for collection hereunder or to refer any of such Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Accounts Receivable, except with the approval of BEA. ATS shall not incur any liability to BEA for any uncollected account unless ATS shall have engaged in willful misconduct or gross negligence in the performance of its obligations set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither BEA nor its agents shall make any direct solicitation of the Accounts Receivable for collection purposes, except for Accounts Receivable retained by BEA after the Collection Period.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF BEA

BEA hereby represents, warrants and covenants to, and agrees with, ATS as follows:

3.1 Organization and Business; Power and Authority; Effect of Transaction.

(a) BEA is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, has all requisite power and authority (corporate and other) to own or hold under lease its properties and to conduct its business as now conducted.

(b) BEA has all requisite corporate power and corporate authority and has in full force and effect all Governmental Authorizations and Private Authorizations, except for those set forth in Section 3.1(b) of the BEA Disclosure Schedule or those the failure of which to obtain do not and will not have, individually or in the aggregate, any material adverse effect on BEA, necessary to enable it to execute and deliver, and to perform its obligations under, this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions; and the execution, delivery and performance of this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto have been duly authorized by all requisite corporate or other action on the part of either of the BEA. This Agreement has been duly executed and delivered by BEA and constitutes, and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions when executed and delivered by BEA will constitute, legal, valid and binding obligations of BEA, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity.

(c) Except as set forth in Section 3.1(c) of the BEA Disclosure Schedule, and except for matters which would have no material adverse effect on the BEA, neither the execution and delivery by BEA of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by BEA of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by BEA:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of BEA or any Applicable Law on the part of BEA, or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of BEA, other than those constituting BEA Nonassumed Obligations; provided, however, that BEA makes no representation and warranty that any Contractual Obligation which requires a consent to its assignment will not be breached if such consent is not obtained prior to the Closing and the rights of BEA thereunder are nevertheless assigned to ATS; or

(ii) will require BEA to make or obtain any Governmental Authorization, Governmental Filing or Private Authorization including without limitation under the FCA.

(d) BEA has no Subsidiaries.

3.2 Financial and Other Information. The BEA has heretofore furnished to ATS copies of the internally prepared cash basis income and expense statements of the BEA Business listed in Section 3.2 of the BEA Disclosure Schedule (the "BEA Statements"). The BEA Statements are true, accurate and complete cash basis income and expense statements in all material respects, do not contain any untrue statement of a material fact, and fairly present the cash flow of the BEA Business for the respective periods covered thereby, subject to normal nonmaterial adjustments. ATS acknowledges that no representations have been made by BEA that (a) the past financial performance of BEA as reflected in the BEA Statements (and on the Tax Returns furnished pursuant to the provisions of Section 3.11) are in any way reflective of future financial performance and (b) that certain amounts of income included in the BEA Statements (and on the Tax Returns furnished pursuant to the provisions of Section 3.11) are derived from sources other than the BEA Assets.

3.3 Changes in Condition. Since the date of the most recent statements constituting a part of the BEA Statements, except to the extent specifically described in Section 3.3 of the BEA Disclosure Schedule, there has been no material adverse change in the BEA Assets or the BEA Business. There is no Event known to BEA which materially adversely affects, or (so far as BEA can now reasonably foresee) is likely to materially adversely affect, the BEA Assets or the BEA Business, except to the extent specifically described in Section 3.3 of the BEA Disclosure Schedule.

3.4 Materiality. The representations and warranties set forth in this Article would in the aggregate be true and correct even without the materiality exceptions or qualifications contained therein or set forth in the BEA Disclosure Schedule, except for such exceptions and qualifications including without limitation those set forth in the BEA Disclosure Schedule which, in the aggregate for all such representations and warranties, are not and could not reasonably be expected to be materially adverse to the BEA Assets or the BEA Business.

3.5 Title to Properties; Leases. BEA does not own or lease any real property or lease any personal property that is part of the BEA Assets or own any material items of tangible personal property and, therefore, no real property or any material items of tangible personal property or any interest therein is being transferred.

3.6 Compliance with Private Authorizations. Section 3.6 of the BEA Disclosure Schedule sets forth a true, accurate and complete list and description of each Private Authorization which individually is material to the BEA Assets or the BEA Business. BEA has obtained all Private Authorizations which are necessary for the ownership or operation of the BEA Assets or the conduct of the BEA Business which, if not obtained and maintained, could, individually or in the aggregate, materially adversely affect BEA;

provided, however, that the representations and warranties set forth in this Section are not intended to apply to (a) any of the consents required in order to assign the BEA Assets to ATS pursuant to the provisions of this Agreement, and (b) the failure of BEA to obtain any or all of the consents required in order to assign the BEA Assets to ATS pursuant to the provisions of this Agreement. All of such Private Authorizations are valid and in good standing and are in full force and effect. BEA is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any material adverse effect on BEA; provided, however, that the foregoing representation and warranty is not intended to apply to the failure of BEA to obtain all consents required in order to assign the BEA Assets to ATS pursuant to the provisions of this Agreement. No such Private Authorization is the subject of any pending or, to BEA's knowledge, threatened attack, revocation or termination.

3.7 Compliance with Governmental Authorizations and Applicable Law.

(a) Except as otherwise specifically described in Section 3.7(a) of the BEA Disclosure Schedule, there is no Governmental Authorization required under Applicable Laws (i) to own and operate the BEA Business, as currently conducted or proposed to be conducted on or prior to the Closing Date, or (ii) that is necessary to permit BEA to execute and deliver this Agreement and to perform its obligations hereunder; provided, however, that the foregoing representation and warranty is not intended to apply to consents of Persons (other than Authorities) required in order to assign the BEA Assets to ATS pursuant to the provisions of this Agreement.

(b) Except as otherwise specifically described in Section 3.7(b) of the BEA Disclosure Schedule, neither BEA nor any director or officer thereof (in connection with ownership or operation of the BEA Assets or the conduct of the BEA Business) is in or is charged by any Authority with or, to BEA's knowledge, at any time since January 1, 1993 has been in or has been charged by any Authority with, or, to BEA's knowledge, is threatened or under investigation by any Authority with respect to, breach or violation of, or default in the performance, observance or fulfillment of, any Applicable Law relating to the ownership and operation of the BEA Assets or the conduct of the BEA Business. In particular, but without limiting the generality of the foregoing, there are no applications, complaints or Legal Actions pending or, to BEA's knowledge, threatened before or by any Authority (x) relating to the ownership or operation of the BEA Assets or the conduct of the BEA Business which, individually or in the aggregate, are reasonably likely to result in the imposition of any restriction of such a nature as would adversely affect the ownership or operation of the BEA Assets or the conduct of the BEA Business; (y) involving charges of illegal discrimination by BEA under any federal or state employment Laws, or (z) involving Environmental Laws or zoning laws, except as otherwise specifically described in Section 3.7(b) of the BEA Disclosure Schedule.

(c) Except as otherwise specifically described in Section 3.7(c) of the BEA Disclosure Schedule, no Event exists or has occurred, which, to BEA's knowledge, constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any Applicable Law, except for such breaches, violations or defaults as do not and will not have, individually or in the aggregate, any material adverse effect on the BEA Assets or the BEA Business.

(d) With respect to matters, if any, of a nature referred to in Section 3.7(b) or 3.7(c) of the BEA Disclosure Schedule, except as otherwise specifically described in Section 3.7(d) of the BEA Disclosure Schedule, all such information and matters set forth in the BEA Disclosure Schedule, if adversely determined against BEA, will not, individually or in the aggregate, have a materially adverse effect on the BEA Assets or the BEA Business.

3.8 Intangible Assets. There are no Intangible Assets (other than Private Authorizations) required for the ownership or operation of the BEA Assets or the conduct of the BEA Business as currently owned, operated and conducted or proposed to be owned, operated and conducted on or prior to the Closing Date. BEA, to its knowledge, does not wrongfully infringe upon or unlawfully use any Intangible Assets owned or claimed by another, and BEA has not received any notice of any claim or infringement relating to any such Intangible Asset.

3.9 Related Transactions. BEA is not a party or subject to any Contractual Obligation relating to the ownership or operation of the BEA Assets or the conduct of the BEA Business between BEA and any of its officers, directors, shareholders, employees or, to the knowledge of BEA, any Affiliate of any thereof, including without limitation any Contractual Obligation providing for the furnishing of services to or by, providing for rental of property, real, personal or mixed, to or from, or providing for the lending or borrowing of money to or from or otherwise requiring payments to or from, any such Person, other than (i) Employment Arrangements listed or described in Section 3.15 of the BEA Disclosure Schedule, (ii) Contractual Obligations between BEA and any of its directors, shareholders, officers, employees or Affiliates of BEA or any of the foregoing, which constitute assets other than BEA Assets or BEA Nonassumed Obligations, or (iii) as specifically set forth in Section 3.9 of the BEA Disclosure Schedule.

3.10 Solvency. As of the execution and delivery of this Agreement, BEA is, and immediately prior to and after giving effect to the consummation of the Transactions will be, solvent.

3.11 Tax Matters.

(a) BEA is not a "consenting corporation" within the meaning of Section 341(f) of the Code. BEA has at all times been taxable as a Subchapter C corporation under the Code, and has never been a member of any consolidated group for Tax purposes, except as otherwise set forth in Section 3.11(a) of the BEA Disclosure Schedule.

(b) The information shown on the federal income Tax Returns of BEA for each of the most recent four tax years (true and complete copies of which have, to the extent requested by ATS, been furnished by BEA to ATS) is true, accurate and complete in all material respects and fairly and accurately reflects the information purported to be shown. Federal Tax Returns of BEA have not been examined by the Internal Revenue Service, and BEA has not been notified of any proposed examination, except as shown in Section 3.11(b) of the BEA Disclosure Schedule.

(c) BEA is not a party to any tax sharing agreement or arrangement.

3.12 Employee Retirement Income Security Act of 1974. BEA (which for purposes of this Section shall include any ERISA Affiliate) is not making any contribution to or sponsoring, and has not at any time since its organization made any contribution to or sponsored, any Plan or Benefit Arrangement which is subject to ERISA.

3.13 Absence of Sensitive Payments. Neither BEA nor, to BEA's knowledge, any of its officers, directors, employees, agents or other representatives, has with respect to the BEA Assets or the BEA Business (a) made any contributions, payments or gifts to or for the private use of any governmental official, employee or agent where either the payment or the purpose of such contribution, payment or gift is illegal under the laws of the United States or the jurisdiction in which made or (b) established or maintained any unrecorded fund or asset for any purpose or made any false or artificial entries on its books.

3.14 Inapplicability of Specified Statutes. BEA is not a "holding company", or a "subsidiary company" or an "affiliate" of a "holding company", as such terms are defined in the Public Utility Holding Company Act of 1935, as amended, or an "investment company" or a company "controlled" by or acting on behalf of an "investment company", as defined in the Investment Company Act of 1940, as amended, or a "carrier" or a person which is in control of a "carrier", as defined in section 11301 of Title 49, U.S.C.

3.15 Employment Arrangements. Section 3.15 of the BEA Disclosure Schedule contains a true, accurate and complete list of all employees and consultants of BEA involved in the ownership or operation of the BEA Assets or the conduct of the BEA Business (the "BEA Employees"), together with each such employee's title or the capacity in which he or she is employed and the basis for the BEA Employees' compensation. BEA has no obligation or liability, contingent or other, under any Employment Arrangement with any BEA Employee, other than those listed or described in Section 3.15 of the BEA Disclosure Schedule. Except as described in Section 3.15 of the BEA Disclosure Schedule, (a) none of the BEA Employees is now, or since January 1, 1993 has been, represented by any labor union or other employee collective bargaining organization, and BEA is not and never has been a party to any labor or other collective bargaining agreement with respect to any of the BEA Employees, (b) there are no pending grievances, disputes or controversies with any union or any other employee or collective bargaining organization of the BEA Employees, or threats of strikes, work stoppages or slowdowns or any pending demands for collective bargaining by any such union or other organization, (c) neither BEA nor any of the BEA Employees is now, or has since January 1, 1993 been, subject to or involved in or, to BEA's knowledge, threatened with, any union elections, petitions therefore or other organizational or recruiting activities, in each case with respect to the BEA Employees, and (d) none of the BEA Employees has notified BEA that he or she does not intend to continue employment with BEA until the Closing or with ATS following the Closing. BEA has performed in all material respects all obligations required to be performed under all Employment Arrangements and is not in material breach or violation of or in material default or arrears under any of the terms, provisions or conditions thereof.

3.16 Material Agreements. Listed on Section 3.16 of the BEA Disclosure Schedule are all Material Agreements relating to the ownership or operation of the BEA Assets or the conduct of the business of the BEA Business or to which BEA is a party or to which it is bound or which any of the BEA Assets is subject. True, accurate and complete copies of each of such Material Agreements have been made available by BEA to ATS and BEA has provided ATS with photocopies of all such Material Agreements requested by ATS. All of such Material Agreements are valid, binding and legally enforceable obligations of BEA and, to BEA's knowledge, all other parties thereto, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity. BEA has duly complied with all of the material terms and conditions of each such Material Agreement and has not done or performed, or failed to do or perform (and there is no pending or, to the knowledge of BEA, Claim threatened in writing that BEA has not so complied, done and performed or failed to do and perform) any act which would invalidate or provide grounds for the other party thereto to terminate (with or without notice, passage of time or both) such Material Agreement or impair the rights or benefits, or increase the costs, of BEA under any of such Material Agreements in any material respect.

3.17 Ordinary Course of Business. BEA, from the date of the most recent BEA Financial Statements to the date hereof, except (i) as may be described on Section 3.17 of the BEA Disclosure Schedule, or (ii) as may be required or expressly contemplated by the terms of this Agreement, with respect to the BEA Assets and the BEA Business:

(iv) has not canceled any debts or claims;

(c) has not created or permitted to be created any Lien on any of its property;

(d) has not increased the compensation payable or to become payable to any of the BEA Employees other than in the ordinary course of business or otherwise materially altered, modified or changed the terms of their employment, except for its officers;

(e) has not waived any rights of material value under any Contractual Obligation constituting a part of the BEA Assets without fair and adequate consideration;

(f) has not experienced any work stoppage; and

(g) except in the ordinary course of business, has not entered into, amended or terminated any Private Authorizations or Material Agreement constituting a part of the BEA Assets.

3.18 Broker or Finder. No Person assisted in or brought about the negotiation of this Agreement or the Transactions in the capacity of broker, agent or finder or in any similar capacity on behalf of BEA.

ARTICLE 4

This Agreement has been duly executed and delivered by ATS and

constitutes, and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions when executed and delivered by ATS will constitute, legal, valid and binding obligations of ATS, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and the obligations of debtors generally and by general principles of equity.

(c) Except for matters which would have no material adverse effect on ATS, neither the execution and delivery by ATS of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by ATS of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by ATS:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of ATS or any Applicable Law on the part of ATS, or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of ATS; or

ARTICLE 5

CLOSING CONDITIONS

5.1 Conditions to Obligations of Each Party to effect the Transactions. The respective obligations of each party to effect the Transactions shall, except as hereinafter provided in this Section, be subject to the satisfaction at or prior to the Closing Date of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) As of the Closing Date, no Legal Action shall be pending before or threatened in writing by any Authority seeking to enjoin, restrain, prohibit or make illegal or to impose any materially adverse conditions in connection with, the consummation of the Transactions, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not in itself be deemed to be a threat of any such Legal Action;

(b) All authorizations, consents, waivers, orders or approvals required to be obtained from all Authorities, and all filings, submissions, registrations, notices or declarations required to be

made by ATS and BEA with any Authority, prior to the consummation of the Transactions, shall have been obtained from, and made with, all such Authorities, except for such authorizations, consents, waivers, orders, approvals, filings, registrations, notices or declarations the failure to obtain or make would not, in the reasonable business judgment of ATS, have a material adverse effect on the BEA Assets or the BEA Business; and

(c) The transactions contemplated by the Other Agreement shall be consummated simultaneously with the Closing.

5.2 Conditions to Obligations of ATS. The obligation of ATS to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) All agreements, certificates, opinions and other documents required to be delivered pursuant to the provisions of this Agreement shall be reasonably satisfactory in form, scope and substance to ATS and its counsel, and ATS and its counsel shall have received all information and copies of all documents, including records of corporate proceedings, which they may reasonably request in connection therewith, such documents where appropriate to be certified by proper Authorities or corporate officers;

(d) BEA shall have delivered or cause to be delivered to ATS all of the Collateral Documents and other agreements, documents and instruments required to be delivered by BEA to ATS at or prior to the Closing pursuant to the terms of this Agreement;

(e) ATS shall have received advice from its independent accountants to the effect that, if requested by ATS, an unqualified report (as to the scope of the audit, access to the books and records and the cooperation of management) on the financial statements (consisting of balance sheets for each of the fiscal years ended December 31, 1995 and 1996 and statements of operations and cash flow for each of the three years in the period ended December 31, 1996) of the BEA Business in conformity with GAAP and Regulation S-X under the Securities Act could be prepared; and

(f) Each of the individuals named therein shall have executed and delivered to ATS an indemnity agreement (the "Indemnity Agreement"), in form, scope and substance reasonably satisfactory to ATS.

5.3 Conditions to Obligations of BEA. The obligation of BEA to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) All agreements, certificates, opinions and other documents required to be delivered pursuant to the provisions of this Agreement shall be reasonably satisfactory in form, scope and substance to BEA and its counsel, and BEA and its counsel shall have received all information and copies of all documents, including records of corporate proceedings, which they may reasonably request in connection therewith, such documents where appropriate to be certified by proper Authorities or corporate officers;

(b) ATS shall have furnished BEA and, at BEA's request, any bank of other financial institution providing credit to BEA, with favorable opinions, dated the Closing Date of Sullivan & Worcester LLP, counsel for ATS, with respect to the matters set forth in Sections 4.1 and 4.4;

(c) ATS shall have furnished BEA with such certificates and other documents evidencing the truth of its representations, warranties, covenants and agreements and the performance of its agreements or conditions as BEA or its counsel shall have reasonably requested; and

(d) ATS shall have delivered or cause to be delivered to BEA all of the Collateral Documents and other agreements, documents and instruments required to be delivered by ATS to BEA at or prior to the Closing pursuant to the terms of this Agreement.

ARTICLE 6

INDEMNIFICATION

6.1 Survival. The representations and warranties of the parties contained in or made pursuant to Sections 3 and 4 of this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for a period of (a) one (1) year after the Closing Date or (b) the applicable statute of limitations in the case of matters of a nature referred to in Sections 3.1, 3.11, 3.12, 4.1 and 4.4, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto. The covenants and agreements of the parties contained in or made pursuant to all of the other Sections of this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for the statute of limitations applicable to contractual obligations. The term "Indemnity Period" shall mean the applicable period with respect to which a representation, warranty, covenant or agreement survives the Closing as provided in this Section. Any Claim for indemnification, no matter how arising, not asserted by written notice to the Indemnifying Party prior to the expiration of the applicable Indemnity Period and for which arbitration for such Claim pursuant to Section 7.14 of this Agreement is not commenced within sixty (60) days of said written notice shall be waived and of no force and effect.

6.2 Indemnification. Each of BEA and ATS (the "Indemnifying Party") agrees that on and after the Closing it shall, subject to survival periods set forth in Section 6.1, indemnify and hold harmless the other (the "Indemnified Party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document executed by it (collectively, "Loss and Expense" provided, however, that Loss and Expense shall, in the case of damages, be limited to actual damages and shall not include any type of punitive, consequential (including without limitation loss of anticipated profits) or any other measure of damages permitted by Applicable Law or otherwise), suffered directly by the Indemnified Party by reason of, or arising out of:

(a) any breach of representation or warranty made by the Indemnifying Party pursuant to this Agreement or any Collateral Document executed by it or any failure by the Indemnifying Party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document executed by it; or

(b) any Legal Action or other Claim by any third party relating to the Indemnifying Party or, in the case of ATS, the ownership or operations of the BEA Assets or the conduct of the business of the BEA Business to the extent such Legal Action or other Claim has also resulted in a breach of representation or warranty by the Indemnifying Party pursuant to this Agreement or any Collateral Document executed by it; or

(c) in the case of BEA as the Indemnifying Party, by reason of, or arising out of, (i) BEA Nonassumed Obligations or (ii) the ownership and operation of the BEA Assets and the BEA Business prior to the Closing Date; or

(d) in the case of ATS as the Indemnifying Party, by reason of, or arising out of, (i) BEA Assumed Obligations or (ii) the ownership and operation of the BEA Assets and the BEA Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the BEA Assumed Obligations.

6.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 6.2, after the Closing, except as otherwise provided in Section 6.6, each Indemnified Party's rights to indemnification shall be subject to the following limitations: (i) the Indemnified Party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $25,000, in which event the Indemnified Party shall be entitled to recover all such Loss and Expense (including without limitation such $25,000), and (ii) in no event shall the aggregate amount required to be paid by an Indemnifying Party pursuant to the provisions of this Article exceed $500,000, except for any Loss or Expense arising out of matters of a nature referred to in Sections 3.1 and 4.1 as to which the limitations set forth in this clause (ii) shall not apply.

(b) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto.

6.4 Notice of Claims. If an Indemnified Party believes that it has suffered or incurred any Loss and Expense, it shall notify the Indemnifying Party promptly in writing, and in any event within the applicable time period specified in Section 6.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an Indemnified Party intends to claim any liability or expense as Loss and Expense under this Article, such Indemnified Party shall promptly notify the Indemnifying Party of such Legal Action, but the failure to so notify the Indemnifying Party shall not relieve such Indemnifying Party of its obligations under this Article, except to the extent such failure to notify prejudices such Indemnifying Party's ability to defend against such Claim.

6.5 Defense of Third Party Claims. The Indemnifying Party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the Indemnified Party, any third party Legal Action or other Claim, but the Indemnified Party may, at its election, participate in the defense

thereof at its sole cost and expense; provided, however, that if the Indemnifying Party shall fail to defend any such Legal Action or other Claim, then the Indemnified Party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the Indemnifying Party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the Indemnifying Party to then undertake the defense thereof) settle such Legal Action or other Claim and recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The Indemnifying Party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the Indemnified Party, which consent shall not unreasonably be withheld, delayed or conditioned if the terms and conditions of such compromise or settlement proposed by the Indemnifying Party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") (a) include a full release of the Indemnified Party from the Legal Action or other Claim which is the subject of the Settlement Proposal, and (b) if the Indemnified Party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership or operations of the BEA Assets or the conduct of the BEA Business in substantially the manner then being theretofore owned, operated and conducted by ATS.

6.6 Exclusive Remedy. Except for (a) fraud constituting dishonesty or willful or intentional gross misrepresentation or willful or intentional gross breach of warranty, covenant or agreement; provided, however, that any Claim with respect to fraud constituting dishonesty or willful or intentional gross misrepresentation or willful or intentional gross breach of warranty, covenant or agreement, no matter how arising, not asserted by written notice to the party alleged to have committed the same prior to May 21, 1999 and for which arbitration with respect to such Claim pursuant to Section 7.14 of this Agreement is not commenced within sixty (60) days of said written notice shall be waived and of no force and effect; or (b) specific performance and injunctive relief as provided in Section 7.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 7

GENERAL PROVISIONS

7.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time prior to the Closing Date but only by an instrument in writing signed by the parties hereto.

7.2 Waiver. At any time prior to the Closing Date, except to the extent not permitted by Applicable Law, ATS or BEA may extend the time for the performance of any of the obligations or other acts of the other, subject, however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

7.3 Fees, Expenses and Other Payments. All costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, including without limitation fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto, shall be borne solely and entirely by the party which has incurred such costs and expenses.

7.4 Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express

mail, or by recognized courier service, postage prepaid, (b) sent by telex, telegram, telecopy or other form of rapid transmission, confirmed by mailing (by first class or express mail, or by recognized courier service, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which if other than an individual shall be an officer or other responsible party of the receiving party). All such notices and communications shall be mailed, sent or delivered as follows:

or to such other person(s), telex or facsimile number(s) or address(es) as the party to receive any such communication or notice may have designated by written notice to the other party.

7.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. The parties agree that the dispute underlying Claims of any action for specific performance shall be decided by arbitration in accordance with the provisions of Section 7.14. All actions for injunctive relief, specific performance or other relief shall be determined in accordance with the governing law provisions of Section 7.9. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of and subject to the limitations

contained in this Agreement for such breach or threatened breach. Notwithstanding the foregoing or any provision of this Agreement to the contrary, after the Closing Date ATS shall not be entitled to specific performance or any other remedy to the extent that the cost to BEA arising from the enforcement or exercise of such remedy would exceed the amount of the indemnification required by Section 6.3, for all costs and expenses incurred in connection with its performance of or compliance with the remedy exercised or enforced.

7.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

7.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

7.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

7.9 Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the Commonwealth of Massachusetts applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 6, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action. In the event of any Legal Action among the parties arising out of this Agreement, the parties agree to submit the matter to the appropriate state or federal court sitting in Suffolk County, Massachusetts and the parties agree to submit to the jurisdiction of such courts.

7.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

7.11 Entire Agreement. (ii) any obligations or liabilities under the DBC Assumable Agreements relating to the period prior to the Closing;

(iii) any insurance policies of DBC;

(iv) those required to be disclosed in the DBC Disclosure Schedule which are not so disclosed or which, if disclosed, Section 2.2(b)(iv) of the DBC Disclosure Schedule indicates that such obligation or liability will not be assumed;

(v) any liability or obligation from or relating to breach of any warranty or any misrepresentation by DBC under this Agreement or any Collateral Document;

(vi) any liability or obligation from or relating to breach or violation of, or failure to perform, any of DBC's obligations, covenants, agreements or undertakings set forth in this Agreement or any Collateral Document, including without limitation Article 5 of this Agreement;

(vii) any obligation or liability relating to any asset of DBC not included in the DBC Assets.

(viii) any obligation or liability with respect to capitalized lease obligations or Indebtedness for Money Borrowed;

(ix) any Taxes, fees, expenses or other amounts required to be paid by DBC pursuant to the provisions of this Agreement or any Collateral Document; and

(x) any Contract with any Affiliate of DBC, other than those, if any, set forth in Section 2(b)(x) of the DBC Disclosure Schedule.

All DBC Nonassumed Obligations shall remain and be the obligations and liabilities solely of DBC.

(c) Notwithstanding anything contained in this Agreement to the contrary, except as set forth in Section 2.2(c) of the DBC Disclosure Schedule, all items of income and expense (including without limitation with respect to rent, utility charges, Pro Ratable Taxes and wages, salaries and accrued but unused vacation of DBC employees) arising from the ownership or operation of the DBC Assets or the conduct of the DBC Business shall be prorated as of 12:01 a.m., Eastern time, on the Closing Date, with DBC entitled to and responsible for any such items on or prior to the Closing Date and ATS entitled to and responsible for any such items relating to any subsequent period. For these purposes, Pro Ratable Taxes attributable to a period that begins before and ends after the Closing Date shall be treated on a "closing of the books" basis

as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the DBC Disclosure Schedule, within sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, DBC and ATS shall, within the following ten (10) days, jointly designate a nationally known independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by DBC and ATS. Such firm shall report its conclusions as to such items and other adjustments pursuant to this Section and such report shall be conclusive on all parties to this Agreement and not subject to dispute or review. Upon such agreement or determination by such independent accounting firm, DBC or ATS, as the case may be, shall promptly reimburse the other party for any income received or expenses paid by the other party and not previously reimbursed or any other adjustment required by this Section.

Nothing contained in this Section 2.2(c) is intended or shall be deemed to amend or modify the indemnification provisions of Article 8 nor to reallocate responsibility for the matters set forth therein.

2.3 Closing; Purchase Price. The closing of the Transactions (the "Closing") shall take place at Sullivan & Worcester LLP, One Post Office Square, Boston, Massachusetts 02109, at 10:00 a.m., local time, on May 21, 1997 or such other date, prior to the Termination Date, as the parties may agree (the "Closing Date"). At the Closing, each of the parties shall deliver such bills of sale, assignments, assumptions of liabilities, opinions and other instruments and documents as are described in this Agreement or as may be otherwise reasonably requested by the parties and their respective counsel. The purchase price for the DBC Assets and the DBC Business (the "Purchase Price") shall be an amount equal to $3,137,000 subject to adjustment as provided in Section 2.2(d) plus an amount equal to the Prepaid Expenses and minus an amount equal to the sum of (i) the DBC Nonassumed Obligations, if any, which ATS agrees to assume, and (ii) Prepaid Revenues.

2.4 Accounts Receivable. At the closing, DBC shall appoint ATS its agent for the purpose of collecting all Accounts Receivable relating to the DBC Business. DBC shall deliver to ATS on or as soon as practicable after the Closing Date a complete and detailed statement showing the name, amount and age of each Accounts Receivable of the DBC Business. Subject to and limited by the following, revenues relating to the Accounts Receivable relating to the DBC Business will be for the account of DBC. ATS shall use the same procedures and efforts which it uses with respect to its own accounts receivable to collect the Accounts Receivable with respect to the DBC Business for a period of ninety (90) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is an Accounts Receivable with respect to the DBC Business shall first be applied in reduction of the Accounts Receivable, unless the customer contests the validity of such application. If the customer contests the validity of any payment received by ATS during the Collection Period to be applied in reduction of the Accounts Receivable, then ATS shall promptly notify DBC and any payment with respect to which application is contested as aforesaid shall be placed in an escrow arrangement reasonably satisfactory to ATS and DBC until the validity of the application is determined. During the Collection Period, ATS shall furnish DBC with a list of, and pay over to DBC, the amounts collected with respect to the Accounts Receivable with respect to the DBC Business on a monthly basis and forward to DBC, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to Accounts Receivable. ATS shall provide DBC with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually

and in good faith analyze any uncollected Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Accounts Receivable. As to each such Accounts Receivable, the parties shall negotiate a good faith value of such Accounts Receivable, which ATS shall pay to DBC if ATS, in its sole discretion, chooses to retain such Accounts Receivable. DBC shall retain the right to collect any of its Accounts Receivable as to which the parties are unable to reach agreement as to a good faith value, and ATS agrees to turn over to DBC any payments received against any such Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Accounts Receivable assigned to it for collection hereunder or to refer any of such Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Accounts Receivable, except with the approval of DBC. ATS shall not incur any liability to DBC for any uncollected account unless ATS shall have engaged in willful misconduct or gross negligence in the performance of its obligations set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither DBC nor its agents shall make any direct solicitation of the Accounts Receivable for collection purposes, except for Accounts Receivable retained by DBC after the Collection Period.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF DBC

DBC hereby represents, warrants and covenants to, and agrees with, ATS as follows:

3.1 Organization and Business; Power and Authority; Effect of Transaction.

(a) DBC is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, has all requisite power and authority (corporate and other) to own or hold under lease its properties and to conduct its business as now conducted.

(b) DBC has all requisite corporate power and corporate authority and has in full force and effect all Governmental Authorizations and Private Authorizations, except for those set forth in Section 3.1(b) of the DBC Disclosure Schedule or those the failure of which to obtain do not and will not have, individually or in the aggregate, any material adverse effect on DBC, necessary to enable it to execute and deliver, and to perform its obligations under, this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions; and the execution, delivery and performance of this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto have been duly authorized by all requisite corporate or other action on the part of either of the DBC. This Agreement has been duly executed and delivered by DBC and constitutes, and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions when executed and delivered by DBC will constitute, legal, valid and binding obligations of DBC, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity.

(c) Except as set forth in Section 3.1(c) of the DBC Disclosure Schedule, and except for matters which would have no material adverse effect on the DBC, neither the execution and delivery by DBC of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by DBC of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by DBC:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of DBC or any Applicable Law on the part of DBC, or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of DBC, other than those constituting DBC Nonassumed Obligations; provided, however, that DBC makes no representation and warranty that any Contractual Obligation which requires a consent to its assignment will not be breached if such consent is not obtained prior to the Closing and the rights of DBC thereunder are nevertheless assigned to ATS; or

(ii) will require DBC to make or obtain any Governmental Authorization, Governmental Filing or Private Authorization including without limitation under the FCA.

(d) DBC has no Subsidiaries.

3.2 Financial and Other Information. The DBC has heretofore furnished to ATS copies of the internally prepared cash basis income and expense statements of the DBC Business listed in Section 3.2 of the DBC Disclosure Schedule (the "DBC Statements"). The DBC Statements are true, accurate and complete cash basis income and expense statements in all material respects, do not contain any untrue statement of a material fact, and fairly present the cash flow of the DBC Business for the respective periods covered thereby, subject to normal nonmaterial adjustments. ATS acknowledges that no representations have been made by DBC that (a) the past financial performance of DBC as reflected in the DBC Statements (and on the Tax Returns furnished pursuant to the provisions of Section 3.11) are in any way reflective of future financial performance and (b) that certain amounts of income included in the DBC Statements (and on the Tax Returns furnished pursuant to the provisions of Section 3.11) are derived from sources other than the DBC Assets.

3.3 Changes in Condition. Since the date of the most recent statements constituting a part of the DBC Statements, except to the extent specifically described in Section 3.3 of the DBC Disclosure Schedule, there has been no material adverse change in the DBC Assets or the DBC Business. There is no Event known to DBC which materially adversely affects, or (so far as DBC can now reasonably foresee) is likely to materially adversely affect, the DBC Assets or the DBC Business, except to the extent specifically described in Section 3.3 of the DBC Disclosure Schedule.

3.4 Materiality. The representations and warranties set forth in this Article would in the aggregate be true and correct even without the materiality exceptions or qualifications contained therein or set forth in the DBC Disclosure Schedule, except for such exceptions and qualifications including without limitation those set forth in the DBC Disclosure Schedule which, in the aggregate for all such representations and warranties, are not and could not reasonably be expected to be materially adverse to the DBC Assets or the DBC Business.

3.5 Title to Properties; Leases. DBC does not own or lease any real property or lease any personal property that is part of the DBC Assets or own any material items of tangible personal property and, therefore, no real property or any material items of tangible personal property or any interest therein is being transferred.

3.6 Compliance with Private Authorizations. Section 3.6 of the DBC Disclosure Schedule sets forth a true, accurate and complete list and description of each Private Authorization which individually is material to the DBC Assets or the DBC Business. DBC has obtained all Private Authorizations which are necessary for the ownership or operation of the DBC Assets or the conduct of the DBC Business which, if

not obtained and maintained, could, individually or in the aggregate, materially adversely affect DBC; provided, however, that the representations and warranties set forth in this Section are not intended to apply to (a) any of the consents required in order to assign the DBC Assets to ATS pursuant to the provisions of this Agreement, and (b) the failure of DBC to obtain any or all of the consents required in order to assign the DBC Assets to ATS pursuant to the provisions of this Agreement. All of such Private Authorizations are valid and in good standing and are in full force and effect. DBC is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any material adverse effect on DBC; provided, however, that the foregoing representation and warranty is not intended to apply to the failure of DBC to obtain all consents required in order to assign the DBC Assets to ATS pursuant to the provisions of this Agreement. No such Private Authorization is the subject of any pending or, to DBC's knowledge, threatened attack, revocation or termination.

3.7 Compliance with Governmental Authorizations and Applicable Law.

(a) Except as otherwise specifically described in Section 3.7(a) of the DBC Disclosure Schedule, there is no Governmental Authorization required under Applicable Laws (i) to own and operate the DBC Business, as currently conducted or proposed to be conducted on or prior to the Closing Date, or (ii) that is necessary to permit DBC to execute and deliver this Agreement and to perform its obligations hereunder; provided, however, that the foregoing representation and warranty is not intended to apply to consents of Persons (other than Authorities) required in order to assign the DBC Assets to ATS pursuant to the provisions of this Agreement.

(b) Except as otherwise specifically described in Section 3.7(b) of the DBC Disclosure Schedule, neither DBC nor any director or officer thereof (in connection with ownership or operation of the DBC Assets or the conduct of the DBC Business) is in or is charged by any Authority with or, to DBC's knowledge, at any time since January 1, 1993 has been in or has been charged by any Authority with, or, to DBC's knowledge, is threatened or under investigation by any Authority with respect to, breach or violation of, or default in the performance, observance or fulfillment of, any Applicable Law relating to the ownership and operation of the DBC Assets or the conduct of the DBC Business. In particular, but without limiting the generality of the foregoing, there are no applications, complaints or Legal Actions pending or, to DBC's knowledge, threatened before or by any Authority (x) relating to the ownership or operation of the DBC Assets or the conduct of the DBC Business which, individually or in the aggregate, are reasonably likely to result in the imposition of any restriction of such a nature as would adversely affect the ownership or operation of the DBC Assets or the conduct of the DBC Business; (y) involving charges of illegal discrimination by DBC under any federal or state employment Laws, or (z) involving Environmental Laws or zoning laws, except as otherwise specifically described in Section 3.7(b) of the DBC Disclosure Schedule.

(c) Except as otherwise specifically described in Section 3.7(c) of the DBC Disclosure Schedule, no Event exists or has occurred, which, to DBC's knowledge, constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any Applicable Law, except for such breaches, violations or defaults as do not and will not have, individually or in the aggregate, any material adverse effect on the DBC Assets or the DBC Business.

(d) With respect to matters, if any, of a nature referred to in Section 3.7(b) or 3.7(c) of the DBC Disclosure Schedule, except as otherwise specifically described in Section 3.7(d) of the DBC Disclosure Schedule, all such information and matters set forth in the DBC Disclosure Schedule, if adversely determined

against DBC, will not, individually or in the aggregate, have a materially adverse effect on the DBC Assets or the DBC Business.

3.8 Intangible Assets. There are no Intangible Assets (other than Private Authorizations) required for the ownership or operation of the DBC Assets or the conduct of the DBC Business as currently owned, operated and conducted or proposed to be owned, operated and conducted on or prior to the Closing Date. DBC, to its knowledge, does not wrongfully infringe upon or unlawfully use any Intangible Assets owned or claimed by another, and DBC has not received any notice of any claim or infringement relating to any such Intangible Asset.

3.9 Related Transactions. DBC is not a party or subject to any Contractual Obligation relating to the ownership or operation of the DBC Assets or the conduct of the DBC Business between DBC and any of its officers, directors, shareholders, employees or, to the knowledge of DBC, any Affiliate of any thereof, including without limitation any Contractual Obligation providing for the furnishing of services to or by, providing for rental of property, real, personal or mixed, to or from, or providing for the lending or borrowing of money to or from or otherwise requiring payments to or from, any such Person, other than (i) Employment Arrangements listed or described in Section 3.15 of the DBC Disclosure Schedule, (ii) Contractual Obligations between DBC and any of its directors, shareholders, officers, employees or Affiliates of DBC or any of the foregoing, which constitute assets other than DBC Assets or DBC Nonassumed Obligations, or (iii) as specifically set forth in Section 3.9 of the DBC Disclosure Schedule.

3.10 Solvency. As of the execution and delivery of this Agreement, DBC is, and immediately prior to and after giving effect to the consummation of the Transactions will be, solvent.

3.11 Tax Matters.

(a) DBC is not a "consenting corporation" within the meaning of Section 341(f) of the Code. DBC has at all times been taxable as a Subchapter C corporation under the Code, and has never been a member of any consolidated group for Tax purposes, except as otherwise set forth in Section 3.11(a) of the DBC Disclosure Schedule.

(b) The information shown on the federal income Tax Returns of DBC for each of the most recent four tax years (true and complete copies of which have, to the extent requested by ATS, been furnished by DBC to ATS) is true, accurate and complete in all material respects and fairly and accurately reflects the information purported to be shown. Federal Tax Returns of DBC have not been examined by the Internal Revenue Service, and DBC has not been notified of any proposed examination, except as shown in Section 3.11(b) of the DBC Disclosure Schedule.

(c) DBC is not a party to any tax sharing agreement or arrangement.

3.12 Employee Retirement Income Security Act of 1974. DBC (which for purposes of this Section shall include any ERISA Affiliate) is not making any contribution to or sponsoring, and has not at any time since its organization made any contribution to or sponsored, any Plan or Benefit Arrangement which is subject to ERISA.

3.13 Absence of Sensitive Payments. Neither DBC nor, to DBC's knowledge, any of its officers, directors, employees, agents or other representatives, has with respect to the DBC Assets or the DBC Business (a) made any contributions, payments or gifts to or for the private use of any governmental official, employee or agent where either the payment or the purpose of such contribution, payment or gift is illegal

under the laws of the United States or the jurisdiction in which made or (b) established or maintained any unrecorded fund or asset for any purpose or made any false or artificial entries on its books.

3.14 Inapplicability of Specified Statutes. DBC is not a "holding company", or a "subsidiary company" or an "affiliate" of a "holding company", as such terms are defined in the Public Utility Holding Company Act of 1935, as amended, or an "investment company" or a company "controlled" by or acting on behalf of an "investment company", as defined in the Investment Company Act of 1940, as amended, or a "carrier" or a person which is in control of a "carrier", as defined in section 11301 of Title 49, U.S.C.

3.15 Employment Arrangements. Section 3.15 of the DBC Disclosure Schedule contains a true, accurate and complete list of all employees and consultants of DBC involved in the ownership or operation of the DBC Assets or the conduct of the DBC Business (the "DBC Employees"), together with each such employee's title or the capacity in which he or she is employed and the basis for the DBC Employees' compensation. DBC has no obligation or liability, contingent or other, under any Employment Arrangement with any DBC Employee, other than those listed or described in Section 3.15 of the DBC Disclosure Schedule. Except as described in Section 3.15 of the DBC Disclosure Schedule, (a) none of the DBC Employees is now, or since January 1, 1993 has been, represented by any labor union or other employee collective bargaining organization, and DBC is not and never has been a party to any labor or other collective bargaining agreement with respect to any of the DBC Employees, (b) there are no pending grievances, disputes or controversies with any union or any other employee or collective bargaining organization of the DBC Employees, or threats of strikes, work stoppages or slowdowns or any pending demands for collective bargaining by any such union or other organization, (c) neither DBC nor any of the DBC Employees is now, or has since January 1, 1993 been, subject to or involved in or, to DBC's knowledge, threatened with, any union elections, petitions therefore or other organizational or recruiting activities, in each case with respect to the DBC Employees, and (d) none of the DBC Employees has notified DBC that he or she does not intend to continue employment with DBC until the Closing or with ATS following the Closing. DBC has performed in all material respects all obligations required to be performed under all Employment Arrangements and is not in material breach or violation of or in material default or arrears under any of the terms, provisions or conditions thereof.

3.16 Material Agreements. Listed on Section 3.16 of the DBC Disclosure Schedule are all Material Agreements relating to the ownership or operation of the DBC Assets or the conduct of the business of the DBC Business or to which DBC is a party or to which it is bound or which any of the DBC Assets is subject. True, accurate and complete copies of each of such Material Agreements have been made available by DBC to ATS and DBC has provided ATS with photocopies of all such Material Agreements requested by ATS. All of such Material Agreements are valid, binding and legally enforceable obligations of DBC and, to DBC's knowledge, all other parties thereto, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity. DBC has duly complied with all of the material terms and conditions of each such Material Agreement and has not done or performed, or failed to do or perform (and there is no pending or, to the knowledge of DBC, Claim threatened in writing that DBC has not so complied, done and performed or failed to do and perform) any act which would invalidate or provide grounds for the other party thereto to terminate (with or without notice, passage of time or both) such Material Agreement or impair the rights or benefits, or increase the costs, of DBC under any of such Material Agreements in any material respect.

3.17 Ordinary Course of Business. DBC, from the date of the most recent DBC Financial Statements to the date hereof, except (i) as may be described on Section 3.17 of the DBC Disclosure Schedule, or (ii) as may be required or expressly contemplated by the terms of this Agreement, with respect to the DBC Assets and the DBC Business:

The respective obligations of each party to effect the Transactions shall, except as hereinafter provided in this Section, be subject to the satisfaction at or prior to the Closing Date of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) As of the Closing Date, no Legal Action shall be pending before or threatened in writing by any Authority seeking to enjoin, restrain, prohibit or make illegal or to impose any materially adverse conditions in connection with, the consummation of the Transactions, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not in itself be deemed to be a threat of any such Legal Action;

ARTICLE 6

INDEMNIFICATION

6.1 Survival. The representations and warranties of the parties contained in or made pursuant to Sections 3 and 4 of this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for a period of (a) one (1) year after the Closing Date or (b) the applicable statute of limitations in the case of matters of a nature referred to in Sections 3.1, 3.11, 3.12, 4.1 and 4.4, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto. The covenants and agreements of the parties contained in or made pursuant to all of the other Sections of this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for the statute of limitations applicable to contractual obligations. The term "Indemnity Period" shall mean the applicable period with respect to which a representation, warranty, covenant or agreement survives the Closing as provided in this Section. Any Claim for indemnification, no matter how arising, not asserted by written notice to the Indemnifying Party prior to the expiration of the applicable Indemnity Period and for which arbitration for such Claim pursuant to Section 7.14 of this Agreement is not commenced within sixty (60) days of said written notice shall be waived and of no force and effect.

6.2 Indemnification. Each of DBC and ATS (the "Indemnifying Party") agrees that on and after the Closing it shall, subject to survival periods set forth in Section 6.1, indemnify and hold harmless the other (the "Indemnified Party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document executed by it (collectively, "Loss and Expense" provided, however, that Loss and Expense shall, in the case of damages, be limited to actual damages and shall not include any type of punitive, consequential (including without limitation loss of anticipated profits) or any other measure of damages permitted by Applicable Law or otherwise), suffered directly by the Indemnified Party by reason of, or arising out of:

(a) any breach of representation or warranty made by the Indemnifying Party pursuant to this Agreement or any Collateral Document executed by it or any failure by the Indemnifying Party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document executed by it; or

(b) any Legal Action or other Claim by any third party relating to the Indemnifying Party or, in the case of ATS, the ownership or operations of the DBC Assets or the conduct of the business of the DBC Business to the extent such Legal Action or other Claim has also resulted in a breach of representation or warranty by the Indemnifying Party pursuant to this Agreement or any Collateral Document executed by it; or

(c) in the case of DBC as the Indemnifying Party, by reason of, or arising out of, (i) DBC Nonassumed Obligations or (ii) the ownership and operation of the DBC Assets and the DBC Business prior to the Closing Date; or

(d) in the case of ATS as the Indemnifying Party, by reason of, or arising out of, (i) DBC Assumed Obligations or (ii) the ownership and operation of the DBC Assets and the DBC Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the DBC Assumed Obligations.

6.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 6.2, after the Closing, except as otherwise provided in Section 6.6, each Indemnified Party's rights to indemnification shall be subject to the following limitations: (i) the Indemnified Party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $25,000, in which event the Indemnified Party shall be entitled to recover all such Loss and Expense (including without limitation such $25,000), and (ii) in no event shall the aggregate amount required to be paid by an Indemnifying Party pursuant to the provisions of this Article exceed $410,000, except for any Loss or Expense arising out of matters of a nature referred to in Sections 3.1 and 4.1 as to which the limitations set forth in this clause (ii) shall not apply.

(b) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto.

6.4 Notice of Claims. If an Indemnified Party believes that it has suffered or incurred any Loss and Expense, it shall notify the Indemnifying Party promptly in writing, and in any event within the applicable time period specified in Section 6.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an Indemnified Party intends to claim any liability or expense as Loss and Expense under this Article, such Indemnified Party shall promptly notify the Indemnifying Party of such Legal Action, but the failure to so notify the Indemnifying Party shall not relieve such Indemnifying Party of its obligations under this Article, except to the extent such failure to notify prejudices such Indemnifying Party's ability to defend against such Claim.

6.5 Defense of Third Party Claims. The Indemnifying Party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the Indemnified Party, any third party Legal Action or other Claim, but the Indemnified Party may, at its election, participate in the defense

thereof at its sole cost and expense; provided, however, that if the Indemnifying Party shall fail to defend any such Legal Action or other Claim, then the Indemnified Party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the Indemnifying Party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the Indemnifying Party to then undertake the defense thereof) settle such Legal Action or other Claim and recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The Indemnifying Party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the Indemnified Party, which consent shall not unreasonably be withheld, delayed or conditioned if the terms and conditions of such compromise or settlement proposed by the Indemnifying Party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") (a) include a full release of the Indemnified Party from the Legal Action or other Claim which is the subject of the Settlement Proposal, and (b) if the Indemnified Party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership or operations of the DBC Assets or the conduct of the DBC Business in substantially the manner then being theretofore owned, operated and conducted by ATS.

6.6 Exclusive Remedy. Except for (a) fraud constituting dishonesty or willful or intentional gross misrepresentation or willful or intentional gross breach of warranty, covenant or agreement; provided, however, that any Claim with respect to fraud constituting dishonesty or willful or intentional gross misrepresentation or willful or intentional gross breach of warranty, covenant or agreement, no matter how arising, not asserted by written notice to the party alleged to have committed the same prior to May 21, 1999 and for which arbitration with respect to such Claim pursuant to Section 7.14 of this Agreement is not commenced within sixty (60) days of said written notice shall be waived and of no force and effect; or (b) specific performance and injunctive relief as provided in Section 7.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 7

GENERAL PROVISIONS

7.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time prior to the Closing Date but only by an instrument in writing signed by the parties hereto.

7.2 Waiver. At any time prior to the Closing Date, except to the extent not permitted by Applicable Law, ATS or DBC may extend the time for the performance of any of the obligations or other acts of the other, subject, however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

7.3 Fees, Expenses and Other Payments. All costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, including without limitation fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto, shall be borne solely and entirely by the party which has incurred such costs and expenses.

7.4 Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express

mail, or by recognized courier service, postage prepaid, (b) sent by telex, telegram, telecopy or other form of rapid transmission, confirmed by mailing (by first class or express mail, or by recognized courier service, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which if other than an individual shall be an officer or other responsible party of the receiving party). or to such other person(s), telex or facsimile number(s) or address(es) as the party to receive any such communication or notice may have designated by written notice to the other party.

7.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. The parties agree that the dispute underlying Claims of any action for specific performance shall be decided by arbitration in accordance with the provisions of Section 7.14. All actions for injunctive relief, specific performance or other relief shall be determined in accordance with the governing law provisions of Section 7.9. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of and subject to the limitations

contained in this Agreement for such breach or threatened breach. Notwithstanding the foregoing or any provision of this Agreement to the contrary, after the Closing Date ATS shall not be entitled to specific performance or any other remedy to the extent that the cost to DBC arising from the enforcement or exercise of such remedy would exceed the amount of the indemnification required by Section 6.3, for all costs and expenses incurred in connection with its performance of or compliance with the remedy exercised or enforced.

7.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

7.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

7.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

7.9 Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the Commonwealth of Massachusetts applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 6, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action. In the event of any Legal Action among the parties arising out of this Agreement, the parties agree to submit the matter to the appropriate state or federal court sitting in Suffolk County, Massachusetts and the parties agree to submit to the jurisdiction of such courts.

7.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

7.11 Entire Agreement. This Agreement (together with the DBC Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated March 6, 1997, between the parties. The parties have not made or relied upon any warranties or representations except those specifically set forth in this Agreement.

7.12 Assignment. This Agreement shall not be assignable by either party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

7.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 7.12.

7.14 Arbitration. Subject to the provisions of Section 2.2(d) and the right to seek injunctive relief and specific performance in accordance with the provisions of Section 7.5 which shall take precedence over the provisions of this Section, any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be determined by arbitration in accordance with the governing law provisions of Section 7.9 and the then existing commercial arbitration rules of the American Arbitration Association before a panel of three (3) arbitrators in Boston, Massachusetts, selected within thirty (30) days of the commencement of such arbitration, with each participant selecting one arbitrator and the two so selected selecting the third (or the third being selected by the American Arbitration Association if agreement on a third is not reached within thirty (30) days); and the parties hereto agree that any judgment or award rendered by such arbitrators shall be a final and binding determination as to such matter or matters and may be entered in any court having jurisdiction thereof; provided, however, that in the case of damages, the parties shall, except in the case of a fraud constituting dishonesty or willful or intentional gross misrepresentation or willful or intentional gross breach of warranty, covenant or agreement, be limited to actual damages and shall not be entitled to any type of punitive, consequential (including without limitation loss of anticipated profits) or any other measure of damages permitted by Applicable Law or otherwise. The arbitrators shall award fees and expenses (including reasonable attorney fees and expenses) to the prevailing party or, if they determine there is no prevailing party, as they may otherwise determine.

7.15 Mutual Drafting. This Agreement is the result of the joint efforts of DBC and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

IN WITNESS WHEREOF, ATS and DBC have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

WHEREAS, ATS desires to purchase from CSD, and CSD desires to sell to ATS, an undivided seventy percent (70%) interest in the CSD Assets on the terms and conditions hereinafter set forth;

WHEREAS, ATS and CSD desire to transfer to LLC, and LLC shall assume, all of their respective right, title and interest in the CSD Assets so that the CSD Assets will be ultimately owned and operated by LLC; and

NOW, THEREFORE, in consideration of the above premises and the covenants and agreements contained herein, the parties, intending to be legally bound, do hereby covenant and agree as follows:

ARTICLE 1

DEFINED TERMS

As used herein, unless the context otherwise requires, the terms defined in Appendix A shall have the respective meanings set forth therein. Terms defined in the singular shall have a comparable meaning when used in the plural, and vice versa, and the reference to any gender shall be deemed to include all genders. Unless otherwise defined or the context otherwise clearly requires, terms for which meanings are provided in this Agreement shall have such meanings when used in the CSD Disclosure Schedule and each Collateral Document executed or required to be executed pursuant hereto or thereto or otherwise delivered, from time to time, pursuant hereto or thereto. References to "hereof", "herein" or similar terms are intended to refer to the Agreement as a whole and not a particular Section, and references to "this Section" are intended to refer to the entire Section and not a particular subsection thereof. The term "either party" shall, unless the context otherwise requires, refer to CSD and ATS.

ARTICLE 2

SALE AND PURCHASE OF ASSETS

2.1 Agreement to Sell and Buy. Subject to the terms and conditions set forth in this Agreement, CSD hereby agrees to sell, assign, transfer and deliver to ATS at the Closing, and ATS agrees to purchase at the Closing, an undivided seventy percent (70%) interest in the CSD Assets, free and clear of any Liens of any nature whatsoever except for Permitted Liens. For purposes of this Agreement, the term "CSD Assets" shall mean all of the Entitled Sites and all of the Remaining Sites (a true, correct and accurate list of all of which is set forth in Section 2.1 of the CSD Disclosure Schedule), together with all Governmental Authorizations, Private Authorizations, Material Agreements and other Contracts related thereto (a true, correct and complete list or description of which is set forth in the relevant sections of the CSD Disclosure Schedule).

2.2 Assumption of Liabilities and Obligations.

(a) At the Closing, LLC shall assume and agree to pay, discharge and perform any and all obligations and liabilities that are directly associated with or related to the CSD Assets that become due after the Closing Date, including, but not limited to, Pro Ratable Taxes and all lease payments that are due and owing for any of the Entitled Sites and the Remaining Sites (the "CSD Assumed Obligations"); provided, however, that notwithstanding the foregoing, ATS shall not assume and agree to pay, and shall not be obligated with respect to, the CSD Nonassumed Obligations.

(b) LLC shall not assume or become obligated to perform any debt, liability or obligation of CSD relating to any of the following matters (collectively, the "CSD Nonassumed Obligations"):

(i) the ownership or operation of the CSD Assets or the conduct of the CSD Central Valley Business prior to the Closing Date, including without limitation Taxes (other than Pro Ratable Taxes), any Legal Actions or other Claims and any obligations or liabilities relating to Environmental Law;

(ii) any obligations or liabilities under the CSD Assumable Agreements relating to the period prior to the Closing; and

(iii) those required to be disclosed in the CSD Disclosure Schedule which are not so disclosed or which, if disclosed, Section 2.2(b)(iii) of the CSD Disclosure Schedule indicates that such obligation or liability will not be assumed.

All CSD Nonassumed Obligations shall remain and be the obligations and liabilities solely of CSD.

(c) Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, the term "CSD Nonassumed Obligations" shall not include, and the term "CSD Assumed Obligations" shall include, any liability arising out of the transfer or assignment to LLC of, or the use or enjoyment of the benefits by LLC under, any Contract, Governmental Authorization or Private Authorization the transfer or assignment of which (according to Section 2.2(c) of the CSD Disclosure Schedule) requires or may require the consent of any Authority or other third party (collectively, the "Nonassignable Contracts"), if ATS has, on or prior to the Closing Date, notified CSD in writing (an "Acceptance Notice") that ATS consents to the transfer or assignment of such Nonassignable Contract to LLC despite the failure or inability of CSD to obtain the approval or consent of an Authority or other Person whose approval or consent is required pursuant to the terms of such Nonassignable Contract, or ATS elects to have LLC receive the benefits of such

Nonassumable Contract, in either of which events, if the approval or consent of an Authority or other Person applicable to transfer of such Nonassignable Contract is required to be obtained as a condition to ATS' obligations at Closing pursuant to the provisions of Section 6.1(a), 6.2(d) or 6.2(h), ATS shall be deemed to have waived such condition with respect to such Nonassignable Contract. With respect to any Nonassignable Contract for which the applicable consent of any Authority or other Person is not obtained prior to the Termination Date and for which ATS does not timely deliver an Acceptance Notice as described in the preceding sentence, CSD and ATS shall negotiate in good faith to reach an equitable sharing of the rights and obligations under such Nonassignable Contracts.

(d) Notwithstanding anything contained in this Agreement to the contrary, except as set forth in Section 2.2(d) of the CSD Disclosure Schedule, all items of income and expense (including without limitation with respect to rent, utility charges, Pro Ratable Taxes and wages, salaries and accrued but unused vacation of CSD employees) arising from the ownership or operation of the CSD Assets or the conduct of the CSD Central Valley Business shall be prorated as of 12:01 a.m., Eastern time, on the Closing Date, with CSD entitled to and responsible for any such items on or prior to the Closing Date and ATS entitled to and responsible for any such items relating to any subsequent period. For these purposes, Pro Ratable Taxes attributable to a period that begins before and ends after the Closing Date shall be treated on a "closing of the books" basis as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the CSD Disclosure Schedule, within sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, CSD and ATS shall, within the following ten (10) days, jointly designate a nationally known independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by CSD and ATS. Such firm shall report its conclusions as to such items and other adjustments pursuant to this Section and such report shall be conclusive on all parties to this Agreement and not subject to dispute or review. Upon such agreement or determination by such independent accounting firm, CSD or ATS, as the case may be, shall promptly reimburse the other party for any income received or expenses paid by the other party and not previously reimbursed or any other adjustment required by this Section.

