## SUMMARY TERM SHEET

*The following are answers to some of the questions that you may have about the Offer. To understand the Offer fully and for a more complete description of the terms of the Offer, we urge you to read carefully the remainder of this Issuer Repurchase Notice and the accompanying Repurchase Notice because the information in this summary is not complete and those documents contain additional important information. We have included page references to direct you to a more complete description of the topics in this summary.*

### **Who is offering to purchase my Securities?**

American Tower Corporation, a Delaware corporation (the “Company” or “American Tower”), is offering to repurchase your validly surrendered 2.25% Convertible Notes due 2009 (the “Securities”). (See Page 4)

### **What securities are you seeking to repurchase?**

We are offering to repurchase all of the Securities surrendered, at the option of the holder thereof (the “Holder”). As of September 12, 2003, there was approximately \$104,194,000 aggregate principal amount of Securities outstanding (approximately \$83.3 million accreted value). The Securities were issued under an indenture, dated as of October 4, 1999 (the “Indenture”), between the Company and The Bank of New York, as Trustee (the “Paying Agent”). (See Page 4)

### **How much are you offering to pay and what is the form of payment?**

Pursuant to the terms of the Indenture, we will pay in cash a repurchase price of \$802.93 per \$1,000 principal amount at maturity of the Securities (the “Repurchase Price”), plus accrued and unpaid interest, if any, with respect to any and all Securities validly surrendered for repurchase and not withdrawn. (See Page 4)

### **How can I determine the market value of the Securities?**

There is no established reporting system or market for trading in the Securities. To the extent that the Securities are traded, prices of the Securities may fluctuate widely depending on trading volume, the balance between buy and sell orders, prevailing interest rates, the Company’s operating results and the market for similar securities. To the extent available, Holders are urged to obtain current market quotations for the Securities prior to making any decision with respect to the Offer. Shares of our Class A common stock, into which the Securities are convertible, are listed on the NYSE under the symbol “AMT.” On September 17, 2003, the last reported sales price of our Class A common stock on the NYSE was \$10.55 per share. (See Page 5)

### **Why are you making the offer?**

We are required to make the offer pursuant to the terms of the Securities and the Indenture. (See Page 4)

### **What does the Company’s board of directors think of the Offer?**

Although the Company’s board of directors has approved the terms of the Offer included in the Indenture, it has not made any recommendation as to whether you should surrender your Securities for repurchase in the offer. You must make your own decision whether to surrender your Securities for repurchase in the offer and, if so, the amount of Securities to surrender. (See Page 4)

### **When does the Offer expire?**

The Offer expires at 5:00 p.m., New York City time, on October 22, 2003. The period that Holders have to accept the Offer will not be extended unless required by applicable law. (See Page 4)

### **What are the conditions to the Company’s repurchase of the Securities?**

The Company’s repurchase of validly surrendered Securities is not subject to any conditions other than such repurchase being lawful. (See Page 4)

### **How do I surrender my Securities?**

To surrender your Securities for repurchase pursuant to the Offer, you must deliver the required documents to the Paying Agent no later than 5:00 p.m., New York City time, on October 22, 2003 or, if the Offer is required to be extended by applicable law, the time and date the extended offer expires (the “Repurchase Date”).

### **HOLDERS THAT SURRENDER THROUGH THE DEPOSITORY TRUST COMPANY (“DTC”) NEED NOT SUBMIT A PHYSICAL REPURCHASE NOTICE TO THE PAYING AGENT IF SUCH HOLDERS COMPLY WITH THE TRANSMITTAL PROCEDURES OF DTC.**

- A Holder whose Securities are held in certificated form must properly complete and execute the Repurchase Notice and deliver such notice to the Paying Agent, together with any other required documents and the certificates representing the Securities to be surrendered for repurchase, on or before 5:00 p.m., New York City time, on the Repurchase Date.
- A Holder whose Securities are held by a broker, dealer, commercial bank, trust company or other nominee must contact such nominee if such Holder desires to surrender his or her Securities and instruct such nominee to surrender the Securities on the Holder’s behalf.
- A Holder who is a DTC participant may elect to surrender their Securities by delivering to the Paying Agent’s account at DTC through DTC’s book-entry system his or her beneficial interest in the Securities on or before 5:00 p.m., New York City time, on the Repurchase Date.
- Holders who are DTC participants should surrender their Securities electronically through DTC’s Automated Tenders over the Participant Terminal System (“PTS”), subject to the terms and procedures of that system on or before 5:00 p.m., New York City time, on the Repurchase Date.

Holders who desire to surrender Securities for repurchase and whose certificates representing such Securities are not immediately available or who cannot deliver their certificates, Repurchase Notice and other required documents to the Paying Agent or complete the procedures for book-entry transfer prior to 5:00 p.m., New York City time, on the Repurchase Date, may nevertheless surrender their Securities for repurchase pursuant to the guaranteed delivery procedures described in this Issuer Repurchase Notice. (See Pages 6-8)

### **If I surrender, when will I receive payment for my Securities?**

We will accept for payment all validly surrendered Securities promptly upon expiration of the Offer. Prior to 11:00 a.m., New York City time, on October 22, 2003, we will forward to the Paying Agent the appropriate amount of cash required to pay the Repurchase Price for the surrendered Securities, and the Paying Agent will pay cash to the Holders promptly following the later of the Repurchase Date and, if applicable, receipt of the Securities by the Paying Agent in accordance with the guaranteed delivery procedures. (See Page 4)

### **Can I withdraw previously surrendered Securities?**

Yes. To withdraw previously surrendered Securities, you must deliver an executed written notice of withdrawal substantially in the form attached, or a facsimile of one, to the Paying Agent prior to 5:00 p.m., New York City time, on October 22, 2003 or, if the Offer is required to be extended by applicable law, the time and date the extended offer expires.

**Do I need to do anything if I do not wish to surrender my Securities for repurchase?**

No. (See Page 6)

**If I choose to surrender my Securities for repurchase, do I have to surrender all of my Securities?**

No. You may surrender all of your Securities, a portion of your Securities or none of your Securities for repurchase. If you wish to surrender a portion of your Securities for repurchase, however, you must surrender your Securities in a principal amount at maturity of \$1,000 or an integral multiple thereof. (See Page 6)

**If I do not surrender my Securities for repurchase, will I continue to be able to exercise my conversion rights?**

Yes. (See Page 5)

**If I am a U.S. resident for U.S. federal income tax purposes, will I have to pay taxes if I surrender my Securities for repurchase in the Offer?**

The receipt of cash in exchange for Securities pursuant to the Offer will be a taxable transaction for U.S. federal income tax purposes and you may recognize gain, income, loss or deduction. You should consult with your own tax advisor regarding the actual tax consequences to you. (See Page 10)

**Who is the Paying Agent?**

The Bank of New York, the trustee for the Securities, is serving as Paying Agent in connection with the Offer. Its address and telephone number are set forth on the front cover page of this Issuer Repurchase Notice.

