⁽²⁾ We expect that the delivery of the notes will be made against payment on May 25, 2023, which is the third business day following the date of this Final Term Sheet (this settlement cycle being referred to as “T+3”). Under Rule 15c6-1 of the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days, unless the parties to the trade expressly agree otherwise. Accordingly, purchasers who wish to trade the notes prior to the second business day preceding their date of delivery may be required, by virtue of the fact that the notes initially will settle in T+3, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement and should consult their own advisors.

The information in this Final Term Sheet supplements the Preliminary Prospectus Supplement dated May 22, 2023 of AMT (the “Preliminary Prospectus Supplement”) and supersedes the information in the Preliminary Prospectus Supplement to the extent inconsistent with the information in the Preliminary Prospectus Supplement. Defined terms used and not defined herein have the meaning ascribed to them in the Preliminary Prospectus Supplement.

Standard Chartered Bank, The Standard Bank of South Africa Limited and any other non-U.S. registered broker-dealer will not effect any offers or sales of any notes in the United States unless it is through one or more U.S. registered broker-dealers as permitted by the regulations of FINRA.
