PROXY STATEMENT
FOR THE 2002 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 16, 2002

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of American Tower Corporation, a Delaware corporation, for use at the 2002 Annual Meeting of Stockholders to be held on May 16, 2002 or at any adjournment or postponement thereof.

We are mailing our Annual Report to Stockholders for the fiscal year ended December 31, 2001 to stockholders with the mailing of this Proxy Statement on or about April 8, 2002. Our Annual Report to Stockholders includes a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2001 as filed with the SEC, except for exhibits.

RECORD DATE, VOTING RIGHTS AND OUTSTANDING SHARES

The Board of Directors has fixed March 25, 2002 as the record date for determining holders of our Common Stock who are entitled to vote at the Annual Meeting.

We have three classes of Common Stock issued and outstanding: Class A Common Stock, \$.01 par value per share, Class B Common Stock, \$.01 par value per share, and Class C Common Stock, \$.01 par value per share. We refer to our Class A Common Stock, our Class B Common Stock and our Class C Common Stock collectively as our Common Stock.

With respect to the matters submitted for vote at the Annual Meeting, each share of Class A Common Stock is entitled to one vote, and each share of Class B Common Stock is entitled to ten votes. Our Class C Common Stock is not entitled to vote on the matters submitted for vote at the Annual Meeting.

Except with respect to the election of two of the directors, our Class A Common Stock and Class B Common Stock will vote as a single class in regards to the matters submitted at the Annual Meeting. With respect to the election of directors, the holders of Class A Common Stock are entitled by class vote, exclusive of all other stockholders, to elect two Class A directors, whom we refer to as the Class A Directors. On March 25, 2002, there were outstanding and entitled to vote 185,018,963 shares of Class A Common Stock and 8,001,769 shares of Class B Common Stock.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the votes represented by the Class A Common Stock and the Class B Common Stock issued and outstanding on March 25, 2002 will constitute a quorum for the transaction of business. For the separate vote of the Class A Common Stock, a quorum will be the presence in person or by proxy of the holders of a majority of the votes represented by the Class A Common Stock. We will count votes withheld, abstentions and broker non-votes for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

Stockholders who do not attend the Annual Meeting in person may submit proxies by mail or over the Internet. Proxies in the enclosed form and proxies properly submitted over the Internet, if received in time for voting and not revoked, will be voted at the Annual Meeting in accordance with the instructions contained therein. If no instructions are indicated, the shares represented by the proxy will be voted:

- . FOR the election of the Director nominees named herein;
- . FOR the ratification of the appointment of Deloitte & Touche LLP as our independent auditors for the current fiscal year; and
- . In accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting or any adjournments thereof.

We will not count shares which abstain from voting on a particular matter, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote the shares as to a particular matter ("broker non-votes"), as votes in favor of such matter. We will also not count them as votes cast or shares voting on such matter. Accordingly, abstentions and broker non-votes will have no effect on the outcome of voting on the matters to be voted on at the Annual Meeting that require the affirmative vote of a certain percentage or a plurality of the votes cast on a matter.

You may vote by any one of the following means:

- . by mail;
- . over the Internet; or
- . in person, at the Annual Meeting.

To vote by mail, sign, date and complete the enclosed proxy card and return it in the enclosed self-addressed envelope. No postage is necessary if the proxy card is mailed in the United States. Instructions for voting over the Internet can be found on your proxy card. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

REVOCABILITY OF PROXIES

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. You may revoke the proxy by filing an instrument of revocation or a duly executed proxy bearing a later date with our Secretary, at our principal executive offices, 116 Huntington Avenue, Boston, Massachusetts 02116. You may revoke a proxy submitted over the Internet and submit a new proxy in its place in accordance with the instructions set forth on the Internet voting website. You may also revoke a proxy by attending the Annual Meeting and voting in person. If not revoked, we will vote the proxy at the Annual Meeting in accordance with your instructions indicated on the proxy card or, if submitted over the Internet, as indicated on the submission.

SOLICITATION

We will bear all costs of solicitation of proxies. In addition to solicitations by mail, our directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, telecopy and personal interviews. We will request brokers, banks, custodians and other fiduciaries to forward proxy soliciting material to the beneficial owners of stock they hold of record. We will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of the proxy materials.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following sets forth certain information known to us as of March 1, 2002 with respect to the shares of Common Stock that are beneficially owned as of such date by:

- . each director;
- . the Chief Executive Officer and the four other most highly compensated executive officers who were serving as executive officers on December 31, 2001, whom we refer to collectively as the Named Executive Officers;
- . all directors and executive officers as a group; and
- . each person known by us to beneficially own more than 5% of our outstanding Common Stock.

