Item 1.01 Entry into a Material Definitive Agreement.

On December 5, 2025, American Tower Corporation (the “Company”) completed a registered public offering of \$850.0 million aggregate principal amount of its 4.700% senior unsecured notes due 2032 (the “Notes”), which resulted in aggregate net proceeds to the Company of approximately \$839.5 million, after deducting commissions and estimated expenses. The Company intends to use the net proceeds to repay existing indebtedness under its \$4.0 billion senior unsecured revolving credit facility, as amended and restated in December 2021, as further amended.

The Company issued the Notes under an indenture dated as of June 2, 2025 (the “Base Indenture”), as supplemented by a supplemental indenture dated as of December 5, 2025 (the “Supplemental Indenture No. 1” and, together with the Base Indenture, the “Indenture”), each between the Company and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). The following description of the Indenture is a summary and is qualified in its entirety by reference to the detailed provisions of the Indenture.

The Notes will mature on December 15, 2032 and bear interest at a rate of 4.700% per annum. Accrued and unpaid interest on the Notes will be payable in U.S. Dollars semi-annually in arrears on June 15 and December 15 of each year, beginning on June 15, 2026. Interest on the Notes will accrue from December 5, 2025 and will be computed on the basis of a 360-day year comprised of twelve 30-day months. The terms of the Indenture, among other things, limit (a) the Company’s ability to merge, consolidate or sell assets and (b) the Company’s and its subsidiaries’ abilities to incur liens. These covenants are subject to a number of exceptions, including that the Company and its subsidiaries may incur liens on assets, mortgages or other liens securing indebtedness, provided the aggregate amount of indebtedness secured by such liens shall not exceed 3.5x Adjusted EBITDA as defined in the Indenture.

The Company may redeem the Notes at any time, in whole or in part, at its election at the applicable redemption price. If the Company redeems the Notes prior to October 15, 2032, the Company shall pay a redemption price equal to 100% of the principal amount of the notes being redeemed plus a make-whole premium, together with accrued interest to the redemption date. If the Company redeems the Notes on or after October 15, 2032, the Company shall pay a redemption price equal to 100% of the principal amount of the notes being redeemed plus accrued interest to the redemption date. In addition, if the Company undergoes a Change of Control and Ratings Decline, each as defined in the Indenture, the Company may be required to repurchase all of the Notes at a purchase price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest (including additional interest, if any), up to but not including the repurchase date.

The Indenture provides that each of the following is an event of default (“Event of Default”): (i) default for 30 days in payment of any interest due with respect to the Notes; (ii) default in payment of principal or premium, if any, on the Notes when due, at maturity, upon any redemption, by declaration or otherwise; (iii) failure by the Company to comply with covenants in the Indenture or Notes for 90 days after receiving notice; and (iv) certain events of bankruptcy or insolvency with respect to the Company or any of its Significant Subsidiaries. If any Event of Default arising under clause (iv) above occurs, the principal amount and accrued and unpaid interest on all the outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the then outstanding Notes may declare the entire principal amount on all the outstanding Notes to be due and payable immediately.

The foregoing is only a summary of certain provisions and is qualified in its entirety by the terms of the Base Indenture, as filed with the Securities and Exchange Commission on June 2, 2025 as an exhibit to the Company's Registration Statement on Form S-3 (No. 333-287714), and the Supplemental Indenture No. 1, a copy of which is filed herewith as Exhibit 4.1, and incorporated by reference herein.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“**H.15**”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading) (“**H.15 TCM**”). ARTICLE II THE SECURITIES

Section 2.01. FORM AND DATING.

The Securities and the Trustee's certificate of authentication shall be substantially in the form set forth in Exhibit A, which is incorporated in and forms part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Security shall be dated the date of its authentication.