Nothing contained in this Section 2.2(c) is intended or shall be deemed to amend or modify the indemnification provisions of Article 8 nor to reallocate responsibility for the matters set forth therein.

2.3 Closing; Purchase Price. The closing of the Transactions (the "Closing") shall take place at Sullivan & Worcester LLP, One Post Office Square, Boston, Massachusetts 02109, at 10:00 a.m., local time, on May 29, 1997 or such other date, prior to the Termination Date, as the parties may agree (the "Closing Date"). At the Closing, each of the parties and LLC shall deliver such bills of sale, assignments, assumptions of liabilities, opinions and other instruments and documents as are described in this Agreement or as may be otherwise reasonably requested by the parties and their respective counsel. The purchase price for the interest in the CSD Assets being acquired by ATS (the "Purchase Price") shall be an amount equal to the sum of (a) $790,000, subject to adjustment as provided in Section 2.2(d), plus an amount equal to the Prepaid Expenses and minus an amount equal to the sum of (i) the CSD Nonassumed Obligations, if any, which ATS agrees to assume, and (ii) Prepaid Revenues (the "Base Purchase Price"), and (b) the Entitled Site Payment. The Base Purchase Price shall be payable by (a) ATS instructing the Escrow Agent to deliver the Escrow Deposit (together with interest and other increments thereto) to CSD, and (b) wire transfer of immediately available funds to CSD for the balance of the Base Purchase Price to such account (or accounts) as CSD shall

designate in written instructions to ATS delivered not later than two (2) business days prior to the Closing. The CSD LLC Interest shall be deliverable by the execution and delivery of the LLC Agreement at the Closing. ATS agrees to pay any and all costs incurred by CSD with respect to procuring any construction permits for each of the Entitled Sites, including, but not limited to, fees and costs for surveys, geotechnical reports, construction drawings and permit fees. Such costs are exclusive of and/or in addition to the Entitled Site Payment of $5,000. The "Entitled Site Payment" shall mean an amount equal to $5,000 for each of the Entitled Sites and shall be payable, from time to time, by ATS or LLC within ten (10) business days of the receipt by LLC of notice from all applicable Authorities that all Governmental Authorizations necessary to construct a communication tower on the Entitled Site as to which payment is to be made have been fully approved.

(a) CSD does not own any real property.

(b) Section 3.3(b) of the CSD Disclosure Schedule contains a true, accurate and complete description of all Leases under which any real property used in the CSD Central Valley Business is leased. Except as otherwise set forth in Schedule 3.3(b) of the CSD Disclosure Schedule, each Lease or other occupancy or other agreement under which CSD holds real or personal property constituting a part of the CSD Assets has been duly authorized, executed and delivered by CSD and, to CSD's knowledge, each of the other parties thereto, and is a legal, valid and binding obligation of CSD, and, to CSD's knowledge, each of the other parties thereto, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity. CSD has obtained all Private Authorizations which are necessary for the ownership or operation of the CSD Assets or the conduct of the CSD Central Valley Business which, if not obtained and maintained, could, individually or in the aggregate, materially adversely affect CSD. All of such Private Authorizations are valid and in good standing and are in full force and effect. CSD is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any material adverse effect on CSD. No such Private Authorization is the subject of any pending or, to CSD's knowledge, threatened attack, revocation or termination.

No such Governmental Authorization is the subject of any pending or, to CSD's knowledge, threatened challenge or proceeding to revoke or terminate any such Governmental Authorization. CSD has no reason to believe that any such Governmental Authorization would not be renewed in the name of CSD by the granting Authority in the ordinary course.

(b) Except as otherwise specifically described in Section 3.5(b) of the CSD Disclosure Schedule, neither CSD nor any director or officer thereof (in connection with ownership or operation of the CSD Assets or the conduct of the CSD Central Valley Business) is in or is charged by any Authority with or, to CSD's knowledge, at any time since January 1, 1993 has been in or has been charged by any Authority with, or, to CSD's knowledge, is threatened or under investigation by any Authority with respect to, breach or violation of, or default in the performance, observance or fulfillment of, any Governmental Authorization or any Applicable Law relating to the ownership and operation of the CSD Assets or the conduct of the CSD Central Valley Business. (c) Except as otherwise specifically described in Section 3.5(c) of the CSD Disclosure Schedule, no Event exists or has occurred, which, to CSD's knowledge, constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under (i) any Governmental Authorization or any Applicable Law, except for such breaches, violations or defaults as do not and will not have, individually or in the aggregate, any material adverse effect on CSD or (ii) any material requirement of any insurance carrier, applicable to the ownership or operations of the CSD Assets or the conduct of the CSD Central Valley Business.

(d) With respect to matters, if any, of a nature referred to in Section 3.5(a), 3.5(b) or 3.5(c) of the CSD Disclosure Schedule, except as otherwise specifically described in Section 3.5(d) of the CSD Disclosure Schedule, all such information and matters set forth in the CSD Disclosure Schedule, if adversely determined against CSD, will not, individually or in the aggregate, have a materially adversely effect on CSD.

(c) The representations and warranties of CSD contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto or otherwise made in connection with the Transactions shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of CSD or ATS, except as otherwise specifically provided herein); each and all of the agreements and conditions to be performed or satisfied by CSD hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all material respects; and CSD shall have furnished ATS with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as ATS or its counsel shall have reasonably requested;

(g) Each of the individuals named therein shall have executed and delivered to ATS an agreement substantially in the form of Exhibit B attached hereto and made a part hereof (the "ATS Noncompetition Agreements");

(h) CSD shall have delivered to ATS all use permits, consents or other Governmental Authorizations of and all Leases from the United States Forest Service, if any, set forth in Section 6.2(h) of the CSD Disclosure Schedule; and

(b) ATS shall have furnished CSD and, at CSD's request, any bank of other financial institution providing credit to CSD, with favorable opinions, dated the Closing Date of Sullivan & Worcester LLP, counsel for ATS, with respect to the matters set forth in Section 4.1 and with respect to such other matters arising after the date of this Agreement and incident to the Transactions, as CSD or its counsel may reasonably request or which may be reasonably requested by any such bank or financial institution or their respective counsel;

(c) The representations and warranties of ATS contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto or otherwise made in connection with the Transactions shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of CSD or ATS, except as otherwise specifically provided herein); each and all of the agreements and conditions to be performed or satisfied by ATS hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all material respects; and ATS shall have furnished CSD with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as CSD or its counsel shall have reasonably requested;

ARTICLE 7

TERMINATION, AMENDMENT AND WAIVER

7.1 Termination. This Agreement may be terminated at any time prior to the Closing Date:

(a) by mutual consent of CSD and ATS;

(b) by either ATS or CSD if any permanent injunction, decree or judgment by any Authority preventing the consummation of the Transactions shall have become final and nonappealable; or

(c) by CSD in the event (i) CSD is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) either (A) the Transactions have not been consummated prior to the Termination Date, or (B) ATS is in material breach of this Agreement or any of its representations or warranties

shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(d) by ATS in the event (i) ATS is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) either (A) the Transactions have not been consummated prior to the Termination Date, or (B) CSD is in material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date.

The term "Termination Date" shall mean July 1, 1997 or such other date as the parties may, from time to time, mutually agree.

The right of ATS or CSD to terminate this Agreement pursuant to this Section shall remain operative and in full force and effect regardless of any investigation made by or on behalf of either party, any Person controlling any such party or any of their respective Representatives whether prior to or after the execution of this Agreement.

7.2 Effect of Termination.

(a) Except as provided in Sections 5.1 (with respect to confidentiality), 5.3 and 9.3 and this Section, in the event of the termination of this Agreement pursuant to Section 7.1, this Agreement shall forthwith become void, there shall be no liability on the part of either party, or any of their respective shareholders, officers or directors, to the other and all rights and obligations of either party shall cease; provided, however, that such termination shall not relieve either party from liability for any misrepresentation or breach of any of its warranties, covenants or agreements set forth in this Agreement.

(b) In the event this Agreement is terminated by CSD pursuant to the provisions of Section 7.1(c), then CSD shall be entitled to liquidated damages of an amount equal to the Escrow Deposit, together with interest and other earnings thereon, it being agreed that such amount shall constitute full payment for any and all damages suffered by CSD by reason of ATS' failure to consummate the Transactions. ATS and CSD agree in advance that actual damages would be difficult to ascertain and that such liquidated damages is a fair and equitable amount to reimburse CSD for damages sustained due to ATS' failure to consummate the Transactions for the above-stated reasons. In the event this Agreement is terminated by ATS pursuant to the provisions of Section 7.1(d), then ATS shall be entitled to the amount of the Escrow Deposit, together with interest and other earnings thereon, without prejudice to ATS' right to pursue damages or other remedies hereunder. Notwithstanding the foregoing, each party shall have the right to seek specific performance pursuant to the provisions of Section 9.5.

(c) In the event this Agreement is terminated pursuant to the provisions of Section 7.1(a), 7.1(b) or 7.1(e), except as provided in Section 7.2(a), neither of the parties shall have any further rights or remedies, except that ATS shall be entitled to the Escrow Deposit, together with interest and earnings thereon.

ARTICLE 8

INDEMNIFICATION

The representations and warranties of the parties contained in or made pursuant to this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for a period of (a) two (2) years after the Closing Date or (b) the applicable statute of limitations in the case of matters of a nature referred to in Sections 3.1, 3.13 and 4.1, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto. The covenants and agreements of the parties contained in or made pursuant to this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for the statute of limitations applicable to contractual obligations. The term "Indemnity Period" shall mean the applicable period with respect to which a representation, warranty, covenant or agreement survives the Closing as provided in this Section. No claim for indemnification, other than with respect to fraud or intentional and willful breach or misrepresentation, may be asserted after the expiration of the Indemnity Period. Notwithstanding anything herein to the contrary, any representation, warranty, covenant and agreement which arises and is the subject of a Claim which is asserted in writing prior to the expiration of the applicable Indemnity Period shall survive with respect to such Claim or any dispute with respect thereto until the final resolution thereof.

8.2 Indemnification. Each of CSD and ATS (the "indemnifying party") agrees that on and after the Closing it shall indemnify and hold harmless the other (the "indemnified party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document executed by it (collectively, "Loss and Expense"), suffered, directly or indirectly, by the indemnified party by reason of, or arising out of:

(a) any breach of representation or warranty made by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it or any failure by the indemnifying party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document executed by it; or

(b) any Legal Action or other Claim by any third party relating to the indemnifying party or, in the case of ATS, the ownership or operations of the CSD Assets or the conduct of the business of the CSD Central Valley Business to the extent such Legal Action or other Claim has also resulted in a breach of representation or warranty by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it; or

(c) in the case of CSD as the indemnifying party, the failure of CSD to comply with Bulk Sales law of the State of California; or

(d) in the case of CSD as the indemnifying party, by reason of, or arising out of, (i) CSD Nonassumed Obligations or (ii) the ownership and operation of the CSD Assets and the CSD Central Valley Business prior to the Closing Date; or

(e) in the case of ATS as the indemnifying party, by reason of, or arising out of, (i) CSD Assumed Obligations or (ii) the ownership and operation of the CSD Assets and the CSD Central Valley Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the CSD Assumed Obligations.

8.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 8.2, after the Closing, except as otherwise provided in Section 8.6, each indemnified party's rights to indemnification shall be subject to the following limitations: (i) the indemnified party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $25,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $25,000), and (ii) in no event shall the aggregate amount required to be paid by each indemnifying party pursuant to the provisions of this Article exceed $1,000,000, except for any Loss or Expense arising out of matters of a nature referred to in Sections 3.1 and 4.1 as to which the limitations set forth in this clause (ii) shall not apply. Notwithstanding anything to the contrary contained herein, it is expressly agreed to by the parties that any lease payments due under any Lease for any of the Sites being acquired which comprise the CSD Assets after the Closing shall not be considered an item of Loss and Expense for purposes of the limitation of liability set forth herein.

(b) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto.

8.4 Notice of Claims. If an indemnified party believes that it has suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 8.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify prejudices such indemnifying party's ability to defend against such Claim.

8.5 Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party, which consent shall not unreasonably be withheld, delayed or conditioned if the terms and conditions of such compromise or settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement Proposal, and (b) if the indemnified party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership or operations of the CSD Assets or the conduct of the CSD Central Valley Business in substantially the manner then being theretofore owned, operated and conducted by ATS.

8.6 Exclusive Remedy. Except for fraud or willful or intentional misrepresentation or breach of warranty, covenant or agreement or as otherwise provided in Section 9.5, the indemnification provided in

this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 9

GENERAL PROVISIONS

9.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time prior to the Closing Date but only by an instrument in writing signed by the parties hereto.

Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

9.3 Fees, Expenses and Other Payments. All costs and expenses, incurred in connection with any transfer taxes, sales taxes, recording or documentary taxes, stamps or other charges levied by any Authority in connection with this Agreement and the consummation of the Transactions shall be borne equally by CSD and ATS. All other costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, including without limitation fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto, shall be borne solely and entirely by the party which has incurred such costs and expenses.

9.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the post ing of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach.

9.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely either party, the parties shall negotiate in good faith to modify this

Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

9.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

9.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

9.9 Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of California applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 8, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action.

9.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

9.11 Entire Agreement. This Agreement (together with the CSD Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated December 19, 1996, between the parties.

9.12 Assignment. This Agreement shall not be assignable by either party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

9.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 9.12.

9.14 Mutual Drafting. This Agreement is the result of the joint efforts of CSD and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

9.15 Arbitration of Disputes. Subject to the right of the parties to seek injunctive relief pursuant to the provisions of Section 9.5, in the event of any dispute arising from or related to any of the terms or conditions of this Agreement, ATS, CSD and LLC hereby agree to submit any such dispute to binding arbitration under the Commercial Rules of the American Arbitration Association at Sacramento, California.

IN WITNESS WHEREOF, ATS and CSD have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

ARTICLE 3

CAPITALIZATION

3.1 Initial Capital Contributions. Each of the Members shall contribute or cause to be contributed to the Company, on the Effective Date, as its Initial Capital Contribution, the cash and other property set forth on the Member Schedule.

3.2 ATS Construction Funding. ATS agrees to make, from time to time, Additional Capital Contributions for the purposes of constructing communication towers and other improvements on the sites to be acquired by the Company pursuant to the consummation of the transactions contemplated by the

Acquisition Agreement and, in addition from time to time, for acquiring additional sites and constructing communication towers and other improvements thereon, subject to the following conditions:

(i) ATS shall have approved the acquisition of any such additional site for which the Additional Capital Contribution is to be used, such approval not to be unreasonably withheld; and

(ii) CSD shall have prepared in good faith, based on the results of comparable sites and towers owned by the Company or any Affiliates of any of the Members, and furnished to ATS not less than thirty (30) days prior to the proposed acquisition of the site a financial analysis of the costs associated with such acquisition, the construction of the communication tower or towers thereon, the estimated revenue to be obtained and expenses to be incurred in the operation and maintenance of such tower or towers.

Upon receipt of such financial analysis, and such other information as it shall have reasonably requested, ATS shall determine, in good faith, whether it reasonably believes that the proposed project is in the best interests of the Company. In the event it agrees that they will or is, as the case may be, it shall be obligated to make the Additional Capital Contribution referred to in such financial analysis in a timely manner in order to facilitate the acquisition of the site and the construction of the communication tower or towers. Any Additional Capital Contribution made by ATS pursuant to the provisions of this Section will not in any way result in a change or modification as to any Member's Company Interest as initially set forth in the Member Schedule, but shall only be reflected as an increase in ATS' Capital Account. In the event ATS shall not have given written notice to CSD of its objection (an "Objection Notice") to the acquisition within ten (10) days of the receipt of such financial analysis (and any other information with respect thereto which it has reasonably requested), it shall be deemed to have approved such acquisition and shall be obligated to make such Additional Capital Contribution. In the event ATS shall have given an Objection Notice (which shall specify in reasonable detail the basis thereof), CSD and ATS shall negotiate in good faith in an effort to resolve their differences to the end that ATS would be willing to make the Additional Capital Contribution. In the event ATS and CSD are unable to resolve their differences within twenty (20) days, CSD shall have the right, in its sole and absolute discretion, to (x) make the Additional Capital Contribution on the same terms and conditions as ATS would otherwise have made such Additional Capital Contribution, (ii) to advance the required funds in the form of a Member Loan, (iii) to obtain such funds as a loan from an Unaffiliated Person in accordance with the provisions of Section 3.3 (in which event no Determination of the Members will be required), or (iv) to acquire such site and construct such tower or towers for its own account or for the account of any Affiliate of CSD.

Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, ATS shall advance all funds to finance the construction of communication towers on the initial sixty (60) sites acquired by the Company upon its formation and the consummation of the transactions contemplated by the Acquisition Agreement in the form of Additional Capital Contributions and not in the form of Member Loans or loans from one or more Unaffiliated Persons.

3.3 Other Required Funds. In the event that in the judgment of Members representing a Determination of the Members additional funds are required by the Company for any Company purpose which ATS is not obligated to fund pursuant to the provisions of Section 3.2, the Members may elect, upon a Determination of the Members, but subject in any event to the provisions of Section 7.2, to obtain such funds as a loan from any Unaffiliated Person upon such terms and conditions as the Members, by Determination of the Members, deem appropriate or, in the alternative, the Members may elect, by Unanimous Determination of the Members, to cause each Member to advance, as an Additional Capital Contribution, its proportionate share, based upon the Company Interests of all Members, or in such other proportion as shall be fixed by a Unanimous Determination of the Members, of the total amount so required,

it being expressly understood that no Member may be required to make an Additional Capital Contribution and no such Additional Capital Contribution shall be made by any Member, unless the same shall have been approved by Unanimous Determination of the Members. CSD shall also have the right, pursuant to the provisions of Section 3.2, to obtain funds as a loan from any Unaffiliated Person.

In the event that additional funds are required for any Company purpose which ATS is not obligated to fund pursuant to the provisions of Section 3.2, and provided that the Members are unable to obtain, or agree upon terms with respect to, a loan from an Unaffiliated Person of such funds or if the Members fail to agree, by Unanimous Determination of the Members, to advance the same as Additional Capital Contributions, then any Member may, by written notice to each Member, propose that the same be advanced as loans from the Members. Any such loan (each a "Member Loan") shall bear interest at an annual rate of interest, compounded quarterly, equal to the Prime Rate plus two (2) percentage points and shall be payable, on a priority basis, out of Cash Flow and at liquidation of the Company, all as further provided in Article 6. Any such Member Loan may be advanced by all of the Members, pro rata in proportion to Company Interests, or, in the event that any Member declines to participate in any such Member Loan by advancing its share thereof within ten (10) days after receipt of a written proposal with respect to such loan, by any Member or Members who determine to participate therein, it being expressly understood and agreed that no Member shall have any obligation to participate in any Member Loan so proposed. To the extent that any Member declines to participate in any Member Loan so proposed, that Member's portion of the Member Loan so proposed shall be allocated to the Member or Members who elect to participate therein in such proportions as such other Members may agree or, in the absence of such agreement, pro rata among all Members electing to participate therein in proportion to their respective Company Interests.

3.4 Capital Accounts. A separate capital account (a "Capital Account") shall be established and maintained for each Member in accordance with the following provisions:

(a) To each Member's Capital Account there shall be credited the amount of cash and fair market value of the property actually contributed to the Company pursuant to Sections 3.1, 3.2 and 3.3, such Member's allocable share of Profit and the amount of any Company liabilities that are assumed by such Member or that are secured by any Company property distributed to such Member.

(b) To each Member's Capital Account there shall be debited the amount of cash and the fair market value of any Company property distributed to such Member pursuant to any provision of this Agreement, such Member's allocable share of Loss and the amount of any liabilities of such Member that are assumed by the Company or that are secured by any property contributed by such Member to the Company.

(c) The provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b)(2)(iv) of the Treasury Regulations, and shall be interpreted and applied in a manner consistent with such Treasury Regulations.

(d) A Member shall not be entitled to withdraw any part of its Capital Account or to receive any distributions from the Company except as provided in Article 6; nor shall a Member be entitled to make any loan or Capital Contribution to the Company other than as expressly provided herein. No loan made to the Company by any Member shall constitute a Capital Contribution to the Company for any purpose.

(e) Except as required by the Act, no Member shall have any liability for the return of the Capital Contribution of any other Member. A Member who has more than one interest in the

Company shall have a single Capital Account that reflects all such interests, regardless of the class of interest owned and regardless of the time or manner in which the interests were acquired.

3.5 Transfer of Capital Accounts. The original Capital Account established for each substituted Member shall be in the same amount as the Capital Account of the Member which such substituted Member succeeds, at the time such substituted Member is admitted to the Company. The Capital Account of any Member whose interest in the Company shall be increased by means of the transfer to it of all or part of the interest in the Company of another Member shall be appropriately adjusted to reflect such transfer. Any reference in this Agreement to a Capital Contribution of or distribution to a then Member shall include a Capital Contribution or distribution previously made by or to any prior Member on account of the Company interest of such then Member.

3.6 Deficit Capital Accounts. No Member with a deficit in his Capital Account shall be obligated to restore such deficit balance or make a Capital Contribution to the Company solely by reason of such deficit.

3.7 Additional Equity. If the Members, by a Unanimous Determination of the Members, conclude that an additional equity investment in the Company is necessary and desirable, the Board shall determine the value of the outstanding equity of the Company, and based on such value, shall determine the price for the additional equity to be issued. Each Member shall be entitled to subscribe for such Member's proportionate share (based on its Company Interest) of such additional equity. If any Member shall subscribe for less than its proportionate share, the excess shall then be offered to the fully-subscribing Members. Any portion not subscribed for by Members may then be offered to Persons who are not Members. If it is necessary to offer such equity to Persons who are not Members on terms more favorable than the terms originally accepted by Members, all of the equity originally subscribed for by the Members shall be issued on the terms the equity was offered to Persons who are not Members. The Board shall establish procedures for each equity issuance that will assure that each Member has an equitable and fair opportunity to subscribe for such equity, exercise its right to preserve its relative Company Interest and exercise its right of first refusal before any equity is offered to Persons who are not Members.

3.8 Additional Members. No additional Members may be admitted to the Company without a Unanimous Determination of the Members, other than pursuant to the provisions of Section 3.6 or Article 8.

ARTICLE 4

BOOKS; ACCOUNTING; TAX ELECTIONS; REPORTS

4.1 Fiscal Year. The fiscal year of the Company shall be the calendar year (the "Year"), or such other year as shall be required under the Code.

4.2 Method of Accounting and Taxation. The books of account of the Company (other than books required to maintain Capital Accounts) shall be maintained on an accrual basis and otherwise in accordance with GAAP. It is the intention of the Members that the Company be taxed as a partnership for Federal income tax purposes and the Members shall take all action and make all elections necessary to ensure that the Company is so taxed.

4.3 Books and Records and Inspection.

(a) Books of Account and Records. Proper and complete records and books of account of the Company's business, including all such transactions and other matters as are usually entered into records and books of account maintained by Persons engaged in businesses of like character or as are required by law, shall be kept by the Company at the Company's principal office and place of business. To the extent required by law, the Company shall also keep, at its principal office and place of business, all records, required by the Act.

(b) Inspection. Each Member shall have the right, at all reasonable times and upon reasonable notice during usual business hours, to audit, examine and make copies of or extracts from the books of account of the Company for any purpose reasonably related to such Member's interest as a member of the Company. Such right may be exercised through any agent or employee of such Member designated by it or by a certified public accountant designated by such Member. A Member shall bear all expenses incurred in any examination made for such Member's account.

4.4 Reports.

(a) Monthly Reports. The Company shall prepare and deliver or cause to be delivered to each Member, within thirty (30) days after the end of each calendar month:

(i) a management-prepared balance sheet, income statement and cash flow statement for the Company with respect to such calendar month just ending and the fiscal year to date;

(ii) a management-prepared statement of income for the Company comparing the actual results for the month and the fiscal year to date with budgeted amounts as set forth in the most recently approved Annual Budget; and

(iii) (A) a narrative report concerning the operations of the Company, including the matters set forth in the profit and loss and cash flow statements and the variance report described above; and (B) as of the end of each calendar quarter, the balance of each Member's Capital Account.

The monthly financial statements and other reports and information shall be certified as accurate in all material respects by an officer of the Company to his best knowledge and belief.

(b) Annual Report. The Company shall prepare and deliver or cause to be delivered to each Member, within eighty (80) days after the end of each fiscal year, an annual report for the Company containing the following:

(i) a balance sheet for the Company as of the end of such Year, and statements of income, Members' capital and statement of cash flows for the Company for such year;

(ii) a general description of the activities of the Company during the period covered by the report; and

(iii) a report of any transactions between the Company and any Member or Affiliates with respect thereto, including fees or compensation paid by the Company and the services performed by the Members or any Affiliates thereof for such fees or compensation.

The annual financial statements of the Company shall be audited (which audit shall be conducted in accordance with GAAP) and certified by the Accountants.

(c) Other Information. Forthwith upon request of any Member, the Company shall, at the cost and expense of the Company, furnish (or cause to be furnished) to each Member such information bearing on the financial condition and operations of the Company as any such Member may from time to time reasonably request. Upon obtaining knowledge thereof, the Company shall furnish to each Member prompt written notice of any events or occurrences not otherwise provided for in this Section 4.4 which may materially and adversely affect the Company.

4.5 Filing of Returns and Other Writings; Tax Matters Member.

(a) The Tax Matters Member shall cause the preparation and timely filing of all Company tax returns and shall, on behalf of the Company, timely file all other writings required by any governmental authority having jurisdiction to require such filing.

(b) Unless and until the Members shall otherwise direct by Determination of the Members, ATS will serve as the "tax matters partner" (as such term is defined in Section 6231(a)(7) of the Code, the "Tax Matters Member") for purposes of Section 6231 of the Code.

(c) The Company shall, to the fullest extent permitted by law, reimburse and indemnify the Tax Matters Member for all reasonable expenses, including reasonable legal and accounting fees, claims, liabilities, losses and damages incurred by the Tax Matters Member in connection with any administrative or judicial proceeding with respect to the tax liability of the Members.

(d) The provisions of this Section shall survive the termination of the Company or the termination of any Member's interest in the Company and shall remain binding on the Members for as long a period of time as is necessary to resolve with the Internal Revenue Service any and all matters regarding the Federal income taxation of the Company or the Members.

(e) The Members agree to file all tax returns in a manner consistent with all Company tax returns.

ARTICLE 5

ALLOCATIONS

5.1 Allocations of Profit and Loss.

(a) Profit. After giving effect to the special allocations set forth in Section 5.6 and taking into account any curative allocations in Section 5.7, Profit of the Company for each fiscal year or other period shall be allocated among the Members as follows:

(i) first, to the Members in the amounts and proportions necessary to reverse, on a cumulative basis and without duplication, all allocations of Loss to the Members pursuant to Section 5.1(b)(iii) over the life of the Company;

(ii) second, to the Members in the amounts and proportions necessary to reverse, on a cumulative basis and without duplication, all allocations of Loss to the Members pursuant to Section 5.1(b)(ii) over the life of the Company; and

(iii) the balance, to the Members in accordance with their Company Interests.

(b) Loss. After giving effect to the special allocations set forth in Section 5.6 and taking into account any curative allocations in Section 5.7, Loss of the Company for each fiscal year or other period shall be allocated among the Members as follows:

(i) first, to the Members in the amounts and proportions necessary to reverse, on a cumulative basis and without duplication, all allocations of Profit to the Members pursuant to Section 5.1(a)(iii) over the life of the Company;

(ii) second, to the Members with positive balances in their Capital Accounts, in accordance with their Company Interests until the Capital Accounts of all Members are reduced to zero; and

(iii) the balance, to the Members in accordance with their Company Interests.

5.2 Section 754 Election. Upon the request of any Member, the Company shall elect, pursuant to Section 754 of the Code, to adjust the basis of Company property as permitted and provided in Sections 734 and 743 of the Code. Such election shall be effective solely for Federal (and, if applicable, state and local) income tax purposes and shall not result in any adjustment to the Book Value of any Company asset or to the Members' Capital Accounts (except as provided in Treasury Regulations Section 1.704-1(b)(2)(iv)(m)) or in the determination or allocation of Profit or Loss for purposes other than such tax purposes.

5.3 Allocations for Tax and Book Purposes. Except as otherwise provided herein, any allocation to a Member for a fiscal year or other period of a portion of the Profit or Loss, or of a specially allocated item, shall be determined to be an allocation to that Member of the same proportionate part of each item of income, gain, loss, deduction or credit, as the case may be, as is earned, realized or available by or to the Company for Federal tax purposes.

5.4 Certain Accounting Matters. For purposes of determining Profit, Loss or any other items allocable to any period, Profit, Loss and any such other items shall be determined on a daily, monthly or other basis, as determined by the Managers using any permissible method under Section 706 of the Code and the Treasury Regulations promulgated thereunder.

5.5 Tax Allocations; Code Section 704(c). In accordance with Section 704(c) of the Code and the Treasury Regulations promulgated thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall, solely for income tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for Federal income tax purposes and its fair market value at the time of contribution. In the event that the Book Value of any Company asset is subsequently adjusted in accordance with the last sentence of the definition of Book Value, any allocation of income, gain, loss and deduction with respect to such asset shall thereafter take account of any variation between the adjusted tax basis of the asset to the Company and its Book Value in the same manner as under Section 704(c) of the Code and any Treasury Regulations promulgated thereunder. Any elections or other decisions relating to such allocations shall be made by the Managers in a manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this section are solely for purposes of Federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Members' Capital Account or share of Profit, Loss or distributions pursuant to any provision of this Agreement.

5.6 Compliance With Section 704(b).

(a) Qualified Income Offset. If any Member unexpectedly receives an adjustment, allocation or distribution described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) that causes the Member to have, or increases the amount of a Member's, deficit Adjusted Capital Account Balance, items of Company income and gain shall be specially allocated to such Member in accordance with the requirements of Regulations Section 1.704-1(b)(2)(ii)(d). This Section 5.6(a) is intended to comply with the qualified income offset provision of such Regulations Section, and shall be interpreted consistently therewith.

(b) Gross Income Allocation. If any Member would otherwise have a deficit Adjusted Capital Account Balance as of the last day of any fiscal year or other period, items of income and gain of the Company shall be specially allocated to such Member (in the manner specified in Section 5.6(a) hereof) so as to eliminate such deficit Adjusted Capital Account Balance as quickly as possible, provided that an allocation pursuant to this Section 5.6(b) shall be made only if and to the extent that such Member would have a deficit Adjusted Capital Account Balance after all other allocations provided for in this Agreement have been tentatively made as if this Section 5.6(b) were not in this Agreement.

(c) Limitation on Loss Allocations. No item of deduction or loss of the Company shall be allocated to a Member if such allocation would cause or increase a deficit Adjusted Capital Account Balance. In the event that some but not all of the Members would have deficit Adjusted Capital Account Balances as a result of an allocation of Loss pursuant to this Article 5, the limitation set forth in this Section 5.6(c) shall be applied on a Member by Member basis so as to allocate the maximum permissible Loss to each Member under Regulations Section 1.704-1(b)(2)(ii)(d).

(d) Minimum Gain Chargeback. Notwithstanding any other provision of this Article 5, if there is a net decrease in "partnership minimum gain" or "partner nonrecourse debt minimum gain" of the Company (as such terms are defined in Regulations Section 1.704-2) during any fiscal year or other period, prior to any other allocation pursuant hereto, items of Company income and gain for such fiscal year or other period (and, if necessary, for subsequent fiscal years or periods) shall be specially allocated among the Members in accordance with Regulations Sections 1.704-2(f) and (i). The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and (j)(2).

(e) Allocation of "Partner Nonrecourse Deductions". "Partner nonrecourse deductions" as defined in Section 1.704-2(i)(1) of the Treasury Regulations for any fiscal year or other period shall be specially allocated to the Members who bear the economic risk of loss for the "partner nonrecourse debt" to which such "partner nonrecourse deductions" are attributable, as provided in Section 1.704-2(i)(1) of the Treasury Regulations.

(f) Allocation of "Nonrecourse Deductions". "Nonrecourse deductions" as such term is defined in Section 1.704-2(b)(1) of the Treasury Regulations for any fiscal year or other period shall be allocated to the Members in accordance with their respective Company Interests.

5.7 Curative Allocations. The allocations set forth in Section 5.6 (the "Regulatory Allocations") are intended to comply with certain requirements of Sections 1.704-1(b) and 1.704-2 of the Treasury Regulations. The Regulatory Allocations may not be consistent with the manner in which the Members intend to divide Company Profits, Losses and similar items. Accordingly, Profits, Losses and other items will be reallocated among the Members (in the same year, and to the extent necessary, in subsequent years) in a

manner consistent with Treasury Regulation section 1.704-1(b) and 1.704-2 so as to prevent the Regulatory Allocations from distorting the manner in which Company Profits, Losses and other items are intended to be allocated among the Members pursuant to this Article 5.

ARTICLE 6

DISTRIBUTIONS

6.1 Distributions Other Than Proceeds of Any Liquidating Transaction. Subject to Section 18-607 of the Act, the Company shall distribute Cash Flow to each Member, on a monthly basis, in the following manner:

(a) first, up to thirty percent (30%) of Cash Flow to the Members in payment of any Member Loans in proportion to the outstanding balances of such Member Loans held by each Member (amounts so paid to be applied first to interest accrued and unpaid, and then to outstanding principal); and

(b) the balance, to the Members in accordance with their respective Company Interests at the time of distribution.

6.2 Proceeds of Any Liquidating Transaction. Upon the occurrence of any transaction (a "Liquidating Transaction") involving the sale or other disposition of all or substantially all of the assets of the Company, all proceeds resulting therefrom (and all cash available from any other source during the period of winding up of the Company) shall be applied as follows:

(a) first, to the payment of, or of the making of reasonable provisions for payment of, any debts or liabilities of the Company to creditors (other than Members as holders of Member Loans);

(b) second, to the Members in payment of any Member Loans in proportion to the outstanding balances of such Member Loans held by each Member (with amounts so paid to be applied first to interest and then to principal); and,

(c) the balance, to the Members in proportion to and to the extent of the positive balances of the Capital Accounts of the Members (after reflecting in such Capital Accounts all adjustments thereto necessitated by (i) all other Company transactions for the Fiscal Year of the Company in which such Liquidating Transaction occurs prior to or simultaneously with such Liquidating Transaction and (ii) such Liquidating Transaction).

It is understood and agreed that all payments under this Section shall be made as soon as reasonably practicable and in any event by the end of the Fiscal Year in which such Liquidating Transaction occurs or, if later, within ninety (90) days after the date of such Liquidating Transaction.

6.3 Liquidation of Member's Interest. Upon liquidation of a Member's interest in the Company, other than in connection with a Liquidating Transaction, liquidating distributions to such Member shall be made in accordance with Section 1.704-1(b)(2)(ii)(b)(2) of the Treasury Regulations.

ARTICLE 7

RIGHTS AND OBLIGATIONS OF MEMBERS

7.1 Limited Liability. Except as otherwise provided by the Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and the Members shall not be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a member of the Company. The Members shall not be required to lend any funds to the Company. Each of the Members shall only be liable to make payment of its respective contributions as and when due hereunder and other payments as expressly provided in this Agreement. If and to the extent a Member's contribution shall be fully paid, such Member shall not, except as required by the express provisions of the Act regarding repayment of sums wrongfully distributed to Members, be required to make any further contributions.

To the extent that, at law or in equity, any Affiliate of a Member or any manager, officer, stockholder, employee, agent or representative of a Member or such Affiliate has duties (including fiduciary duties) and liabilities to the Company or to the Members, no such Person shall be liable to the Company or to any Member for its good faith reliance on the provisions of this Agreement, including without limitation Section 7.4, which, in the event of any conflict with any such duties, shall govern.

7.2 Management and Control, Etc. Management and control of the Company shall be vested in the Members and all material decisions with respect to management, control, operation and disposition of the business and assets of the Company shall, except as otherwise specifically provided in this Agreement, be made by Determination of the Members.

There shall be established by the Members a Board of Managers of the Company (the "Board"), composed of five managers, designated as hereinafter set forth. The Board shall meet on a regular basis, not less frequently than quarterly, to review the operations of the Company, and any Determination of the Members, required or permitted to be taken under this Agreement may be accomplished by action of a majority of the managers (or, in the case of any Unanimous Determination of the Members, by action of all of the managers), either at a meeting of the Board or by written consent. The Board may also appoint a Chairman, President, one or more Vice Presidents, a Treasurer and a Secretary and such other officers as the Board shall deem appropriate, each of which officers may, to the extent provided by the Board, have the powers attendant to a similar officer of a Delaware corporation.

Each of ATS and CSD shall have the right, from time to time, to designate three managers and two managers, respectively, to the Board. Any manager may be removed, with or without cause, and a successor appointed at any time by the Member or Members responsible for designation of such manager and any Member entitled to do so may also designate one or more alternates to serve in the place of any manager designated by such Member who may temporarily be unavailable to act with respect to Company matters. In the event of any transfer by any Member or by any of its successors and assigns, of any interest in the Company in accordance with Article 8, (a) the assigning Member shall be deemed to have assigned its right to designate a manager or managers under this Section to its assignee in the event that such assignment is of the assignor's then entire interest as a Member of the Company and the assignee is admitted as a Member in accordance with Article 8, and (b) the assigning Member shall have the right to transfer its right to designate a manager, by express statement of exercise of such right in the applicable instrument of assignment; provided, however, that the assignee of such right is, or will be upon completion of such transfer, the holder of not less than ten percent (10%) of the Company Interests and the assignee is admitted as a Member in accordance with Article 8.

The Company shall pay the reasonable out-of-pocket expenses, including travel and lodging, of each manager (including any manager-alternate) acting in connection with the business of the Company.

From time to time upon request, the Company will furnish to each Member such information regarding the business, properties, financial condition and results of operation of the Company in such detail as may reasonably be requested; and the Company covenants and agrees that any authorized representative of any such Member shall have the right, reasonably exercisable, to visit and inspect any of the properties of the Company during normal business hours and in a manner so as to not interfere with the operations and business of the Company, to examine and to discuss their affairs, finances and accounts with, and be advised as to the same by, their officers, all at such reasonable times and intervals as such Member may reasonably request.

Notwithstanding anything to the contrary in this Agreement, the Company shall not take any of the following actions without first obtaining the Unanimous Determination of the Members, which approval shall be given or withheld at the absolute discretion of the Members:

(a) sell or exchange all or substantially all of the assets of the Company;

(b) issue any additional Company Interests, or admit the transferee of a Member's Company Interest as a substitute Member under Section 8.2 hereof;

(c) dissolve the Company, or continue the Company after its dissolution due to the withdrawal of a Member (or if there are none, of any Member) as provided in Section 9.1 hereof;

(d) merge or consolidate the Company with another business entity under the Act, unless the Members of the Company immediately prior to such merger or consolidation own not less than a majority of the voting interests in the survivor, whether or not the Company, of such merger or consolidation;

(e) file any voluntary petitions for the Company under Title XI of the United States Code, the Bankruptcy Act, or consent to the filing of any involuntary petition for the Company thereunder, or seek the protection of any other federal, state, bankruptcy or insolvency law or debtor relief statutes;

(f) borrow any funds other than in the ordinary course of business or if, as a result thereof, the aggregate principal amount of indebtedness of the Company outstanding would exceed seventy-five percent (75%) of the fair market value of the assets of the Company; or

(g) establish any extraordinary reserves (i.e., reserves other than those in the ordinary course of business which shall include, without limitation, those with respect to capital expenditures).

7.3 Evidence of Authority, Etc. Any Person dealing with the Company may rely on a certificate signed by any Member:

(a) as to who are the Members or managers, officers, employees or agents of the Company;

(b) as to the existence or nonexistence of any fact or facts which constitute conditions precedent to acts by the Members or any such manager, officer, employee or agent or in any other manner germane to the affairs of the Company;

(c) as to who is authorized to execute and deliver any instrument or document on behalf of the Company;

(d) as to the authenticity of any copy of this Agreement and amendments hereto;

(e) as to any act or failure to act by the Company or as to any other matter whatsoever involving the Company, any Member or any manager, officer, employee or agent; or

(f) as to the authority of any Member or any manager, officer, employee or agent or other Person to act on behalf of the Company.

7.4 Other Business, Etc. Except as hereinafter set forth in this Section (or in any separate agreement between the Company and any such Person), any Member and any Affiliate of a Member may engage in or possess an interest in other business ventures (unconnected with the Company) of every kind and description, independently or with others and none of the Company or the other Members shall have any rights in or to such independent ventures or the income or profits therefrom by virtue of this Agreement.

To the extent that, at law or in equity, any Affiliate of a Member or any director, officer, stockholder, employee, agent or representative of a Member or such Affiliate has duties (including fiduciary duties) and liabilities to the Company or to the Members, no such Person shall be liable to the Company or to any Member for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they expand or restrict the duties and liabilities of any such Person otherwise existing at law or in equity, are agreed by the Members to replace such other duties and liabilities of such Person.

Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, it is the intent and understanding of the Members, and each of ATS and CSD covenant and agree as follows:

(a) except as set forth in the Exceptions Schedule, all future acquisition of sites, whether in fee ownership, pursuant to a leasehold interest, or otherwise, for the construction of communication towers, and all future construction of communication towers, by CSD or any of its Affiliates will be offered to the Company and neither CSD nor any of its Affiliates will, directly or indirectly (as a stockholder, member, partner, trustee or otherwise) own, construct, operate, manage, finance or otherwise be involved with any communication towers, unless ATS shall have failed to approve the acquisition of site pursuant to the provisions of Section 3.2; and

(b) the Company will enter into a Management Agreement with ATS.

7.5 Indemnification. No Member, manager or officer of the Company shall be liable to any other Member or any other Person who has an interest in the Company for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Member, manager of officer in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on such Member, manager or officer by this Agreement, except that a Member, manager of officer of the Company shall be liable for any such loss, damage or claim incurred by reason of such Person's gross negligence or willful misconduct. To the full extent permitted by applicable law, a Member, manager or officer of the Company shall be entitled to indemnification from the Company for any loss, damage or claim by reason of any act or omission performed or omitted by such Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on it by this Agreement, except that no Member, manager or officer shall be entitled to be indemnified in respect of any loss, damage or claim incurred by it by reason of the Person's gross negligence or willful misconduct with respect to such

acts or omissions; provided, however, that any indemnity under this Section shall be provided out of and to the extent of Company assets only, and no Member shall have personal liability on account thereof.

7.6 Agreements with Affiliates. The Company may enter into agreements with any Member or Affiliate of a Member for the acquisition of property or rendition of services, provided that the acquisition of such property from, or the rendition of such services by, such Member or Affiliate has previously been approved by a Unanimous Determination of the Members. The affected Member shall in each case disclose in advance the existence of any such affiliation to the other Members.

7.7 Payment of Expenses; Compensation. Promptly following the Effective Date, or as the Members may, by Determination of the Members, otherwise agree, the Company shall reimburse each Member for such reasonable fees and costs incurred and reasonable out-of-pocket expenditures relating to the formation of the Company and the preparation of the associated documentation as may have been approved by a Determination of the Members. Except as expressly set forth in this Agreement, or as otherwise approved by a Determination of the Members, no Member or manager shall receive any compensation for performing its duties hereunder.

ARTICLE 8

TRANSFERS OF INTERESTS, ETC.

8.1 Consent Required. Except as otherwise contemplated by Section 8.2 or as permitted by the succeeding paragraphs of this Section, no Member shall suffer or permit any transfer, whether direct or indirect, voluntary or involuntary, of all or any portion of such Member's Company Interest without an approval given by Determination of the Members representing a majority of the Company Interests held by the non-transferring Members, which approval may be given or withheld by the non-transferring Members in their sole and absolute discretion. Notwithstanding the foregoing, a Member may, without the approval of the other Members, transfer an economic Company Interest pursuant to a Permitted Transfer, in which event the assignee shall be entitled to the share of Profit or Loss and any distribution or return of Capital Contributions and any credit or other item properly allocable to the Company Interest to be transferred. However, unless and until any such transfer of an economic interest shall have been approved by a Determination of the Members representing a majority in interest of the Company Interests held by the non- transferring Members, which approval may be given or withheld by the non-transferring Members in their sole and absolute discretion, the assignee shall not be entitled to be admitted as a Member of the Company and the assignor shall continue as a Member of the Company for all other purposes of this Agreement. In addition, any assignee of an economic Company Interest pursuant to the foregoing provisions of this paragraph who has not been admitted as a Member may further assign such interest provided that such assignment is carried out in accordance with and subject to the provisions of this Article, in all respects as if or with the same effect as if such assignee were a Member.

The foregoing provisions of this Section shall not be deemed to restrict any transfer of an interest in ATS or CSD, except as otherwise specifically provided.

Anything in this Section 8.1 or elsewhere in this Agreement to the contrary notwithstanding, ATS may, without the approval of the other Members, pledge all or any portion of its interests to one or more banks or other financial institutions pursuant to any bona fide borrowing arrangements, which, upon foreclosure, shall succeed to the interest of ATS and may become a Member without the consent of any other Member being required.

8.2 Right of First Refusal.

(a) If any Member (the "Offeror") desires, at any time, to transfer all or any part of its Company Interest other than as permitted by Section 8.1 or other than pursuant to a Permitted Transfer, it shall submit to the other Members (the "Offerees") a true copy of an offer to purchase such Company Interest (the "Offer"), which shall in any event disclose the price and terms of such proposed sale and the name and address of the proposed purchaser. The Offerees shall have the absolute right to purchase such Company Interest upon the terms and conditions as set forth in the Offer. Each Offeree shall, within thirty (30) days of such receipt, specify in a notice to the Offeror whether or not it desires to accept the Offer, and upon acceptance of the Offer, the same shall constitute a binding agreement of purchase and sale between the parties. Failure to send such notification within thirty (30) days shall constitute an election to reject the Offer. The Offeror may sell its Company Interest, to the extent the Offer was not so accepted, to the proposed purchaser whose name and address were disclosed in the Offer, but only upon the same terms and conditions set forth therein and within sixty (60) days after the expiration of said thirty (30) day period during which the Offeree had the right to accept the Offer; otherwise, any such sale shall be null and void and of no force or effect whatever.

(b) In the event that two or more of the Offerees desire to accept any Offer, and if such Offerees are unable to agree among themselves as to the apportionment thereof, each accepting Offeree shall be entitled to acquire a portion of the offered Company Interest based upon the ratio which the Company Interest of each such accepting Offeree bears to the aggregate Company Interests of all such accepting Offerees.

(c) No Offeree shall have any obligation, by reason of acceptance or rejection of any Offer pursuant to this Section to compensate any broker retained by any Offeror or third party with respect to any proposed transfer of an Company Interest.

(d) Each Member shall use reasonable efforts to keep the other Members apprised with respect to any inquiries or proposals regarding the sale of such Member's Company Interest.

8.3 Buy/Sell. A Member (for purposes of this Section the "Initiating Member") may (a) in the event that there shall be a transfer of majority ownership or control of CSD to any Person in competition with the Company, at any time within ninety (90) days after receipt of notice of such transfer of ownership or control (in which event only another Member may be the Initiating Member), or (b) in the event an Act of Bankruptcy occurs with respect to a Member (in which event only another Member may be the Initiating Member), by notice to the other Members (for purposes of this Section, "Other Members") require the Other Members to elect either to sell their respective entire Company Interests and any Member Loans to the Initiating Member or to purchase the entire interest of the Initiating Member in the Company and any Member Loans for a price computed by reference to an amount stated in the Initiating Member's notice (the "Stated Amount"). The purchase price shall equal the amount such Member would receive as a distribution from the Company in respect of such Member's Company Interest and in repayment of any Member Loans if (i) all of the assets of the Company were sold on the closing date under this Section for the Stated Amount, (ii) the Company were dissolved in accordance with Section 9.1, and (iii) the proceeds of sale were applied in accordance with Section 9.3, it being understood that the applicable purchase price for such Company Interest and Member Loans shall be determined by the affected Members if they can agree upon the same within ten (10) days prior to the closing date and otherwise the same shall be determined on such date by the Accountants (with any such determination by the Accountants to be binding upon all Members in the absence of manifest error). Each of the Other Members shall have thirty (30) after receipt of the Initiating Member's notice within which to elect whether he shall buy the Initiating Member's Company Interest and Member Loans or sell his Company Interest and Member Loans based upon the Stated Amount. If any of the Other

Members fails to make an election within such period, he shall be deemed to have elected to sell his Company Interest and Member Loans to the Initiating Member.

The closing pursuant to this Section shall occur on the sixtieth (60th) day after the election (or deemed election) to purchase or sell has been made, or at such earlier date as the purchasing Member(s) may specify on ten (10) days prior written notice; provided, however, that each of the following (unless and except to the extent waived by the purchasing Member(s)) shall be a condition of the obligation of the purchasing Member(s) to proceed with any such purchase: (a) that the Company shall have continued to be operated in accordance with this Agreement in all material respects through the date of sale, (b) that the purchasing Member(s) shall have obtained all lender and other third-party consents, if any, required in connection with such sale, and (c) that there shall be no suit, action or proceeding pending on the date of sale before or by any court or governmental body seeking to restrain or prohibit, or material damages or other relief in connection with, the sale; provided further, however, the Company shall agree to indemnify and hold harmless the seller(s) with respect to all Company obligations, whether arising before or after the date of such sale (other than any such obligations resulting from any breach of this Agreement by a selling Member).

The Company Interest and any applicable Member Loans shall be purchased and the purchase price shall be paid at a closing to be held at the principal business office of the Company. At the closing the Company Interest and Member Loans shall be duly conveyed, free of all liens and encumbrances on the same and the purchase price shall be paid by wire transfer of immediately available Federal funds. At the election of the purchasing Member(s), the Company Interest and the Member Loans to be purchased may be acquired in the name of one or more nominees (whether or not any such nominee is an Affiliate of a purchasing Member), provided, however, that any such nominee is designated by written notice given at least five (5) days prior to the date of Closing.

Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, (a) in the event one, but not all, of the Other Members shall elect to purchase the Initiating Member's Company Interest and Member Loans, such election shall take precedence over any election to sell Company Interests and Member Loans to the Initiating Member and any such elections to sell shall be deemed to be an election to sell such Company Interests and Member Loans to the Other Members who have elected to purchase the Company Interests and Member Loans of the Initiating Member, (b), such purchasing Other Members shall have the right but not the obligation to purchase the Company Interests and Member Loans of the non- purchasing Other Members and, after the closing under this Section, the purchasing Other Members and, in the event the purchasing Other Members do not elect to purchase all of the Company Interests and member Loans of the nonpurchasing Other Members, the non-purchasing Other Members shall continue the Company in accordance with this Agreement, and (c) if one or more of the Other Members elect to purchase the Company Interest and Member Loans of the Initiating Member and are unable to agree among themselves as to apportionment thereof, each Other Member shall be entitled to acquire a portion of the Initiating Member's Company Interest and Member Loans based upon the ratio which the Company Interest of each such Other Member bears to the aggregate Company Interests of all of the purchasing Other Members. In no event shall the purchasing Other Members be entitled to purchase less than all of the Company Interest and Member Loans of any nonpurchasing Other Member unless such nonpurchasing Other Member so agree in writing, it being understood, however, that the purchasing Other Members may elect to purchase Company Interests and Member Loans from some but not all of the nonpurchasing Other Members.

In the event of the failure of a selling Member to proceed with the sale of its Company Interest and Member Loans at the closing as herein provided (other than any failure by reason of the non-occurrence of any condition to such sale herein provided), the same shall constitute a default by such Member under this Agreement and any purchasing Member shall be entitled to pursue any and all remedies available under this Agreement or at law or equity, including specific performance. In the event of the failure of a purchasing

Member (or its nominee) to proceed with the purchase of a Company Interest and Member Loans at the closing as herein provided (other than because a condition to such Member's obligation to make such purchase has not been satisfied), each selling Member may elect, by written notice given to the purchasing Member within thirty (30) days after the date of such failure, either (a) to cause the purchasing Member to sell its Company Interest and Member Loans to such selling Member (or its nominee) at a purchase price for such Company Interest which is ten percent (10%) less than the price which the defaulting purchasing Member would have received if it had initially agreed to sell its Company Interest at a price determined by reference to the Stated Amount or (b) to pursue any and all remedies available under this Agreement or at law or in equity, including specific performance. If a selling Member elects within the aforesaid thirty (30) day period to cause such defaulting purchasing Member to sell the Company Interest and Member Loans, the closing shall occur on the sixtieth (60th) day after the election to purchase has been given, or at such earlier date as the electing Member may specify on ten (10) days prior written notice; provided, however, that it shall be a condition of the electing Member's obligation to proceed, in the case of the electing Member as buyer, that the conditions set forth in the second paragraph of this Section are satisfied and, in the case of the former purchasing Member as seller, that the conditions set forth in the immediately preceding paragraph are satisfied.

8.4 CSD Right/Obligation of Exchange. In conjunction with the initial public offering of the common stock of ATS (the "ATS IPO") (including an initial public offering which takes the form of a merger with an existing publicly traded company), CSD shall have the right, and ATS shall have the right to require CSD, to exchange all but not less than all of CSD's Company Interest for shares of common stock of ATS (of the class which is the subject of the ATS IPO, the "ATS Common Stock") on the terms and subject to the conditions of this Section. ATS agrees that it shall give prompt written notice (which notice shall include the estimate initial public offering price or the range thereof and whether ATS has elected to require CSD to exchange its Company Interest for shares of ATS Common Stock pursuant to the provisions of this Section) to CSD of its determination to proceed with the ATS IPO. In the event ATS shall not have elected to require CSD to exchange its Company Interest for shares of ATS Common Stock pursuant to the provisions of this Section, CSD shall have the right, exercisable within twenty (20) days of receipt of such notice, to elect to exchange all but not less than all of its Company Interest for shares of ATS Common Stock. Failure of CSD to deliver a timely notice of election to so exchange its Company Interest shall be deemed to be an election not to exchange its Company Interest.

In the event CSD elects to exchange its Company Interest, ATS and CSD shall attempt in good faith to agree upon a fair market value for CSD's Company Interest. In the event ATS and CSD are unable to agree upon such value within ten (10) days, CSD shall have the right, but not the obligation, to submit such matter to appraisal in accordance with the provisions of this Section. In the event ATS and CSD agree on such fair market value or CSD elects to submit such matter to appraisal, ATS and CSD shall be obligated to effect the exchange and shall be conclusively bound to effect such exchange based on the results of the appraisal. In the event CSD shall have elected not to submit, or shall have failed within such ten (10)-day period to have submitted, such matter to binding appraisal in accordance with the provisions of the preceding sentence, it shall not have any further right to exchange its Company Interest for shares of common stock of ATS, except as otherwise provided in the last paragraph of this Section. Any appraisal of the fair market value of the Company Interest of CSD shall be made by the managing underwriter of the ATS IPO (or, in the event the ATS IPO shall be pursuant to a merger, by an investment banker knowledgeable in the communications tower business mutually reasonably acceptable to ATS and CSD or, in the absence of such agreement, by Credit Suisse First Boston). The number of shares of ATS Common Stock to be issued in exchange for the Company Interest of ATS shall be determined by dividing the fair market value of CSD's Company Interest (as agreed upon by ATS and CSD or as determined by appraisal) by the amount paid by the underwriters to ATS (or the selling stockholders in the event ATS does not sell any shares pursuant

thereto) in the ATS IPO (or the closing price of the common stock of the party to the merger agreement on the date the merger agreement is executed).

To the extent permitted by the Code, ATS will use its reasonable business efforts to effect the exchange of CSD's Company Interest for shares of ATS Common Stock pursuant to a tax-free reorganization under the Code so long as doing so does not subject ATS or its subsidiaries or stockholders to any risk of tax in connection with the exchange or any related transactions.

CSD hereby appoints ATS as its agent and attorney-in-fact, which appointment is coupled with an interest, and is irrevocable, for purposes of executing and delivering all such agreements, instruments and documents necessary or desirable in order to effectuate the provisions of this Section, including without limitation the right and power to transfer the Company Interest of CSD to ATS in accordance with the provisions of this Section, all in the event CSD has elected to proceed with the exchange of its Company Interest for shares of ATS Common Stock pursuant to the provisions of this Section.

In the event CSD shall have elected or been deemed to have elected not to exchange its Company Interest for shares of ATS Common Stock pursuant to the ATS IPO and ATS subsequently determines not to proceed with such ATS IPO or such ATS IPO is withdrawn or is otherwise not consummated, CSD shall have the rights set forth in this Section upon any subsequent determination of ATS to proceed with the ATS IPO.

8.5 Obligations and Rights of Transferees and Assignees. Any Person who acquires in any manner whatsoever the interest (or any part thereof) of any Member in the Company, irrespective of whether such Person has accepted and assumed in writing the terms and provisions of this Agreement, shall be deemed, by acceptance of the benefit of the acquisition thereof, to have requested and agreed to be subject to and bound by all of the obligations of this Agreement, with the same force and effect as any predecessor in Company Interest, shall have only such rights as are provided in this Agreement, and, without limiting the generality of the foregoing, such Person shall not have the value of his interest ascertained or receive the value of such interest, or, in lieu thereof, profits attributable to any right in the Company, except as set forth in this Agreement.

8.6 Non-Recognition of Certain Transfers. Notwithstanding any other provision of this Agreement, any transfer, sale, alienation, assignment, encumbrance or other disposition in contravention of any of the provisions of this Article shall be void and ineffective, and shall not bind, or be recognized by, the Company.

8.7 Required Amendments; Continuation. If and to the extent any transfer of a Company Interest is permitted hereunder and the transferee is admitted as a Member, this Agreement shall be amended to reflect such admission or transfer and the elimination of the transferor Member and (if and to the extent then required by the Act) a certificate of amendment to the Certificate reflecting such admission and elimination shall be filed in accordance with the Act. The admission of any substitute Member pursuant to this Article shall be deemed effective immediately prior to the transfer of a Company Interest to such substitute Member. If the transferor Member has transferred all of its Company Interest pursuant to this Article, then, immediately following such transfer, the transferor Member shall cease to be a member of the Company.

8.8 Resignation. No Member shall have the right to resign from the Company without the prior written consent of the other Members.

ARTICLE 9

TERMINATION

9.1 Events of Dissolution.

(a) In accordance with Section 18-801 of the Act, the Company shall be dissolved and the affairs of the Company wound up upon the occurrence of any of the following events:

(i) a Unanimous Determination of the Members to dissolve the Company; or

(ii) death, retirement, resignation, expulsion, bankruptcy or dissolution of a Member or the occurrence of any other event which, pursuant to the Act, terminates the continued existence of a Member in the Company, unless, if there is more than one Member remaining, the business of the Company is continued by the consent of all the remaining Members within ninety (90) days following the occurrence of any such event; or

(iii) the sale, transfer or other disposition of all or substantially all of the business and assets of the Company; or

(iv) in any event, at 12:00 midnight on December 31, 2047.