We determined the number of shares of Common Stock beneficially owned by each person under rules promulgated by the Securities and Exchange Commission, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under these rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and also any shares which the individual or entity had the right to acquire within sixty days of March 1, 2002 through the exercise of an option, conversion feature or similar right. We refer to these options as Presently Exercisable Options. All percentages are based on the shares of Common Stock outstanding as of March 1, 2002. Except as noted below, each holder has sole voting and investment power with respect to all shares of Common Stock listed as owned by that holder.

New audit committee rules of the New York Stock Exchange became effective on June 14, 2001. These rules require listed companies to have an audit committee composed of a minimum of three members who meet specified standards for independence and financial background. In re-appointing Mr. Chavkin to the Audit Committee, our Board determined that Mr. Chavkin's position as an Executive Partner of JPMP, which is an affiliate of BHCA and JPSBIC, stockholders of ours, and The JPMorgan Chase Bank ("Chase Bank"), a lender under our credit facilities, does not interfere with the exercise of his independent judgment.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors is composed of three members and acts under a written charter first adopted and approved in May 2000, amended in March 2001, and reapproved in March 2002. The members of the Audit Committee are independent directors, as defined by the charter and the rules of the New York Stock Exchange. The Audit Committee had six meetings during the fiscal year ended December 31, 2001. A copy of the Audit Committee's charter was attached to last year's Proxy Statement.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended December 31, 2001 and discussed these financial statements with the Company's management. Management is responsible for the Company's financial reporting process including its system of internal control and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors, Deloitte & Touche LLP, are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and for issuing a report on the financial statements. The Audit Committee's responsibility is to monitor and review these processes. The Audit Committee also reviewed and discussed the audited financial statements and the matters required by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees) with Deloitte & Touche LLP.

The Company's independent auditors also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence, confirm their independence and engage in a discussion of independence, which they did with the Audit Committee. The Audit Committee also considered whether the independent auditors' provision of other, non-audit related services to the Company is compatible with maintaining such auditors' independence.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001.

OPTIONS GRANTED IN 2001

The following table sets forth certain information relating to options granted in 2001 pursuant to our Stock Option Plan to the individuals named in the Summary Compensation Table above. In addition to the options set forth below, on November 7, 2001, we granted Mr. Taiclet a ten-year option to purchase 500,000 shares of Class A Common Stock at \$5.98 per share. This option vests as to 25% of the shares on an annual basis over four years. The potential realizable value at assumed annual rates of stock price appreciation of 5% and 10% for the term of the option would be \$1,880,395 and \$4,765,290, respectively.

Option Grants in Last Fiscal Year

Name	Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term(c)

- (b) The exercise price per share of each option was equal to the fair market value per share of the underlying stock as valued by the Board of Directors on the date of grant.
- (c) The potential realizable value is calculated based on the term of option at the time of grant. Stock price appreciation of 5% and 10% is assumed pursuant to rules promulgated by the Securities and Exchange Commission and does not represent our prediction of stock price performance. The potential realizable values at 5% and 10% appreciation are calculated by assuming that the exercise price on the date of grant appreciates at the indicated rate for the entire term of the option and that the option is exercised at the exercise price and sold on the last day of its term at the appreciated price.

The following table sets forth certain information regarding the unexercised options granted pursuant to our Stock Option Plan (or outstanding with respect to options granted under predecessor plans) to the individuals referred to in the Summary Compensation Table above. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Chase Bank, an entity related to JPMP, BHCA and JPSBIC, affiliates of Mr. Chavkin, has been and is a lender under our credit facilities. See "Certain Relationships and Related Transactions".

COMPENSATION COMMITTEE REPORT

The Compensation Committee has the responsibility to review, recommend and approve our compensation policies and programs, including all compensation for the Chief Executive Officer and the other executive officers. The Compensation Committee consists entirely of directors who are both "non-employee" directors within the meaning of Rule 16b-3 under Section 16 of the Securities Exchange Act of 1934, and "outside" directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986, and the regulations thereunder, so that grants of options under our Stock Option Plan to executive officers are exempt under Rule 16b-3 and eligible for the "performance-based" exception of Section 162(m) of the Internal Revenue Code. The Compensation Committee administers our Stock Option Plan and in exercise of that function determines what grants of stock options thereunder are to be made to the Chief Executive Officer and the other executive officers.