The Securities shall be issued initially in the form of one or more Global Securities, substantially in the form set forth in Exhibit A, deposited with the Trustee, as custodian for DTC (who shall be the initial Depository with respect to the Securities), duly executed by the Company and authenticated by the Trustee and bearing the legend set forth in Exhibit B. The aggregate principal amount of the Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for the Depository, as hereinafter provided; *provided*, that, except as permitted by Section 2.13, in no event shall the aggregate principal amount of the Global Security or Global Securities exceed \$850,000,000.

Securities in the form of Physical Securities issued in exchange for Securities represented by interests in a Global Security pursuant to Section 3.08 of the Base Indenture may be issued in the form of permanent certificated Securities in registered form in substantially the form set forth in Exhibit A and, if applicable, bearing any legends required hereby.

The Securities shall be denominated in Dollars, and all cash payments due thereon shall be made in Dollars. The Securities shall be issuable only in registered form without interest coupons and only in denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof.

Section 2.02. EXECUTION AND AUTHENTICATION OF SECURITIES.

Upon a Company Order, the Trustee shall authenticate the Securities for original issue in the aggregate principal amount of \$850,000,000 (the "**Original Securities**"). Each party agrees that the Securities may be executed by the Company and authenticated by the Trustee by manual, facsimile or electronic signature (including, without limitation, DocuSign and AdobeSign and other similar applications). The signature shall be conclusive evidence that the Securities have been authenticated under the Indenture.

Section 2.03. REGISTRAR AND PAYING AGENT.

The Company shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange ("**Registrar**") and an office or agency where Securities may be presented for payment ("**Paying Agent**"). The Corporate Trust Office shall serve as the office or agency for the aforementioned purposes. The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may appoint or change one or more co-Registrars, one or more additional paying agents upon reasonable prior written notice to the Trustee and may act in any such capacity on its own behalf. The term "**Registrar**" includes any co-Registrar and the term "**Paying Agent**" includes any additional paying agent.

The Company shall enter into an appropriate agency agreement with any Securities Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Securities Agent. The Company shall notify the Trustee in writing of the name and address of any Securities Agent not a party to this Indenture. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such.

The Company initially appoints the Trustee as Paying Agent and Registrar.

For purposes of the Securities, the Payment Office shall be the corporate trust office of the Trustee set forth in Section 4.02 of the Base Indenture.

Section 2.04. PAYING AGENT TO HOLD MONEY IN TRUST.

Each Paying Agent shall hold in trust for the benefit of the Securityholders or the Trustee all moneys held by the Paying Agent for the payment of the Securities, and shall notify the Trustee in writing of any Default by the Company in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent shall have no further liability for such money. If the Company acts as Paying Agent, it shall segregate and hold as a separate trust fund all money held by it as Paying Agent.

Section 2.05. TRANSFER AND EXCHANGE.

The Company or the Trustee, as the case may be, shall not be required to register the transfer of or exchange any Security selected for redemption in whole or in part, in accordance with this Indenture, except the unredeemed portion of Securities being redeemed in part.

No service charge shall be made for any transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge that may be imposed in connection with any transfer or exchange of Securities, other than exchanges pursuant to Section 3.11 or Section 7.05 of the Base Indenture or Section 4.01(b) or Article III, not involving any transfer.

Section 2.06. OUTSTANDING SECURITIES.

The Securities outstanding at any time are all the Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Security effected by the Trustee in accordance with the provisions hereof, and those described in this Section and the Base Indenture as not outstanding. Except as set forth in Section 3.13 of the Base Indenture, a Security does not cease to be outstanding because the Company or an affiliate of the Company holds the Security.

If a Security is replaced pursuant to Section 3.09 of the Base Indenture, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a *bona fide* purchaser.

If the principal amount of any Security is considered paid under Section 4.01 of the Base Indenture, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Securities payable on that date, then on and after that date such Securities shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.07. INTEREST PAYMENT AND RECORD DATES.