(b) Dissolution of the Company shall be effective on the day on which the event occurs giving rise to the dissolution, but the Company shall not terminate until the assets of the Company shall have been distributed as provided herein and a certificate of cancellation of the Company has been filed with the Secretary of State of the State of Delaware.

(c) If as a result of the occurrence of any event described in Section 9.1(a)(ii), a Member is the only remaining member of the Company, to the fullest extent permitted by the Act, such Member shall have the right to admit a Person as a new member of the Company, effective as of the date of the occurrence of the event set forth in Section 9.1(a) (ii), on terms satisfactory to such remaining Member. Upon such admission, the Members are hereby authorized to, and shall, continue the business of the Company without dissolution.

9.2 Application of Assets. In the event of dissolution, the Company shall conduct only such activities as are necessary to wind up its affairs (including the sale of the business and assets of the Company in an orderly manner), and the assets of the Company shall be applied in the manner, and in the order of priority, set forth in Section 6.2.

9.3 Distributions in Liquidation. No Member shall have the right to request or require the distribution of the assets of the Company in kind upon the liquidation of the Company.

ARTICLE 10

MISCELLANEOUS

10.1 Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express mail, or by recognized courier service, postage prepaid, (b) sent by telex, telegram, telecopy or other form

of rapid transmission, confirmed by mailing (by first class or express mail, or by recognized courier service, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which if other than an individual shall be an officer or other responsible party of the receiving party). All such notices and communications shall be mailed, sent or delivered as set forth on the Member Schedule (including any copies shown thereon) or to such other address (within the United States of America) as any party may have designated for itself by written notice to the others in the manner herein prescribed, except that notices of change of address shall be effective only upon receipt. All notices, demands, and requests to be sent hereunder shall be deemed to have been given for all purposes of this Agreement upon the date of receipt or refusal.

10.2 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach.

10.3 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely any Member, the Members shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Members as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that such intent is fulfilled to the maximum extent possible.

10.4 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the Members. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

10.5 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

10.6 Title to Company Property. All property owned by the Company, whether real or personal, tangible or intangible, shall be deemed to be owned by the Company as an entity, and no Member, individually, shall have any ownership of such property. The Company may hold any of its assets in its own

name or in the name of its nominee, which nominee may be one or more individuals, partnerships, trusts or other entities.

10.7 Governing Law. In the event of a conflict between any provision of this Agreement and any non-mandatory provision of the Act, the provision of this Agreement shall control and take precedence. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of Delaware applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action.

10.8 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

10.9 Entire Agreement. This Agreement (together with the Member Schedule) constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof.

10.10 Assignment. This Agreement shall not be assignable by any Member, except as otherwise provided in Section 8.1, and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

10.11 Parties in Interest. To the extent that any deficiency for state, local, or federal income taxes which may be established against Company for any year ended on or prior to December 31, 1997, is occasioned by a determination by the Internal Revenue Service or state or local departments of revenue that any increase in income for the year gives rise to a deduction or deductions from ordinary income of Company in the same aggregate amount for a subsequent taxable year or years, such deficiency shall be assumed by Purchaser and shall not be a breach of any of Company or Shareholders' warranties, representations and covenants in this Agreement.

liability arising out of the transfer or assignment to ATS of, or the use or enjoyment of the benefits by ATS under, any Contract, Governmental Authorization or Private Authorization the transfer or assignment of which (according to Section 2.2(c) of the Diablo Disclosure Schedule or according to the terms of such Government Authorization or Private Authorization) requires or may require the consent of any Authority or other third party (collectively, the "Nonassignable Contracts"), if ATS has, on or prior to the Closing Date, notified Diablo in writing (an "Acceptance Notice") that ATS consents to the transfer or assignment of such Nonassignable Contract despite the failure or inability of ATS and Diablo to obtain the approval or consent of an Authority or other Person whose approval or consent is required pursuant to the terms of such Nonassignable Contract, or receives the benefits of such Nonassignable Contract, in either of which events, if the approval or consent of an Authority or other Person applicable to transfer of such Nonassignable Contract is required to be obtained as a condition to ATS' obligations at Closing pursuant to the provisions of Section 6.1(a), 6.2(d) or 6.2(m), ATS shall be deemed to have waived such condition with respect to such Nonassignable Contract. With respect to any Nonassignable Contract for which the applicable consent of any Authority or other Person is not obtained prior to the Termination Date and for which ATS does not timely deliver an Acceptance Notice as described in the preceding sentence, Diablo and ATS shall enter into an agreement reasonably acceptable to each party which agreement shall to the maximum extent feasible provide ATS with the rights, benefits and obligations under such Nonassignable Contracts. The term "ATS Assumed Vacation Liability" shall mean the liability for Diablo employees with respect to accrued vacation (or payment in lieu thereof), whether accrued before or after the Closing subject to the following limitations and/or qualifications: (i) accrued vacation for all Diablo Employees who are retained by Diablo after the Closing will be the sole responsibility of Diablo; (ii) accrued vacation for any Diablo Employee who elects to resign prior to close, for reasons other than the sale to ATS, or whom Diablo chooses to terminate with or without cause, other than by reason of the sale to ATS, will be the sole responsibility of Diablo; (iii) accrued vacation for Diablo Employees who terminate at Closing and who are either not rehired by ATS or who choose not to be employed by ATS will be the sole responsibility of ATS; (iv) accrued vacation, to the time of close, for employees who are terminated by Diablo but rehired by ATS who terminate their employment with ATS but who ATS wishes to remain as an employee, will be the responsibility of Diablo; any accrued vacation after Closing for such employees will be the responsibility of ATS; and (v) accrued vacation for any employee terminated by Diablo, rehired by ATS and subsequently terminated by ATS, as well as accrued vacation for any employee who is terminated by Diablo prior to close at the request of ATS, will be the sole responsibility of ATS. The term "ATS Accrued Sick Time Liability" shall mean the liability with respect to accrued sick time (as provided in the applicable Diablo Benefit Arrangement or Plan), accrued on or before the Closing of Diablo Employees who become employees of ATS after the Closing. Although ATS has not had an opportunity to complete its evaluation of the Diablo employees, except for the employees being retained by Diablo, it is the current intention of ATS to hire initially all of the current Diablo employees at positions and compensation generally comparable to those currently in effect, subject, however, to the right of ATS, upon completion of its evaluation and to its determination of the overall needs of ATS, particularly in light of its general staffing patterns and of other pending or prospective acquisitions of comparable businesses in the state of California, not to offer such employment to certain of the Diablo employees or to alter the terms of such employment, including the positions and compensation. In no event shall the expression of ATS' current intention be deemed to be a covenant or agreement of ATS to so employ any particular current Diablo employee and no rights to employment by any particular current Diablo employee shall be created hereby.

(d) Notwithstanding anything contained in this Agreement to the contrary, except as set forth in Section 2.2(d) of the Diablo Disclosure Schedule, all items of income and expense (including without limitation with respect to rent, utility charges, Pro Ratable Taxes and wages and salaries) arising from the ownership or operation of the Diablo Assets or the conduct of the Diablo Business shall be prorated as of 12:01 a.m., Pacific time, on the Closing Date, with Diablo entitled to and responsible for any such items on or prior to the Closing Date and ATS entitled to and responsible for any such items relating to any subsequent

period. For these purposes, Pro Ratable Taxes attributable to a period that begins before and ends after the Closing Date shall be treated on a "closing of the books" basis as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the Diablo Disclosure Schedule, within sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, Diablo and ATS shall, within the following ten (10) days, jointly designate a nationally known independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by Diablo and ATS. Such firm shall report its conclusions as to such items and other adjustments pursuant to this Section and such report shall be conclusive on all parties to this Agreement and not subject to dispute or review. Upon such agreement or determination by such independent accounting firm, Diablo or ATS, as the case may be, shall promptly reimburse the other party for any income received or expenses paid by the other party and not previously reimbursed or any other adjustment required by this Section. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, ATS shall be solely responsible for the payment of, and shall defend, indemnify and hold harmless Diablo, its officers, directors and shareholders from, any and all supplemental or additional real property or personal property taxes assessed on or in connection with the Diablo Assets or any part thereof, which arise from the transactions contemplated by this Agreement, with respect to California or other sales and/or use taxes, and documentary or governmental transfer or stamp taxes arising from the purchase and sale of the Diablo Assets and the Diablo Business contemplated hereby.

Nothing contained in this Section 2.2(d) is intended or shall be deemed to amend or modify the indemnification provisions of Article 8 nor to reallocate responsibility for the matters set forth therein.

2.3 Closing; Purchase Price. The closing of the Transactions (the "Closing") shall take place at Cooper, White & Cooper, 1333 North California Boulevard, Suite 450, Walnut Creek, CA 94596, at 10:00 a.m., local time, on or before September 30, 1997, (the "Closing Date"). At the Closing, each of the parties shall deliver such bills of sale, assignments, assumptions of liabilities, opinions and other instruments and documents as are described in this Agreement or as may be otherwise reasonably requested by the parties and their respective counsel. The purchase price for the Diablo Assets and the Diablo Business (the "Purchase Price") shall be an amount equal to $40,500,000, plus an amount equal to the sum of the Interim Adjustment and Prepaid Expenses and deposits and minus an amount equal to the sum of (i) the Diablo Nonassumed Obligations, if any, which ATS agrees to assume at the request of Diablo and (ii) Prepaid Revenues. The term "Interim Adjustment" shall mean an amount equal to the aggregate amount actually incurred by Diablo from and after November 1, 1996 and prior to the Closing Date with respect to the completion of construction projects and site development projections (a) described in Section 2.3 of the Diablo Disclosure Schedule or (b) acquired after the date of this Agreement in accordance with the provisions of this Agreement, including without limitation Section 5.6, and capital improvements to, but not personnel costs, maintenance or other expenses items of, existing communication sites, in all cases, which ATS shall have approved in writing prior to their incurrence or commitment by Diablo. Section 2.3(a) of the Diablo Disclosure Schedule sets forth a description of the items constituting a part of the Interim Adjustment for the period ended as of a date not more than five (5) days prior to the date of this Agreement. The Purchase Price shall be payable by (a) delivery and cancellation of the Interim Financing Note and the Additional Compensation Certificates (as defined in the Note Agreement) (valued for such purposes at an amount equal to the unpaid principal amount of the Interim Financing Notes, plus accrued and unpaid interest to the Closing Date), (b) ATS instructing the Escrow Agent to deliver the Escrow Deposit (together with interest and other increments thereto) to

Diablo, (c) crediting against the Purchase Price amounts paid by ATS pursuant to the amendment included as part of the Letter of Intent, and, the balance, (d) wire transfer of immediately available funds (i) to the Indemnity Escrow Agent (or as it may designate) pursuant to the provisions of the Indemnity Escrow Agreement in the amount of $900,000 (together with interest and earnings thereon, the "Indemnity Escrow Fund") and (ii) to Diablo or, to the extent provided in Section 2.5, the "qualified intermediary" designated pursuant to the provisions of Section 2.5, for the balance of the Purchase Price to such account (or accounts) as Diablo shall designate in written instructions to ATS delivered not later than two (2) business days prior to the Closing.

Although the parties believe that the value of the tangible personal property (other than goodwill, Governmental Authorizations, Private Authorizations and Contracts) constituting a part of the Diablo Assets approximate their depreciated book value, ATS shall have the right, at its sole discretion, to engage BIA Consulting, Inc. to promptly after the execution of this Agreement conduct and use its reasonable best efforts to complete, within forty-five (45) days, an appraisal of the Diablo Assets which shall be the basis for an allocation schedule (the "Tax Allocation Schedule") pursuant to which the Purchase Price shall be allocated among the Diablo Assets. Such appraisal shall be conducted in a manner which does not interfere with or inconvenience in any material matter any of the landlords or tenants at any of Diablo's sites and shall not, in any event, affect the Purchase Price. The cost of such appraisal, if undertaken, shall be borne by ATS. Each of Diablo and ATS shall report the purchase and sale of the Diablo Assets and the Diablo Business and the other Transactions in accordance with the Tax Allocation Schedule for purposes of all federal, state and local Tax Returns and shall not take, and shall cause their respective Affiliates, representatives, successors and assigns not to take, any position on any federal, state or local Tax Return or report, inconsistent with such reporting position. Each of Diablo and ATS shall promptly give the other notice of any disallowance of or challenge to such reporting by any Taxing Authority. Notwithstanding the provisions of this Section, the parties to this Agreement will rely solely on their own advisors in determining the tax consequences of the transactions contemplated by this Agreement and each party is not relying, and will not rely, on any representations or assurances of any other party regarding such consequences other than the representations, warranties, covenants and agreements set forth in writing in this Agreement or furnished pursuant to the provisions hereof.

2.4 Accounts Receivable. At the closing, Diablo shall appoint ATS its agent for the purpose of collecting all Accounts Receivable relating to the Diablo Business. Diablo shall deliver to ATS on or as soon as practicable after the Closing Date a complete and detailed statement showing the name, amount and age of each Accounts Receivable of the Diablo Business. Subject to and limited by the following, revenues relating to the Accounts Receivable relating to the Diablo Business will be for the account of Diablo. ATS shall use its reasonable business efforts to collect the Accounts Receivable with respect to the Diablo Business for a period of one hundred eighty (180) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is an Accounts Receivable with respect to the Diablo Business shall first be applied in reduction of the Accounts Receivable, unless the customer contests in writing the validity of such application. During the Collection Period, ATS shall furnish Diablo with a list of, and pay over to Diablo, the amounts collected with respect to the Accounts Receivable with respect to the Diablo Business on a monthly basis and forward to Diablo, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to Accounts Receivable. ATS shall provide Diablo with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually and in good faith analyze any uncollected Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Accounts Receivable. As to each such Accounts Receivable, the parties shall negotiate a good faith value of such Accounts Receivable, which ATS shall pay to Diablo if ATS, in its sole discretion, chooses to retain such Accounts Receivable. Diablo shall retain the right to collect any of its Accounts Receivable as to which the parties are unable to

reach agreement as to a good faith value, and ATS agrees to turn over to Diablo any payments received against any such Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Accounts Receivable assigned to it for collection hereunder or to refer any of such Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Accounts Receivable, except with the approval of Diablo. ATS shall not incur any liability to Diablo for any uncollected account unless ATS shall have engaged in willful misconduct or gross negligence in the performance of its obligations set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither Diablo nor its agents shall make any direct solicitation of the Accounts Receivable for collection purposes, except for Accounts Receivable retained by Diablo after the Collection Period. The provisions of this Section shall not apply to those certain Accounts Receivable set forth in Section 2.4 of the Diablo Disclosure Schedule or to any other Accounts Receivable which Diablo, in its sole business judgment, determines will require extraordinary collection efforts or referrals to a collection agency or attorney for collection (collectively, the "Retained Accounts Receivable"), provided the Retained Accounts Receivable are set forth in a written notice delivered to ATS by Diablo on or prior to the Closing Date. Diablo shall retain the sole and exclusive right to collect, whether during or after the Collection Period, all Retained Accounts Receivable, as Diablo in its sole discretion may determine.

2.5 Like-Kind Exchanges. Diablo shall have the right, but not the obligation, to effect the transfer and conveyance of the Diablo Assets, in whole or in part, as part of one or more exchanges under Section 1031 of the Code, including the delay in Closing of escrow for those Assets subject to the exchange. If Diablo so elects, it shall provide notice to ATS of its election (the "Like-Kind Notice"), setting forth in reasonable detail which portion or portions of the Diablo Assets are to be so treated. In such event, Diablo (i) may at any time at or prior to Closing assign its rights, in whole or in part, under this Agreement with respect to such Diablo Assets to a "qualified intermediary" as defined in Treas. Reg. (S) 1.1031(k)-1(g)(4), subject to all of the rights and obligations hereunder of ATS, and (ii) shall promptly provide written notice of such assignment to ATS. No such assignment shall, however, relieve Diablo of its obligations under this Agreement. If Diablo shall have given a Like-Kind Notice, ATS shall (i) promptly provide Diablo with written acknowledgment of such notice, (ii) at the Closing, convey the Purchase Price for the Diablo Assets (or such portion of them as shall have been designated in writing by Diablo) to the "qualified intermediary" rather than to Diablo (which conveyance shall, to such extent, discharge the obligation of ATS to deliver such Purchase Price (or portion thereof), and (iii) at the request of Diablo extend the closing of escrow for all or a portion of those assets subject to the Like-Kind Notice for a period not to exceed one year. Should the closing for any Like-Kind Notice properties be so extended, Diablo and ATS shall enter into an agreement reasonably acceptable to each party which agreement shall, to the maximum extent feasible, provide ATS with the rights, benefits, and obligations for any Like-Kind Notice property for which the closing is so extended. Without limiting the generality of the foregoing, Diablo and ATS shall promptly after receipt by ATS of the Like-Kind Notice, negotiate in good faith in order to determine the portion of the Purchase Price attributable to the Diablo Assets which are to be the subject of like-kind exchange and, in the event they are unable to so agree on such amount, it shall be determined by arbitration in accordance with the provisions of Section 9.15 and not materially inconsistent with the appraisal undertaken pursuant to Section 2.3. If such determination has not been made on or prior to the Closing, ATS shall transfer to the "qualified intermediary" the amount proposed by Diablo in the Like-Kind Notice, subject to an agreement by the "qualified intermediary" to remit to Diablo the excess, if any, of the amount so transferred over the amount as finally determined by the arbitrator.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF DIABLO

Diablo hereby represents, warrants and covenants to, and agrees with, ATS as follows:

3.1 Organization and Business; Power and Authority; Effect of Transaction.

(a) Diablo is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, has all requisite power and authority (corporate and other) to own or hold under lease its properties and to conduct its business as now conducted.

(b) Diablo has all requisite corporate power and corporate authority and has in full force and effect all Governmental Authorizations (which, for purposes of this Section 3.1(b), relate only to the sale of the Diablo Assets and Diablo Business generally and not to "site-specific" Governmental Authorizations or those required by local Applicable Law) and Private Authorizations, except for those set forth in Section 3.1(b) of the Diablo Disclosure Schedule or those the failure of which to obtain do not and will not have, individually or in the aggregate, any material adverse effect on ATS, necessary to enable it to execute and deliver, and to perform its obligations under, this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions; and the execution, delivery and performance of this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto have been duly authorized by all requisite corporate or other action on the part of Diablo. This Agreement has been duly executed and delivered by Diablo and constitutes, and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions when executed and delivered by Diablo will constitute, legal, valid and binding obligations of Diablo, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity.

(c) Except as set forth in Section 3.1(c) of the Diablo Disclosure Schedule, and except for matters which would have no material adverse effect on ATS, neither the execution and delivery by Diablo of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by Diablo of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by Diablo:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of Diablo or any Applicable Law (which, for purposes of this Section 3.1(c)(i), relates only to the sale of the Diablo Assets and the Diablo Business generally and not to local Applicable Law) on the part of Diablo, or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of Diablo, other than those constituting Diablo Nonassumed Obligations; or

(ii) will require Diablo to make or obtain any Governmental Authorization, Governmental Filing (which, for purposes of this Section 3.1(c)(ii)), relate only to the sale of the Diablo Assets and Diablo Business generally and not to "site-specific" Governmental Authorizations or those required by local Applicable Law) or Private Authorization including without limitation under the FCA, except for filings under the Hart-Scott-Rodino Act.

(d) Diablo does not have any Subsidiaries except as set forth in Section 3.1(d) of the Diablo Disclosure Schedule.

3.2 Financial and Other Information. Diablo has heretofore furnished to ATS copies of the financial statements of the Diablo Business listed in Section 3.2 of the Diablo Disclosure Schedule (the "Diablo Financial Statements"). The Diablo Financial Statements, including in each case the notes thereto, have been prepared in accordance with CAAP applied on a consistent basis throughout the periods covered thereby, except as otherwise noted therein or as set forth in Section 3.2 of the Diablo Disclosure Schedule, are true, accurate and complete in all material respects, do not contain any untrue statement of a material fact or omit to state a material fact required by CAAP to be stated therein or necessary in order to make the statements contained therein not misleading, and fairly present the financial position and the results of operations and cash flow of the Diablo Business, on the bases therein stated, as of the respective dates thereof, and for the respective periods covered thereby subject, in the case of unaudited financial statements, to normal year-end audit adjustments and accruals.

3.3 Changes in Condition. Since the date of the most recent financial statements constituting a part of the Diablo Financial Statements, except to the extent specifically described in Section 3.3 of the Diablo Disclosure Schedule, there has been no material adverse change in Diablo. There is no Event known to Diablo which materially adversely affects, or (so far as Diablo can now reasonably foresee) is likely to materially adversely affect, Diablo, except to the extent specifically described in Section 3.3 of the Diablo Disclosure Schedule.

3.4 Materiality. Other than those set forth in the Diablo Disclosure Schedule, the representations and warranties set forth in this Article would in the aggregate be true and correct even without the materiality exceptions or qualifications contained therein. Other than those set forth in the Diablo Disclosure Schedule, in the aggregate all such exceptions and qualifications to the representations and warranties are not and could not reasonably be expected to be materially adverse to Diablo.

3.5 Title to Properties; Leases.

(a) Section 3.5(a) of the Diablo Disclosure Schedule contains a true, accurate and complete description of all real property owned or leased by Diablo that is part of the Diablo Assets. Without limiting the generality of the foregoing, Section 3.5 of the Diablo Disclosure Schedule will include a description of the approximately 74 acre parcel on Black Mountain that contains the communication site (the "Black Mountain Communication Site"); the Black Mountain Communications Site will be encumbered with a permanent conservation easement in favor of the Nature Conservancy that will prohibit development of that portion of the site that contains a certain endangered flower, so long as such easement does not interfere with access to the parcel or the use of the parcel for a communication site. Except as set forth in Section 3.5(a) of the Diablo Disclosure Schedule, Diablo has good indefeasible, marketable and insurable title to all real property (other than leasehold and managed real property) and good indefeasible and merchantable title to all other assets (other than real property), tangible and intangible, constituting a part of the Diablo Assets, in each case free and clear of all Liens, except (i) Permitted Liens, (ii) Liens set forth on Section 3.5(a) of the Diablo Disclosure Schedule and (iii) Approved Title Conditions. Except for financing statements evidencing Liens referred to in the preceding sentence (a true, accurate and complete list and description of which is set forth in Section 3.5(a) of the Diablo Disclosure Schedule), no financing statements under the Uniform Commercial Code and no other filing which names Diablo as debtor or which covers or purports to cover any of the Diablo Assets is on file in any state or other jurisdiction, and Diablo has not signed or agreed to sign any such financing statement or filing or any agreement authorizing any secured party thereunder to file any such financing statement or filing. Except as disclosed in Section 3.5(a) of the Diablo Disclosure Schedule, to Diablo's knowledge, all improvements on the real property owned or leased by Diablo are in compliance

with applicable zoning, wetlands and land use laws, ordinances and regulations and applicable title covenants, conditions, restrictions and reservations in all respects necessary to conduct the operations as presently conducted, except for any instances of non-compliance which do not and will not in the aggregate have a material adverse effect on the owner or lessee, as the case may be, of such real property. Except as disclosed in Section 3.5(a) of the Diablo Disclosure Statement, all such improvements, to Diablo's knowledge, comply in all material aspects with all Applicable Laws, Governmental Authorizations and Private Authorizations. Except as disclosed in Section 3.5(a) of the Diablo Disclosure Statement, to Diablo's knowledge, all of the transmitting towers, ground radials, guy anchors, transmitting buildings and related improvements located on the real property owned or leased by Diablo are located entirely on such real property. Diablo has no knowledge of any pending, threatened or contemplated action to take by eminent domain or otherwise to condemn any part of any real property owned or leased by Diablo. Except as set forth in Section 3.5(a) of the Diablo Disclosure Schedule, such real property (other than land), fixtures, fixed assets and other material items of personal property, including equipment, have, in Diablo's reasonable business judgment, been maintained in a manner consistent with generally accepted standards of sound engineering practice and currently permit the Diablo Business to be operated in all material respects in accordance with the terms and conditions of all Applicable Laws, Governmental Authorizations and Private Authorizations.

(b) Section 3.5(b) of the Diablo Disclosure Schedule contains a true, accurate and complete description of all Leases under which any real property used in the Diablo Business is leased. Except as otherwise set forth in Schedule 3.5(b) of the Diablo Disclosure Schedule, each Lease or other occupancy or other agreement under which Diablo holds real or personal property constituting a part of the Diablo Assets has been duly authorized, executed and delivered by Diablo or its predecessors in interest, as the case may be, and, to Diablo's knowledge, each of the other parties thereto, and is a legal, valid and binding obligation of Diablo, and, to Diablo's knowledge, each of the other parties thereto, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity. Diablo has a valid leasehold interest in and enjoys peaceful and undisturbed possession under all Leases pursuant to which it holds any such real property or tangible personal property. All of such Leases are valid and subsisting and in full force and effect; neither Diablo nor, to Diablo's knowledge, any other party thereto, is in material default in the performance, observance or fulfillment of any obligation, covenant or condition contained in any such Lease. None of the fixed assets or equipment comprising a part of the Diablo Assets is subject to contracts of sale, and none is held by Diablo as lessee or as conditional sales vendee under any Lease or conditional sales contract and none is subject to any title retention agreement, except as set forth in Section 3.5(b) of the Diablo Disclosure Schedule.

(c) Section 3.5(c) of the Diablo Disclosure Schedule contains a true, accurate and complete description of all material items of Diablo Personal Property. Diablo owns and has good and merchantable title to all of the Diablo Personal Property relating to the Diablo Business (the "Diablo Personal Property"), in each case, free and clear of all Liens, except (i) Permitted Liens and (ii) Liens set forth on Section 3.5(c) of the Diablo Disclosure Schedule (which Liens shall be released prior to Closing). Except as set forth in Section 3.5(c) of the Diablo Disclosure Schedule, all of the Diablo Personal Property is in a state of good repair and maintenance and is in good operating condition, normal wear and tear excepted, has been maintained in a manner consistent with generally accepted standards of good engineering practice and currently permits the Diablo Business to be operated in accordance with the terms and conditions of all Applicable Laws. Except for financing statements listed in Section 3.5(c) of the Diablo Disclosure Schedule, no financing statements under the Uniform Commercial Code and no other filing which names Diablo as debtor or which covers or purports to cover any of the Diablo Assets is on file in any state or other jurisdiction, and Diablo has not signed or agreed to sign any such financing statement or filing or any agreement authorizing any secured party thereunder to file any such financing statement or filing.

3.6 Compliance with Private Authorizations. Section 3.6 of the Diablo Disclosure Schedule sets forth a true, accurate and complete list and description of each Private Authorization which individually is material to the Diablo Assets or the Diablo Business. To Diablo's knowledge, and as set forth in Section 3.6 of the Diablo Disclosure Schedule, Diablo has obtained all Private Authorizations which are necessary for the ownership or operation of the Diablo Assets or the conduct of the Diablo Business which, if not obtained and maintained, could, individually or in the aggregate, materially adversely affect Diablo. All of such Private Authorizations are valid and in good standing and are in full force and effect. Diablo is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any material adverse effect on Diablo. No such Private Authorization is the subject of any pending or, to Diablo's knowledge, threatened attack, revocation or termination.

3.7 Compliance with Governmental Authorizations and Applicable Law.

(a) To Diablo's knowledge, Section 3.7(a) of the Diablo Disclosure Schedule contains a true, complete and accurate description of each Governmental Authorization required under Applicable Laws (i) to own and operate the Diablo Business, as currently conducted or proposed to be conducted on or prior to the Closing Date, all of which are in full force and effect or (ii) that is necessary to permit Diablo to execute and deliver this Agreement and to perform its obligations hereunder. To Diablo's knowledge, except as otherwise set forth in Section 3.7(a) of the Diablo Disclosure Schedule, Diablo has obtained all Governmental Authorizations which are necessary for the ownership or operation of the Diablo Assets or the conduct of the Diablo Business as now conducted and which, if not obtained and maintained, would, individually or in the aggregate, have any material adverse effect on Diablo. None of the Governmental Authorizations listed in Section 3.7(a) of the Diablo Disclosure Schedule is subject to any restriction or condition which would limit in any material respect the ownership or operations of the Diablo Assets or the conduct of the Diablo Business as currently conducted, except for restrictions and conditions generally applicable to Governmental Authorizations of such type. The Governmental Authorizations listed in Section 3.7(a) of the Diablo Disclosure Schedule are valid and in good standing, are in full force and effect and are not impaired in any material respect by any act or omission of Diablo or its officers, directors, employees or agents, and the ownership or operation of the Diablo Assets or the conduct of the Diablo Business are in accordance in all material respects with the Governmental Authorizations. To Diablo's knowledge, all material reports, forms and statements required to be filed by Diablo with all Authorities with respect to the Diablo Business have been filed and are true, complete and accurate in all material respects. No such Governmental Authorization is the subject of any pending or, to Diablo's knowledge, threatened challenge or proceeding to revoke or terminate any such Governmental Authorization. Diablo has no reason to believe that any such Governmental Authorization would not be renewed in the name of Diablo by the granting Authority in the ordinary course.

(b) Except as otherwise specifically described in Section 3.7(b) of the Diablo Disclosure Schedule, neither Diablo nor any director or officer thereof (in connection with ownership or operation of the Diablo Assets or the conduct of the Diablo Business) is in or is charged by any Authority with or, to Diablo's knowledge, at any time since January 1, 1993 has been in or has been charged by any Authority with, or, to Diablo's knowledge, is threatened or under investigation by any Authority with respect to, breach or violation of, or default in the performance, observance or fulfillment of, any Governmental Authorization or any Applicable Law relating to the ownership and operation of the Diablo Assets or the conduct of the Diablo Business. In particular, but without limiting the generality of the foregoing, there are no applications, complaints or Legal Actions pending or, to Diablo's knowledge, threatened before or by any Authority (x) relating to the ownership or operation of the Diablo Assets or the conduct of the Diablo Business which,

individually or in the aggregate, are reasonably likely to result in the revocation or termination of any Governmental Authorization or the imposition of any restriction of such a nature as would adversely affect the ownership or operations of the Diablo Business; (y) involving charges of illegal discrimination by Diablo under any federal or state employment Laws, or (z) involving Environmental Laws or zoning laws, except as otherwise specifically described in Section 3.7(b) of the Diablo Disclosure Schedule.

(c) Except as otherwise specifically described in Section 3.7(c) of the Diablo Disclosure Schedule, no Event exists or has occurred, which, to Diablo's knowledge, constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under (i) any Governmental Authorization or any Applicable Law, except for such breaches, violations or defaults as do not and will not have, individually or in the aggregate, any material adverse effect on Diablo or (ii) any material requirement of any insurance carrier, applicable to the ownership or operations of the Diablo Assets or the conduct of the Diablo Business.

(d) With respect to matters, if any, of a nature referred to in Section 3.7(a), 3.7(b) or 3.7(c) of the Diablo Disclosure Schedule, except as otherwise specifically described in Section 3.7(d) of the Diablo Disclosure Schedule, all such information and matters set forth in Sections 3.7(a), 3.7(b) or 3.7(c) of the Diablo Disclosure Schedule, if adversely determined against Diablo, will not, individually or in the aggregate, have a materially adversely effect on Diablo.

3.8 Intangible Assets. Section 3.8 of the Diablo Disclosure Schedule sets forth a true, accurate and complete description of all Intangible Assets (other than Governmental Authorizations and Private Authorizations) relating to the ownership and operation of the Diablo Assets or the conduct of the Diablo Business held or used by Diablo, including without limitation the nature of Diablo's interest in each and the extent to which the same have been duly registered in the offices as indicated therein. Except as set forth in Section 3.8 of the Diablo Disclosure Schedule, to Diablo's knowledge, no Intangible Assets (except Governmental Authorizations, Private Authorizations, and the Intangible Assets so set forth) are required for the ownership or operation of the Diablo Assets or the conduct of the Diablo Business as currently owned, operated and conducted or proposed to be owned, operated and conducted on or prior to the Closing Date. To Diablo's knowledge, Diablo does not wrongfully infringe upon or unlawfully use any Intangible Assets owned or claimed by another, and Diablo has not received any notice of any claim or infringement relating to any such Intangible Asset.

3.9 Related Transactions. ATS' failure to give ATS' Title Notice within such fifteen (15) business days shall be deemed to constitute ATS' approval of all matters disclosed by the Title Reports;

(b) If ATS disapproves any title matters pursuant to ATS' Title Notice, Diablo shall deliver written notice ("Diablo's Title Notice") to ATS within ten (10) business days after Diablo's

receipt of ATS' Title Notice, stating whether Diablo agrees to eliminate such disapproved title matters from title to the Insured Real Property prior to the Closing or, if such elimination is not feasible prior to the Closing, to effect such elimination thereafter and to indemnify and hold harmless ATS with respect to such remedy. If Diablo fails to timely deliver Diablo's Title Notice, or if Diablo delivers Diablo's Title Notice but states therein that Diablo is unwilling or unable to eliminate such disapproved title matters, ATS and Diablo shall negotiate in good faith in an attempt to resolve such matters (the "Disapproved Title Sites" and, collectively with the "Disapproved Environmental Sites", the "Disapproved Sites") from the Diablo Assets, a reduction of the Purchase Price or an indemnification (and escrow) from Diablo (not subject to the limitations as to time or amount specified in Article 8). If within twenty (20) business days of the commencement of such negotiations (or such longer period as ATS and Diablo shall agree), the parties have been unable to resolve such matters, either party can terminate this Agreement pursuant to the provisions of Section 7.1(f) within ten (10) business days of the end of such negotiation period; and

(c) If, at any time following ATS' approval of the Title Reports, Diablo or the Title Company notifies ATS of any additional matter affecting title to the Insured Real Property, the parties shall have substantially the same rights and obligations as are set forth in paragraphs (a) and (b) above.

5.8 Environmental Site Assessments. As promptly as practicable after the execution of this Agreement, ATS may at its own cost and expense obtain, and deliver to Diablo full and complete copies of, Phase I environmental site assessment reports (the "Environmental Reports") on any or all of those certain parcels of real property described on Section 5.8 of the Diablo Disclosure Schedule. Site assessments shall be conducted by such consultants and professionals as ATS and Diablo shall mutually agree (collectively, the "Environmental Company"), shall be arranged at times mutually convenient to the parties, and shall be conducted in a manner which does not interfere with or inconvenience in any material manner any of the landlords or tenants at any of Diablo's sites. Each of Diablo and ATS shall be entitled to have representatives present at the time such site assessments are conducted, and to have copies of all correspondence with the Environmental Company:

(a) On or before fifteen (15) business days after ATS' receipt of the last of the Environmental Reports, ATS shall give to Diablo written notice ("ATS' Environmental Notice") of ATS' disapproval of any matters shown in the Environmental Reports. ATS' failure to give ATS' Environmental Notice within such fifteen (15) business days shall be deemed to constitute ATS' approval of all matters disclosed by the Environmental Reports;

(b) If ATS disapproves any environmental matters pursuant to ATS' Environmental Notice, Diablo shall deliver written notice ("Diablo's Environmental Notice") to ATS within ten (10) business days after Diablo's receipt of ATS' Environmental Notice, stating whether Diablo agrees to eliminate and remedy such matter prior to the Closing or, if such elimination or remedy is not feasible prior to the Closing, to effect such elimination and remedy thereafter and to indemnify and hold harmless ATS with respect to such remedy. If Diablo fails to timely deliver Diablo's Environmental Notice, or if Diablo delivers Diablo's Environmental Notice but states therein that Diablo is unwilling or unable to eliminate and remedy such environmental matters, ATS and Diablo shall negotiate in good faith in an attempt to resolve such matters (the "Disapproved Environmental Sites") from the Diablo Assets, a reduction of the Purchase Price or an indemnification (and escrow) from Diablo (not subject to the limitations as to time or amount specified in Article 8). If within twenty (20) business days of the commencement of such negotiations (or such longer period as ATS and Diablo shall agree), the parties have been unable to resolve such matters, either party can

terminate this Agreement pursuant to the provisions of Section 7.1(f) within ten (10) business days of the end of such negotiation period; and

(c) If, at any time following ATS' approval of the Environmental Reports, ATS or the Environmental Company notifies Diablo of any additional environmental matter, the parties shall have substantially the same rights and obligations as are set forth in paragraphs (a) and (b) above.

5.9 Post-Closing Covenants and Agreements of the Parties. From and after the consummation of the Transactions, ATS and Diablo covenant and agree as follows:

(a) Diablo shall have the right, if it shall have so notified ATS not later than five (5) business days prior to the Closing, to retain (or to cause any of its Affiliates to retain) the services of each of the individuals named in Section 5.9(a) of the Diablo Disclosure Schedule;

(b) ATS shall afford to Diablo, and Diablo shall afford to ATS, access to their respective employees who were (or in the case of Diablo who remain) employees of Diablo on the Closing Date to the end that such employees are available to provide assistance, consultation and historical background to the requesting party; provided, however, that neither ATS nor Diablo shall have any such obligation after the expiration of five (5) years from the Closing Date or to the extent that it would exceed an average of four (4) hours per week over such period; and

(c) ATS shall afford to Diablo, and Diablo shall afford to ATS, access to all books and records delivered to ATS or retained by Diablo, as the case may be, relating to periods prior to the Closing Date, in order to enable Diablo or ATS, as the case may be, to prepare all necessary Tax Returns, deal with Legal Actions or other Claims (including without limitation those of the Internal Revenue Service) or personnel matters or for any other reasonable purposes, subject, however, in all events, to the provisions of Section 5.1 with respect to confidentiality. Anything in this Section to the contrary notwithstanding, Diablo and ATS shall cooperate fully in the event of an Internal Revenue Service audit or investigation related to this Agreement, including without limitation providing each other with full and complete access to each other's records and employees to the extent necessary to respond to any such audit or investigation.

ARTICLE 6

The respective obligations of each party to effect the Transactions shall, except as hereinafter provided in this Section, be subject to the satisfaction at or prior to the Closing Date of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) All authorizations, consents, waivers, orders or approvals required to be obtained from all Authorities, and all filings, submissions, registrations, notices or declarations required to be made by ATS and Diablo with any Authority, prior to the consummation of the Transactions, shall have been obtained from, and made with, all such Authorities, except for such authorizations, consents, waivers, orders, approvals, filings, registrations, notices or declarations as are set forth in Section 6.1(a) of the Diablo Disclosure Schedule or the failure to obtain or make would not, in the reasonable business judgment of ATS, have a material adverse effect on the Diablo Assets and the Diablo Business;

(b) The transactions contemplated by the Other Agreement shall have been consummated prior to or simultaneously with the consummation of the Transactions; and

(c) The parties shall have entered into an escrow agreement in form, scope and substance reasonably satisfactory to the parties with the Title Company or any other Person reasonably acceptable to the parties, pursuant to which, among other things, ATS shall have deposited the portion of the Purchase Price not being delivered to the Indemnity Escrow Agent or to a "qualified intermediary" pursuant to the provisions of Section 2.3, and Diablo shall have delivered deeds in customary form with respect to all of the real property to be conveyed to ATS as part of the Diablo Assets and the parties, to the extent required by Section 9.3, shall have deposited an amount sufficient to pay all recording fees, transfer taxes and other fees and expenses which must be paid as a condition of consummation of the transactions contemplated by this Agreement.

6.2 Conditions to Obligations of ATS. The obligation of ATS to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) All agreements, certificates, opinions and other documents required to be delivered pursuant to the provisions of this Agreement shall be reasonably satisfactory in form, scope and substance to ATS and its counsel, and ATS and its counsel shall have received all information and copies of all documents, including records of corporate proceedings, which they may reasonably request in connection therewith, such documents where appropriate to be certified by proper corporate officers;

(b) Diablo shall have furnished ATS and, at ATS' request, any bank or other financial institution providing credit to ATS, with a favorable opinion, dated the Closing Date of Cooper, White & Cooper, counsel for Diablo, with respect to the matters set forth in Sections 3.1(a), (b) and (c), 3.7(b) and 3.14, and such other matters arising after the date of this Agreement and incident to the Transactions, as ATS or its counsel or its counsel may reasonably request or which may be reasonably requested by any such bank or financial institution or their respective counsel;

(c) The representations and warranties of Diablo contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of Diablo or ATS, except as otherwise specifically provided herein); each and all of the covenants and agreements and conditions to be performed or satisfied by Diablo hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all material respects; and Diablo shall have furnished ATS with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as ATS or its counsel shall have reasonably requested;

(d) Except to the extent, if any, specifically set forth in Section 6.2(d) of the Diablo Disclosure Schedule, all authorizations, consents, waivers, orders or approvals required by the provisions of this Agreement to be obtained from all Persons (other than Authorities) prior to the consummation of the Transactions, including without limitation those required by the provisions of this Agreement in order to vest fully in ATS all right, title and interest in and to all of the Diablo

Assets and the Diablo Business (including without limitation all Private Authorizations, Leases and Material Agreements of Diablo), and the full enjoyment thereof shall have been obtained, without the imposition, individually or in the aggregate, of any condition or requirement which could materially adversely affect ATS;

(e) Between the date of this Agreement and the Closing Date, there shall not have occurred and be continuing any material adverse change in Diablo from that reflected in the most recent Diablo Financial Statements; as of the Closing Date, the Governmental Authorizations with respect to the ownership or operation of the Diablo Assets or the conduct of the Diablo Business shall not have been materially and adversely affected by any act, or failure to act, of Diablo;

(f) Diablo shall have delivered or caused to be delivered to ATS all of the Collateral Documents and other agreements, documents and instruments required to be delivered by Diablo to ATS at or prior to the Closing pursuant to the terms of this Agreement;

(h) As of the Closing Date, except as otherwise set forth in Section 3.7(a) of the Diablo Disclosure Schedule, no Legal Action shall be pending before or threatened in writing by any Authority seeking to enjoin, restrain, prohibit or make illegal or to impose any materially adverse conditions in connection with, the consummation of the Transactions, or which might, in the reasonable business judgment of ATS, based upon the advice of counsel, have a material adverse effect on the Diablo Assets and the Diablo Business, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not be deemed to be a threat of any such Legal Action;

(i) All Environmental Reports obtained by the parties prior to the Closing Date pursuant to the provisions of Section 5.8 hereof shall be approved or deemed approved by ATS in the manner described in Section 5.8;

(j) Richard D. Spight ("Spight"), the chairman and principal shareholder of Diablo, shall have executed and delivered to ATS an agreement substantially in the form of Exhibit A attached hereto and made a part hereof (the "Spight Noncompetition Agreement");

(k) Diablo and Spight shall have executed and delivered to ATS and the escrow agent named therein (the "Indemnity Escrow Agent") an escrow agreement (the "Indemnity Escrow Agreement") substantially in the form of Exhibit B attached hereto and made a part hereof;

(o) Diablo and Spight shall have delivered to ATS, an agreement, in form, scope and substance reasonably satisfactory to ATS and Diablo, pursuant to which (i) Diablo and Spight would, for a period of three years, agree to offer only to ATS (and not to any other Person regardless of whether ATS shall have accepted any such offer) all property in California which is suitable for development as a communication site and with respect to which they have, as broker or otherwise, any rights, and (ii) if ATS accepts such property, it would agree to pay Spight a percentage of net income on other compensation as set forth in such agreement (the "Acquisition Participation Agreement");

(p) Diablo, Spight and any other Person having any interest in the property on Black Mountain which is contiguous to Black Mountain Communications Site shall have executed and delivered to ATS an agreement, in recordable form, (i) granting permanent mutual access and permanent utility easements, without the payment of any consideration, and (ii) agreeing not to construct any communication towers on any portion of such property, all on terms and conditions as are reasonably satisfactory to ATS and Diablo (the "Black Mountain Easement Agreement");

(r) Spight shall have executed and delivered to ATS an agreement, in form, scope and substance reasonably satisfactory to ATS and Diablo, pursuant to which (i) ATS shall have a right, for a period of three years, of first refusal on any communication facility to be constructed on any building in California owned or managed by Spight or any Affiliate of Spight, (ii) in the event ATS exercises such right of first refusal, gross revenues (after deduction for installation and electrical expenses) from such development will be shared equally by ATS and Spight, and (iii) in the event ATS does not exercise its right of first refusal, Spight shall have the right to lease the facility to any Person who is not an Affiliate of Spight (the "Exclusivity Agreement"); and

(s) In the event an agreement or agreements have been entered into between Diablo (or ATS) and TeleCommunications, Inc. relating to the management of its towers, Diablo shall have executed and delivered to ATS and agreement, in form, scope and substance reasonably satisfactory

(c) The representations and warranties of ATS contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of Diablo or ATS, except as otherwise specifically provided herein); each and all of the covenants and agreements and conditions to be performed or satisfied by ATS hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all material respects; and ATS shall have furnished Diablo with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as Diablo or its counsel shall have reasonably requested;

ARTICLE 7

TERMINATION, AMENDMENT AND WAIVER

7.1 Termination. This Agreement may be terminated at any time prior to the Closing Date:

(a) by mutual consent of Diablo and ATS;

(b) by either ATS or Diablo if any permanent injunction, decree or judgment by any Authority preventing the consummation of the Transactions shall have become final and nonappealable; or

(c) by Diablo in the event (i) Diablo is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) ATS is in material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(d) by ATS in the event (i) ATS is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) Diablo is in material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(e) by ATS in the event of a failure of the condition set forth in Section 6.2(i) or 6.2(l); or

(f) by ATS or Diablo pursuant to the provisions of Section 5.7(b) or 5.8(b).

The term "Termination Date" shall mean September 30, 1997 or such other date as the parties may, from time to time, mutually agree.

The right of ATS or Diablo to terminate this Agreement pursuant to this Section shall remain operative and in full force and effect regardless of any investigation made by or on behalf of either party, any Person controlling any such party or any of their respective Representatives whether prior to or after the execution of this Agreement.

7.2 Effect of Termination.

(a) Except as provided in Sections 5.1 (with respect to confidentiality), 5.3, 9.3 and 9.15 and this Section, in the event of the termination of this Agreement pursuant to Section 7.1, or in the event the

Transactions shall not have been consummated prior to the end of business on the Termination Date, this Agreement shall forthwith become void, there shall be no liability on the part of either party, or any of their respective shareholders, officers or directors, to the other and all rights and obligations of either party shall cease; provided, however, that such termination shall not relieve either party from liability for any misrepresentation or breach of any of its warranties, covenants or agreements set forth in this Agreement.

(b) In the event this Agreement is terminated by Diablo pursuant to the provisions of Section 7.1(c), then Diablo shall be entitled to liquidated damages of (i) an amount equal to the Escrow Deposit, together with interest and other earnings thereon, and (ii) delivery and cancellation of the Interim Financing Notes, including all accrued and unpaid interest thereon, and any Additional Compensation Certificates; the parties agree that such amounts shall collectively constitute full payment for any and all damages suffered by Diablo by reason of ATS' failure to consummate the Transactions. ATS and Diablo agree in advance that actual damages would be difficult to ascertain and that such liquidated damages is a fair and equitable amount to reimburse Diablo for damages sustained due to ATS' failure to consummate the Transactions for the above-stated reasons. In the event this Agreement is terminated by ATS pursuant to the provisions of Section 7.1(d), then ATS shall be entitled to the amount of the Escrow Deposit, together with interest and other earnings thereon, without prejudice to ATS' right to pursue damages or other remedies hereunder. Notwithstanding the foregoing, each party shall have the right to seek specific performance pursuant to the provisions of Section 9.5.

(c) In the event this Agreement is terminated pursuant to the provisions of Section 7.1(a), 7.1(b), 7.1(e), 7.1(f) or 7.1(g), except as provided in Section 7.2(a), neither of the parties shall have any further rights or remedies, except that ATS shall be entitled to the Escrow Deposit, together with interest and earnings thereon.

(d) Anything in this Article or elsewhere in this Agreement to the contrary notwithstanding, in no event shall Diablo be required to refund to ATS the nonrefundable deposits made by ATS subsequent to March 31, 1997 pursuant to the Amendment to Letter of Intent dated March 19, 1997.

ARTICLE 8

INDEMNIFICATION

8.1 Survival. The representations, warranties, covenants and agreements of the parties contained in or made pursuant to this Agreement or any Collateral Document (except as otherwise provided in any Collateral Document) shall survive the Closing and shall remain operative and in full force and effect for a period of (a) two (2) years after the Closing Date or (b) in the case of matters of a nature referred to in Section 3.21, three (3) years after the Closing Date, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto. The term "Indemnity Period" shall mean the applicable period with respect to which a representation, warranty, covenant or agreement survives the Closing as provided in this Section. No claim for indemnification, other than with respect to fraud, may be asserted after the expiration of the Indemnity Period. ATS shall promptly advise Diablo in the event it shall discover any fraud or alleged fraud, it being understood that, in the event that ATS discovers such fraud or alleged fraud prior to the expiration of the Indemnity Period and fails to so notify Diablo thereof, it shall not thereafter be entitled to assert any Claim with respect thereto. Notwithstanding anything herein to the contrary, any representation, warranty, covenant and agreement which arises and is the subject of a Claim which is asserted in writing prior to the expiration of the applicable Indemnity Period shall survive with respect to such Claim or any dispute with respect thereto until the final resolution thereof or the expiration of the applicable statute of limitation unless arbitration or litigation has been pursued.

8.2 Indemnification.

(a) During the Indemnity Period, each of Diablo and ATS (the "indemnifying party") agrees that on and after the Closing it shall indemnify and hold harmless the other (the "indemnified party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document executed by it (collectively, "Loss and Expense"), suffered, directly or indirectly, by the indemnified party by reason of, or arising out of:

(i) any breach of representation or warranty made by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it or any failure by the indemnifying party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document executed by it; or

(ii) any Legal Action or other Claim by any third party relating to the indemnifying party or, in the case of ATS, the ownership or operations of the Diablo Assets or the conduct of the business of the Diablo Business to the extent such Legal Action or other Claim has also resulted in a breach of representation or warranty by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it; or

(iii) in the case of Diablo as the indemnifying party, the failure of Diablo to comply with Bulk Sales law of the State of California.

(b) Diablo agrees that on or after the Closing it shall indemnify and hold harmless ATS from and against any and all Loss and Expense suffered, directly or indirectly, by ATS by reason of, or arising out of, (i) Diablo Nonassumed Obligations or (ii) the ownership and operation of the Diablo Assets and the Diablo Business prior to the Closing Date.

(c) ATS agrees that on or after the Closing it shall indemnify and hold harmless Diablo from and against any and all Loss and Expense suffered, directly of indirectly, by Diablo by reason of, or arising out of, (i) (A) Diablo Assumed Obligations or (B) the ownership and operation of the Diablo Assets and the Diablo Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the Diablo Assumed Obligations, and (ii) any Hart-Scott-Rodino Act or other federal or state antitrust Law filings or any Legal Action or other Claim of any Authority relating to the Transactions based upon any of the foregoing, except, in all cases, to the extent such filing, Legal Action or other Claim relates to or is based upon information furnished or omitted by Diablo.

8.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 8.2, after the Closing, except as otherwise provided in Section 8.6, each indemnified party's rights to indemnification shall be subject to the following limitations: (i) the indemnified party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims (together with Claims (as defined therein) under the Other Agreement ("Other Agreement Claims")) exceeds, in the aggregate, $100,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $100,000), and (ii) in no event shall the aggregate amount required to be paid by each indemnifying party pursuant to the provisions of this Article (and the comparable provision of the Other Agreement) exceed $1,000,000, except for any Loss or Expense arising out of matters of a nature referred

to in Sections 3.1 and 4.1 (and the comparable provision of the Other Agreement) as to which the dollar limitations set forth in this clause (ii) shall not apply.

(b) Anything in this Agreement, including without limitation the provisions of Sections 8.2 or 8.3(a), to the contrary notwithstanding, except as provided in Sections 8.3(d) and 8.6, (i) the exclusive recourse of ATS after the Closing with respect to the liability of Diablo pursuant to Section 8.2 or any other provision of this Agreement or Applicable Law which requires Diablo to defend, indemnify or hold harmless ATS from or against any Claim, Loss or Expense shall be the Escrow Indemnity Funds; and (ii) ATS' remedies for any such liability of Diablo, or for any Claim arising under this Agreement, shall be limited to its right to recover from the Escrow Indemnity Funds in accordance with the provisions of the Escrow Indemnity Agreement, and neither ATS nor any of its officers, directors, shareholders, agents or Affiliated Entities shall have any right of recovery against Diablo or any of its officers, directors, shareholders, agents or Affiliated Entities or against the assets of any of them for any such liability.

(c) In the event there shall be no Claims pending pursuant to the provisions of this Agreement (or Other Agreement Claims) with respect to the Escrow Indemnity Funds, if any, existing at the expiration of one (1) year after the Closing, the excess of (x) the Escrow Indemnity Funds then remaining over (y) $500,000 shall be distributed to Diablo. In the event one or more such Claims (and/or Other Agreement Claims) with respect to the Escrow Indemnity Funds, if any, shall exist upon the expiration of one (1) year after the Closing, funds in an amount equal to the sum of (i) $500,000, (ii) the aggregate amount of such Claims (and/or Other Agreement Claims), and (iii) the amount reasonably necessary to cover the fees, expense and other costs (including reasonable counsel fees and expenses) which will be required to resolve such Claims (and/or Other Agreement Claims) shall be shall be retained as part of the Escrow Indemnity Funds and the balance thereof, if any, shall be distributed to Diablo. Upon the resolution of all such Claims (and/or Other Agreement Claims) existing upon the expiration of one (1) year after the Closing and the payment of all such fees, expenses and costs out of the Escrow Indemnity Funds, the excess, if any, of (x) the Escrow Indemnity Funds then remaining over (y) $500,000 shall be distributed to Diablo.

(d) In the event there shall be no Claims (or Other Agreement Claims) pending pursuant to the provisions of this Agreement with respect to the Escrow Indemnity Funds, if any, existing at the expiration of two (2) years after the Closing, the Escrow Indemnity Funds then remaining shall be distributed to Diablo and DCSC (in such proportion as they shall agree in writing). In the event one or more such Claims (and/or Other Agreement Claims) with respect to the Escrow Indemnity Funds, if any, shall exist upon the expiration of the Indemnity Period, funds in an amount equal to the sum of (i) the aggregate amount of such Claims (and/or Other Agreement Claims) and (ii) the amount reasonably necessary to cover the fees, expense and other costs (including reasonable counsel fees and expenses) which will be required to resolve such Claims (and/or Other Agreement Claims) shall be retained as part of the Escrow Indemnity Funds and the balance thereof, if any, shall be distributed to Diablo and DCSC (in such proportion as they shall agree in writing). Upon the resolution of all such Claims (and/or Other Agreement Claims) and the payment of all such fees, expenses and costs out of the Escrow Indemnity Funds, the remainder of the Escrow Indemnity Funds, if any, shall be distributed to Diablo and DCSC (in such proportion as they shall agree in writing).

(e) If, following the distribution to Diablo, DCSC or any other Person of any remaining Escrow Indemnity Funds, ATS becomes entitled to indemnification for Loss and Expense suffered by ATS arising from breach of the warranties and misrepresentations set forth in Section 3.21, or breach by Diablo of any covenants or agreement by Diablo under this Agreement or any Collateral Document to which it is a party, then ATS may pursue such Claim directly against Diablo, its successors and assigns and Spight (but only to the extent he received any such funds); provided, however, that the maximum amount of liability in the aggregate of Diablo (and such successors and assigns and Spight) for any and all such Claims shall be the amount of Escrow Indemnity Funds that were distributed to Diablo, DCSC or any other Person (other than

a claimant whose Claim was paid out of the Indemnity Escrow Fund) claiming by, through or in the name of Diablo (including without limitation Spight (but only to the extent he received any such funds) or Diablo's or his successors, assigns, trustees, beneficiaries, heirs or executors) upon the expiration of the Indemnity Period or thereafter.

(f) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto. No indemnifying party shall be liable under this Article for a loss resulting from any event relating to a misrepresentation or breach of warranty, covenant or agreement if the indemnifying party can establish that the indemnified party had actual knowledge on or before the Closing Date of such event and did not, on or before the Closing Date, reserve its rights with respect thereto.

8.4 Notice of Claims. If an indemnified party believes that it has suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 8.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify prejudices such indemnifying party's ability to defend against such Claim.

8.5 Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' written notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party; provided, however, that if the indemnified party fails or refuses to consent in writing to any compromise of settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") within ten (10) business days after receipt of written notice of all of the material terms and conditions of the Settlement Proposal, and such terms and conditions (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement Proposal, and (b) if the indemnified party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership or operations of the Diablo Assets or the conduct of the Diablo Business in substantially the manner then being theretofore owned, operated and conducted by ATS, then, unless the indemnifying party forthwith withdraws the Settlement Proposal, the indemnified party (i) shall have the right but not the obligation to undertake the conduct of the defense of such Legal Action or other Claim, and (ii) whether or not it shall so undertake the defense of such Legal Action or other Claim, shall bear, and shall indemnify and hold the indemnifying party harmless from, all Loss and Expense arising from such Legal Action or other Claim (to the extent not theretofore (x) accrued with respect to the costs and expenses of the defense of such Legal Action or other Claim or (y) paid with respect to such Legal Action or other Claim) in excess of the amount contained in the Settlement Proposal, it being understood, in such event, that the indemnifying party shall bear all Loss and Expense, including subsequently incurred Loss and Expense (including without limitation those attributable to legal fees and

expenses) up to the amount contained in the Settlement Proposal, even if the ultimate disposition of such Legal Action or other Claim results in payments to the claimant of less than those contained in the Settlement Proposal.

8.6 Exclusive Remedy. Except for fraud, willful or intentional misrepresentation or willful or intentional breach of warranty, covenant or agreement or as otherwise provided in Section 9.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 9

9.2 Waiver. Except to the extent not permitted by Applicable Law, ATS or Diablo may, at any time, extend the time for the performance of any of the obligations or other acts of the other, subject, however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

All Hart-Scott-Rodino filing fees for both this Agreement and the Other Agreement shall be borne equally by Diablo and ATS up to the amount of $20,000 for each of Diablo and ATS, with the balance to be borne by ATS. 9.5 Specific Performance; Other Rights and Remedies. Anything in this Agreement to the contrary notwithstanding, each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party not in material breach of this Agreement or any Collateral Document shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach. Notwithstanding the foregoing or any provision of this Agreement to the contrary, after the Closing Date ATS shall not be entitled to specific performance or any other remedy to the extent that the cost to Diablo arising from the enforcement or exercise of such remedy would exceed the amount then on deposit in the Escrow Indemnity Funds, in accordance with the provisions of the Escrow Indemnity Agreement, for all costs and expenses incurred in connection with its performance of or compliance with the remedy exercised or enforced.