**Who can I contact if I have questions about the Offer?**

## IMPORTANT INFORMATION CONCERNING THE OFFER

**1. Information Concerning the Company.** American Tower Corporation, a Delaware corporation (the “Company” or “American Tower”), is offering to repurchase its 2.25% Convertible Notes due 2009 (the “Securities”).

American Tower is a leading wireless and broadcast communications infrastructure company with a portfolio of approximately 15,000 towers, including pending transactions. Our primary business is leasing antenna space on multi-tenant communications towers to wireless service providers and radio and television broadcast companies. We operate the largest portfolio of wireless communications towers in North America and are the largest independent operator of broadcast towers in North America, based on number of towers. Our tower portfolio provides us with a recurring base of leasing revenues from our existing customers and growth potential due to the capacity to add more tenants and equipment to these towers. Our broad network of towers enables us to address the needs of wireless service providers on a national basis. We also offer select tower related services, such as antennae and line installation and site acquisition and zoning services, which are strategic to our core leasing business.

Our principal executive offices are located at 116 Huntington Avenue, Boston, Massachusetts 02116, and our telephone number is (617) 375-7500. Our website address is [www.americantower.com](http://www.americantower.com). We have not incorporated by reference into this Issuer Repurchase Notice the information included on or linked from our website, and you should not consider it to be a part of this Issuer Repurchase Notice.

**2. Information Concerning the Securities.** In October 1999, we issued the Securities at an aggregate issue price of \$300.1 million, representing 70.52% of their principal amount at maturity of \$425.5 million. The difference between the issue price and the principal amount at maturity of the Securities has been, and will continue to be to the extent such notes remain outstanding, accreted each year, making the effective interest rate of such notes 6.25% per annum (2.25% cash interest, plus 4.0% accreted interest). Cash interest accrues on the Securities at the rate of 2.25% per annum and is payable semi-annually on April 15 and October 15 of each year to the person in whose name a Security is registered at the close of business on the preceding April 15 or October 15, as the case may be. The Securities mature on October 15, 2009. As of September 12, 2003, there was approximately \$104,194,000 in aggregate principal amount of Securities outstanding (approximately \$83.3 million accreted value).

**2.1 The Company’s Obligation to Repurchase the Securities.** Pursuant to the terms of the Securities and the Indenture, unless earlier redeemed, we are obligated to repurchase all Securities validly surrendered for repurchase and not withdrawn at the Holder’s option on the Repurchase Date (as defined below) at the repurchase price of \$802.93 per \$1,000 principal amount at maturity of the Securities, plus accrued and unpaid interest, if any. The repurchase price of \$802.93 represents the note issue price of \$705.20 and the original issue discount of \$97.73. The purpose of the Offer is to satisfy our obligation under the Securities and the Indenture.

The Offer will expire at 5:00 p.m., New York City time, on October 22, 2003 or, if the Offer is required to be extended by applicable law, the time and date the extended offer expires (the “Repurchase Date”). The repurchase by the Company of validly surrendered Securities is not subject to any conditions other than such repurchase being lawful.

**2.2 Repurchase Price.** Pursuant to the Indenture, the repurchase price to be paid by the Company for the Securities on the Repurchase Date is \$802.93 per \$1,000 principal amount at maturity of the Securities (the “Repurchase Price”). The Repurchase Price will be paid in cash with respect to any and all Securities validly surrendered for repurchase and not withdrawn prior to the Repurchase Date. Securities surrendered for repurchase will be accepted only in principal amounts at maturity equal to \$1,000 or integral multiples thereof. The Paying Agent will pay the Repurchase Price to Holders promptly following the later of the Repurchase Date and, if applicable, the time of delivery of Securities to the Paying Agent in accordance with the guaranteed delivery procedures described in this Issuer Repurchase Notice.

With respect to Securities that are validly surrendered for repurchase, (1) the Original Issue Discount (as defined in the Indenture) will accrete in value and (2) the 2.25% per annum cash interest will accrue, up to but excluding October 22, 2003, unless the Company defaults in making payments on Securities validly surrendered for repurchase and not withdrawn.

## [Table of Contents](#)

The Repurchase Price is based solely on the requirements of the Indenture and the Securities and does not necessarily bear any relationship to the market price of the Securities or shares of our Class A common stock. Thus, the Repurchase Price may be significantly higher or lower than the current market price of the Securities. Holders of Securities are urged to obtain the best available information as to potential current market prices of the Securities, to the extent available, and our Class A common stock before making a decision whether to surrender their Securities for repurchase.

Neither the Company, its board of directors, nor its employees are making any recommendation to Holders as to whether to surrender or refrain from surrendering Securities for repurchase pursuant to this Issuer Repurchase Notice. Each Holder must make his or her own decision whether to surrender his or her Securities for repurchase and, if so, the principal amount of Securities to surrender based on such Holder's assessment of current market value of the Securities and the Common Stock and other relevant factors.

**2.3 Conversion Rights of the Securities.** The Securities are convertible into shares of our Class A common stock, \$.01 par value per share, in accordance with and subject to the terms of the Indenture and the Securities. The conversion rate of the Securities is 29.38 shares of Class A common stock per \$1,000 principal amount at maturity of the Securities. The Paying Agent is currently acting as Conversion Agent for the Securities.

Holders that do not surrender their Securities for repurchase pursuant to the Offer will maintain the right to convert their Securities into Class A common stock pursuant to the Indenture. Any Securities as to which a Repurchase Notice has been given may be converted in accordance with the terms of the Indenture only if the applicable Repurchase Notice has been validly withdrawn prior to 5:00 p.m., New York City time, on the Repurchase Date, as described in Section 4 of this Issuer Repurchase Notice.

**2.4 Market for the Securities and American Tower Class A Common Stock.** There is no established reporting system or trading market for trading in the Securities. To the extent that the Securities are traded, prices of the Securities may fluctuate widely depending on trading volume, the balance between buy and sell orders, prevailing interest rates, our operating results and the market for similar securities.