The Interest Payment Dates for the Securities shall be June 15 and December 15 of each calendar year, beginning with, and including, June 15, 2026. The Regular Record Date for an Interest Payment Date that falls on June 15 shall be the immediately preceding June 1, and the Regular Record Date for an Interest Payment Date that falls on December 15 shall be the immediately preceding December 1.

Section 2.08. NO SINKING FUND.

There shall be no sinking fund with respect to the Securities.

Section 2.09. DEFAULTED INTEREST.

If and to the extent the Company defaults in a payment of interest on the Securities, the Company shall pay in cash the defaulted interest in any lawful manner plus, to the extent not prohibited by applicable statute or case law, interest on such defaulted interest at the rate provided in the Securities and in this Section 2.09. The Company may pay the defaulted interest (plus interest on such defaulted interest) to the persons who are Securityholders on a subsequent record date as provided in Section 3.05(c) of the Base Indenture.

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal on the Securities at the rate equal to 1% per annum in excess of the then applicable interest rate on the Securities of that series to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) on the Securities of any series at the same rate to the extent lawful.

Section 2.10. CUSIP AND ISIN NUMBERS.

The Company in issuing the Securities may use one or more CUSIP and ISIN numbers, and, if so, the Trustee shall use the CUSIP and ISIN numbers in notices of repurchase or exchange as a convenience to Holders; *provided, however*, that no representation is hereby deemed to be made by the Trustee as to the correctness or accuracy of the CUSIP and ISIN numbers printed on the notice or on the Securities; *provided further*, that reliance may be placed only on the other identification numbers printed on the Securities, and the effectiveness of any such notice shall not be affected by any defect in, or omission of, such CUSIP and ISIN numbers. The Company shall promptly notify the Trustee of any change in the CUSIP and ISIN numbers.

Section 2.11. GLOBAL SECURITIES.

The Securities shall initially be issued in the form of one or more Global Securities, and the provisions of the Base Indenture (including, but not limited to, Section 3.06 and Section 3.08) relating to Global Securities shall apply to the Securities.

Section 2.12. RANKING.

The indebtedness of the Company arising under or in connection with this Indenture and every outstanding Security issued under this Indenture from time to time constitutes and will constitute a senior unsecured obligation of the Company, ranking *pari passu* in right of payment with each other and with all other existing and future senior unsecured obligations of the Company. Unless the context otherwise requires, the Securities shall be considered collectively to be a single class for all purposes of this Indenture, including without limitation waivers, amendments, redemptions and Change of Control Offers.

Section 2.13. ADDITIONAL SECURITIES.

The Company may, from time to time, subject to compliance with any other applicable provisions of this Indenture, without the consent of the Holders, create and issue pursuant to this Indenture additional securities (“**Additional Securities**”) having terms and conditions identical to those of the Securities, except that Additional Securities:

(i) may have a different issue date from the Securities;

(ii) may have a different amount of interest payable on the first Interest Payment Date after issuance than is payable on other Securities; and

(iii) may have terms specified in the Additional Securities Board Resolution or Additional Securities Supplemental Indenture for such Additional Securities making appropriate adjustments to Article II and Exhibit A (and related definitions) applicable to such Additional Securities in order to conform to and ensure compliance with the Securities Act (or other applicable securities laws) and any other agreement applicable to such Additional Securities, which are not adverse in any material respect to the Holder of any Securities (other than such Additional Securities); *provided*, that no adjustment pursuant to this Section 2.13 shall cause such Additional Securities to constitute, as determined pursuant to an Opinion of Counsel, a different class of securities than the Original Securities for U.S. federal income tax purposes. The Original Securities and any Additional Securities would rank equally and ratably and would be treated as a single series of debt securities for all purposes under the Indenture.

ARTICLE III OPTIONAL REDEMPTION; MANDATORY REDEMPTION

Section 3.01. NOTICE TO TRUSTEE.