9.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

9.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

9.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

9.9 Governing Law; Venue. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of California applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 8, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action. In the event of any Legal Action between the parties arising out of this Agreement, the parties agree to submit the matter to the appropriate municipal, state or federal court sitting in San Francisco County, California, and the parties agree to submit to the jurisdiction of such courts.

9.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

9.11 Entire Agreement. This Agreement (together with the Diablo Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated December 19, 1996, between the parties, as amended by the letter dated March 19, 1997 (the "Letter of Intent").

9.12 Assignment. This Agreement shall not be assignable by either party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

9.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, including without limitation Section 2.2(c), is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 9.12.

9.14 Mutual Drafting. This Agreement is the result of the joint efforts of Diablo and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

9.15 Arbitration. If there is any dispute between the parties to this Agreement which remains unresolved for thirty (30) days or more, either party may, upon written notice to the other, submit such dispute to binding arbitration in San Francisco, California in accordance with the commercial rules of the American Arbitration Association (the "AAA") before a panel of three (3) arbitrators knowledgeable in the tower communications industry, one arbitrator chosen by ATS, one by Diablo, and the third as mutually agreed upon by the two arbitrators so appointed or, in the absence of such agreement, by the President of the San Francisco Chapter of the AAA, and the decision of such panel shall, in the absence of fraud, be conclusively binding on the parties.

9.16 Disclosure Schedule. Diablo has delivered to ATS prior to execution and delivery of this Agreement the Diablo Disclosure Schedule and all related documents required to be delivered by Diablo pursuant to Article 3 of this Agreement. Without limiting the generality of the foregoing, the Diablo Disclosure Schedule sets forth: (i) which authorizations, consents, waivers, orders or approvals are a condition of Closing pursuant to the provisions of Section 6.1(a); (ii) which Private Authorizations, Leases and Material Agreements and other Contractual Obligations are a condition to Closing pursuant to the provisions of Section 6.2(d); and (iii) which permits, consents or other Governmental Authorizations of the United States Forest Service are a condition to Closing pursuant to the provisions of Section 6.2(m). ATS has received and hereby accepts the Diablo Disclosure Schedule and agrees to consummate the transactions contemplated by this Agreement, subject to the satisfaction of the conditions set forth in Sections 6.1 and 6.2 and subject to the matters disclosed in the Diablo Disclosure Schedule.

IN WITNESS WHEREOF, ATS and Diablo have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

In no event shall the expression of ATS' current intention be deemed to be a covenant or agreement of ATS to so employ any particular current Diablo employee and no rights to employment by any particular current Diablo employee shall be created hereby.

For these purposes, Pro Ratable Taxes attributable to a period that begins before and ends after the Closing Date shall be treated on a "closing of the books" basis as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to

agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the Diablo Disclosure Schedule, within sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, Diablo and ATS shall, within the following ten (10) days, jointly designate a nationally known independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by Diablo and ATS. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, ATS shall be solely responsible for the payment of, and shall defend, indemnify and hold harmless Diablo, its officers, directors and shareholders from, any and all supplemental or additional real property or personal property taxes assessed on or in connection with the Diablo Assets or any part thereof, which arise from the transactions contemplated by this Agreement, with respect to California or other sales and/or use taxes, and documentary or governmental transfer or stamp taxes arising from the purchase and sale of the Diablo Assets and the Diablo Business contemplated hereby.

The purchase price for the Diablo Assets and the Diablo Business (the "Purchase Price") shall be an amount equal to $4,500,000, plus an amount equal to the sum of the Interim Adjustment and Prepaid Expenses and deposits and minus an amount equal to the sum of (i) the Diablo Nonassumed Obligations, if any, which ATS agrees to assume at the request of Diablo and (ii) Prepaid Revenues. Such appraisal shall be conducted in a manner which does not interfere with or inconvenience in any material matter any of the landlords or tenants at any of Diablo's sites and shall not, in any event, affect the Purchase Price. Each of Diablo and ATS shall report the purchase and sale of the Diablo Assets and the Diablo Business and the other Transactions in accordance with the Tax Allocation Schedule for purposes of all federal, state and local Tax Returns and shall not take, and shall cause their respective Affiliates, representatives, successors and assigns not to take, any position on any federal, state or local Tax Return or report, inconsistent with such reporting position. Each of Diablo and ATS shall promptly give the other notice of any disallowance of or challenge to such reporting by any Taxing Authority. Notwithstanding the provisions of this Section, the parties to this Agreement will rely solely on their own advisors in determining the tax consequences of the transactions contemplated by this Agreement and each party is not relying, and will not rely, on any representations or assurances of any other party regarding such consequences other than the representations, warranties, covenants and agreements set forth in writing in this Agreement or furnished pursuant to the provisions hereof.

Subject to and limited by the following, revenues relating to the Accounts Receivable relating to the Diablo Business will be for the account of Diablo. ATS shall use its reasonable business efforts to collect the Accounts Receivable with respect to the Diablo Business for a period of one hundred eighty (180) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is an Accounts Receivable with respect to the Diablo Business shall first be applied in reduction of the Accounts Receivable, unless the customer contests in writing the validity of such application. During the Collection Period, ATS shall furnish Diablo with a list of, and pay over to Diablo, the amounts collected with respect to the Accounts Receivable with respect to the Diablo Business on a monthly basis and forward to Diablo, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to Accounts Receivable. ATS shall provide Diablo with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually and in good faith analyze any uncollected Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Accounts Receivable. As to each such Accounts Receivable, the parties shall negotiate a good faith value of such Accounts Receivable, which ATS shall pay to Diablo if ATS, in its sole discretion, chooses to retain such Accounts Receivable. Diablo shall retain the right to collect any of its Accounts Receivable as to which the parties are unable to reach agreement as to a good faith value, and ATS agrees to turn over to Diablo any payments received against any such Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Accounts Receivable assigned to it for collection hereunder or to refer any of such Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Accounts Receivable, except with the approval of Diablo. ATS shall not incur any liability to Diablo for any uncollected account unless ATS shall have

engaged in willful misconduct or gross negligence in the performance of its obligations set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither Diablo nor its agents shall make any direct solicitation of the Accounts Receivable for collection purposes, except for Accounts Receivable retained by Diablo after the Collection Period. The provisions of this Section shall not apply to those certain Accounts Receivable set forth in Section 2.4 of the Diablo Disclosure Schedule or to any other Accounts Receivable which Diablo, in its sole business judgment, determines will require extraordinary collection efforts or referrals to a collection agency or attorney for collection (collectively, the "Retained Accounts Receivable"), provided the Retained Accounts Receivable are set forth in a written notice delivered to ATS by Diablo on or prior to the Closing Date. Diablo shall retain the sole and exclusive right to collect, whether during or after the Collection Period, all Retained Accounts Receivable, as Diablo in its sole discretion may determine.

2.5 Like-Kind Exchanges. Diablo shall have the right, but not the obligation, to effect the transfer and conveyance of the Diablo Assets, in whole or in part, as part of one or more exchanges under Section 1031 of the Code, including the delay in Closing of escrow for those Assets subject to the exchange. If Diablo so elects, it shall provide notice to ATS of its election (the "Like-Kind Notice"), setting forth in reasonable detail which portion or portions of the Diablo Assets are to be so treated. In such event, Diablo (i) may at any time at or prior to Closing assign its rights, in whole or in part, under this Agreement with respect to such Diablo Assets to a "qualified intermediary" as defined in Treas. Reg. ss.1.1031(k)-1(g)(4), subject to all of the rights and obligations hereunder of ATS, and (ii) shall promptly provide written notice of such assignment to ATS. No such assignment shall, however, relieve Diablo of its obligations under this Agreement. If Diablo shall have given a Like-Kind Notice, ATS shall (i) promptly provide Diablo with written acknowledgment of such notice, (ii) at the Closing, convey the Purchase Price for the Diablo Assets (or such portion of them as shall have been designated in writing by Diablo) to the "qualified intermediary" rather than to Diablo (which conveyance shall, to such extent, discharge the obligation of ATS to deliver such Purchase Price (or portion thereof), and (iii) at the request of Diablo extend the closing of escrow for all or a portion of those assets subject to the Like-Kind Notice for a period not to exceed one year. Should the closing for any Like-Kind Notice properties be so extended, Diablo and ATS shall enter into an agreement reasonably acceptable to each party which agreement shall, to the maximum extent feasible, provide ATS with the rights, benefits, and obligations for any Like-Kind Notice property for which the closing is so extended. Without limiting the generality of the foregoing, Diablo and ATS shall promptly after receipt by ATS of the Like-Kind Notice, negotiate in good faith in order to determine the portion of the Purchase Price attributable to the Diablo Assets which are to be the subject of like-kind exchange and, in the event they are unable to so agree on such amount, it shall be determined by arbitration in accordance with the provisions of Section 9.15 and not materially inconsistent with the appraisal undertaken pursuant to Section 2.3. If such determination has not been made on or prior to the Closing, ATS shall transfer to the "qualified intermediary" the amount proposed by Diablo in the Like-Kind Notice, subject to an agreement by the "qualified intermediary" to remit to Diablo the excess, if any, of the amount so transferred over the amount as finally determined by the arbitrator.

(b) Diablo has all requisite corporate power and corporate authority and has in full force and effect all Governmental Authorizations (which, for purposes of this Section 3.1(b), relate only to the sale of the Diablo Assets and Diablo Business generally and not to "site-specific" Governmental Authorizations or those required by local Applicable Law) and Private Authorizations, except for those set forth in Section 3.1(b) of the Diablo Disclosure Schedule or those the failure of which to obtain do not and will not have, individually or in the aggregate, any material adverse effect on ATS, necessary to enable it to execute and deliver, and to perform its obligations under, this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions; and the execution, delivery and performance of this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto have been duly authorized by all requisite corporate or other action on the part of Diablo. This Agreement has been duly executed and delivered by Diablo and constitutes, and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions when executed and delivered by Diablo will constitute, legal, valid and binding obligations of Diablo, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity.

(c) Except as set forth in Section 3.1(c) of the Diablo Disclosure Schedule, and except for matters which would have no material adverse effect on ATS, neither the execution and delivery by Diablo of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by Diablo of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by Diablo:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of Diablo or any Applicable Law (which, for purposes of this Section 3.1(c)(i), relates only to the sale of the Diablo Assets and the Diablo Business generally and not to local Applicable Law) on the part of Diablo, or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of Diablo, other than those constituting Diablo Nonassumed Obligations; or

(ii) will require Diablo to make or obtain any Governmental Authorization, Governmental Filing (which, for purposes of this Section 3.1(c)(ii)), relate only to the sale of the Diablo Assets and Diablo Business generally and not to "site-specific" Governmental Authorizations or those required by local Applicable Law) or Private Authorization including without limitation under the FCA, except for filings under the Hart-Scott-Rodino Act.

The Diablo Financial Statements, including in each case the notes thereto,

have been prepared in accordance with CAAP applied on a consistent basis throughout the periods covered thereby, except as otherwise noted therein or as set forth in Section 3.2 of the Diablo Disclosure Schedule, are true, accurate and complete in all material respects, do not contain any untrue statement of a material fact or omit to state a material fact required by CAAP to be stated therein or necessary in order to make the statements contained therein not misleading, and fairly present the financial position and the results of operations and cash flow of the Diablo Business, on the bases therein stated, as of the respective dates thereof, and for the respective periods covered thereby subject, in the case of unaudited financial statements, to normal year-end audit adjustments and accruals.

3.3 Changes in Condition. Since the date of the most recent financial statements constituting a part of the Diablo Financial Statements, except to the extent specifically described in Section 3.3 of the Diablo Disclosure Schedule, there has been no material adverse change in Diablo. There is no Event known to Diablo which materially adversely affects, or (so far as Diablo can now reasonably foresee) is likely to materially adversely affect, Diablo, except to the extent specifically described in Section 3.3 of the Diablo Disclosure Schedule.

3.4 Materiality. Other than those set forth in the Diablo Disclosure Schedule, the representations and warranties set forth in this Article would in the aggregate be true and correct even without the materiality exceptions or qualifications contained therein. Other than those set forth in the Diablo Disclosure Schedule, in the aggregate all such exceptions and qualifications to the representations and warranties are not and could not reasonably be expected to be materially adverse to Diablo.

3.5 Title to Properties; Leases.

(a) Section 3.5(a) of the Diablo Disclosure Schedule contains a true, accurate and complete description of all real property owned or leased by Diablo that is part of the Diablo Assets. Except as set forth in Section 3.5(a) of the Diablo Disclosure Schedule, Diablo has good indefeasible, marketable and insurable title to all real property (other than leasehold and managed real property) and good indefeasible and merchantable title to all other assets (other than real property), tangible and intangible, constituting a part of the Diablo Assets, in each case free and clear of all Liens, except (i) Permitted Liens, (ii) Liens set forth on Section 3.5(a) of the Diablo Disclosure Schedule and (iii) Approved Title Conditions. Except as disclosed in Section 3.5(a) of the Diablo Disclosure Schedule, to Diablo's knowledge, all improvements on the real property owned or leased by Diablo are in compliance with applicable zoning, wetlands and land use laws, ordinances and regulations and applicable title covenants, conditions, restrictions and reservations in all respects necessary to conduct the operations as presently conducted, except for any instances of non-compliance which do not and will not in the aggregate have a material adverse effect on the owner or lessee, as the case may be, of such real property. Except as disclosed in Section 3.5(a) of the Diablo Disclosure Statement, all such improvements, to Diablo's knowledge, comply in all material aspects with all Applicable Laws, Governmental Authorizations and Private Authorizations. Except as disclosed in Section 3.5(a) of the Diablo Disclosure Statement, to Diablo's knowledge, all of the transmitting towers, ground radials, guy anchors, transmitting buildings and related improvements located on the real property owned or leased by Diablo are located entirely on such real property. Diablo has no knowledge of any pending, threatened or contemplated action to take by eminent domain or otherwise to condemn any part of any real property owned or leased by Diablo. Except as set forth in Section 3.5(a) of the Diablo Disclosure Schedule, such real property (other than land),

fixtures, fixed assets and other material items of personal property, including equipment, have, in Diablo's reasonable business judgment, been maintained in a manner consistent with generally accepted standards of sound engineering practice and currently permit the Diablo Business to be operated in all material respects in accordance with the terms and conditions of all Applicable Laws, Governmental Authorizations and Private Authorizations.

(b) Section 3.5(b) of the Diablo Disclosure Schedule contains a true, accurate and complete description of all Leases under which any real property used in the Diablo Business is leased. Except as otherwise set forth in Schedule 3.5(b) of the Diablo Disclosure Schedule, each Lease or other occupancy or other agreement under which Diablo holds real or personal property constituting a part of the Diablo Assets has been duly authorized, executed and delivered by Diablo or its predecessors in interest, as the case may be, and, to Diablo's knowledge, each of the other parties thereto, and is a legal, valid and binding obligation of Diablo, and, to Diablo's knowledge, each of the other parties thereto, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity. Diablo has a valid leasehold interest in and enjoys peaceful and undisturbed possession under all Leases pursuant to which it holds any such real property or tangible personal property. All of such Leases are valid and subsisting and in full force and effect; neither Diablo nor, to Diablo's knowledge, any other party thereto, is in material default in the performance, observance or fulfillment of any obligation, covenant or condition contained in any such Lease. None of the fixed assets or equipment comprising a part of the Diablo Assets is subject to contracts of sale, and none is held by Diablo as lessee or as conditional sales vendee under any Lease or conditional sales contract and none is subject to any title retention agreement, except as set forth in Section 3.5(b) of the Diablo Disclosure Schedule.

(c) Section 3.5(c) of the Diablo Disclosure Schedule contains a true, accurate and complete description of all material items of Diablo Personal Property. Diablo owns and has good and merchantable title to all of the Diablo Personal Property relating to the Diablo Business (the "Diablo Personal Property"), in each case, free and clear of all Liens, except (i) Permitted Liens and (ii) Liens set forth on Section 3.5(c) of the Diablo Disclosure Schedule (which Liens shall be released prior to Closing). Except as set forth in Section 3.5(c) of the Diablo Disclosure Schedule, all of the Diablo Personal Property is in a state of good repair and maintenance and is in good operating condition, normal wear and tear excepted, has been maintained in a manner consistent with generally accepted standards of good engineering practice and currently permits the Diablo Business to be operated in accordance with the terms and conditions of all Applicable Laws. Except for financing statements listed in Section 3.5(c) of the Diablo Disclosure Schedule, no financing statements under the Uniform Commercial Code and no other filing which names Diablo as debtor or which covers or purports to cover any of the Diablo Assets is on file in any state or other jurisdiction, and Diablo has not signed or agreed to sign any such financing statement or filing or any agreement authorizing any secured party thereunder to file any such financing statement or filing.

3.6 Compliance with Private Authorizations. Section 3.6 of the Diablo Disclosure Schedule sets forth a true, accurate and complete list and description of each Private Authorization which individually is material to the Diablo Assets or the Diablo Business. To Diablo's knowledge, and as set forth in Section 3.6 of the Diablo Disclosure Schedule, Diablo has obtained all Private Authorizations which are necessary for the ownership or operation of the Diablo Assets or the conduct of the Diablo Business which, if not obtained and maintained, could, individually or in the aggregate, materially adversely affect Diablo. All of such Private Authorizations are valid and in good standing and are in full force and effect. Diablo is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate

any material adverse effect on Diablo. No such Private Authorization is the subject of any pending or, to Diablo's knowledge, threatened attack, revocation or termination.

3.7 Compliance with Governmental Authorizations and Applicable Law.

(a) To Diablo's knowledge, Section 3.7(a) of the Diablo Disclosure Schedule contains a true, complete and accurate description of each Governmental Authorization required under Applicable Laws (i) to own and operate the Diablo Business, as currently conducted or proposed to be conducted on or prior to the Closing Date, all of which are in full force and effect or (ii) that is necessary to permit Diablo to execute and deliver this Agreement and to perform its obligations hereunder. To Diablo's knowledge, except as otherwise set forth in Section 3.7(a) of the Diablo Disclosure Schedule, Diablo has obtained all Governmental Authorizations which are necessary for the ownership or operation of the Diablo Assets or the conduct of the Diablo Business as now conducted and which, if not obtained and maintained, would, individually or in the aggregate, have any material adverse effect on Diablo. None of the Governmental Authorizations listed in Section 3.7(a) of the Diablo Disclosure Schedule is subject to any restriction or condition which would limit in any material respect the ownership or operations of the Diablo Assets or the conduct of the Diablo Business as currently conducted, except for restrictions and conditions generally applicable to Governmental Authorizations of such type. The Governmental Authorizations listed in Section 3.7(a) of the Diablo Disclosure Schedule are valid and in good standing, are in full force and effect and are not impaired in any material respect by any act or omission of Diablo or its officers, directors, employees or agents, and the ownership or operation of the Diablo Assets or the conduct of the Diablo Business are in accordance in all material respects with the Governmental Authorizations. To Diablo's knowledge, all material reports, forms and statements required to be filed by Diablo with all Authorities with respect to the Diablo Business have been filed and are true, complete and accurate in all material respects. No such Governmental Authorization is the subject of any pending or, to Diablo's knowledge, threatened challenge or proceeding to revoke or terminate any such Governmental Authorization. Diablo has no reason to believe that any such Governmental Authorization would not be renewed in the name of Diablo by the granting Authority in the ordinary course.

(b) Except as otherwise specifically described in Section 3.7(b) of the Diablo Disclosure Schedule, neither Diablo nor any director or officer thereof (in connection with ownership or operation of the Diablo Assets or the conduct of the Diablo Business) is in or is charged by any Authority with or, to Diablo's knowledge, at any time since January 1, 1993 has been in or has been charged by any Authority with, or, to Diablo's knowledge, is threatened or under investigation by any Authority with respect to, breach or violation of, or default in the performance, observance or fulfillment of, any Governmental Authorization or any Applicable Law relating to the ownership and operation of the Diablo Assets or the conduct of the Diablo Business. In particular, but without limiting the generality of the foregoing, there are no applications, complaints or Legal Actions pending or, to Diablo's knowledge, threatened before or by any Authority (x) relating to the ownership or operation of the Diablo Assets or the conduct of the Diablo Business which, individually or in the aggregate, are reasonably likely to result in the revocation or termination of any Governmental Authorization or the imposition of any restriction of such a nature as would adversely affect the ownership or operations of the Diablo Business; (y) involving charges of illegal discrimination by Diablo under any federal or state employment Laws, or (z) involving Environmental Laws or zoning laws, except as otherwise specifically described in Section 3.7(b) of the Diablo Disclosure Schedule.

(c) Except as otherwise specifically described in Section 3.7(c) of the Diablo Disclosure Schedule, no Event exists or has occurred, which, to Diablo's knowledge, constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under (i) any Governmental Authorization or any Applicable Law, except for such breaches, violations or defaults as do not and will not have, individually or in the aggregate, any material adverse effect

on Diablo or (ii) any material requirement of any insurance carrier, applicable to the ownership or operations of the Diablo Assets or the conduct of the Diablo Business.

(d) With respect to matters, if any, of a nature referred to in Section 3.7(a), 3.7(b) or 3.7(c) of the Diablo Disclosure Schedule, except as otherwise specifically described in Section 3.7(d) of the Diablo Disclosure Schedule, all such information and matters set forth in Sections 3.7(a), 3.7(b) and 3.7(c) of the Diablo Disclosure Schedule, if adversely determined against Diablo, will not, individually or in the aggregate, have a materially adversely effect on Diablo.

Section 3.8 of the Diablo Disclosure Schedule sets forth a true, accurate and complete description of all Intangible Assets (other than Governmental Authorizations and Private Authorizations) relating to the ownership and operation of the Diablo Assets or the conduct of the Diablo Business held or used by Diablo, including without limitation the nature of Diablo's interest in each and the extent to which the same have been duly registered in the offices as indicated therein. Except as set forth in Section 3.8 of the Diablo Disclosure Schedule, to Diablo's knowledge, no Intangible Assets (except Governmental Authorizations, Private Authorizations, and the Intangible Assets so set forth) are required for the ownership or operation of the Diablo Assets or the conduct of the Diablo Business as currently owned, operated and conducted or proposed to be owned, operated and conducted on or prior to the Closing Date. To Diablo's knowledge, Diablo does not wrongfully infringe upon or unlawfully use any Intangible Assets owned or claimed by another, and Diablo has not received any notice of any claim or infringement relating to any such Intangible Asset.

3.9 Related Transactions. Diablo is not a party or subject to any Contractual Obligation relating to the ownership or operation of the Diablo Assets or the conduct of the Diablo Business between Diablo and any of its officers, directors, shareholders, employees or, to the knowledge of Diablo, any Affiliate of any thereof, including without limitation any Contractual Obligation providing for the furnishing of services to or by, providing for rental of property, real, personal or mixed, to or from, or providing for the lending or borrowing of money to or from or otherwise requiring payments to or from, any such Person, other than (i) Employment Arrangements listed or described in Section 3.15 of the Diablo Disclosure Schedule, (ii) Contractual Obligations between Diablo and any of its directors, shareholders, officers, employees or Affiliates of Diablo or any of the foregoing, which constitute Excluded Assets or Diablo Nonassumed Obligations, or (iii) as specifically set forth in Section 3.9 of the Diablo Disclosure Schedule.

(a) Except as set forth in Section 3.11(a) of the Diablo Disclosure Schedule, Diablo has in accordance with all Applicable Laws filed all Tax Returns which are required to be filed, except with respect to failures to file which in the aggregate would not have a material adverse effect on Diablo and, to Diablo's knowledge, has paid, or made adequate provision for the payment of, all Taxes which have or may become due and payable pursuant to said Tax Returns and all other governmental charges and assessments received to date other than those Taxes being contested in good faith for which adequate provision has been made on the most recent balance sheet forming part of Diablo Financial Statements. The Tax Returns of Diablo have, to Diablo's knowledge, been prepared in all material respects in accordance with all Applicable Laws and generally accepted principles applicable to taxation consistently applied. All Taxes which Diablo is required by law to withhold and collect have, to Diablo's knowledge, been duly withheld and collected, and have been paid over, in a timely manner, to the proper Authorities to the extent due and payable. Diablo has not

executed any waiver to extend, or otherwise taken or failed to take any action that would have the effect of extending, the applicable statute of limitations in respect of any Tax liabilities of Diablo for the fiscal years prior to and including the most recent fiscal year. Adequate provision has, to Diablo's knowledge, been made on the most recent balance sheet forming part of Diablo Financial Statements for all Taxes accrued through the date of such balance sheet of any kind, including interest and penalties in respect thereof, whether disputed or not, and whether past, current or deferred, accrued or unaccrued, fixed, contingent, absolute or other, and there are, to Diablo's knowledge, no past transactions or matters which could result in additional Taxes of a material nature to Diablo for which an adequate reserve has not been provided on such balance sheet. Diablo is not a "consenting corporation" within the meaning of Section 341(f) of the Code. Diablo has at all times been taxable as a Subchapter S corporation under the Code, and has never been a member of any consolidated group for Tax purposes, except as otherwise set forth in Section 3.11(a) of the Diablo Disclosure Schedule.

(b) Subject to the terms and conditions of Section 5.1(a), ATS may, subject to prior consultation with Diablo, disclose such information as may be necessary in connection with seeking all Governmental and Private Authorizations or that is required by Applicable Law to be disclosed. In the event that this Agreement is terminated for any reason, ATS shall promptly redeliver all non-public written material provided pursuant to this Section or any other provision of this Agreement or otherwise in connection with the Transactions and shall not retain any copies, extracts or other reproductions in whole or in part of such written material, other than one copy thereof which shall be delivered to independent counsel for ATS (which independent counsel shall be subject to the provisions of Section 5.1(a)), and ATS shall so certify to such effect.

(c) Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, either party may disclose information received or retained by it in accordance with the provisions of this Agreement if it can demonstrate (i) such information is generally available to or known by the public from a source other than the party seeking to disclose such information or (ii) was obtained by the party seeking to disclose such information from a source other than the other party, provided that such source was not bound by a duty of confidentiality to the other party or another party with respect to such information.

5.2 Agreement to Cooperate.

(a) Each of the parties hereto shall use reasonable business efforts (x) to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under Applicable Law to consummate the Transactions, and (y) to refrain from taking, or cause to be taken, any action and to refrain from doing or causing to be done, any thing which could impede or impair the consummation of the Transactions, including, in all cases, without limitation using its reasonable business efforts (i) to prepare and file with the applicable Authorities as promptly as practicable after the execution of this Agreement all requisite applications and amendments thereto, together with related information, data and exhibits, necessary to request issuance of orders approving the Transactions by all such applicable Authorities, each of which

must be obtained or become final to the extent provided in Section 6.1(a), (ii) to obtain all necessary or appropriate waivers, consents and approvals, including without limitation those referred to in Section 6.2(d), without payment of any material amount of compensation, (iii) to effect all necessary registrations, filings and submissions (including without limitation filings under the Hart-Scott-Rodino Act and all filings necessary for ATS to own and operate the Diablo Assets and conduct the Diablo Business), (iv) to lift any injunction or other legal bar to the Transactions (and, in such case, to proceed with the Transactions as expeditiously as possible), and (v) to obtain the satisfaction of the conditions specified in Article 6, including without limitation the truth and correctness as of the Closing Date as if made on and as of the Closing Date of the representations and warranties of such party and the performance and satisfaction as of the Closing Date of all agreements and conditions to be performed or satisfied by such party.

(b) The parties shall cooperate with one another in the preparation, execution and filing of all Tax Returns, questionnaires, applications, or other documents regarding any real property transfer or gains, sales, use, transfer, value added, stock transfer and stamp Taxes, any transfer, recording, registration and other fees, and any similar Taxes which become payable in connection with the Transactions that are required or permitted to be filed on or before the Closing Date.

(c) Diablo shall, at ATS' expense, cooperate and use its reasonable business efforts to (i) prepare its financial statements for the period ended December 31, 1996 and thereafter in accordance with GAAP and (ii) cause its independent accountants to reasonably cooperate with ATS, and at ATS' expense, in order to enable ATS to have its independent accountants prepare audited financial statements for the Diablo Business described in Section 6.2(g). Without limiting the generality of the foregoing, Diablo agrees that after the Closing Date it will (x) if required by the Securities Act or the Exchange Act, consent to the use of such audited financial statements in any registration statement or other document filed by ATS or any Affiliate of ATS under the Securities Act or the Exchange Act and (y) if reasonably requested by ATS' independent accountants, execute and deliver, and cause its officers to execute and deliver, such "representation" letters as are customarily delivered in connection with audits under comparable circumstances.

5.3 Public Announcements. Until the Closing, or in the event of termination of this Agreement, Diablo and ATS shall consult with the other before issuing any press release or otherwise making any public statements with respect to this Agreement or the Transactions and shall not issue any such press release or make any such public statement without the prior consent of the other. Notwithstanding the foregoing, each party acknowledges and agrees that Diablo and ATS may, without the other's prior consent, issue such press releases or make such public statements as may be required by Applicable Law, in which case, to the extent practicable, the party proposing to make such press release or public statement will consult with the other regarding the nature, extent and form of such press release or public statement. In addition, subject to the terms and conditions hereof, ATS may disclose the subject matter of this Agreement to Persons with whom Diablo has a business or contractual relationship in connection with ATS' due diligence investigation of Diablo; provided, however, that prior to (i) ATS sending any written communication to any such Person, ATS shall secure the written approval of the form and content of such communication, such approval not to be unreasonably withheld, delayed or conditioned, and (ii) any verbal or in person communication with any such Person, ATS shall provide Diablo with the opportunity to participate with ATS in any such conversation or meeting.

5.4 Notification of Certain Matters. Diablo and ATS shall, prior to the Closing, give prompt notice to the other, of the occurrence or non-occurrence of any Event the occurrence or non-occurrence of which would be likely to cause (i) any representation or warranty made by it contained in this Agreement to be untrue or inaccurate in any material respect such that one or more of the conditions of Closing might not be satisfied, or (ii) any covenant, condition or agreement made by it contained in this Agreement not to be complied with or satisfied, or (iii) any change to be made in the Diablo Disclosure Schedule in any respect

such that one or more of the conditions of Closing might not be satisfied, and any failure made by it to comply with or satisfy, or be able to comply with or satisfy, any covenant, condition or agreement to be complied with or satisfied by it hereunder in any respect such that one or more of the conditions of Closing might not be satisfied; provided, however, that the delivery of any notice pursuant to this Section shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

5.5 No Solicitation. So long as this Agreement remains in effect, Diablo shall not, nor shall it knowingly permit any of its Representatives (including, without limitation, any investment banker, broker, finder, attorney or accountant retained by it) to, initiate, solicit or facilitate, directly or indirectly, any inquiries or the making of any proposal with respect to any Alternative Transaction, engage in any discussions or negotiations concerning, or provide to any other Person any information or data relating to, it or any Subsidiary for the purposes of, or otherwise cooperate in any way with or assist or participate in, or facilitate any inquiries or the making of any proposal which constitutes, or may reasonably be expected to lead to, a proposal to seek or effect any Alternative Transaction, or agree to or endorse any Alternative Transaction. "Alternative Transaction" means a transaction or series of related transactions (other than the Transactions) resulting in (i) any merger or consolidation, regardless of whether Diablo is the surviving Entity unless the surviving Entity remains obligated under this Agreement to the same extent as it was, or (ii) any sale or other disposition of all or any substantial part of the Diablo Assets or the Diablo Business. The provisions of this Section shall apply to each of Diablo's Subsidiaries. If Diablo or any of its Representatives receives any inquiry with respect to an Alternative Transaction while this Agreement is in effect, Diablo shall inform the inquiring party that it is not entitled to enter into discussions or negotiations relating to an Alternative Transaction.

5.6 Conduct of Business by Diablo Pending the Closing. Except as otherwise contemplated by this Agreement, after the date hereof and prior to the Closing Date or earlier termination of this Agreement, unless ATS shall otherwise agree in writing, Diablo shall, to the extent relating to the Diablo Business or the Diablo Assets:

(a) conduct its business in the ordinary and usual course of business and consistent with past practice, including without limitation the performance of such maintenance, repairs or replacements with respect to communication towers, fixtures and Personal Property comprising the Diablo Assets as is consistent with past practice;

(b) use all reasonable business efforts to preserve intact its business organizations and goodwill, keep available the services of its present key employees, and preserve the goodwill and business relationships with customers and others having business relationships with it;

(c) to the extent permitted under Applicable Law, confer, as and when reasonably requested, on a regular and frequent basis with one or more representatives of ATS to report material operational matters and the general status of ongoing operations;

(d) maintain with financially responsible insurance companies insurance on its assets and its business in such amounts and against such risks and losses as are consistent with past practice;

(e) use reasonable business efforts to (i) operate the Diablo Business in conformity in all material respects with all Governmental and Private Authorizations, Leases and Material Agreements on a basis consistent with past practice and Applicable Law and the rules and regulations of any Authority with jurisdiction over the Diablo Assets or the Diablo Business, and (ii) maintain in full force and effect all such Governmental and Private Authorizations, Leases and Material Agreements relating to the Diablo Business;

(f) except as set forth in Section 5.6(f) of the Diablo Disclosure Schedule, not (i) dispose of any of the Diablo Assets owned by Diablo or used in the operation of the Diablo Business (other than for the disposition in the ordinary course of business of immaterial assets that are of no further use to the Diablo Business) or (ii) modify or change in any material respect, or enter into, any Material Agreement relating to the Diablo Business; and

(g) not voluntarily take any action which if taken between the end of its most recent fiscal quarter and prior to the date of this Agreement would have been required to be noted as an exception on Section 3.17 of the Diablo Disclosure Schedule.

With respect to any transaction or act proposed to be entered into or performed by Diablo which, pursuant to this Section 5.6, requires the prior approval of ATS, ATS shall be deemed to have approved the same unless written notice of disapproval is received by Diablo within five (5) business days after receipt by ATS of a written request for approval made by Diablo.

5.7 Preliminary Title Reports. As promptly as practicable after the execution of this Agreement, Diablo shall, at its sole cost and expense, deliver or cause to be delivered to ATS a standard preliminary title report dated on or after the date of this Agreement issued by such title company as Diablo and ATS shall mutually reasonably agree (the "Title Company") with respect to those Diablo Assets comprised of the parcels of real property described in Section 5.7 of the Diablo Disclosure Schedule (the "Insured Real Property"). Such reports, as same may be amended or supplemented from time to time to reflect additional title matters, are referred to herein as the "Title Reports". The rights and obligations of the parties shall thereafter be as follows:

(a) On or before fifteen (15) business days after ATS' receipt of the last of the Title Reports, ATS shall give to Diablo written notice ("ATS' Title Notice") of ATS' disapproval of any matters shown in the Title Reports. ATS' failure to give ATS' Title Notice within such fifteen (15) business days shall be deemed to constitute ATS' approval of all matters disclosed by the Title Reports;

(b) If ATS disapproves any title matters pursuant to ATS' Title Notice, Diablo shall deliver written notice ("Diablo's Title Notice") to ATS within ten (10) business days after Diablo's receipt of ATS' Title Notice, stating whether Diablo agrees to eliminate such disapproved title matters from title to the Insured Real Property prior to the Closing or, if such elimination is not feasible prior to the Closing, to effect such elimination thereafter and to indemnify and hold harmless ATS with respect to such remedy. If Diablo fails to timely deliver Diablo's Title Notice, or if Diablo delivers Diablo's Title Notice but states therein that Diablo is unwilling or unable to eliminate such disapproved title matters, ATS and Diablo shall negotiate in good faith in an attempt to resolve such matters (the "Disapproved Title Sites" and, collectively with the "Disapproved Environmental Sites", the "Disapproved Sites") from the Diablo Assets, a reduction of the Purchase Price or an indemnification (and escrow) from Diablo (not subject to the limitations as to time or amount specified in Article 8). If within twenty (20) business days of the commencement of such negotiations (or such longer period as ATS and Diablo shall agree), the parties have been unable to resolve such matters, either party can terminate this Agreement pursuant to the provisions of Section 7.1(f) within ten (10) business days of the end of such negotiation period; and

(c) If, at any time following ATS' approval of the Title Reports, Diablo or the Title Company notifies ATS of any additional matter affecting title to the Insured Real Property, the

parties shall have substantially the same rights and obligations as are set forth in paragraphs (a) and (b) above.

5.8 Environmental Site Assessments. As promptly as practicable after the execution of this Agreement, ATS may at its own cost and expense obtain, and deliver to Diablo full and complete copies of, Phase I environmental site assessment reports (the "Environmental Reports") on any or all of those certain parcels of real property described on Section 5.8 of the Diablo Disclosure Schedule. Site assessments shall be conducted by such consultants and professionals as ATS and Diablo shall mutually agree (collectively, the "Environmental Company"), shall be arranged at times mutually convenient to the parties, and shall be conducted in a manner which does not interfere with or inconvenience in any material manner any of the landlords or tenants at any of Diablo's sites. Each of Diablo and ATS shall be entitled to have representatives present at the time such site assessments are conducted, and to have copies of all correspondence with the Environmental Company:

(a) On or before fifteen (15) business days after ATS' receipt of the last of the Environmental Reports, ATS shall give to Diablo written notice ("ATS' Environmental Notice") of ATS' disapproval of any matters shown in the Environmental Reports. ATS' failure to give ATS' Environmental Notice within such fifteen (15) business days shall be deemed to constitute ATS' approval of all matters disclosed by the Environmental Reports;

(b) If ATS disapproves any environmental matters pursuant to ATS' Environmental Notice, Diablo shall deliver written notice ("Diablo's Environmental Notice") to ATS within ten (10) business days after Diablo's receipt of ATS' Environmental Notice, stating whether Diablo agrees to eliminate and remedy such matter prior to the Closing or, if such elimination or remedy is not feasible prior to the Closing, to effect such elimination and remedy thereafter and to indemnify and hold harmless ATS with respect to such remedy. If Diablo fails to timely deliver Diablo's Environmental Notice, or if Diablo delivers Diablo's Environmental Notice but states therein that Diablo is unwilling or unable to eliminate and remedy such environmental matters, ATS and Diablo shall negotiate in good faith in an attempt to resolve such matters (the "Disapproved Environmental Sites") from the Diablo Assets, a reduction of the Purchase Price or an indemnification (and escrow) from Diablo (not subject to the limitations as to time or amount specified in Article 8). If within twenty (20) business days of the commencement of such negotiations (or such longer period as ATS and Diablo shall agree), the parties have been unable to resolve such matters, either party can terminate this Agreement pursuant to the provisions of Section 7.1(f) within ten (10) business days of the end of such negotiation period; and

(c) If, at any time following ATS' approval of the Environmental Reports, ATS or the Environmental Company notifies Diablo of any additional environmental matter, the parties shall have substantially the same rights and obligations as are set forth in paragraphs (a) and (b) above.

5.9 Post-Closing Covenants and Agreements of the Parties. From and after the consummation of the Transactions, ATS and Diablo covenant and agree as follows:

(a) Diablo shall have the right, if it shall have so notified ATS not later than five (5) business days prior to the Closing, to retain (or to cause any of its Affiliates to retain) the services of each of the individuals named in Section 5.9(a) of the Diablo Disclosure Schedule;

(b) ATS shall afford to Diablo, and Diablo shall afford to ATS, access to their respective employees who were (or in the case of Diablo who remain) employees of Diablo on the Closing Date to the end that such employees are available to provide assistance, consultation and historical

background to the requesting party; provided, however, that neither ATS nor Diablo shall have any such obligation after the expiration of five (5) years from the Closing Date or to the extent that it would exceed an average of four (4) hours per week over such period; and

(c) ATS shall afford to Diablo, and Diablo shall afford to ATS, access to all books and records delivered to ATS or retained by Diablo, as the case may be, relating to periods prior to the Closing Date, in order to enable Diablo or ATS, as the case may be, to prepare all necessary Tax Returns, deal with Legal Actions or other Claims (including without limitation those of the Internal Revenue Service) or personnel matters or for any other reasonable purposes, subject, however, in all events, to the provisions of Section 5.1 with respect to confidentiality. Anything in this Section to the contrary notwithstanding, Diablo and ATS shall cooperate fully in the event of an Internal Revenue Service audit or investigation related to this Agreement, including without limitation providing each other with full and complete access to each other's records and employees to the extent necessary to respond to any such audit or investigation.

ARTICLE 6

CLOSING CONDITIONS

6.1 Conditions to Obligations of Each Party to effect the Transactions. The respective obligations of each party to effect the Transactions shall, except as hereinafter provided in this Section, be subject to the satisfaction at or prior to the Closing Date of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) All authorizations, consents, waivers, orders or approvals required to be obtained from all Authorities, and all filings, submissions, registrations, notices or declarations required to be made by ATS and Diablo with any Authority, prior to the consummation of the Transactions, shall have been obtained from, and made with, all such Authorities, except for such authorizations, consents, waivers, orders, approvals, filings, registrations, notices or declarations as are set forth in Section 6.1(a) of the Diablo Disclosure Schedule or the failure to obtain or make would not, in the reasonable business judgment of ATS, have a material adverse effect on the Diablo Assets and the Diablo Business;

(b) The transactions contemplated by the Other Agreement shall have been consummated prior to or simultaneously with the consummation of the Transactions; and

(c) The parties shall have entered into an escrow agreement in form, scope and substance reasonably satisfactory to the parties with the Title Company or any other Person reasonably acceptable to the parties, pursuant to which, among other things, ATS shall have deposited the portion of the Purchase Price not being delivered to the Indemnity Escrow Agent or to a "qualified intermediary" pursuant to the provisions of Section 2.3, and Diablo shall have delivered deeds in customary form with respect to all of the real property to be conveyed to ATS as part of the Diablo Assets and the parties, to the extent required by Section 9.3, shall have deposited an amount sufficient to pay all recording fees, transfer taxes and other fees and expenses which must be paid as a condition of consummation of the transactions contemplated by this Agreement.

6.2 Conditions to Obligations of ATS. The obligation of ATS to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) All agreements, certificates, opinions and other documents required to be delivered pursuant to the provisions of this Agreement shall be reasonably satisfactory in form, scope and substance to ATS and its counsel, and ATS and its counsel shall have received all information and copies of all documents, including records of corporate proceedings, which they may reasonably request in connection therewith, such documents where appropriate to be certified by proper corporate officers;

(b) Diablo shall have furnished ATS and, at ATS' request, any bank or other financial institution providing credit to ATS, with a favorable opinion, dated the Closing Date of Cooper, White & Cooper, counsel for Diablo, with respect to the matters set forth in Sections 3.1(a), (b) and (c), 3.7(b) and 3.14, and such other matters arising after the date of this Agreement and incident to the Transactions, as ATS or its counsel or its counsel may reasonably request or which may be reasonably requested by any such bank or financial institution or their respective counsel;

(c) The representations and warranties of Diablo contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of Diablo or ATS, except as otherwise specifically provided herein); each and all of the covenants and agreements and conditions to be performed or satisfied by Diablo hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all material respects; and Diablo shall have furnished ATS with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as ATS or its counsel shall have reasonably requested;

(d) Except to the extent, if any, specifically set forth in Section 6.2(d) of the Diablo Disclosure Schedule, all authorizations, consents, waivers, orders or approvals required by the provisions of this Agreement to be obtained from all Persons (other than Authorities) prior to the consummation of the Transactions, including without limitation those required by the provisions of this Agreement in order to vest fully in ATS all right, title and interest in and to all of the Diablo Assets and the Diablo Business (including without limitation all Private Authorizations, Leases and Material Agreements of Diablo), and the full enjoyment thereof shall have been obtained, without the imposition, individually or in the aggregate, of any condition or requirement which could materially adversely affect ATS;

(e) Between the date of this Agreement and the Closing Date, there shall not have occurred and be continuing any material adverse change in Diablo from that reflected in the most recent Diablo Financial Statements; as of the Closing Date, the Governmental Authorizations with respect to the ownership or operation of the Diablo Assets or the conduct of the Diablo Business shall not have been materially and adversely affected by any act, or failure to act, of Diablo;

(f) Diablo shall have delivered or caused to be delivered to ATS all of the Collateral Documents and other agreements, documents and instruments required to be delivered by Diablo to ATS at or prior to the Closing pursuant to the terms of this Agreement;

(g) ATS shall have received from its independent accountants (i) an unqualified report (as to the scope of the audit, access to the books and records and the cooperation of management) on

the financial statements (consisting of balance sheets for each of the fiscal years ended December 31, 1995 and 1996 and statements of operations and cash flow for each of the three years in the period ended December 31, 1996 or such shorter period since its organization) of the Diablo Business, which financial statements shall have been prepared in conformity with GAAP and Regulation S-X under the Securities Act, or (ii) such other documentation as shall be reasonably satisfactory to ATS indicating that such an unqualified report could be issued if requested by ATS;

(h) As of the Closing Date, except as otherwise set forth in Section 3.7(a) of the Diablo Disclosure Schedule, no Legal Action shall be pending before or threatened in writing by any Authority seeking to enjoin, restrain, prohibit or make illegal or to impose any materially adverse conditions in connection with, the consummation of the Transactions, or which might, in the reasonable business judgment of ATS, based upon the advice of counsel, have a material adverse effect on the Diablo Assets and the Diablo Business, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not be deemed to be a threat of any such Legal Action;

(i) All Environmental Reports obtained by the parties prior to the Closing Date pursuant to the provisions of Section 5.8 hereof shall be approved or deemed approved by ATS in the manner described in Section 5.8;

(j) Richard D. Spight ("Spight"), the chairman and principal shareholder of Diablo, shall have executed and delivered to ATS an agreement substantially in the form of Exhibit A attached hereto and made a part hereof (the "Spight Noncompetition Agreement");

(k) Diablo and Spight shall have executed and delivered to ATS and the escrow agent named therein (the "Indemnity Escrow Agent") an escrow agreement (the "Indemnity Escrow Agreement") substantially in the form of Exhibit B attached hereto and made a part hereof;

(l) ATS shall have received standard CLTA title insurance policies insuring ATS' fee interests in all Insured Real Property, subject only to Approved Title Conditions;

(m) Diablo shall have delivered to ATS all use permits, consents or other Governmental Authorizations of and all Leases from the United States Forest Service set forth in Section 6.2(m) of the Diablo Disclosure Schedule; and

(n) Diablo shall have executed and delivered to ATS an agreement, in form, scope and substance reasonably satisfactory to ATS (the "Nonassignable Contracts Agreement"), pursuant to which (i) Diablo will hold (but will have no obligation to perform services thereunder) for the account of ATS, and remit promptly to ATS all amounts received pursuant to the provisions of, all of the Nonassignable Contracts as to which the required approval or consent to the assignment or transfer of which was not obtained and as to which ATS has delivered an Acceptance Notice, and (ii) ATS will agree to (A) perform all services required to be performed under such Nonassignable Contracts, (B) reimburse Diablo for all costs and expenses reasonably incurred pursuant to the Nonassignable Contracts Agreement and (C) indemnify and hold harmless Diablo with respect to all actions taken by ATS pursuant thereto and all actions, if any, taken by Diablo pursuant thereto other than those relating to the bad faith, negligence or willful misconduct of Diablo or its officers, directors, stockholders or employees.

6.3 Conditions to Obligations of Diablo. The obligation of Diablo to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived, in whole or in part, to the extent permitted by Applicable Law:

(a) All agreements, certificates, opinions and other documents required to be delivered pursuant to the provisions of this Agreement shall be reasonably satisfactory in form, scope and substance to Diablo and its counsel, and Diablo and its counsel shall have received all information and copies of all documents, including records of corporate proceedings, which they may reasonably request in connection therewith, such documents where appropriate to be certified by proper corporate officers;

(b) ATS shall have furnished Diablo and, at Diablo's request, any bank of other financial institution providing credit to Diablo, with favorable opinions, dated the Closing Date of Sullivan & Worcester LLP, counsel for ATS, with respect to the matters set forth in Section 4.1 and with respect to such other matters arising after the date of this Agreement and incident to the Transactions, as Diablo or its counsel may reasonably request or which may be reasonably requested by any such bank or financial institution or their respective counsel;

(c) The representations and warranties of ATS contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of Diablo or ATS, except as otherwise specifically provided herein); each and all of the covenants and agreements and conditions to be performed or satisfied by ATS hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all material respects; and ATS shall have furnished Diablo with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as Diablo or its counsel shall have reasonably requested;

(d) ATS shall have delivered or cause to be delivered to Diablo all of the Collateral Documents and other agreements, documents and instruments required to be delivered by ATS to Diablo at or prior to the Closing pursuant to the terms of this Agreement;

(e) As of the Closing Date, no Legal Action shall be pending before or threatened in writing by any Authority seeking to enjoin, restrain, prohibit or make illegal or to impose any materially adverse conditions in connection with, the consummation of the Transactions, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not be deemed to be a threat of any such Legal Action;

(f) ATS shall have executed and delivered to Diablo, Spight and the Indemnity Escrow Agent a counterpart of the Indemnity Escrow Agreement;

(g) ATS shall have executed and delivered to Diablo the Nonassignable Contracts Agreement; and

(h) ATS shall have executed and delivered to Diablo the Exclusivity Agreement.

ARTICLE 7

TERMINATION, AMENDMENT AND WAIVER

7.1 Termination. This Agreement may be terminated at any time prior to the Closing Date:

(a) by mutual consent of Diablo and ATS;

(b) by either ATS or Diablo if any permanent injunction, decree or judgment by any Authority preventing the consummation of the Transactions shall have become final and nonappealable; or

(c) by Diablo in the event (i) Diablo is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) ATS is in material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(d) by ATS in the event (i) ATS is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) Diablo is in material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(e) by ATS in the event of a failure of the condition set forth in Section 6.2(i) or 6.2(l); or

(f) by ATS or Diablo pursuant to the provisions of Section 5.7(b) or 5.8(b).

The term "Termination Date" shall mean September 30, 1997 or such other date as the parties may, from time to time, mutually agree.

The right of ATS or Diablo to terminate this Agreement pursuant to this Section shall remain operative and in full force and effect regardless of any investigation made by or on behalf of either party, any Person controlling any such party or any of their respective Representatives whether prior to or after the execution of this Agreement.

7.2 Effect of Termination.

(a) Except as provided in Sections 5.1 (with respect to confidentiality), 5.3, 9.3 and 9.15 and this Section, in the event of the termination of this Agreement pursuant to Section 7.1, or in the event the Transactions shall not have been consummated prior to the end of business on the Termination Date, this Agreement shall forthwith become void, there shall be no liability on the part of either party, or any of their respective shareholders, officers or directors, to the other and all rights and obligations of either party shall cease; provided, however, that such termination shall not relieve either party from liability for any misrepresentation or breach of any of its warranties, covenants or agreements set forth in this Agreement.

(b) In the event this Agreement is terminated by Diablo pursuant to the provisions of Section 7.1(c), then Diablo shall be entitled to liquidated damages of (i) an amount equal to the Escrow Deposit, together with interest and other earnings thereon, and (ii) delivery and cancellation of the Interim Financing Notes, including all accrued and unpaid interest thereon, and any Additional Compensation Certificates; the parties agree that such amounts shall collectively constitute full payment for any and all damages suffered by Diablo by reason of ATS' failure to consummate the Transactions. ATS and Diablo agree in advance that actual damages would be difficult to ascertain and that such liquidated damages is a fair and equitable amount to reimburse Diablo for damages sustained due to ATS' failure to consummate the Transactions for the above-stated reasons. In the event this Agreement is terminated by ATS pursuant to the provisions of Section 7.1(d), then ATS shall be entitled to the amount of the Escrow Deposit, together with interest and other earnings thereon, without prejudice to ATS' right to pursue damages or other remedies hereunder. Notwithstanding the foregoing, each party shall have the right to seek specific performance pursuant to the provisions of Section 9.5.

(c) In the event this Agreement is terminated pursuant to the provisions of Section 7.1(a), 7.1(b), 7.1(e), 7.1(f) or 7.1(g), except as provided in Section 7.2(a), neither of the parties shall have any further rights or remedies, except that ATS shall be entitled to the Escrow Deposit, together with interest and earnings thereon.

(d) Anything in this Article or elsewhere in this Agreement to the contrary notwithstanding, in no event shall Diablo be required to refund to ATS the nonrefundable deposits made by ATS subsequent to March 31, 1997 pursuant to the Amendment to Letter of Intent dated March 19, 1997.

ARTICLE 8

INDEMNIFICATION

8.1 Survival. The representations, warranties, covenants and agreements of the parties contained in or made pursuant to this Agreement or any Collateral Document (except as otherwise provided in any Collateral Document) shall survive the Closing and shall remain operative and in full force and effect for a period of (a) two (2) years after the Closing Date or (b) in the case of matters of a nature referred to in Section 3.21, three (3) years after the Closing Date, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto. The term "Indemnity Period" shall mean the applicable period with respect to which a representation, warranty, covenant or agreement survives the Closing as provided in this Section. No claim for indemnification, other than with respect to fraud, may be asserted after the expiration of the Indemnity Period. ATS shall promptly advise Diablo in the event it shall discover any fraud or alleged fraud, it being understood that, in the event that ATS discovers such fraud or alleged fraud prior to the expiration of the Indemnity Period and fails to so notify Diablo thereof, it shall not thereafter be entitled to assert any Claim with respect thereto. Notwithstanding anything herein to the contrary, any representation, warranty, covenant and agreement which arises and is the subject of a Claim which is asserted in writing prior to the expiration of the applicable Indemnity Period shall survive with respect to such Claim or any dispute with respect thereto until the final resolution thereof or the expiration of the applicable statute of limitation unless arbitration or litigation has been pursued.

8.2 Indemnification.

(a) During the Indemnity Period, each of Diablo and ATS (the "indemnifying party") agrees that on and after the Closing it shall indemnify and hold harmless the other (the "indemnified party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without

limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document executed by it (collectively, "Loss and Expense"), suffered, directly or indirectly, by the indemnified party by reason of, or arising out of:

(i) any breach of representation or warranty made by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it or any failure by the indemnifying party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document executed by it; or

(ii) any Legal Action or other Claim by any third party relating to the indemnifying party or, in the case of ATS, the ownership or operations of the Diablo Assets or the conduct of the business of the Diablo Business to the extent such Legal Action or other Claim has also resulted in a breach of representation or warranty by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it; or

(iii) in the case of Diablo as the indemnifying party, the failure of Diablo to comply with Bulk Sales law of the State of California.

(b) Diablo agrees that on or after the Closing it shall indemnify and hold harmless ATS from and against any and all Loss and Expense suffered, directly or indirectly, by ATS by reason of, or arising out of, (i) Diablo Nonassumed Obligations or (ii) the ownership and operation of the Diablo Assets and the Diablo Business prior to the Closing Date.

(c) ATS agrees that on or after the Closing it shall indemnify and hold harmless Diablo from and against any and all Loss and Expense suffered, directly of indirectly, by Diablo by reason of, or arising out of, (i) (A) Diablo Assumed Obligations or (B) the ownership and operation of the Diablo Assets and the Diablo Business from and after the Closing Date, except for Events arising prior to or existing on the Closing Date, unless they are part of the Diablo Assumed Obligations, and (ii) any Hart-Scott-Rodino Act or other federal or state antitrust Law filings or any Legal Action or other Claim of any Authority relating to the Transactions based upon any of the foregoing, except, in all cases, to the extent such filing, Legal Action or other Claim relates to or is based upon information furnished or omitted by Diablo.

8.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 8.2, after the Closing, except as otherwise provided in Section 8.6, each indemnified party's rights to indemnification shall be subject to the following limitations: (i) the indemnified party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims (together with Claims (as defined therein) under the Other Agreement ("Other Agreement Claims")) exceeds, in the aggregate, $100,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $100,000), and (ii) in no event shall the aggregate amount required to be paid by each indemnifying party pursuant to the provisions of this Article (and the comparable provision of the Other Agreement) exceed $1,000,000, except for any Loss or Expense arising out of matters of a nature referred to in Sections 3.1 and 4.1 (and the comparable provision of the Other Agreement) as to which the dollar limitations set forth in this clause (ii) shall not apply.

(b) Anything in this Agreement, including without limitation the provisions of Sections 8.2 or 8.3(a), to the contrary notwithstanding, except as provided in Sections 8.3(c) and 8.6, (i) the exclusive recourse of ATS after the Closing with respect to the liability of Diablo pursuant to Section 8.2 or any other provision of this Agreement or Applicable Law which requires Diablo to defend, indemnify or hold harmless

ATS from or against any Claim, Loss or Expense shall be the Escrow Indemnity Funds; and (ii) ATS' remedies for any such liability of Diablo, or for any Claim arising under this Agreement, shall be limited to its right to recover from the Escrow Indemnity Funds in accordance with the provisions of the Escrow Indemnity Agreement, and neither ATS nor any of its officers, directors, shareholders, agents or Affiliated Entities shall have any right of recovery against Diablo or any of its officers, directors, shareholders, agents or Affiliated Entities or against the assets of any of them for any such liability.

(c) In the event there shall be no Claims pending pursuant to the provisions of this Agreement (and/or Other Agreement Claims) with respect to the Escrow Indemnity Funds, if any, existing at the expiration of two (2) years after the Closing, the Escrow Indemnity Funds then remaining shall be distributed to Diablo and DCI (in such proportion as they shall agree in writing). In the event one or more such Claims (and/or Other Agreement Claims) with respect to the Escrow Indemnity Funds, if any, shall exist upon the expiration of the Indemnity Period, funds in an amount equal to the sum of (i) the aggregate amount of such Claims (and/or Other Agreement Claims) and (ii) the amount reasonably necessary to cover the fees, expense and other costs (including reasonable counsel fees and expenses) which will be required to resolve such Claims (and/or Other Agreement Claims) shall be retained as part of the Escrow Indemnity Funds and the balance thereof, if any, shall be distributed to Diablo and DCI (in such proportion as they shall agree in writing). Upon the resolution of all such Claims (and/or Other Agreement Claims) and the payment of all such fees, expenses and costs out of the Escrow Indemnity Funds, the remainder of the Escrow Indemnity Funds, if any, shall be distributed to Diablo and DCI (in such proportion as they shall agree in writing).