The compensation policies adopted and implemented by the Compensation Committee, combining base salary and incentive compensation principally in the form of long-term stock options with a four- or five-year vesting schedule, are designed to achieve our business and growth strategies and goals. By placing a greater emphasis on the long-term incentive aspects of the overall compensation program, the Compensation Committee hopes that financial incentives will be provided to motivate those responsible for achieving those goals and, at the same time, align the interests of those persons with those of the stockholders. The purpose of our Stock Option Plan is to encourage key employees, directors and advisors who render services of special importance to us, and who have contributed or are expected to contribute materially to our success, to continue their association by providing favorable opportunities for them to participate in stock ownership and in future growth. Among the information that the Compensation Committee reviews in establishing both annual compensation and the option pool and option grants under our Stock Option Plan is information regarding those matters for our competitors, the industry and for publicly traded companies of comparable size.

The Compensation Committee determined the salary levels of the executive officers, including the Chief Executive Officer, for 2001. With competitor and industry information by way of guidance, the Compensation Committee evaluated the individual performance of each executive officer, including his past or expected future

contributions to our business and strategic goals, especially the efforts of each of them in connection with our revised strategic plan which focuses on operational performance and improvements, customer relationships, and sales and marketing activities. Finally, the Compensation Committee measured the individual performance of each executive officer in light of the performance of the company, including in comparison to our annual budget, with emphasis on the particular responsibilities of that officer. The Compensation Committee did not grant any stock options to Messrs. Dodge, Singer, and Wiest in 2001. Messrs. Eisenstein and Moskowitz were the only Named Executive Officers to whom options were granted in 2001. Messrs. Eisenstein and Moskowitz received options in April 2001 to purchase 5,000 and 10,000 shares, respectively, of Class A common Stock at \$14.45 and \$15.40 per share, respectively.

The Compensation Committee determines the compensation of Mr. Dodge, as Chairman of the Board and Chief Executive Officer, based upon the same factors as those employed by it for executive officers generally. In addition, the Compensation Committee weighs Mr. Dodge's leadership, industry prominence, and our overall performance as important criteria upon which his compensation is based. Mr. Dodge voluntarily reduced his compensation for 2001, as he did in 2000, and also voluntarily surrendered options to purchase 300,000 shares of Class A Common Stock at \$30.625 per share in order to expand the pool of options available to other key employees. The Compensation Committee believes that Mr. Dodge's 2001 compensation, as so reduced, was significantly below market rates given his historic and anticipated contributions and our operating performance in 2001.

Section 162(m) of the Internal Revenue Code generally disallows an income tax deduction to public companies for compensation in excess of \$1,000,000 paid in any year to the chief executive officer or any of the four most highly compensated other executive officers. Qualified "performance-based" compensation within the meaning of Section 162(m) is an exception to this limitation. Although the Compensation Committee has not adopted any specific rules with respect to this issue, its general policy, subject to all then prevailing relevant circumstances, is to attempt to structure our option grants to maximize deductions for federal income tax purposes.

EMPLOYMENT AGREEMENTS AND SEVERANCE ARRANGEMENTS

Mr. Wiest is the only Named Executive Officer with an employment agreement. Mr. Wiest's employment agreement provides for a lump sum cash payment of \$350,000, or 1.5 times his salary, if Mr. Wiest's employment is terminated (except for cause) within five years of the date of the agreement (April 13, 1998).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Chase Bank is a lender in our credit facilities and had a participation percentage ranging from 1.68% to 3.14% during 2001. Chase Bank is an affiliate of JPMP, BHCA and JPSBIC. BHCA and JPSBIC are stockholders of ours. Mr. Chavkin, one of our directors, is an Executive Partner of JPMP. The aggregate principal amount outstanding under those credit facilities was \$1.4 billion as of December 31, 2001. Chase Bank's participation in our credit facilities at December 31, 2001 was 1.68%. Chase Bank's share of interest and fees earned from us pursuant to our various credit arrangements during 2001 was approximately \$1.5 million.