If the Company elects to redeem Securities pursuant to the optional redemption provisions of Section 3.02 hereof, the Company will calculate the redemption price and will notify the Trustee of the redemption price promptly after the calculation thereof. The Trustee shall have no responsibility for any calculation or determination in respect of the redemption price of any Securities, or any component thereof, and shall be entitled to receive, and fully-protected in relying upon, an Officers' Certificate from the Company that states such redemption price.

Section 3.02. OPTIONAL REDEMPTION.

(a) The Securities are redeemable at the Company's election, in whole or in part, at any time and from time to time. If the Company redeems the Securities prior to October 15, 2032 (two months prior to their maturity date), it will pay a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

(1) 100% of the principal amount of the Securities to be redeemed then outstanding; and

(2) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Securities matured on the First Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate for the Securities plus 15 basis points less (b) interest accrued to the date of redemption;

plus, in either of the above cases, accrued and unpaid interest to the date of redemption on the Securities to be redeemed.

(b) If the Company redeems the Securities on or after October 15, 2032 (two months prior to their maturity date), it will pay a redemption price equal to 100% of the principal amount of the Securities to be redeemed plus accrued and unpaid interest to the redemption date.

(c) The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

(d) If the optional redemption date is on or after a Regular Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the person in whose name the security is registered at the close of business on such Regular Record Date.

(e) Any redemption pursuant to this Section 3.02 shall be made pursuant to Section 3.01 hereof and the provisions of Article 9 of the Base Indenture.

Section 3.03. MANDATORY REDEMPTION.

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities.

ARTICLE IV COVENANTS

Section 4.01. ADDITIONAL COVENANTS.

In addition to those Covenants set forth in Article 4 of the Base Indenture, the Company shall comply with the following covenants:

(a) Limitation on Liens.

The Company shall not, and shall not permit any of its Subsidiaries to, allow any Lien on any of the Company's or its Subsidiaries' property or assets (which includes Capital Stock) securing Indebtedness, unless the Lien secures the Securities equally and ratably with, or prior to, any other Indebtedness secured by such Lien, so long as such other Indebtedness is so secured, other than Permitted Liens.

Notwithstanding the foregoing, the Company may, and may permit any of its Subsidiaries to, incur Liens securing Indebtedness without equally and ratably securing the Securities if, after giving effect to the incurrence of such Liens, the aggregate amount (without duplication) of the Indebtedness secured by Liens (other than Permitted Liens) on the property or assets (which includes Capital Stock) of the Company and its Subsidiaries shall not exceed the Permitted Amount at the time of the incurrence of such Liens (it being understood that Liens securing SpectraSite ABS Facility shall be deemed to be incurred pursuant to this paragraph). For the avoidance of doubt, "incur" means to create, incur, issue, assume, guarantee or otherwise become directly liable, contingently or otherwise.

(b) Repurchase of the Securities Upon a Change of Control Triggering Event.

Upon the occurrence of a Change of Control Triggering Event, each Holder of Securities shall have the right to require the Company to repurchase all or any part, equal to \$2,000 or an integral multiple of \$1,000 thereafter, of that Holder's Securities, *provided* that any unpurchased portion of the Securities shall equal \$2,000 or an integral multiple of \$1,000 thereafter, pursuant to an offer (the "**Change of Control Offer**") on the terms set forth in this Indenture at an offer price in cash equal to 101% of the aggregate principal amount of Securities repurchased plus accrued and unpaid interest on the Securities up to but excluding the applicable date of repurchase (the "**Change of Control Payment**"). Within 30 days following any Change of Control Triggering Event, if the Company had not, prior to the Change of Control Triggering Event, sent a redemption notice for all the Securities in connection with an optional redemption permitted by Section 3.02 hereof, the Company shall give a notice to each registered Holder briefly describing the transaction or transactions that constitute a Change of Control Triggering Event and offering to repurchase Securities on the date specified in such notice (the "**Change of Control Payment Date**"), which date shall be no earlier than 30 days and no later than 60 days from the date the notice is given, pursuant to the procedures required by this Indenture and described in such notice.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable to any Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.01(b), the Company shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the provisions of this Section 4.01(b) by virtue of such conflict.