Our Class A common stock into which the Securities are convertible is listed on the NYSE under the symbol "AMT." The following table sets forth, for the fiscal quarters indicated, the high and low per share sales prices of our Class A common stock as reported on the NYSE. We have not paid, and we currently have no plans to pay, cash dividends on our Class A common stock. The terms of our outstanding indebtedness impose significant limitations on our ability to pay dividends to our stockholders.

We urge you to obtain current market information for the Securities, to the extent available, and our Class A common stock before making any decision to surrender your Securities pursuant to the Offer.

**2.5 Optional Redemption.** The Securities are not redeemable by us prior to October 22, 2003. Beginning on October 22, 2003, the Securities are redeemable for cash at any time at our option, in whole or in part, at a redemption price equal to the Issue Price (as defined in the Indenture) plus accrued Original Issue Discount (as defined in the Indenture and as provided for in the Securities) to the date of redemption.

**2.6 Holder's Right to Require Redemption Upon Change in Control.** The Holder may require us to redeem all or any part of his or her Securities if there is a Change in Control (as defined in the Indenture) at a redemption price equal to the Issue Price (as defined in the Indenture) plus accrued Original Issue Discount (as defined in the Indenture) to the date of redemption.

**2.7 Ranking.** The Securities rank equally with our senior unsecured indebtedness. As of June 30, 2003, our senior unsecured indebtedness included \$802.9 million accreted amount of convertible notes due in 2009 and 2010 and \$1.0 billion principal amount of our 9 <sup>3</sup>/<sub>8</sub>% Senior Notes due 2009. Our subsidiaries do not guarantee the Securities. The Securities effectively rank junior to all indebtedness of our subsidiaries. This indebtedness includes the borrowings of our principal operating subsidiaries under the credit facilities and the 12.25% Senior Subordinated Discount Notes due 2008, both of which are guaranteed by us and substantially all of our subsidiaries. Additionally, the credit facilities are secured by our assets and the assets of substantially all of our subsidiaries. As of June 30, 2003, after giving effect to the repayment of \$100.0 million indebtedness under the credit facilities from the proceeds of our offering in August 2003 of 3.25% Convertible Notes due 2010 and the related permanent reduction of revolving loan commitments, the following amounts of subsidiary debt would be outstanding: \$1.16 billion under the credit facilities, \$392.6 million of 12.25% Senior Subordinated Discount Notes due 2008 (net of the allocated fair value of the warrants of \$48.8 million) and \$63.1 million of other long-term subsidiary debt and \$237.8 million of unused commitments would remain under the credit facilities.

**3. Procedures to Be Followed by Holders Electing to Surrender Securities for Repurchase.** Holders will not be entitled to receive the Repurchase Price for their Securities unless they validly surrender and do not withdraw the Securities on or before 5:00 p.m., New York City time, on the Repurchase Date. Only registered Holders are authorized to surrender their Securities for repurchase. Holders may surrender some or all of their Securities; however, any Securities surrendered must be in \$1,000 principal amount or an integral multiple thereof.

If Holders do not validly surrender their Securities on or before the Repurchase Date, their Securities will remain outstanding subject to the existing terms of the Securities and the Indenture.

**3.1 Method of Delivery.** The method of delivery of Securities, the related Repurchase Notice and all other required documents, including delivery through DTC and acceptance through DTC's Automatic Tenders over the Participant Terminal System ("PTS"), is at the election and risk of the person surrendering such Securities and delivering such Repurchase Notice and, except as expressly otherwise provided in the Repurchase Notice, delivery will be deemed made only when actually received by the Paying Agent. The date of any postmark or other indication of when a Security or the Repurchase Notice was sent will not be taken into account in determining whether such materials were timely received. If such delivery is by mail, it is suggested that Holders use properly insured, registered mail with return receipt requested, and that Holders mail the required documents sufficiently in advance of the Repurchase Date to permit timely delivery to the Paying Agent.

**3.2 Repurchase Notice.** Pursuant to the Indenture, the Repurchase Notice must contain:

- the certificate number of the Securities being delivered for repurchase;
- the portion of the principal amount of the Securities which will be delivered to be purchased, which portion must be in principal amounts of \$1,000 at maturity or an integral multiple thereof; and
- a statement that such Securities shall be purchased as of the Repurchase Date pursuant to the terms and conditions specified in the Indenture and the Securities.

Enclosed with this Issuer Repurchase Notice is the form of Repurchase Notice that you are required to use.

### **3.3 Delivery of Securities.**

*Securities in Certificated Form.* To receive the Repurchase Price, Holders of Securities in certificated form must deliver to the Paying Agent the Securities to be surrendered for repurchase and the accompanying Repurchase Notice, or a copy thereof, on or before 5:00 p.m., New York City time, on the Repurchase Date.

*Securities Held Through a Custodian.* A Holder whose Securities are held by a broker, dealer, commercial bank, trust company or other nominee must contact such nominee if such Holder desires to surrender his or her Securities and instruct such nominee to surrender the Securities for repurchase on the Holder's behalf.

*Securities in Global Form.* A Holder who is a DTC participant may elect to surrender to the Company his or her beneficial interest in the Securities by:

- delivering to the Paying Agent's account at DTC through DTC's book-entry system his or her beneficial interest in the Securities on or prior to 5:00 p.m., New York City time, on the Repurchase Date; and
- electronically transmitting his or her acceptance through DTC's PTS, subject to the terms and procedures of that system on or prior to 5:00 p.m., New York City time, on the Repurchase Date. In surrendering through PTS, the electronic instructions sent to DTC by the Holder, and transmitted by DTC to the Paying Agent will acknowledge, on behalf of DTC and the Holder, receipt by the Holder of and agreement to be bound by the Repurchase Notice.