In March 2001, we purchased 78,432 shares of Class B common stock, par value \$0.01 per share, of America Connect, a Delaware privately owned corporation, from JPSBIC, for 100,000 shares of our Class A Common Stock. We and a predecessor of JPSBIC had each invested in America Connect in January 2000, at which time we invested \$5.0 million for 98,039 shares of Class B common stock of America Connect and JPSBIC's predecessor invested \$4.0 million for its shares.

In October 2001, we consummated the sale of 8.7% of our Mexican subsidiary, ATC Mexico Holding Corp. (ATC Mexico Holding), to J. Michael Gearon, Jr., an executive officer and director, for \$8.4 million. Mr. Gearon paid \$1.7 million in cash and delivered a 7% secured note due 2010 in the principal amount of \$6.7 million. The note, which accrues interest and is payable quarterly, is secured with recourse only to shares of our Class A Common Stock owned by Mr. Gearon and his interest in ATC Mexico Holding. The purchase price represented the fair market value of an 8.7% interest in ATC Mexico Holding on the date of the sale as determined by an independent appraiser. Mr. Gearon may require us to purchase his interest in ATC Mexico Holding for its then fair market value any time after the soonest to occur of July 1, 2004, a "Change in Control" of us or ATC Mexico Holding, or Mr. Gearon's death or disability. We have the right to purchase Mr. Gearon's interest in ATC Mexico Holding for its then fair market value after the soonest to occur of July 1, 2005, Mr. Gearon's death or disability or on either a "Gearon Termination Event" or a "Forfeiture Event" as defined in the Agreement.

James S. Eisenstein, our Executive Vice President--Corporate Development, received a \$1.0 million demand loan from us in August 1998 and repaid approximately \$686,000 in 1999. The loan was interest-free during this period. The balance of the loan was assigned to a third party in 2000 and was repaid in full during the year ended December 31, 2001.

David J. Porte, our Executive Vice President--Technology and Strategy, received a \$144,000 demand loan from us in October 2001, all of which was outstanding as of December 31, 2001. The loan bears interest one year after issue at the applicable federal rate determined by the Internal Revenue Service related to imputed interest.

Bradley E. Singer, our Treasurer and Chief Financial Officer, received a \$180,000 demand loan from us in 2001, all of which was outstanding as of December 31, 2001. The loan bears interest one year after issue at the applicable federal rate determined by the Internal Revenue Service related to imputed interest.

Mr. Wiest, President, Galaxy Engineering Services, received a \$700,000 demand loan from us in March 1999 and an additional advance in December 1999 of \$100,000. As of December 31, 2001, the outstanding principal amount of the loan was \$700,000. The loan bears interest one year after issue at the applicable federal rate determined by the Internal Revenue Service related to imputed interest.

During the past three years, we retained several wholly-owned subsidiaries of Nordblom Co. Inc. to provide various real estate services to us in connection with our acquisition, financing, ownership and leasing of several properties. Services rendered by those companies included advice in connection with the acquisition and arranging mortgage financing of our principal executive office building in Boston and two other office buildings in which we have regional offices, the management of those buildings, and the leasing of certain of them. For two of the properties in which we retained Nordblom, we solicited bids from another nationally recognized real estate management company and, with respect to each service, accepted the lower proposal, including, in one instance, that of the other company. The other office building involved our purchase from an unaffiliated party of an 83% interest. The balance of the property was at the time and is now owned by affiliates of Nordblom and we accepted the existing agreements with the Nordblom companies and their affiliates, Nordic Properties, that had been negotiated by the prior owner who was an unaffiliated party and retained one of the Nordblom companies to arrange the mortgage financing. Earlier this year, we replaced the unaffiliated manager of an office building in which we have a regional office with Nordblom at a significantly lower fee. We can terminate our arrangements with the Nordblom companies on sixty days notice and with Nordic Properties sixty days prior to the annual renewal of the contract. We paid the Nordblom companies, including Nordic Properties, an affiliate of Nordblom, an aggregate of \$772,000, \$474,000 and \$142,000 in 2001, 2000 and 1999, respectively. Two brothers of Mr. Dodge's wife own slightly more than three-quarters of Nordblom Co. Inc. and one of them owns slightly less than a majority of Nordic Properties; her father owns 1% of Nordblom Co. Inc. and 10% of Nordic Properties. Mr. Dodge's wife has no interest in Nordblom Co. Inc. or Nordic Properties, and Mr. Dodge was not involved in the negotiation of any of the arrangements. Based on competitive bids received for similar services, we believe that all of the arrangements with the Nordblom companies are on terms and conditions that are customary in the industry and at least as favorable to us as we could obtain from other recognized real estate management companies.