On the Change of Control Payment Date, the Company shall, to the extent lawful:

- (1) accept for payment all Securities or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Securities or portions thereof properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Securities so accepted together with an Officers' Certificate stating the aggregate principal amount of Securities or portions thereof being purchased by the Company.

The Paying Agent will promptly mail to each registered Holder of Securities so tendered the Change of Control Payment for such Securities, and the Trustee will promptly authenticate and mail (at the Company's expense), or cause to be transferred by book entry, to each Holder a new Security equal in principal amount to any unpurchased portion of the Securities surrendered, if any; *provided* that each such new Security shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 thereafter. Any Security so accepted for payment shall cease to accrue interest on and after the Change of Control Payment Date.

This Section 4.01(b) shall be applicable, except as described in this Section 4.01(b), regardless of whether or not any other provisions of this Indenture are applicable.

Notwithstanding the foregoing, the Company shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.01(b) applicable to a Change of Control Offer made by the Company and purchases all Securities properly tendered and not withdrawn under the Change of Control Offer.

The Company may make a Change of Control Offer in advance of a Change of Control Triggering Event, and conditional upon the occurrence of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control Triggering Event at the time of making the Change of Control Offer.

3. **Method of Payment.** Except as provided in the Indenture (as defined below), the Company shall pay interest on the Securities to the persons who are Holders of record of Securities at the close of business on the Regular Record Date set forth on the face of this Security next preceding the applicable Interest Payment Date. Holders must surrender Securities to a Paying Agent to collect the principal amount. The Company shall pay, in money of the United States that at the time of payment is legal tender for payment of public and private debts, all amounts due in cash with respect to the Securities, which amounts shall be paid (A) in the case this Security is a Global Security, by wire transfer of immediately available funds to the account designated by the Depository for the Securities or its nominee; and (B) in the case this Security is a Physical Security, by mailing a check to the address of the relevant Holder set forth in the Security Register for the Securities. The Company shall pay, in cash, interest on any overdue amount (including, to the extent permitted by applicable law, overdue interest) at the rate borne by the Securities.

4. **Paying Agent and Registrar.** Initially, U.S. Bank Trust Company, National Association (the “**Trustee**”) shall act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar upon prior written notice to the Trustee. The Company or any of its Subsidiaries may act in any such capacity.

5. **Indenture.** The Company issued the Securities under an indenture dated as of June 2, 2025 (as amended, supplemented or otherwise modified from time to time prior to the date hereof, the “**Base Indenture**”) between the Company and the Trustee, as amended, supplemented or otherwise modified by the Supplemental Indenture No. 1 (the “**Supplemental Indenture**”), dated as of December 5, 2025, between the Company and the Trustee (the Base Indenture, as amended, supplemented or otherwise modified by the Supplemental Indenture, the “**Indenture**”). The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S. Code §§ 77aaa-77bbb) (the “**TIA**”) as amended and in effect from time to time. The Securities are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Security conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Securities are general unsecured senior obligations of the Company. The Original Securities are limited to \$850,000,000 aggregate principal amount, except as otherwise provided in the Indenture (except for Securities issued in substitution for destroyed, mutilated, lost or stolen Securities). Subject to the conditions set forth in the Indenture and without the consent of the Holders, the Company may issue Additional Securities. All Securities, including any Additional Securities, shall be treated as a single class of securities under the Indenture. Terms used herein without definition and that are defined in the Indenture have the meanings assigned to them in the Indenture.