***Securities and the Repurchase Notice must be delivered to the Paying Agent to collect payment. Delivery of documents to DTC or to us does not constitute delivery to the Paying Agent.***

**HOLDERS THAT SURRENDER THROUGH DTC NEED NOT SUBMIT A PHYSICAL REPURCHASE NOTICE TO THE PAYING AGENT IF SUCH HOLDERS COMPLY WITH THE TRANSMITTAL PROCEDURES OF DTC.**

**3.4 Notice of Guaranteed Delivery.** If you desire to surrender Securities for repurchase pursuant to the Offer but:

- certificates representing such Securities are not immediately available,
- time will not permit your Repurchase Notice, certificates representing such Securities and all other required documents to reach the Paying Agent prior to 5:00 p.m., New York City time, on the Repurchase Date, or
- the procedures for book-entry transfer (including delivery of an agent's message) cannot be completed prior to 5:00 p.m., New York City time, on the Repurchase Date,

you may nevertheless surrender such Securities with the effect that such surrender will be deemed to have been received prior to 5:00 p.m., New York City time, on the Repurchase Date, if all the following conditions are satisfied:

- such surrender is made by or through an eligible guarantor institution (each, an "Eligible Institution"), as defined in Rule 17Ad-15 under the Securities Exchange Act of 1934, as amended (the "Exchange Act");
- prior to 5:00 p.m., New York City time, on the Repurchase Date, the Paying Agent has received from such Eligible Institution, at the address of the Paying Agent set forth on the front cover page of this Issuer Repurchase Notice, a properly completed and duly executed Notice of Guaranteed Delivery (by facsimile transmission, mail or hand delivery) substantially in the form enclosed herewith, setting forth the name(s) and address(es) of the holder(s) and the principal amount of Securities being surrendered for repurchase, and stating that the surrender is being made thereby and guaranteeing that, within three NYSE trading days after the date of execution of the Notice of Guaranteed Delivery, a properly completed and executed Repurchase Notice (or a manually signed facsimile thereof), together with any required signature guarantees (or in the case of a book-entry transfer, an agent's message) and

## [Table of Contents](#)

certificates evidencing the Securities (or confirmation of book-entry transfer of such Securities into the Paying Agent's account with DTC), and any other documents required by the Repurchase Notice, will be deposited by such Eligible Institution with the Paying Agent; and

- such Repurchase Notice (or manually signed facsimile thereof), properly completed and duly executed, with any required signature guarantees (or in the case of a book-entry transfer, an agent's message), together with certificates for all physically delivered Securities in proper form for transfer (or confirmation of book-entry transfer of such Securities into the Paying Agent's account with DTC) and all other required documents are received by the Paying Agent within three NYSE trading days after the date of execution of the Notice of Guaranteed Delivery.

The term "agent's message" means a message, transmitted to DTC and received by the Paying Agent and forming a part of a book-entry transfer, that states that DTC has received an express acknowledgement that the beneficial owner of the Securities agrees to be bound by the Repurchase Notice and that we may enforce the Repurchase Notice against such person.

Under no circumstances will Securities accrete in value and/or accrue interest by reason of any delay in making payment to any person using the guaranteed delivery procedures. The repurchase price for Securities surrendered pursuant to the guaranteed delivery procedures will be the same as that for Securities delivered to the Paying Agent on or before 5:00 p.m., New York City Time, on October 22, 2003.

**4. Right of Withdrawal.** Securities surrendered for repurchase may be withdrawn at any time prior to 5:00 p.m., New York City time, on the Repurchase Date. In order to withdraw Securities, Holders must deliver to the Paying Agent written notice, substantially in the form enclosed herewith, containing:

- the certificate number(s) and principal amount at maturity of the Securities with respect to which such notice of withdrawal is being submitted;
- the principal amount at maturity, if any, of such Securities which remain subject to the original Repurchase Notice and which have been or will be delivered for repurchase by us; and
- the Holder's signature, in the same manner as the original signature on the Repurchase Notice by which such Securities were surrendered for repurchase.

The signature on the notice of withdrawal must be guaranteed by an Eligible Institution (as defined in Rule 17Ad-15 of the Exchange Act) unless such Securities have been surrendered for repurchase for the account of an Eligible Institution. Any properly withdrawn Securities will be deemed not validly surrendered for purposes of the Offer. Securities withdrawn from the Offer may be resurrendered by following the surrender procedures described in Section 3 above.

Enclosed with this Issuer Repurchase Notice is a Notice of Withdrawal that may be used for withdrawing Securities.

**HOLDERS THAT WITHDRAW THROUGH DTC NEED NOT SUBMIT A PHYSICAL NOTICE OF WITHDRAWAL TO THE PAYING AGENT IF SUCH HOLDERS COMPLY WITH THE WITHDRAWAL PROCEDURES OF DTC.**

**5. Payment for Surrendered Securities.** Prior to 11:00 a.m., New York City time, on October 22, 2003, we will forward to the Paying Agent the appropriate amount of cash required to pay the Repurchase Price for the surrendered Securities, and the Paying Agent will promptly distribute the cash to each Holder that has validly delivered its Securities and not validly withdrawn such delivery prior to 5:00 p.m., New York City time, on the Repurchase Date.

## [Table of Contents](#)

The total amount of funds required by us to repurchase all of the Securities is approximately \$83.7 million (assuming all of the Securities are validly surrendered for repurchase and accepted for payment). In the event any Securities are surrendered and accepted for payment, we intend to use cash to repurchase the Securities. We do not have any alternative financing plans.

**6. Securities Acquired.** Any Securities repurchased by us pursuant to the Offer will be cancelled by the Trustee, pursuant to the terms of the Indenture.

**7. Plans or Proposals of the Company.** Except as described in these materials or in our filings with the Securities and Exchange Commission or as previously publicly announced, we currently have no agreements, nor have we authorized any actions, which would be material to a Holder's decision to surrender Securities for repurchase in the Offer, which relate to or which would result in:

- any extraordinary transaction, such as a merger, reorganization or liquidation, involving us or any of its subsidiaries;
- any purchase, sale or transfer of a material amount of our assets or any of our significant subsidiaries;
- any material change in our present dividend rate or policy, indebtedness or capitalization;
- any change in our present board of directors or management, including, but not limited to, any plans or proposals to change the number or the term of directors or to fill any existing vacancies on the board or to change any material term of the employment contract of any executive officer;
- any other material change in our corporate structure or business;
- any class of our equity securities to be delisted from a national securities exchange or cease to be authorized to be quoted in an automated quotation system operated by a national securities association;
- any class of our equity securities becoming eligible for termination of registration under Section 12(g)(4) of the Exchange Act;
- the suspension of our obligation to file reports under Section 15(d) of the Exchange Act;
- the acquisition by any person of additional securities of ours, or the disposition of our securities; or
- any changes in our charter, bylaws or other governing instruments, or other actions that could impede the acquisition of control of us.