PERFORMANCE GRAPH

The following graph compares the percentage change in the Class A Common Stock to (1) the cumulative total return of the Russell Midcap Index (Broad Market index), (2) the group of companies selected as our peers in the communications site industry at the current time (New Peer Group) and (3) the group of companies selected as our peers and contained in the performance graph in our proxy statement for 2001 (Old Peer Group). The graph assumes that \$100 was invested in the Class A Common Stock and in each index or peer group on June 5, 1998. The Old Peer Group includes Crown Castle International, Spectrasite Holdings, Pinnacle Holdings, SBA Communications, and LCC International. Pinnacle Holdings and SBA Communications became public companies in 1999. The New Peer Group includes all of the members of the Old Peer Group, with the exception of LCC International. We deleted LCC International from our Peer Group this year because we no longer consider it to be a primary competitor in the operation and management of communications and broadcast towers, our core business.

On February 27, 1998, the Class A Common Stock commenced trading on a "when issued" basis on the inter-dealer bulletin board of the over-the-counter market. Our Class A Common Stock commenced trading on the NYSE on June 5, 1998, the day after the ATC Separation. The following graph presents the trading information commencing on June 5, 1998 and does not present the trading information for such "when issued" market. The cumulative return assumes reinvestment of all dividends. The performance of our Class A Common Stock reflected below is not necessarily indicative of future performance.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

Subject to ratification by the stockholders, the Board of Directors has selected the firm of Deloitte & Touche LLP as our independent auditors for the current year. Deloitte & Touche LLP has served as our independent auditors since our organization.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from stockholders.

If the stockholders do not ratify the selection of Deloitte & Touche LLP as our independent auditors, the Board of Directors will reconsider the selection of them.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE LLP TO SERVE AS OUR INDEPENDENT AUDITORS FOR THE CURRENT FISCAL YEAR.

ADDITIONAL INFORMATION

OTHER MATTERS

The Board of Directors does not know of any other matters that may come before the Annual Meeting. However, if any other matters are properly presented at the meeting, it is the intention of the persons named in the accompanying proxy or their substitutes acting hereunder, to vote, or otherwise act, in accordance with their best judgment on those matters.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or 5 with the SEC. Such officers, directors and ten-percent stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) reports they file. We reviewed copies of the forms received by us or written representation from certain reporting persons that they were not required to file a Form 5. Based solely on that review, we believe that, during the fiscal year ended December 31, 2001, our officers, directors and ten-percent stockholders complied with all Section 16(a) filing requirements applicable to them, except that Mr. Chavkin, one of our directors, omitted to report on a Form 5 for the fiscal year 1998 the grant on December 1, 1998 of a stock option to purchase 25,000 shares. Mr. Chavkin filed an amended Form 5 for 1998 in February 2002 to correct the omission. In addition, in March 2001, Mr. Chavkin filed an amended Form 4 for the month of January 2001 to correct an earlier filing that omitted to include 2,016 shares indirectly held by an affiliated entity and Mr. Chavkin reported late one transaction occurring in March 2001 by filing a Form 4 in August 2001.

PROPOSALS OF STOCKHOLDERS

Pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, in order to be included in the proxy statement and form of proxy relating to our 2003 Annual Meeting, we must receive no later than December 4, 2002 any proposals of stockholders intended to be presented at the meeting. In addition, any proposals must comply with the other requirements of Rule 14a-8.

If you wish to present a proposal before the 2003 Annual Meeting, but do not wish to have the proposal considered for inclusion in the proxy statement and proxy card, you must also give written notice to us at 116 Huntington Avenue, Boston, Massachusetts 02116, Attention: Secretary. If you fail to deliver that notice so that the Secretary receives it no later than February 17, 2003, then proxies designated by the Board of Directors will have discretionary authority to vote on any such proposal.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of our proxy statement or annual report may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you write or call us at the following address or phone number: American Tower Corporation, 116 Huntington Avenue, Boston, Massachusetts 02116, Attention: Director of Investor Relations (617-375-7500). If you wish to receive separate copies of the annual report and proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address and phone number.