6. **Optional Redemption.** The Securities are redeemable at the Company's election, in whole or in part, at any time and from time to time. If the Company redeems the Securities prior to the First Par Call Date, the Company will pay a redemption price equal to the greater of:

- (1) 100% of the principal amount of the Securities to be redeemed then outstanding; and
- (2) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Securities matured on the First Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate for the Securities plus 15 basis points less (b) interest accrued to the date of redemption;

plus, in either of the above cases, accrued and unpaid interest to the date of redemption on the Securities to be redeemed.

If the Company redeems the Securities on or after the First Par Call Date, the Company will pay a redemption price equal to 100% of the principal amount of the Securities to be redeemed plus accrued and unpaid interest to the redemption date.

The Company's actions and determinations in calculating the redemption price shall be conclusive and binding for all purposes, absent manifest error.

If the Company selects a redemption date that is on or after a Regular Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, shall be paid to the person in whose name the Security is registered at the close of business on such Regular Record Date.

The Company shall give a notice of redemption at least 10 days, but not more than 60 days, before the redemption date to each Holder of the Securities to be redeemed, except that redemption notices may be given more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of the Indenture.

Unless the Company defaults in payment of the redemption price, on and after the redemption date, interest shall cease to accrue on the Securities or portions thereof called for redemption. Securities called for redemption become due on the date fixed for redemption.

For purposes of the foregoing, the following terms have the following meanings:

“**First Par Call Date**” means October 15, 2032.

“**Treasury Rate**” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third Business Day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“**H.15**”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading) (“**H.15 TCM**”). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “**Remaining Life**”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third Business Day preceding the redemption date H.15 TCM or any successor designation or publication is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

7. No Mandatory Redemption. The Company shall not be required to make mandatory redemption payments with respect to the Securities.

8. Repurchase at Option of Holder. Upon the occurrence of a Change of Control Triggering Event, and subject to certain conditions set forth in the Indenture, the Company shall be required to offer to purchase all of the outstanding Securities at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, thereon to the date of repurchase.

9. Notice of Redemption. Notice of redemption shall be given at least 10 days but not more than 60 days before the redemption date to each Holder whose Securities are to be redeemed, except that redemption notices may be given more than 60 days prior to a redemption date if the notice is issued in connection with Article 10 or Article 11 of the Base Indenture. Securities in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Securities held by a Holder are to be redeemed. Unless the Company defaults in payment of the redemption price, on and after the redemption date interest shall cease to accrue on Securities or portions thereof called for redemption.

10. Denominations, Transfer, Exchange. The Securities are in registered form, without coupons, in denominations of \$2,000 principal amount and integral multiples of \$1,000 principal amount. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or similar governmental charge that may be imposed in connection with certain transfers or exchanges. The Company shall not be required to register the transfer of or exchange any Security selected for redemption, except for the unredeemed portion of any Security being redeemed in part. Also, the Company need not exchange or register the transfer of any Securities for a period of 10 days next preceding the date notice of redemption of Securities to be redeemed was first given.

11. Persons Deemed Owners. The registered Holder of a Security shall be treated as the owner of such Security for all purposes.

12. Merger or Consolidation. The Company shall not consolidate with or merge with or into, or sell, transfer, lease, convey or otherwise dispose of all or substantially all of its property or assets to, another Person (including pursuant to a statutory arrangement), whether in a single transaction or series of related transactions, unless it complies with Article 8 of the Base Indenture.

13. **Amendments, Supplements and Waivers.** The Indenture or the Securities may be amended or supplemented as provided in the Indenture.

14. **Defaults and Remedies.** The Events of Default relating to the Securities are defined in Section 5.01 of the Base Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Securities may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Securities to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Securities shall become due and payable immediately without further action or notice.

Holders may not enforce the Indenture or the Securities except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Securities may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Securities notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Securities then outstanding by notice to the Trustee may on behalf of the Holders of all of the Securities waive any existing Default and its consequences under the Indenture except a continuing Default in payment of the principal of, premium, if any, or interest, if any, on, any of the Securities held by a non-consenting Holder. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

15. **Trustee Dealings with the Company.** The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its affiliates, and may otherwise deal with the Company or its affiliates, as if it were not the Trustee.