(d) If, following the distribution to Diablo, DCI or any other Person of any remaining Escrow Indemnity Funds, ATS becomes entitled to indemnification for Loss and Expense suffered by ATS arising from breach of the warranties and misrepresentations set forth in Section 3.21, or breach by Diablo of any covenants or agreement by Diablo under this Agreement or any Collateral Document to which it is a party, then ATS may pursue such Claim directly against Diablo, its successors and assigns and Spight (but only to the extent he received any such funds); provided, however, that the maximum amount of liability in the aggregate of Diablo (and such successors and assigns and Spight) for any and all such Claims shall be the amount of Escrow Indemnity Funds that were distributed to Diablo, DCI or any other Person (other than a claimant whose Claim was paid out of the Indemnity Escrow Fund) claiming by, through or in the name of Diablo (including without limitation Spight (but only to the extent he received any such funds) or Diablo's or his successors, assigns, trustees, beneficiaries, heirs or executors) upon the expiration of the Indemnity Period or thereafter.

(e) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto. No indemnifying party shall be liable under this Article for a loss resulting from any event relating to a misrepresentation or breach of warranty, covenant or agreement if the indemnifying party can establish that the indemnified party had actual knowledge on or before the Closing Date of such event and did not, on or before the Closing Date, reserve its rights with respect thereto.

8.4 Notice of Claims. If an indemnified party believes that it has suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 8.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying

party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify prejudices such indemnifying party's ability to defend against such Claim.

8.5 Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' written notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party; provided, however, that if the indemnified party fails or refuses to consent in writing to any compromise of settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") within ten (10) business days after receipt of written notice of all of the material terms and conditions of the Settlement Proposal, and such terms and conditions (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement Proposal, and (b) if the indemnified party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership or operations of the Diablo Assets or the conduct of the Diablo Business in substantially the manner then being theretofore owned, operated and conducted by ATS, then, unless the indemnifying party forthwith withdraws the Settlement Proposal, the indemnified party (i) shall have the right but not the obligation to undertake the conduct of the defense of such Legal Action or other Claim, and (ii) whether or not it shall so undertake the defense of such Legal Action or other Claim, shall bear, and shall indemnify and hold the indemnifying party harmless from, all Loss and Expense arising from such Legal Action or other Claim (to the extent not theretofore (x) accrued with respect to the costs and expenses of the defense of such Legal Action or other Claim or (y) paid with respect to such Legal Action or other Claim) in excess of the amount contained in the Settlement Proposal, it being understood, in such event, that the indemnifying party shall bear all Loss and Expense, including subsequently incurred Loss and Expense (including without limitation those attributable to legal fees and expenses) up to the amount contained in the Settlement Proposal, even if the ultimate disposition of such Legal Action or other Claim results in payments to the claimant of less than those contained in the Settlement Proposal.

8.6 Exclusive Remedy. Except for fraud or willful or intentional misrepresentation or breach of warranty, covenant or agreement or as otherwise provided in Section 9.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 9

GENERAL PROVISIONS

9.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time but only by an instrument in writing signed by the parties hereto.

9.2 Waiver. Except to the extent not permitted by Applicable Law, ATS or Diablo may, at any time, extend the time for the performance of any of the obligations or other acts of the other, subject,

however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

9.3 Fees, Expenses and Other Payments. All costs and expenses, incurred in connection with any transfer taxes, recording or documentary taxes, stamps or other comparable charges levied by any Authority in connection with this Agreement and the consummation of the Transactions, title insurance for Diablo's fee-owned Real Property shall be borne equally by Diablo and ATS. All Hart-Scott-Rodino filing fees for both this Agreement and the Other Agreement shall be borne equally by Diablo and ATS up to the amount of $20,000 for each of Diablo and ATS, with the balance to be borne by ATS. All other costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, including without limitation fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto, shall be borne solely and entirely by the party which has incurred such costs and expenses.

9.4 Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express mail, or by recognized courier service, postage prepaid, (b) sent by telex, telegram, telecopy or other form of rapid transmission, confirmed by mailing (by first class or express mail, or by recognized courier service, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which if other than an individual shall be an officer or other responsible party of the receiving party). All such notices and communications shall be mailed, sent or delivered as follows:

or to such other person(s), telex or facsimile number(s) or address(es) as the party to receive any such communication or notice may have designated by written notice to the other party.

9.5 Specific Performance; Other Rights and Remedies. Anything in this Agreement to the contrary notwithstanding, each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party not in material breach of this Agreement or any Collateral Document shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach. Notwithstanding the foregoing or any provision of this Agreement to the contrary, after the Closing Date ATS shall not be entitled to specific performance or any other remedy to the extent that the cost to Diablo arising from the enforcement or exercise of such remedy would exceed the amount then on deposit in the Escrow Indemnity Funds, in accordance with the provisions of the Escrow Indemnity Agreement, for all costs and expenses incurred in connection with its performance of or compliance with the remedy exercised or enforced.

9.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted

by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

9.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

9.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

9.9 Governing Law; Venue. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of California applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 8, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action. In the event of any Legal Action between the parties arising out of this Agreement, the parties agree to submit the matter to the appropriate municipal, state or federal court sitting in San Francisco County, California, and the parties agree to submit to the jurisdiction of such courts.

9.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

9.11 Entire Agreement. This Agreement (together with the Diablo Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated December 19, 1996, between the parties, as amended by the letter dated March 19, 1997 (the "Letter of Intent").

9.12 Assignment. This Agreement shall not be assignable by either party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

9.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, including without limitation Section 2.2(c), is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 9.12.

9.14 Mutual Drafting. This Agreement is the result of the joint efforts of Diablo and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties

and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

9.15 Arbitration. If there is any dispute between the parties to this Agreement which remains unresolved for thirty (30) days or more, either party may, upon written notice to the other, submit such dispute to binding arbitration in San Francisco, California in accordance with the commercial rules of the American Arbitration Association (the "AAA") before a panel of three (3) arbitrators knowledgeable in the tower communications industry, one arbitrator chosen by ATS, one by Diablo, and the third as mutually agreed upon by the two arbitrators so appointed or, in the absence of such agreement, by the President of the San Francisco Chapter of the AAA, and the decision of such panel shall, in the absence of fraud, be conclusively binding on the parties.

9.16 Disclosure Schedule. Diablo has delivered to ATS prior to execution and delivery of this Agreement the Diablo Disclosure Schedule and all related documents required to be delivered by Diablo pursuant to Article 3 of this Agreement. Without limiting the generality of the foregoing, the Diablo Disclosure Schedule sets forth: (i) which authorizations, consents, waivers, orders or approvals are a condition of Closing pursuant to the provisions of Section 6.1(a); (ii) which Private Authorizations, Leases and Material Agreements and other Contractual Obligations are a condition to Closing pursuant to the provisions of Section 6.2(d); and (iii) which permits, consents or other Governmental Authorizations of the United States Forest Service are a condition to Closing pursuant to the provisions of Section 6.2(m). ATS has received and hereby accepts the Diablo Disclosure Schedule and agrees to consummate the transactions contemplated by this Agreement, subject to the satisfaction of the conditions set forth in Sections 6.1 and 6.2 and subject to the matters disclosed in the Diablo Disclosure Schedule.

IN WITNESS WHEREOF, ATS and Diablo have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

(a) At the Closing, ATS shall assume and agree to pay, discharge and perform the following obligations and liabilities (collectively, the "Seller Assumed Obligations"): (i) all of the obligations and liabilities of Seller and the Seller Subsidiaries under the Seller Assumable Agreements, and (ii) all obligations and liabilities of Seller and the Seller Subsidiaries with respect to the ownership and operation of the Seller Assets and the conduct of the Seller Business, on and after the Closing Date; provided, however, that notwithstanding the foregoing, ATS shall not assume and agree to pay, and shall not be obligated with respect to, the Seller Nonassumed Obligations.

(b) ATS shall not assume or become obligated to perform any debt, liability or obligation of Seller or any of its Subsidiaries relating to any of the following matters (collectively, the "Seller Nonassumed Obligations"):

(i) the ownership or operation of the Seller Assets or the conduct of the Seller Business prior to the Closing Date, including without limitation Taxes, unfunded pension costs, any Employment Arrangement (including without limitation any obligation to any Seller Employee for severance benefits, vacation time or sick leave), and any of the following to the extent same arise from Events occurring prior to the Closing Date: products liability, Legal Actions or other Claims, and obligations and liabilities relating to Environmental Law;

(x) any Contract between or among Seller and any Affiliate of Seller, other than those, if any, set forth in Section 2(b)(x) of the Seller Disclosure Schedule.

All Seller Nonassumed Obligations shall remain and be the obligations and liabilities solely of Seller.

(c) Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, the term "Seller Nonassumed Obligations" shall not include, and the term "Seller Assumed Obligations" shall include, any liability arising out of the transfer or assignment to ATS of, or the use or enjoyment of the benefits by ATS under, any Contract, Governmental Authorization or Private Authorization the transfer or assignment of which (according to Section 2.2(c) of the Seller Disclosure Schedule) requires the consent of any Authority or other Person (collectively, the "Nonassignable Contracts"), if ATS has, on or prior to the Closing Date, notified Seller in writing (an "Acceptance Notice") that ATS consents to the transfer or assignment of such Nonassignable Contract despite the failure or inability of ATS and Seller to obtain the approval or consent of an Authority or other Person whose approval or consent is required pursuant to the terms of such Nonassignable Contract, or elects to receive the benefits of such Nonassumable Contract, in either of which events, if the approval or consent of an Authority or other Person applicable to transfer of such Nonassignable Contract is required to be obtained as a condition to ATS' obligations at Closing pursuant to the provisions of Section 6.1(a) or 6.2(d), ATS shall be deemed to have waived such condition with respect to such Nonassignable Contract. With respect to any Nonassignable Contract for which the applicable consent of any Authority or other Person is not obtained prior to the Termination Date and for which ATS does not timely deliver an Acceptance Notice as described in the preceding sentence, Seller and ATS shall enter into an agreement (the "Nonassignable Contracts Agreement"), pursuant to which (i) Seller or the applicable Seller Subsidiary will hold and, to the extent hereinafter provided, perform services thereunder for the account of ATS, and remit promptly to ATS all amounts received pursuant to the provisions of, all of the Nonassignable Contracts as to which the required approval or consent to the assignment or transfer of which was not obtained and as to which ATS has not delivered an Acceptance Notice, and (ii) ATS will agree to (A) perform, to the extent the same would not constitute a breach thereof or a constructive assignment thereof without consent (in which event Seller and the applicable Seller Subsidiary shall continue to perform), all services required to be performed under such Nonassignable Contracts, (B) reimburse Seller or the applicable Seller Subsidiary for all costs and expenses reasonably incurred pursuant to the Nonassignable Contracts Agreement and (C) indemnify and hold harmless Seller and the applicable Seller Subsidiary with respect to all actions taken by ATS thereto and all actions, if any, taken by Seller or the applicable Seller

Subsidiary pursuant thereto other than those relating to the bad faith, gross negligence or willful misconduct of Seller or the applicable Seller Subsidiary or its officers, directors, stockholders or employees.

(d) Notwithstanding anything contained in this Agreement to the contrary, except as set forth in Section 2.2(d) of the Seller Disclosure Schedule, all items of income and expense (including without limitation with respect to rent, utility charges, Pro Ratable Taxes and wages, salaries and accrued but unused vacation of Seller employees) arising from the ownership or operation of the Seller Assets or the conduct of the Seller Business shall be prorated as of 12:01 a.m., Eastern time, on the Closing Date, with Seller entitled to and responsible for any such items on or prior to the Closing Date and ATS entitled to and responsible for any such items relating to any subsequent period. For these purposes, Pro Ratable Taxes attributable to a period that begins before and ends after the Closing Date shall be treated on a "closing of the books" basis as two partial periods, one ending at the close of the Closing Date and the other beginning on the day after the Closing Date, except that Pro Ratable Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis. If either party shall have received any such revenues or paid any such expenses or charges which, pursuant to the terms hereof, the other party is entitled to or responsible for, it shall furnish the other party with a detailed statement of any such items as soon as practicable after receipt or payment thereof. The parties shall use their best efforts to agree upon such items and other adjustments prior to the Closing Date and, in any event, except as set forth in Section 2.2(c) of the Seller Disclosure Schedule, within sixty (60) days thereafter. If the parties are unable within such period to agree upon such items and other adjustments, Seller and ATS shall, within the following ten (10) days, jointly designate an independent public accounting firm to be retained to review such items and other adjustments. The fees and other expenses of retaining such independent public accounting firm shall be borne equally by Seller and ATS. Such firm shall report its conclusions as to such items and other adjustments pursuant to this Section and such report shall be conclusive on all parties to this Agreement and not subject to dispute or review. Upon such agreement or determination by such independent accounting firm, Seller or ATS, as the case may be, shall promptly and, in any event, within five (5) business days reimburse the other party for any income received or expenses paid by the other party and not previously reimbursed or any other adjustment required by this Section.

Nothing contained in this Section 2.2(d) is intended or shall be deemed to amend or modify the indemnification provisions of Article 8 nor to reallocate responsibility for the matters set forth therein.

2.3 Closing; Purchase Price. The closing of the Transactions (the "Closing") shall take place at Saul, Ewing, Remick & Saul, 3800 Central Square West, Philadelphia, Pennsylvania 19102, at 10:00 a.m., local time, on the later of (a) October 31, 1997 and (b) the first business day after ten (10) days following the date all authorizations, consents, waivers, orders and approvals (and, in the case of Section 6.2(d), modifications) required to be obtained pursuant to the provisions of Section 6.1(a) and 6.2(d) have been obtained, or such other date, prior to the Termination Date, as the parties may agree (the "Closing Date"). At the Closing, each of the parties shall deliver such warranty deeds, bills of sale, assignments, assumptions of liabilities, opinions and other instruments and documents as are described in this Agreement or as may be otherwise reasonably requested by the parties and their respective counsel. The purchase price for the Seller Assets and the Seller Business (the "Purchase Price") shall be an amount equal to $70,250,000, subject to adjustment as provided in Section 2.2(d) plus an amount equal to the Prepaid Expenses and minus an amount equal to the sum of (a) the Seller Nonassumed Obligations, if any, which ATS agrees to assume, and (b) Prepaid Revenues. The Purchase Price shall be payable by wire transfer of immediately available funds to Seller for the balance of the Purchase Price to such account (or accounts) as Seller shall designate in written instructions to ATS delivered not later than two (2) business days prior to the Closing.

The parties agree that BIA Consulting, Inc. shall promptly conduct and prior to the Closing complete an appraisal of the Seller Assets which shall be the basis for an allocation schedule (the "Tax Allocation Schedule") pursuant to which the Purchase Price shall be allocated among the Seller Assets. Each of Seller

and ATS shall report the purchase and sale of the Seller Assets and the Seller Business and the other Transactions in accordance with the Tax Allocation Schedule for purposes of all federal, state and local Tax Returns and shall not take, and shall cause their respective Affiliates, representatives, successors and assigns not to take, any position on any federal, state or local Tax Return or report, inconsistent with such reporting position. Each of Seller and ATS shall promptly give the other notice of any disallowance of or challenge to such reporting by any Taxing Authority. Notwithstanding the provisions of this Section, the parties to this Agreement will rely solely on their own advisors in determining the tax consequences of the transactions contemplated by this Agreement and each party is not relying, and will not rely, on any representations or assurances of any other party regarding such consequences other than the representations, warranties, covenants and agreements set forth in writing in this Agreement or furnished pursuant to the provisions hereof.

2.4 Accounts Receivable. At the closing, Seller and its Subsidiaries shall appoint ATS its agent for the purpose of collecting all Accounts Receivable relating to the Seller Business (the "Seller Accounts Receivable"). Seller shall deliver to ATS on or as soon as practicable after the Closing Date a complete and detailed statement showing the name, amount and age of each Accounts Receivable. Subject to and limited by the following, revenues relating to the Seller Accounts Receivable will be for the account of Seller and the Seller Subsidiaries. ATS shall use the same procedures and efforts which it uses with respect to its own accounts receivable to collect the Seller Accounts Receivable for a period of one hundred twenty (120) days after the Closing Date (the "Collection Period"). Any payment received by ATS during the Collection Period from any customer with an account which is a Seller Accounts Receivable shall first be applied in reduction of the Seller Accounts Receivable, unless the customer contests the validity of such application. During the Collection Period, ATS shall furnish Seller with a list of, and pay over to Seller, the amounts collected with respect to the Seller Accounts Receivable on a monthly basis and forward to Seller, promptly upon receipt or delivery, as the case may be, copies of all correspondence relating to the Seller Accounts Receivable. ATS shall provide Seller with a final accounting on or before the fifteenth (15th) day following the end of the Collection Period. Upon the request of either party at and after such time, the parties shall meet to mutually and in good faith analyze any uncollected Seller Accounts Receivable to determine if the same, in their reasonable business judgment, are deemed to be collectable and if ATS desires to retain such Seller Accounts Receivable. As to each such Seller Accounts Receivable, the parties shall negotiate a good faith value of such Seller Accounts Receivable, which ATS shall pay to Seller if ATS, in its sole discretion, chooses to retain such Seller Accounts Receivable. Seller shall retain the right to collect any of the Seller Accounts Receivable as to which the parties are unable to reach agreement as to a good faith value, and ATS agrees to turn over to Seller any payments received against any such Seller Accounts Receivable. ATS shall not be obligated to use any extraordinary efforts to collect any of the Seller Accounts Receivable assigned to it for collection hereunder or to refer any of such Seller Accounts Receivable to a collection agency or to any attorney for collection, and ATS shall not make any such referral or compromise, nor settle or adjust the amount of any such Seller Accounts Receivable, except with the approval of Seller. ATS shall not incur any liability to Seller or any of the Seller Subsidiaries for any uncollected account unless ATS shall have engaged in willful misconduct or gross negligence in the performance of its obligations set forth in this Section. During and after the Collection Period, without specific agreement with ATS to the contrary, neither Seller nor any of its Subsidiaries nor any of its or their agents shall make any direct solicitation of the Seller Accounts Receivable for collection purposes, except for the Seller Accounts Receivable retained by Seller or any of the Seller Subsidiaries after the Collection Period.

(b) Seller and each Seller Subsidiary has all requisite corporate or partnership, power and authority and has in full force and effect all Governmental Authorizations and Private Authorizations, except for those set forth in Section 3.1(b) of the Seller Disclosure Schedule or those the failure of which to obtain do not and will not have, individually or in the aggregate, any material Adverse effect on Seller or any Seller Subsidiary, necessary to enable it to execute and deliver, and to perform its obligations under, this Agreement and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions; and the execution, delivery and performance of this Agreement and each Collateral Document executed or required to be executed by it and each Seller Subsidiary pursuant hereto or thereto have been duly authorized by all requisite corporate, partnership or other action on the part of Seller and each Seller Subsidiary. This Agreement has been duly executed and delivered by Seller and each Seller Subsidiary and constitutes, and each Collateral Document executed or required to be executed by it pursuant hereto or thereto or to consummate the Transactions when executed and delivered by Seller and each Seller Subsidiary will constitute, legal, valid and binding obligations of Seller and each Seller Subsidiary, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity.

(c) Except as set forth in Section 3.1(c) of the Seller Disclosure Schedule, and except for matters which would have no material Adverse effect on Seller or any Seller Subsidiary, neither the execution and delivery by Seller and each Seller Subsidiary of this Agreement or any Collateral Document executed or required to be executed by it pursuant hereto or thereto, nor the consummation by Seller and each Seller Subsidiary of the Transactions, nor compliance with the terms, conditions and provisions hereof or thereof by Seller and each Seller Subsidiary:

(i) will conflict with, or result in a breach or violation of, or constitute a default under, any Organic Document of Seller or any Seller Subsidiary or any Applicable Law, or will conflict with, or result in a breach or violation of, or constitute a default under, or permit the acceleration of any obligation or liability in, or but for any requirement of giving of notice or passage of time or both would constitute such a conflict with, breach or violation of, or default under, or permit any such acceleration in, any Contractual Obligation of Seller or any Seller Subsidiary, other than those constituting Seller Nonassumed Obligations; or

(ii) will require Seller to make or obtain any Governmental Authorization, Governmental Filing or Private Authorization including without limitation under the FCA, except for filings under the Hart-Scott-Rodino Act and the filings described in Section 3.1(c) of the Seller Disclosure Schedule.

(d) Seller and the Seller Subsidiaries are the only Persons which own or have owned any interest in any of the Seller Assets or any aspect of the Seller Business other than those set forth on Section 3.1(d) of the Seller Disclosure Schedule.

3.2 Financial and Other Information.. Seller has heretofore furnished to ATS copies of the financial statements of the Seller Business listed in Section 3.2 of the Seller Disclosure Schedule (the "Seller Financial Statements"). The Seller Financial Statements, including in each case the notes thereto, have been prepared in accordance with GAAP applied on a consistent basis throughout the periods covered thereby, except as otherwise noted therein or as set forth in Section 3.2 of the Seller Disclosure Schedule, are true, accurate and complete in all material respects, do not contain any untrue statement of a material fact or omit to state a material fact required by GAAP to be stated therein or necessary in order to make the statements contained therein not misleading, and fairly present the financial condition and the results of operations and cash flow of the Seller Business, on the bases therein stated, as of the respective dates thereof, and for the respective periods covered thereby subject, in the case of unaudited financial statements, to normal nonmaterial year-end audit adjustments and accruals.

3.3 Changes in Condition. Since the date of the most recent financial statements constituting a part of the Seller Financial Statements, except to the extent specifically described in Section 3.3 of the Seller Disclosure Schedule, there has been no material Adverse change in Seller or any Seller Subsidiary. There is no Event known to Seller which materially Adversely affects, or (so far as Seller can now reasonably foresee) is likely to materially Adversely affect, Seller or any Seller Subsidiary, except to the extent specifically described in Section 3.3 of the Seller Disclosure Schedule.

3.4 Materiality. The individual materiality exceptions and qualifications contained herein or in the Seller Disclosure Schedules do not in the aggregate, in the reasonable business judgment of Seller, prevent the Seller Business from operating in the ordinary course or, in the aggregate, Materially Adversely Affect the value of Seller Assets or the Seller Business in the hands of ATS.

3.5 Title to Properties; Leases.

(a) Section 3.5(a) of the Seller Disclosure Schedule contains a true, accurate and complete list of all real property owned by Seller or any Seller Subsidiary that is part of the Seller Assets. Seller or the applicable Seller Subsidiary, as the case may be, has good indefeasible, marketable and insurable title to all real property (other than leasehold real property) and good and merchantable title to all other assets (other than real property), tangible and intangible, constituting a part of the Seller Assets, in each case free and clear of all Liens, except (i) Permitted Liens, (ii) Liens set forth on Section 3.5(a) of the Seller Disclosure Schedule and (iii) Approved Title Conditions. To Seller's knowledge, except as disclosed in Section 3.5(a) of the Seller Disclosure Schedule, all improvements on the real property owned or leased by Seller and the Seller Subsidiaries and constituting a part of the Seller Assets are in compliance with applicable zoning, wetlands and land use laws, ordinances and regulations and applicable title covenants, conditions, restrictions and reservations in all respects necessary to conduct the operations as presently conducted, except for any instances of non-compliance which do not and will not in the aggregate have a material Adverse effect on the owner or lessee, as the case may be, of such real property. To Seller's

knowledge, except as disclosed in Section 3.5(a) of the Seller Disclosure Statement, all such improvements comply in all material aspects with all Applicable Laws, Governmental Authorizations and Private Authorizations. To Seller's knowledge, except as disclosed in Section 3.5(a) of the Seller Disclosure Statement, all of the transmitting towers, ground radials, guy anchors, transmitting buildings and related improvements located on the real property owned or leased by Seller and the Seller Subsidiaries and constituting a part of the Seller Assets are located entirely on such real property. To Seller's knowledge, there is no pending, threatened or contemplated action to take by eminent domain or otherwise to condemn any part of any real property owned or leased by Seller and the Seller Subsidiaries and constituting a part of the Seller Assets. Except as set forth in Section 3.5(a) of the Seller Disclosure Schedule, such real property (other than land), fixtures, fixed assets and other material items of personal property, including equipment, have, in Seller's reasonable business judgment, been maintained in a manner consistent with sound engineering practice and currently permit the Seller Business to be operated in all material respects in accordance with the terms and conditions of all Applicable Laws, Governmental Authorizations and Private Authorizations.

(b) Section 3.5(b) of the Seller Disclosure Schedule contains a true, accurate and complete list of all Leases under which any real property used in the Seller Business is leased. Except as otherwise set forth in Schedule 3.5(b) of the Seller Disclosure Schedule, each Lease or other occupancy or other agreement under which Seller and each Seller Subsidiary holds real or personal property constituting a part of the Seller Assets has been duly authorized, executed and delivered by Seller and each Seller Subsidiary and, to Seller's knowledge, each of the other parties thereto, and is a legal, valid and binding obligation of Seller and each Seller Subsidiary, and, to Seller's knowledge, each of the other parties thereto, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity. To Seller's knowledge, Seller or the applicable Seller Subsidiary, as the case may be, has a valid leasehold interest in and enjoys peaceful and undisturbed possession under all Leases pursuant to which it holds any such real property or tangible personal property. To Seller's knowledge, all of such Leases are valid and subsisting and in full force and effect; neither Seller or the applicable Seller Subsidiary, as the case may be, nor, to Seller's knowledge, any other party thereto, is in material default in the performance, observance or fulfillment of any obligation, covenant or condition contained in any such Lease. None of the fixed assets or equipment comprising a part of the Seller Assets is subject to contracts of sale, and none is held by Seller or any Seller Subsidiary as lessee or as conditional sales vendee under any Lease or conditional sales contract and none is subject to any title retention agreement, except as set forth in Section 3.5(b) of the Seller Disclosure Schedule.

(c) Section 3.5(c) of the Seller Disclosure Schedule contains a true, accurate and complete list of all material items of Seller Personal Property. Seller or the applicable Seller Subsidiary, as the case may be, owns and has good and merchantable title to all of the Personal Property relating to the Seller Business (the "Seller Personal Property"), in each case, free and clear of all Liens, except (i) Permitted Liens and (ii) Liens set forth on Section 3.5(c) of the Seller Disclosure Schedule (which Liens shall be released prior to Closing). Except as set forth in Section 3.5(c) of the Seller Disclosure Schedule, all of the Seller Personal Property is in operating condition, has been maintained in a manner consistent with good engineering practice, does not, to Seller's knowledge, require any material amount of repair, maintenance or replacement and currently permits the Seller Business to be operated in accordance with the terms and conditions of all Applicable Laws. The Seller Personal Property is being sold in "as is" condition.

3.6 Compliance with Private Authorizations. Section 3.6 of the Seller Disclosure Schedule sets forth a true, accurate and complete list of each Private Authorization which individually is material to the Seller Assets or the Seller Business. To Seller's knowledge, Seller and each Seller Subsidiary has obtained all Private Authorizations which are necessary for the ownership or operation of the Seller Assets or the conduct of the Seller Business which, if not obtained and maintained, could, individually or in the aggregate,

materially Adversely affect Seller or any Seller Subsidiary. To Seller's knowledge, All of such Private Authorizations are valid and in good standing and are in full force and effect. None of Seller or any Seller Subsidiary is in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any material Adverse effect on Seller or any Seller Subsidiary. To Seller's knowledge, no such Private Authorization is the subject of any pending or threatened attack, revocation or termination.

3.7 Compliance with Governmental Authorizations and Applicable Law.

(a) Section 3.7(a) of the Seller Disclosure Schedule contains a true, complete and accurate list of each Governmental Authorization required, to Seller's knowledge, under Applicable Laws (i) to own and operate the Seller Business, as currently conducted or proposed to be conducted on or prior to the Closing Date, all of which are in full force and effect or (ii) that is necessary to permit Seller to execute and deliver this Agreement and to perform its obligations hereunder. Except as set forth in Section 3.7(a) of the Seller Disclosure Schedule, to Seller's knowledge, Seller and each Seller Subsidiary has obtained all Governmental Authorizations which are necessary for the ownership or operation of the Seller Assets or the conduct of the Seller Business as now conducted and which, if not obtained and maintained, would, individually or in the aggregate, have any material Adverse effect on Seller or any Seller Subsidiary. To Seller's knowledge, none of the Governmental Authorizations listed in Section 3.7(a) of the Seller Disclosure Schedule is subject to any restriction or condition which would limit in any material respect the ownership or operations of the Seller Assets or the conduct of the Seller Business as currently conducted, except for restrictions and conditions generally applicable to Governmental Authorizations of such type. To Seller's knowledge, except as set forth in Section 3.7(a) of the Seller Disclosure Schedule, the Governmental Authorizations listed in Section 3.7(a) of the Seller Disclosure Schedule are valid and in good standing, are in full force and effect and are not impaired in any material respect by any act or omission of Seller, the Seller Subsidiaries or any of their respective officers, directors, employees or agents, and the ownership or operation of the Seller Assets or the conduct of the Seller Business are in accordance in all material respects with the Governmental Authorizations. To Seller's knowledge, all material reports, forms and statements required to be filed by Seller and each Seller Subsidiary with all Authorities with respect to the Seller Business have been filed and are true, complete and accurate in all material respects. To Seller's knowledge, no such Governmental Authorization is the subject of any pending or threatened challenge or proceeding to revoke or terminate any such Governmental Authorization. Seller has no reason to believe that any such Governmental Authorization would not be renewed in the name of Seller or the applicable Seller Subsidiary by the granting Authority in the ordinary course.

(b) Except as otherwise specifically described in Section 3.7(b) of the Seller Disclosure Schedule, none of Seller, any Seller Subsidiary nor any director or officer thereof (in connection with ownership or operation of the Seller Assets or the conduct of the Seller Business) is in or is charged by any Authority with or, to Seller's knowledge, at any time since January 1, 1996 has been in or has been charged by any Authority with, or, to Seller's knowledge, is threatened or under investigation by any Authority with respect to, breach or violation of, or default in the performance, observance or fulfillment of, any Governmental Authorization or any Applicable Law relating to the ownership and operation of the Seller Assets or the conduct of the Seller Business. In particular, but without limiting the generality of the foregoing, to Seller's knowledge, there are no applications, complaints or Legal Actions pending or threatened before or by any Authority (x) relating to the ownership or operation of the Seller Assets or the conduct of the Seller Business which, individually or in the aggregate, are reasonably likely to result in the revocation or termination of any Governmental Authorization or the imposition of any restriction of such a nature as would Adversely affect the ownership or operation of the Seller Assets or the conduct of the Seller

Business; (y) involving charges of illegal discrimination by Seller or any Seller Subsidiary under any federal or state employment Laws with respect to any of the Seller Employees, or (z) involving Environmental Laws or zoning laws, except as otherwise specifically described in Section 3.7(b) of the Seller Disclosure Schedule.

(c) Except as otherwise specifically described in Section 3.7(c) of the Seller Disclosure Schedule, to Seller's knowledge, no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under (i) any Governmental Authorization or any Applicable Law, except for such breaches, violations or defaults as do not and will not have, individually or in the aggregate, any material Adverse effect on Seller or any Seller Subsidiary or (ii) any material requirement of any property or liability insurance carrier, applicable to the ownership or operations of the Seller Assets or the conduct of the Seller Business.

(d) With respect to matters, if any, of a nature referred to in Section 3.7(a), 3.7(b) or 3.7(c) of the Seller Disclosure Schedule, except as otherwise specifically described in Section 3.7(d) of the Seller Disclosure Schedule, all such information and matters set forth in the Seller Disclosure Schedule, if Adversely determined against Seller or the applicable Seller Subsidiary, will not, individually or in the aggregate, have a materially Adversely effect on Seller or any Seller Subsidiary.

3.8 Intangible Assets. Section 3.8 of the Seller Disclosure Schedule sets forth a true, accurate and complete list of all Intangible Assets (other than Governmental Authorizations and Private Authorizations) relating to the ownership and operation of the Seller Assets or the conduct of the Seller Business held or used by Seller and each Seller Subsidiary, including without limitation the nature of Seller's and each Seller Subsidiary's interest in each and the extent to which the same have been duly registered in the offices as indicated therein. To Seller's knowledge, except as set forth in Section 3.8 of the Seller Disclosure Schedule, no Intangible Assets (except Governmental Authorizations, Private Authorizations, and the Intangible Assets so set forth) are required for the ownership or operation of the Seller Assets or the conduct of the Seller Business as currently owned, operated and conducted or proposed to be owned, operated and conducted on or prior to the Closing Date. Seller does not, to its knowledge, wrongfully infringe upon or unlawfully use any Intangible Assets owned or claimed by another, and none of Seller or any Seller Subsidiary has received any notice of any claim or infringement relating to any such Intangible Asset.

3.9 Related Transactions. Such reports, as same may be amended or supplemented from time to time to reflect additional title matters, are referred to herein as the "Title Reports". The rights and obligations of the parties shall thereafter be as follows:

(a) On or before fifteen (15) business days after ATS' receipt of each of the Title Reports, ATS shall give to Seller written notice ("ATS' Title Notice") of ATS' disapproval of any matters shown in the Title Reports. ATS' failure to give ATS' Title Notice shall be deemed to constitute ATS' approval of all matters disclosed by the Title Reports.

(b) If ATS disapproves any title matters pursuant to ATS' Title Notice, Seller shall deliver written notice ("Seller's Title Notice") to ATS within fifteen (15) business days after Seller's receipt of ATS' Title Notice, stating whether Seller agrees to eliminate or cause the Title Company to insure over such disapproved title matters from title to the Insured Real Property prior to the Closing or, if elimination is not feasible prior to the Closing, to effect such elimination thereafter and to indemnify and hold harmless ATS with respect to such remedy. If Seller fails to timely deliver Seller's Title Notice, or if Seller delivers Seller's Title Notice but states therein that Seller is unwilling or unable to eliminate such disapproved title matters, ATS and Seller shall negotiate in good faith in an attempt to resolve such matters which resolution may, without limitation, take the form of eliminating one or more of the sites with disapproved title matters (the "Disapproved Title Sites" and, collectively with the "Disapproved Environmental Sites", the "Disapproved Sites") from the Seller Assets, a reduction of the Purchase Price or an indemnification (or escrow) from Seller (subject to the limitations as to time or amount specified in Section 5.9 and Article 8). If within twenty (20) business days of such negotiations (or such longer period as ATS and Seller shall agree), the parties have been unable to resolve such matters, the provisions of Section 5.9 shall govern.

(c) If, at any time following ATS' approval of the Title Reports, Seller or the Title Company notifies ATS of any additional matter affecting title to the Insured Real Property, the parties shall have substantially the same rights and obligations as are set forth in paragraphs (a) and (b) above with respect to the affected parcel.

5.8 Environmental Site Assessments. Not later than sixty (60) days after the execution of this Agreement, ATS may obtain, and deliver to Seller full and complete copies of, Phase I environmental site assessment reports (the "Environmental Reports") on any or all of those certain parcels of real property described on Section 5.8 of the Seller Disclosure Schedule. Site assessments shall be conducted by such consultants and professionals as ATS and Seller shall mutually agree (collectively, the "Environmental Company"), and shall be arranged at times mutually convenient to the parties. Each of Seller and ATS shall be entitled to have representatives present at the time such site assessments are conducted, and to have copies of all correspondence with the Environmental Company.

(a) On or before fifteen (15) business days after ATS' receipt of each of the Environmental Reports, ATS shall give to Seller written notice ("ATS' Environmental Notice") of ATS' disapproval of any matters shown in the Environmental Reports. ATS' failure to give ATS' Environmental Notice shall be deemed to constitute ATS' approval of all matters disclosed by the Environmental Reports.

(b) If ATS disapproves any environmental matters pursuant to ATS' Environmental Notice, Seller shall deliver written notice ("Seller's Environmental Notice") to ATS within fifteen (15) business days after Seller's receipt of ATS' Environmental Notice, stating whether Seller agrees to eliminate and remedy such matter prior to the Closing or, if such elimination or remedy is not feasible prior to the Closing, to effect such elimination and remedy thereafter and to indemnify and hold harmless ATS with respect to such remedy. If Seller fails to timely deliver Seller's Environmental Notice, or if Seller delivers Seller's Environmental Notice but states therein that Seller is unwilling or unable to eliminate and remedy such environmental matters, ATS and Seller shall negotiate in good faith in an attempt to resolve such matters which resolution may, without limitation, take the form of eliminating one or more of the sites with disapproved environmental matters (the "Disapproved Environmental Sites") from the Seller Assets, a reduction of the Purchase Price or an indemnification (or escrow) from Seller (subject to the limitations as to time or amount specified in Section 5.9 and Article 8). If within twenty (20) business days of such negotiations (or

such longer period as ATS and Seller shall agree), the parties have been unable to resolve such matters, the provisions of Section 5.9 shall govern.

(c) If, at any time following ATS' approval of the Environmental Reports, ATS or the Environmental Company notifies Seller of any additional environmental matter, the parties shall have substantially the same rights and obligations as are set forth in paragraphs (a) and (b) above with respect to the affected site.

5.9 Resolution of Title and Environmental Disapproved Matters. In the event ATS and Seller are unable to resolve matters with respect to disapproved title matters pursuant to the provisions of Section 5.7 and/or with respect to disapproved environmental matters pursuant to the provisions of Section 5.8, the rights and obligations of the parties with respect to such matters shall thereafter be as follows:

(a) In the event that the aggregate cost reasonably estimated by the parties (or, in the event they are unable to agree, the Title Company and the Environmental Company) to eliminate the disapproved title matters and eliminate and remedy the disapproved environmental matters with respect to the Disapproved Sites (the "Disapproved Cost Amount") is not greater than $500,000 with respect to any particular Disapproved Site (the "Maximum Site Disapproved Cost Amount") and not greater than $2,000,000 for all Disapproved Sites (the "Maximum Disapproved Cost Amount"), then ATS shall have the right to require Seller to remedy all such matters (including, at ATS' election, after the Closing in which event Seller shall indemnify and hold harmless ATS with respect to such remedy and shall place in escrow with the Title Company a sum sufficient to effect such remedy but not in excess of the limitations set forth in this paragraph) and to proceed with the Closing;

(b) In the event that the Disapproved Cost Amount is greater than the Maximum Disapproved Cost Amount, then ATS shall have the right to require Seller to remedy all such matters (including, at ATS' election, after the Closing in which event Seller shall indemnify and hold harmless ATS with respect to such remedy and shall place in escrow with the Title Company a sum sufficient to effect such remedy but not in excess of the limitations set forth in paragraph (a) of this Section) and to proceed with the Closing; provided, however, that under such circumstances, Seller shall have the right to elect not to effect such remedy with respect to (i) any particular Disapproved Site if the Disapproved Cost Amount for such Disapproved Site exceeds the Maximum Site Disapproved Cost Amount and (ii) one or more of the Disapproved Sites (to the extent there is a choice, selected by Seller with the approval of ATS, such approval not to be unreasonably withheld), the aggregate Disapproved Cost Amount of which is not greater than the excess of the Disapproved Cost Amount over the Maximum Disapproved Cost Amount, in which event, unless Seller or ATS shall, in its sole and absolute discretion, have agreed to bear the excess determined pursuant to clause (i) and/or (ii) of this paragraph or the parties shall have otherwise agreed in writing, such Disapproved Site or Sites shall be eliminated from the Seller Assets and the Purchase Price shall be reduced in accordance with the provisions of paragraph (c) below; and

(c) In the event one or more Disapproved Sites is eliminated from the Seller Assets, the parties shall negotiate in good faith in an attempt to agree upon the fair market value of such Disapproved Sites, which value shall be based on the Purchase Price and shall assume that there were no disapproved title and/or environmental matters with respect to such Disapproved Sites. In the event the parties are unable within twenty (20) business days to agree upon such fair market value, the matter shall be submitted to binding, nonappealable arbitration in accordance with the federal commercial arbitration rules of the American Arbitration Association before the Philadelphia chapter, with each party paying its own legal and other expenses.

Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, the costs required to be expended by Seller pursuant to the provisions of this Section (whether prior or subsequent to the Closing) shall not affect the obligations of Seller pursuant to the provisions of Article 8.

5.10 Post-Closing Covenants and Agreements of the Parties. From and after the consummation of the Transactions, ATS and Seller covenant and agree as follows:

(a) ATS shall afford to Seller, and Seller shall afford to ATS, access to each of their (and, in the case of Seller, any of the Seller Subsidiaries) respective employees who were (or in the case of Seller who remain) employees of Seller (or any of the Seller Subsidiaries) on the Closing Date to the end that such employees are available to provide assistance, consultation and historical background to the requesting party; provided, however, that neither ATS nor Seller shall have any such obligation after the expiration of one (1) year from the Closing Date or to the extent that it would unduly interfere with the continuing conduct by ATS or Seller of their respective businesses; and

(b) ATS shall afford to Seller, and Seller shall afford to ATS, access to all books and records delivered to ATS or retained by Seller (or any of the Seller Subsidiaries), as the case may be, relating to periods prior to the Closing Date, in order to enable Seller or ATS, as the case may be, to prepare all necessary Tax Returns, deal with Legal Actions or other Claims (including without limitation those of the Internal Revenue Service) or personnel matters or for any other reasonable purposes, subject, however, in all events, to the provisions of Section 5.1 with respect to confidentiality.

ARTICLE 6

The respective obligations of each party to effect the Transactions shall, except as hereinafter provided in this Section, be subject to the satisfaction at or prior to the Closing Date of the following conditions, any or all of which may be waived in writing, in whole or in part, to the extent permitted by Applicable Law:

(a) As of the Closing Date, no Legal Action shall be pending before or threatened in writing by any Authority seeking to enjoin, restrain, prohibit or make illegal or to impose any materially Adverse conditions in connection with, the consummation of the Transactions, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not in itself be deemed to be a threat of any such Legal Action; and

(b) All authorizations, consents, waivers, orders or approvals required to be obtained from all Authorities, and all filings, submissions, registrations, notices or declarations required to be made by ATS and Seller with any Authority, prior to the consummation of the Transactions, shall have been obtained from, and made with, all such Authorities, except for such authorizations, consents, waivers, orders, approvals, filings, registrations, notices or declarations, if any, as are set forth in Section 6.1(b) of the Seller Disclosure Schedule or the failure to obtain or make would not, in the reasonable business judgment of ATS, have a material Adverse effect on the Seller Assets or the Seller Business.

6.2 Conditions to Obligations of ATS. The obligation of ATS to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived in writing, in whole or in part, to the extent permitted by Applicable Law:

(a) All agreements, certificates, opinions and other documents required to be delivered pursuant to the provisions of this Agreement shall be reasonably satisfactory in form, scope and substance to ATS and its counsel, and ATS and its counsel shall have received all information and copies of all documents, including records of corporate proceedings, which they may reasonably request in connection therewith, such documents where appropriate to be certified by proper Authorities or corporate officers;

(b) Seller shall have furnished ATS and, at ATS' request, any bank or other financial institution providing credit to ATS, with a favorable opinion, dated the Closing Date of Saul, Ewing, Remick & Saul, counsel for Seller and the Seller Subsidiaries, with respect to the matters set forth in Sections 3.1 and 3.7, and such other matters arising after the date of this Agreement and incident to the Transactions, as ATS or its counsel or its counsel may reasonably request or which may be reasonably requested by any such bank or financial institution or their respective counsel;

(c) The representations and warranties of Seller contained in this Agreement shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of Seller or ATS, except as otherwise specifically provided herein); each and all of the agreements and conditions to be performed or satisfied by Seller hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all material respects; and Seller shall have furnished ATS with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as ATS or its counsel shall have reasonably requested;

(d) Except for such authorizations, consents, waivers, orders or approvals the failure of which to obtain would not, in the reasonable business judgment of ATS, have a material Adverse effect on the Seller Assets or the Seller Business, all authorizations, consents, waivers, orders or approvals required by the provisions of this Agreement to be obtained from all Persons (other than Authorities) prior to the consummation of the Transactions, including without limitation those required by the provisions of this Agreement in order to vest fully in ATS all right, title and interest in and to all of the Seller Assets and the Seller Business (including without limitation all Private Authorizations, Leases and Material Agreements of Seller and, at the cost and expense of Seller, all modifications of Leases and other Contractual Obligations which ATS shall within ten (10) business days of the date hereof advise Seller in writing are a requirement of Closing) and the full enjoyment thereof shall have been obtained, without the imposition, individually or in the aggregate, of any condition or requirement which could materially Adversely affect ATS;

(e) Between the date of this Agreement and the Closing Date, there shall not have occurred and be continuing any material Adverse change in Seller from that reflected in the most recent Seller Financial Statements which Materially and Adversely effects the transactions contemplated hereby except for events affecting the tower rental and video transmission industry generally; as of the Closing Date, the Governmental Authorizations with respect to the ownership or operation of the Seller Assets or the conduct of the Seller Business shall not have been materially and Adversely affected by any act, or failure to act, of Seller;

(f) Seller and each Seller Subsidiary shall have delivered or cause to be delivered to ATS all of the Collateral Documents and other agreements, documents and instruments required to be delivered by Seller and each Seller Subsidiary to ATS at or prior to the Closing pursuant to the terms of this Agreement;

(g) ATS shall have received from its independent accountants (i) an unqualified report (as to the scope of the audit, access to the books and records and the cooperation of management) on the financial statements (consisting of balance sheets for each of the fiscal years ended December 31, 1995 and 1996 and statements of operations and cash flow for each of the three years in the period ended December 31, 1996) of the Seller Business, which financial statements shall have been prepared in conformity with GAAP and Regulation S-X under the Securities Act, or (ii) such other documentation as shall be reasonably satisfactory to ATS indicating that such an unqualified report could be issued if requested by ATS;

(h) As of the Closing Date, except as otherwise set forth in Section 3.7(a) of the Seller Disclosure Schedule, no Legal Action shall be pending before or threatened in writing by any Authority which might, in the reasonable business judgment of ATS, based upon the advice of counsel, have a material Adverse effect on the Seller Assets and the Seller Business, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not be deemed to be a threat of any such Legal Action;

(i) All Environmental Reports obtained by the parties prior to the Closing Date pursuant to the provisions of Section 5.8 hereof shall be approved or deemed approved by ATS in the manner described in Section 5.8;

(j) Seller and each of the individuals named therein shall have executed and delivered to ATS an agreement substantially in the form of Exhibit A attached hereto and made a part hereof (the "ATS Noncompetition Agreements");

(k) ATS shall have received standard CLTA title insurance policies insuring ATS' fee or leasehold interests in all Insured Real Property, subject only to Approved Title Conditions; and

(l) Seller or the applicable Seller Subsidiary shall have delivered to ATS leases, subleases and license agreements with respect to certain of the Seller towers or tower sites as indicated in Section 6.2(l) of the Seller Disclosure Schedule, all on the terms and conditions set forth in the applicable document included as part of Exhibit B attached hereto and made a part hereof (collectively, the "Collateral Real Estate Documents").

6.3 Conditions to Obligations of Seller. The obligation of Seller to effect the Transactions shall be subject to the satisfaction of the following conditions, any or all of which may be waived in writing, in whole or in part, to the extent permitted by Applicable Law:

(a) All agreements, certificates, opinions and other documents required to be delivered pursuant to the provisions of this Agreement shall be reasonably satisfactory in form, scope and substance to Seller and its counsel, and Seller and its counsel shall have received all information and copies of all documents, including records of corporate proceedings, which they may reasonably request in connection therewith, such documents where appropriate to be certified by proper Authorities or corporate officers;

(b) ATS shall have furnished Seller and, at Seller's request, any bank or other financial institution providing credit to Seller, with favorable opinions, dated the Closing Date of Sullivan & Worcester LLP, counsel for ATS, with respect to the matters set forth in Section 4.1 and 4.3 and with respect to such other matters arising after the date of this Agreement and incident to the Transactions, as Seller or its counsel may reasonably request or which may be reasonably requested by any such bank or financial institution or their respective counsel;

(c) The representations and warranties of ATS contained in this Agreement or otherwise made in writing by it or on its behalf pursuant hereto or otherwise made in connection with the Transactions shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as though made on and as of such date except those which speak as of a certain date which shall continue to be true and correct in all material respects as of such date on the Closing Date (including without limitation giving effect to any later obtained knowledge of Seller or ATS, except as otherwise specifically provided herein); each and all of the agreements and conditions to be performed or satisfied by ATS hereunder at or prior to the Closing Date shall have been duly performed or satisfied in all material respects; and ATS shall have furnished Seller with such certificates and other documents evidencing the truth of such representations, warranties, covenants and agreements and the performance of such agreements or conditions as Seller or its counsel shall have reasonably requested;

(d) ATS shall have delivered or cause to be delivered to Seller all of the Collateral Documents and other agreements, documents and instruments required to be delivered by ATS to Seller at or prior to the Closing pursuant to the terms of this Agreement;

(e) Except to the extent, if any, specifically set forth in Section 6.2(d) of the Seller Disclosure Schedule, all authorizations, consents, waivers, orders or approvals required by the provisions of this Agreement to be obtained from all Persons (other than Authorities) prior to the consummation of the Transactions, including without limitation those required by the provisions of this Agreement in order to vest fully in ATS all right, title and interest in and to all of the Seller Assets and the Seller Businesses (including without limitation all Private Authorizations, Leases and Material Agreements of Seller and, at the cost and expense of Seller, all modifications of Leases and Contractual Obligations heretofore requested by ATS and set forth in Section 6.2(d) of the Seller Disclosure Schedule) and the full enjoyment thereof shall have been obtained, without the imposition, individually or in the aggregate, of any condition or requirement which could materially and Adversely affect Seller;

(f) ATS shall have delivered to Seller or the applicable Seller Subsidiary the Collateral Real Estate Documents;

(g) The Purchase Price shall have been paid as set forth in Section 2.3; and

(h) As of the Closing Date, no Legal Action shall be pending before or threatened in writing by any Authority which might, in the reasonable business judgment of Seller, based upon the advice of counsel, have a material adverse effect on ATS, it being understood and agreed that a written request by any Authority for information with respect to the Transactions, which information could be used in connection with such Legal Action, shall not be deemed to be a threat of any such Legal Action.

ARTICLE 7

TERMINATION, AMENDMENT AND WAIVER

7.1 Termination. This Agreement may be terminated at any time prior to the Closing Date:

(a) by mutual written consent of Seller and ATS;

(b) by either ATS or Seller if any permanent injunction, decree or judgment by any Authority preventing the consummation of the Transactions shall have become final and nonappealable; or

(c) by Seller in the event (i) Seller is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) ATS is in material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(d) by ATS in the event (i) ATS is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) Seller is in material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(e) by ATS in the event of a failure of the condition set forth in Section 6.2(i) or 6.2(k).

The term "Termination Date" shall mean March 31, 1998 or such other date as the parties may, from time to time, mutually agree.

The right of ATS or Seller to terminate this Agreement pursuant to this Section shall remain operative and in full force and effect regardless of any investigation made by or on behalf of either party, any Person controlling any such party or any of their respective Representatives whether prior to or after the execution of this Agreement.

7.2 Effect of Termination.

(a) Except as provided in Sections 5.1 (with respect to confidentiality), 5.3, 9.3 and 9.5 and this Section, in the event of the termination of this Agreement pursuant to Section 7.1, or in the event the Transactions shall not have been consummated prior to the end of business on the Termination Date, this Agreement shall forthwith become void, there shall be no liability on the part of either party, or any of their respective shareholders, officers or directors, to the other and all rights and obligations of either party shall cease; provided, however, that such termination shall not relieve either party from liability for any misrepresentation or breach of any of its warranties, covenants or agreements set forth in this Agreement.

(b) Each of Seller and ATS agrees that, in the event either party shall seek specific performance of this Agreement in accordance with the provisions of Section 9.5, (i) any breach by it shall be deemed to be detrimental to the other, (ii) it will not oppose any temporary restraining order or other form of injunctive relief sought by the other party, and (iii) in the case of the Seller, it will hold the proceeds of any sale or other

disposition of all or any part of the Seller Assets or the Seller Business in constructive trust for the benefit of ATS.

(c) In the event this Agreement is terminated pursuant to the provisions of Section 7.1(a), 7.1(b) or 7.1(e), except as provided in Section 7.2(a), neither of the parties shall have any further rights, obligations or remedies.

ARTICLE 8

INDEMNIFICATION

8.1 Survival. The representations and warranties of the parties contained in or made pursuant to this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for a period of (a) one (1) year after the Closing Date or (b) the applicable statute of limitations in the case of matters of a nature referred to in Sections 3.1, 3.7(a), 3.11, 3.18 and 4.1, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto. The covenants and agreements of the parties contained in or made pursuant to this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for one (1) year unless otherwise herein expressly provided to the contrary. The term "Indemnity Period" shall mean the applicable period with respect to which a representation, warranty, covenant or agreement survives the Closing as provided in this Section. No claim for indemnification, other than with respect to fraud or intentional or willful breach or misrepresentation, may be asserted after the expiration of the Indemnity Period. Notwithstanding anything herein to the contrary, any representation, warranty, covenant and agreement which arises and is the subject of a Claim which is asserted in writing prior to the expiration of the applicable Indemnity Period shall survive with respect to such Claim or any dispute with respect thereto until the final resolution thereof.

8.2 Indemnification. Each of Seller and ATS (the "indemnifying party") agrees that on and after the Closing it shall indemnify and hold harmless the other (the "indemnified party") from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities, including without limitation liabilities for all reasonable attorneys', accountants' and experts' fees and expenses including those incurred to enforce the terms of this Agreement or any Collateral Document executed by it (collectively, "Loss and Expense"), suffered, directly or indirectly, by the indemnified party by reason of, or arising out of:

(a) any material breach of representation or warranty made by the indemnifying party pursuant to this Agreement or any Collateral Document executed by it or any failure by the indemnifying party to perform or fulfill any of its respective covenants or agreements set forth in this Agreement or any Collateral Document executed by it; or

(b) in the case of Seller as the indemnifying party, the failure of Seller or any Seller Subsidiary to comply with Bulk Sales law of any applicable jurisdiction; or

(c) in the case of Seller as the indemnifying party, by reason of, or arising out of, (i) Seller Nonassumed Obligations and/or (ii) the ownership and operation of the Seller Assets and the Seller Business prior to the Closing Date; or

(d) in the case of ATS as the indemnifying party, by reason of, or arising out of, (i) Seller Assumed Obligations and/or (ii) the ownership and operation of the Seller Assets and the Seller Business from and after the Closing Date, except for Events arising prior to or existing on the

Closing Date, unless they are part of the Seller Assumed Obligations, and/or (iii) Section 5.2(c) financial statements, except to the extent Seller is liable to ATS pursuant to the provisions of paragraph (a) of this Section.

8.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 8.2, after the Closing, except as otherwise provided in Section 8.6, each indemnified party's rights to indemnification shall be subject to the following limitations: (i) the indemnified party shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $50,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $50,000), and (ii) in no event shall the aggregate amount required to be paid by each indemnifying party pursuant to the provisions of this Article exceed the greater of (x) $1,000,000 or (y) the excess of (I) $2,500,000 over the (II) the amount paid by such indemnifying party pursuant to the provisions of Section 5.9, except for any Loss or Expense arising out of matters of a nature referred to in Sections 3.1 and 4.1 as to which the limitations set forth in this clause (ii) shall not apply.

(b) In the case any event shall occur which would otherwise entitle either party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto.

8.4 Notice of Claims. If an indemnified party believes that it has suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 8.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify materially prejudices such indemnifying party's ability to defend against such Claim.

8.5 Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party, which consent shall not unreasonably be withheld, delayed or conditioned if the terms and conditions of such compromise or settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement Proposal, and (b) if the indemnified party is ATS, do not include any term or condition which would restrict in any material manner the continued ownership or operations of the Seller Assets or the conduct of the Seller Business in substantially the manner then being theretofore owned, operated and conducted by ATS.

8.6 Exclusive Remedy. Except for fraud or willful or intentional misrepresentation or breach of warranty, covenant or agreement or as otherwise provided in Section 9.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to either party against the other party for any Claim under this Agreement.

ARTICLE 9

GENERAL PROVISIONS

9.1 Amendment. This Agreement may be amended from time to time by the parties hereto at any time prior to the Closing Date but only by an instrument in writing signed by the parties hereto.

9.2 Waiver. At any time prior to the Closing Date, except to the extent not permitted by Applicable Law, ATS or Seller may extend the time for the performance of any of the obligations or other acts of the other, subject, however, to the provisions with respect to the Termination Date, waive any inaccuracies in the representations and warranties of the other contained herein or in any document delivered pursuant hereto, and waive compliance by the other with any of the agreements, covenants or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby.

9.3 Fees, Expenses and Other Payments. All costs and expenses incurred in connection with any transfer taxes, sales taxes, recording or documentary taxes, stamps or other charges levied by any Authority in connection with this Agreement and the consummation of the Transactions shall be borne equally by Seller and ATS. All costs of preliminary title reports for Real Property constituting a part of the Seller Assets shall be borne by Seller. All costs of title insurance and environmental studies shall be borne by ATS. All other costs and expenses incurred in connection with this Agreement and the consummation of the Transactions, including without limitation Hart-Scott-Rodino filing fees, fees and disbursements of counsel, financial advisors and accountants incurred by the parties hereto, shall be borne solely and entirely by the party which has incurred such costs and expenses.

9.4 Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express mail, or by recognized courier service, postage prepaid, (b) sent by telecopy or other form of rapid transmission, confirmed by mailing (by first class or express mail, or by recognized courier service, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which if other than an individual shall be an officer or other responsible party of the receiving party). All such notices and communications shall be mailed, sent or delivered as follows:

or to such other person(s), telex or facsimile number(s) or address(es) as the party to receive any such communication or notice may have designated by written notice to the other party.

9.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 7, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the post ing of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement for such breach or threatened breach.

9.6 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is

to affect materially and Adversely either party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

9.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

9.8 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

9.9 Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of Delaware applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction.

9.10 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

9.11 Entire Agreement. This Agreement (together with the Seller Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof, including without limitation that certain letter of intent, dated May 16, 1997, between the parties.

9.12 Assignment. This Agreement shall not be assignable by either party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

9.13 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 9.12.

9.14 Mutual Drafting. This Agreement is the result of the joint efforts of Seller and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

9.15 Consent. Whenever this Agreement affords to a party the right to consent to any act or request of another, such party shall not unreasonably withhold, delay or condition such consent.

IN WITNESS WHEREOF, ATS and Seller have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

STOCK PURCHASE AGREEMENT

This Stock Purchase Agreement (this "Agreement") is dated as of September 30, 1997 by and among American Tower Systems, Inc., a Delaware corporation ("ATS"), OPM - USA - INC., a Florida corporation ("OPM"), and the undersigned stockholders (individually, a "Stockholder" and collectively, the "Stockholders") of OPM.