**8. Interests of Directors, Executive Officers and Affiliates of the Company in the Securities.** To our knowledge:

- Neither we, nor our executive officers, directors, subsidiaries or other affiliates have any beneficial interest in the Securities;
- none of the officers or directors of our subsidiaries of the Company have any beneficial interest in the Securities;
- we will not repurchase any Securities from such persons; and
- during the 60 days preceding the date of this Issuer Repurchase Notice, none of such officers, directors or affiliates has engaged in any transactions in the Securities.

A list of our directors and executive officers is attached to this Issuer Repurchase Notice as *Schedule A*.

Except as described above, neither we nor, to our knowledge, any of our affiliates, directors or executive officers, is a party to any contract, arrangement, understanding or agreement with any other person relating, directly or indirectly, to the Offer or with respect to any of our securities, including, but not limited to, any contract, arrangement, understanding or agreement concerning the transfer or the voting of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or the giving or withholding of proxies, consents or authorizations.

**9. Legal Matters; Regulatory Approvals.** We are not aware of any license or regulatory permit that is material to our business that might be adversely affected by the Offer, or of any approval or other action by any government or regulatory authority or agency that is required for the acquisition of the Securities as described in this Issuer Repurchase Notice. Should any approval or other action be required, we presently intend to seek the approval or take the action. However, we cannot assure you that we would be able to obtain any required approval or take any other required action.

**10. Purchases of Securities by the Company and Its Affiliates.** During the 60 days preceding the commencement of the Offer, the Company repurchased \$72.2 million principal amount at maturity of Securities in three privately-negotiated transactions. On August 6, 2003, the Company repurchased \$46.4 million principal amount at maturity of Securities for approximately \$37.3 million in cash, on September 4, 2003, the Company repurchased \$25.0 million principal amount at maturity of Securities for approximately \$20.0 million in cash, and on September 12, 2003, the Company repurchased \$0.75 million principal amount at maturity of Securities for approximately \$0.7 million in cash.

Effective on the commencement date of the Offer, we and our affiliates, including their executive officers and directors, are prohibited under applicable United States federal securities laws from purchasing Securities (or the right to purchase Securities) other than through the Offer until at least the tenth business day after the Repurchase Date. Following such time, if any Securities remain outstanding, we and our respective affiliates may purchase Securities in the open market, in private transactions, through a subsequent tender offer, or otherwise, any of which may be consummated at purchase prices higher or lower than the Repurchase Price. Any decision to purchase Securities after the Offer, if any, will depend upon many factors, including the market price of the Securities, the amount of Securities surrendered for purchase pursuant to the Offer, the market price of our Class A common stock, our business and financial position, and general economic and market conditions.

**11. Material United States Income Tax Considerations.**

*U.S. Federal Income Tax Considerations.* The following discussion, which is for general information only, is a summary of the material U.S. federal income tax considerations relating to the surrender of Securities for repurchase pursuant to the Offer. This discussion does not purport to be a complete analysis of all potential tax effects of the Offer. This summary is based on the Internal Revenue Code of 1986, as amended, its legislative history, existing and proposed regulations thereunder, published rulings and court decisions, all as currently in effect and all subject to change at any time, perhaps with retroactive effect. This summary applies only to Holders who hold Securities as “capital assets” within the meaning of Section 1221 of the Code, that is, generally, for investment. This summary does not discuss all aspects of United States federal income taxation that may be relevant to Holders in light of their special circumstances or to Holders subject to special tax rules. Special rules apply, for example, to financial institutions, insurance companies, tax-exempt organizations, dealers in securities or currencies, persons who hold Securities through a partnership or other pass-through entity, persons subject to alternative minimum tax, persons holding Securities as a part of a hedge, straddle, conversion, constructive sale or other integrated transaction, persons whose functional currency is not the U.S. dollar or persons who have ceased to be U.S. citizens or to be taxed as resident aliens. This summary also does not discuss any tax consequences arising under the United States federal estate and gift tax laws or the laws of any state, local, foreign or other taxing jurisdiction.

As used in this summary, a “U.S. Holder” is a beneficial owner of Securities that is (1) a citizen or resident of the United States, (2) a domestic corporation, (3) an estate the income of which is subject to United States federal income tax without regard to its source or (4) a trust, if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust, or if a valid election is in place to treat the trust as a United States person.

As used in this summary, the term “non-U.S. Holder” means a beneficial owner of Securities that is not a U.S. Holder.

*Sale of Securities Pursuant to the Offer.* A U.S. Holder who receives cash in exchange for Securities pursuant to the Offer will recognize taxable gain or loss equal to the difference between (i) the amount of cash received, other than amounts attributable to accrued interest that the Holder has not previously included in

income, which will be taxed as ordinary interest income, and (ii) the Holder's adjusted tax basis in the Securities surrendered. Generally, a U.S. Holder's adjusted tax basis in the Securities will equal the Holder's cost of the Securities increased by any original issue discount or market discount previously included in income by the Holder with respect to the Securities and reduced by any bond premium which the Holder has previously amortized. Subject to the market discount rules described below, a U.S. Holder's gain or loss will be capital gain or loss and will be long-term capital gain or loss if the Securities were held for more than a year.

A U.S. Holder who acquired Securities at a market discount generally will be required to treat any gain recognized upon the purchase of those Securities pursuant to the Offer as ordinary income rather than capital gain to the extent of the accrued market discount, unless the Holder elected to include market discount in income as it accrued. Subject to a de minimis exception, market discount generally equals the excess of the adjusted issue price of a Security at the time the Holder acquired it over the Holder's initial tax basis in the Security. The adjusted issue price of a Security at the time of acquisition equals the sum of the issue price of the Security and the aggregate amount of original issue discount includible in gross income by all prior holders of the Security.

A non-U.S. Holder generally will not be subject to United States federal income tax or withholding tax on any gain realized on the receipt of cash in exchange for Securities pursuant to the Offer unless:

- the gain is effectively connected with a trade or business of the non-U.S. Holder in the United States and, where a tax treaty applies, is attributable to a United States permanent establishment maintained by the Holder;
- the non-U.S. Holder is an individual who is present in the U.S. for at least 183 days during the year of disposition of the note or shares and other conditions are satisfied; or
- section 897 of the Code applies to the non-U.S. Holder.