16. **No Recourse Against Others.** A director, officer, employee, incorporator or stockholder, of the Company, as such, shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Securities.

17. **Authentication.** This Security shall not be valid until authenticated by the manual, facsimile or electronic signature of the Trustee or an authenticating agent in accordance with the Indenture.

18. **Abbreviations.** Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

19. **CUSIP and ISIN Numbers.** Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP and ISIN numbers to be printed on the Securities and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

American Tower Corporation

Ladies and Gentlemen:

We have acted as special counsel to American Tower Corporation, a Delaware corporation (the "Company"), in connection with its offering pursuant to a registration statement on Form S-3 (No. 333-287714), as amended as of its most recent effective date (December 2, 2025), insofar as it relates to the Securities (as defined below) (as determined for purposes of Rule 430B(f)(2) under the Securities Act of 1933, as amended (the "Securities Act")) (as so amended, including the documents incorporated by reference therein but excluding Exhibit 25, the "Registration Statement"), and the prospectus dated June 2, 2025 (the "Base Prospectus"), as supplemented by the prospectus supplement thereto dated December 2, 2025 (the "Prospectus Supplement," and together with the Base Prospectus, the "Prospectus"), of \$850,000,000 aggregate principal amount of its 4.700% Senior Notes due 2032 (the "Securities"). The Securities were issued under an indenture dated as of June 2, 2025 (the "Base Indenture") between the Company and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented, with respect to the Securities, by Supplemental Indenture No. 1 thereto dated as of December 5, 2025 (the "Supplemental Indenture," and together with the Base Indenture, the "Indenture").

In arriving at the opinion expressed below, we have reviewed the following documents:

- (a) the Registration Statement;
- (b) the Prospectus;
- (c) an executed copy of the Underwriting Agreement dated December 2, 2025 between the Company and the several underwriters named in Schedule A thereto;
- (d) executed copies of the Base Indenture and the Supplemental Indenture;
- (e) facsimile copies of the Securities in global form as executed by the Company and authenticated by the Trustee; and

Cleary Gottlieb Steen & Hamilton LLP or an affiliated entity has an office in each of the locations listed above.

- (f) copies of the Company's Restated Certificate of Incorporation and Amended and Restated By-Laws certified by the Secretary of State of the State of Delaware and the corporate secretary of the Company, respectively.

In addition, we have reviewed the originals or copies certified or otherwise identified to our satisfaction of all such corporate records of the Company and such other documents, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinion expressed below.

In rendering the opinion expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified the accuracy as to factual matters of each document we have reviewed.

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that the Securities are the valid, binding and enforceable obligations of the Company, entitled to the benefits of the Indenture.

Insofar as the foregoing opinion relates to the validity, binding effect or enforceability of any agreement or obligation of the Company, (a) we have assumed that the Company and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to the Company regarding matters of the law of the State of New York or the General Corporation Law of the State of Delaware that in our experience normally would be applicable to general business entities with respect to such agreement or obligation), (b) we express no opinion with respect to the effect of any mandatory choice of law rules and (c) such opinion is subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity.

The foregoing opinion is limited to the law of the State of New York and the General Corporation Law of the State of Delaware.

We hereby consent to the use of our name in the Prospectus Supplement under the heading "Legal Matters" and in the Base Prospectus under the heading "Validity of the Securities," as counsel for the Company that has passed on the validity of the Securities and to the filing of this opinion letter as Exhibit 5.1 to the Company's Current Report on Form 8-K dated December 5, 2025. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Securities and Exchange Commission thereunder.

The opinion expressed herein is rendered on and as of the date hereof, and we assume no obligation to advise you or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinion expressed herein.

Very truly yours,

CLEARY GOTTlieb STEEN & HAMILTON LLP