WHEREAS, the Buyer desires to purchase, and the Sellers desire to sell, the Subject Stock upon the terms and subject to the conditions set forth herein; and

WHEREAS, OPM owns and leases and operates communication towers and is engaged in the business of managing communication sites for third parties (the "OPM Business");

NOW, THEREFORE, in consideration of the above premises and the covenants and agreements contained herein, the parties, intending to be legally bound, do hereby covenant and agree as follows:

ARTICLE 1

DEFINED TERMS

As used herein, unless the context otherwise requires, the terms defined in Appendix A shall have the respective meanings set forth therein. Terms defined in the singular shall have a comparable meaning when used in the plural, and vice versa, and the reference to any gender shall be deemed to include all genders. Unless otherwise defined or the context otherwise clearly requires, terms for which meanings are provided in this Agreement shall have such meanings when used in the OPM Disclosure Schedule and each Collateral Document executed or required to be executed pursuant hereto or thereto or otherwise delivered, from time to time, pursuant hereto or thereto. References to "hereof", "herein" or similar terms are intended to refer to the Agreement as a whole and not a particular Section, and references to "this Section" are intended to refer to the entire Section and not a particular subsection thereof. The term "any party" shall, unless the context otherwise requires, refer to OPM, the Stockholders and ATS.

ARTICLE 2

SALE AND PURCHASE OF STOCK

2.1 Agreement to Sell and Buy the Subject Stock. Upon the terms and subject to the conditions set forth in this Agreement, each of the Stockholders agrees to sell, assign, and transfer and deliver to ATS, and ATS agrees to purchase and accept the assignment, transfer and delivery of, the Subject Stock, in consideration of the payment to the Stockholders of the Purchase Price specified in Section 2.2.

2.2 Closing Purchase Price; Tax Allocation Schedule.

(a) The closing of the transaction (the "Closing") shall take place at Sullivan & Worcester LLP, One Post Office Square, Boston, Massachusetts 02109, at 10:00 a.m., local time, on January 6, 1998 or such other date, prior to the Termination Date, as the parties may agree (the "Closing Date"). At the Closing, (A) the Stockholders will deliver original certificates representing all of the Subject Stock, duly endorsed (or accompanied by duly executed stock powers), for transfer to ATS, and (B) ATS will make or cause to be made the initial installment of the purchase price (the "Initial Installment") in the amount of eleven (11) times the forward looking twelve (12) months Cash Flow of OPM Communication Towers beginning December 31, 1997 as reflected in the Master Plan. The purchase Price for the Subject Stock (the "Purchase Price") shall be an amount equal to (i) $105,000,000, less (ii) the amount of liabilities and obligations with respect to all Indebtedness of Money Borrowed or Purchase Money Indebtedness (other than Indebtedness owed to ATS or incurred subsequent of October 6, 1997 with the prior written consent of ATS) and all Liens (other than Permitted Liens) on any of the OPM Assets or the OPM Business (the "Debt Reduction"), all but the Initial Installment being payable in accordance with the provisions of, and subject to satisfaction of the conditions set forth in, Section 2.2(b). The Purchase Price shall be payable by wire transfer of immediately available funds to the Stockholders, in accordance with their respective holdings of the Subject Stock for the Initial Installment to such account (or accounts) as the Stockholders shall designate (including accounts of individuals other than the Stockholders in order to satisfy obligations of OPM pursuant to employment agreements with such individuals) in written instructions to ATS delivered not less than two (2) business days prior to the Closing.

Anything in this agreement to the contrary notwithstanding, ATS will make quarterly installment payments to the Stockholders for the balance of the Purchase Price to in accordance with the following schedule:

Payment Date	Date of Record	Amount Due
April 30,1998	March 31, 1998	See "Formula" below
July 30, 1998	June 30, 1998	"
October 30, 1998	September 30, 1998	"
January 31, 1998	December 31, 1998	"
April 30, 1999	March 31, 1999	"
August 31, 1999	June 30, 1999	"

For the purposes of the above calculations the "Formula" is the following:

"Amount Due" is equal to:

The Cash Flow as of the "Date of Record" divided by $9,600,000. This percentage is then averaged with the percentage of permits of the total number of permits required, the denominator of this percentage calculation is 250 and the percentage of towers completed, the denominator of this percentage calculation is 200. The resultant amount is the amount from which the previous payments are subtracted. The balance after deducting an amount equal to the Debt Reduction (in the case of the April 30, 1998 Payment Date) and the Debt Reduction not previously deducted (in the case of all subsequent Payment Dates) is the "Amount Due".

For example:

Assume as of March 31, 1998:
"Cash Flow" is $8,000,000
125 towers are permitted
133 towers are completed

$8,000,000	/	$9,600,000	=	83%
125 permits	/	250 permits	=	50%
133 towers	/	200 towers	=	66.5%

The average of the completions are		66.5%
The "Purchase Price" is	x	$105,000,000
The amount earned is		$69,825,000
Less previous payments		$30,000,000
The amount due April 30, 1998	=	$39,825,000

(b) For the purposes of determining the Initial Installment and the quarterly amount due, "Cash Flow" shall be determined for the twelve (12) months beginning immediately subsequent to the determination thereof, and shall mean, the gross lease revenues attributable to the OPM Communications Towers, minus the annual taxes on the site, the utility expense on the site, repairs and maintenance to the site, insurance on the site and the lease payments on the site. Sales taxes collected by OPM are not included in the revenue.

Cash Flow shall be determined jointly by ATS with the Stockholders Representative based on the above formula. In the event of disagreement, ATS and the Stockholders Representative shall negotiate to resolve the disagreement and, in the event they are unable to resolve their disagreement within thirty (30) days, the matter shall be referred to a recognized national accounting firm which does not serve as such for ATS, reasonably acceptable to ATS and the Stockholders Representative, whose determination of cash flow in accordance with the above formula shall be final, determinative, nonappealable and binding on ATS and the Stockholders, and whose fees and expenses shall be borne equally by ATS, on the one hand, and the Stockholders, on the other. ATS shall cause any payment required to be made pursuant to the provisions of this Section to be made promptly to the Stockholders after agreement of ATS and the Stockholders Representative or the determination of the accounting firm, as the case may be.

(c) The parties hereto have heretofore agreed that (i) the aggregate value of all Real Property of OPM (including without limitation the OPM Communication Towers constructed as of the date hereof or between the date hereof and the Closing Date) does not exceed 150% of the original cost thereof, and (ii) on the basis thereof, BIA Consulting, Inc. shall promptly conduct an appraisal of the OPM Assets which shall be the basis for an allocation schedule (the "Tax Allocation Schedule") pursuant to which the Purchase Price and the liabilities of OPM shall be allocated among the OPM Assets as follows: initially to the Real Property and tangible Personal Property and the balance to intangible Personal Property (including without limitation Governmental Authorizations, Private Authorizations, Leases (pursuant to which OPM acts as lessor) and other Contracts, collectively Section 197 assets of the Code). Each of OPM, the Stockholders and ATS shall report the purchase and sale of the Subject Stock and the other Transactions in accordance with the Tax Allocation Schedule for purposes of all federal, state and local Tax Returns (including amended returns and claims for refund) and information reports and shall not take, and shall cause their respective Affiliates, representatives, successors and assigns not to take, any position on any federal, state or local Tax Return or

report, inconsistent with such reporting position. Each of the Stockholders and ATS shall promptly give the other notice of any disallowance of or challenge to such reporting by any Taxing Authority.

2.3 OPM Disclosure Schedule. The Stockholders will deliver to ATS, on or before thirty (30) days from the execution and delivery of this Agreement, the OPM Disclosure Schedule and all related documents required to be delivered by OPM or the Stockholders pursuant to the provisions of Article 3 of this Agreement. ATS shall be permitted, for a period of ten (10) business days commencing upon its receipt of the completed OPM Disclosure Schedule and related documents to terminate this Agreement, if (a) the OPM Disclosure Schedule reveals any condition of which ATS is unaware as of the date of this Agreement and/or any breaches of the Stockholders' representations, warranties, covenants and agreements hereunder (without regard to matters set forth in the OPM Disclosure Schedule), which unknown conditions and/or breaches in the aggregate would have a material adverse effect on OPM or on ability of OPM to continue to operate or ATS to operate the OPM Business as it is currently being operated, or (b) the parties are unable to agree upon which Private Authorizations, Material Agreements and Leases with respect to which a third-party consent to the consummation of the Transactions or modifications thereof will be a condition to Closing. In the event ATS terminates this Agreement pursuant to the provisions of this Section, none of the parties shall have any further rights or remedies, except as provided in Sections 6.1 (with respect to confidentiality), 6.3 and 10.3.

Without limiting the generality of the foregoing, all accounts and notes receivable reflected on the OPM Financial Statements and all accounts and notes receivable arising subsequent to the issuance of the OPM Financial Statements have or will have arisen in the ordinary course of business, represent or will represent valid obligations to OPM, and will be collected in the aggregate amounts thereof recorded on the books of OPM, net of the reserve for bad debts reflected on the most recent OPM Financial Statements.

3.3 Changes in Condition. Since the date of the most recent financial statements constituting a part of the OPM Financial Statements, except to the extent specifically described in Section 3.3 of the OPM Disclosure Schedule, there has been no material adverse change in OPM. There is no Event known to OPM which materially adversely affects, or (so far as OPM can now reasonably foresee) is likely to materially adversely affect, OPM, except to the extent specifically described in Section 3.3 of the OPM Disclosure Schedule.

3.4 Materiality. The representations and warranties set forth in this Article would in the aggregate be true and correct even without the materiality exceptions or qualifications contained therein or set forth in the OPM Disclosure Schedule, except for such exceptions and qualifications including without limitation those set forth in the OPM Disclosure Schedule which, in the aggregate for all such representations and warranties, are not and could not reasonably be expected to be materially adverse to OPM.

Except as disclosed in Section 3.5(a) of the OPM Disclosure Schedule, all improvements on the real property owned or leased by OPM are, to the Stockholders' knowledge, in compliance with applicable zoning, wetlands and land use laws, ordinances and regulations and applicable title covenants, conditions, restrictions and reservations in all respects necessary to conduct the operations as presently conducted, except for any instances of non-compliance which do not and will not in the aggregate have a material adverse effect on the owner or lessee, as the case may be, of such real property. Except as disclosed in Section 3.5(a) of the OPM Disclosure Statement, all such improvements comply in all material aspects with all Applicable Laws, Governmental Authorizations and Private Authorizations. Except as disclosed in Section 3.5(a) of the OPM Disclosure Statement, all of the transmitting towers, ground radials, guy anchors, transmitting buildings and related improvements located on the real property owned or leased by OPM are located entirely on such real property. There is no pending and, to Stockholders' knowledge, threatened or contemplated action to take by eminent domain or otherwise to condemn any part of any real property owned or leased by OPM. Except as set forth in Section 3.5(a) of the OPM Disclosure Schedule, such real property (other than land), fixtures, fixed assets and other material items of personal property, including equipment, have, in OPM's reasonable business judgment, been maintained in a manner consistent with generally accepted standards of sound engineering practice and currently permit the OPM Business to be operated in all material respects in accordance with the terms and conditions of all Applicable Laws, Governmental Authorizations and Private Authorizations.

(b) Section 3.5(b) of the OPM Disclosure Schedule contains a true, accurate and complete description of all Leases under which any real property used in the OPM Business is leased. Except as otherwise set forth in Schedule 3.5(b) of the OPM Disclosure Schedule, each Lease or other occupancy or other agreement under which OPM holds real or personal property constituting a part of the OPM Assets has been duly authorized, executed and delivered by OPM and, to Stockholders' knowledge, each of the other parties thereto, and is a legal, valid and binding obligation of OPM, and, to Stockholders' knowledge, each of the other parties thereto, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency and similar laws affecting the rights and remedies of creditors and obligations of debtors generally and by general principles of equity. OPM has a valid leasehold interest in and enjoys peaceful and undisturbed possession under all Leases pursuant to which it holds any such real property or tangible personal property. All of such Leases are valid and subsisting and in full force and effect; neither OPM nor, to Stockholders' knowledge, any other party thereto, is in material default in the performance, observance or fulfillment of any obligation, covenant or condition contained in any such Lease. None of the fixed assets or equipment comprising a part of the OPM Assets is subject to contracts of sale, and none is held by OPM as lessee or as conditional sales vendee under any Lease or conditional sales contract and none is subject to any title retention agreement, except as set forth in Section 3.5(b) of the OPM Disclosure Schedule.

(c) Section 3.5(c) of the OPM Disclosure Schedule contains a true, accurate and complete description of all material items of OPM Personal Property. OPM owns and has good and merchantable title to all of the OPM Personal Property (the "OPM Personal Property"), in each case, free and clear of all Liens, except (i) Permitted Liens and (ii) Liens set forth on Section 3.5(c) of the OPM Disclosure Schedule (which Liens shall be released prior to Closing). Except as set forth in Section 3.5(c) of the OPM Disclosure Schedule, all of the OPM Personal Property is in a state of good repair and maintenance and is in good

operating condition, normal wear and tear excepted, has been maintained in a manner consistent with generally accepted standards of good engineering practice and currently permits the OPM Business to be operated in accordance with the terms and conditions of all Applicable Laws.

3.6 Compliance with Private Authorizations. Section 3.6 of the OPM Disclosure Schedule sets forth a true, accurate and complete list and description of each Private Authorization which individually is material to the OPM Assets or the OPM Business. OPM has obtained all Private Authorizations which are necessary for the ownership or operation of the OPM Assets or the conduct of the OPM Business which, if not obtained and maintained, could, individually or in the aggregate, materially adversely affect OPM. All of such Private Authorizations are valid and in good standing and are in full force and effect. OPM is not in breach or violation of, or in default in the performance, observance or fulfillment of, any such Private Authorization, and no Event exists or has occurred, which constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under any such Private Authorization, except for such defaults, breaches or violations as do not and will not have in the aggregate any material adverse effect on OPM. No such Private Authorization is the subject of any pending or, to Stockholders' knowledge, threatened attack, revocation or termination.

3.7 Compliance with Governmental Authorizations and Applicable Law.

(a) Section 3.7(a) of the OPM Disclosure Schedule contains a true, complete and accurate description of each Governmental Authorization required under Applicable Laws (i) to own and operate the OPM Business, as currently conducted or proposed to be conducted on or prior to the Closing Date, all of which are in full force and effect or (ii) that is necessary to permit OPM to execute and deliver this Agreement and to perform its obligations hereunder. OPM has obtained all Governmental Authorizations which are necessary for the ownership or operation of the OPM Assets or the conduct of the OPM Business as now conducted and which, if not obtained and maintained, would, individually or in the aggregate, have any material adverse effect on OPM. None of the Governmental Authorizations listed in Section 3.7(a) of the OPM Disclosure Schedule is subject to any restriction or condition which would limit in any material respect the ownership or operations of the OPM Assets or the conduct of the OPM Business as currently conducted, except for restrictions and conditions generally applicable to Governmental Authorizations of such type. The Governmental Authorizations listed in Section 3.7(a) of the OPM Disclosure Schedule are valid and in good standing, are in full force and effect and are not impaired in any material respect by any act or omission of OPM or its officers, directors, employees or agents, and the ownership or operation of the OPM Assets or the conduct of the OPM Business are in accordance in all material respects with the Governmental Authorizations. All material reports, forms and statements required to be filed by OPM with all Authorities with respect to the OPM Business have been filed and are true, complete and accurate in all material respects. No such Governmental Authorization is the subject of any pending or, to Stockholders' knowledge, threatened challenge or proceeding to revoke or terminate any such Governmental Authorization. OPM has no reason to believe that any such Governmental Authorization would not be renewed in the name of OPM by the granting Authority in the ordinary course.

(b) Except as otherwise specifically described in Section 3.7(b) of the OPM Disclosure Schedule, neither OPM nor any director or officer thereof (in connection with ownership or operation of the OPM Assets or the conduct of the OPM Business) is in or is charged by any Authority with or, to Stockholders' knowledge, at any time since May 1, 1995 has been in or has been charged by any Authority with, or, to Stockholders' knowledge, is threatened or under investigation by any Authority with respect to, breach or violation of, or default in the performance, observance or fulfillment of, any Governmental Authorization or any Applicable Law relating to the ownership and operation of the OPM Assets or the conduct of the OPM Business. In particular, but without limiting the generality of the foregoing, there are no applications, complaints or Legal Actions pending or, to Stockholders' knowledge, threatened before or by any Authority

(x) relating to the ownership or operation of the OPM Assets or the conduct of the OPM Business which, individually or in the aggregate, are reasonably likely to result in the revocation or termination of any Governmental Authorization or the imposition of any restriction of such a nature as would adversely affect the ownership or operation of the OPM Assets or the conduct of the OPM Business; (y) involving charges of illegal discrimination by OPM under any federal or state employment Laws, or (z) involving Environmental Laws or zoning laws, except as otherwise specifically described in Section 3.7(b) of the OPM Disclosure Schedule.

(c) Except as otherwise specifically described in Section 3.7(c) of the OPM Disclosure Schedule, no Event exists or has occurred, which, to Stockholders' knowledge, constitutes, or but for any requirement of giving of notice or passage of time or both would constitute, such a breach, violation or default, under (i) any Governmental Authorization or any Applicable Law, except for such breaches, violations or defaults as do not and will not have, individually or in the aggregate, any material adverse effect on OPM or (ii) any material requirement of any insurance carrier, applicable to the ownership or operations of the OPM Assets or the conduct of the OPM Business.

(d) With respect to matters, if any, of a nature referred to in Section 3.7(a), 3.7(b) or 3.7(c) of the OPM Disclosure Schedule, except as otherwise specifically described in Section 3.7(d) of the OPM Disclosure Schedule, all such information and matters set forth in the OPM Disclosure Schedule, if adversely determined against OPM, will not, individually or in the aggregate, have a materially adversely effect on OPM.

3.8 Intangible Assets. Section 3.8 of the OPM Disclosure Schedule sets forth a true, accurate and complete description of all Intangible Assets (other than Governmental Authorizations and Private Authorizations) relating to the ownership and operation of the OPM Assets or the conduct of the OPM Business held or used by OPM, including without limitation the nature of OPM's interest in each and the extent to which the same have been duly registered in the offices as indicated therein. Except as set forth in Section 3.8 of the OPM Disclosure Schedule, no Intangible Assets (except Governmental Authorizations, Private Authorizations, and the Intangible Assets so set forth) are required for the ownership or operation of the OPM Assets or the conduct of the OPM Business as currently owned, operated and conducted or proposed to be owned, operated and conducted on or prior to the Closing Date. OPM does not, to its knowledge, wrongfully infringe upon or unlawfully use any Intangible Assets owned or claimed by another, and OPM has not received any notice of any claim or infringement relating to any such Intangible Asset.

3.9 Related Transactions. OPM is not a party or subject to any Contractual Obligation relating to the ownership or operation of the OPM Assets or the conduct of the OPM Business between OPM and any of its officers, directors, stockholders, employees or, to the knowledge of OPM, any Affiliate of any thereof, including without limitation any Contractual Obligation providing for the furnishing of services to or by, providing for rental of property, real, personal or mixed, to or from, or providing for the lending or borrowing of money to or from or otherwise requiring payments to or from, any such Person, other than (i) Employment Arrangements listed or described in Section 3.15 of the OPM Disclosure Schedule, (ii) Contractual Obligations between OPM and any of its directors, stockholders, officers, employees or Affiliates of OPM or any of the foregoing, which will be terminated, at no cost or expense to OPM, prior to the Closing, or (iii) as specifically set forth in Section 3.9 of the OPM Disclosure Schedule.

The Tax Returns of OPM have been prepared in all material respects in accordance with all Applicable Laws and generally accepted principles applicable to taxation consistently applied. All Taxes which OPM is required by law to withhold and collect have been duly withheld and collected, and have been paid over, in a timely manner, to the proper Authorities to the extent due and payable. OPM has not executed any waiver to extend, or otherwise taken or failed to take any action that would have the effect of extending, the applicable statute of limitations in respect of any Tax liabilities of OPM for the fiscal years prior to and including the most recent fiscal year. Adequate provision has been made on the most recent balance sheet forming part of OPM Financial Statements for all Taxes accrued through the date of such balance sheet of any kind, including interest and penalties in respect thereof, whether disputed or not, and whether past, current or deferred, accrued or unaccrued, fixed, contingent, absolute or other, and there are, to Stockholders' knowledge, no past transactions or matters which could result in additional Taxes of a material nature to OPM for which an adequate reserve has not been provided on such balance sheet. OPM is not a "consenting corporation" within the meaning of Section 341(f) of the Code. OPM has at all times been taxable as a Subchapter S corporation under the Code, and has never been a member of any consolidated group for Tax purposes, except as otherwise set forth in Section 3.11(a) of the OPM Disclosure Schedule.

Federal and state income Tax Returns of OPM have not been examined by the IRS or applicable state Authority, and OPM has not been notified of any proposed examination, except as shown in Section 3.11(b) of the OPM Disclosure Schedule.

(c) OPM is not a party to any tax sharing agreement or arrangement.

As to all Plans and Benefit Arrangements listed in Section 3.12(a) of the OPM Disclosure Schedule:

(i) all such Plans and Benefit Arrangements comply and have been administered in form and in operation with all Applicable Laws in all material respects, and OPM has not received any notice from any Authority questioning or challenging such compliance;

(vi) there are no Claims (other than routine claims for benefits or actions seeking qualified domestic relations orders) pending or threatened involving such Plans or the assets of such Plans, and, to Stockholders' knowledge, no facts exist which could give rise to any such Claims (other than routine claims for benefits or actions seeking qualified domestic relations orders);

(vii) no such Plan is subject to Title IV of ERISA, or, if subject, there have been no "report able events" (as described in Section 4043 of ERISA), and no steps have been taken to terminate any such Plan;

(viii) all group health Plans of OPM have been operated in compliance in all material respects with the group health plan continuation coverage requirements of COBRA;

(ix) actuarially adequate accruals for all obligations under the Plans are reflected in the most recent balance sheet forming part of the OPM Financial Statements and such obligations include a pro rata amount of the contributions which would otherwise have been made in accordance with past practices for the Plan years which include the Closing Date;

(x) neither OPM nor any of its respective directors, officers, employees or any other fiduciary has committed any breach of fiduciary responsibility imposed by ERISA or any similar Applicable Law that would subject OPM or any of its respective directors, officers or employees to material liability under ERISA or any similar Applicable Law;

(g) not voluntarily take or permit to be taken any action which if taken between the end of its most recent fiscal quarter and prior to the date of this Agreement would have been required to be noted as an exception on Section 3.17 of the OPM Disclosure Schedule.

6.7 Preliminary Title Reports. As promptly as practicable after the execution of this Agreement, OPM shall, at its sole cost and expense, deliver or cause to be delivered to ATS a standard preliminary title report (the "Title Reports") dated on or after the date of this Agreement issued by such title company or companies as OPM and ATS shall mutually reasonably agree with respect to those OPM Assets comprised of the parcels of real property owned by OPM, as described in Section 6.7 of the OPM Disclosure Schedule.

6.8 Environmental Site Assessments. As promptly as practicable after the execution of this Agreement, ATS may at its own cost and expense obtain, and deliver to OPM full and complete copies of, Phase I environmental site assessment reports (the "Environmental Reports") on any or all of those certain parcels of real property described on Section 6.8 of the OPM Disclosure Schedule. Site assessments shall be conducted by such consultants and professionals as ATS and OPM shall mutually agree and shall be arranged at times mutually convenient to the parties. Each of OPM and ATS shall be entitled to have representatives present at the time such site assessments are conducted, and to have copies of all correspondence with the Environmental Company.

6.9 Certain Tax Matters.

(a) The Stockholders shall be responsible, at their sole cost and expense, for the preparation and filing of all federal and state income Tax Returns of OPM for all taxable periods ending on or before the Closing Date (the "Pass Through Returns") and for the payment of all Taxes shown on the Pass Through Returns or otherwise payable with respect to all such periods. The Pass Through Returns shall be prepared in a manner which is consistent with past practices of OPM, except as otherwise required by Applicable Law. Income, gain, loss, deduction and credit of OPM shall be allocated between the Pass Through Returns and any succeeding taxable period on the basis of a closing of the books of OPM at the close of business on the date preceding the Closing Date in accordance with Section 1362(e)(6)(D) of the Code. The Buyer shall promptly notify the Stockholders following receipt by the Buyer of any notice of audit, examination or other proceeding (a "Tax Proceeding") with respect to any Pass Through Return, and the Stockholders shall retain the sole right to control any such Tax Proceeding, provided that the Buyer may participate in such Tax Proceeding at its own expense, and provided, further, that ATS may control any aspects of any such Tax Proceeding relating to any item for which ATS is or may be liable. The Stockholders shall retain the sole right to file any amended Pass Through Return. Notwithstanding the foregoing, the Stockholders may not settle or otherwise agree to the resolution of any Tax Proceeding or file any such amended Pass Through Return without in each case obtaining the prior written consent of ATS such consent will not be unreasonably conditioned or withheld, if, as a result of such settlement or resolution or the filing of any such amended Pass Through Return, OPM's tax basis in any of its assets for any period after the Closing Date would be reduced or OPM's tax position after the Closing Date would otherwise be adversely affected.

(b) After the Closing Date, ATS shall cooperate with the Stockholders, and the Stockholders shall cooperate with ATS, in connection with all Tax matters that may affect the Stockholders or OPM for any taxable period that ends on or before the Closing Date, including without limitation the preparation of income tax returns and the conduct of any Tax Proceedings for any such taxable period.

(c) Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, the Stockholders shall join with ATS in making an election under Section 338(h)(10) of the Code (and any corresponding elections under state, local or foreign Tax Law) (collectively a "Section 338(h)(10) Election") with respect to the purchase and sale of the Subject Stock hereunder. ATS and the Stockholders agree to comply with all of the requirements and conditions of Section 338(h)(10) of the Code and the Treasury Regulations thereunder and all other applicable Code Sections and Treasury Regulations (and state, local and foreign Tax Laws) relating thereto, including without limitation the timely filing of Form 8023A entitled "Corporate Qualified Stock Purchase Election." ATS and the Stockholders also agree to take all necessary steps to effectuate such election (and any corresponding state, local or foreign elections). None of the Stockholders or ATS will take any action, including without limitation any action in connection with the filing of federal, state, local or foreign Tax Returns, which would be inconsistent with or prejudice the election under Section 338(h)(10) of the Code provided for hereunder. In the event (i) ATS takes any action which has the effect of causing the Stockholders not to be able to report the transactions contemplated by this Agreement as an installment sale under the Code and (ii) the balance of the Purchase Price has not been paid

prior to April 10, 1999, ATS will advance to the Stockholders an amount equal to the tax liability for the taxable year ended December 31, 1998 created by such action. Such advance will be credited against the balance of the Purchase Price and will be evidenced by a non-interest bearing promissory note of the Stockholders secured by such balance and maturing on the earlier of (x) the payment of the balance of the Purchase Price or (y) August 31, 1999.

6.10 ATS Post-Closing Covenants.

(a) ATS acknowledges that its obligation to make payment of the full purchase price to the Stockholders is materially affected by the business and financial performance of OPM subsequent to the Closing Date. OPM has previously provided to ATS its business plan (the "Master Plan") regarding acquisition of tower sites and construction of proposed towers, including estimates of the financing required to: (i) compete the acquisition and development of tower sites and towers, and (ii) meet the financial projections contained in the Master Plan. A copy of the Master Plan is attached hereto as Exhibit C and made a part hereof. ATS agreed that, except as hereinafter expressly limited, Mills shall have the right, after the Closing Date, to continue to manage and direct the OPM Business substantially in accordance with the Master Plan, in such manner as he shall, in his reasonable business judgment, deems appropriate, including without limitation those matters necessary or desirable to complete the Master Plan. Notwithstanding the foregoing, ATS shall have the right to approve the terms and conditions of any agreements with, or purchases or sales of materials from or to, or any other business relationship with, any Affiliate of any of the Stockholders, which approval shall be based on, among other things, receipt of bids from Persons who are not Affiliated with any of the Stockholders. ATS shall, within ten (10) days of receipt from OPM of any proposal from an Affiliate and bids covering the subject of the proposal from three (3) Persons who are not Affiliates of any of the Stockholders (at least one of which has been selected by ATS), provide OPM with written notice of its approval or disapproval of the proposed Affiliate transaction. In the event such notice is not received by OPM within such ten (10) day period, ATS shall be deemed to have approved the proposed Affiliate transaction. ATS further agrees that it is essential that ATS provide the financing necessary to fund fully completion of the Master Plan and its projections. Accordingly, ATS agrees that it will, from time to time following the Closing Date, provide, upon written request of Mills, all funds necessary to fund acquisition of tower sites, construction of communications towers and other improvements reflected in the Master Plan; provided, however, that such funding shall not exceed the aggregate amount of $28,000,000 plus the amount by which (i) $9,000,000 exceeds (ii) the aggregate principal amount borrowed by OPM from ATS prior to the Closing Date and outstanding at such time. ATS agrees for itself, its successors and assigns that, from and after the Closing Date until payment in full by ATS to the Stockholders of the balance of the Purchase Price as provided in Section 2.2(b) of this Agreement, in the absence of conduct by Mills in the operation of the OPM Business which constitutes gross negligence, willful or intentional misconduct, or violation of any Applicable Law, it will not in any material fashion interfere with the operation by Mills of the OPM Business, so long as such operation is in substantial compliance with the Master Plan. ATS acknowledges and agrees that the members of the Board of Directors of OPM or their successors in the event of any merger, consolidation or combination of OPM or the sale or transfer of the OPM Business shall have satisfied all of their fiduciary duties and responsibilities related to the OPM Business and Mills' operation and management of the OPM Business if they shall adhere to the provisions of this Section 6.10 and they need not take, or require to be taken, any action in conflict with such provisions. The Stockholders acknowledge and agree that the rights of Mills are unique to Mills and that, in the event of the death or disability (mental or physical) of Mills, or his gross negligence or willful or intentional misconduct in the operation of the OPM Business substantially in accordance with the Master Plan, ATS shall not be required to recognize as successor to him any individual nominated by the Stockholders, but shall, in such event, use its reasonable business efforts to effect the timely and expeditious implementation of the Master Plan, including without limitation performance of its obligations with respect to funding set forth in this Section. By executing this Agreement

in his capacity as a Stockholder, Mills agrees that he will devote his full time and effort to the OPM Business.

(b) The Stockholders understand and agree that, anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, ATS is under no obligation whatsoever to finance the acquisition of any sites (other than those reflected in the Master Plan) or the construction of communication towers and other improvements thereon by OPM (or any successor thereto), but may do so independently and in a manner such that the operations of such communication towers are not included in determining Cash Flow for purposes of determining the Purchase Price. The Stockholders agree that OPM or the OPB Business may be merged, consolidated or combined with or sold or otherwise transferred to ATS or any Affiliate thereof, but, in any such event, ATS agrees to maintain or cause to be maintained separate financial books and records of OPM or the OPM Business in such manner as to enable the determination of Cash Flow to be made in accordance with the provisions of Section 2.2(b).

(c) ATS will provide to the Stockholders, promptly after the same become available, unaudited quarterly (for each of the first three (3) calendar quarters) and annual consolidated financial statements of ATS (and, so long as it exists, consolidated with its parent American Tower Systems Holding Corporation). The Stockholders Representative shall have the right to examine the books and records of ATS and to discuss financial, operational and other affairs of ATS with the officers of ATS, at such times during normal business hours as the Stockholders Representative shall, from time to time, reasonably request, subject to the Stockholder Representative executing and delivering a confidentiality agreement embodying terms and conditions comparable to those of Section 6.1.

(i) Each of the individuals named therein shall have executed and delivered to ATS an agreement mutually acceptable to the parties which when so agreed upon shall be attached as Exhibit A hereto and made a part hereof (the "ATS Noncompetition Agreements");

(j) The Stockholders shall have delivered to ATS all use permits, consents or other Governmental Authorizations of and all Leases from the United States Forest Service set forth in Section 7.2(j) of the OPM Disclosure Schedule; and

ARTICLE 8

TERMINATION, AMENDMENT AND WAIVER

8.1 Termination. This Agreement may be terminated at any time prior to the Closing Date:

(a) by mutual consent of the Stockholders and ATS; or

(b) by either ATS or the Stockholders if any permanent injunction, decree or judgment by any Authority preventing the consummation of the Transactions shall have become final and nonappealable; or

(c) by the Stockholders in the event (i) the Stockholders are not in material breach of this Agreement and none of their representations or warranties shall have become and continue to be untrue in any material respect, and (ii) either (A) the Transactions have not been consummated prior to the Termination Date, or (B) ATS is in material breach of this Agreement or any of its representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(d) by ATS in the event (i) ATS is not in material breach of this Agreement and none of its representations or warranties shall have become and continue to be untrue in any material respect, and (ii) either (A) the Transactions have not been consummated prior to the Termination Date, or (B) OPM or the Stockholders are in material breach of this Agreement or any of the Stockholders' representations or warranties shall have become and continue to be untrue in any material respect, and such a breach or untruth exists and is not capable of being cured by and will prevent or delay consummation of the Transactions by or beyond the Termination Date; or

(e) by ATS in the event of a failure of the condition set forth in Section 7.2(k) or 7.2(l).

The term "Termination Date" shall mean June 30, 1998 or such other date as the parties may, from time to time, mutually agree.

The right of ATS or OPM to terminate this Agreement pursuant to this Section shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any party, any Person controlling any such party or any of their respective Representatives whether prior to or after the execution of this Agreement.

8.2 Effect of Termination.

(a) Except as provided in Sections 6.1 (with respect to confidentiality), 6.3 and 10.3 and this Section, in the event of the termination of this Agreement pursuant to Section 8.1, or in the event the Transactions shall not have been consummated prior to the end of business on the Termination Date, this Agreement shall forthwith become void, there shall be no liability on the part of any party, or any of their respective shareholders, officers or directors, to the other and all rights and obligations of any party shall cease; provided, however, that such termination shall not relieve any party from liability for any misrepresentation or breach of any of its warranties, covenants or agreements set forth in this Agreement.

(b) In the event this Agreement is terminated pursuant to the provisions of Section 8.1(a), 8.1(b) or 8.1(e), except as provided in Section 8.2(a), none of the parties shall have any further rights or remedies.

ARTICLE 9

INDEMNIFICATION

9.1 Survival. The representations and warranties of the parties contained in or made pursuant to this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for a period of (a) two (2) years after the Closing Date or (b) the applicable statute of limitations in the case of matters of a nature referred to in Sections 3.1, 3.11, 3.12, 3.21 and 3.22, Article 4 and Section 4.1, regardless of any investigation or statement as to the results thereof made by or on behalf of any party hereto. The covenants and agreements of the parties contained in or made pursuant to this Agreement or any Collateral Document shall survive the Closing and shall remain operative and in full force and effect for the statute of limitations applicable to contractual obligations. The term "Indemnity Period" shall mean the applicable period with respect to which a representation, warranty, covenant or agreement survives the Closing as provided in this Section. No claim for indemnification, other than with respect to fraud or intentional and willful breach or misrepresentation, may be asserted after the expiration of the Indemnity Period. Notwithstanding anything herein to the contrary, any representation, warranty, covenant and agreement which arises and is the subject of a Claim which is asserted in writing prior to the expiration of the applicable Indemnity Period shall survive with respect to such Claim or any dispute with respect thereto until the final resolution thereof.

9.2 Indemnification.

(a) Each Stockholder, jointly and severally, agrees that on and after the Closing he shall indemnify and hold harmless OPM, ATS and their respective stockholders, directors, officers, employees and representatives (collectively, the "ATS Indemnified Parties") from and against any and all damages, claims, losses, expenses, costs, obligations, and liabilities including, without limiting the generality of the foregoing, liabilities for all reasonable attorneys', accountants' and experts' fees and expenses incurred, including those

incurred to enforce the terms of this Agreement or any Collateral Document (collectively, "Loss and Expense"), suffered by the ATS Indemnified Parties by reason of, or arising out of any breach of representation or warranty made by the Stockholders pursuant to this Agreement or any Collateral Document or any failure by the Stockholders (or OPM prior to the Closing) to perform or fulfill any of their covenants or agreements set forth in this Agreement or any Collateral Document.

(b) ATS agrees to that on and after the Closing it will indemnify each of the Stockholders and hold each of them harmless from and against all Loss and Expense suffered by any of them by reason of, or arising out of :

(i) any breach of representation or warranty made by ATS pursuant to this Agreement or any Collateral Document or any failure by ATS to perform or fulfill any of its covenants or agreements set forth in this Agreement or any Collateral Document or any failure of OPM to perform or fulfill any of its covenants or agreements set forth in this Agreement or any Collateral Document required to be performed after the Closing; or

(ii) any Legal Action or other Claim by any third party relating to ATS or the ownership or operations of OPM's business and properties subsequent to the Closing, including without limitation any and all obligations and liabilities under Governmental Authorizations, Private Authorizations, Leases, Material Agreements, Employment Arrangements, Plans, Benefit Arrangements and Contractual Obligations.

(c) Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, the parties agrees that the Stockholders shall not be required to indemnify ATS, and ATS shall be required to indemnify the Stockholders, if, notwithstanding the fact that OPM has not agreed to be, or made any election to be or be treated as, a "consenting corporation" within the meaning of Section 341(f) of the Code, the Internal Revenue Service or any other Authority shall have determined that OPM has tax liability under Section 341 of the Code.

9.3 Limitation of Liability.

(a) Notwithstanding the provisions of Section 9.2, after the Closing, except as otherwise provided in Section 9.6, the ATS Indemnified Parties, on the one hand, and the Stockholders, on the other hand, shall be entitled to recover its Loss and Expense in respect of any Claim only in the event that the aggregate Loss and Expense for all Claims exceeds, in the aggregate, $50,000, in which event the indemnified party shall be entitled to recover all such Loss and Expense (including without limitation such $50,000).

(b) In the case any event shall occur which would otherwise entitle any party to assert a claim for indemnification hereunder, no Loss and Expense shall be deemed to have been sustained by such party to the extent of any proceeds received by such party from any insurance policies with respect thereto.

9.4 Notice of Claims. If an indemnified party believes that it has suffered or incurred any Loss and Expense, it shall notify the indemnifying party promptly in writing, and in any event within the applicable time period specified in Section 9.1, describing such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any Legal Action is instituted by a third party with respect to which an indemnified party intends to claim any liability or expense as Loss and Expense under this Article, such indemnified party shall promptly notify the indemnifying party of such Legal Action, but the failure to so notify the indemnifying party shall not relieve such indemnifying party of its obligations under this Article, except to the extent such failure to notify prejudices such indemnifying party's ability to defend against such Claim.

9.5 Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of their own choosing, reasonably acceptable to the indemnified party, any third party Legal Action or other Claim, but the indemnified party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that if the indemnifying party shall fail to defend any such Legal Action or other Claim, then the indemnified party may defend, through counsel of its own choosing, such Legal Action or other Claim, and (so long as it gives the indemnifying party at least fifteen (15) days' notice of the terms of the proposed settlement thereof and permits the indemnifying party to then undertake the defense thereof) settle such Legal Action or other Claim and to recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The indemnifying party shall not compromise or settle any such Legal Action or other Claim without the prior written consent of the indemnified party, which consent shall not unreasonably be withheld, delayed or conditioned if the terms and conditions of such compromise or settlement proposed by the indemnifying party and agreed to in writing by the claimant in such Legal Action or other Claim (the "Settlement Proposal") (a) include a full release of the indemnified party from the Legal Action or other Claim which is the subject of the Settlement Proposal, and (b) if the indemnified party is an ATS Indemnified Party, do not include any term or condition which would restrict in any material manner the continued ownership or operations of the OPM Assets or the conduct of the OPM Business in substantially the manner then being theretofore owned, operated and conducted by ATS or OPM (or any successor or assign). No matter whether an indemnifying party defends or prosecutes any third party Legal Action or Claim, the indemnified and indemnifying parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include access during normal business hours afforded to the indemnifying party to, and reasonable retention by the indemnified party of, records and information which are reasonably relevant to such third party Legal Action or Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder, and the indemnifying party shall reimburse the indemnified party for all its reasonable out-of-pocket expenses in connection therewith.

9.6 Exclusive Remedy. Except for fraud, willful or intentional misrepresentation or willful or intentional breach of warranty, covenant or agreement or as otherwise provided in Section 10.5, the indemnification provided in this Article shall be the sole and exclusive post-Closing remedy available to any party against the other party for any Claim under this Agreement.

ARTICLE 10

GENERAL PROVISIONS

10.1 Waivers; Amendments. Changes in or additions to this Agreement may be made, or compliance with any term, covenant, agreement, condition or provision set forth herein may be omitted or waived (either generally or in a particular instance and either retroactively or prospectively) with, but only with, the consent in writing of the parties hereto. No delay on the part of either party at any time or times in the exercise of any right or remedy shall operate as a waiver thereof. Any consent may be given subject to satisfaction of conditions stated therein. The failure to insist upon the strict provisions of any covenant, term, condition or other provision of this Agreement or to exercise any right or remedy thereunder shall not constitute a waiver of any such covenant, term, condition or other provision thereof or default in connection therewith. The waiver of any covenant, term, condition or other provision thereof or default thereunder shall not affect or alter this Agreement in any other respect, and each and every covenant, term, condition or other provision of this Agreement shall, in such event, continue in full force and effect, except as so waived, and shall be operative with respect to any other then existing or subsequent default in connection therewith.

10.2 Fees, Expenses and Other Payments. All Hart-Scott-Rodino filing fees shall be borne equally by the Stockholders and ATS provided that the total amount to be borne by Stockholders shall not exceed $25,000, all costs of preliminary title reports to a date reasonably proximate to the Closing Date shall be borne by the Stockholders, and all costs of environmental studies shall be borne by ATS. 10.4 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event the other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity or as provided in Article 9, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Applicable Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it pursuant to the provisions of, and subject to the limitations contained in, this Agreement or Applicable Law for such breach or threatened breach. Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, if an Authority of competent jurisdiction shall have issued a Final Order that ATS is in material breach of this Agreement, ATS shall pay to the Stockholders an aggregate amount to be determined as follows: (a) the amount due as of such date in accordance with Section 2.2(a); and (b) $5,000,000.

Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely any party, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Transactions are fulfilled and consummated to the maximum extent possible.

10.6 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of the State of Florida applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction. Anything in this Agreement to the contrary notwithstanding, including without limitation the provisions of Article 8, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action.

10.9 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

This Agreement (together with the OPM Disclosure Schedule and the other Collateral Documents delivered in connection herewith), constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof .

10.11 Assignment. This Agreement shall not be assignable by any party and any such assignment shall be null and void, except that it shall inure to the benefit of and by binding upon any successor to any party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

10.12 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 10.11.

10.13 Appointment of Representative. Each Stockholder hereby irrevocably appoints and authorizes to act as its agent, representative and attorney-in-fact hereunder (the "Stockholders Representative"). Each Stockholder irrevocably authorizes the Stockholders Representative to take such action on behalf of such Stockholder and to exercise all such powers as are expressly delegated to the Stockholders Representative hereunder, together with such other powers as are reasonably incidental thereto including, but not limited to, the execution and delivery of certificates, statements, notices, approvals, extensions, waivers, undertakings and amendments to this Agreement required or permitted to be made, given or determined hereunder or in connection with the transactions contemplated hereby. The holders of a majority of the Subject Stock may, from time to time, remove the Representative and appoint a substitute or

successor Stockholders Representative. Notice of any such removal and appointment shall be given immediately to ATS and the Stockholders. Simultaneously with the execution of this Agreement, each Stockholder (other than the Stockholders Representative) has delivered to the Stockholders Representative certificates representing the Subject Stock owned by such Stockholder duly endorsed (or accompanies by duly endorsed stock powers). The appointment and agency created hereby is irrevocable and shall survive the death or incompetency of any Stockholder.

10.14 Mutual Drafting. This Agreement is the result of the joint efforts of OPM and ATS, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against any party based on any presumption of that party's involvement in the drafting thereof.

during Buyer's due diligence investigation, or (ii) have been assured by third party reports or surveys obtained by Buyer, or (iii) have been obtained by Buyer from Buyer's physical inspection of the premises, or (iv) be documented in writing at the Closing, in which case the party having such Knowledge shall be deemed to have waived such misrepresentation or breach.

If the claim relates to an action, suit, or proceeding filed by a third party against the Indemnified Party such notice shall be given by the Indemnified Party to the Indemnifying Party within five (5) days after written notice of such action, suit, or proceeding shall have been given to the Indemnified Party.

(b) Following receipt of notice from the Indemnified Party of a claim, the Indemnifying Party shall have thirty (30) days in which to make such investigation of the claim as the Indemnifying Party shall deem necessary or desirable. For the purposes of such investigation, the Indemnified Party agrees to make available to the Indemnifying Party and/or its authorized representative(s) the information relied upon by the Indemnified Party to substantiate the claim. If the Indemnified Party and the Indemnifying Party agree at or prior to the expiration of said thirty (30) day period (or any agreed upon extension thereof) to the validity and amount of such claim, or if the Indemnifying Party does not respond to such notice, the Indemnifying Party shall immediately pay to the Indemnified Party the full amount of the claim. Buyer shall be entitled to apply any or all of the Accounts Receivable collected on behalf of Sellers to a claim as to which Buyer is entitled to indemnification hereunder. If the Indemnified Party and the Indemnifying Party do not agree within said period (or within any agreed-upon extension thereof), the Indemnified Party may seek appropriate legal remedy.

(c) With respect to any claim by a third party as to which the Indemnified Party is entitled to indemnification hereunder, the Indemnifying Party shall have the right at its own expense to participate in or to assume control of the defense of such claim, and the Indemnified Party shall cooperate fully with the Indemnifying Party, subject to reimbursement for reasonable actual out-of-pocket expense incurred by the Indemnified Party as the result of a request by the Indemnifying Party to so cooperate. If the Indemnifying Party elects to assume control of the defense of any third-party claim, the Indemnified Party shall have the right to participate in the defense of such claim at its own expense.

(d) If a claim, whether between the parties or by a third party, requires immediate action, the parties will make all reasonable efforts to reach a decision with respect thereto as expeditiously as possible.

(e) If the Indemnifying Party does not elect to assume control or otherwise participate in the defense of any third-party claim, the Indemnifying Party shall be bound by the results obtained in good faith by the Indemnified Party with respect to such claim.

(f) The indemnification rights provided in Sections 13.2 and 13.3 hereof shall extend to the partners, shareholders, directors, officers, members, partners, agents, employees,

and representatives of the Indemnified Party, although for the purpose of the procedures set forth in this Section 13.4, any indemnification claims by such parties shall be made by and through the Indemnified Party.

14 POST CLOSING MATTERS.

(a) Books and Records. Each party agrees that it will cooperate with and make available (or cause to be made available) to the other party, during normal business hours, all books and records, information and employees (without substantial disruption of employment) retained and remaining in existence after the Closing which are necessary or useful in connection with any tax inquiry, audit, or dispute, any litigation or investigation or any other matter requiring any such books and records, information or employees for any reasonable business purpose (a "Permitted Use"). The party requesting any such books and records, information or employees shall bear all of the out-of-pocket costs and expenses reasonably incurred in connection with providing such books and records, information or employees. Buyer shall pay all expenses specifically in connection with Closing. 17. FURTHER ASSURANCES. From time to time at or after the Closing, at the request of the other, Seller and Buyer will execute and deliver such other instruments of

conveyance, assignment, transfer and delivery and take such other action as the other reasonably may request in order to consummate, complete and carry out the purposes of the transactions contemplated hereby, including the execution and delivery of such instruments and agreements as may be reasonably necessary or advisable to fully effect the transfer to Buyer of the Assets.

18. BENEFIT AND ASSIGNABILITY. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns, and no other person or entity shall have any right (whether third party beneficiary or otherwise) hereunder. 20. WAIVER. Unless otherwise specifically agreed in writing to the contrary: (i) the failure of any party at any time to require performance by the other of any provision of this Agreement shall not affect such party's right thereafter to enforce the same; (ii) no waiver by any party of any default by any other shall be valid unless in writing and acknowledged by an authorized representative of the nondefaulting party, and no such waiver shall be taken or held to be a waiver by such party of any other preceding or subsequent default; and (iii) no extension of time granted by any party for the performance of any obligation or act by any other party shall be deemed to be an extension of time for the performance of any other obligation or act hereunder.

21. ENTIRE AGREEMENT. 27. PUBLIC STATEMENTS. Prior to the Closing Date, neither Seller nor Buyer shall, without the prior written approval of the other party, make any press release or other public announcement concerning the transactions contemplated by this Agreement, except (i) Seller and Buyer shall issue a mutually agreeable press release promptly after the signing of this Agreement; and (ii) to the extent required by law, in which case the other party shall be so advised as far in advance as possible.

28. ATTORNEYS' FEES. If any party initiates any litigation against any other party involving this Agreement, the prevailing party in such action shall be entitled to receive reimbursement from the other party for all reasonable attorneys' fees and other costs and expenses incurred by the prevailing party in respect of that litigation, including any appeal, and such reimbursement may be included in the judgment or final order issued in that proceeding.

==========

AMERICAN TOWER SYSTEMS CORPORATION
1997 STOCK OPTION PLAN

TABLE OF CONTENTS

AMERICAN TOWER SYSTEMS CORPORATION

1997 STOCK OPTION PLAN

1. PURPOSE

The purpose of this 1997 Stock Option Plan (the "Plan") is to encourage directors, consultants and employees of American Tower Systems Corporation (the "Company") and its Subsidiaries (as hereinafter defined) to continue their association with the Company and its Subsidiaries, by providing opportunities for such persons to participate in the ownership of the Company and in its future growth through the granting of stock options (the "Options") which may be options designed to qualify as incentive stock options (within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") (an "ISO"), or options not intended to qualify for any special tax treatment under the Code (a "NQO"). The term "Subsidiary" as used in the Plan means a corporation or other business organization of which the Company owns, directly or indirectly through an unbroken chain of ownership, fifty percent (50%) or more of the total combined voting power of all classes of stock.

2. ADMINISTRATION OF THE PLAN

The Plan shall be administered by a committee (the "Committee") consisting of two or more members of the Company's Board of Directors (the "Board"). The Committee shall from time to time determine to whom options or other rights shall be granted under the Plan, whether options granted shall be incentive stock options ("ISOs") or nonqualified stock options ("NSOs"), the terms of the options or other rights, and the number of shares that may be granted under options. The Committee shall report to the Board the names of individuals to whom stock or options or other rights are to be granted, the number of shares covered, and the terms and conditions of each grant. The determinations described in this Section 2 may be made by the Committee or by the Board, as the Board shall direct in its discretion, and references in the Plan to the Committee shall be understood to refer to the Board in any such case.

The Committee shall select one of its members as Chairman and shall hold meetings at such times and places as it may determine. A majority of the Committee shall constitute a quorum, and acts of the Committee at which a quorum is present, or acts reduced to or approved in writing by all the members of the Committee, shall be the valid acts of the Committee. The Committee shall have the authority to adopt, amend, and rescind such rules and regulations as, in its opinion, may be advisable in the administration of the Plan. All questions of interpretation and application of such rules and regulations, of the Plan and of options granted thereunder (the "Options"), shall be subject to the determination of the Committee, which shall be final and binding. The Plan shall be administered in such a manner as to permit those Options granted hereunder and specially designated under Section 5 hereof as an ISO to qualify as incentive stock options as described in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code").

For so long as Section 16 of the Securities Exchange Act of 1934, as amended from time to time (the "Exchange Act"), is applicable to the Company, each member of the Committee shall be

a "non-employee director" or the equivalent within the meaning of Rule 16b-3 under the Exchange Act, and, for so long as Section 162(m) of the Code is applicable to the Company, an "outside director" within the meaning of Section 162 of the Code and the regulations thereunder.

With respect to persons subject to Section 16 of the Exchange Act ("Insiders"), transactions under the Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successor under the Exchange Act. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be deemed to be modified so as to be in compliance with such Rule, or, if such modification is not possible, it shall be deemed to be null and void, to the extent permitted by law and deemed advisable by the Committee.

3. OPTION SHARES

The stock subject to Options under the Plan shall be shares of Class A and Class B Common Stock, par value $.01 per share (the "Stock"). The total amount of the Stock with respect to which Options may be granted (the "Option Pool"), shall not exceed in the aggregate 10,000,000 shares; provided, however, such aggregate number of shares shall be subject to adjustment in accordance with the provisions of Section 17. In the event that any outstanding Option shall expire for any reason or shall terminate by reason of the death or severance of employment of the Optionee, the surrender of any such Option, or any other cause, the shares of Stock allocable to the unexercised portion of such Option may again be subject to an option under the Plan. The maximum number of shares of Stock subject to Options that may be granted to any Optionee in the aggregate in any calendar year shall not exceed 5,000,000 shares.

4. AUTHORITY TO GRANT OPTIONS

The Committee may determine, from time to time, which employees of the Company or any Subsidiary or other persons shall be granted Options under the Plan, the terms of the Options (including without limitation whether an Option shall be an ISO or a NQO) and the number of shares which may be purchased under the Option or Options. Without limiting the generality of the foregoing, the Committee may from time to time grant: (a) to such employees (other than employees of a Subsidiary which is not a corporation) as it shall determine an Option or Options to buy a stated number of shares of Stock under the terms and conditions of the Plan which Option or Options will to the extent so designated at the time of grant constitute an ISO; and (b) to such eligible directors, employees or other persons as it shall determine an Option or Options to buy a stated number of shares of Stock under the terms and conditions of the Plan which Option or Options shall constitute a NQO. Subject only to any applicable limitations set forth elsewhere in the Plan, the number of shares of Stock to be covered by any Option shall be as determined by the Committee.

5. WRITTEN AGREEMENT

Each Option granted hereunder shall be embodied in an option agreement (the "Option Agreement") substantially in the form of Exhibit 1, which shall be signed by the Optionee and by the Chief Executive Officer, Chief Financial Officer or the Corporate Controller of the Company for and in the name and on behalf of the Company. An Option Agreement may contain such

restrictions on exercisability and such other provisions not inconsistent with the Plan as the Committee in its sole and absolute discretion shall approve.

6. ELIGIBILITY

The individuals who shall be eligible for grant of Options under the Plan shall be employees (including officers who may be members of the Board), directors who are not employees and other individuals, whether or not employees, who render services of special importance to the management, operation, or development of the Company or a Subsidiary, and who have contributed or may be expected to contribute materially to the success of the Company or a Subsidiary. An employee, director or other person to whom an Option has been granted pursuant to an Option Agreement is hereinafter referred to as an "Optionee."

7. OPTION PRICE

The price at which shares of Stock may be purchased pursuant to an Option shall be specified by the Committee at the time the Option is granted, but shall in no event be less than the par value of such shares and, in the case of an ISO, except as set forth in the following sentence, one hundred percent (100%) of the fair market value of the Stock on the date the ISO is granted. In the case of an employee who owns (or is considered under Section 424(d) of the Code as owning) stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Subsidiary, the price which shares of Stock may be so purchased pursuant to an ISO shall be not less than one hundred and ten percent (110%) of the fair value of the Stock on the date the ISO is granted.

For purposes of the Plan, the "fair market value" of a share of Stock on any date specified herein, shall mean (a) the last reported sales price, regular way, or, in the event that no sale takes place on such day, the average of the reported closing bid and asked prices, regular way, in either case (i) as reported on the New York Stock Exchange Composite Tape, or (ii) if the Stock is not listed or admitted to trading on the New York Stock Exchange, on the principal national securities exchange on which such security is listed or admitted to trading, or (iii) if not then listed or admitted to trading on any national securities exchange, on the NASDAQ National Market System; or (b) if the Stock is not quoted on such National Market System, (i) the average of the closing bid and asked prices on each such day in the over-the-counter market as reported by NASDAQ, or (ii) if bid and asked prices for such security on each such day shall not have been reported through NASDAQ, the average of the bid and asked prices for such day as furnished by any New York Stock Exchange member firm regularly making a market in such security selected for such purpose by the Committee; or (c) if the Stock is not then listed or admitted to trading on any national exchange or quoted in the over-the-counter market, the fair value thereof determined in good faith by the Committee as of a date which is within thirty (30) days of the date with respect to which the determination is to be made; provided, however, that any method of determining fair market value employed by the Committee with respect to an ISO shall be consistent with any applicable laws or regulations pertaining to "incentive stock options."

8. DURATION OF OPTIONS

The duration of any Option shall be specified by the Committee in the Option Agreement, but no ISO shall be exercisable after the expiration of ten (10) years, and no NQO shall be exercisable after the expiration of ten (10) years and one (1) day, from the date such Option is granted. In the case of any employee who owns (or is considered under Section 424(d) of the Code as owning) stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Subsidiary, no ISO shall be exercisable after the expiration of five (5) years from the date such Option is granted. The Committee, in its sole and absolute discretion, may extend any Option theretofore granted subject to the aforesaid limits and may provide that an Option shall be exercisable during its entire duration or during any lesser period of time.

9. VESTING PROVISIONS

Each Option may be exercised so long as it is valid and outstanding from time to time, in part or as a whole, in such manner and subject to such conditions as the Committee, in its sole and absolute discretion, may provide in the Option Agreement.

10. EXERCISE OF OPTIONS

Options shall be exercised by the delivery of written notice to the Company setting forth the number of shares of Stock with respect to which the Option is to be exercised, accompanied by payment of the option price of such shares, which payment shall be made, subject to the alternative provisions of this Section, in cash or by such cash equivalents, payable to the order of the Company in an amount in United States dollars equal to the option price of such shares, as the Committee in its sole and absolute discretion shall consider acceptable. Such notice shall be delivered in person to the Secretary of the Company or shall be sent by registered mail, return receipt requested, to the Secretary of the Company, in which case delivery shall be deemed made on the date such notice is deposited in the mail.

Alternatively, if the Option Agreement so specifies, and subject to such rules as may be established by the Committee, payment of the option price may be made through a so-called "cashless exercise" procedure, under which the Optionee shall deliver irrevocable instructions to a broker to sell shares of Stock acquired upon exercise of the Option and to remit promptly to the Company a sufficient portion of the sale proceeds to pay the option price and any tax withholding resulting from such exercise.