If a non U.S. Holder is engaged in a trade or business in the United States and the Holder's investment in the Securities is effectively connected with such trade or business, the Holder will be subject to regular United States federal income tax on a net income basis on any gain recognized upon a sale of the Securities pursuant to the Offer in the same manner as if the Holder were a U.S. Holder. In addition, if the non-U.S. Holder is a foreign corporation, the Holder may be subject to a branch profits tax of 30% (or the lower rate provided by an applicable income tax treaty) of the Holder's earnings and profits for the taxable year that are effectively connected with the Holder's conduct of a trade or business in the United States. If a non-U.S. Holder is eligible for the benefits of a tax treaty, any effectively connected income or gain will generally be subject to U.S. federal income tax only if it is also attributable to a permanent establishment maintained by the Holder in the United States.

We believe that we are currently a United States real property holding corporation and that we are likely to remain one. As a result, section 897 may require any gain realized by a non-U.S. Holder upon the purchase of the Securities pursuant to the Offer to be treated as effectively connected with the conduct of a trade or business in the United States and taxable in the manner described above. In addition, if we are a United States real property holding corporation, section 1445 of the Code may impose a United States withholding tax, at a rate of 10%, on the amount realized upon the sale of the Securities. As long as our Class A common stock continues to be regularly traded on the New York Stock Exchange, however, we believe that a non-U.S. Holder will not be subject to United States federal income tax under section 897 on any gain realized upon a sale of the Securities pursuant to the Offer or to withholding under section 1445 on the amount realized on the sale of the Securities, so long as, on the date of acquisition by the Holder of any of the Securities or any other interests in our company, other than an interest solely as a creditor, that are not regularly traded on an established securities market, the aggregate fair market value of all such Securities and other interests owned directly or indirectly by the non U.S. Holder does not exceed 5% of the aggregate value of our outstanding Class A common stock. We urge you to consult with your tax advisor to determine whether you meet these conditions, or whether you otherwise qualify for exemption from section 897 and section 1445.

## Table of Contents

**Backup Withholding.** Under the backup withholding provisions of the Code, a U.S. Holder who surrenders Securities for repurchase will generally be subject to backup withholding on the gross payment if such Holder fails to provide a properly completed Form W-9 (or other acceptable substitute). U.S. Holders electing to surrender Securities should complete the Form W-9 which is part of the Repurchase Notice and provide it with the Securities being surrendered. A U.S. Holder exempt from backup withholding under the Code should so indicate in Part 2 of the Form W-9. If a non-U.S. Holder holds Securities through the non-U.S. office of a non-U.S. related broker or financial institution, backup withholding and information reporting generally will not be required. Information reporting, and possibly backup withholding, may apply if the Securities are held by a non-U.S. Holder through a U.S. broker or financial institution or the U.S. office of a non-U.S. broker or financial institution and the non-U.S. Holder fails to provide appropriate information (on Form W-8BEN or other applicable form). Non-U.S. Holders should consult their tax advisors with respect to the application of U.S. information reporting and backup withholding rules to the disposition of Securities pursuant to the Offer.

**All descriptions of tax considerations are for Holders' guidance only and are not tax advice. We recommend that Holders consult with their tax and financial advisors with respect to the tax consequences of surrendering Securities for repurchase, including the applicability and effect of state, local and foreign tax laws, before surrendering their Securities for repurchase.**

**12. Fees and Expenses.** We will not pay any fees or commissions to any broker, dealer or other person for soliciting tenders of Securities pursuant to the Offer.

Ladies and Gentlemen:

By execution of this Repurchase Notice, each signatory hereof (the “undersigned”) represents that the undersigned has received the Issuer Repurchase Notice, dated September 22, 2003, as amended October 10, 2003 (the “Issuer Repurchase Notice”), of American Tower Corporation, a Delaware corporation (the “Company” or “American Tower”), which provides the notice to the holders (the “Holders”) required pursuant to the Indenture, dated as of October 4, 1999 (the “Indenture”), between the Company and The Bank of New York, a New York banking corporation (the “Paying Agent”). This Repurchase Notice relates to the Company’s 2.25% Convertible Notes due 2009 (the “Securities”), and the Holder’s right to surrender the Securities for repurchase by the Company for \$802.93 per \$1,000 principal amount at maturity of the Securities (the “Repurchase Price”), plus accrued and unpaid interest, if any, subject to the terms and conditions of the Indenture, the Securities and the Issuer Repurchase Notice. - (c) on request, the undersigned will execute and deliver any additional documents that the Paying Agent or the Company deems necessary or desirable to complete the surrender of the Securities surrendered for repurchase hereby and accepted for payment; and
- (d) the undersigned has read and agrees to all of the terms of the Issuer Repurchase Notice and this Repurchase Notice.

The undersigned understands that surrender of the Securities is not made in acceptable form until receipt by the Paying Agent of this Repurchase Notice, duly completed and signed, together with all accompanying evidence of authority in form satisfactory to the Company in its sole discretion (which may delegate power in whole or in part to the Paying Agent). All questions as to form of documents, eligibility, validity (including time of receipt) and acceptance for payment of any surrender of Securities for repurchase hereunder will be determined by the Company in its sole discretion (which may delegate power in whole or in part to the Paying Agent) and such determination shall be final and binding on all parties.

The undersigned understands that all Securities properly surrendered for repurchase and not withdrawn prior to 5:00 p.m., New York City time, on Wednesday, October 22, 2003 or, if the Offer is required to be extended by applicable law, the time and date the extended offer expires (the “Repurchase Date”) will be repurchased at the

Repurchase Price, in cash, upon the terms and conditions specified in the Indenture of the Securities and as set forth in the Issuer Repurchase Notice. The undersigned understands that acceptance of the Securities by the Company for payment will constitute a binding agreement between the undersigned and the Company upon the terms and subject to the conditions of the Indenture, the Issuer Repurchase Notice and this Repurchase Notice.

## INSTRUCTIONS

### Forming Part of the Terms and Conditions of this Repurchase Notice

1. *Delivery of Repurchase Notice and Securities.* This Repurchase Notice can be used only if Securities are to be delivered with it to the Paying Agent or a surrender of Securities is being made concurrently by book-entry transfer to the Paying Agent's account at DTC. **Holders that surrender through DTC need not submit a physical Repurchase Notice to the Paying Agent if such Holders comply with the transmittal procedures of DTC.** Securities or confirmation of the delivery of Securities by book-entry transfer to the Paying Agent through DTC, together with a properly completed and duly executed Repurchase Notice or agent's message and any other required documents, should be delivered to the Paying Agent at the appropriate address set forth on the first page of this Repurchase Notice and must be received by the Paying Agent prior to the Repurchase Date. The term "agent's message" means a message, transmitted to DTC and received by the Paying Agent and forming a part of a book-entry transfer, that states that DTC has received an express acknowledgement that the undersigned agrees to be bound by this Repurchase Notice and that the Company may enforce this Repurchase Notice against the undersigned. Delivery of documents to DTC or the Company does not constitute delivery to the Paying Agent.