Alternatively, payment of the option price may be made, in whole or in part, in shares of Stock owned by the Optionee; provided, however, that the Optionee may not make payment in shares of Stock that he acquired upon the earlier exercise of any ISO (or other "incentive stock option"), unless and until he has held the shares until at least two (2) years after the date the ISO (or such other incentive stock option) was granted and at least one (1) year after the date the ISO (or such other option) was exercised. If payment is made in whole or in part in shares of Stock, then the Optionee shall deliver to the Company in payment of the option price of the shares with respect of which such Option is exercised (a) certificates registered in the name of such Optionee representing a number of shares of Stock legally and beneficially owned by such Optionee, free of

all liens, claims and encumbrances of every kind, and having a fair market value on the date of delivery of such notice equal to the option price of the shares of Stock with respect to which such Option is to be exercised, such certificates to be accompanied by stock powers duly endorsed in blank by the record holder of the shares of Stock represented by such certificates; and (b) if the option price of the shares with respect to which such Option is to be exercised exceeds such fair market value, cash or such cash equivalents payable to the order to the Company, in an amount in United States dollars equal to the amount of such excess, as the Committee in its sole and absolute discretion shall consider acceptable. Notwithstanding the foregoing provisions of this Section, the Committee, in its sole and absolute discretion (i) may refuse to accept shares of Stock in payment of the option price of the shares of Stock with respect to which such Option is to be exercised and, in that event, any certificates representing shares of Stock which were delivered to the Company with such written notice shall be returned to such Optionee together with notice by the Company to such Optionee of the refusal of the Committee to accept such shares of Stock and (ii) may accept, in lieu of actual delivery of stock certificates, an attestation by the Optionee substantially in the form attached herewith as Exhibit C or such other form as may be deemed acceptable by the Committee that he or she owns of record the shares to be tendered free and clear of all liens, claims and encumbrances of every kind.

Alternatively, if the Option Agreement so specifies, payment of the option price may be made in part by a promissory note executed by the Optionee and containing the following terms and conditions (and such others as the Committee shall, in its sole and absolute discretion determine from time to time): (a) it shall be collaterally secured by the shares of Stock obtained upon exercise of the Option; (b) repayment shall be made on demand by the Company and, in any event, no later than three (3) years from the date of exercise; and (c) the note shall bear interest at a rate as determined by the Committee, payable monthly out of a payroll deduction provision; provided, however, that notwithstanding the foregoing (i) an amount not less than the par value of the shares of Stock with respect to which the Option is being exercised must be paid in cash, cash equivalents, or shares of Stock in accordance with this Section, and (ii) the payment of such exercise price by promissory note does not violate any applicable laws or regulations, including, without limitation, Delaware corporate law or applicable margin lending rules. The decision as to whether to permit partial payment by a promissory note for shares of Stock to be issued upon exercise of any Option granted shall rest entirely in the sole and absolute discretion of the Committee.

As promptly as practicable after the receipt by the Company of (a) written notice from the Optionee setting forth the number of shares of Stock with respect to which such Option is to be exercised and (b) payment of the option price of such shares in the form required by the foregoing provisions of this Section, the Company shall cause to be delivered to such Optionee certificates representing the number of shares with respect to which such Option has been so exercised (less a number of shares equal to the number of shares as to which ownership was attested under the procedure described in clause (ii) of the next preceding paragraph).

11. TRANSFERABILITY OF OPTIONS

Options shall not be transferable by the Optionee otherwise than by will or under the laws of descent and distribution, and shall be exercisable during his or her lifetime only by the Optionee, except that the Committee may specify in an Option Agreement that pertains to an NQO that the Optionee may transfer such NQO to a member of the Immediate Family of the Optionee, to a trust

solely for the benefit of the Optionee and the Optionee's Immediate Family, or to a partnership or limited liability company whose only partners or members are the Optionee and members of the Optionee's Immediate Family. "Immediate Family" shall mean, with respect to any Optionee, such Optionee's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, and shall include adoptive relationships.

12. TERMINATION OF EMPLOYMENT OR INVOLVEMENT OF OPTIONEE WITH THE COMPANY

For purposes of this Section, employment by or involvement with (in the case of an Optionee who is not an employee) a Subsidiary shall be considered employment by or involvement with the Company. Except as otherwise set forth in the Option Agreement, after the Optionee's termination of employment with the Company other than by reason of death or disability, including his retirement in good standing from the employ of the Company for reasons of age under the then established rules of the Company, the Option shall terminate on the earlier of the date of its expiration or three (3) months after the date of such termination or retirement. After the death of the Optionee, his or her executors, administrators or any persons to whom his or her Option may be transferred by will or by the laws of descent and distribution shall have the right to exercise the Option to the extent to which the Optionee was entitled to exercise the Option. In the event that such termination is a result of disability, the Optionee shall have the right to exercise the Option pursuant to its terms as if such Optionee continued as an employee.

Authorized leave of absence or absence on military or government service shall not constitute severance of the employment relationship between the Company and the Optionee for purposes of the Plan, provided that either (a) such absence is for a period of no more than ninety (90) days or (b) the Employee's right to re-employment after such absence is guaranteed either by statute or by contract.

For Optionees who are not employees of the Company, options shall be exercisable for such periods following the termination of the Optionee's involvement with the Company as may be set forth in the Option Agreement.

13. REQUIREMENTS OF LAW

The Company shall not be required to sell or issue any shares of Stock upon the exercise of any Option if the issuance of such shares shall constitute or result in a violation by the Optionee or the Company of any provisions of any law, statute or regulation of any governmental authority. Specifically, in connection with the Securities Act of 1933, as amended (the "Securities Act"), and any applicable state securities or "blue sky" law (a "Blue Sky Law"), upon exercise of any Option the Company shall not be required to issue such shares unless the Committee has received evidence satisfactory to it to the effect that the holder of such Option will not transfer such shares except pursuant to a registration statement in effect under the Securities Act and Blue Sky Laws or unless an opinion of counsel satisfactory to the Company has been received by the Company to the effect that such registration and compliance is not required. Any determination in this connection by the Committee shall be final, binding and conclusive. The Company shall not be obligated to take any action in order to cause the exercise of an Option or the issuance of shares of Stock pursuant thereto

to comply with any law or regulations of any governmental authority, including, without limitation, the Securities Act or applicable Blue Sky Law.

Notwithstanding any other provision of the Plan to the contrary, the Company may refuse to permit transfer of shares of Stock if in the opinion of its legal counsel such transfer would violate federal or state securities laws or subject the Company to liability thereunder. Any sale, assignment, transfer, pledge or other disposition of shares of Stock received upon exercise of any Option (or any other shares or securities derived therefrom) which is not in accordance with the provisions of this Section shall be void and of no effect and shall not be recognized by the Company.

Legend on Certificates. The Committee may cause any certificate
---

representing shares of Stock acquired upon exercise of an Option (and any other shares or securities derived therefrom) to bear a legend to the effect that the securities represented by such certificate have not been registered under the Federal Securities Act of 1933, as amended, or any applicable state securities laws, and may not be sold, assigned, transferred, pledged or otherwise disposed of except in accordance with the Plan and applicable agreements binding the holder and the Company or any of its stockholders.

14. NO RIGHTS AS STOCKHOLDER

No Optionee shall have any rights as a stockholder with respect to shares covered by his or her Option until the date of issuance of a stock certificate for such shares; except as otherwise provided in Section 17, no adjustment for dividends or otherwise shall be made if the record date therefor is prior to the date of issuance of such certificate.

15. EMPLOYMENT OBLIGATION

The granting of any Option shall not impose upon the Company or any Subsidiary any obligation to employ or continue to employ any Optionee, or to engage or retain the services of any person, and the right of the Company or any Subsidiary to terminate the employment or services of any person shall not be diminished or affected by reason of the fact that an Option has been granted to him or her. The existence of any Option shall not be taken into account in determining any damages relating to termination of employment or services for any reason.

16. FORFEITURE AS A RESULT OF TERMINATION FOR CAUSE

Notwithstanding any provision of the Plan to the contrary, if the Committee determines, after full consideration of the facts presented on behalf of the Company and an Optionee, that

(a) the Optionee has been engaged in fraud, embezzlement, theft, commission of a felony or dishonesty in the course of his or her employment by or involvement with the Company or a Subsidiary, which damaged the Company or a Subsidiary, or has made unauthorized disclosure of trade secrets or other proprietary information of the Company or a Subsidiary or of a third party who has entrusted such information to the Company or a Subsidiary, or

(b) the Optionee's employment or involvement was otherwise terminated for "cause," as defined in any employment agreement with the Optionee, if applicable, or if there is no such agreement, as determined by the Committee, which may determine that "cause" includes among other matters the willful failure or refusal of the Optionee to perform and carry out his or her assigned duties and responsibilities diligently and in a manner satisfactory to the Committee,

then the Optionee's right to exercise an Option shall terminate as of the date of such act (in the case of (a)) or such termination (in the case of (b)) and the Optionee shall forfeit all unexercised Options. If an Optionee whose behavior the Company asserts falls within the provisions of (a) or (b) above has exercised or attempts to exercise an Option prior to a decision of the Committee, the Company shall not be required to recognize such exercise until the Committee has made its decision and, in the event of any exercise shall have taken place, it shall be of no force and effect (and void ab initio) if the
-- ------
Committee makes an adverse determination; provided, however, if the Committee finds in favor of the Optionee then the Optionee will be deemed to have exercised such Option retroactively as of the date he or she originally gave written notice of his or her attempt to exercise or actual exercise, as the case may be. The decision of the Committee as to the cause of an Optionee's discharge and the damage done to the Company or a Subsidiary shall be final, binding and conclusive. No decision of the Committee, however, shall affect in any manner the finality of the discharge of such Optionee by the Company or a Subsidiary.

17. CHANGES IN THE COMPANY'S CAPITAL STRUCTURE

The existence of outstanding Options shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business or any merger or consolidation of the Company or any issue of bonds, debentures, preferred or preference stock, whether or not convertible into the Stock or other securities, ranking prior to the Stock or affecting the rights thereof, or warrants, rights or options to acquire the same, or the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business or any other corporate act or proceeding, whether of a similar character or otherwise.

The number of shares of Stock in the Option Pool (less the number of shares theretofore delivered upon exercise of Options) and the number of shares of Stock covered by any outstanding Option and the price per share payable upon exercise thereof (provided that in no event shall the option price be less than the par value of such shares) shall be proportionately adjusted for any increase or decrease in the number of issued and outstanding shares of Stock resulting from any subdivision, split, combination or consolidation of shares of Stock or the payment of a dividend in shares of stock or other securities of the Company on the Stock. The decision of the Board as to the adjustment, if any, required by the provisions of this Section shall be final, binding and conclusive.

If the Company merges or consolidates with a wholly-owned subsidiary for the purpose of reincorporating itself under the laws of another jurisdiction, the Optionees will be entitled to acquire shares of Stock of the reincorporated Company upon the same terms and conditions as were in effect immediately prior to such reincorporation (unless such reincorporation involves a change in the number of shares or the capitalization of the Company, in which case proportional adjustments shall

be made as provided above) and the Plan, unless otherwise rescinded by the Board, will remain the Plan of the reincorporated Company.

Except as otherwise provided in the preceding paragraph, if the Company is merged or consolidated with another corporation, whether or not the Company is the surviving entity, or if the Company is liquidated or sells or otherwise disposes of all or substantially all of its assets to another entity while unexercised Options remain outstanding under the Plan, or if other circumstances occur in which the Board in its sole and absolute discretion deems it appropriate for the provisions of this paragraph to apply (in each case, an "Applicable Event"), then (a) each holder of an outstanding Option shall be entitled, upon exercise of such Option, to receive in lieu of shares of Stock, such stock or other securities or property as he or she would have received had he exercised such option immediately prior to the Applicable Event; or (b) the Board may, in its sole and absolute discretion, waive, generally or in one or more specific cases, any limitations imposed pursuant to Section 9 so that some or all Options from and after a date prior to the effective date of such Applicable Event, specified by the Board, in its sole and absolute discretion, shall be exercisable in full; or (c) the Board may, in its sole and absolute discretion, cancel all outstanding and unexercised Options as of the effective date of any such Applicable Event; or (d) the Board may, in its sole discretion, convert some or all Options into options to purchase the stock or other securities of the surviving corporation pursuant to an Applicable Event; or (e) the Board may, in its sole and absolute discretion, assume the outstanding and unexercised options to purchase stock or other securities of any corporation and convert such options into Options to purchase Stock, whether pursuant to this Plan or not, pursuant to an Applicable Event; provided, however, notice of any such cancellation pursuant to clause (c) shall be given to each holder of an Option not less than thirty (30) days preceding the effective date of such Applicable Event, and provided further, however, that the Board may, in its sole and absolute discretion, waive, generally or in one or more specific instances, any limitations imposed pursuant to Section 9 with respect to any Option so that such Option shall be exercisable in full or in part, as the Board may, in its sole and absolute discretion, determine, during such thirty (30) day period.

Except as expressly provided herein, the issue by the Company of shares of Stock or other securities of any class or series or securities convertible into or exchangeable or exercisable for shares of Stock or other securities of any class or series for cash or property or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number, class or price of shares of Stock then subject to outstanding Options.

18. AMENDMENT OR TERMINATION OF PLAN

The Board may, in its sole and absolute discretion, modify, revise or terminate the Plan at any time and from time to time; provided, however, that without the further approval of the holders of at least a majority of the outstanding shares of Stock, the Board may not (a) materially increase the benefits accruing to Optionees under the Plan or make any "modifications" as that term is defined under Section 424(h)(3) (or its successor) of the Code if such increase in benefits or modifications would adversely affect (i) the availability to the Plan of the protections of Section 16(b) of the Exchange Act, if applicable to the Company, or (ii) the qualification of the Plan or any Options for "incentive stock option" treatment under Section 422 of the Code; (b) change the aggregate number of shares of Stock which may be issued under Options pursuant to the provisions

of the Plan either to any one employee or in the aggregate; or (c) change the class of persons eligible to receive ISOs. Notwithstanding the preceding sentence, the Board shall in all events have the power and authority to make such changes in the Plan and in the regulations and administrative provisions hereunder or in any outstanding Option as, in the opinion of counsel for the Company, may be necessary or appropriate from time to time to enable any Option granted pursuant to the Plan to qualify as an incentive stock option or such other stock option as may be defined under the Code, as amended from time to time, so as to receive preferential federal income tax treatment.

19. EFFECTIVE DATE AND DURATION OF THE PLAN

The Plan shall become effective and shall be deemed to have been adopted on November 5, 1997, unless the Plan shall have terminated earlier, the Plan shall terminate on the tenth (10th) anniversary of its effective date, and no Option shall be granted pursuant to the Plan after the day preceding the tenth (10th) anniversary of its effective date.

OTHER TERMS OF THE OPTION
- -------------------------

WHEREAS, the Board of Directors (the "Board") has authorized the grant of stock options upon certain terms and conditions set forth in the Plan and herein; and

WHEREAS, the Compensation Committee (the "Committee") has authorized the grant of this stock option pursuant and subject to the terms of the Plan, a copy of which is available from the Company and is hereby incorporated herein;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the Company and the Optionee, intending to be legally bound, covenant and agree as set forth on the first page hereof and as follows:

7. Grant. Pursuant and subject to the Plan, the Company does hereby grant to the Optionee a stock option (the "Option") to purchase from the Company the number of shares of Stock set forth in Section 3 on the first page hereof upon the terms and conditions set forth in the Plan and upon the additional terms and conditions contained herein. This Option is a [INCENTIVE] [NONQUALIFIED] stock option and [IS] [IS NOT] intended to qualify for special federal income tax treatment as an "incentive stock option" pursuant to Section 422 of the Internal Revenue Code of 1986, as amended (the "Code").

8. Option Price. This Option may be exercised at the option price per share of Stock set forth in Section 4 on the first page hereof, subject to adjustment as provided herein and in the Plan.

9. Term and Exercisability of Option. This Option shall expire on the date determined pursuant to Section 5 on first page hereof and shall be exercisable prior to that date in accordance with and subject to the conditions set forth in the Plan and those conditions, if any, set forth in Section 6 on first page hereof. If before this Option has been exercised in full, the Optionee ceases to be an employee of the Company for any reason other than a termination for a reason specified in Section 16 of the Plan, the Optionee may exercise this Option to the extent that he or she might have exercised it on the date of termination of his or her employment, but only during the period ending on the earlier of (a) the date on which the Option expires in accordance with Section 5 of this Agreement or (b) three (3) months after the date of termination of the Optionee's employment with the Company. However, if the Optionee dies before the date of expiration of this Option and while in the employ of the Company or during the three month period described in the preceding sentence, or in the event of the retirement of the Optionee for reasons of disability (within the meaning of Code (S) 22(e)(3)), the Option shall terminate only on such date of expiration. If the Optionee dies before this Option has been exercised in full, the personal representative of the Optionee may exercise this Option as set forth in the preceding sentence.

10. Method of Exercise. To the extent that the right to purchase shares of Stock has accrued hereunder, this Option may be exercised from time to time by written notice to the Company substantially in the form attached hereto as Exhibit A, stating the number of shares with respect to which this Option is being exercised, and accompanied by payment in full of the option price for the number of shares to be delivered, by means of payment acceptable to the Company in accordance with Section 10 of the Plan. As soon as practicable after its receipt of such notice, the Company

shall, without transfer or issue tax to the Optionee (or other person entitled to exercise this Option), deliver to the Optionee (or other person entitled to exercise this Option), at the principal executive offices of the Company or such other place as shall be mutually acceptable, a certificate or certificates for such shares out of theretofore authorized but unissued shares or reacquired shares of its Stock as the Company may elect; provided, however, that the time of such delivery may be postponed by the Company for such period as may be required for it with reasonable diligence to comply with any applicable requirements of law. Payment of the option price may be made in cash or cash equivalents or, in accordance with the terms and conditions of Section 10 of the Plan, (a) in whole or in part in shares of Common Stock of the Company, whether or not through the attestation procedure in the Plan, or (b) in part by promissory note of the Optionee in the form attached hereto as Exhibit B; provided, however, that the Board reserves the right upon receipt of any written notice of exercise from the Optionee to require payment in cash with respect to the shares contemplated in such notice. If the Optionee (or other person entitled to exercise this Option) fails to pay for and accept delivery of all of the shares specified in such notice upon tender of delivery thereof, his or her right to exercise this Option with respect to such shares not paid for may be terminated by the Company.

11. Nonassignability of Option Rights. This Option shall not be assignable or transferable by the Optionee except by will or by the laws of descent and distribution. During the life of the Optionee, this Option shall be exercisable only by him or her.*

12. Compliance with Securities Act. The Company shall not be obligated to sell or issue any shares of Stock or other securities pursuant to the exercise of this Option unless the shares of Stock or other securities with respect to which this Option is being exercised are at that time effectively registered or exempt from registration under the Securities Act of 1933, as amended, and applicable state securities laws. In the event shares or other securities shall be issued which shall not be so registered, the Optionee hereby represents, warrants and agrees that he or she will receive such shares or other securities for investment and not with a view to their resale or distribution, and will execute an appropriate investment letter satisfactory to the Company and its counsel.

13. Legends. The Optionee hereby acknowledges that the stock certificate or certificates evidencing shares of Stock or other securities issued pursuant to any exercise of this Option will bear a legend setting forth the restrictions on their transferability described in Section 13 hereof.

14. Rights as Stockholder. The Optionee shall have no rights as a stockholder with respect to any shares of Stock or other securities covered by this Option until the date of issuance of a certificate to him or her for such shares or other securities. No adjustment shall be made for dividends or other rights for which the record date is prior to the date such stock certificate is issued.

15. Withholding Taxes. The Optionee hereby agrees, as a condition to any exercise of this Option, to provide to the Company an amount sufficient to satisfy its obligation to withhold certain federal, state and local taxes arising by reason of such exercise (the "Withholding Amount") by (a) authorizing the Company to withhold the Withholding Amount from his or her cash compensation,

---

* Use different language for an Option transferable to family members.

or (b) remitting the Withholding Amount to the Company in cash; provided, however, that to the extent that the Withholding Amount is not provided by one or a combination of such methods, the Company in its sole and absolute discretion may refuse to issue such shares of Stock or may withhold from the shares of Stock delivered upon exercise of this Option that number of shares having a fair market value, on the date of exercise, sufficient to eliminate any deficiency in the Withholding Amount.

16. Notice of Disqualifying Disposition. If this Option is an incentive stock option, the Optionee agrees to notify the Company promptly in the event that he sells, transfers, exchanges or otherwise disposes of any shares of Stock issued upon exercise of the Option, before the later of (i) the second anniversary of the date of grant of the Option and (ii) the first anniversary of the date the shares were issues upon his exercise of the Option.

17. Termination or Amendment of Plan. The Board may in its sole and absolute discretion at ant time terminate or from time to time modify and amend the Plan, but no such termination or amendment will affect rights and obligations under this Option.

18. Effect Upon Employment. Nothing in this Option or the Plan shall be construed to impose any obligation upon the Company to employ or retain in its employ, or continue its involvement with, the Optionee.

19. Time for Acceptance. Unless the Optionee shall evidence his or her acceptance of this Option by execution of this Agreement within seven (7) days after its delivery to him or her, the Option and this Agreement shall be null and void.

20. General Provisions.

(a) Amendment; Waivers. This Agreement, including the Plan, contains the full and complete understanding and agreement of the parties hereto as to the subject matter hereof and may not be modified or amended, nor may any provision hereof be waived, except by a further written agreement duly signed by each of the parties. The waiver by either of the parties hereto of any provision hereof in any instance shall not operate as a waiver of any other provision hereof or in any other instance.

(b) Binding Effect. This Agreement shall inure to the benefit of and be binding upon the parties hereto and, to the extent provided herein and in the Plan, their respective heirs, executors, administrators, representatives, successors and assigns.

Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any

temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it under applicable law or pursuant to the provisions of this Agreement for such breach or threatened breach, including without limitation the recovery of damages.

(h) Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination the effect of which is to affect materially and adversely either the Purchasers or ATS, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable law in an acceptable manner to the end that the intent and purpose of this Agreement is fulfilled and consummated to the maximum extent possible.

(i) Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

(j) Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

(k) Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the applicable laws of the United States of America and the laws of The Commonwealth of Massachusetts applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction, except to the extent the corporate laws of the State of Delaware are applicable. Anything in this Agreement to the contrary notwithstanding, in the event of any dispute between the parties which results in a legal action, litigation or other proceeding, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such legal action, litigation or other proceeding.

(l) Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such other agreements, instruments or other documents and other assurances, as the other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

(m) Entire Agreement. This Agreement (together with the other agreements, instruments and other documents delivered in connection herewith) constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements, arrangements, covenants, promises, conditions, understandings, inducements, representations and negotiations, expressed or implied, oral or written, among the parties, with respect to the subject matter hereof and supersedes all prior agreements, arrangements, covenants, promises, conditions, undertakings, inducements, representations, warranties and negotiations, expressed or implied, oral or written, between the parties, with respect to the subject matter hereof. Each of the parties is a sophisticated investor or legal entity that was advised by experienced counsel and, to the extent it deemed necessary, other advisors in connection with this Agreement. Each of the parties hereby acknowledges that (i) none of the parties has relied or will rely in respect of this Agreement or the transactions contemplated hereby upon any document or written or oral information previously furnished to or discovered by it or its representatives, other than this Agreement (or such of the foregoing as are delivered at the Closing, (ii) there are no covenants or agreements by or on behalf of any party or any of its respective affiliates or representatives other than those expressly set forth in this Agreement and the other agreements, instruments and other documents delivered in connection herewith, and (iii) the parties' respective rights and obligations with respect to this Agreement and the events giving rise thereto will be solely as set forth in this Agreement and such other agreements, instruments and other documents. (n) Assignment. This Agreement shall not be assignable by any party and any such assignment shall be null and void, except that it shall inure to the benefit of and be binding upon any successor to each party by operation of law, including by way of merger, consolidation or sale of all or substantially all of its assets, and, in the case of the Purchasers, their respective executors, trustees, and heirs, and any person to whom any of them shall have transferred any of the Subject Shares or the Exchanged Shares not in violation of this Agreement. Notwithstanding the foregoing, ATS may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

(o) Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of the parties and their permitted successors and assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 6(n).

WHEREAS, ATSI and Gearon & Co., Inc., a Georgia corporation ("Gearco"), among others, are parties to an agreement and plan of merger, dated as of November 21, 1997 (the "Merger Agreement"), pursuant to which Gearco will merge with and into ATSI; and

WHEREAS, Gearon is the principal stockholder and the chief executive officer of Gearco and it is a condition of ATSI's obligation to consummate the transactions contemplated by the Merger Agreement that Gearon shall enter into an employment agreement substantially in the form hereof;

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), as a condition to the obligation of ATSI to consummate the transactions contemplated by the Merger Agreement, and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, do covenant and agree as follows:

Section 1. Term of Employment. ATSI agrees to employ Gearon from the date hereof until December 31, 2000 as an Executive Vice President of ATSI and the Chief Executive Officer of the division of ATSI which will continue the business heretofore conducted by Gearco (the "Gearon Division"). At the end of the initial term of employment, the period of employment will be automatically renewed for successive one (1) year terms, unless written notice to the contrary is given by ATSI to Gearon, or by Gearon to ATSI, at least three (3) months before the end of the initial term or any renewal thereof. Gearon represents and warrants to ATSI that he is not now under any obligations to any Person and has no investment or other interest which is inconsistent or in conflict with any provision of this Agreement, or which would prevent, limit or impair, in any way, the performance by him of any of the covenants or duties of his employment as herein set forth.

Section 2. Compensation. ATSI agrees to pay Gearon for his services during the term of his employment hereunder at an annual rate of Two Hundred Thousand Dollars ($200,000) (the "Base Salary"), payable in accordance with standard ATSI practice, but in any event not less often than monthly, subject only to such payroll and withholding deductions as are required by Law. The Board of Directors shall review the Base Salary no less frequently than once a year and may, but shall not be obligated to, increase the Base Salary; provided, however, that in no event shall the Base Salary be reduced unless as part of an overall general reduction of all senior executive officers of ATSI and then only commensurate with such other reductions.

Section 3. Office and Duties. Gearon shall have the usual duties of an Executive Vice President of ATSI and shall be responsible, subject to the Board of Directors and the Chief Executive Officer and the Chief Operating Officer of ATSI, for participating in the management and direction of the business and operations of ATSI, shall perform all duties incident to such office and shall perform such specific other tasks, consistent with his position with ATSI, as may from time to time be assigned to him by the Board of Directors or the Chief Executive Officer or the Chief Operating Officer of ATSI. Gearon shall be responsible, subject to supervision by the Board of Directors and the Chief Executive Officer of ATSI, for the management and direction of the Gearon Division. Effective on the date hereof, Gearon shall be appointed a member of the Board of Directors of American Tower Systems Corporation, the parent of ATSI ("ATS"). Gearon shall devote substantially all of his business time, labor, skill, undivided attention and best ability to the performance of his duties hereunder in a manner which will faithfully and diligently further the business and interests of ATSI. During the term of his employment, Gearon shall not directly or indirectly pursue any

other business activity which involves a Proscribed Activity or which unreasonably interferes with the performance of his duties and responsibilities hereunder. Gearon may serve on civic or other charitable boards or committees, and manage personal investments, so long as such activities do not involve a Proscribed Activity and do not interfere in any material respect with the performance of his duties and responsibilities hereunder. Gearon agrees that he will travel to whatever extent is reasonably necessary or desirable in the conduct of the business of ATSI and its Affiliates.

Section 4. Expenses. Commencing on the date hereof, Gearon shall be entitled to receive prompt reimbursement for all reasonable business expenses incurred by him on behalf of ATSI (in accordance with the policies and procedures established by the Board of Directors from time to time for ATSI's executive officers) in performing services hereunder during the term of his employment hereunder, provided that Gearon properly accounts therefor in accordance with ATSI's policies and procedures, including without limitation those relating to federal and state income tax matters.

Section 5. Vacation During Employment. Gearon shall be entitled to such reasonable vacations as may be allowed by ATSI in accordance with general practices established from time to time for personnel similarly situated, but in any event not less than three (3) weeks during each twelve (12) month period, and shall also be entitled to all paid holidays given by ATSI to its personnel similarly situated.

Section 6. Additional Benefits. Commencing on the date hereof, Gearon shall, to the extent he is otherwise eligible, be entitled to participate in ATSI's stock option plan and in all group insurance programs or other fringe benefit plans which ATSI may from time to time in its sole and absolute discretion make available generally to its personnel, or for personnel similarly situated with ATSI or any of its subsidiaries, but ATSI shall not be required to establish or maintain any such program or plan, except as otherwise specifically provided in this Section. In the event ATSI adopts a stock purchase or other stock ownership plan or program, Gearon shall be entitled to participate in such plan or program on a level commensurate with his compensation and position with ATSI.

Section 7. Termination of Employment. Notwithstanding any other provision of this Agreement, this Agreement may be terminated as follows:

(a) Cause. By ATSI for Cause.

(b) Disability. By ATSI in the event of Gearon's Disability.

(c) Death. Automatically in the event of Gearon's death.

(d) Good Reason. By Gearon for Good Reason.

(e) Expiration. By ATSI or Gearon by notice given in accordance with the provisions of Section 1.

(f) Other. By ATSI other than for any of the reasons set forth in paragraphs (a), (b), (c) or (e) or by Gearon other than for any of the reasons set forth in paragraphs (d) or (e), upon not less than thirty (30) days' prior written notice.

In the event of any termination of this Agreement pursuant to this Section or otherwise, anything in this Agreement to the contrary notwithstanding, ATSI shall not be liable to Gearon (or his legal representatives) pursuant to the provisions of this Agreement, except as follows:

A. Cause or Early Termination by Gearon. If ATSI shall terminate Gearon's employment pursuant to the provisions of paragraph (a), or if Gearon shall terminate his employment pursuant to the provisions of paragraph (f), ATSI shall have no further obligations to Gearon under this Agreement, except with respect to the Base Salary and expense reimbursements through the date of such termination, such payments to be made in accordance with the applicable provisions of this Agreement.

B. Disability. If ATSI shall terminate Gearon's employment pursuant to the provisions of paragraph (b), (i) ATS shall pay Gearon (or his legal representative) any unpaid Base Salary and expense reimbursements through the date of termination and (ii) Gearon (or his legal representative) shall continue to receive the Base Salary for the month in which such termination occurs until the earlier to occur of (A) the end of the six-month period following the date of such termination or (B) such time as Gearon (or his legal representative) is entitled to receive benefits under any disability insurance carried by ATSI or any Affiliate for the benefit of Gearon, such payments to be made in accordance with the applicable provisions of this Agreement. Gearon shall be obligated, in the event of any cessation of his disability, to accept reemployment in a senior managerial position with ATSI if ATSI shall, in its sole and absolute discretion, offer such employment.

C. Death. If Gearon's employment shall terminate pursuant to the provisions of paragraph (c), ATSI shall pay the legal representatives of Gearon an amount equal to (i) the Base Salary earned through the date of such termination and any unpaid expense reimbursements, and (ii) any death benefits payable to the legal representatives or beneficiaries of Gearon under any insurance carried by ATSI for the benefit of Gearon, including without limitation under any group insurance plan or program, such payment to be made in a single payment as promptly as practicable after the death of Gearon.

D. Good Reason or Early Termination by ATSI. If Gearon shall terminate his employment pursuant to the provisions of paragraph (d), or if ATSI shall terminate Gearon's employment pursuant to the provisions of paragraph (f), ATSI shall pay Gearon an amount equal to the sum of (x) the Base Salary earned through the date of termination and any unpaid expense reimbursements, (y) additional compensation equal to any amount Gearon would have received (with respect to the year in which the termination occurs) under any and all incentive, bonus, and other special compensation plans and arrangements in which Gearon is a participant at the date of termination, multiplied by a fraction, the numerator of which is the number of days that have elapsed in such year through the date of termination, and the denominator of which is 365, and (z) additional compensation equal to the total Base Salary Gearon would have received (assuming the Base Salary as in effect on the date of such termination) for the greater of (A) the period from the date of termination through the remainder of his term of employment under this Agreement (but not to exceed, in any event, twelve (12) months), or (B) the six-month period following the date of termination. In addition, Gearon shall be entitled to participate in such medical, dental, disability, hospitalization, and life insurance plans in which Gearon is participating as of the date on which Gearon's employment is terminated for so long as Gearon is receiving any Base Salary pursuant to this Section 7.D. Payment of the foregoing amounts shall be made in accordance with the applicable provisions of this Agreement (which in the case of clause (z) shall mean the provisions of and at the times set forth in Section 2).

E. Expiration. If the employment of Gearon shall terminate pursuant to the provisions of paragraph (e), ATSI shall have no further obligations to Gearon under this Agreement, except with respect to (x) Base Salary earned through the date of such termination and any unpaid expense reimbursements, and (y) additional compensation equal to any amount Gearon would have received (with respect to the year in which the termination occurs) under any and all incentive, bonus, and

other special compensation plans and arrangements in which Gearon is a participant at the date of termination, multiplied by a fraction, the numerator of which is the number of days that have elapsed in such year through the date of termination, and the denominator of which is 365, such payments to be made in accordance with the applicable provisions of this Agreement.

F. Tax Withholding. Each amount paid pursuant to this Section 7 shall be paid after deducting such payroll and withholding deductions as are required by Law.

G. Other Matters. Anything in this Section or elsewhere in this Agreement to the contrary notwithstanding, the provisions of Sections 8, 9 and 10 shall survive, in accordance with their respective terms and for the respective periods, if any, therein set forth, termination of the employment of Gearon pursuant to the provisions of this Section or otherwise, whether by ATSI, by Gearon, upon the expiration of the term of this Agreement in accordance with the provisions of Section 1, or otherwise.

Section 8. Disclosure and Assignment of Intellectual Property. Gearon shall promptly disclose to ATSI and any successor or assign, and grant to ATSI, and its successors and assigns (without any separate remuneration or compensation other than that received by him from time to time in the course of his employment) his entire right, title and interest throughout the world in and to all Intellectual Property. It is understood and agreed that Gearon has heretofore disclosed to ATSI, and assigned to it, all Intellectual Property now known to him over which he has any control. Gearon agrees to execute all appropriate patent applications securing all United States and foreign patents on all Intellectual Property, and to do, execute and deliver any and all acts and instruments that may be necessary or proper to vest all Intellectual Property in ATSI or its nominee or designee and to enable ATSI, or its nominee or designee, to obtain all such patents; and Gearon agrees to render to ATSI, or its nominee or designee, all such reasonable assistance as it may require in the prosecution of all such patent applications and applications for the reissue of such patents, and in the prosecution or defense of all interferences which may be declared involving any of said patent applications or patents, but the expense of all such assignments and patent applications, or all other proceedings referred to herein above, shall be borne by ATSI. Gearon shall be entitled to fair and reasonable compensation for any such assistance requested by ATSI or its nominee or designee and furnished by him after the termination of his employment.

Section 9. Confidentiality. Gearon shall not, either during the period of his employment with ATSI or thereafter, reveal or disclose to any person outside ATSI or use for his own benefit, without ATSI's specific prior written authorization, whether by private communication or by public address or publication or otherwise, any Confidential Information, except as required in the performance of his duties. All originals and copies of any Confidential Information, relating to the business of ATSI, however and whenever produced, shall be the sole property of ATSI, not to be removed from the premises or custody of ATSI (which shall include any ATSI office located in Atlanta, Georgia) without in each instance first obtaining prior written consent or authorization of ATSI, except as required in the performance of Gearon's duties. Upon the termination of Gearon's employment in any manner or for any reason, Gearon shall promptly surrender to ATSI all copies of any Confidential Information, together with any other documents, materials, data, information and equipment belonging to or relating to ATSI's business and in his possession, custody or control, and Gearon shall not thereafter retain or deliver to any other Person, any Confidential Information or any summary or memorandum thereof.

Section 10. Restriction. ATSI intends to continue and expand the business heretofore conducted by Gearco and ATSI and in connection therewith ATSI has invested, and ATSI will in the future be required to invest, substantial sums of money, directly or indirectly, and as Gearon recognizes that ATSI, would be substantially injured by Gearon disclosing to others, or by Gearon using for his own benefit, any Intellectual Property or any other Confidential Information he has obtained or shall obtain as an employee of ATSI, or

which he may now possess and which he has made available to ATSI, Gearon agrees that during the Restricted Period:

(a) Neither he nor any member of his Immediate Family will be interested, directly or indirectly, as an investor in any other Entity, business or enterprise, other than American Tower Systems Corporation, the parent of ATSI, and its Subsidiaries, which does business or operates within the Covered Territory which is engaged in any Proscribed Activity (except as an investor in securities listed on a national securities exchange or actively traded over the counter so long as such investments do not exceed one percent (1%) of the outstanding securities of the issuer of the same class or issue); and

(b) He will not, directly or indirectly, for his own account or as employee, officer, director, partner, trustee, principal, member, joint venturer, agent, adviser, consultant or otherwise, engage within or with respect to the Covered Territory, in any phase of any Proscribed Activity.

Gearon further agrees that during the Restricted Period, he will not, directly or indirectly, (i) solicit business within the Covered Territory, other than on behalf of ATSI, its Affiliates or any of their respective successors or assigns, for a Proscribed Activity from any Person, business or enterprise which is, or proposes to be, a customer of ATSI, its Affiliates or any of their respective successors or assigns, or from any Person, business or enterprise with which ATSI, its Affiliates or any of their respective successors or assigns is negotiating or holding discussion or to which it has made a proposal, (ii) induce any such Person, business or enterprise not to undertake, or to curtail or cancel, business with ATSI, its Affiliates or any of their respective successors or assigns, (iii) induce or attempt to induce any employee of ATSI, its Affiliates or any of their respective successors or assigns to terminate his or her employment therewith, or (iv) divulge or utilize for the direct or indirect benefit (financial or other) of himself or any other Person, business or enterprise, other than ATSI, its Affiliates or any of their respective successors or assigns, any Intellectual Property or any other Confidential Information he has obtained or shall obtain as an employee of ATSI, or which he may now possess and which he has made available to ATSI.

This Agreement shall be deemed to consist of a series of separate covenants, one for each line of business carried on by ATSI and each region included within the geographic areas referred to in this Section. Gearon and ATSI are of the belief that the Restricted Period, the Proscribed Activity and the Covered Territory herein specified are reasonable, in light of the circumstances as they exist on the date upon which this Agreement has been executed, including without limitation the nature of the business in which ATSI is engaged and proposes to engage, the state of its product development and Gearon's knowledge of such business and his prior affiliations with and interest in ATSI. However, if such period, activity or area should be adjudged unreasonable in any Legal Action, then the Restricted Period shall be reduced by such period of time, the Proscribed Activity shall be reduced by such activities, or the Covered Territory shall be reduced by such area, or any combination thereof, as are deemed unreasonable, so that this covenant may be enforced in such area, with respect to such activities and during such period of time as is adjudged to be reasonable.

Section 11. Assignment; Successors and Assigns. In the event that ATSI shall be merged with, or consolidated into, any other Entity, or in the event that it shall sell and transfer substantially all of its assets to another Entity, the terms of this Agreement shall inure to the benefit of, and be assumed by, the Entity resulting from such merger or consolidation, or to which ATSI's assets shall be sold and transferred and ATSI may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it. This Agreement shall not be assignable by Gearon, but it shall be binding upon, and to the extent provided in Section 7 shall inure to the benefit of, his heirs, executors, administrators and legal representatives. Nothing in this Agreement expressed or implied is intended to and shall not be construed to confer upon or create in any Person (other than the parties hereto and their permitted successors

and assigns) any rights or remedies under or by reason of this Agreement, including without limitation any rights to enforce this Agreement, except as otherwise provided in Section 7.

Section 12. Specific Performance; Other Rights and Remedies. Gearon recognizes and agrees that ATSI's remedy at law for any breach of the provisions of this Agreement, including without limitation Sections 8, 9 or 10, would be inadequate, and he agrees that for breach of such provisions, ATSI shall, in addition to such other remedies as may be available to it at law or in equity or as provided in this Agreement, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Without limiting the generality of the foregoing, in the event of a breach or threatened breach by Gearon of the provisions of this Agreement, ATSI shall be entitled to an injunction restraining Gearon from soliciting employees, customers or suppliers, or from disclosing, in whole or in part, any Confidential Information, or from rendering any services to any Person to whom such information has been disclosed, from engaging, participating or otherwise being connected with any business described in Section 10 or from otherwise violating the terms of this Agreement. Nothing herein contained shall be construed as prohibiting ATSI from pursuing any other remedies available to it or them for such breach or threatened breach, including without limitation the recovery of actual damages from Gearon. The rights and remedies of the parties under this Agreement are cumulative and are not in lieu of, but are in addition to, any other rights and remedies which the parties shall have under or by virtue of any Applicable Law, or any other agreement or obligation between the parties or any of them.

Section 13. Definitions. Capitalized terms used in this Agreement which are not defined herein and are defined in the Merger Agreement shall have the meaning prescribed therefor in the Merger Agreement. Terms defined in the singular shall have a comparable meaning when used in the plural, and vice versa, and the reference to any gender shall be deemed to include all genders. References to "hereof", "herein" or similar terms are intended to refer to this Agreement as a whole and not a particular Section, and references to "this Section" are intended to refer to this entire Section and not a particular subsection thereof. A Person shall be deemed to be "controlled by" any other Person if such other Person possesses, directly or indirectly, power to direct or cause the direction of the management or policies of such Person or the disposition of its assets or properties, whether by stock, equity or other ownership, by contract, arrangement or understanding, or otherwise.

"Cause" shall mean Gearon's

(a) willful or gross failure or refusal to perform, or any willful or gross misconduct in the performance of, any significant portion of his obligations, duties and responsibilities under this Agreement, which (i) is incapable of cure, or (ii) has not been cured or remedied as promptly as is reasonably possible (and in any event within thirty (30) days) after written notice from the Board of Directors of ATSI to

Gearon specifying in reasonable detail the nature of such failure, refusal or misconduct, or

(b) material breach of the provisions of Section 8, 9 or 10 which (i) is incapable of cure, or (ii) has not been cured or remedied promptly (and in any event within thirty (30) days) after written notice from the Board of Directors of ATSI to Gearon specifying in reasonable detail the nature of such breach, or

(c) act or acts of dishonesty in connection with his employment intended by Gearon to result in substantial personal enrichment, or

(d) commission a crime involving moral turpitude or which otherwise materially and adversely affects ATSI or its business or reputation.

"ATSI" is defined in the preambles of this Agreement and shall, for the purposes of Sections 8, 9 and 10, include all Affiliates of ATSI, and, in each case, their respective successors and assigns.

"Confidential Information" shall mean any and all information (excluding information which (i) has been or is obtained by Gearon from a source independent of ATSI or Gearco and is not specifically related to the activities conducted by ATSI (in contrast to the general nature of owning, operating or acquiring communications sites or towers), (ii) is or becomes part of, the public domain other than as a direct or indirect result of any breach by Gearon of Section 9 of this Agreement, or (iii) is independently developed by Gearon without reliance in any way on information provided by ATSI or Gearco and is not specifically related to the activities conducted by ATSI (in contrast to the general nature of owning, operating or acquiring communications sites or towers)) related to the business or businesses of ATSI, any Affiliate of ATSI or any of their respective successors or assigns, including without limitation:

(a) the whole or any portion or phase of any business plans, financial information, purchasing data, tenant or landlord data, accounting data, or computer programs (including source and object codes), tapes, discs, data, software or other information;

(b) the whole or any portion or phase of any marketing or sales information or technique, sales records, tenant lists, landlord or supplier lists, prospective site lists, prices, sales projections or other listings of names, addresses, or telephone numbers, or other lease or sales information;

(c) the whole or any portion or phase of any employee payroll, fringe benefit, salary, bonus, commission or other form of compensation information and all employee personnel information, including information relating to performance evaluations, discipline, employee conduct, complaints and other matters relating to employment of any Person; and

(d) Intellectual Property;

whether or not any of the foregoing has been made, developed and/or conceived by Gearon or by others in the employ of any such Person.

"Covered Territory" shall mean any geographic area or areas in the United States or Canada or any other country in which ATSI or any Affiliate of ATSI or any of their respective successors or assigns engages or has engaged in business activity within twelve (12) months of the time of the enforcement this Agreement and for which Gearon has, or at such time had, significant responsibility.

"Disability" or "Disabled" shall mean a condition (mental or physical or both) which, in the good faith judgment of the Board of Directors of ATSI, renders Gearon, in his capacity as an executive officer of ATSI, and by reason of incapacity (mental or physical or both) unable to perform properly his duties as such executive officer of ATSI for a period of not less than six (6) months during any twenty-four (24) month period.

"Gearon" is defined in the preambles of this Agreement.

"Good Reason" shall mean:

(a) the assignment to Gearon of any duties inconsistent in any material respect with his position, authority, duties or responsibilities as contemplated in Section 3 or any other action by ATSI which results in a diminution, in any material respect, in such position, authority, duties or responsibilities; or

(b) a material reduction in Gearon's Base Salary or in the extent of Gearon's entitlement to the expenses, fringe benefits or perquisites referred to in this Agreement, the result of which is to place Gearon in a materially less favorable position as to such compensation, participation or entitlement, compared to other employees of ATSI and its subsidiaries of similar stature and position; or

(c) any other failure by ATSI to comply in any material respect with any material provision of this Agreement; or

(d) any requirement by ATSI for Gearon to move more than fifty (50) miles from his residence as of the date hereof, without his prior consent; or

(e) any failure by ATS to nominate Gearon for re-election as a member of the Board of Directors of ATS, so long as Gearon continues to hold, directly or indirectly, not less than twenty-five percent (25%) of the shares of ATS common stock received pursuant to the provisions of Section 3.1(b)(ii) of the Merger Agreement;

which (i) is incapable of cure, or (ii) has not been cured or remedied promptly (and in any event within thirty (30) days) after written notice to the Board of Directors of ATSI or ATS, as applicable, from Gearon specifying in reasonable detail the nature of such assignment, action, reduction or failure.

"Immediate Family" shall mean spouses and minor children, whether related by blood or by marriage.

"Intellectual Property" shall mean the following, but solely and exclusively to the extent they relate to a Proscribed Activity, and not otherwise: any and all research, information, inventions, designs, procedures, developments, discoveries, improvements, patents and applications therefor, trademarks and applications therefor, copyrights and applications therefor, trade secrets, drawings, plans, systems, methods, specifications, computer software programs, tapes, discs and related data processing software (including object and source codes) owned by Gearon or in which he has an interest and all other manufacturing, engineering, technical, research and development data and know-how made, conceived, developed and/or acquired by Gearon solely or jointly with others during the period of his employment with ATSI, which relate to the manufacture, production or processing of any products developed or sold by ATSI during the term of this Agreement or which are within the scope of or usable in connection with ATSI's business as it may, from time to time, hereafter be conducted or proposed to be conducted.

"Law" shall mean any (a) administrative, judicial, legislative or other action, code, consent decree, constitution, decree, directive, enactment, finding, guideline, law, injunction, interpretation, judgment, order, ordinance, policy statement, proclamation, promulgation, regulation, requirement, rule, rule of law, rule of public policy, settlement agreement, statute, or writ of any Authority, domestic or foreign; (b) the common law, or other legal or quasi-legal precedent; or (c) arbitrator's, mediator's or referee's award, decision, finding or recommendation; including, in each such case or instance, any interpretation, directive, guideline or request, whether or not having the force of law including, in all cases, without limitation any particular section, part or provision thereof.

"Proscribed Activity" shall mean any and all activities related to the ownership and/or operation of communications towers or sites, or the acquisition or management of communications towers or sites for third parties.

"Restricted Period" shall mean the period commencing on the date of this Agreement and ending as follows:

(a) in the event Gearon's employment with ATSI is terminated (i) by Gearon pursuant to paragraph (d) of Section 7 or (ii) by ATSI other than pursuant to paragraphs (a) or (e) of Section 7 -- six (6) months after the effective date of such termination; or

(b) in the event Gearon's employment with ATSI is terminated (i) by Gearon for any reason other than pursuant to paragraphs (d) or (e) of Section 7 or (ii) by ATSI pursuant to paragraph (a) of Section 7 -- eighteen (18) months after the effective date of such termination; or

(c) in the event Gearon's employment with ATSI is terminated because this contract is not renewed pursuant to the provisions of Section 1, six (6) months after the effective date of such termination.

Section 14. Expenses. Each party shall pay its own expenses incident to the negotiation, preparation, performance and enforcement of this Agreement (including all fees and expenses of its counsel, accountants and other consultants, advisors and representatives for all activities of such persons undertaken pursuant to this Agreement), except to the extent, if any, otherwise specifically set forth in this Agreement.

Section 15. Entire Agreement. This Agreement (which term, unless the context otherwise specifically requires, includes any exhibits or schedules hereto and all agreements, instruments, other documents and certificates delivered pursuant hereto or thereto) constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, arrangements, covenants, promises, conditions, understandings, inducements, representations and negotiations, expressed or implied, oral or written, between them as to such subject matter.

Section 16. Waivers; Amendments. Anything in this Agreement to the contrary notwithstanding, amendments to and modifications of this Agreement may be made, required consents and approvals may be granted, compliance with any term, covenant, agreement, condition or other provision set forth herein may be omitted or waived, either generally or in a particular instance and either retroactively or prospectively with, but only with, the written consent of the party entitled to the benefit thereof. No delay on the part of any party at any time or times in the exercise of any right or remedy shall operate as a waiver thereof. Any consent may be given subject to satisfaction of conditions stated therein. The failure of a party hereto at any time or times to insist upon strict compliance with any term, covenant, agreement, condition or other provision or to exercise any right or remedy with respect to such failure or to require performance of any thereof shall in no manner affect its right at a later time to enforce the same or constitute a waiver of any such term, covenant, agreement, condition or other provision or any breach or default in connection therewith. The waiver of any

covenant, term, condition or other provision thereof or default thereunder shall not affect or alter this Agreement in any other respect, and each and every covenant, term, condition or other provision of this Agreement shall, in such event, continue in full force and effect, except as so waived, and shall be operative with respect to any other then existing or subsequent default in connection therewith.

Section 17. Notices. All notices and other communications which by any provision of this Agreement are required or permitted to be given shall be given in writing and shall be (a) mailed by first-class or express mail, postage prepaid, (b) sent by telex, telegram, telecopy or other form of rapid transmission, confirmed by mailing (by first class or express mail, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or (c) personally delivered to the receiving party (which if other than an individual shall be an officer or other responsible party of the receiving party). All such notices and communications shall be mailed, sent or delivered as follows: (i) in the case of ATSI, at the addresses and to the persons (including copies) set forth in the Merger Agreement; and (ii) in the case of Gearon, at the addresses and to the persons (including copies) set forth in the Merger Agreement, and/or to such other person(s), telex or facsimile number(s) or as the party to receive any such communication or notice may have designated by written notice to the other parties. A notice delivered in person shall be deemed delivered when given; a notice sent by mail shall be deemed delivered on the earlier of the date of receipt or refusal to accept or the third business day after it has been mailed; a notice sent by telex, telegram, telecopy or other form of rapid transmission shall be deemed delivered when receipt of such transmission is acknowledged or other evidence of receipt is evident; provided, however, that the failure to deliver a copy of any such notice or other communication to the person(s) designated to receive copies shall not affect the validity, force or effect of any notice or other communication or subject a person so failing to deliver a copy to any liability.

Section 18. Severability. If any provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case.

Section 19. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all the parties hereto. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

Section 20. Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

Section 21. Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such agreements, assignments, instruments, other documents and assurances, as any other party or its counsel reasonably deems necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

Section 22. Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by the applicable laws of the United States of America and the domestic substantive laws of the State of New York without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction.

Section 23. Consultation with Counsel; No Representations. Gearon agrees and acknowledges that he has had a full and complete opportunity to consult with counsel of his own choosing concerning the terms, enforceability and implications of this Agreement, and that ATSI has made no representations or warranties to him concerning the terms, enforceability or implications of this Agreement other than as are reflected in this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as a sealed instrument as of the date first above written.

(c) At Closing, Buyer shall reimburse Seller for the reasonable and actual out-of-pocket costs incurred by Seller with respect to due diligence under the Land Sale Contract and obtaining the special use permit required to lawfully use the Land Sale Property as an earth station (the "SUP"), which amount shall not exceed One Hundred Thousand Dollars ($100,000) unless Buyer has agreed to a higher amount in writing (the "Due Diligence Expenses"). 7.7. No Material Adverse Development. There shall not have been any material adverse change in the condition of the Assets. No material adverse change or development shall have occurred with respect to the Business that results in a significant impairment to the ability of the Business to operate as it is currently operated or represents a substantial impairment of the aggregate value of the Business or Assets being conveyed, except such change or development affecting the satellite transmission business in the United States generally.

7.8. Settlement of Claims. Seller shall have settled any and all pending or threatened claims, litigation or proceedings against Seller that affect or concern the Assets.

7.9. Release of Liens. Buyer shall be reasonably satisfied that all Liens on the Assets have been released and removed. Without limiting the generality of the foregoing, Seller shall have delivered to Buyer executed releases or terminations under the UCC and any other applicable laws of any financing or similar statements filed against any Assets in (a) the jurisdictions in which the Assets are and have been located since such Assets were acquired by Seller, and (b) any other location specified or required by applicable Law. UCC, tax and judgment searches, as of the Closing Date, of the public records of the States and the counties

where the Assets are located shall reveal no inconsistencies with Seller's representations and warranties hereunder.

7.10. Title Policies. The Title Company shall be irrevocably committed to issue to Buyer a Title Policy for each property constituting part of the Real Property at its regular rate, subject to no exceptions other than the Permitted Liens, dated as of the exact date and time of the recording of the recorded instruments conveying the Real Property to Buyer.

7.11. Surveys. Buyer shall have received surveys which shall be certified to Buyer and the Title Company, which surveys shall show no matters which adversely affect the use or value of any of the Real Property or render title thereto unmarketable and shall show (i) no encroachments that materially impair the value or use of the Real Property, (ii) that the Improvements are entirely located on the Real Property, (iii) that the Real Property has access to all adjacent roads and that such roads are publicly dedicated, and (iv) that each parcel of Real Property consists of an integral land area with no slivers, strips, vacancies, gaps or gores.

7.12. Title to Owned Real Property. Buyer shall have determined that Seller is the sole owner of good and marketable fee simple title to the Owned Real Property, free and clear of all liens, encumbrances, restrictions, conditions and agreements except for the Permitted Liens.

7.14. Condemnation. No condemnation or taking in eminent domain shall have occurred or be pending with respect to any of the Real Property.

7.15. Updated Schedules. Buyer shall have determined in the reasonable exercise of its judgment, that the additions and deletions in the Updated Schedules delivered by Seller pursuant to Section 6.8 do not have a Material Adverse Effect on the Business or the Assets.

7.16. FCC Consent. The FCC shall have given its consent in writing to the transactions contemplated hereby and shall have approved the FCC Applications ("FCC Consent"), and such FCC Consent (absent a written notice signed by Seller and Buyer waiving the condition that such consent shall be final) shall have become a Final Order. For purposes of this Agreement, a "Final Order" shall mean action by the FCC granting its consent and approval to the FCC Applications, which action is not reversed, stayed, enjoined or set aside, and with respect to which no timely request for stay, reconsideration, review, rehearing, or a notice of appeal is pending, and as to which the time for filing any such request, petition or notice or appeal for review by the FCC on its own motion has expired.

7.17. Land Sale Contract. The representations and warranties of Seller regarding the Owned Real Property set forth in Section 4.18, 4.19(a) (but only with regard to the non-existence of liens and other title defects (other than Permitted Liens) affecting the Land Sale

Property, it being understood that Seller will not own the Land Sale Property at Closing), the first and third sentences of Section 4.19(d), 4.19(f), 4.19(h), 4.19(i) and 6.11 shall be true and correct as of the Closing Date with respect to the Land Sale Property, and Seller shall have delivered to Buyer at Closing a certificate restating such representations and warranties with respect to the Land Sale Property. In the event the conditions set forth in this Section 7.17 are not satisfied as of the Closing Date, Buyer's sole remedy shall be to elect not to assume the Land Sale Contract, in which event the term "Assumed Contracts" shall exclude the Land Sale Contract.

8. CONDITIONS TO SELLER'S OBLIGATION. The obligation of Seller to consummate this Agreement is subject to the satisfaction of each of the following conditions on or prior to the Closing Date:

8.1. Representations and Warranties. The representations and warranties of Buyer to Seller contained herein and in any certificates delivered by Buyer pursuant hereto shall be true and correct in all material respects as of the Closing Date (except for representations and warranties that are qualified as to materiality which shall be true and correct in all material respects), in each case as if made again on and as of such date.

8.2. Compliance with Covenants. All of the covenants to be complied with or performed by Buyer on or before the Closing Date shall have been duly complied with and performed in all material respects.

8.3. Closing Documents. On the Closing Date, Buyer shall have delivered to Seller duly executed closing documents as specified in Section 10.2 below in a form reasonably acceptable to Seller. Seller shall receive a legal opinion of Buyer's counsel in form and substance reasonably satisfactory to Seller.

8.4. Governmental Consents. Any approval required pursuant to the Section 6.11 shall have been obtained.

8.5. Absence of Litigation. As of the Closing Date, no action, claim, suit or proceeding seeking to enjoin, restrain, or prohibit the consummation of this Agreement shall be pending before any court or any other governmental authority; provided, however, that this condition may not be invoked by Seller if any such action, suit, or proceeding was solicited or encouraged by, or instituted as a result of any act or omission of, Seller.

8.6. Payment. At the Closing, Buyer shall deliver to Seller the Cash Payment, as provided in Section 3.1.

8.7. FCC Consent. FCC Consent shall have occurred, and such consent (absent a written notice signed by Seller and Buyer waiving the condition that such consent shall be final) shall have become a Final Order.

9. CLOSING.

9.1. Timing.

(a) The closing of the purchase and sale of the Assets (the "Closing") shall take place on April 30, 1998 or another date mutually agreed to by Buyer and Seller (the "Closing Date"). The Closing will commence on the Closing Date at 10:00 a.m. at the offices of Hunton & Williams, McLean, Virginia, or such other place as Buyer and Seller may agree in writing. By mutual agreement of the parties, Closing may take place by conference call and telecopy with exchange of original signatures by overnight mail.

(b) If, as of the Closing Date, any condition precedent described in Section 7 or 8 has not been satisfied, the party who is entitled to require such condition be satisfied may (in its sole discretion) notify the other party(ies) of the absence of such condition precedent at or before the Closing and simultaneously therewith postpone the Closing until a date ten (10) days after all such conditions have been (or are able to be) performed, but not later than May 31, 1998, and such postponed date shall constitute the new Closing Date for all purposes hereunder.

9.2. Deliveries. On the Closing Date, (a) Seller shall deliver or cause to be delivered to Buyer good and marketable title to and ownership of the Assets, free and clear of all Liens; (b) Buyer shall deliver to Seller the Cash Payment; and (c) the parties shall deliver to each other the closing documents described in Section 10.