The method of delivery of all documents, including Securities, this Repurchase Notice and any other required documents, is at the election and risk of the surrendering Holder(s). If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended.

Each surrendering Holder, by execution of this Repurchase Notice, waives any right to receive any notice of the acceptance of his or her surrender.

2. *Guarantee of Signatures.* No signature guarantee is required if either:

(a) this Repurchase Notice is signed by the registered Holder(s) of the Securities (which term, for purposes of this Repurchase Notice, includes any participant in DTC whose name appears on a security position listing as the Holder of such Securities) surrendered with the Repurchase Notice, unless such Holder has completed the box entitled "Special Issuance Instructions" and/or "Special Delivery Instructions" above; or

(b) the Securities surrendered with this Repurchase Notice are surrendered for the account of an eligible guarantor institution, as defined in Rule 17Ad-15 under the Exchange Act (each, an "Eligible Institution").

In all other cases an Eligible Institution must guarantee the signatures on this Repurchase Notice. See Instruction 5.

3. *Inadequate Space.* If the space provided in the box captioned "Description of Securities Being Surrendered for Repurchase" is inadequate, the Security certificate numbers, the principal amount represented by the Securities and the principal amount surrendered should be listed on a separate signed schedule and attached to this Repurchase Notice.

4. *Partial Surrenders and Unpurchased Securities.* (Not applicable to Holders who surrender by book-entry transfer.) If less than all of the principal amount evidenced by the Securities is to be surrendered for repurchase, fill in the portion of the principal amount of such Securities which is to be surrendered for repurchase in the column entitled "Principal Amount Surrendered for Repurchase" in the box captioned "Description of Securities Being Surrendered for Repurchase." In such case, a new certificate for the remainder of the Securities evidenced by the old certificate will be issued and sent to the registered Holder(s), unless otherwise specified in the box entitled "Special Issuance Instructions" and/or "Special Delivery Instructions" in this Repurchase Notice, as promptly as practicable following the Repurchase Date; provided, however, that each Security repurchased and each new Security issued shall be in a principal amount at maturity of \$1,000 or integral multiples thereof. The full principal amount of Securities listed and delivered to the Paying Agent is deemed to have been surrendered unless otherwise indicated.

5. *Signatures on Repurchase Notice and Endorsements.*

(a) If this Repurchase Notice is signed by the registered Holder(s) of the Securities surrendered for repurchase hereby, the signature(s) must correspond exactly with the name(s) as written on the face of the Securities without any change whatsoever.

(b) If the Securities are registered in the names of two or more joint Holders, each such Holder must sign this Repurchase Notice.

(c) If any surrendered Securities are registered in different names on several certificates, it will be necessary to complete, sign and submit as many separate Repurchase Notices as there are different registrations of Securities.

(d) (Not applicable to Holders who surrender by book-entry transfer.) When this Repurchase Notice is signed by the registered Holder(s) of the Securities and transmitted hereby, no endorsements of Securities is required unless payment is to be made, or the Securities not surrendered or not repurchased are to be issued, to a person other than the registered Holder(s). See Instruction 2. In such an event, signature(s) on such Securities must be guaranteed by an Eligible Institution. If this Repurchase Notice is signed by a person other than the registered Holder(s) of the Securities listed, the assignment form on the Securities must be completed and signed exactly as the name(s) of the registered Holder(s) appear on the Securities and signature(s) on such Securities must be guaranteed by an Eligible Institution. See Instruction 2.

(e) If this Repurchase Notice is signed by attorneys-in-fact, executors, administrators, trustees, guardians, partners, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and must submit proper evidence satisfactory to the Company of their authority so to act.

6. *Special Payment and Special Delivery Instructions.* The surrendering Holder(s) signing this Repurchase Notice should indicate in the applicable box or boxes the name and address to which Securities for principal amounts not surrendered or checks for payment of the aggregate Repurchase Price are to be issued or sent, if different from the name(s) and address(es) of such Holder(s). In the case of issuance in a different name, the taxpayer identification number or social security number of the person named must also be indicated. If no instructions are given, Securities not surrendered will be returned to the Holder(s). Any Holder(s) surrendering by book-entry transfer may request that Securities not surrendered be credited to such account at DTC as such Holder(s) may designate under the caption "Special Issuance Instructions." If no such instructions are given, any such Securities not surrendered will be returned by crediting the account at DTC designated above.

7. *Irregularities.* The Company will determine, in its sole discretion, all questions as to the form of documents, eligibility, validity (including time of receipt) and acceptance for payment of any surrender of Securities and its determinations shall be final and binding on all parties. The Company reserves the absolute right to reject any or all surrenders it determines not to be in proper form or the acceptance for payment of or payment for which may, in the opinion of the Company's counsel, be unlawful. The Company also reserves the absolute right to waive any defect or irregularity in the surrender of any particular Security. No surrender of Securities will be deemed to have been properly made until all defects and irregularities have been cured or waived. Unless waived, any defects or irregularities in connection with surrenders must be cured within such time as the Company shall determine. The Company's interpretation of the terms of the Repurchase Notice (including these instructions) will be final and binding on all parties. None of the Company, the Paying Agent or any other person is or will be obligated to give notice of any defects or irregularities in surrenders of Securities and none of them will incur any liability for failure to give such notice.

8. *Mutilated, Lost, Stolen or Destroyed Certificates for Securities.* Any Holder(s) whose certificates for Securities have been mutilated, lost, stolen or destroyed should write to or telephone the Paying Agent at the address or telephone number set forth on the front cover page of this Repurchase Notice.

The Holder will then be instructed by the Paying Agent as to the steps that must be taken in order to replace the certificates. This Repurchase Notice and related documents cannot be processed until the procedures for replacing mutilated, lost, stolen or destroyed certificates have been followed.

9. *Questions and Requests for Assistance and Additional Copies.* Questions and requests for assistance may be directed to the Paying Agent and additional copies of the Issuer Repurchase Notice and this Repurchase Notice may also be obtained from the Paying Agent.

10. *Withdrawal Rights.* You may withdraw previously surrendered Securities at any time until the Repurchase Date. See Section 4 of the Issuer Repurchase Notice for a more detailed description of withdrawal rights.

11. *Transfer Taxes.* If payment of the Repurchase Price is to be made to, or if Securities not surrendered or repurchased are to be registered in the name of, any persons other than the registered Holder(s), or if surrendered Securities are registered in the name of any person other than the person(s) signing this Repurchase Notice, the amount of any transfer taxes (whether imposed on the registered Holder(s) or such other person) payable on account of the transfer to such other person will be deducted from the Repurchase Price unless satisfactory evidence of the payment of such taxes or an exemption therefrom is submitted.

12. *Important Tax Information.* Under U.S. federal income tax law, a Holder that surrenders Securities is required to provide the Paying Agent with such Holder's current taxpayer identification number ("TIN") on a properly completed Form W-9, or, alternatively, to establish another basis for an exemption from backup withholding. If such Holder is an individual, the TIN is his or her Social Security number. If the Paying Agent is not provided with the correct TIN, the Holder may be subject to a \$50 penalty imposed by the Internal Revenue Service. In addition, any payment made to such Holder with respect to Securities repurchased pursuant to the Issuer Repurchase Notice may be subject to 30% backup withholding.

Certain Holders (including, among others, all corporations and certain foreign individuals) are not subject to these backup withholding and reporting requirements. In order for a foreign individual to qualify as an exempt recipient, that Holder must submit to the Paying Agent a properly completed Internal Revenue Service Form W-8 BEN (a "Form W-8 BEN"), signed under penalties of perjury, attesting to that individual's exempt status. A Form W-8 BEN can be obtained from the Paying Agent. See the enclosed Form W-9 for additional instructions.

If backup withholding applies, the Paying Agent is required to withhold 30% of any payment made to the Holder or other payee. Backup withholding is not an additional tax. Rather, the federal income tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained from the Internal Revenue Service. The Paying Agent cannot refund amounts withheld by reason of backup withholding.

*FOR IMMEDIATE RELEASE*

## **James D. Taiclet Named American Tower CEO; Steven B. Dodge Continues As American Tower Chairman**

**Boston, MA — October 10, 2003** — American Tower Corporation announced today its board of directors has named James D. Taiclet Chief Executive Officer, succeeding Steven B. Dodge in this role. Steve Dodge will continue as Chairman of American Tower's Board of Directors.

Jim was appointed President and Chief Operating Officer of American Tower in September 2001 and has been responsible for the Company's tower and services business since that time. Prior to joining American Tower, Jim was President of Honeywell Aerospace Services, a \$2.4 billion, ten thousand employee division of Honeywell International. Prior to Honeywell, he served as Vice President, Engine Services at Pratt & Whitney, a unit of United Technologies Corporation. Jim was also previously a consultant at McKinsey & Company, specializing in telecommunications and aerospace.

Steve Dodge said, "We have been preparing for this transition for several years, as we have carefully assembled the current senior team, led by Jim, whom we recruited over two years ago to eventually take on the CEO role. While working closely with Jim since he joined the company, I am convinced that he has the character, the judgment, the leadership ability, and the drive to excel in this role.

"All management teams are as good as the sum of their parts, and ours is no different. Jim, with whom I have worked closely to shape the current team, is very ably supported by Brad Singer, CFO, Steven Moskowitz, President, U.S. Tower Division, Michael Gearon, President of International Operations, and Hal Hess, General Counsel. This team is young, smart, driven, and absolutely up to the task, and it has been effectively running the company for a significant period of time.

"From my perspective, American Tower sits today with strong and talented leadership, a sound strategy, and a habit of executing. It owns quality assets and enjoys the benefits of having the leading tower portfolio in each of its markets. It has significant and growing free cash flow, and positive balance sheet momentum. These are important attributes which I believe provide the foundation for success in the future.

"Having faced a period of difficult and unstable market conditions, I take satisfaction in what American Tower has been able to accomplish over the past couple of years. There is no motivator greater than a market that is betting on you to fail. We have particularly enjoyed rewarding those investors who continued to believe and even accumulate during telecom's most toxic moments.

"The key to our recent success, more than anything else, has been the efforts of the team that will be taking the company forward. This group has earned my trust, my confidence and my full support, as well as our Board's. If it has not already done so, we expect that it will soon earn yours."

(continued)

Jim Taiclet added, “Over the past two years, under Steve Dodge’s guidance, our management team has focused on delivering reliable and increasing operating profits and free cash flow. As a result, we have significantly strengthened and de-levered our balance sheet, trends that we are dedicated to continue. I am excited about leading our company forward in the role of CEO with my colleagues on the management team and under the continued Chairmanship of Steve Dodge.”

This press release contains “forward-looking statements” concerning our goals, beliefs, expectations, strategies, objectives, plans, future operating results and underlying assumptions, and other statements that are not necessarily based on historical facts. Actual results may differ materially from those indicated in our forward-looking statements as a result of various important factors, including: (1) a decrease in demand for tower space, which would materially and adversely affect our operating results; (2) continuation of the current U.S. economic slowdown, which could materially and adversely affect our business; (3) our substantial leverage and debt service obligations may adversely affect our operating results by restricting our ability to allocate capital to income producing assets; (4) restrictive covenants in our credit facilities and our senior and discount notes could adversely affect our business by further limiting our flexibility; (5) if our wireless service provider customers consolidate or merge with each other to a significant degree, our growth, our revenue and our ability to generate positive cash flows could be adversely affected; (6) due to the long-term expectations of revenue from tenant leases, we are dependent on the creditworthiness of our tenants; (7) if we issue a significant amount of equity securities, the trading price for our shares of Class A Common Stock could be adversely affected; (8) operations in foreign countries could lead to expropriations, government regulations, funds inaccessibility, and foreign exchange exposure; and (9) new technologies could make our tower antenna leasing services less desirable to potential tenants and result in decreasing revenues. For other important factors that may cause actual results to differ materially from those indicated in our forward-looking statements, we refer you to the information under the caption entitled “Business Factors That May Affect Future Results” in our Form 10-Q for the quarter ended June 30, 2003, which we incorporate herein by reference. We undertake no obligation to update the information contained in this press release to reflect subsequently occurring events or circumstances.