9.3. Employee Matters.

(a) Seller shall be solely responsible for all salaries, benefits, severance and other compensation which will or may become payable to its employees ("Seller's Employees") in respect of any period of employment by Seller prior to the Closing Date and Seller shall make such payments at or before the Closing and Buyer shall be solely responsible for any salaries, benefits and other compensation which will or may become payable to any of Seller's Employees to which Buyer extends an offer of employment in respect of any period on and after the Closing Date.

(b) Buyer will not assume any obligations under Seller's existing vacation, sick leave, severance or other employee welfare or benefit plans or policies with respect to Seller's Employees.

10. CLOSING DOCUMENTS.

(f) A certificate executed by Seller attesting to Seller's compliance with the matters set forth in Section 7.17;

(h) A general assignment by Seller to Buyer of all the Assets to be conveyed hereunder, other than the Excluded Assets;

(i) Clearance certificates or similar document(s) that may be required by any state taxing authority in order to relieve Buyer of any obligation to withhold any portion of the Purchase Price;

(j) An executed copy of the Indemnity Escrow Agreement required by Section 3.5 and joint escrow instructions of Buyer and Seller;

(k) An executed copy of each Non-Competition Agreement required by Section 3.6;

(p) The Due Diligence Consents and the Land Sale Contract Estoppel.

(q) One or more assignments to Buyer of the FCC Licenses, provided that Seller shall not deliver such assignments pursuant to a sharing arrangement under Section 6.22 unless the FCC Consent has been granted in accordance with Section 7.16.

10.2. Closing Documents to be Delivered by Buyer. On the Closing Date, Buyer shall deliver to Seller (in form and substance reasonably satisfactory to Seller):

(a) one or more agreements by which Buyer assumes the Assumed Liabilities and agrees to perform, from and after the Closing Date, all of the Assumed Liabilities;

(f) the Cash Payment to Seller; and

(g) a legal opinion of Buyer's counsel in form and substance reasonably satisfactory to Seller.

10.3. Other Closing Documents. The parties will also execute such other documents and perform such other acts, before and after Closing, as may be necessary for the implementation and consummation of this Agreement.

11. RISK OF LOSS. The risk of loss or damage to the Assets shall be upon Seller at all times prior to the Closing Date. In the event of such loss or damage, Seller will promptly notify Buyer and Seller shall use its best efforts to repair, replace or restore the Assets to their former condition as soon as possible provided, however, that if the uninsured portion of the cost of such repair, replacement or restoration is reasonably estimated by Seller to exceed $1,500,000, then Seller may, by written notice to Buyer (within 30 days after such damage) terminate this Agreement. In the event Seller is not able to complete such repair, replacement or restoration by the Closing Date, Buyer may, at its option:

(a) elect to consummate the transaction set forth in this Agreement, in which event Seller shall assign to Buyer all of such Seller's rights under any applicable insurance policies and pay over to Buyer all proceeds of insurance covering such Assets' damage, destruction or loss; or

(b) elect to postpone the Closing Date for such period of time (not to exceed sixty (60) days) as is reasonably necessary for Seller to repair, replace, or restore the lost or damaged property to its former condition. If, after the expiration of that extension period, the lost or damaged property has not been adequately repaired, replaced or restored, Buyer may elect to terminate this Agreement or to consummate the transaction set forth in this Agreement in accordance with Section 11(a) above.

12. TERMINATION; REMEDIES.

12.1. Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written agreement of Seller and Buyer;

(b) by Seller, by written notice to Buyer, on any date determined for the Closing in accordance with Section 9.1(a), if on such date each condition set forth in Section 6 and Section 7 has been satisfied by Seller (or will be satisfied by the delivery of documents at the Closing) or waived in writing by such date by Buyer and Buyer has nonetheless refused to consummate the transactions set forth in this Agreement;

(c) by Buyer, by written notice to Seller, on any date determined for the Closing in accordance with Section 9.1(a), if on such date each condition set forth in Section 8 has been satisfied by Buyer (or will be satisfied by the delivery of documents at the Closing) or waived in writing by such date by Seller and Seller has nonetheless refused to consummate the transactions set forth in this Agreement;

(d) by Buyer, by written notice to Seller, on or after May 31, 1998, if the Closing has not occurred and Buyer is not then in breach of this Agreement in any material respect;

(e) by Seller, by written notice to Buyer, on or after May 31, 1998 if the Closing has not occurred and Seller is not then in breach of this Agreement in any material respect;

(f) by Buyer if any governmental consent necessary to effect a complete assignment of the Assets is not obtained on or before the Closing Date;

(g) by Buyer, in accordance with the provisions of Section 6.11; and

(h) by Buyer or Seller, as applicable, pursuant to Section 11.

Buyer may not rely on the failure of any condition precedent set forth in Section 7 to be satisfied if such failure was caused or contributed to by Buyer's failure to act in good faith or a breach of or failure to perform any of its representations, warranties, covenants or other obligations in accordance with the terms of this Agreement, and Seller may not rely on the failure of any condition precedent set forth in Section 8 to be satisfied if such failure was caused or contributed to by Seller's failure to act in good faith or a breach of or failure to perform any of its representations, warranties, covenants or other obligations in accordance with the terms of this Agreement.

12.2. Effect of Termination. If this Agreement is terminated as provided in Sections 12.1(a), (d), (e), (f), (g) or (h), then this Agreement will forthwith become void and there will be no liability on the part of Buyer or Seller, provided that the obligations of Buyer and Seller described in Section 6.13 will survive any such termination, and no such termination will relieve Buyer or Seller from liability for any misrepresentation or breach of any representation, warranty, covenant or agreement set forth in this Agreement prior to such termination. If this Agreement is terminated by Seller pursuant to Section 12.1(b) or by Buyer pursuant to Section 12.1(c), the terminating party's remedy in respect of such breach of this Agreement will be: (a) the right to terminate this Agreement pursuant to Section 12.1 and receive the sum of $3,000,000 as liquidated damages; (b) as an alternative remedy of Seller, the right to seek actual damages; or (c) as an alternative remedy of Buyer, the right to seek specific performance of this Agreement. Buyer and Seller each acknowledge and agree that $3,000,000 is a reasonable liquidated damages figure in light of the anticipated harm which will be caused by breach of this Agreement, the difficulty of proof of loss, the inconvenience and nonfeasibility of otherwise obtaining an adequate remedy, and the value of the transactions to be consummated hereunder. The parties recognize and agree that the Assets and the Business are unique and Buyer has relied on this Agreement and expended considerable effort and resources related to the transactions contemplated hereunder, that the rights and benefits conferred upon Buyer herein are unique, and that in the event of a breach of this Agreement by Seller, money damages may be inadequate and Buyer may have no adequate remedy at law. Accordingly, Seller therefore agrees that Buyer will have the right, in addition to any other rights and remedies existing in its favor, to enforce its right and Seller's obligations hereunder not only by an action or actions for damages but also by

an action or actions for specific performance, injunctive and/or other equitable relief without any requirement of proving actual damages or posting any bond or other security.

13. INDEMNIFICATION.

13.1. Representations and Warranties. All representations and warranties contained in this Agreement shall be deemed continuing representations and warranties, and together with the covenants contained herein, shall survive the Closing Date for a period of two (2) years after the Closing Date (the "Survival Period"). No claim for indemnification may be made under this Section 13 (except for instances of intentional misrepresentation or fraud) after the expiration of the Survival Period. Any investigations by or on behalf of a party hereto shall not constitute a waiver of such party's right to enforce any representation or warranty by the other party contained herein, unless a party shall have actual knowledge of any misrepresentation or breach of warranty at the Closing on the part of the other party, and such knowledge shall be documented in writing at or before the Closing, in which case the party having such knowledge shall be deemed to have waived such misrepresentation or breach.

13.2. Indemnification by Seller. Seller shall jointly and severally indemnify and hold Buyer harmless against and with respect to, and shall reimburse Buyer for:

(a) Any and all losses, liabilities, or damages resulting from any untrue representation, breach of warranty, or nonfulfillment of any covenants by Seller contained herein or in any certificate delivered to Buyer hereunder;

(b) Any and all losses, liabilities, or damages resulting from Seller's operation of the Business or ownership of the Assets prior to the Closing Date, including any and all liabilities arising under the Assumed Contracts which relate to events occurring or conditions existing prior to the Closing Date; and

(c) Any and all actions, suits, proceedings, claims, demands, assessments, judgments, and reasonable costs and expenses incident to any of the foregoing or incurred in investigating or attempting to avoid the same or to oppose the imposition thereof.

13.3. Indemnification by Buyer. Buyer shall indemnify and hold Seller harmless against and with respect to, and shall reimburse Seller for:

(a) Any and all losses, liabilities, or damages resulting from any untrue representation, breach of warranty, or nonfulfillment of any covenants by Buyer contained herein or in any certificate delivered to Seller hereunder;

(b) Any and all obligations of Seller assumed by Buyer pursuant to the terms hereof;

(c) Any and all losses, liabilities, or damages resulting from Buyer's operation of the Business or ownership of the Assets on or after the Closing Date, including any and all liabilities or obligations arising under the Assumed Contracts which relate to events

occurring or conditions existing on or after the Closing Date or otherwise assumed by Buyer under this Agreement; and

(d) Any and all actions, suits, proceedings, claims, demands, assessments, judgments, and reasonable costs and expenses, including reasonable legal fees and expenses, incident to any of the foregoing or incurred in investigating or attempting to avoid the same or to oppose the imposition thereof.

13.4. Procedures for Indemnification. The procedures for indemnification shall be as follows:

(a) The party claiming the indemnification (the "Indemnified Party") shall promptly give notice to the party from whom the indemnification is claimed (the "Indemnifying Party") of any claim, whether between the parties or brought by a third party against the Indemnified Party, specifying (i) the factual basis for such claim, and (ii) the amount of the claim. If the claim relates to an action, suit, or proceeding filed by a third party against the Indemnified Party such notice shall be given by the Indemnified Party to the Indemnifying Party within five (5) days after written notice of such action, suit, or proceeding shall have been given to the Indemnified Party.

(b) Following receipt of notice from the Indemnified Party of a claim, the Indemnifying Party shall have thirty (30) days in which to make such investigation of the claim as the Indemnifying Party shall deem necessary or desirable. For the purposes of such investigation, the Indemnified Party agrees to make available to the Indemnifying Party and/or its authorized representative(s) the information relied upon by the Indemnified Party to substantiate the claim. If the Indemnified Party and the Indemnifying Party agree at or prior to the expiration of said thirty (30) day period (or any agreed upon extension thereof) to the validity and amount of such claim, or if the Indemnifying Party does not respond to such notice, the Indemnifying Party shall immediately pay to the Indemnified Party the full amount of the claim. If the Indemnified Party and the Indemnifying Party do not agree within said period (or within any agreed-upon extension thereof), the Indemnified Party may seek appropriate legal remedy.

(c) With respect to any claim by a third party as to which the Indemnified Party is entitled to indemnification hereunder, the Indemnifying Party shall have the right at its own expense to participate in or, if it so elects, to assume control of the defense of such claim, and the Indemnified Party shall cooperate fully with the Indemnifying Party, subject to reimbursement for reasonable actual out-of-pocket expense incurred by the Indemnified Party as the result of a request by the Indemnifying Party to so cooperate. If the Indemnifying Party elects to assume control of the defense of any third-party claim, the Indemnified Party shall have the right to participate in the defense of such claim at its own expense.

(d) If a claim, whether between the parties or by a third party, requires immediate action, the parties will make all reasonable efforts to reach a decision with respect thereto as expeditiously as possible.

(e) If the Indemnifying Party does not elect to assume control or otherwise participate in the defense of any third-party claim, the Indemnifying Party shall be bound by the results obtained in good faith by the Indemnified Party with respect to such claim.

(f) The indemnification rights provided in Sections 13.2 and 13.3 hereof shall extend to the partners, shareholders, directors, officers, members, partners, agents, employees, and representatives of the Indemnified Party, although for the purpose of the procedures set forth in this Section 13.4, any indemnification claims by such parties shall be made by and through the Indemnified Party.

13.5. Limitation on Indemnification. Notwithstanding the foregoing, no Indemnifying Party shall have any indemnification payment obligations hereunder unless and until all such obligations exceed One Hundred Thousand Dollars ($100,000) in the aggregate, at which point all amounts to be paid hereunder shall be due and owing. The foregoing limitation shall not apply to indemnification obligations arising from fraudulent or willful misrepresentations. In no event shall Buyer's or Seller's indemnification obligations exceed Fifteen Million Dollars ($15,000,000).

14. POST CLOSING MATTERS.

(a) Books and Records. Each party agrees that it will cooperate with and make available (or cause to be made available) to the other party, during normal business hours, all books and records, information and employees (without material disruption of employment) retained and remaining in existence after the Closing which are necessary or useful in connection with any tax inquiry, audit, or dispute, any litigation or investigation or any other matter requiring any such books and records, information or employees for any reasonable business purpose (a "Permitted Use"). The party requesting any such books and records, information or employees shall bear all of the out-of-pocket costs and expenses reasonably incurred in connection with providing such books and records, information or employees. All information received pursuant to this Section 14(a) shall be kept confidential pursuant to Section 6.12 by the party receiving it, except to the extent that disclosure is reasonably necessary in connection with any Permitted Use.

(b) Cooperation and Records Retention. Seller and Buyer shall each (i) provide the other with such assistance as may reasonably be requested by either of them in connection with the preparation of any return, audit, or other examination by any taxing authority or judicial or administrative proceedings relating to liability for any taxes; (ii) retain and provide the other with any records or other information that may be relevant to such return, audit or examination, proceeding or determination; and (iii) provide the other with any final determination of any such audit or examination, proceeding, or determination that affects any amount required to be shown on any tax return of the other for any period.

(c) Payments. Following the Closing Date, Seller shall pay promptly when due all of their debts and liabilities, including any liability for taxes with respect to periods ending on or before the Closing Date.

15. EXPENSES. Except as otherwise expressly set forth in this Agreement, each party shall bear its own legal and other fees and expenses incurred in connection with its negotiating, executing and performing this Agreement. Seller shall bear the Virginia Grantor's Tax, the cost of preparing the conveyance documents and one-half (1/2) of the charges of the settlement agent. Buyer shall pay any applicable sales taxes, state and county recordation taxes, cost of surveys, title commitments and title insurance premiums, and one-half (1/2) of the charges of the settlement agent. Seller agrees to cooperate with Buyer in having this transaction characterized as an "occasional sale" under Section 58.1-606(2) of the Code of Virginia, and shall file any returns or reporting filings in a manner consistent therewith.

16. FURTHER ASSURANCES. From time to time at or after the Closing, at the request of the other, Seller and Buyer will execute and deliver such other instruments of conveyance, assignment, transfer and delivery and take such other action as the other reasonably may request in order to consummate, complete and carry out the purposes of the transactions contemplated hereby, including the execution and delivery of such instruments and agreements as may be reasonably necessary or advisable to fully effect the transfer to Buyer of the Assets.

17. BENEFIT AND ASSIGNABILITY. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns, and no other person or entity shall have any right (whether third party beneficiary or otherwise) hereunder. This Agreement may not be assigned by any party without the prior written consent of the other party; provided, however, that Buyer may assign all or any portion of this Agreement to any Affiliate of Buyer, provided that Buyer shall remain obligated for the payment of the Purchase Price and the performance of this Agreement.

19. WAIVER. Unless otherwise specifically agreed in writing to the contrary: (i) the failure of any party at any time to require performance by the other of any provision of this Agreement shall not affect such party's right thereafter to enforce the same; (ii) no waiver by any party of any default by any other shall be valid unless in writing and acknowledged by an authorized representative of the nondefaulting party, and no such waiver shall be taken or held to be a waiver by such party of any other preceding or subsequent default; and (iii) no extension of time granted by any party for the performance of any obligation or act by any other party shall be deemed to be an extension of time for the performance of any other obligation or act hereunder.

20. ENTIRE AGREEMENT. This Agreement (including the Exhibits and Schedules hereto, which are incorporated by reference herein) constitutes the entire agreement between the parties with respect to the subject matter hereof and referenced herein, and supersede and terminate any prior agreements between the parties (written or oral) with respect to the subject matter hereof. This Agreement may not be altered or amended except by an instrument in writing signed by the party against whom enforcement of any such change is sought.

21. COUNTERPARTS. This Agreement may be signed in any number of counterparts with the same effect as if the signature on each such counterpart were on the same instrument.

23. EXHIBITS AND SCHEDULES. The Exhibits and Schedules to this Agreement are a material part of this Agreement.

24. SEVERABILITY. In case any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions will not in any way be affected or impaired. Any illegal or unenforceable term shall be deemed to be void and of no force and effect only to the

minimum extent necessary to bring such term within the provisions of applicable law and such term, as so modified, and the balance of this Agreement shall then be fully enforceable.

25. CHOICE OF LAW; VENUE. This Agreement is to be construed and governed by the laws of the Commonwealth of Virginia without regard for the choice of law rules utilized in that state. 26. PUBLIC STATEMENTS. Prior to the Closing Date, neither Seller nor Buyer shall, without the prior written approval of the other party, make any press release or other public announcement concerning the transactions contemplated by this Agreement, except (i) Seller and Buyer shall issue a mutually agreeable press release promptly after the signing of this Agreement; and (ii) to the extent required by Law, in which case the other party shall be so advised as far in advance as possible.

27. ATTORNEYS' FEES. If any party initiates any litigation against any other party involving this Agreement, the prevailing party in such action shall be entitled to receive reimbursement from the other party for all reasonable attorneys' fees and other costs and expenses incurred by the prevailing party in respect of that litigation, including any appeal, and such reimbursement may be included in the judgment or final order issued in that proceeding.

28. COUNSEL. Each party has been represented by its own counsel in connection with the negotiation and preparation of this Agreement and, consequently, each party hereby waives the application of any rule of law that would otherwise be applicable in connection with the interpretation of this Agreement, including but not limited to any rule of law to the effect that any provision of this Agreement shall be interpreted or construed against the party whose counsel drafted that provision.

29. TIME OF THE ESSENCE. Time is of the essence with respect to every provision hereof.

30. SURVIVAL. All of the representations, warranties, covenants and agreements of Buyer and Seller made in or pursuant to this Agreement shall survive Closing and shall not merge into the deeds or any other documents or instruments executed and delivered in connection herewith.

WHEREAS, the Merger Agreement provides that, prior to the Closing, American and ATS shall enter into an agreement and other documentation approved by CBS (which approval shall not be unreasonably withheld, delayed or conditioned) to effect the delivery of the Tower Common Stock as part of the Tower Merger Consideration or the Merger Consideration, as the case may be (the "Tower Separation"); and

WHEREAS, the Merger Agreement provides for certain terms and conditions which should be included in an agreement providing for the Tower Separation and American and ATS propose to execute and deliver this Agreement to embody those terms and conditions; and

WHEREAS, the respective Boards of Directors of American and ATS have approved, and CBS has approved, this Agreement;

NOW, THEREFORE, in consideration of the premises and the representations, warranties, covenants and agreements herein contained and other valuable consideration, the receipt and adequacy whereof are hereby acknowledged, the parties hereto hereby, intending to be legally bound, represent, warrant, covenant and agree as follows:

INDEMNIFICATION MATTERS

3.1 American Tower Indemnification. American Tower shall indemnify, defend and hold CBS, American and the Subsidiaries of American (other than the American Tower Group) harmless from and against any liabilities to which American or any of its Subsidiaries (other than the American Tower Group or, in the case of clause (ii) and (iii) of paragraph (b) of this Section 3.1, any of their officers or directors) may be or become subject that relate to or arise from the assets, business, operations, debts or liabilities of ATS Mergercorp or the American Tower Group (other than, in the case of the American Tower Group, income tax liabilities), including without limitation with respect to the following:

(a) from and after the earlier to occur of the Tower Merger Effective time and the Effective Time, the assets to be transferred to American Tower pursuant to the provisions of Article 12;

(b) liabilities (i) in connection with the distribution of the shares of Tower Common Stock as part of the Tower Merger Consideration or the Merger Consideration, as the case may be, (ii) relating to or arising from any agreement, arrangement or understanding (other than this Agreement) entered into by American, ATS Mergercorp or any member of the American Tower Group (x) for the benefit of any member of the American Tower Group, (y) in contemplation of the Tower Separation, or (z) with respect to the sale, assignment, transfer or other disposition of shares of American Tower Common Stock, (iii) relating to or arising from any untrue statement or alleged untrue statements of a material fact contained in the Information Statement, the Registration Statement or in any document filed or required to be filed in connection with the Merger, or in any document filed or required to be filed by American, ATS Mergercorp or any member of the American Tower Group in connection with the preceding clause (ii) or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, except with respect to information provided by or relating solely to American (excluding ATS Mergercorp and the American Tower Group) which is contained in or expressly consistent with the Filed American SEC Documents or the American September 10-Q, or (iv) in connection with any action or omission of any Tower Employee for the benefit of, including without limitation in furtherance of the business of, any member of the American Tower Group or in connection with or incident to such employee's duties and responsibilities as a Tower Employee;

(c) any economic impact related to or arising from the failure to obtain any Governmental Authorizations, Private Authorizations or other third party consents, or to make any Governmental Filings, necessary to consummate the Tower Separation; and

(d) the rental and related expenses for the relevant portion of the leased premises located at 116 Huntington Avenue, Boston, Massachusetts referred to in Section 6.3, in the event of the failure to obtain the landlord's consent to the assignment of the obligations relating to, or sublease of, such relevant portion of such premises.

At the earlier to occur of the Tower Merger Effective time and Effective Time, American Tower shall assume all liabilities (the "Assumed Liabilities") with respect to which American Tower has agreed to indemnify and hold harmless American pursuant to the provisions of this Section 3.1 and Section 9.1 pursuant to an assumption agreement substantially in the form attached hereto as Appendix A.

3.2 American Indemnification. American shall indemnify, defend and hold the American Tower Group harmless from and against any liabilities (other than income tax liabilities and the Assumed Liabilities) to which the American Tower Group may be or become subject that relate to or arise from the assets, business, operations, debts or liabilities of American or its Subsidiaries (other than the American Tower Group) whether arising prior to, concurrent with or after the Merger.

ARTICLE 4

TAX MATTERS

4.1 Tax Sharing Agreement. The tax sharing agreement among members of the American Tower Group and American and its other Subsidiaries shall be terminated as of the earlier of (a) the effective date of the Merger, and (b) the date (the "Tower Deconsolidation Date") that the American Tower Group is no longer eligible to be included in the consolidated tax returns of American and its other Subsidiaries under Sections 1501 to 1504 of the Code and will have no further effect for any taxable year (whether the current year, a future year, or a past year).

4.2 Allocation of Tax Liabilities; Deconsolidation

(a) American shall include the income of the American Tower Group (including any deferred income triggered into income by Reg. (S)1.1502-13 and Reg. (S)1.1502-14 and any excess loss accounts taken into income under Reg. (S)1.1502-19) on American's consolidated federal income Tax returns and consolidated or combined state and local income Tax returns to the extent such income is properly includible thereon for all periods through the Tower Deconsolidation Date, and pay any income Taxes attributable to such income. American Tower shall reimburse American for any such federal, state and local income Taxes payable by the American Tax Group attributable to such income, as determined on a separate company basis; provided, however, that American Tower shall have no reimbursement obligation if American has no income Tax liability on a consolidated basis as a result of a net operating loss or to the extent that the income of the American Tower Group is offset by a net operating loss under the principles of Section 4.2(d). The American Tower Group will furnish Tax information to American for inclusion in American's federal consolidated income Tax return for the period through the Tower Deconsolidation Date in accordance with American Tower's past custom and practice. The income of the American Tower Group will be apportioned to the period up to and including the Tower Deconsolidation Date and the period after the Tower Deconsolidation Date by closing the books of the American Tower Group as of the end of such date.

(b) American Tower shall indemnify the American Tax Group and CBS for all Taxes imposed by any Taxing Authority on any member of the American Tax Group or on CBS (or on any member of its consolidated tax group) as a result of or in connection with the sale or transfer of assets to the American

Tower Group pursuant to Article 12 (or between members of the American Tax Group prior to the final transfer to a member of the American Tower Group or between members of the American Tower Group), the Merger, the Tower Merger, the Tower Separation, any other disposition or issuance of stock of American Tower contemplated or permitted hereby, or the merger of American Tower with any other Person, as the case may be, including without limitation any Taxes on any gain to any member of the American Tax Group arising under Section 311 of the Code, any Taxes on any deferred gain to any member of the American Tax Group triggered as a result of or upon any such event, any gain attributable to any excess loss account triggered upon any such event, any Taxes arising as a result of the election or other transactions contemplated by paragraph (j) of this Section 3.3, income or gain arising as a result of transactions described in Section 4.4(c) or the second sentence of Section 6.8(a) of the Merger Agreement, and gain on the conversion of American Convertible Preferred Stock into Tower Common Stock, and any transfer Taxes arising from any such event; provided, however, that such indemnity shall only apply to the extent that the additional liability for such Taxes payable by the American Tax Group as a consequence of such events (on a "but for" basis) exceeds $20,000,000.

(c) If as a result of any payment by American Tower to any member of the American Tax Group or to CBS pursuant to this Section 4.2 (including this paragraph (c)), CBS (or any member of its consolidated group for Federal income tax purposes) or any member of the American Tax Group becomes liable in any taxable year to pay any Taxes in excess of the Taxes they would have owed in the absence of any such payment by American Tower, American Tower will indemnify such Person for such Tax liability and make such Person whole on an after-tax basis for such Tax liability.

(d) For the purposes of Sections 4.2 (a) and 4.2(b), net operating losses of the American Tax Group shall be reduced and deemed absorbed in the following order for each taxable year of the American Tax Group: first, by all income unrelated to the transactions contemplated by this Agreement of members of the American Tax Group other than members of the American Tower Group for the entire applicable taxable year of the American Tax Group; second, by income of the American Tower Group described in Section 4.2(a); and third, by income of the American Tax Group described in Section 4.2(b). Neither the American Tax Group nor CBS (or any member of its consolidated tax group for Federal income tax purposes) shall have any claim under either Section 4.2(a) or (b) for additional Tax liability arising in subsequent taxable years solely as a result of the absorption of net operating losses of the American Tax Group in this manner.

(e) American shall control any audit or contest relating to Taxes attributable to the American Tax Group. To the extent such audit or contest relates to Taxes that American Tower is obligated to reimburse or indemnify American under this Agreement, American shall (x) regularly consult with American Tower in connection with such audit or contest; (y) provide American Tower with periodic reports on the status of such audit or contest; and (z) not enter into a settlement agreement relating to such audit or contest that materially prejudices American Tower without American Tower's consent.

(f) If pursuant to any Tax audit or contest there is an adjustment to any Taxes that are reimbursable or indemnifiable by the American Tower Group to any member of the American Tax Group under this Agreement, including Sections 4.2(a), 4.2(b) and 4.2(c), then (i) any additional Taxes imposed on the American Tax Group as a result of such adjustment shall be indemnified by the American Tower Group; and (ii) any refund of Taxes paid to the American Tax Group as a result of such adjustment of amounts previously indemnified by American Tower shall be promptly paid over to American Tower (including additional amounts to make American Tower whole on an after-Tax basis, not exceeding amounts previously paid by American Tower Group with regard to such Taxes).

(g) American Tower shall not have the right to any refund, credit (or other reduction) of Taxes realized by the American Tax Group resulting from a carry back of a post-acquisition Tax attribute of any of the American Tower Group into a Tax Return filed by the American Tax Group.

(h) American shall not elect to retain any net operating loss carryovers or capital loss carryovers of the American Tower Group.

(i) The indemnities and agreements of the American Tower Group and the agreements of American described in this Section 4.2 shall apply to all applicable Taxes whenever they shall arise.

(j) At the request of any member of the American Tower Group, American agrees that it shall, and shall cause its Subsidiaries or other appropriate Affiliates to, make and/or cooperate with members of the American Tower Group (i) in making an election under Section 336(e) of the Code with respect to the Tower Separation, or (y) in effecting intercompany sales or exchanges of assets designed to achieve a comparable effect whereby deferred intercompany gains are recognized immediately prior to the Tower Deconsolidation.

(k) The indemnification and other obligations referred to in this Section shall survive the consummation of the Tower Separation.

(l) American shall, to the extent requested by CBS, cause the American Tower Group to perform its obligations under this Agreement.

ARTICLE 5

REGISTRATION AND OTHER GOVERNMENTAL MATTERS

5.1 Securities Laws Registration.

(a) American Tower shall, to the extent that it has not already done so, prepare and file with the Commission as soon as is reasonably practicable after the date hereof (i) a registration statement on Form S-4 (the "Merger Registration Statement"), (ii) a registration statement on Form S-8 (the "Option Registration Statement") and (iii) a registration statement on Form S-1 (or any other applicable form) (the "Convertible Registration Statement, and collectively with the Merger Registration Statement and the Option Registration Statement, the "Registration Statements"), in each case complying with applicable rules and regulations of the Commission. The Merger Registration Statement shall cover the registration under the Securities Act of the shares of Tower Common Stock to be delivered as part of the Tower Stock Consideration or Tower Merger Tower Consideration to the holders of American Common Stock at the Effective Time or the Tower Merger Effective Time, as the case may be. The Option Registration Statement shall cover the registration under the Securities Act of the shares of Tower Common Stock, among others, which may be issued upon the exercise of options to purchase Tower Common Stock issued upon the exchange of American Options pursuant to the provisions of Section 6.8(b) of the Merger Agreement. The Conversion Registration Statement shall cover the registration under the Securities Act of shares of Tower Common Stock to be delivered by American upon conversion of American Convertible Preferred Stock following the earlier of the Tower Merger Effective Time and the Effective Time.

(b) American Tower shall promptly furnish to American and CBS all information, and take such other actions, as may reasonably be requested by American in connection with any action taken by American to comply with the provisions of Section 6.6 of the Merger Agreement. American Tower shall correct

promptly any information provided by it to be used specifically in the Information Statement or any Registration Statement that shall have become false or misleading in any material respect and shall take all steps necessary to file with the Commission and have cleared by the Commission any amendment or supplement to any Registration Statements so as to correct such Information Statement or such Registration Statement. Without limiting the generality of the foregoing, American Tower shall notify CBS promptly of any stop order or proceeding by the commission seeking a stop order relating to any Registration Statement, the receipt of the comments of the Commission and of any request by the Commission for amendments or supplements to any Registration Statement, or for additional information, and shall supply CBS with copies of all correspondence between it or its representatives, on the one hand, and the Commission or members of its staff, on the other hand, with respect to any Registration Statement. Whenever any event occurs which should be described in an amendment or a supplement to the Information Statement or any Registration Statement, American Tower shall, upon learning of such event, promptly prepare, file and clear with the Commission such amendment or supplement; provided, however, that, prior to such mailing, (i) American Tower shall consult with CBS with respect to such amendment or supplement, (ii) shall afford CBS reasonable opportunity to comment thereon, and (iii) each such amendment or supplement shall be reasonably satisfactory to CBS.

(c) American Tower represents and warrants to American that each of the Registration Statements or any other document filed by American Tower with the Commission or any other Authority pursuant to the provisions of this Section 5.1 will not (except to the extent revised or superseded by amendments or supplements contemplated hereby), at the time each such Registration Statement is filed with the Commission, at the time such Registration Statement is amended or supplemented or at the time each such Registration Statement becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to make any statement contained herein or therein, in light of the circumstances under which they were made, not misleading; provided, however, that no representation or warranty is made by American Tower with respect to statements made or incorporated by reference therein based on information supplied by (i) CBS for inclusion or incorporation by reference in any Registration Statement or any such other document; or (ii) relating solely to American (excluding ATS Mergercorp and the American Tower Group) which is contained in or expressly consistent with the Filed American SEC Documents or the American September 10-Q. American Tower further represents and warrants to American that all information provided by or relating to American Tower (or any of its Subsidiaries) set forth in the Information Statement will not (except to the extent revised or superseded by amendments or supplements contemplated hereby), at the time such Information Statement is first mailed to the holders of American Common Stock, contain any untrue statement of a material fact or omit to state any material fact required to make any statement contained herein or therein, in light of the circumstances under which they were made, not misleading.

(d) American represents and warrants to American Tower that all information supplied by or relating to American (or any of its Subsidiaries other than ATS Mergercorp or the American Tower Group) which is contained in or expressly consistent with the Filed American SEC Documents or the American September 10-Q and is set forth in the Information Statement, each Registration Statement or any other document filed by American Tower or American with the Commission or any other Authority pursuant to the provisions of this Section 5.1 will not (except to the extent revised or superseded by amendments or supplements contemplated hereby), at the time such Information Statement is first mailed to the holders of American Common Stock and at the time each such Registration Statement is filed with the Commission, at the time such Registration Statement is amended or supplemented or at the time each such Registration Statement becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to make any statement contained herein or therein, in light of the circumstances under which they were made, not misleading.

(e) American Tower covenants and agrees to use its reasonable business efforts (i) to cause the Option Registration Statement and the Convertible Registration Statement each to be declared effective prior to the earlier to occur of the Tower Merger Effective Time or the Effective Time under the Securities Act by the Commission, and (ii) to maintain, on customary terms, the Convertible Registration Statement continuously effective under the Securities Act until the earlier to occur of (x) the delivery by American Tower to American of an opinion of legal counsel reasonably satisfactory to American and CBS that such Registration Statement is no longer required to permit delivery by American of shares of Tower Common Stock upon conversion of the American Convertible Preferred Stock in accordance with the Securities Act and (y) the delivery by American to American Tower of written notification that all of the outstanding shares of American Convertible Preferred Stock have been converted, and the shares of Tower Common Stock relating to such conversion have been delivered to the holders thereof, in accordance with the Certificate of Designation relating to the American Cumulative Preferred Stock; it being expressly understood that neither American, CBS not any of their respective Subsidiaries shall be under any obligation to notify American Tower of any conversion by any holder of any shares of American Convertible Preferred Stock following the earlier to occur of the Tower Merger Effective Time and the Effective Time until such time as all of the outstanding shares of American Convertible Preferred Stock have been so converted and delivered in accordance with such Certificate of Designation, unless American Tower has specifically requested, from time to time, information with respect to the status of such conversions.

5.2 Governmental and Private Authorizations; Consents. American shall obtain all Governmental Authorizations, Private Authorizations or other third party consents (other than the consent of the banks under its Credit Agreements, dated as of January 24, 1997, with The Bank of New York, as Collateral Agent and Administrative Agent, and the other agents named therein and lenders party thereto to the effectuation of the Tower Separation pursuant to the Merger), and make any necessary Governmental Filings, necessary to consummate the Tower Separation, except where the failure to obtain such consents, in the aggregate, would not (a) be reasonably likely to have any adverse effect on American, (b) materially impair the ability of American to perform its obligations under this Agreement or the Merger Agreement, or (c) materially delay or prevent the consummation of the Merger. American shall effect the Merger or the Tower Merger in compliance with its Restated Certificate of Incorporation and by-laws and in material compliance with all Applicable Laws.

ARTICLE 6

COVENANTS OF AMERICAN AND AMERICAN TOWER

6.1 Acquisitions, Mergers and Capital Contributions. At the request of American Tower and subject to the requirements and restrictions imposed on American by any of its financing documents (as from time to time amended), American shall, from time to time after the date hereof and prior to the Effective Time, permit American Tower to (a) acquire (whether by merger, stock or asset acquisition or otherwise) additional businesses engaged in the business in which American Tower is engaged, (b) construct additional communication towers, or (c) make other capital improvements on assets owned or leased by American Tower or its Subsidiaries, and in each such case make additional capital contributions in A the consent of the banks under its Credit Agreements, dated as of January 24, 1997, with The Bank of New York, as Collateral Agent and Administrative Agent, and the other agents named therein and lenders party thereto to the effectuation of the Tower Separation pursuant to the Tower Merger American Tower, or make loan to American Tower, of the funds. Without limiting the generality of the foregoing, American agrees that it will, from time to time at the written request of American Tower, make additional capital contributions in

American Tower (without the issuance by American Tower of additional shares of Tower Common Stock) of (i) the Towers and (ii) cash in an aggregate amount not to exceed $120.0 million, including cash contributed on or subsequent to September 19, 1997. Notwithstanding any provision contained in this Agreement to the contrary, including without limitation the foregoing provisions of this Section 6.1, American shall not be required to permit, and shall not permit any American Tower or any of Subsidiary to, take any action or enter into any agreement, plan or arrangement to take any action (a "Prohibited Transaction") which could reasonably be expected to materially delay the date of the American Stockholders Meeting or the Effective Time (it being understood that any delay in excess of fifteen (15) business days which would arise as a result of any such action shall be deemed "material" for purposes hereof). American hereby agrees to provide CBS with prior written notification of any proposed action which could reasonably be expected to constitute a Prohibited Transaction.

6.2 Contribution and Issuance of Tower Capital Stock.

(a) American will contribute (without the payment of any amount or the issuance of any securities by American Tower) to the capital of American Tower (a) immediately prior to the Tower Merger Effective Time or the Effective Time, as the case may be, a number of shares of Tower Common Stock equal to the excess, if any, of (i) the number of shares of Tower Common Stock owned by American immediately prior to the Tower Merger Effective Time or the Effective Time, as the case may be, over (ii) the number of shares of Tower Common Stock required to be delivered (x) to the holders of shares of American Common Stock, (y) to holders of American Options pursuant to the provisions of Section 6.8(a) of the Merger Agreement, after giving effect to all elections evidenced by definitive agreements delivered to American immediately prior to the earlier to occur of the Tower Merger Effective Time or the Effective Time by Tower Employees to convert their American Options into options to acquire Tower Common Stock pursuant to the provisions of Section 6.8(b) of the Merger Agreement, and (z) upon conversion of American Convertible Preferred Stock, and (b) from time to time after the Effective Time, such shares of Tower Common Stock owned by American that the holders of the Dissenting Shares would have been entitled to receive had they not exercised their appraisal rights.

(b) If the Tower Employees set forth on Schedule 4.1(e) to the Merger Agreement do not enter into definitive agreements prior to the earlier to occur of the Tower Merger Effective Time and the Effective Time to convert the American Options which are held by such Tower Employees and set forth on such Schedule into options to acquire Tower Common Stock in accordance with this Section 6.2(b), American Tower shall, prior to the earlier to occur of the Tower Merger Effective Time and the Effective Time, issue to American in exchange for payment of the par value thereof a number of shares of Tower Common Stock equal to the aggregate number of shares of American Common Stock subject to such American Options set forth on such Schedule.

6.3 Executive Office Lease. At the Effective Time, American Tower shall assume to the extent permitted by the landlord, the obligations under the lease of 116 Huntington Avenue, Boston, Massachusetts, with respect to the relevant portion of such leased premises designated in Appendix A attached hereto and made a part hereof or, if such permission is not obtained, sublease such relevant portion.

ARTICLE 7

COVENANT OF CBS

By its execution of this Agreement, CBS agrees that it shall, at the written request of American in its sole and absolute discretion, immediately prior to the Merger, and subject to the satisfaction of all of the conditions to the consummation of the transactions contemplated by the Merger Agreement, purchase, at their then fair market value, shares of a new class of American preferred stock that constitutes "Junior Securities" (as defined in the American Cumulative Preferred Stock) in an amount (which shall not in the aggregate exceed $200,000,000) necessary to enable (a) the Tower Stock Consideration to be delivered to the holders of American Common Stock pursuant to the Merger, (b) Tower Common Stock to be delivered to holders of American Options pursuant to the Merger, and (c) Tower Common Stock to be delivered upon conversion of the American Convertible Preferred Stock, without causing any conflict with, or breach or violation of, or default under, or creating any right to accelerate any obligation or liability in, or causing or creating any of the foregoing after the giving of notice or passage of time or both with, of, under or in any indebtedness of American or the American Cumulative Preferred Stock; provided, however, that anything in this Section or elsewhere in this Agreement or the Merger Agreement to the contrary notwithstanding, in such event such preferred stock shall remain outstanding immediately following the Effective Time.

ARTICLE 8

MUTUAL RELEASES

8.1 Release of American Tower. American shall cause all members of the American Tower Group to be released from all liabilities to any Person (including without limitation American and its Subsidiaries other than the American Tower Group) other than the Assumed Liabilities; provided, however, that American Tower agrees to reimburse American for any expenses incurred in obtaining such release. Effective immediately prior to the earlier to occur of the Tower Merger Effective Time and the Effective Time, American and its Subsidiaries (other than the American Tower Group) hereby release the American Tower Group from all Claims by American or its Subsidiaries (other than the American Tower Group), except for Claims arising from or attributable to the transactions contemplated by this Agreement, the Merger Agreement or any Collateral Document or otherwise asserted prior to the earlier to occur of the Tower Merger Effective Time and the Effective Time.

8.2 Release of American. Effective immediately prior to the earlier to occur of the Tower Merger Effective Time and the Effective Time, American Tower, on behalf of the American Tower Group, hereby releases American and its other Subsidiaries from all Claims by the American Tower Group, except for Claims arising from or attributable to the transactions contemplated by this Agreement, the Merger Agreement or any Collateral Document or otherwise asserted prior to the earlier to occur of the Tower Merger Effective Time and the Effective Time.

ARTICLE 9

TOWER EMPLOYEES

9.1 Offers of Employment. On the Separation Closing Date, the employees of American listed in Appendix C attached hereto and made a part hereof (the "Tower Employees") shall be offered full-time employment by American Tower or one of its Subsidiaries; provided, however, that such employees shall also remain employees of American until the Effective Time, and American Tower hereby covenants and agrees to cause such Tower Employees to provide American management services to enable American to fulfill its obligations under Section 6.10(i) of the Merger Agreement. Effective immediately prior to the earlier to

occur of the Tower Merger Effective Time and the Effective Time, American Tower shall assume all obligations arising under any Plan or Benefit Arrangement between American or any of its Subsidiaries and the Tower Employees other than the rights, if any, of the Tower Employees with respect to the American Options (which are being satisfied by American as provided in Section 7.8 of the Merger Agreement) and all existing rights to indemnification. American Tower shall indemnify American and its Subsidiaries, effective as of the earlier to occur of the Tower Merger Effective Time and the Effective Time, from all obligations arising under such employment agreements or arrangements (except in respect of the American Options and all existing rights to indemnification). For a period of eighteen (18) months following the consummation of the Merger, American Tower covenants and agrees that no member of the American Tower Group shall actively solicit or seek to hire any employees of American or its Subsidiaries not currently engaged in the Tower Business, other than the Tower Employees, it being understood and agreed that such agreement shall not be deemed to prevent members of the American Tower Group from placing general advertisements in publications or on the Internet or soliciting any such employee who (a) initiates employment discussions with a member of the American Tower Group or (b) is not employed by American or CBS or any of their respective Subsidiaries on the date such a member first solicits such employee.

9.2 Section 401(k) Plan Amendment. Prior to the earlier to occur of the Tower Merger Effective Time and the Effective Time, American shall amend (a) its Section 401(k) Plan to permit a transfer of the assets held thereunder for the benefit of the Tower Employees to a Section 401(k) Plan to be established by American Tower and such assets will be so transferred (along with any outstanding qualified domestic relations orders and loans) and (b) any other Benefit Plan arrangements with respect to Tower Employees to reflect the Tower Separation. The form of such amendments shall be submitted to CBS for its approval, which approval shall not be unreasonably withheld, delayed or conditioned.

ARTICLE 10

PURCHASE PRICE ADJUSTMENT

10.1 Purchase Price Adjustment.

(a) Within 90 days after the Closing Date, CBS shall prepare and deliver to American Tower (i) a consolidated balance sheet (the "Closing Balance Sheet") of American and its Subsidiaries (other than the Tower Subsidiaries) (the "Post-Closing American Group"), prepared from the books and records of the Post-Closing American Group, and (ii) a statement (the "Closing Statement") setting forth (A) Working Capital (as defined below) as of the Effective Time ("Closing Working Capital") and (B) Net Debt (as defined below) as of the Effective Time ("Closing Net Debt"), together with a certificate of CBS's chief financial officer that the Closing Statement has been prepared in accordance with this Section 10.1.

During the 45-day period following American Tower's receipt of the Closing Statement, American Tower shall be permitted to review (and make copies of) the working papers of CBS relating to the Closing Statement. The Closing Statement shall become final and binding upon the parties on the forty-sixth day following delivery thereof, unless American Tower gives written notice of its disagreement with the Closing Statement ("Notice of Disagreement") to CBS prior to such date. Any Notice of Disagreement shall (i) specify in reasonable detail the nature of any disagreement so asserted, (ii) only include disagreements based on Closing Working Capital or Closing Net Debt (or the components thereof) not being calculated in accordance with this Section 10.1 and (iii) be accompanied by a certificate of American Tower's chief financial officer that he or she concurs with each of the positions taken by American Tower in the Notice of Disagreement. If a Notice of Disagreement is received by CBS in a timely manner, then the Closing

Statement (as revised in accordance with clause (A) or (B) immediately following) shall become final and binding on the earlier of (A) the date CBS and American Tower resolve in writing any differences they have with respect to the matters specified in the Notice of Disagreement or (B) the date any disputed matters are finally resolved in writing by the Accounting Firm (as defined below).

During the 30-day period following delivery of a Notice of Disagreement, CBS and American Tower shall seek in good faith to resolve in writing any differences which they may have with respect to the matters specified in the Notice of Disagreement. During such period CBS shall have access to (and shall be permitted to make copies of) the working papers of American Tower prepared in connection with the Notice of Disagreement. At the end of such 30-day period, CBS and American Tower shall submit to an independent accounting firm (the "Accounting Firm") for review and resolution any and all matters which remain in dispute and which were properly included in the Notice of Disagreement and each of CBS and American Tower shall submit a memorandum setting forth in reasonable detail the basis for its positions. The Accounting Firm shall be a nationally recognized independent public accounting firm agreed upon by CBS and American Tower in writing. CBS and American Tower shall jointly use all reasonable efforts to cause the Accounting Firm to render a decision within thirty (30) days following submission or as promptly thereafter as is practicable. CBS and American Tower agree that judgment may be entered upon the determination of the Accounting Firm in any court having jurisdiction over the party against which such determination is to be enforced. The cost of any dispute resolution (including the fees and expenses of the Accounting Firm and reasonable attorney fees and expenses of the parties) pursuant to this Section 10.1 shall be borne by CBS and American Tower in inverse proportion as they may prevail on matters resolved by the Accounting Firm, which proportionate allocations shall also be determined by the Accounting Firm at the time the determination of the Accounting Firm is rendered on the merits of the matters submitted.

(b) Subject to Section 10.1(d), if Closing Working Capital is less than (i) $60,000,000 in the event the Closing Date is on or prior to March 31, 1998 or (ii) $70,000,000 in the event the Closing Date is after March 31, 1998 (the "WC Amount"), American Tower shall, and if Closing Working Capital is greater than the WC Amount, CBS shall, owe the other the amount of such difference. The term "Working Capital" shall mean Current Assets minus Liabilities (in each case as defined below). The terms "Current Assets" and "Liabilities" shall mean the current assets and liabilities of the Post-Closing American Group calculated in accordance with GAAP except that (i) outstanding principal amount of indebtedness and liquidation preference of preferred stock shall be excluded, (ii) cash shall be excluded, (iii) accruals for Taxes shall be included except that (A) Tax liabilities which American Tower is obligated to indemnify American and its Subsidiaries (other than the American Tower Group) pursuant to the provisions of the Tower Documentation, and deferred income Tax assets and liabilities that exist or arise from differences in basis for Tax and financial reporting purposes attributable to acquisitions, exchanges and dispositions or attributable to depreciation and amortization shall not be taken into account, (B) Tax benefits arising from the exercise or cancellation of options between the date of the Original Merger Agreement and the Effective Time shall not be taken into account, and (C) accruals for Taxes relating to acquisitions, exchanges or dispositions shall be determined in accordance with American's past accounting practices, (iv) Current Assets shall be increased by an amount equal to the sum of (x) the amount derived by multiplying the Cash Consideration by the number of shares of American Common Stock held in its treasury as of the Effective Time and (y) the aggregate amount of the spread of $44.00 over the exercise price of each American Option outstanding on September 19, 1997 terminated or canceled prior to the Effective Time or for which the holder has elected to receive an option to acquire Tower Common Stock in lieu thereof, less the Tax benefit that would have been received with respect to the exercise of such options, (v) Current Assets shall be (A) increased (if the number of shares of American Common Stock issued or issuable upon conversion of the American Convertible Preferred Stock is fewer than 3,750,000 (or if the Tower Merger Effective Time shall have occurred, 3,750,000 multiplied by the American Conversion Fraction)) by an amount equal to the amount derived by multiplying the Cash

Consideration by the excess of (I) 3,750,000 (or if the Tower Merger Effective Time shall have occurred, 3,750,000 multiplied by the American Conversion Fraction) less (II) the number of shares of American Common Stock issued or issuable upon conversion of the American Convertible Preferred Stock or (B) decreased (if the number of shares of American Common Stock issued or issuable upon conversion of the American Convertible Preferred Stock is greater than 3,750,000 (or if the Tower Merger Effective Time shall have occurred, 3,750,000 multiplied by the American Conversion Fraction)) by an amount equal to the amount derived by multiplying the Cash Consideration by the excess of (I) the number of shares of American Common Stock issued or issuable upon conversion of the American Convertible Preferred Stock less (II) 3,750,000 (or if the Tower Merger Effective Time shall have occurred, 3,750,000 multiplied by the American Conversion Fraction), (vi) liabilities from the radio broadcasting rights contracts for St. Louis Rams games shall be limited to $3,300,000, and (vii) amounts owed by American Tower to American pursuant to Section 15.3(b) shall be excluded from Current Assets, and liabilities of American, if any, with respect to such amounts shall be excluded from Liabilities (it being understood that neither American nor CBS shall be responsible for any such liabilities).

ARTICLE 11

TOWER LEASES

11.1 Tower Leases. Prior to the earlier to occur of the Tower Merger Effective Time and the Effective Time, CBS and American shall agree on the definitive documentation ("Tower Leases") to be executed by American and American Tower with respect to certain broadcasting towers set forth in Section 6.17(i) of the American Disclosure Schedules ("Towers"). The markets in which such Towers are located and the annual "market price" for each antenna are set forth in Appendix D attached hereto and made a part hereof. Except as set forth in Section 6.17(i) of the American Disclosure Schedule, such Towers are now owned or leased by American and shall become the property of American Tower, as set forth in Section 11.2. Each of the Tower Leases shall contain standard and customary terms and conditions and CBS and American specifically agree to the inclusion of the following in each of the Tower Leases:

(a) except as provided in clause (b) below with respect to those Tower Leases set forth in Section 6.19 of the American Disclosure Schedule, each Tower Lease shall be for a term of twenty (20) years with four (4) renewal periods of five (5) years each, each such renewal to be upon the same terms and conditions as the original Tower Lease;

(b) prior to the earlier to occur of the Tower Merger Effective Time and the Effective time, American shall use its best efforts to extend the term of each lease set forth in Section 6.19 of the American Disclosure Schedule ("Land Leases") to a minimum duration of twenty (20) years, inclusive of renewal periods, if any, and provide CBS with respect to the Towers subject to the extended Land Leases, tower leases with the equivalent benefits set forth in clauses (c), (d) and (e) and for a minimum duration of twenty (20) years ("Extended Tower Leases"). With respect to any such Land Lease that is not so extended (except with respect to the Land Lease for KUFX(FM), which present term of approximately eighteen (18) remaining years shall be deemed to satisfy the foregoing requirement of a minimum duration of twenty (20) years), American, American Tower and CBS shall negotiate in good faith to agree upon definitive documentation to provide CBS with respect to the Towers subject to such Land Leases, tower leases with the benefits equivalent of such Extended Tower Leases or mutually agreed to alternative arrangements providing equivalent value to CBS;

(c) each Tower Lease shall provide that no payments shall be payable by CBS for a period of three (3) years from the Effective Time; for the next three (3) years the payments shall be as follows: one-third (1/3) of the market price as set forth in Appendix D corresponding to each FM antenna (or AM/FM antenna) for year four (4); two-thirds (2/3) for year five (5) and full market price

for year six (6); thereafter, for the balance of the term and any renewals thereof, the payments shall be the market price, together with an annual increase every year, beginning for year seven (7), of the lesser of five percent (5%) or the Consumer Price Index for all Urban Consumers over the previous year's payments (except with respect to San Jose (KUFX) and Boston (WNFT) which such payments shall begin at the Effective Time, with respect to CBS, and will begin on January 1, 1998 as between American and American Tower). Notwithstanding the foregoing, CBS acknowledges that Tower Lease payments at the full "market price" indicated on Appendix D by American to American tower may commence upon such leases becoming the property of American Tower and shall continue until the Effective Time;

(d) all expenses for taxes, insurance, maintenance and utilities in respect of each Tower shall be paid by American Tower; and

(e) American Tower will assume the obligation and responsibility for complying with all Applicable Law with respect to the Towers.

11.2 Conveyance of Towers. Except as otherwise provided by Section 11.1, at the earlier to occur of the Tower Merger Effective Time and the Effective Time, American shall, or shall cause its Subsidiaries to, as applicable, contribute, transfer or convey to American Tower (by deed warrantying only against transferor's acts) the assets described in Section 6.17 of the American Disclosure Schedule, and American Tower shall assume all of American's and such Subsidiaries' obligations with respect to such assets to the extent so set forth.

15.5 Specific Performance; Other Rights and Remedies. Each party recognizes and agrees that in the event any other party should refuse to perform any of its obligations under this Agreement or any Collateral Document, the remedy at law would be inadequate and agrees that for breach of such provisions, each party shall, in addition to such other remedies as may be available to it at law or in equity, be entitled to injunctive relief and to enforce its rights by an action for specific performance to the extent permitted by

Applicable Law. Each party hereby waives any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award of injunctive, mandatory or other equitable relief. Nothing herein contained shall be construed as prohibiting each party from pursuing any other remedies available to it under Applicable Law or pursuant to the provisions of this Agreement for such breach or threatened breach, including without limitation the recovery of damages, including, to the extent awarded in any Legal Action, punitive, incidental and consequential damages (including without limitation damages for diminution in value and loss of anticipated profits) or any other measure of damages permitted by Applicable Law.

15.6 Survival of Representations, Warranties, Covenants and Agreements.

The representations, warranties covenants and agreements in this Agreement shall survive the Tower Separation.

15.7 Severability. If any term or provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative, illegal or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative, illegal or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative, illegal or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative, illegal or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case. Notwithstanding the foregoing, in the event of any such determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the Tower Separation is fulfilled and consummated to the maximum extent possible.

15.8 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, binding upon all of the parties. In pleading or proving any provision of this Agreement, it shall not be necessary to produce more than one of such counterparts.

15.9 Section Headings. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

15.10 Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by, and construed in accordance with, the Applicable Laws of the United States of America and the laws of the State of New York applicable to contracts made and performed in such State and, in any event, without giving effect to any choice or conflict of laws provision or rule that would cause the application of domestic substantive laws of any other jurisdiction, except to the extent the corporate laws of the State of Delaware are applicable. Anything in this Agreement to the contrary notwithstanding, in the event of any dispute between the parties which results in a Legal Action, the prevailing party shall be entitled to receive from the non-prevailing party reimbursement for reasonable legal fees and expenses incurred by such prevailing party in such Legal Action.

15.11 Further Acts. Each party agrees that at any time, and from time to time, before and after the consummation of the transactions contemplated by this Agreement, it will do all such things and execute and deliver all such Collateral Documents and other assurances, as the other party or its counsel reasonably deems

necessary or desirable in order to carry out the terms and conditions of this Agreement and the transactions contemplated hereby or to facilitate the enjoyment of any of the rights created hereby or to be created hereunder.

15.12 Entire Agreement; No Other Representations or Agreements. This Agreement (together with the Appendices, the Merger Agreement and the other Collateral Documents delivered or to be delivered in connection herewith) constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements, arrangements, covenants, promises, conditions, undertakings, inducements, representations, warranties and negotiations, expressed or implied, oral or written, between the parties, with respect to the subject matter hereof. Each of the parties is a sophisticated legal entity that was advised by experienced counsel and, to the extent it deemed necessary, other advisors in connection with this Agreement. Each of the parties hereby acknowledges that (a) neither party has relied or will rely in respect of this Agreement or the transactions contemplated hereby upon any document or written or oral information previously furnished to or discovered by it or its representatives, other than this Agreement (including the Appendices, the Merger Agreement and the other Collateral Documents) or such of the foregoing as are delivered at the Closing, (b) there are no covenants or agreements by or on behalf of either party hereto or any of its respective Affiliates or representatives other than those expressly set forth in this Agreement, the Merger Agreement and the other Collateral Documents, and (c) the parties' respective rights and obligations with respect to this Agreement and the events giving rise thereto will be solely as set forth in this Agreement, the Merger Agreement and the other Collateral Documents. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, EACH PARTY HERETO AGREES THAT, EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT, NEITHER AMERICAN NOR AMERICAN TOWER MAKES ANY OTHER REPRESENTATIONS OR WARRANTIES, AND EACH HEREBY DISCLAIMS ANY OTHER REPRESENTATIONS OR WARRANTIES MADE BY ITSELF OR ANY OF ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, FINANCIAL AND LEGAL ADVISORS OR OTHER REPRESENTATIVES, WITH RESPECT TO THE EXECUTION AND DELIVERY OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, NOTWITHSTANDING THE DELIVERY OR DISCLOSURE TO THE OTHER OR THE OTHER'S REPRESENTATIVES OF ANY DOCUMENTATION OR OTHER INFORMATION WITH RESPECT TO ANY ONE OR MORE OF THE FOREGOING.

15.13 Assignment. This Agreement shall not be assignable by any party and any such assignment shall be null and void, except that it shall inure to the benefit of and be binding upon any successor to each party by operation of Law, including by way of merger, consolidation or sale of all or substantially all of its assets, and each party may assign its rights and remedies hereunder to any bank or other financial institution which has loaned funds or otherwise extended credit to it.

15.14 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party and their permitted successors and assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except as otherwise provided in Section 15.13.

15.15 Mutual Drafting. This Agreement is the result of the joint efforts of American and American Tower, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and there shall be no construction against either party based on any presumption of that party's involvement in the drafting thereof.

15.16 Obligations of American and of American Tower. Whenever this Agreement requires a Subsidiary of American or American Tower to take any action, such requirement shall be deemed to include an undertaking on the part of American to cause such Subsidiary to take such action.
